The % Trust Originated Preferred Securities-SM- (the "TOPRS-SM-" or "Trust Preferred Securities") offered hereby represent preferred undivided beneficial ownership interests in the assets of Merrill Lynch Preferred Capital Trust I, a statutory business trust formed under the laws of the State of Delaware (the "Trust"). Merrill Lynch & Co., Inc., a Delaware corporation (the "Company" or "Merrill Lynch"), will own all the common securities (the "Trust Common Securities" and, together with the Trust Preferred Securities, the "Trust Securities") representing undivided beneficial ownership interests in the assets of the Trust. The Trust exists for the sole purpose of issuing the Trust Securities and investing the proceeds as described below and engaging in activities incident thereto. The proceeds from the sale of the Trust Securities will be used by the Trust to purchase Partnership Preferred Securities ("Partnership Preferred Securities"), representing the limited partner interests of Merrill Lynch Preferred Funding I, L.P., a Delaware limited partnership (the "Partnership"). The general partner interest, which constitutes all of the interest in the Partnership other than the limited partner interests represented by the Partnership Preferred Securities, is owned by the Company, which is the sole general partner of the Partnership (in such capacity, the "General Partner"). Substantially all of the proceeds from the sale of the Partnership Preferred Securities, together with the capital contribution from the General Partner, will be used by the Partnership to purchase Debentures (as defined herein), which consist of debt instruments of the Company and one or more of its eligible controlled affiliates. In addition, approximately one percent of the proceeds from the sale of the Partnership Preferred Securities and the capital contribution from the General Partner will be used to purchase Eligible Debt Securities (as defined herein). See "Description of the Partnership Preferred Securities -- Partnership Investments."

(CONTINUED FROM COVER PAGE)

Holders of the Trust Preferred Securities will be entitled to receive cumulative cash distributions accumulating from the date of original issuance and payable quarterly in arrears on each March 30, June 30, September 30 and December 30, commencing December 30, 1996, at an annual rate of % of the liquidation amount of \$25 per Trust Preferred Security (equivalent to \$ per Trust Preferred Security per annum), if, as and when the Trust has funds available for payment. See "Description of the Trust Preferred Securities -- Distributions." Distributions not paid on the scheduled payment date will accumulate and compound quarterly at a rate per annum equal to %. The distribution rate and the distribution payment dates and other payment dates for the Trust Preferred Securities will correspond to the distribution rate and distribution payment dates and other payment dates for the Partnership Preferred Securities, which are the sole assets of the Trust. As described above, the assets of the Partnership will initially consist only of the Debentures and, to a limited extent, Eligible Debt Securities.

The payment of distributions by the Trust and payments on liquidation of the Trust or the redemption of Trust Preferred Securities, as described below, are guaranteed on a subordinated basis by the Company (the "Trust Guarantee") to the extent the Trust has funds available therefor as described under "Description of the Trust Guarantee". The payment of distributions by the Partnership (if, as and when declared) and payments on liquidation of the Partnership or the redemption of Partnership Preferred Securities, as described below, are also guaranteed on a subordinated basis by the Company (the "Partnership Guarantee") to the extent the Partnership has funds available therefor as described under "Description of the Partnership Guarantee". In addition, payments in respect of the Debentures (other than the Company Debenture (as defined herein)) will be fully and unconditionally guaranteed, on a subordinated basis, by the Company (the "Investment Guarantees") for the benefit of the holders of the Partnership Preferred Securities. The Trust Guarantee, the Partnership Guarantee and the Investment Guarantees (collectively, the "Guarantees"), when taken together with the Company Debenture and the Company's obligations to pay all fees and expenses of the Trust and the Partnership, constitute a guarantee to the extent set forth herein by the Company of the distribution, redemption and liquidation payments payable to the holders of the Trust Preferred Securities. The Guarantees do not apply to current distributions by the Partnership unless and until such distributions are declared by the Partnership out of funds legally available for payment or to liquidating distributions unless there are assets available for payment in the Partnership, each as more fully described in the next succeeding paragraph and under "Risk Factors -- Insufficient Income or Assets Available to Partnership". The Company's obligations under the Guarantees are subordinate and junior in right of payment to all other liabilities of the Company and rank PARI PASSU with the most senior preferred stock issued from time to time by the Company and with any guarantee now or hereafter entered into by the Company in respect of any preferred stock of any Finance Subsidiary (as defined below) and its obligations under the Company Debenture are subordinate and junior in right of payment to all Senior Indebtedness of the Company. At September 27, 1996, the Company had outstanding Senior Indebtedness aggregating approximately \$47.7 billion, which would have ranked senior to the Company's obligations under the Guarantees and the Company Debenture. See "Risk Factors -- Ranking of Subordinate Obligations Under the Guarantees and the Company Debenture". The term "Senior Indebtedness" means any payment in respect of indebtedness of the Company for money borrowed, except for any such indebtedness that is by its terms subordinated to or PARI PASSU with the Company Debenture, as the case may be.

Distributions on the Partnership Preferred Securities will be declared and paid only as determined in the sole discretion of the Company in its capacity as the General Partner of the Partnership. In addition, the General Partner is not obligated to declare distributions on the Partnership Preferred Securities at any time, including upon or following a Partnership Enforcement Event (as defined herein). To the extent that the issuers (including, where applicable, the Company, as guarantor) of the securities in which the Partnership invests defer or fail to make any payments in respect of such securities (or, if applicable, guarantees), the Partnership will not have sufficient funds to pay and will not declare or pay distributions on the Partnership Preferred Securities. In addition, as described under "Risk Factors -- Insufficient

Preferred Securities if (i) at any time that the Partnership is receiving current payments in respect of the securities held by the Partnership (including the Debentures), the General Partner, in its sole discretion, does not declare distributions on the Partnership Preferred Securities and the Partnership receives insufficient amounts to pay the additional compounded distributions that will accumulate in respect of the Partnership Preferred Securities, (ii) the Partnership reinvests the proceeds received in respect of the Debentures upon their retirement or at their maturities in Affiliate Investment Instruments (as defined herein) and Eligible Debt Securities that do not generate income in an amount that is sufficient to pay full distributions in respect of the Partnership Preferred Securities or (iii) the Partnership invests in equity or debt securities of Investment Affiliates that are not guaranteed by the Company and that cannot be liquidated by the Partnership for an amount sufficient to pay such distributions in full. The Debentures will provide that payments of interest may be deferred at any time, and from time to time, by the relevant issuer for a period not exceeding six consecutive quarters. If an issuer were to so defer the payment of interest, interest would continue to accrue and compound at the stated interest rate on such Debenture. If the Partnership does not declare and pay distributions on the Partnership Preferred Securities out of funds legally available for distribution, the Trust will not have sufficient funds to make distributions on the Trust Preferred Securities, in which event the Trust Guarantee will not apply to such distributions until the Trust has sufficient funds available therefor. See "Risk Factors -- Distributions Payable Only if Declared by General Partner; Restrictions on Certain Payments; Tax Consequences", "-- Insufficient Income or Assets Available to Partnership", "Description of the Trust Preferred Securities -- Distributions" and "Description of the Partnership Preferred Securities -- Distributions".

The Partnership may, from time to time and subject to the restrictions described herein, reinvest payments received with respect to the Affiliate Investment Instruments (including the Debentures) and the Eligible Debt Securities, in additional Affiliate Investment Instruments and Eligible Debt Securities. As of the date of this Prospectus, the Company, as the General Partner, does not intend to cause the Partnership to reinvest regularly scheduled periodic payments of interest or dividends received by the Partnership in the manner described herein, although there can be no assurance that the General Partner's intention in respect of such reinvestments will not change in the future.

If (a) for any distribution period, full distributions on a cumulative basis on any Trust Preferred Securities have not been paid, (b) an Investment Event of Default by any Investment Affiliate in respect of any Affiliate Investment Instrument has occurred and is continuing or (c) the Company is in default of its obligations under any Guarantee, then during such period (i) the Company shall not declare or pay dividends on, make distributions with respect to, or redeem, purchase or acquire, or make a liquidation payment with respect to any of its capital stock or comparable equity interest (except for (x) dividends or distributions in shares of, or options, warrants or rights to subscribe for or purchase shares of, its capital stock, and conversions or exchanges of common stock of one class into common stock of another class, (y) redemptions or purchases of any rights pursuant to the Rights Agreement dated as of December 16, 1987 between the Company and The Chase Manhattan Bank (successor by merger to Manufacturers Hanover Trust Company), or any successor to such Rights Agreement (the "Rights Agreement") and the issuance of preferred stock pursuant to such rights and (z) purchases or acquisitions by the Company or its affiliates in connection with transactions effected by or for the account of customers of the Company or any of its subsidiaries or in connection with the distribution or trading of such capital stock or comparable equity interest) and (ii) the Company shall not make, permit any Finance Subsidiary to make, or make any payments that would enable any Finance Subsidiary to make, any payment of any dividends on, any distribution with respect to, or any redemption, purchase or other acquisition of, or any liquidation payment with respect to any preferred security or comparable equity interest of any Finance Subsidiary. "Finance Subsidiary" means any wholly-owned subsidiary of the Company the principal purpose of which is to raise capital for the Company by issuing securities that are guaranteed by the Company and the proceeds of which are loaned to or invested in the Company or one or more of its affiliates.

The Partnership Preferred Securities are redeemable by the Partnership, in whole or in part, from time to time, on or after December 30, 2006 at an amount per Partnership Preferred Security equal to \$25 plus accumulated and unpaid distributions thereon to the date fixed for redemption. The Partnership Preferred Securities may also be redeemed, in whole but not in part, at any time upon the occurrence of a Partnership Special Event (as defined herein). If the Partnership redeems the Partnership Preferred Securities, the Trust must redeem Trust Securities on a PRO RATA basis having an aggregate liquidation amount equal to the aggregate liquidation amount of the Partnership Preferred Securities so redeemed at a redemption price of \$25 per Partnership Preferred

Security plus all accumulated and unpaid distributions thereon to the date fixed for redemption (the "Redemption Price"). See "Description of the Trust Preferred Securities -- Mandatory Redemption". Neither the Partnership Preferred Securities nor the Trust Preferred Securities have any scheduled maturity or are redeemable at any time at the option of the holders thereof.

The Trust will be dissolved upon the occurrence of a Trust Special Event (as defined herein). Upon dissolution of the Trust, the Partnership Preferred Securities will be distributed to the holders of the Trust Securities, on a PRO RATA basis, in lieu of any cash distribution, unless the Partnership Preferred Securities are redeemed in the limited circumstances described herein. If the Partnership Preferred Securities are distributed to the holders of the Trust Securities, the Company will use its best efforts to cause the Partnership Preferred Securities to be listed on the New York Stock Exchange or such other national securities exchange or similar organization as the Trust Preferred Securities are then listed or quoted. See "Description of the Trust Preferred Securities -- Trust Special Event Redemption or Distribution" and "Description of the Partnership Preferred Securities".

In the event of any liquidation, dissolution, winding up or termination of the Trust, the holders of the Trust Preferred Securities will be entitled to receive for each Trust Preferred Security a liquidation amount of \$25 plus accumulated and unpaid distributions thereon, except to the extent, in connection with such dissolution, Partnership Preferred Securities are distributed to the holders of the Trust Preferred Securities. Upon (i) the occurrence of an Investment Event of Default by an Investment Affiliate in respect of any Affiliate Investment Instrument or (ii) default by the Company on any of its obligations under any Guarantee, the holders of the Trust Preferred Securities will have a preference over the holders of the Trust Common Securities with respect to payments upon liquidation of the Trust. Under no circumstances will the investment instruments held by the Partnership be distributed in kind to the holders of the Trust Preferred Securities or Partnership Preferred Securities. See "Description of the Trust Preferred Securities -- Liquidation Distribution Upon Dissolution".

IN CONNECTION WITH THE OFFERING, THE UNDERWRITERS MAY OVER-ALLOT OR EFFECT TRANSACTIONS THAT STABILIZE OR MAINTAIN THE MARKET PRICE OF THE SECURITIES OFFERED HEREBY AT A LEVEL ABOVE THAT WHICH MIGHT OTHERWISE PREVAIL IN THE OPEN MARKET. SUCH TRANSACTIONS MAY BE EFFECTED ON THE NEW YORK STOCK EXCHANGE, IN THE OVER-THE-COUNTER MARKET OR OTHERWISE. SUCH STABILIZING, IF COMMENCED, MAYBE DISCONTINUED AT ANY TIME.

See "Risk Factors -- Insufficient Income or Assets Available to Partnership", "Description of the Trust Preferred Securities -- Trust Enforcement Events" and "Description of the Partnership Preferred Securities -- Partnership Enforcement Events".

The Company has agreed that if (a) for any distribution period, full distributions on a cumulative basis on any Trust Preferred Securities have not been paid, (b) an Investment Event of Default by any Investment Affiliate in respect of any Affiliate Investment Instrument has occurred and is continuing or (c) the Company is in default of its obligations under the Trust Guarantee, the Partnership Guarantee or any Investment Guarantee, then, during such period (i) the Company shall not declare or pay dividends on, make distributions with respect to, or redeem, purchase or acquire, or make a liquidation payment with respect to any of its capital stock or comparable equity interest (except for (x) dividends or distributions in shares of, or options, warrants or rights to subscribe for or purchase shares of, its capital stock and conversions or exchanges of common stock of one class into common stock of another class, (y) redemptions or purchases of any rights pursuant to the Rights Agreement and the issuance of preferred stock pursuant to such rights and (z) purchases or acquisitions by the Company or its affiliates in connection with transactions effected by or for the account of customers of the Company or any of its subsidiaries or in connection with

the distribution or trading of such capital stock or comparable equity interest) and (ii) the Company shall not make, permit any Finance Subsidiary to make, nor make any payments that would enable any Finance Subsidiary to make, any payment of any dividends on, any distribution with respect to, or any

<C>
redemption, purchase or other acquisition of, or any liquidation payment with respect to any preferred security or comparable equity interest of any Finance Subsidiary.

Liquidation Amount..... In the event of any liquidation of the Trust, holders will be entitled to receive \$25 per Trust Preferred Security plus an amount equal to any accumulated and unpaid distributions thereon to the date of payment (such amount being the "Trust Liquidation Distribution"), unless Partnership Preferred Securities are distributed to such holders in connection with a Trust Special Event. If upon a liquidation of the Trust (in which the Partnership Preferred Securities are not distributed to holders of the Trust Securities), the Trust Liquidation Distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate Trust Liquidation Distribution, then the amounts payable directly by the Trust on the Trust Preferred Securities shall be paid on a PRO RATA basis. The holders of the Trust Common Securities will be entitled to receive distributions upon any such liquidation PRO RATA with the holders of the Trust Preferred Securities, except that upon (i) the occurrence of an Investment Event of Default by an Investment Affiliate (including the Company) in respect of any Affiliate Investment Instrument or (ii) default by the Company on any of its obligations under any Guarantee, the holders of the Trust Preferred Securities will have a preference over the holders of the Trust Common Securities with respect to payments upon liquidation of the Trust. See "Description of the Trust Preferred Securities -- Liquidation Distribution Upon Dissolution".

Optional Redemption..... The Partnership Preferred Securities will be redeemable for cash, at the option of the Partnership, in whole or in part, from time to time, after December 30, 2006 at an amount per Partnership Preferred Security equal to \$25 plus accumulated and unpaid distributions thereon. Upon any redemption of the Partnership Preferred Securities, the Trust Preferred Securities will be redeemed, in whole or in part, as applicable, at the Redemption Price. See "Description of the Partnership Preferred Securities -- Optional Redemption" and "Description of the Trust Preferred Securities -- Mandatory Redemption". Neither the Partnership Preferred Securities nor the Trust Preferred Securities have any scheduled maturity or are redeemable at any time at the option of the holders thereof.

Guarantees..... The Company will irrevocably guarantee, on a subordinated basis, the payment in full of (i) any accumulated and unpaid distributions on the Trust Preferred Securities to the extent of funds of the Trust legally available therefor, (ii) the amount payable upon redemption of the Trust Preferred Securities to the extent of funds of the Trust legally available therefor and (iii) generally, the liquidation amount of the Trust Preferred Securities to the extent of the assets of the Trust legally available for distribution to holders of Trust Preferred Securities. See "Description of the Trust Guarantee".

The Company will also irrevocably guarantee, on a subordinated basis and to the extent set forth herein, the payment in full of (i) any

accumulated and unpaid distributions on the Partnership Preferred Securities if, as and when declared out of funds

legally available therefor, (ii) the amount payable upon redemption of the Partnership Preferred Securities to the extent of funds of the Partnership legally available therefor and (iii) generally, the liquidation amount of the Partnership Preferred Securities to the extent of the assets of the Partnership legally available for distribution to holders of Partnership Preferred Securities. See "Description of the Partnership Guarantee".

