

## Enhanced Return Notes

Fully and Unconditionally Guaranteed by Bank of America Corporation

## Terms of the Notes

The Enhanced Return Notes provide you a leveraged return if the Ending Value of the Underlying, which is the S&P 500® Index, is greater than the Starting Value. If the Ending Value is less than the Starting Value, you will be subject to 1-to-1 downside exposure and may lose your entire investment. The Notes will not pay interest. At maturity, you will receive the Redemption Amount, calculated as described under "Redemption Amount Determination".

### Risk Factors

- You may not earn a return on your investment.
- The Notes do not bear interest.
- Your return on the Notes may be less than the yield on a conventional debt security of comparable maturity.
- Any payments on the Notes are subject to the credit risk of BofA Finance and the Guarantor, and actual or perceived changes in BofA Finance or the Guarantor's creditworthiness are expected to affect the value of the Notes.
- The public offering price you pay for the Notes will exceed their initial estimated value.
- We cannot assure you that a trading market for your Notes will ever develop or be maintained.
- The payments on the Notes will not reflect changes in the level of the Underlying other than on the Valuation Date.

You may revoke your offer to purchase the Notes at any time prior to the time at which we accept such offer on the date the Notes are priced. We reserve the right to change the terms of, or reject, any offer to purchase, the Notes prior to their issuance. In the event of any changes to the terms of the Notes, we will notify you and you will be asked to accept such changes in connection with your purchase. You may also choose to reject such changes in which case we may reject your offer to purchase.

Please see the Preliminary Pricing Supplement for complete product disclosure, including related risks and tax disclosure.
