If this statement is being filed to report the fact that as of the date hereof the reporting person has ceased to be the beneficial owner of more than five percent of the class of securities, check the following [ ].

\* By virtue of the corporate relationships between Reporting Persons as described in Item 7, BAC (the parent company) may be deemed to possess indirect beneficial ownership of shares beneficially owned directly by its subsidiaries. Similarly, higher tier BAC subsidiaries may be deemed to possess indirect beneficial ownership of shares beneficially owned directly by lower tier BAC subsidiaries. The power to vote and to dispose of shares may be deemed to be shared between entities due to their corporate relationships. Two hundred four thousand five hundred ninety-nine (204,599) shares (upon warrant conversion) are held by Black Bear and the remaining 46,900 shares (upon warrant conversion) are held by other funds within the Robertson Stephens group. This amendment is being filed to correct an error in the previous amendment which inadvertently reflected the issuer's total number of shares outstanding as the number of shares held by the reporting parties.