The Company will fully and unconditionally guarantee, on a subordinated basis, payments in respect of the Debentures (other than the Company Debenture) for the benefit of the holders of the Partnership Preferred Securities, to the extent described under "Description of the Partnership Preferred Securities -- Investment Guarantees". The Guarantees, when taken together with the Company Debenture and the Company's obligations to pay all fees and expenses of the Trust and the Partnership, constitute a guarantee to the extent set forth herein by the Company of the distribution, redemption and liquidation amounts payable to the holders of the Trust Preferred Securities. The Guarantees do not apply, however, to current distributions by the Partnership unless and until such distributions are declared by the Partnership out of funds legally available for payment or to liquidating distributions unless there are assets available for payment in the Partnership, each as more fully described under "Risk Factors -- Insufficient Income or Assets Available to Partnership". The Company's obligations under the Guarantees are subordinate and junior in right of payment to all other liabilities of the Company and rank PARI PASSU with the most senior preferred stock issued from time to time by the Company and with any guarantee now or hereafter entered into by the Company in respect of any preferred stock of any Finance Subsidiary.

Voting Rights..... Generally, holders of the Trust Preferred Securities will not have any voting rights. The holders of a majority in liquidation amount of the Trust Preferred Securities, however, have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Property Trustee, or direct the exercise of any trust or power conferred upon the Property Trustee under the Declaration, including the right to direct the Property Trustee, as holder of the Partnership Preferred Securities, (i) to exercise its rights in the manner described above under "Rights Upon Non-Payment of Distributions and Certain Defaults; Covenants of the Company" and (ii) to consent to any amendment, modification or termination of the Limited Partnership Agreement or the Partnership Preferred Securities where such consent shall be required. See "Description of the Trust Preferred Securities -- Voting Rights".

Special Event Redemptions or Distributions..... Upon the occurrence of a Trust Tax Event (which event will generally be triggered upon the occurrence of certain adverse tax consequences or the denial of an interest deduction on the Debentures held by the Partnership) or a Trust Investment Company Event (which event will

</TABLE>

<TABLE>
<S>

<C>
generally be triggered if the Trust is considered an "investment company" under the Investment Company Act of 1940, as amended (the "1940 Act"), except in certain limited circumstances, the Regular Trustees (as defined herein) will have the right to liquidate the Trust and cause Partnership Preferred Securities to be distributed to the holders of the Trust Preferred Securities. In certain circumstances involving a Partnership Tax Event (which event will generally be triggered upon the occurrence of certain adverse tax consequences or the denial of an interest deduction on the Debentures held by the Partnership) or a Partnership Investment Company Event (which event will generally be triggered if the Partnership is considered an "investment company" under the 1940 Act), the Partnership will have the right to redeem the Partnership Preferred Securities, in whole (but not in part), at \$25 per Partnership Preferred Security plus accumulated and unpaid distributions thereon, regardless of the occurrence of any

Trust Tax Event or Trust Investment Company Event and in lieu of any distribution of the Partnership Preferred Securities required in connection therewith, in which event the Trust Securities will be redeemed at the Redemption Price. See "Description of the Trust Preferred Securities -- Trust Special Event Redemption or Distribution" and "Description of the Partnership Preferred Securities -- Partnership Special Event Redemption".

Form of Trust Preferred

Securities..... The Trust Preferred Securities will be represented by a global certificate or certificates registered in the name of Cede & Co., as nominee for DTC. Beneficial interests in the Trust Preferred Securities will be evidenced by, and transfers thereof will be effected only through, records maintained by the participants in DTC. Except as described herein, Trust Preferred Securities in certificated form will not be issued in exchange for the global certificate or certificates. See "Description of the Trust Preferred Securities -- Book-Entry Only Issuance -- The Depository Trust Company".

Use of Proceeds..... All of the proceeds from the sale of the Trust Securities will be invested by the Trust in the Partnership Preferred Securities. The Partnership will use the funds to make investments in Debentures and certain Eligible Debt Securities. See "Use of Proceeds".

RISK FACTORS

PROSPECTIVE PURCHASERS OF THE TRUST PREFERRED SECURITIES SHOULD CONSIDER CAREFULLY THE RISK FACTORS SET FORTH BELOW, AS WELL AS ALL OTHER INFORMATION CONTAINED OR INCORPORATED BY REFERENCE IN THIS PROSPECTUS, IN EVALUATING AN INVESTMENT IN THE TRUST PREFERRED SECURITIES.

DISTRIBUTIONS PAYABLE ONLY IF DECLARED BY GENERAL PARTNER; RESTRICTIONS ON CERTAIN PAYMENTS; TAX CONSEQUENCES

Distributions on the Partnership Preferred Securities will be payable only if, as and when declared by the General Partner in its sole discretion. The Company is the sole General Partner of the Partnership, and the Debentures will constitute obligations of the Company and its affiliates. If interest payments on the Debentures are deferred as permitted thereby, or if such interest payments are not paid to the Partnership according to their terms (and guarantee payments on the Investment Guarantees are not made by the Company), the Partnership will generally lack funds to pay distributions on the Partnership Preferred Securities. If the Partnership does not make current distributions on the Partnership Preferred Securities, either because the General Partner does not declare distributions to be made or because the Partnership lacks sufficient funds, the Trust will not have funds available to make current distributions on the Trust Preferred Securities. As described under "Description of the Trust Guarantee -- Covenants of the Company", in certain circumstances, the Company will be restricted from, among other things, paying any dividends on its Common Stock.

Should the Partnership fail to pay current distributions on the Partnership Preferred Securities, each holder of Trust Preferred Securities will generally be required to accrue income, for United States federal income tax purposes, in respect of the cumulative deferred distributions (including interest thereon) allocable to its proportionate share of the Partnership Preferred Securities. As a result, each holder of Trust Preferred Securities will recognize income for United States federal income tax purposes in advance of the receipt of cash and will not receive the cash from the Trust related to such income if such holder disposes of its Trust Preferred Securities prior to the record date for the date on which distributions of such amounts are made by the Trust. See "Certain Federal Income Tax Considerations".

INSUFFICIENT INCOME OR ASSETS AVAILABLE TO PARTNERSHIP

The Trust Preferred Securities are subject to the risk of a current or liquidating distribution rate mismatch between the rate paid on the Trust Preferred Securities and the rate paid on the securities held by the Partnership, including the Debentures and any additional securities acquired by the Partnership in the future. Such mismatch could occur if (i) at any time that the Partnership is receiving current payments in respect of the securities held by the Partnership (including the Debentures), the General Partner, in its sole discretion, does not declare distributions on the Partnership Preferred Securities and the Partnership receives insufficient amounts to pay the additional compounded distributions that will accumulate in respect of the Partnership Preferred Securities, (ii) the Partnership reinvests the proceeds received in respect of the Debentures upon their retirement or at their

maturities in Affiliate Investment Instruments or Eligible Debt Securities that do not generate income in an amount that is sufficient to pay full distributions in respect of the Partnership Preferred Securities at a rate of % per annum or (iii) the Partnership invests in equity or debt securities of Investment Affiliates that are not guaranteed by the Company and that cannot be liquidated by the Partnership for an amount sufficient to pay such distributions in full. If the reinvestments in the securities of the Investment Affiliates contemplated by the General Partner do not meet the eligibility criteria for Affiliate Investment Instruments described under "Description of the Partnership Preferred Securities -- Partnership Investments," the Partnership shall invest funds available for reinvestment in Eligible Debt Securities. To the extent that the Partnership lacks sufficient funds to make current or liquidating distributions on the Partnership Preferred Securities in full,

11

the Trust will not have sufficient funds available to pay full current or liquidating distributions on the Trust Preferred Securities.

DEPENDENCE ON AFFILIATE INVESTMENT INSTRUMENTS

Approximately 99% of the proceeds from the issuance of the Partnership Preferred Securities and the General Partner's capital contribution will be invested in Debentures, which consist of debt instruments of the Company and one or more eligible controlled affiliates. See "Description of the Partnership Preferred Securities -- Partnership Investments".

PROPOSED TAX LEGISLATION

On March 19, 1996, as part of President Clinton's Fiscal 1997 Budget Proposal, the Treasury Department proposed legislation (the "Proposed Legislation") that would, among other things, deny the borrower an interest deduction with respect to certain types of debt instruments that are payable in stock of the issuer or a related party. The Proposed Legislation also would treat as equity for United States federal income tax purposes instruments with a maximum term of more than 20 years that are not shown as indebtedness on the consolidated balance sheet of the issuer. On March 29, 1996, Senate Finance Committee Chairman William V. Roth and House Ways and Means Committee Chairman Bill Archer issued a joint statement (the "Joint Statement") indicating their intent that certain legislative proposals initiated by the Clinton administration, including the Proposed Legislation, that may be adopted by either of the tax-writing committees of Congress, would have an effective date that is no earlier than the date of "appropriate Congressional action". In addition, subsequent to the publication of the Joint Statement, Senator Daniel Patrick Moynihan and Representatives Sam M. Gibbons and Charles B. Rangel wrote letters to Treasury Department officials concurring with the view expressed in the Joint Statement (the "Democrat Letters"). If the principles contained in the Joint Statement and the Democrat Letters were followed and the Proposed Legislation were enacted, such legislation would not apply to the Debentures. There can be no assurances, however, that legislation enacted after the date hereof will not adversely affect the tax treatment of the Debentures, or whether such tax treatment would cause a Partnership Tax Event or a Trust Tax Event that may result in the redemption of the Partnership Preferred Securities and, consequently, the Trust Preferred Securities.

SPECIAL EVENT REDEMPTION OR DISTRIBUTION

Upon the occurrence of a Trust Special Event or a Partnership Special Event (each of which will generally be triggered either upon (i) the occurrence of certain adverse tax consequences to the Trust or the Partnership, as the case may be, or the denial of an interest deduction by the related Investment Affiliate on the Debentures held by the Partnership or (ii) the Trust or Partnership being considered an "investment company" under the 1940 Act) (each, a "Special Event"), the Trust will be dissolved with the result that, except in the limited circumstances described below, the Partnership Preferred Securities would be distributed to the holders of the Trust Securities in connection with the liquidation of the Trust. In certain circumstances, the Partnership shall have the right to redeem the Partnership Preferred Securities, in whole (but not in part), in lieu of a distribution of the Partnership Preferred Securities by the Trust, in which event the Trust will redeem the Trust Preferred Securities for cash. See "Description of the Trust Preferred Securities -- Trust Special Event Redemption or Distribution" and "Description of the Partnership Preferred Securities -- Partnership Special Event Redemption".

Unless the liquidation of the Trust occurs as a result of the Trust being subject to United States federal income tax with respect to income on the Partnership Preferred Securities, a distribution of the Partnership Preferred Securities upon the dissolution of the Trust would not be a taxable event to holders of the Trust Preferred Securities. If, however, the liquidation of the Trust were to occur because the Trust is subject to United States federal income tax with respect to income accrued or received on the Partnership Preferred Securities, the distribution of Partnership Preferred Securities to holders by the Trust would likely be a

taxable event to each such holder, and a holder would recognize gain or loss as if the holder had exchanged its Trust Preferred Securities for the Partnership Preferred Securities it received upon the liquidation of the Trust. Similarly, the holders of the Trust Preferred Securities would recognize gain or loss if the Trust dissolves upon an occurrence of a Partnership Special Event and the holders of Trust Preferred Securities receive cash in exchange for their Trust Preferred Securities. See "Certain United States Federal Income Tax Considerations -- Redemption of Trust Preferred Securities for Cash".

There can be no assurance as to the market prices for the Partnership Preferred Securities that may be distributed in exchange for Trust Preferred Securities if a dissolution or liquidation of the Trust were to occur. Accordingly, the Partnership Preferred Securities that a holder of Trust Preferred Securities may receive upon dissolution and liquidation of the Trust may trade at a discount to the price that the investor paid to purchase the Trust Preferred Securities offered hereby. Because holders of Trust Preferred Securities may receive Partnership Preferred Securities upon the occurrence of a Special Event, prospective purchasers of Trust Preferred Securities also are making an investment decision with regard to the Partnership Preferred Securities and should carefully review all the information regarding the Partnership Preferred Securities contained herein. See "Description of the Partnership Preferred Securities -- Partnership Special Event Redemption" and "-- General".

RANKING OF SUBORDINATED OBLIGATIONS UNDER THE GUARANTEES AND THE COMPANY DEBENTURE

The Company's obligations under the Trust Guarantee, the Partnership Guarantee and the Investment Guarantees are subordinate and junior in right of payment to all liabilities of the Company and will rank PARI PASSU with the most senior preferred stock, if any, issued from time to time by the Company and with any guarantee now or hereafter entered into by the Company in respect of any preferred stock of any Finance Subsidiary, and its obligations under the Company Debenture are subordinate and junior in right of payment to all Senior Indebtedness. At September 27, 1996, the Company had outstanding Senior Indebtedness aggregating approximately \$47.7 billion which would have ranked senior to the Company's obligations under the Guarantees and the Company Debenture. There are no terms in the Trust Preferred Securities, the Partnership Preferred Securities, the Guarantees or the Debentures that limit the Company's ability to incur additional indebtedness, including indebtedness that ranks senior to the Guarantees. See "Description of the Partnership Preferred Securities -- Partnership Investments" and "-- Investment Guarantees", "Description of the Trust Guarantee" and "Description of the Partnership Guarantee".

ENFORCEMENT OF CERTAIN RIGHTS BY OR ON BEHALF OF HOLDERS OF TRUST PREFERRED SECURITIES

If a Trust Enforcement Event occurs and is continuing, then (a) the holders of Trust Preferred Securities would rely on the enforcement by the Property Trustee of its rights, as a holder of the Partnership Preferred Securities, against the Company, including the right to direct the Special Representative to enforce (i) the Partnership's creditors' rights and other rights with respect to the Affiliate Investment Instruments and the Investment Guarantees, (ii) the rights of the holders of the Partnership Preferred Securities under the Partnership Guarantee, and (iii) the rights of the holders of the Partnership Preferred Securities to receive distributions (only if and to the extent declared out of funds legally available therefor) on the Partnership Preferred Securities, and (b) the Trust Guarantee Trustee shall have the right to enforce the terms of the Trust Guarantee, including the right to enforce the covenant restricting certain payments by the Company and Finance Subsidiaries. Under no circumstances, however, shall the Special Representative have authority to cause the General Partner to declare distributions on the Partnership Preferred Securities. As a result, although the Special Representative may be able to enforce the Partnership's creditors' rights to accelerate and receive payments in respect of the Affiliate Investment Instruments and the Investment Guarantees, the Partnership would be entitled to reinvest such payments in additional Affiliate Investment Instruments, subject to satisfying the reinvestment criteria described under "Description of the Partnership Preferred Securities -- Partnership Investments", and the Eligible

Debt Securities, rather than declaring and making distributions on the Partnership Preferred Securities. See "Description of the Trust Preferred Securities -- Trust Enforcement Events".

LIMITED VOTING RIGHTS

Holders of the Trust Preferred Securities will have limited voting rights and will not be entitled to vote to appoint, remove or replace, or to increase or decrease the number of, Trustees, which voting rights are vested exclusively

in the holder of the Trust Common Securities. See "Description of the Trust Preferred Securities -- Voting Rights".

TRADING CHARACTERISTICS OF TRUST PREFERRED SECURITIES

The price at which the Trust Preferred Securities may trade may not fully reflect the value of the accumulated but unpaid distributions on the Trust Preferred Securities (which will equal the accumulated but unpaid distributions on the Partnership Preferred Securities). In addition, as a result of the right of the General Partner not to declare current distributions on the Partnership Preferred Securities, the market price of the Trust Preferred Securities (which represent undivided beneficial ownership interests in the Partnership Preferred Securities) may be more volatile than other similar securities where there is no such right to defer current distributions. A holder who disposes of its Trust Preferred Securities will be required to include for United States federal income tax purposes accumulated but unpaid distributions on the Partnership Preferred Securities through the date of disposition in income as ordinary income, and to add such amount to its adjusted tax basis in its pro rata share of the Partnership Preferred Securities deemed disposed of. To the extent the selling price is less than the holder's adjusted tax basis (which will include all accumulated but unpaid distributions), a holder will recognize a capital loss. Subject to certain limited exceptions, capital losses cannot be applied to offset ordinary income for United States federal income tax purposes. See "Certain Federal Income Tax Considerations".

NO PRIOR MARKET FOR THE TRUST PREFERRED SECURITIES

The Trust Preferred Securities constitute a new issue of securities with no established trading market. Application has been made to list the Trust Preferred Securities on the New York Stock Exchange. There can be no assurance that an active market for the Trust Preferred Securities will develop or be sustained in the future on the New York Stock Exchange. Although the Underwriters have indicated to the Company that they intend to make a market in the Trust Preferred Securities, as permitted by applicable laws and regulations, they are not obligated to do so and may discontinue any such market-making at any time without notice. Accordingly, no assurance can be given as to the liquidity of, or trading markets for, the Trust Preferred Securities.

