#### **Risk Factors**

- Your investment may result in a loss; there is no guaranteed return of principal.
- Your return on the Notes is limited to the return represented by the Contingent Coupon Payments, if any, over the term of the Notes.
- The Notes are subject to a potential Automatic Call, which would limit your ability to receive the Contingent Coupon Payments over the full term of the Notes.
- You may not receive any Contingent Coupon Payments and the Notes do not provide for any regular fixed coupon payments.
- Your return on the Notes may be less than the yield on a conventional debt security of comparable maturity.
- Any payments on the Notes are subject to the credit risk of BofA Finance and the Guarantor, and
  actual or perceived changes in BofA Finance or the Guarantor's creditworthiness are expected to
  affect the value of the Notes.
- The public offering price you pay for the Notes will exceed their initial estimated value.
- We cannot assure you that a trading market for your Notes will ever develop or be maintained.
- The Contingent Coupon Payment, Early Redemption Amount or Redemption Amount, as applicable, will not reflect the prices of the Underlying Stocks other than on the Observation Dates or the Valuation Date, as applicable.
- Because the Notes are linked to the least performing (and not the average performance) of the
  Underlying Stocks, you may not receive any return on the Notes and may lose some or all of your
  principal amount even if the Observation Value or Ending Value of one Underlying Stock is always
  greater than or equal to its Coupon Barrier or its Threshold Value, as applicable.
- The terms of the Notes will not be adjusted for all corporate events that could affect an issuer of an Underlying Stock

You may revoke your offer to purchase the Notes at any time prior to the time at which we accept such offer on the date the Notes are priced. We reserve the right to change the terms of, or reject any offer to purchase, the Notes prior to their issuance. In the event of any changes to the terms of the Notes, we will notify you and you will be asked to accept such changes in connection with your purchase. You may also choose to reject such changes in which case we may reject your offer to nurshase.
