PRIVATE OFFERING NOTICE

Investors should also note the following:

(a) The Notes are denominated in United States dollars. Investors that purchase securities with a currency other than U.S. dollars should note that changes in rates of exchange may have an adverse effect on the value, price or income of their investment.

(b) The price and value of the Notes and the income from them can fluctuate and may fall against the investor's interest and an investor may get back less than amount invested.

(c) Investment in the Notes may not be suitable for all investors. Investors should seek advice from their investment advisor for information concerning the Company, the Notes and the suitability of purchasing the Notes in the context of their individual circumstances. Past performance is not necessarily a guide to future performance, and no projection, representation or warranty is made regarding future performance.

(d) Save as disclosed herein and in the Offering Document, no commissions, discounts, brokerages or other special terms have been granted or are payable by the Company in connection with the issue or sale of any Notes.

(e) Merrill Lynch, Pierce, Fenner & Smith Incorporated or one of its affiliates may be the only market maker, if any, in the Notes.

(f) Information relating to taxation is based on information currently available. The levels and bases of, and reliefs from, taxation in relevant jurisdictions can change. The value of any reliefs depends upon the circumstances of the investor. See additional comments about taxation above.

The date of this Notice is August 26, 2004

This Notice supplements the Preliminary Prospectus Supplement, dated August 26, 2004, and the Prospectus, dated November 26, 2003.