USE OF PROCEEDS

The proceeds to be received by the Trust from the sale of the Trust Preferred Securities and the Trust Common Securities will be used by the Trust to purchase Partnership Preferred Securities, and will be applied by the Partnership to invest in Debentures and Eligible Debt Securities. See "Description of the Partnership Preferred Securities -- Partnership Investments". After payment of the Underwriters' Compensation (as defined under "Underwriting") and other expenses of this offering, the Company and the subsidiaries of the Company which are the issuers of the Debentures will use the

proceeds from the sale of such Debentures to the Partnership of \$ million for general corporate purposes and to repay certain intercompany indebtedness. To the extent that Trust Preferred Securities being purchased for resale by MLPF&S are not resold, the aggregate proceeds to the Company and its subsidiaries would be reduced.

15
SUMMARY FINANCIAL INFORMATION

The following summary of consolidated financial information was derived from, and is qualified in its entirety by reference to, the financial statements and other information and data contained in the Company's Annual Report on Form 10-K for the year ended December 29, 1995 and Quarterly Report on Form 10-Q for the period ended September 27, 1996 (the "Quarterly Report"). See "Incorporation of Certain Documents by Reference". The condensed consolidated financial statements contained in the Quarterly Report are unaudited; however, in the opinion of management of the Company, all adjustments (consisting only of normal recurring accruals) necessary for a fair statement of the results of operations have been included. The year-end results include 52 weeks for 1991, 1992, 1994, and 1995 and 53 weeks for 1993.

The Company conducts its business in highly volatile markets. Consequently, the Company's results can be affected by many factors, including general market conditions, the liquidity of secondary markets, the level and volatility of interest rates and currency values, the valuation of securities positions, competitive conditions, and the size, number, and timing of transactions. In periods of unfavorable market activity, profitability can be adversely affected because certain expenses remain relatively fixed. As a result, net earnings and revenues can vary significantly from period to period. Thus, interim results may not necessarily be representative of full year results of operations.

(1) Net revenues are revenues net of interest expense.

(2) Net earnings for 1992 have been reduced by \$58 million to reflect the adoption of Statement of Financial Accounting Standards ("SFAS") No. 106, EMPLOYERS' ACCOUNTING FOR POSTRETIREMENT BENEFITS OTHER THAN PENSIONS, and SFAS No. 109, ACCOUNTING FOR INCOME TAXES. Net earnings for 1993 have been reduced by \$35 million to reflect the adoption of SFAS No. 112, EMPLOYERS' ACCOUNTING FOR POSTEMPLOYMENT BENEFITS.

- (3) For the purpose of calculating the ratio of earnings to fixed charges, "earnings" consists of earnings from continuing operations before income taxes and fixed charges. "Fixed charges" consists of interest costs, amortization of debt expense, preferred stock dividend requirements of majority-owned subsidiaries, and that portion of rentals estimated to be representative of the interest factor.

16

- (4) In 1994, the Company adopted Financial Accounting Standards Board ("FASB") Interpretation No. 39, OFFSETTING OF AMOUNTS RELATED TO CERTAIN CONTRACTS, and FASB Interpretation No. 41, OFFSETTING OF AMOUNTS RELATED TO CERTAIN REPURCHASE AND REVERSE REPURCHASE AGREEMENTS, which increased assets and liabilities at December 30, 1994 by approximately \$8,500 million.
- (5) To finance its diverse activities, the Company and certain of its subsidiaries borrow substantial amounts of short-term funds on a regular basis. Although the amount of short-term borrowings varies significantly with the level of general business activity, on September 27, 1996, \$2,659 million of bank loans and \$20,208 million of commercial paper were outstanding. In addition, certain of the Company's subsidiaries lend securities and enter into repurchase agreements to obtain financing. At September 27, 1996, cash deposits for securities loaned and securities sold under agreements to repurchase amounted to \$5,067 million and \$65,123 million, respectively. From September 28, 1996 to December 2, 1996, long-term borrowings, net of repayments and repurchases, increased by approximately \$1,609 million.

FISCAL YEAR 1995

Global financial markets, which steadily weakened during most of 1994, generally improved during 1995, led by a more stable U.S. economy, declining interest rates, and heightened investor activity. Inflationary fears eased throughout 1995 as key U.S. economic statistics indicated slow to moderate growth. The Federal Reserve decreased short-term interest rates in July and December 1995 following seven rate increases between February 1994 and February 1995. Investors reacted favorably to these events and were more active in stock and bond markets during 1995. Net earnings for the 1995 fourth quarter were \$303 million, up 1% from the 1995 third quarter and up 88% from the 1994 fourth quarter.

Net earnings for 1995 were \$1,114 million, up 10% from 1994 net earnings of \$1,017 million. Earnings per common share were \$5.44 primary and \$5.42 fully diluted in 1995, compared with \$4.75 primary and \$4.74 fully diluted in 1994.

Total revenues were a record \$21,513 million, up 18% from 1994. Net revenues (revenues after interest expense) totaled \$10,265 million in 1995, up 7% from 1994.

Commission revenues increased 9% to a record \$3,126 million from \$2,871 million in 1994, due primarily to higher levels of listed and over-the-counter securities transactions and mutual fund commissions, partially offset by lower revenues from commodities. Commissions from listed and over-the-counter securities increased due primarily to higher trading volumes on most major U.S. and international exchanges. Mutual fund commissions increased due primarily to higher distribution and redemption fees. Distribution fees from deferred-charge funds increased due to strong fund sales in prior periods and higher asset levels. Redemption fees increased as clients repositioned invested assets.

Interest and dividend revenues increased 28% to \$12,221 million from \$9,578 million in 1994. Interest expense, which includes dividend expense, increased 31% from 1994 to \$11,248 million. Net interest and dividend profit was \$973 million, virtually unchanged from \$969 million in 1994, with increases in net interest-earning assets offset by declining interest spreads due to the flattening of the U.S. Treasury yield curve. The change in the yield curve resulted from long-term interest rates falling more than short-term rates during 1995.

Principal transactions revenues increased 8% from 1994 to \$2,519 million in 1995. Increases in equities and equity derivatives and taxable fixed-income trading revenues were partially offset by decreases in trading revenues from municipal securities, foreign exchange and commodities, and interest rate and currency swaps. Equities and equity derivatives trading revenues, in the aggregate, increased 46% to \$912 million, due primarily to improved volumes in the convertible, over-the-counter, and international equities markets, partially offset by lower equity derivatives trading revenues. Taxable fixed-income trading revenues increased 10% to \$516 million due, in part, to higher revenues from corporate bonds and

17

preferred stock, high-yield bonds, and non-U.S. governments and agencies securities. Trading revenues from mortgage-backed products were negatively affected by reduced market liquidity, leading to a loss. Nevertheless, trading

results from mortgage-backed products, which include related net interest revenues, were positive. U.S. Government and agencies securities trading revenues were down from 1994 due to tighter spreads between U.S. Treasury securities and related futures hedges, as well as reduced retail investor demand attributable to lower interest rates. Municipal securities revenues decreased 28% to \$273 million as a result of decreased investor demand for tax-exempt investments as investors remained wary of potential tax law changes and sought higher returns in equity and taxable fixed-income securities. Foreign exchange and commodities revenues, in the aggregate, declined 22% to \$86 million. Commodities trading revenues decreased due to lower volumes. Increases in foreign exchange trading revenues resulted from higher customer volume caused by the strengthening of the U.S. dollar versus other major currencies during 1995. Interest rate and currency swaps revenues declined 2% to \$732 million. Decreases in U.S. dollar-denominated transactions were substantially offset by increased revenues in non-dollar-denominated transactions, particularly in Japanese and European markets.

Investment banking revenues were \$1,308 million, up 5% from \$1,240 million in 1994. Strategic services revenues, which include fees for merger and acquisition activity, debt restructuring, and other advisory services, increased, as companies worldwide sought strategic partners to promote growth while cutting costs and increasing efficiencies. Underwriting revenues were down, as lower revenues from equities, private placements, high-yield debt, and mortgage-backed securities underwriting were partially offset by increased underwriting revenues from corporate bonds and preferred stock and defined asset funds.

Asset management and portfolio service fees rose 9% in 1995 to a record \$1,890 million from \$1,739 million in 1994, as a result of higher fees earned from asset management and other fee-based services. Other revenues decreased 5% from 1994 to \$449 million, due to lower net realized investment gains in 1995 compared with 1994.

Non-interest expenses were \$8,454 million, up 7% from \$7,895 million in the year-ago period. Compensation and benefits expense, which represented approximately 62% of non-interest expenses, increased 6% due primarily to increased production-related and incentive compensation and the addition of Smith New Court PLC ("Smith New Court") employees. Compensation and benefits expense as a percentage of net revenues was 51.3% in 1995, compared with 51.5% in 1994.

Occupancy costs increased 3% from 1994 primarily due to international growth. Other facilities-related costs, which include communications and equipment rental expense and depreciation and amortization expenses, rose 13% primarily due to expanded use of market data services, as well as higher depreciation expense from the purchase of technology-related assets over the past year.

Professional fees increased 16% from the year-ago period, due to higher legal fees and systems development costs related to upgrading technology and processing capabilities in customer, trading, and transaction processing systems. Advertising and market development expenses increased 6% from 1994 as a result of increased advertising, international travel, and sales promotion primarily related to international growth. Brokerage, clearing, and exchange fees increased 7% as a result of higher securities volume, particularly in international markets. Other expenses increased 4% from 1994, due primarily to a \$26 million first quarter charge for the write-off of assets related to a technology contract and \$14 million of goodwill amortization related to Smith New Court.

Income tax expense totaled \$697 million in 1995. The effective tax rate in 1995 was 38.5%, compared with 41.2% in 1994. The decrease in the effective tax rate was attributable to lower state income taxes, expanded international business activities in jurisdictions with lower tax rates, and increases in deductions for dividends received.

18

In 1995 the Company acquired Smith New Court, a U.K.-based global securities firm, for approximately \$800 million. The Company recorded approximately \$530 million of goodwill related to the acquisition, which is being amortized on a straight-line basis over 15 years. The Company's 1995 results include those of Smith New Court since mid-August 1995.

CERTAIN BALANCE SHEET INFORMATION AS OF DECEMBER 29, 1995

The Company believes that its equity base is adequate relative to the level and composition of its assets and the mix of its business.

In the normal course of business, the Company underwrites, trades, and holds non-investment grade securities in connection with its investment banking, market-making, and derivative structuring activities. These activities are subject to risks related to the creditworthiness of the issuers of, and the liquidity of the market for, such securities, in addition to the usual risks associated with investing in, financing, underwriting, and trading in investment grade instruments.

At December 29, 1995, the fair value of long and short non-investment grade trading inventories amounted to \$5,489 million and \$353 million, respectively, and in the aggregate (I.E. the sum of long and short trading inventories) represented 6.3% of aggregate consolidated trading inventories.

At December 29, 1995, the carrying value of extensions of credit provided to corporations entering into leveraged transactions aggregated \$489 million (excluding unutilized revolving lines of credit and other lending commitments of \$127 million), consisting primarily of senior term and subordinated financings to 30 medium-sized corporations. At December 29, 1995, the Company had no bridge loans outstanding. Loans to highly leveraged corporations are carried at unpaid principal balances less a reserve for estimated losses. The allowance for loan losses is estimated based on a review of each loan, and consideration of economic, market, and credit conditions. Direct equity investments made in conjunction with the Company's investment and merchant banking activities aggregated \$211 million at December 29, 1995, representing investments in 62 enterprises. Equity investments in privately-held companies for which sale is restricted by government or contractual requirements are carried at the lower of cost or estimated net realizable value. At December 29, 1995, the Company held interests in partnerships, totaling \$91 million (recorded on the cost basis), that invest in highly leveraged transactions and non-investment grade securities. At December 29, 1995, the Company also committed to invest an additional \$79 million in partnerships that invest in leveraged transactions.

The Company's insurance subsidiaries hold non-investment grade securities. Non-investment grade securities were 4.2% of total insurance investments at December 29, 1995. Non-investment grade securities of insurance subsidiaries are classified as available-for-sale and are carried at fair value.

At December 29, 1995, the largest non-investment grade concentration consisted of various issues of a South American sovereign totaling \$674 million, of which \$672 million represented on-balance-sheet hedges for off-balance-sheet financial instruments. No one industry sector accounted for more than 35% of total non-investment grade positions. At December 29, 1995, the Company held an aggregate carrying value of \$164 million in debt and equity securities of issuers in various stages of bankruptcy proceedings or in default, of which 75% resulted from the Company's market-making activities in such securities.

RESULTS OF OPERATIONS FOR THE NINE MONTHS ENDED SEPTEMBER 27, 1996

Global financial markets were affected by a slowdown during the 1996 third quarter after a strong first half. A brief midsummer U.S. stock market correction combined with increased uncertainty over the direction of U.S. interest rates led to lower trading and underwriting volumes, particularly in equities, compared to the first six months of 1996. As a result, industrywide revenues from such activities declined from first-half highs. Nevertheless, issuer and investor demand was stronger than in the year-ago quarter.

19

Net earnings for the first nine months of 1996 were a record \$1,174 million, up 45% from the \$810 million reported in the comparable 1995 period. Third quarter net earnings of \$331 million were down 24% from record second quarter 1996 net earnings of \$433 million. Earnings per common share were \$5.91 primary and \$5.89 fully diluted, compared with \$3.95 primary and \$3.90 fully diluted in the first nine months of 1995. Total revenues for the first nine months of 1996 were a record \$18,410 million, up 14% from \$16,220 million in the comparable 1995 period. Net revenues (revenues after interest expense) totaled \$9,735 million up 27% from the year-ago period.

Commission revenues rose 24% during the first nine months of 1996 to \$2,819 million from \$2,279 million in the comparable 1995 period. Commissions revenues from listed securities increased due to higher trading volumes on most major U.S. and international exchanges. Mutual fund commissions advanced to a record level due to strong sales of U.S. and offshore funds and increased distribution fees.

Interest and dividend revenues for the first nine months of 1996 increased to \$9,407 million, up 1% from \$9,329 million in the first nine months of 1995. Interest expense, which includes dividend expense, was \$8,675 million up 1% from \$8,568 million in the year-ago period. Net interest and dividend profit was \$732 million, down 4% from \$761 million in 1995 as a result of reduced levels of net interest-earning assets.

Principal transactions revenues increased 39% from the first nine months of 1995 to \$2,709 million, as increased client activity led to higher revenues in most product categories. Equities and equity derivatives trading revenues, in the aggregate, were up 35% to \$874 million. International equities trading revenues benefited from the addition of trading activity related to Smith New Court, which was acquired in the 1995 third quarter. Over-the-counter equity trading revenues rose due to increased client order flow. Taxable fixed-income trading revenues rose 76% to \$771 million primarily due to higher revenues from mortgage-backed products, non-U.S. governments and agencies securities, and money market instruments. Mortgage-backed securities trading revenues advanced due primarily to improved liquidity and increased customer demand compared with

the year-ago period. Trading revenues for non-U.S. governments and agencies securities benefited from higher demand for emerging market securities. Trading revenues from money market instruments rose due to increased floating-rate note activity in European markets. Interest rate and currency swap trading revenues increased 19% to \$698 million due to higher revenues from both U.S. and non-U.S. dollar-denominated transactions. Municipal securities revenues increased 22% to \$257 million, largely due to increased investor demand for tax-advantaged products. Foreign exchange and commodities trading revenues, in the aggregate, rose 67% from the first nine months of 1995 to \$109 million. Strong customer activity attributable to increased volatility in exchange rates contributed to higher foreign exchange trading revenues.

Investment banking revenues were \$1,428 million, up 52% from \$938 million in the first nine months of 1995. Underwriting fees were higher in virtually all products, particularly equity securities, due to increased transaction volume. Strategic services revenues benefited from improved market share for mergers and acquisitions activity.

Asset management and portfolio service fees were \$1,661 million for the first nine months of 1996, up 19% from \$1,397 million in the year-ago period, as a result of strong inflows of client assets and net asset appreciation. Other revenues were \$386 million, up 19% from \$325 million in the first nine months of 1995 primarily due to gains on sales from Real Estate Mortgage Investment Conduit ("REMIC") transactions and partnership investments.

20

Non-interest expenses were \$7,844 million, up 24% from \$6,323 million in the year-ago period. Compensation and benefits expense, which represented approximately 64% of non-interest expenses, increased 27% during the first nine months of 1996 due primarily to higher incentive and production-related compensation as well as a 7% increase in the number of full-time employees, due in part to acquisitions. Compensation and benefits expense was 51.8% of net revenues for the first nine months of 1996, compared with 51.9% in the 1995 period.

Non-interest expenses excluding compensation and benefits, rose 19% to \$2,800 million. A significant component of this increase relates to strategic investments in technology such as the Trusted Global Advisor ("TGA") initiative, a new technology platform that will enable Financial Consultants to provide enhanced services to clients. These technology-related expenses primarily affected communications and equipment rental, depreciation and amortization, and professional fees which, in the aggregate, increased 21% from the comparable 1995 period to \$1,131 million.

Occupancy costs increased 4% from the first nine months of 1995 due to international growth, including the addition of Smith New Court facilities. Advertising and market development expenses increased 28% from the first nine months of 1995 due to increased international travel and higher promotion-related recognition costs. Brokerage, clearing, and exchange fees increased 17% as a result of higher trading volume, particularly in international markets. Other expenses increased 22% from the first nine months of 1995, primarily due to provisions related to various business activities and nine months of goodwill amortization primarily related to Smith New Court.

Income tax expense totaled \$717 million for the first nine months of 1996. The effective tax rate in the 1996 period was 37.9%, compared with 39.0% a year ago. The decrease in the effective tax rate was primarily attributable to expanded international business activities.

CERTAIN BALANCE SHEET INFORMATION AS OF SEPTEMBER 27, 1996

The Company believes that its equity base is adequate relative to the level and composition of its assets and the mix of its business.

In the normal course of business, the Company underwrites, trades, and holds non-investment grade securities in connection with its investment banking, market making, and derivative activities. These activities are subject to risks related to the creditworthiness of the issuers of, and the liquidity of the market for, such securities, in addition to the usual risks associated with investing in, financing, underwriting, and trading in investment grade instruments.

At September 27, 1996, the fair value of long and short non-investment grade trading inventories amounted to \$8,912 million and \$879 million, respectively, and in the aggregate (I.E. the sum of long and short trading inventories), represented 8.5% of aggregate consolidated trading inventories.

At September 27, 1996, the carrying value of extensions of credit provided to corporations entering into leveraged transactions aggregated \$269 million (excluding unutilized revolving lines of credit and other lending commitments of \$109 million), consisting primarily of senior term and subordinated financing to 38 large- and medium-sized corporations. At September 27, 1996, the Company had no bridge loans outstanding but had two bridge loan commitments at September 27, 1996 that were subsequently canceled by the counterparties. Subsequent to quarter-end, the Company entered into a bridge loan commitment for \$90 million

to a non-investment grade counterparty. The Company intends to syndicate the loan, if extended, and may retain a residual portion. Loans to highly leveraged corporations are carried at unpaid principal balances less a reserve for estimated losses. The allowance for loan losses is estimated based on a review of each loan, and a consideration of economic, market, and credit conditions.

Direct equity investments made in conjunction with the Company's investment and merchant banking activities aggregated \$153 million at September 27, 1996, representing investments in 61 enterprises. Equity investments in privately-held companies for which sale is restricted by government or contractual

21

requirements are carried at the lower of cost or estimated net realizable value. At September 27, 1996, the Company held interests in partnerships, totaling \$112 million (recorded on the cost basis), that invest in highly leveraged transactions and non-investment grade securities. At September 27, 1996, the Company also committed to invest an additional \$74 million in partnerships that invest in leveraged transactions.

The Company's insurance subsidiaries hold non-investment grade securities. Non-investment grade securities were 4.7% of total insurance investments at September 27, 1996. Non-investment grade securities of insurance subsidiaries are classified as available-for-sale and are carried at fair value.

At September 27, 1996, the largest non-investment grade concentration consisted of various sovereign and corporate issues of a South American country totaling \$1,186 million, which primarily represented hedges of other financial instruments. No one industry sector accounted for more than 20% of total non-investment grade positions. At September 27, 1996, the Company held an aggregate carrying value of \$144 million in debt and equity securities of issuers in various stages of bankruptcy proceedings or in default, of which 50% resulted from the Company's market making activities in such instruments. In addition, the Company held distressed bank loans totaling \$385 million at quarter-end.

MERRILL LYNCH PREFERRED CAPITAL TRUST I

Merrill Lynch Preferred Capital Trust I (the "Trust") is a statutory business trust formed under the Delaware Business Trust Act, as amended (the "Trust Act"), pursuant to a declaration of trust and the filing of a certificate of trust with the Secretary of State of the State of Delaware on November 20, 1996; such declaration will be amended and restated in its entirety (as so amended and restated, the "Declaration") substantially in the form filed as an exhibit to the Registration Statement of which this Prospectus forms a part. The Declaration will be qualified as an indenture under the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"). Upon issuance of the Trust Preferred Securities, the purchasers thereof will own all the Trust Preferred Securities. See "Description of the Trust Preferred Securities". The Company will acquire Trust Common Securities in an amount equal to at least 3% of the total capital of the Trust. The Trust will use all the proceeds derived from the issuance of the Trust Securities to purchase the Partnership Preferred Securities from the Partnership and, accordingly, the assets of the Trust will consist solely of the Partnership Preferred Securities. The Trust exists for the exclusive purpose of (i) issuing the Trust Securities representing undivided beneficial ownership interests in the assets of the Trust, (ii) investing the gross proceeds of the Trust Securities in the Partnership Preferred Securities, and (iii) engaging in only those other activities necessary or incidental thereto.

Pursuant to the Declaration, there will initially be four trustees (the "Trustees") for the Trust. Two of the Trustees will be individuals who are employees or officers of or who are affiliated with the Company (the "Regular Trustees"). The third trustee will be a financial institution that is unaffiliated with the Company and is indenture trustee for purposes of compliance with the provisions of the Trust Indenture Act (the "Property Trustee"). The fourth trustee will be an entity that maintains its principal place of business in the State of Delaware (the "Delaware Trustee"). Initially, The Chase Manhattan Bank, a national banking association, will act as Property Trustee, and its affiliate, Chase Manhattan Bank Delaware, a Delaware corporation, will act as Delaware Trustee until, in each case, removed or replaced by the holder of the Trust Common Securities. For purposes of compliance with the Trust Indenture Act, The Chase Manhattan Bank will also act as trustee under the Trust Guarantee (the "Trust Guarantee Trustee"), as Property Trustee under the Declaration and as trustee under the indenture applicable to the Company Debenture.

The Property Trustee will hold title to the Partnership Preferred Securities for the benefit of the holders of the Trust Securities, and the Property Trustee will have the power to exercise all rights, powers and privileges with respect to the Partnership Preferred Securities under the Amended and Restated Agreement of Limited Partnership to be entered into by the Company and the Trust (the "Limited Partnership Agreement") as the holder of the Partnership Preferred Securities. In addition, the Property

22

Trustee will maintain exclusive control of a segregated non-interest bearing

bank account (the "Property Account") to hold all payments made in respect of the Partnership Preferred Securities for the benefit of the holders of the Trust Securities. The Trust Guarantee Trustee will hold the Trust Guarantee for the benefit of the holders of the Trust Preferred Securities. The Company, as the holder of all the Trust Common Securities, will have the right to appoint, remove or replace any of the Trustees and to increase or decrease the number of trustees, provided that at least one trustee shall be a Delaware Trustee, at least one trustee shall be the Property Trustee and at least one Trustee shall be a Regular Trustee. The Company will pay all fees and expenses related to the organization and operations of the Trust (including any taxes, duties, assessments or governmental charges of whatever nature (other than withholding taxes) imposed by the United States or any other domestic taxing authority upon the Trust) and the offering of the Trust Preferred Securities and be responsible for all debts and obligations of the Trust (other than with respect to the Trust Securities).

For so long as the Trust Preferred Securities remain outstanding, the Company will covenant (i) to maintain directly 100% ownership of the Trust Common Securities, (ii) to cause the Trust to remain a statutory business trust and not to voluntarily dissolve, wind-up, liquidate or be terminated, except as permitted by the Declaration of the Trust and (iii) to use its commercially reasonable efforts to ensure that the Trust will not be (A) an "investment company" for purposes of the 1940 Act or (B) classified as other than a grantor trust for United States federal income tax purposes.

The rights of the holders of the Trust Preferred Securities, including economic rights, rights to information and voting rights, are as set forth in the Declaration and the Trust Act. See "Description of the Trust Preferred Securities". The Declaration and the Trust Guarantee also incorporate by reference the terms of the Trust Indenture Act.

The location of the principal executive office of the Trust is c/o Merrill Lynch & Co., Inc., World Financial Center, North Tower, 250 Vesey Street, New York, New York 10281, and its telephone number is (212) 449-1000.

MERRILL LYNCH PREFERRED FUNDING I, L.P.

Merrill Lynch Preferred Funding I, L.P. (the "Partnership") is a limited partnership that was formed under the Delaware Revised Uniform Limited Partnership Act, as amended (the "Partnership Act"), on November 20, 1996 for the exclusive purposes of purchasing certain eligible securities of the Company and wholly owned subsidiaries of the Company (the "Affiliate Investment Instruments") with the proceeds from the sale of Partnership Preferred Securities to the Trust and a capital contribution from the Company in exchange for the general partner interest in the Partnership. Pursuant to the certificate of limited partnership, as amended, and the Limited Partnership Agreement, the Company is the sole general partner of the Partnership (in such capacity the "General Partner"). Upon the issuance of the Partnership Preferred Securities, which securities represent limited partner interests in the Partnership, the Trust will be the sole limited partner of the Partnership. Contemporaneously with the issuance of the Partnership Preferred Securities, the General Partner will contribute capital to the Partnership in an amount sufficient to establish its initial capital account at an amount equal to at least 15% of the total capital of the Partnership.

The Partnership is managed by the General Partner and exists for the sole purpose of (i) issuing its partnership interests, (ii) investing the proceeds thereof in Affiliate Investment Instruments and Eligible Debt Securities and (iii) engaging in only those other activities necessary or incidental thereto. To the extent that aggregate payments to the Partnership on the Affiliate Investment Instruments and on Eligible Debt Securities exceed distributions accumulated or payable with respect to the Partnership Preferred Securities, the Partnership may at times have excess funds which shall be allocated to and may, in the General Partner's sole discretion, be distributed to the General Partner.

For so long as the Partnership Preferred Securities remain outstanding, the General Partner will covenant in the Limited Partnership Agreement (i) to remain the sole general partner of the Partnership and to maintain directly 100% ownership of the General Partner's interest in the Partnership, which interest will at all times represent at least 1% of the total capital of the Partnership, (ii) to cause the Partnership to remain a limited partnership and not to voluntarily dissolve, liquidate, wind-up or be terminated, except as permitted by the Limited Partnership Agreement and (iii) to use its commercially reasonable efforts to ensure that the Partnership will not be (A) an "investment company" for purposes of the 1940 Act or (B) an association or a publicly traded partnership taxable as a corporation for United States federal income tax purposes. The Company or the then General Partner may transfer its obligations as General Partner to a wholly-owned direct or indirect subsidiary of the Company provided that (i) such successor entity expressly accepts such transfer

of the obligations as General Partner and (ii) prior to such transfer, the Company has received an opinion of nationally recognized independent counsel to the Partnership experienced in such matters to the effect that (A) the Partnership will be treated as a partnership for United States federal income tax purposes, (B) such transfer would not cause the Trust to be classified as an association taxable as a corporation for United States federal income tax purposes, (C) following such transfer, the Company and such successor entity will be in compliance with the 1940 Act without registering thereunder as an investment company, and (D) such transfer will not adversely affect the limited liability of the holders of the Partnership Preferred Securities.

The rights of the holders of the Partnership Preferred Securities, including economic rights, rights to information and voting rights, are set forth in the Limited Partnership Agreement and the Partnership Act. See "Description of the Partnership Preferred Securities".

The Limited Partnership Agreement provides that the General Partner will have liability for the fees and expenses of the Partnership (including any taxes, duties, assessments or governmental charges of whatever nature (other than withholding taxes) imposed by the United States or any other domestic taxing authority upon the Partnership) and be responsible for all debts and obligations of the Partnership (other than with respect to the Partnership Preferred Securities). Under Delaware law, assuming a limited partner in a Delaware limited partnership such as the Partnership (I.E., a holder of the Partnership Preferred Securities) does not participate in the control of the business of the limited partnership, such limited partner will not be personally liable for the debts, obligations and liabilities of such limited partnership, whether arising in contract, tort or otherwise, solely by reason of being a limited partner of such limited partnership (subject to any obligation such limited partner may have to repay any funds that may have been wrongfully distributed to it). The Partnership's business and affairs will be conducted by the General Partner.

The location of the principal executive offices of the Partnership is c/o Merrill Lynch & Co., Inc., World Financial Center, North Tower, 250 Vesey Street, New York, New York 10281 and its telephone number is (212) 449-1000.

DESCRIPTION OF THE TRUST PREFERRED SECURITIES

The Trust Preferred Securities will be issued pursuant to the terms of the Declaration. The Declaration will be qualified as an indenture under the Trust Indenture Act. The Property Trustee, The Chase Manhattan Bank, will act as trustee for the Trust Preferred Securities under the Declaration for purposes of compliance with the provisions of the Trust Indenture Act. The terms of the Trust Preferred Securities will include those stated in the Declaration and those made part of the Declaration by the Trust Indenture Act. The following summary of the material terms and provisions of the Trust Preferred Securities does not purport to be complete and is subject to, and qualified in its entirety by reference to, the Declaration, a copy of which is filed as an exhibit to the Registration Statement of which this Prospectus is a part, the Trust Act and the Trust Indenture Act.

24

GENERAL

The Trust Preferred Securities will be issued in fully registered form without coupons. Trust Preferred Securities will not be issued in bearer form. See "-- Book-Entry Only Issuance -- The Depository Trust Company".

The Declaration authorizes the Regular Trustees of the Trust to issue the Trust Securities, which represent undivided beneficial ownership interests in the assets of the Trust. Title to the Partnership Preferred Securities will be held by the Property Trustee for the benefit of the holders of the Trust Securities. The Declaration does not permit the Trust to acquire any assets other than the Partnership Preferred Securities or the issuance by the Trust of any securities other than the Trust Securities or the incurrence of any indebtedness by the Trust. The payment of distributions out of money held by the Trust, and payments out of money held by the Trust upon redemption of the Trust Preferred Securities or liquidation of the Trust, are guaranteed by the Company to the extent described under "Description of the Trust Guarantee". The Trust Guarantee will be held by The Chase Manhattan Bank, the Trust Guarantee Trustee, for the benefit of the holders of the Trust Preferred Securities. The Trust Guarantee does not cover payment of distributions when the Trust does not have sufficient available funds to pay such distributions. In such event, holders of Trust Preferred Securities will have the remedies described below under "-- Trust Enforcement Events".

DISTRIBUTIONS

The distribution rate on Trust Preferred Securities will be fixed at a rate per annum of % of the stated liquidation amount of \$25 per Trust Preferred Security and will be paid if, as and when the Trust has funds available for payment. Distributions not paid on the scheduled payment date will accumulate and compound quarterly at a rate per annum equal to %. The term

"distribution" as used herein includes any such compounded amounts unless otherwise stated or the context otherwise requires. The amount of distributions payable for any period will be computed on the basis of a 360-day year of twelve 30-day months.

Distributions on the Trust Preferred Securities will be cumulative, will accumulate from the date of initial issuance and will be payable quarterly in arrears on each March 30, June 30, September 30 and December 30, commencing December 30, 1996, if, as and when available for payment, by the Property Trustee, except as otherwise described below. If distributions are not paid when scheduled, the accumulated distributions shall be paid to the holders of record of Trust Preferred Securities as they appear on the books and records of the Trust on the record date with respect to the payment date for the Trust Preferred Securities which corresponds to the payment date fixed by the Partnership with respect to the payment of cumulative distributions on the Partnership Preferred Securities.

Distributions on the Trust Preferred Securities will be made to the extent that the Trust has funds available for the payment of such distributions in the Property Account. Amounts available to the Trust for distribution to the holders of the Trust Preferred Securities will be limited to payments received by the Trust from the Partnership with respect to the Partnership Preferred Securities or from the Company on the Partnership Guarantee or the Trust Guarantee. Distributions on the Partnership Preferred Securities will be paid only if, as and when declared in the sole discretion of the Company, as the General Partner of the Partnership. Pursuant to the Limited Partnership Agreement, the General Partner is not obligated to declare distributions on the Partnership Preferred Securities at any time, including upon or following a Partnership Enforcement Event. See "Description of Partnership Preferred Securities -- Partnership Enforcement Events".

The assets of the Partnership will consist only of Affiliate Investment Instruments (which initially will be Debentures) and Eligible Debt Securities. To the extent that the issuers (and, where applicable, the Company, as guarantor) of the securities in which the Partnership invests defer or fail to make any payment in respect of such securities (or, if applicable, such guarantees), the Partnership will not have

25

sufficient funds to pay and will not declare or pay distributions on the Partnership Preferred Securities. If the Partnership does not declare and pay distributions on the Partnership Preferred Securities out of funds legally available for distribution, the Trust will not have sufficient funds to make distributions on the Trust Preferred Securities, in which event the Trust Guarantee will not apply to such distributions until the Trust has sufficient funds available therefor. See "Description of the Partnership Preferred Securities -- Distributions" and "Description of the Trust Guarantee". In addition, as described under "Risk Factors -- Insufficient Income or Assets Available to Partnership", the Partnership may not have sufficient funds to pay current or liquidating distributions on the Partnership Preferred Securities if (i) at any time that the Partnership is receiving current payments in respect of the securities held by the Partnership (including the Debentures), the General Partner, in its sole discretion, does not declare distributions on the Partnership Preferred Securities and the Partnership receives insufficient amounts to pay the additional compounded distributions that will accumulate in respect of the Partnership Preferred Securities, (ii) the Partnership reinvests the proceeds received in respect of the Debentures upon their retirement or at their maturities in Affiliate Investment Instruments that do not generate income in an amount that is sufficient to pay full distributions in respect of the Partnership Preferred Securities or (iii) the Partnership invests in equity or debt securities of Investment Affiliates that are not guaranteed by the Company and that cannot be liquidated by the Partnership for an amount sufficient to pay such distributions in full.

Distributions on the Trust Preferred Securities will be payable to the holders thereof as they appear on the books and records of the Trust on the relevant record dates, which will be one Business Day (as defined herein) prior to the relevant payment dates. Such distributions will be paid through the Property Trustee who will hold amounts received in respect of the Partnership Preferred Securities in the Property Account for the benefit of the holders of the Trust Securities. Subject to any applicable laws and regulations and the provisions of the Declaration, each such payment will be made as described under "-- Book-Entry Only Issuance -- The Depository Trust Company" below. In the event that the Trust Preferred Securities do not remain in book-entry only form, the relevant record dates shall be the 15th day of the month of the relevant payment dates. In the event that any date on which distributions are payable on the Trust Preferred Securities is not a Business Day, payment of the distribution payable on such date will be made on the next succeeding day which is a Business Day (without any interest or other payment in respect of the

distribution subject to such delay) except that, if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date. A "Business Day" shall mean any day other than a day on which banking institutions in The City of New York are authorized or required by law to close.

TRUST ENFORCEMENT EVENTS

The occurrence, at any time, of (i) arrearages on distributions on the Trust Preferred Securities that shall exist for six consecutive quarterly distribution periods, (ii) a default by the Company in respect of any of its obligations under the Trust Guarantee or (iii) a Partnership Enforcement Event under the Limited Partnership Agreement, will constitute an enforcement event under the Declaration with respect to the Trust Securities (a "Trust Enforcement Event"); PROVIDED, that pursuant to the Declaration, the holder of the Trust Common Securities will be deemed to have waived any Trust Enforcement Event with respect to the Trust Common Securities until all Trust Enforcement Events with respect to the Trust Preferred Securities have been cured, waived or otherwise eliminated. Until such Trust Enforcement Events with respect to the Trust Preferred Securities have been so cured, waived or otherwise eliminated, the Property Trustee will be deemed to be acting solely on behalf of the holders of the Trust Preferred Securities and only the holders of the Trust Preferred Securities will have the right to direct the Property Trustee with respect to certain matters under the Declaration and, in the case of a Partnership Enforcement Event, the Special Representative with respect to certain matters under the Limited Partnership Agreement. See "Description of the Partnership Preferred Securities -- Partnership Enforcement Events" for a description of the events which will trigger the occurrence of a Partnership Enforcement Event.

26

Upon the occurrence of a Trust Enforcement Event, (a) the Property Trustee, as the holder of the Partnership Preferred Securities, shall have the right to enforce the terms of the Partnership Preferred Securities, including the right to direct the Special Representative to enforce (i) the Partnership's creditors' rights and other rights with respect to the Affiliate Investment Instruments and the Investment Guarantees, (ii) the rights of the holders of the Partnership Preferred Securities under the Partnership Guarantee and (iii) the rights of the holders of the Partnership Preferred Securities to receive distributions (only if and to the extent declared out of funds legally available therefor) on the Partnership Preferred Securities, and (b) the Trust Guarantee Trustee shall have the right to enforce the terms of the Trust Guarantee, including the right to enforce the covenant restricting certain payments by the Company and Finance Subsidiaries.

If the Property Trustee fails to enforce its rights under the Partnership Preferred Securities after a holder of Trust Preferred Securities has made a written request, such holder of record of Trust Preferred Securities may directly institute a legal proceeding against the Partnership and the Special Representative to enforce the Property Trustee's rights under the Partnership Preferred Securities without first instituting any legal proceeding against the Property Trustee, the Trust or any other person or entity. In addition, for so long as the Trust holds any Partnership Preferred Securities, if the Special Representative fails to enforce its rights on behalf of the Partnership under the Affiliate Investment Instruments after a holder of Trust Preferred Securities has made a written request, a holder of record of Trust Preferred Securities may on behalf of the Partnership directly institute a legal proceeding against the Investment Affiliates under the Affiliate Investment Instruments, without first instituting any legal proceeding against the Property Trustee, the Trust, the Special Representative or the Partnership. In any event, for so long as the Trust is the holder of any Partnership Preferred Securities, if a Trust Enforcement Event has occurred and is continuing and such event is attributable to the failure of an Investment Affiliate to make any required payment when due on any Affiliate Investment Instrument or the failure of the Company to make any required payment when due on any Investment Guarantee, then a holder of Trust Preferred Securities may on behalf of the Partnership directly institute a proceeding against such Investment Affiliate with respect to such Affiliate Investment Instrument or against the Company with respect to any such Investment Guarantee, in each case for enforcement of payment.

Under no circumstances, however, shall the Special Representative have authority to cause the General Partner to declare distributions on the Partnership Preferred Securities. As a result, although the Special Representative may be able to enforce the Partnership's creditors' rights to accelerate and receive payments in respect of the Affiliate Investment Instruments and the Investment Guarantees, the Partnership would be entitled to reinvest such payments in additional Affiliate Investment Instruments, subject to satisfying the reinvestment criteria described under "Description of the Partnership Preferred Securities -- Partnership Investments", and Eligible Debt Securities, rather than declaring and making distributions on the Partnership Preferred Securities.

The Company and the Trust are each required to file annually with the Property Trustee an officer's certificate as to its compliance with all conditions and covenants under the Declaration.

MANDATORY REDEMPTION

The Partnership Preferred Securities may be redeemed by the Partnership at the option of the General Partner, in whole or in part, at any time on or after December 30, 2006 or at any time in certain circumstances upon the occurrence of a Partnership Special Event. Upon such redemption of the Partnership Preferred Securities (either at the option of the General Partner or pursuant to a Partnership Special Event), the proceeds from such repayment shall simultaneously be applied to redeem Trust Securities having an aggregate liquidation amount equal to the Partnership Preferred Securities so redeemed at an amount per Trust Security equal to \$25 plus accumulated and unpaid distributions thereon; PROVIDED, that holders of the Trust Securities shall be given not less than 30 nor more than 60 days

27

notice of such redemption. See "Description of the Partnership Preferred Securities -- General" and "-- Optional Redemption".

TRUST SPECIAL EVENT REDEMPTION OR DISTRIBUTION

If, at any time, a Trust Tax Event or a Trust Investment Company Event (each as hereinafter defined, and each, a "Trust Special Event") shall occur and be continuing, the Regular Trustees shall, unless the Partnership Preferred Securities are redeemed in the limited circumstances described below, within 90 days following the occurrence of such Trust Special Event elect to either (i) dissolve the Trust upon not less than 30 nor more than 60 days notice with the result that, after satisfaction of creditors of the Trust, if any, Partnership Preferred Securities would be distributed on a PRO RATA basis to the holders of the Trust Preferred Securities and the Trust Common Securities in liquidation of such holders' interests in the Trust; PROVIDED, HOWEVER, that if at the time there is available to the Trust the opportunity to eliminate, within such 90-day period, the Trust Special Event by taking some ministerial action, such as filing a form or making an election, or pursuing some other similar reasonable measure which in the sole judgment of the Company has or will cause no adverse effect on the Trust, the Partnership, the Company or the holders of the Trust Securities and will involve no material cost, the Trust will pursue such measure in lieu of dissolution or (ii) cause the Trust Preferred Securities to remain outstanding, provided that in the case of this clause (ii), the Company shall pay any and all expenses incurred by or payable by the Trust attributable to the Trust Special Event. Furthermore, if in the case of the occurrence of a Trust Tax Event, the Regular Trustees have received an opinion (a "Trust Redemption Tax Opinion") of nationally recognized independent tax counsel experienced in such matters that there is more than an insubstantial risk that interest payable by one or more of the Investment Affiliates with respect to the Debentures issued by such Investment Affiliate is not, or will not be, deductible by such Investment Affiliate for United States federal income tax purposes even if the Partnership Preferred Securities were distributed to the holders of the Trust Securities in liquidation of such holders' interests in the Trust as described above, then the General Partner shall have the right, within 90 days following the occurrence of such Trust Tax Event, to elect to cause the Partnership to redeem the Partnership Preferred Securities in whole (but not in part) for cash upon not less than 30 nor more than 60 days notice and promptly following such redemption, the Trust Preferred Securities and Trust Common Securities will be redeemed by the Trust at the Redemption Price.

"Trust Tax Event" means that the Company shall have requested and received and shall have delivered to the Regular Trustees an opinion of nationally recognized independent tax counsel experienced in such matters (a "Trust Dissolution Tax Opinion") to the effect that there has been (a) an amendment to, change in or announced proposed change in the laws (or any regulations thereunder) of the United States or any political subdivision or taxing authority thereof or therein, (b) a judicial decision interpreting, applying, or clarifying such laws or regulations, (c) an administrative pronouncement or action that represents an official position (including a clarification of an official position) of the governmental authority or regulatory body making such administrative pronouncement or taking such action, or (d) a threatened challenge asserted in connection with an audit of the Company or any of its subsidiaries, the Partnership, or the Trust, or a threatened challenge asserted in writing against any other taxpayer that has raised capital through the issuance of securities that are substantially similar to the Debentures, the Partnership Preferred Securities, or the Trust Preferred Securities, which amendment or change is adopted or which proposed change, decision or pronouncement is announced or which action, clarification or challenge occurs on or after the date of this Prospectus (collectively a "Tax Action"), which Tax Action relates to any of the items described in (i) through (iii) below, and that following the occurrence of such Tax Action there is more than an insubstantial risk that (i) the Trust is, or will be, subject to United States federal income tax with respect to income accrued or received on the Partnership Preferred Securities, (ii) the Trust is, or will be, subject to more than a DE MINIMIS amount of other taxes, duties or other governmental charges or (iii) interest payable by an Investment Affiliate with respect to the Debenture issued by such Investment Affiliate is not, or will not be, deductible by such

"Trust Investment Company Event" means that the Company shall have requested and received and shall have delivered to the Regular Trustees an opinion of nationally recognized independent legal counsel experienced in such matters to the effect that as a result of the occurrence on or after the date hereof of a change in law or regulation or a change in interpretation or application of law or regulation by any legislative body, court, governmental agency or regulatory authority (a "Change in 1940 Act Law"), the Trust is or will be considered an "investment company" which is required to be registered under the 1940 Act.

If the Partnership Preferred Securities are distributed to the holders of the Trust Preferred Securities, the Company will use its best efforts to cause the Partnership Preferred Securities to be listed on the New York Stock Exchange or on such other national securities exchange or similar organization as the Trust Preferred Securities are then listed or quoted.

On the date fixed for any distribution of Partnership Preferred Securities, upon dissolution of the Trust, (i) the Trust Preferred Securities and the Trust Common Securities will no longer be deemed to be outstanding and (ii) certificates representing Trust Securities will be deemed to represent the Partnership Preferred Securities having a liquidation amount equal to the stated liquidation amount of such Trust Securities until such certificates are presented to the Company or its agent for transfer or reissuance.

There can be no assurance as to the market price for the Partnership Preferred Securities which may be distributed in exchange for Trust Preferred Securities if a dissolution and liquidation of the Trust were to occur. Accordingly, the Partnership Preferred Securities which an investor may subsequently receive on dissolution and liquidation of the Trust may trade at a discount to the price of the Trust Preferred Securities exchanged.

REDEMPTION PROCEDURES

The Trust may not redeem fewer than all of the outstanding Trust Preferred Securities unless all accumulated and unpaid distributions have been paid on all Trust Preferred Securities for all quarterly distribution periods terminating on or prior to the date of redemption.

If the Trust gives a notice of redemption in respect of Trust Preferred Securities (which notice will be irrevocable), and if the Company has paid to the Property Trustee a sufficient amount of cash in connection with the related redemption of the Partnership Preferred Securities, then, by 12:00 noon, New York time, on the redemption date, the Trust will irrevocably deposit with DTC funds sufficient to pay the amount payable on redemption of all book-entry certificates and will give DTC irrevocable instructions and authority to pay such amount to holders of the Trust Preferred Securities. See "-- Book-Entry Only Issuance -- The Depository Trust Company". If notice of redemption shall have been given and funds are deposited as required, then upon the date of such deposit, all rights of holders of such Trust Preferred Securities so called for redemption will cease, except the right of the holders of such Trust Preferred Securities to receive the Redemption Price, but without interest on such Redemption Price. In the event that any date fixed for redemption of Trust Preferred Securities is not a Business Day, then payment of the amount payable on such date will be made on the next succeeding day which is a Business Day (without any interest or other payment in respect of the amount payable subject to such delay), except that, if such Business Day falls in the next calendar year, such payment will be made on the immediately preceding Business Day. In the event that payment of the Redemption Price in respect of Trust Preferred Securities is improperly withheld or refused and not paid either by the Trust or by the Company pursuant to the Trust Guarantee described under "Description of the Trust Guarantee", distributions on such Trust Preferred Securities will continue to accumulate from the original redemption date to the date of payment.

In the event that fewer than all of the outstanding Trust Preferred Securities are to be redeemed, the Trust Preferred Securities will be redeemed in accordance with the procedures of DTC. See "-- Book-Entry Only Issuance -- The Depository Trust Company". In the event that the Trust Preferred Securities do not remain in book-entry only form and fewer than all of the outstanding Trust Preferred Securities are to be redeemed, the Trust Preferred Securities shall be redeemed on a PRO RATA basis or pursuant to the rules of any securities exchange on which the Trust Preferred Securities are listed.

Subject to the foregoing and applicable law (including, without limitation, United States federal securities laws), the Company or its subsidiaries may at any time and from time to time purchase outstanding Trust Preferred Securities by tender, in the open market or by private agreement.

SUBORDINATION OF TRUST COMMON SECURITIES

Payment of amounts upon liquidation of the Trust Securities shall be made PRO RATA based on the liquidation amount of the Trust Securities; PROVIDED, HOWEVER, that upon (i) the occurrence of an Investment Event of Default by an Investment Affiliate (including the Company) in respect of any Affiliate Investment Instrument or (ii) default by the Company on any of its obligations under any Guarantee, the holders of the Trust Preferred Securities will have a preference over the holders of the Trust Common Securities with respect to payments upon liquidation of the Trust.

In the case of any Trust Enforcement Event, the holder of Trust Common Securities will be deemed to have waived any such Trust Enforcement Event until all such Trust Enforcement Events with respect to the Trust Preferred Securities have been cured, waived or otherwise eliminated. Until all Trust Enforcement Events with respect to the Trust Preferred Securities have been so cured, waived or otherwise eliminated, the Property Trustee shall act solely on behalf of the holders of the Trust Preferred Securities and not on behalf of the holder of the Trust Common Securities, and only the holders of the Trust Preferred Securities will have the right to direct the Property Trustee to act on their behalf.

LIQUIDATION DISTRIBUTION UPON DISSOLUTION

In the event of any voluntary or involuntary liquidation, dissolution, winding-up or termination of the Trust (each a "Trust Liquidation"), the then holders of the Trust Preferred Securities will be entitled to receive out of the assets of the Trust, after satisfaction of liabilities to creditors, distributions in cash or other immediately available funds in an amount equal to the aggregate of the stated liquidation amount of \$25 per Trust Preferred Security plus accumulated and unpaid distributions thereon to the date of payment (the "Trust Liquidation Distribution"), unless, in connection with such Trust Liquidation, Partnership Preferred Securities have been distributed on a PRO RATA basis to the holders of the Trust Securities.

If, upon any such Trust Liquidation, the Trust Liquidation Distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate Trust Liquidation Distribution, then the amounts payable directly by the Trust on the Trust Preferred Securities shall be paid on a PRO RATA basis. The holders of the Trust Common Securities will be entitled to receive distributions upon any such liquidation PRO RATA with the holders of the Trust Preferred Securities, except in the limited circumstances described above under "-- Subordination of Trust Common Securities".

Pursuant to the Declaration, the Trust shall terminate (i) upon the bankruptcy of the Company, (ii) upon the filing of a certificate of dissolution or the equivalent with respect to the Company, the filing of a certificate of cancellation with respect to the Trust after having obtained the consent of at least a majority in liquidation amount of the Trust Securities, voting together as a single class, to file such certificate of cancellation, or the revocation of the charter of the Company and the expiration of 90 days after the date of revocation without a reinstatement thereof, (iii) upon the distribution of all of the Partnership Preferred Securities upon the occurrence of a Trust Special Event, (iv) upon the entry of a decree of a judicial dissolution of the Company or the Trust, or (v) upon the redemption of all the Trust Securities.

VOTING RIGHTS

Except as described herein, under the Trust Act, the Trust Indenture Act and under "Description of the Trust Guarantee -- Amendments and Assignment", and as otherwise required by law and the Declaration, the holders of the Trust Preferred Securities will have no voting rights.

Subject to the requirement of the Property Trustee obtaining a tax opinion as set forth in the last sentence of this paragraph, the holders of a majority in liquidation amount of the Trust Preferred Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Property Trustee, or direct the exercise of any trust or power conferred upon the Property

Trustee under the Declaration, including the right to direct the Property Trustee, as holder of the Partnership Preferred Securities, to (i) exercise the remedies available to it under the Limited Partnership Agreement as a holder of the Partnership Preferred Securities, including the right to direct the Special Representative to exercise its rights in the manner described above under "-- Trust Enforcement Events" and (ii) consent to any amendment, modification, or termination of the Limited Partnership Agreement or the Partnership Preferred Securities where such consent shall be required; PROVIDED, HOWEVER, that where a consent or action under the Limited Partnership Agreement would require the consent or act of the holders of more than a majority of the aggregate liquidation amount of Partnership Preferred Securities affected thereby, only the holders of the percentage of the aggregate stated liquidation amount of the Trust Securities which is at least equal to the percentage required under the Limited Partnership Agreement may direct the Property Trustee to give such

consent or take such action on behalf of the Trust. See "Description of the Partnership Preferred Securities -- Voting Rights". The Property Trustee shall notify all holders of the Trust Preferred Securities of any notice of any Partnership Enforcement Event received from the General Partner with respect to the Partnership Preferred Securities and the Affiliate Investment Instruments. Such notice shall state that such Partnership Enforcement Event also constitutes a Trust Enforcement Event. Except with respect to directing the time, method, and place of conducting a proceeding for a remedy as described above, the Property Trustee shall be under no obligation to take any of the actions described in clauses (i) or (ii) above unless the Property Trustee has obtained an opinion of independent tax counsel to the effect that as a result of such action, the Trust will not fail to be classified as a grantor trust for United States federal income tax purposes and that after such action each holder of Trust Securities will continue to be treated as owning an undivided beneficial ownership interest in the Partnership Preferred Securities.

A waiver of a Partnership Enforcement Event with respect to the Partnership Preferred Securities held by the Property Trustee will constitute a waiver of the corresponding Trust Enforcement Event.

Any required approval or direction of holders of Trust Preferred Securities may be given at a separate meeting of holders of Trust Preferred Securities convened for such purpose, at a meeting of all of the holders of Trust Securities or pursuant to written consent. The Regular Trustees will cause a notice of any meeting at which holders of Trust Preferred Securities are entitled to vote, or of any matter upon which action by written consent of such holders is to be taken, to be mailed to each holder of record of Trust Preferred Securities. Each such notice will include a statement setting forth the following information: (i) the date of such meeting or the date by which such action is to be taken; (ii) a description of any resolution proposed for adoption at such meeting on which such holders are entitled to vote or of such matter upon which written consent is sought; and (iii) instructions for the delivery of proxies or consents. No vote or consent of the holders of Trust Preferred Securities will be required for the Trust to redeem and cancel Trust Preferred Securities or distribute Partnership Preferred Securities in accordance with the Declaration.

Notwithstanding that holders of Trust Preferred Securities are entitled to vote or consent under any of the circumstances described above, any of the Trust Securities that are beneficially owned at such time by the Company or any entity directly or indirectly controlled by, or under direct or indirect common control with, the Company, shall not be entitled to vote or consent and shall, for purposes of such vote or consent, be treated as if such Trust Securities were not outstanding, except for Trust Preferred Securities purchased or acquired by the Company or its affiliates in connection with the distribution or trading of such Trust Securities.

The procedures by which holders of Trust Preferred Securities represented by the global certificates may exercise their voting rights are described below. See "-- Book-Entry Only Issuance -- The Depository Trust Company".

Holders of the Trust Preferred Securities will have no rights to appoint or remove the Regular Trustees, who may be appointed, removed or replaced solely by the Company, as the holder of all of the Trust Common Securities.

The Trust may not consolidate, amalgamate, merge with or into, or be replaced by, or convey, transfer or lease its properties and assets substantially as an entirety to, any corporation or other entity, except as described below. The Trust may, with the consent of a majority of the Regular Trustees and without the consent of the holders of the Trust Securities, the Property Trustee or the Delaware Trustee consolidate, amalgamate, merge with or into, or be replaced by a trust organized as such under the laws of any State of the United States; PROVIDED, that (i) if the Trust is not the survivor, such successor entity either (x) expressly assumes all of the obligations of the Trust under the Trust Securities or (y) substitutes for the Trust Preferred Securities other securities having substantially the same terms as the Trust Preferred Securities (the "Successor Securities"), so long as the Successor Securities rank the same as the Trust Securities rank with respect to distributions, assets and payments, (ii) the Company expressly acknowledges a trustee of such successor entity possessing the same powers and duties as the Property Trustee as the holder of the Partnership Preferred Securities, (iii) the Trust Preferred Securities or any Successor Securities are listed, or any Successor Securities will be listed upon notification of issuance, on any national securities exchange or with another organization on which the Trust Preferred Securities are then listed or quoted, (iv) such merger, consolidation, amalgamation or replacement does not cause the Trust Preferred Securities (including any Successor Securities) to be downgraded by any nationally recognized statistical rating organization, (v) such merger, consolidation, amalgamation or replacement does not adversely affect the rights, preferences and privileges of the holders of the Trust Preferred Securities (including any Successor Securities) in any material respect, (vi) such successor entity has a

purpose substantially identical to that of the Trust, (vii) the Company guarantees the obligations of such successor entity under the Successor Securities to the same extent as provided by the Trust Guarantee and (viii) prior to such merger, consolidation, amalgamation or replacement, the Company has received an opinion of a nationally recognized independent counsel to the Trust experienced in such matters to the effect that: (A) such merger, consolidation, amalgamation or replacement will not adversely affect the rights, preferences and privileges of the holders of the Trust Preferred Securities (including any Successor Securities) in any material respect (other than with respect to any dilution of the holders' interest in the new entity), (B) following such merger, consolidation, amalgamation or replacement, neither the Trust nor such successor entity will be required to register as an investment company under the 1940 Act, (C) following such merger, consolidation, amalgamation or replacement, the Trust (or such successor trust) will not be treated as an association or a publicly traded partnership taxable as a corporation for United States federal income tax purposes and (D) following such merger, consolidation, amalgamation or replacement, the Partnership will not be classified as an association or a publicly traded partnership taxable as a corporation for United States federal income tax purposes. Notwithstanding the foregoing, the Trust shall not, except with the consent of holders of 100% in liquidation amount of the Trust Preferred Securities, consolidate, amalgamate, merge with or into, or be replaced by any other entity or permit any other entity to consolidate, amalgamate, merge with or into, or replace it, if such consolidation, amalgamation, merger or replacement would cause the Trust or the successor entity to be classified as an association or a publicly traded partnership taxable as a corporation for United States federal income tax purposes.

MODIFICATION OF THE DECLARATION

The Declaration may be modified and amended if approved by a majority of the Regular Trustees (and in certain circumstances the Property Trustee and the Delaware Trustee), PROVIDED, that if any proposed amendment provides for, or the Regular Trustees otherwise propose to effect, (i) any action that would adversely affect the powers, preferences or special rights of the Trust Securities, whether by way of amendment to the Declaration or otherwise or (ii) the dissolution, winding-up or termination of the Trust other than pursuant to the terms of the Declaration, then the holders of the Trust Securities voting together as a single class will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of at least a majority in liquidation amount of the Trust Securities affected thereby; PROVIDED, FURTHER that if any amendment or proposal referred to in clause (i) above would adversely affect only the Trust Preferred Securities or the Trust Common Securities, then

32

only the affected class will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of a majority in liquidation amount of such class of Trust Securities.

The Declaration may be amended without the consent of the holders of the Trust Securities to (i) cure any ambiguity, (ii) correct or supplement any provision in the Declaration that may be defective or inconsistent with any other provision of the Declaration, (iii) add to the covenants, restrictions or obligations of the Sponsor, (iv) conform to any change in the 1940 Act, the Trust Indenture Act or the rules or regulations of either such Act and (v) modify, eliminate and add to any provision of the Declaration to such extent as may be necessary or desirable; PROVIDED that no such amendment shall have a material adverse effect on the rights, preferences or privileges of the holders of the Trust Securities.

Notwithstanding the foregoing, no amendment or modification may be made to the Declaration if such amendment or modification would (i) cause the Trust to fail to be classified as a grantor trust for United States federal income tax purposes, (ii) cause the Partnership to be classified as an association or publicly traded partnership taxable as a corporation for such purposes, (iii) reduce or otherwise adversely affect the powers of the Property Trustee or (iv) cause the Trust or the Partnership to be deemed an "investment company" which is required to be registered under the 1940 Act.

BOOK-ENTRY ONLY ISSUANCE -- THE DEPOSITORY TRUST COMPANY

The Depository Trust Company ("DTC") will act as securities depository (the "Depository") for the Trust Preferred Securities and, to the extent distributed to the holders of Trust Preferred Securities, the Partnership Preferred Securities. The Trust Preferred Securities will be issued only as fully-registered securities registered in the name of Cede & Co. (DTC's nominee). One or more fully-registered global Trust Preferred Securities certificates ("Global Certificates"), representing the total aggregate number of Trust Preferred Securities, will be issued and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the

meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Participants in DTC include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is owned by a number of its Participants and by the New York Stock Exchange, the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly ("Indirect Participants"). The rules applicable to DTC and its Participants are on file with the Commission.

Purchases of Trust Preferred Securities within the DTC system must be made by or through Participants, which will receive a credit for the Trust Preferred Securities on DTC's records. The ownership interest of each actual purchaser of Trust Preferred Securities ("Beneficial Owner") is in turn to be recorded on the Participants' and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchases, but Beneficial Owners are expected to receive written confirmations providing details of the transactions, as well as periodic statements of their holdings, from the Participants or Indirect Participants through which the Beneficial Owners purchased Trust Preferred Securities. Transfers of ownership interests in the Trust Preferred Securities are to be accomplished by entries made on the books of Participants and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Trust Preferred Securities, except in the event that use of the book-entry system for the Trust Preferred Securities is discontinued.

33

DTC has no knowledge of the actual Beneficial Owners of the Trust Preferred Securities; DTC's records reflect only the identity of the Participants to whose accounts such Trust Preferred Securities are credited, which may or may not be the Beneficial Owners. The Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

So long as DTC, or its nominee, is the registered owner or holder of a Global Certificate, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Trust Preferred Securities represented thereby for all purposes under the Declaration and the Trust Preferred Securities. No beneficial owner of an interest in a Global Certificate will be able to transfer that interest except in accordance with DTC's applicable procedures, in addition to those provided for under the Declaration.

DTC has advised the Company that it will take any action permitted to be taken by a holder of Trust Preferred Securities (including the presentation of Trust Preferred Securities for exchange as described below) only at the direction of one or more Participants to whose account the DTC interests in the Global Certificates are credited and only in respect of such portion of the aggregate liquidation amount of Trust Preferred Securities as to which such Participant or Participants has or have given such direction. Also, if there is a Trust Enforcement Event under the Trust Preferred Securities, DTC will exchange the Global Certificates for Certificated Securities, which it will distribute to its Participants in accordance with its customary procedures.

Conveyance of notices and other communications by DTC to Participants, by Participants to Indirect Participants, and by Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices in respect of the Trust Preferred Securities held in book-entry form will be sent to Cede & Co. If less than all of the Trust Preferred Securities are being redeemed, DTC will determine the amount of the interest of each Participant to be redeemed in accordance with its procedures.

Although voting with respect to the Trust Preferred Securities is limited, in those cases where a vote is required, neither DTC nor Cede & Co. will itself consent or vote with respect to Trust Preferred Securities. Under its usual procedures, DTC would mail an Omnibus Proxy to the Trust as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Participants to whose accounts the Trust Preferred Securities are allocated on the record date (identified in a listing attached to the Omnibus Proxy).

Distributions on the Trust Preferred Securities held in book-entry form will be made to DTC in immediately available funds. DTC's practice is to credit Participants' accounts on the relevant payment date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payments on such payment date. Payments by Participants and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices and will be the responsibility of such

Participants and Indirect Participants and not of DTC, the Trust or the Company, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of any distributions to DTC is the responsibility of the Trust, disbursement of such payments to Participants is the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Participants and Indirect Participants.

Except as described, a Beneficial Owner of an interest in a Global Certificate will not be entitled to receive physical delivery of Trust Preferred Securities. Accordingly, each Beneficial Owner must rely on the procedures of DTC to exercise any rights under the Trust Preferred Securities.

Although DTC has agreed to the foregoing procedures in order to facilitate transfers of interests in the Global Certificates among Participants of DTC, DTC is under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. Neither the Company nor the Trust will have any responsibility for the performance by DTC or its Participants or Indirect Participants under the rules and procedures governing DTC. DTC may discontinue providing its services as securities depository with respect to the Trust Preferred Securities at any time by giving notice to the Trust. Under such circumstances, in the event that a successor securities depository is not obtained, Trust

34

Preferred Security certificates are required to be printed and delivered to the Property Trustee. Additionally, the Trust (with the consent of the Company) may decide to discontinue use of the system of book-entry transfers through DTC or any successor depository. In that event, certificates for the Trust Preferred Securities will be printed and delivered to the Property Trustee. In each of the above circumstances, the Company will appoint a paying agent with respect to the Trust Preferred Securities.

The laws of some jurisdictions require that certain purchasers of securities take physical delivery of securities in definitive form. Such laws may impair the ability to transfer beneficial interests in the global Trust Preferred Securities as represented by a Global Certificate.

PAYMENT

Payments in respect of the Trust Preferred Securities represented by the Global Certificates shall be made to DTC, which shall credit the relevant accounts at DTC on the scheduled payment dates or, in the case of certificated securities, if any, such payments shall be made by check mailed to the address of the holder entitled thereto as such address shall appear on the register. The Paying Agent shall be permitted to resign as Paying Agent upon 30 days written notice to the Regular Trustees. In the event that shall no longer be the Paying Agent, the Regular Trustees shall appoint a successor to act as Paying Agent (which shall be a bank or trust company).

REGISTRAR, TRANSFER AGENT, AND PAYING AGENT

The Property Trustee will act as Registrar, Transfer Agent and Paying Agent for the Trust Preferred Securities.

Registration of transfers of Trust Preferred Securities will be effected without charge by or on behalf of the Trust, but upon payment (with the giving of such indemnity as the Trust or the Company may require) in respect of any tax or other government charges which may be imposed in relation to it.

The Trust will not be required to register or cause to be registered the transfer of Trust Preferred Securities after such Trust Preferred Securities have been called for redemption.

INFORMATION CONCERNING THE PROPERTY TRUSTEE

The Property Trustee, prior to the occurrence of a default with respect to the Trust Securities, undertakes to perform only such duties as are specifically set forth in the Declaration and, after default, shall exercise the same degree of care as a prudent individual would exercise in the conduct of his or her own affairs. Subject to such provisions, the Property Trustee is under no obligation to exercise any of the powers vested in it by the Declaration at the request of any holder of Trust Preferred Securities, unless offered reasonable indemnity by such holder against the costs, expenses and liabilities which might be incurred thereby. The holders of Trust Preferred Securities will not be required to offer such indemnity in the event such holders, by exercising their voting rights, direct the Property Trustee to take any action following a Trust Enforcement Event.

GOVERNING LAW

The Declaration and the Trust Preferred Securities will be governed by, and construed in accordance with, the internal laws of the State of Delaware.

35

MISCELLANEOUS

The Regular Trustees are authorized and directed to conduct the affairs of and to operate the Trust in such a way that the Trust will not be deemed to be an "investment company" required to be registered under the 1940 Act or characterized as other than a grantor trust for United States federal income tax purposes. In this connection, the Regular Trustees are authorized to take any action, not inconsistent with applicable law, the certificate of trust or the Declaration that the Regular Trustees determine in their discretion to be necessary or desirable for such purposes as long as such action does not adversely affect the interests of the holders of the Trust Preferred Securities.

Holders of the Trust Preferred Securities have no preemptive rights.

DESCRIPTION OF THE TRUST GUARANTEE

Set forth below is a summary of information concerning the Trust Guarantee which will be executed and delivered by the Company for the benefit of the holders from time to time of Trust Preferred Securities. The summary does not purport to be complete and is subject in all respects to the provisions of, and is qualified in its entirety by reference to, the Trust Guarantee, which is filed as an exhibit to the Registration Statement of which this Prospectus is a part. The Trust Guarantee incorporates by reference the terms of, and will be qualified as an indenture under, the Trust Indenture Act. The Chase Manhattan Bank, as the Trust Guarantee Trustee, will hold the Trust Guarantee for the benefit of the holders of the Trust Preferred Securities and will act as indenture trustee for the purposes of compliance with the Trust Indenture Act.

GENERAL

Pursuant to the Trust Guarantee, the Company will irrevocably agree, on a subordinated basis and to the extent set forth therein, to pay in full to the holders of the Trust Preferred Securities (except to the extent paid by the Trust), as and when due, regardless of any defense, right of set off or counterclaim which the Trust may have or assert, the following payments (the "Trust Guarantee Payments"), without duplication: (i) any accumulated and unpaid distributions on the Trust Preferred Securities to the extent the Trust has funds available therefor, (ii) the Redemption Price with respect to any Trust Preferred Securities called for redemption by the Trust, to the extent the Trust has funds available therefor and (iii) upon a voluntary or involuntary dissolution, winding-up or termination of the Trust (other than in connection with the distribution of Partnership Preferred Securities to the holders of Trust Preferred Securities or the redemption of all of the Trust Preferred Securities), the lesser of (a) the aggregate of the liquidation amount and all accumulated and unpaid distributions on the Trust Preferred Securities and (b) the amount of assets of the Trust remaining available for distribution to holders of Trust Preferred Securities upon the liquidation of the Trust. The Company's obligation to make a Trust Guarantee Payment may be satisfied by direct payment of the required amounts by the Company to the holders of Trust Preferred Securities or by causing the Trust to pay such amounts to such holders.

The Trust Guarantee will be a guarantee on a subordinated basis with respect to the Trust Preferred Securities from the time of issuance of such Trust Preferred Securities but will only apply to any payment of distributions or Redemption Price, or to payments upon the dissolution, winding-up or termination of the Trust, to the extent the Trust shall have funds available therefor. If the Partnership fails to declare distributions on Partnership Preferred Securities, the Trust would lack available funds for the payment of distributions or amounts payable on redemption of the Trust Preferred Securities or otherwise, and in such event holders of the Trust Preferred Securities would not be able to rely upon the Trust Guarantee for payment of such amounts. Instead, holders of the Trust Preferred Securities will have the remedies described herein under "Description of the Trust Preferred Securities -- Trust Enforcement Events", including the right to direct the Trust Guarantee Trustee to enforce the covenant restricting certain payments by the Company and Finance Subsidiaries. See "-- Covenants of the Company" below.

36

The Guarantees, when taken together with the Company Debenture and the Company's obligations to pay all fees and expenses of the Trust and the Partnership, constitute a guarantee to the extent set forth herein by the Company of the distribution, redemption and liquidation payments payable to the holders of the Trust Preferred Securities. The Guarantees do not apply, however, to current distributions by the Partnership unless and until such distributions are declared by the Partnership out of funds legally available for payment or to liquidating distributions unless there are assets available for payment in the Partnership, each as more fully described under "Risk Factors -- Insufficient Income or Assets Available to Partnership".

COVENANTS OF THE COMPANY

The Company will covenant in the Trust Guarantee that, if (a) for any distribution period, full distributions on a cumulative basis on any Trust Preferred Securities have not been paid, (b) an Investment Event of Default by any Investment Affiliate in respect of any Affiliate Investment Instrument has occurred and is continuing or (c) the Company is in default of its obligations under the Trust Guarantee, the Partnership Guarantee or any Investment Guarantee, then, during such period (i) the Company shall not declare or pay dividends on, make distributions with respect to, or redeem, purchase or acquire, or make a liquidation payment with respect to any of its capital stock or comparable equity interest (except for (x) dividends or distributions in shares of, or options, warrants or rights to subscribe for or purchase shares of, its capital stock, and conversions or exchanges of common stock of one class into common stock of another class, (y) redemptions or purchases of any rights pursuant to the Rights Agreement and the issuance of preferred stock pursuant to such rights and (z) except for Trust Securities purchased or acquired by the Company or its affiliates in connection with transactions effected by or for the account of customers of the Company or any of its subsidiaries or in connection with the distribution or trading of such Trust Securities) and (ii) the Company shall not make, permit any Finance Subsidiary to make, or make any payments that would enable any Finance Subsidiary to make, any payment of any dividends on, any distribution with respect to, or any redemption, purchase or other acquisition of, or any liquidation payment with respect to any preferred security or comparable equity interest of any Finance Subsidiary.

EVENTS OF DEFAULT; ENFORCEMENT OF TRUST GUARANTEE

An event of default under the Trust Guarantee will occur upon the failure of the Company to perform any of its payment or other obligations thereunder.

The holders of a majority in liquidation amount of the Trust Preferred Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trust Guarantee Trustee or to direct the exercise of any trust or power conferred upon the Trust Guarantee Trustee under the Trust Guarantee. If the Trust Guarantee Trustee fails to enforce its rights under the Trust Guarantee after a holder of Trust Preferred Securities has made a written request, such holder may institute a legal proceeding directly against the Company to enforce the Trust Guarantee Trustee's rights under the Trust Guarantee, without first instituting a legal proceeding against the Trust, the Trust Guarantee Trustee or any other person or entity. In any event, if the Company has failed to make a guarantee payment under the Trust Guarantee, a holder of Trust Preferred Securities may directly institute a proceeding in such holder's own name against the Company for enforcement of the Trust Guarantee for such payment.

STATUS OF THE TRUST GUARANTEE; SUBORDINATION

The Trust Guarantee will constitute an unsecured obligation of the Company and will rank subordinate and junior to all other liabilities of the Company and will rank PARI PASSU with the most senior preferred stock, if any, issued from time to time by the Company and with any guarantee now or hereafter entered into by the Company in respect of any preferred stock of any Finance Subsidiary. The terms of the

37

Trust Preferred Securities provide that each holder of Trust Preferred Securities by acceptance thereof agrees to the subordination provisions and other terms of the Trust Guarantee.

The Trust Guarantee will constitute a guarantee of payment and not of collection (that is, the guaranteed party may directly institute a legal proceeding against the Company to enforce its rights under the Trust Guarantee without instituting a legal proceeding against any other person or entity).

AMENDMENTS AND ASSIGNMENT

Except with respect to any changes that do not materially adversely affect the rights of holders of Trust Preferred Securities (in which case no vote will be required), the Trust Guarantee may be amended only with the prior approval of the holders of at least a majority in liquidation amount of all the outstanding Trust Preferred Securities. The manner of obtaining any such approval of holders of the Trust Preferred Securities will be as set forth under "Description of the Trust Preferred Securities -- Voting Rights". All guarantees and agreements contained in the Trust Guarantee shall bind the successors, assigns, receivers, trustees and representatives of the Company and shall inure to the benefit of the holders of the Trust Preferred Securities then outstanding. Except in connection with any permitted merger or consolidation of the Company with or into another entity or any permitted sale, transfer or lease of the Company's assets to another entity as described below under "Description of the Partnership Preferred Securities -- Merger, Consolidation or Amalgamation of the Partnership", the Company may not assign its rights or delegate its obligations under the Trust Guarantee without the prior approval of the holders of at least a majority of the aggregate stated liquidation amount of the Trust Preferred Securities then outstanding.

TERMINATION OF THE TRUST GUARANTEE

The Trust Guarantee will terminate as to each holder of Trust Preferred Securities upon (i) full payment of the Redemption Price of all Trust Preferred Securities, (ii) distribution of the Partnership Preferred Securities held by the Trust to the holders of the Trust Preferred Securities or (iii) full payment of the amounts payable in accordance with the Declaration upon liquidation of the Trust. The Trust Guarantee will continue to be effective or will be reinstated, as the case may be, if at any time any holder of Trust Preferred Securities must restore payment of any sum paid under such Trust Preferred Securities or such Trust Guarantee.

INFORMATION CONCERNING THE TRUST GUARANTEE TRUSTEE

The Trust Guarantee Trustee, prior to the occurrence of a default with respect to the Trust Guarantee, undertakes to perform only such duties as are specifically set forth in the Trust Guarantee and, after default with respect to the Trust Guarantee, shall exercise the same degree of care as a prudent man would exercise in the conduct of his own affairs. Subject to such provision, the Trust Guarantee Trustee is under no obligation to exercise any of the powers vested in it by the Trust Guarantee at the request of any holder of Trust Preferred Securities unless it is offered reasonable indemnity against the costs, expenses and liabilities that might be incurred thereby.

GOVERNING LAW

The Guarantee will be governed by, and construed in accordance with, the internal laws of the State of New York.

DESCRIPTION OF THE PARTNERSHIP PREFERRED SECURITIES

GENERAL

All of the partnership interests in the Partnership other than the Partnership Preferred Securities acquired by the Trust are owned directly by the Company. The Company is the sole General Partner of the

38

Partnership. The Limited Partnership Agreement authorizes and creates the Partnership Preferred Securities, which represent limited partner interests in the Partnership. The limited partner interests represented by the Partnership Preferred Securities will have a preference with respect to distributions and amounts payable on redemption or liquidation over the General Partner's interest in the Partnership. Except as otherwise described herein or provided in the Limited Partnership Agreement, the Limited Partnership Agreement does not permit the issuance of any additional partnership interests, or the incurrence of any indebtedness by the Partnership.

The summary of certain material terms and provisions of the Partnership Preferred Securities set forth below does not purport to be complete and is subject to, and qualified in its entirety by reference to, the Limited Partnership Agreement, which is filed as an exhibit to the Registration Statement of which this Prospectus is a part, and the Partnership Act.

DISTRIBUTIONS

Holders of Partnership Preferred Securities will be entitled to receive cumulative cash distributions, if, as and when declared by the General Partner in its sole discretion out of assets of the Partnership legally available for payment. The distributions payable on each Partnership Preferred Security will be fixed at a rate per annum of % of the stated liquidation preference of \$25 per Partnership Preferred Security. Distributions not paid on the scheduled payment date will accumulate and compound quarterly at the rate per annum equal to %. The amount of distributions payable for any period will be computed on the basis of a 360-day year of twelve 30-day months.

Distributions on the Partnership Preferred Securities will be payable quarterly in arrears on March 30, June 30, September 30, and December 30 of each year, commencing December 30, 1996. If distributions are not declared and paid when scheduled, the accumulated distributions shall be paid to the holders of record of Partnership Preferred Securities as they appear on the books and records of the Partnership on the record date with respect to the payment date for the Partnership Preferred Securities.

The Partnership's earnings available for distribution to the holders of the Partnership Preferred Securities will be limited to payments made on the Affiliate Investment Instruments and Investment Guarantees and payments on Eligible Debt Securities in which the Partnership has invested from time to time. See "-- Partnership Investments". To the extent that the issuers (and,

where applicable, the Company, as guarantor) of the securities in which the Partnership invests fail to make any payment in respect of such securities (or, if applicable, such guarantees), the Partnership will not have sufficient funds to pay and will not declare or pay distributions on the Partnership Preferred Securities, in which event the Partnership Guarantee will not apply to such distributions until the Partnership has sufficient funds available therefor. See "Description of the Partnership Guarantee". In addition, distributions on the Partnership Preferred Securities may be declared and paid only as determined in the sole discretion of the General Partner of the Partnership. If the Partnership fails to declare and pay distributions on the Partnership Preferred Securities out of funds legally available for distribution, the Trust will not have sufficient funds to make distributions on the Trust Preferred Securities, in which event the Trust Guarantee will not apply to such distributions until the Trust has sufficient funds available therefor. In addition, as described under "Risk Factors -- Insufficient Income or Assets Available to Partnership", the Partnership may not have sufficient funds to pay current or liquidating distributions on the Partnership Preferred Securities if (i) at any time that the Partnership is receiving current payments in respect of the securities held by the Partnership (including the Debentures), the General Partner, in its sole discretion, does not declare distributions on the Partnership Preferred Securities and the Partnership receives insufficient amounts to pay the additional compounded distributions that will accumulate in respect of the Partnership Preferred Securities, (ii) the Partnership reinvests the proceeds received in respect of the Debentures upon their retirement or at their maturities in Affiliate Investment Instruments that do not generate income in an amount that is sufficient to pay full distributions in respect of the Partnership Preferred Securities or (iii) the Partnership invests in equity or debt securities of Investment Affiliates that are not guaranteed by

39

the Company and that cannot be liquidated by the Partnership for an amount sufficient to pay such distributions in full.

Distributions on the Partnership Preferred Securities will be payable to the holders thereof as they appear on the books and records of the Partnership on the relevant record dates, which, as long as the Trust Preferred Securities remain (or, in the event that the Trust is liquidated in connection with a Trust Special Event, as long as the Partnership Preferred Securities remain) in book-entry-only form, will be one Business Day prior to the relevant payment dates. In the event the Trust Preferred Securities (or in the event that the Trust is liquidated in connection with a Trust Special Event, the Partnership Preferred Securities) shall not continue to remain in book-entry only form, the relevant record dates shall be the 15th day of the month of the relevant payment dates. In the event that any date on which distributions are payable on the Partnership Preferred Securities is not a Business Day, then payment of the distribution payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) except that, if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date.

PARTNERSHIP ENFORCEMENT EVENTS

If one or more of the following events shall occur and be continuing (each a "Partnership Enforcement Event"): (i) arrearages on distributions on the Partnership Preferred Securities shall exist for six consecutive quarterly distribution periods, (ii) the Company is in default on any of its obligations under the Partnership Guarantee or any Investment Guarantee or (iii) an Investment Event of Default occurs and is continuing on any Affiliate Investment Instrument, then the Property Trustee, for so long as the Partnership Preferred Securities are held by the Property Trustee, will have the right, or holders of the Partnership Preferred Securities will be entitled by the vote of a majority in aggregate liquidation amount of such holders (a) under the Limited Partnership Agreement to enforce the terms of the Partnership Preferred Securities, including the right to appoint and authorize a special representative of the Partnership and the limited partners (a "Special Representative") to enforce (1) the Partnership's creditors' rights and other rights with respect to the Affiliate Investment Instruments and the Investment Guarantees, (2) the rights of the holders of the Partnership Preferred Securities under the Partnership Guarantee and (3) the rights of the holders of the Partnership Preferred Securities to receive distributions (only if and to the extent declared out of funds legally available therefor) on the Partnership Preferred Securities, and (b) under the Partnership Guarantee to enforce the terms of the Partnership Guarantee, including the right to enforce the covenant restricting certain payments by the Company and Finance Subsidiaries.

If the Special Representative fails to enforce its rights under the Affiliate Investment Instruments after a holder of Partnership Preferred Securities has made a written request, such holder of record of Partnership Preferred Securities may directly institute a legal proceeding against the Company to enforce the rights of the Special Representative and the Partnership under the Affiliate Investment Instruments without first instituting any legal proceeding against the Special Representative, the Partnership or any other person or entity. In any event, if a Partnership Enforcement Event has occurred

and is continuing and such event is attributable to the failure of an Investment Affiliate to make any required payment when due on any Affiliate Investment Instrument, then a holder of Partnership Preferred Securities may on behalf of the Partnership directly institute a proceeding against such Investment Affiliate with respect to such Affiliate Investment Instrument for enforcement of payment. A holder of Partnership Preferred Securities may also bring a direct action against the Company to enforce such holder's right under the Partnership Guarantee. See "Description of the Partnership Guarantee -- Events of Default; Enforcement of Partnership Guarantee".

Under no circumstances, however, shall the Special Representative have authority to cause the General Partner to declare distributions on the Partnership Preferred Securities. As a result, although the Special Representative may be able to enforce the Partnership's creditors' rights to accelerate and receive

40

payments in respect of the Affiliate Investment Instruments and the Investment Guarantees, the Partnership would be entitled to reinvest such payments in additional Affiliate Investment Instruments, subject to satisfying the reinvestment criteria described under "-- Partnership Investments", and Eligible Debt Securities, rather than declaring and making distributions on the Partnership Preferred Securities. The Special Representative shall not, by virtue of acting in such capacity, be admitted as a general partner in the Partnership or otherwise be deemed to be a general partner in the Partnership and shall have no liability for the debts, obligations or liabilities of the Partnership.

PARTNERSHIP INVESTMENTS

Approximately 99% of the proceeds from the issuance of the Partnership Preferred Securities and the General Partner's contemporaneous capital contribution (the "Initial Partnership Proceeds") will be used by the Partnership to purchase the Debentures and the remaining 1% of the Initial Partnership Proceeds will be used to purchase Eligible Debt Securities. The purchase of the Debentures by the Partnership will occur contemporaneously with the issuance of the Partnership Preferred Securities.

The initial Affiliate Investment Instruments purchased by the Partnership will consist of two or more debt instruments (the "Debentures"). Approximately % of the Initial Partnership Proceeds will be used to purchase a Debenture of the Company (the "Company Debenture"), and approximately % of the Initial Partnership Proceeds will be used to purchase Debentures of one or more eligible controlled affiliates of the Company (the "Affiliate Debentures"). Each Debenture is expected to have a term of 20 years and to provide for interest payable on March 30, June 30, September 30 and December 30 of each year, commencing December 30, 1996, at market rates for such Debentures. The Debentures will be general unsecured debt obligations of the relevant issuer, except that the Company Debenture will rank subordinate and junior to all Senior Indebtedness of the Company.

The payment of interest on each of the Debentures may be deferred at any time, and from time to time, by the relevant issuer for a period not exceeding six consecutive quarters. If an issuer were to so defer the payment of interest, interest would continue to accrue and compound at the stated interest rate on such Debenture. The Debentures will contain covenants appropriate for unsecured debt securities issued or guaranteed by similar borrowers pursuant to a public offering or private placement under Rule 144A of the Securities Act of a comparable debt security, including a limitation on consolidation, merger, sale or conveyance of assets. The Debentures will contain redemption provisions that correspond to the redemption provisions applicable to the Partnership Preferred Securities, including an option to redeem the Debentures by the relevant issuer, in whole or in part, from time to time, on or after December 30, 2006, and following the occurrence of a Partnership Special Event, in each case, in the same manner described under "-- Optional Redemption" and "-- Partnership Special Event Redemption". The Debentures, and any other Affiliate Investment Instruments that are debt instruments acquired by the Partnership in the future, will also contain customary events of default (the "Investment Events of Default"), including events of default for defaults in payments on such securities when due (provided that no default shall occur upon a valid deferral of an interest payment by an issuer), defaults in the performance of the relevant issuer's obligations under its Debenture or Affiliate Investment Instruments, as the case may be, and certain bankruptcy, insolvency or reorganization events (subject to customary exceptions and grace periods).

The payment of interest and principal when due and other payment terms of the Debentures (other than the Company Debenture), will be guaranteed to the extent described herein (each, an "Investment Guarantee") by the Company for the benefit of the holders of Partnership Preferred Securities. See "-- Investment

Guarantees".

Approximately 1% of the Initial Partnership Proceeds will be invested in Eligible Debt Securities. "Eligible Debt Securities" means cash or book-entry securities, negotiable instruments, or other securities of entities not affiliated with the Company which evidence any of the following: (a) any security issued or guaranteed as to principal or interest by the United States, or by a person controlled or supervised by and acting as an instrumentality of the Government of the United States pursuant to authority granted by the

41

Congress of the United States, or any certificate of deposit for any of the foregoing; (b) commercial paper issued pursuant to Section 3(a)(3) of the Securities Act and having, at the time of the investment or contractual commitment to invest therein, a rating from each of Standard & Poor's Ratings Services, a division of the McGraw-Hill Companies, Inc. ("S&P") and Moody's Investors Service, Inc. ("Moody's") in the highest investment rating category granted by such rating agency and having a maturity not in excess of nine months; (c) demand deposits, time deposits and certificates of deposit which are fully insured by the Federal Deposit Insurance Corporation ("FDIC"); (d) repurchase obligations with respect to any security that is a direct obligation of, or fully guaranteed by, the Government of the United States of America or any agency or instrumentality thereof, the obligations of which are backed by the full faith and credit of the United States of America, in either case entered into with a depository institution or trust company which is an Eligible Institution (as defined herein) and the deposits of which are insured by the FDIC; and (e) any other security which is identified as a permitted investment of a finance subsidiary pursuant to Rule 3a-5 under the 1940 Act at the time it is acquired by the Partnership.

"Eligible Institution" means (a) a depository institution organized under the laws of the United States or any one of the states thereof or the District of Columbia (or any domestic branch of a foreign bank), (1) (i) which has either (A) a long-term unsecured debt rating of AA or better by S&P and Aa or better by Moody's or (B) a short-term unsecured debt rating or a certificate of deposit rating of A-1+ by S&P and P-1 by Moody's and (ii) whose deposits are insured by the FDIC or (2) (i) the parent of which has a long-term or short-term unsecured debt rating which signifies investment grade and (ii) whose deposits are insured by the FDIC.

The Partnership may, from time to time and subject to the restrictions described below, reinvest payments received with respect to the Affiliate Investment Instruments (including the Debentures) and the Eligible Debt Securities in additional Affiliate Investment Instruments and Eligible Debt Securities. As of the date of this Prospectus, the Company, as the General Partner, does not intend to cause the Partnership to reinvest regularly scheduled, periodic payments of interest or dividends received by the Partnership in the manner described below, although there can be no assurance that the General Partner's intention in respect of such reinvestments will not change in the future.

The fairness of specific terms of all Affiliate Investment Instruments (including the Debentures) will be passed upon by a nationally recognized accounting firm, bank or investment banking firm that does not (and whose directors, officers, employees and affiliates do not) have a direct or indirect material equity interest in the Company or any of its subsidiaries (the "Independent Financial Advisor").

The Partnership may reinvest in additional Affiliate Investment Instruments only if certain procedures and criteria are satisfied with respect to such Affiliate Investment Instrument, including the satisfaction of the following conditions: (i) the Partnership did not hold debt or equity securities of the issuer of the proposed Affiliate Investment Instrument within the three-year period ending on the date of such proposed investment; (ii) there was never a default on any debt obligation of, or arrearages of dividends on preferred stock issued by, the issuer of the proposed Affiliate Investment Instrument that was previously or is currently owned by the Partnership; (iii) the applicable terms and provisions with respect to the proposed Affiliate Investment Instrument have been determined by the Independent Financial Advisor to be at least as favorable as terms which could be obtained by the Partnership in a public offering or private placement under Rule 144A of the Securities Act of a comparable security issued by the relevant Investment Affiliate and guarantees, if any, included therein; and (iv) the requesting Investment Affiliate shall not be deemed to be an investment company by reason of Section 3(a) or 3(b) of the 1940 Act. The term "Investment Affiliate" means the Company or any corporation, partnership, limited liability company or other entity (other than the Partnership or the Trust) that is controlled by the Company. If the Partnership is unable to reinvest payments and proceeds from Affiliate Investment Instruments in additional Affiliate Investment Instruments meeting the above criteria, the Partnership may only invest such funds in Eligible Debt Securities (subject to

INVESTMENT GUARANTEES

GENERAL

The Company will agree to execute and deliver an Investment Guarantee, on a subordinated basis, for the benefit of the holders of Partnership Preferred Securities with respect to each Debenture issued by an Investment Affiliate (other than the Company Debenture) to the extent set forth below. The Investment Guarantees shall be enforceable regardless of any defense, right of set-off or counterclaim that the Company may have or assert. The Investment Guarantees will be full and unconditional guarantees, to the extent set forth therein, with respect to the applicable Debentures from the time of issuance. To the extent that, as described above, the Partnership invests in additional Affiliate Investment Instruments, the determination as to whether such Affiliate Investment Instrument will contain an Investment Guarantee will be made at the date of its issuance and will be based, among other things, upon its approval by the Independent Financial Advisor in accordance with the reinvestment criteria described above.

The Investment Guarantees will constitute guarantees of payment and not of collection (that is, the guaranteed party may directly institute a legal proceeding against the Company to enforce its rights under the applicable Investment Guarantee without instituting a legal proceeding against any other person or entity). If no Special Representative has been appointed to enforce any Investment Guarantee, the General Partner has the right to enforce such Investment Guarantee on behalf of the holders of the Partnership Preferred Securities. The holders of not less than a majority in aggregate liquidation preference of the Partnership Preferred Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available in respect of any Investment Guarantee, including the giving of directions to the General Partner or the Special Representative, as the case may be. If the General Partner or the Special Representative fails to enforce any Investment Guarantee as above provided, any holder of Trust Preferred Securities may institute its own legal proceeding to enforce such Investment Guarantee. No Investment Guarantee will be discharged except by payment in full of all amounts guaranteed by such Investment Guarantee (without duplication of amounts theretofore paid by the relevant Investment Affiliate).

AMENDMENTS AND ASSIGNMENT

Except with respect to any changes that do not adversely affect the rights of holders of Partnership Preferred Securities (in which case no consent will be required), the Investment Guarantees may be amended only with the prior approval of the holders of not less than a majority in liquidation preference of the outstanding Partnership Preferred Securities, PROVIDED that for so long as the Property Trustee of the Trust is the holder of the Partnership Preferred Securities, such amendment will not be effective without the prior written approval of a majority in liquidation preference of the outstanding Trust Preferred Securities. All guarantees and agreements contained in the Investment Guarantees shall bind the successors, assigns, receivers, trustees and representatives of the Company and shall inure to the benefit of the holders of Partnership Preferred Securities.

STATUS OF THE INVESTMENT GUARANTEES

The Company's obligations under the Investment Guarantees will constitute unsecured obligations of the Company and will rank subordinate and junior to all other liabilities of the Company and will rank PARI PASSU with the most senior preferred stock issued from time to time by the Company and with any guarantee now or hereafter entered into by the Company in respect of any preferred stock of any affiliate of the Company.

GOVERNING LAW

The Investment Guarantees will be governed by and construed in accordance with the internal laws of the State of New York.

OPTIONAL REDEMPTION

The Partnership Preferred Securities are redeemable, at the option of the General Partner, in whole or in part, from time to time, on or after December 30, 2006, upon not less than 30 nor more than 60 days notice, at an amount per Partnership Preferred Security equal to \$25 plus accumulated and unpaid distributions thereon. If the Partnership redeems Partnership Preferred Securities in accordance with the terms thereof, Trust Securities will be mandatorily redeemed at the Redemption Price. If a partial redemption would result in the delisting of the Trust Preferred Securities (or, if the Trust is liquidated in connection with a Trust Special Event, or if a partial redemption would result in the delisting of the Partnership Preferred Securities), the

Partnership may only redeem the Partnership Preferred Securities in whole.

PARTNERSHIP SPECIAL EVENT REDEMPTION

If, at any time, a Partnership Tax Event or a Partnership Investment Company Event (each as hereinafter defined, and each a "Partnership Special Event") shall occur and be continuing, the General Partner shall, within 90 days following the occurrence of such Partnership Special Event, elect to either (i) redeem the Partnership Preferred Securities in whole (but not in part), upon not less than 30 or more than 60 days notice at the Redemption Price, PROVIDED that, if at the time there is available to the Partnership the opportunity to eliminate, within such 90-day period, the Partnership Special Event by taking some ministerial action, such as filing a form or making an election, or pursuing some other similar reasonable such measure that in the sole judgment of the Company has or will cause no adverse effect on the Partnership, the Trust or the Company, the General Partner will pursue such measure in lieu of redemption; or (ii) cause the Partnership Preferred Securities to remain outstanding, PROVIDED that in the case of this clause (ii), the General Partner shall pay any and all costs and expenses incurred by or payable by the Partnership attributable to the Partnership Special Event.

"Partnership Tax Event" means that the General Partner shall have requested and received an opinion of nationally recognized independent tax counsel experienced in such matters to the effect that there has been a Tax Action which affects any of the events described in (i) through (iii) below and that there is more than an insubstantial risk that (i) the Partnership is, or will be, subject to United States federal income tax with respect to income accrued or received on the Affiliate Investment Instruments or the Eligible Debt Securities, (ii) the Partnership is, or will be, subject to more than a DE MINIMIS amount of other taxes, duties or other governmental charges or (iii) interest payable by an Investment Affiliate with respect to the Debenture issued by such Investment Affiliate to the Partnership is not, or will not be, deductible by such Investment Affiliate for United States federal income tax purposes.

"Partnership Investment Company Event" means that the General Partner shall have requested and received an opinion of nationally recognized independent legal counsel experienced in such matters to the effect that as a result of the occurrence on or after the date hereof of a Change in 1940 Act Law, the Partnership is or will be considered an "investment company" which is required to be registered under the 1940 Act.

REDEMPTION PROCEDURES

The Partnership may not redeem fewer than all the outstanding Partnership Preferred Securities unless all accumulated and unpaid distributions have been paid on all Partnership Preferred Securities for all quarterly distribution periods terminating on or prior to the date of redemption.

If the Partnership gives a notice of redemption in respect of Partnership Preferred Securities (which notice will be irrevocable) then, by 12:00 noon, New York City time, on the redemption date, the Partnership (i) if the Partnership Preferred Securities are in book entry form with DTC, will deposit

44

irrevocably with DTC funds sufficient to pay the applicable Redemption Price and will give DTC irrevocable instructions and authority to pay the Redemption Price in respect of the Partnership Preferred Securities held through DTC in global form or (ii) if the Partnership Preferred Securities are held in certificated form, will deposit with the paying agent for the Partnership Preferred Securities funds sufficient to pay such amount in respect of any Partnership Preferred Securities in certificated form and will give such paying agent irrevocable instructions and authority to pay such amounts to the holders of Partnership Preferred Securities upon surrender of their certificates. See "Description of the Trust Preferred Securities -- Book-Entry-Only Issuance -- The Depository Trust Company".

If notice of redemption shall have been given and funds deposited as required, then upon the date of such deposit, all rights of holders of such Partnership Preferred Securities so called for redemption will cease, except the right of the holders of such Partnership Preferred Securities to receive the Redemption Price, but without interest on such Redemption Price. In the event that any date fixed for redemption of Partnership Preferred Securities is not a Business Day, then payment of the Redemption Price payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) except that, if such Business Day falls in the next calendar year, such payment will be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date fixed for redemption. In the event that payment of the Redemption Price in respect of Partnership Preferred Securities is improperly withheld or refused and not paid either by the Partnership or by the Company pursuant to the Partnership Guarantee described under "Description of the Partnership

Guarantee," distributions on such Partnership Preferred Securities will continue to accumulate, from the original redemption date to the date of payment.

Subject to the foregoing and applicable law (including, without limitation, United States federal securities laws), the Company or any of its subsidiaries may at any time and from time to time purchase outstanding Partnership Preferred Securities by tender, in the open market or by private agreement.

LIQUIDATION DISTRIBUTION UPON DISSOLUTION

In the event of any voluntary or involuntary dissolution, winding-up or termination of the Partnership, the holders of the Partnership Preferred Securities at the time will be entitled to receive out of the assets of the Partnership available for distribution to partners after satisfaction of liabilities of creditors as required by the Partnership Act, before any distribution of assets is made to the General Partner, an amount equal to, in the case of holders of Partnership Preferred Securities, the aggregate of the stated liquidation preference of \$25 per Partnership Preferred Security plus accumulated and unpaid distributions thereon to the date of payment (such amount being the "Partnership Liquidation Distribution").

Pursuant to the Limited Partnership Agreement, the Partnership shall be dissolved and its affairs shall be wound up: (i) upon the bankruptcy of the General Partner, (ii) upon the assignment by the General Partner of its entire interest in the Partnership when the assignee is not admitted to the Partnership as a general partner of the Partnership in accordance with the Limited Partnership Agreement, or the filing of a certificate of dissolution or its equivalent with respect to the General Partner, or the revocation of the General Partner's charter and the expiration of 90 days after the date of notice to the General Partner of revocation without a reinstatement of its charter, or if any other event occurs that causes the General Partner to cease to be a general partner of the Partnership under the Partnership Act, unless the business of the Partnership is continued in accordance with the Partnership Act, (iii) if the Partnership has redeemed or otherwise purchased all the Partnership Preferred Securities, (iv) upon the entry of a decree of judicial dissolution or (v) upon the written consent of all partners of the Partnership.

45

VOTING RIGHTS

Except as provided below and under "Description of the Partnership Guarantee -- Amendments and Assignment" and as otherwise required by law and the Limited Partnership Agreement, the holders of the Partnership Preferred Securities will have no voting rights.

Not later than 30 days after any Partnership Enforcement Event occurs, the General Partner will convene a meeting for the purpose of appointing a Special Representative. If the General Partner fails to convene such meeting within such 30-day period, the holders of 10% in liquidation preference of the outstanding Partnership Preferred Securities will be entitled to convene such meeting. The provisions of the Limited Partnership Agreement relating to the convening and conduct of the meetings of the partners will apply with respect to any such meeting. In the event that, at any such meeting, holders of less than a majority in aggregate liquidation preference of Partnership Preferred Securities entitled to vote for the appointment of a Special Representative vote for such appointment, no Special Representative shall be appointed. Any Special Representative appointed shall cease to be a Special Representative of the Partnership and the limited partners if (1) the Partnership (or the Company pursuant to the Partnership Guarantee) shall have paid in full all accumulated and unpaid distributions on the Partnership Preferred Securities, (2) such Investment Event of Default, as the case may be, shall have been cured, and (3) the Company is in compliance with all its obligations under the Partnership Guarantee and the Company, in its capacity as the General Partner, shall continue the business of the Partnership without dissolution. Notwithstanding the appointment of any such Special Representative, the Company shall continue as General Partner and shall retain all rights under the Limited Partnership Agreement, including the right to declare, in its sole discretion, the payment of distributions on the Partnership Preferred Securities for which the failure of such declaration would not constitute a default under the Limited Partnership Agreement.

If any proposed amendment to the Limited Partnership Agreement provides for, or the General Partner otherwise proposes to effect, (i) any action that would adversely affect the powers, preferences or special rights of the Partnership Preferred Securities, whether by way of amendment to the Limited Partnership Agreement or otherwise (including, without limitation, the authorization or issuance of any limited partner interests in the Partnership ranking, as to participation in the profits or distributions or in the assets of the Partnership, senior to the Partnership Preferred Securities), or (ii) the

dissolution, winding-up or termination of the Partnership, other than (x) in connection with the occurrence of a Partnership Special Event or (y) as described under "Merger, Consolidation or Amalgamation of the Partnership" below, then the holders of outstanding Partnership Preferred Securities will be entitled to vote on such amendment or proposal of the General Partner (but not on any other amendment or proposal) as a class, and such amendment or proposal shall not be effective except with the approval of the holders of a majority in liquidation preference of such outstanding Partnership Preferred Securities having a right to vote on the matter; PROVIDED, HOWEVER, that if the Property Trustee on behalf of the Trust is the holder of the Partnership Preferred Securities, any such amendment or proposal not excepted by clauses (x) and (y) above shall not be effective without the prior or concurrent approval of the holders of a majority in liquidation amount of the outstanding Trust Preferred Securities having a right to vote on such matters.

The General Partner shall not (i) direct the time, method and place of conducting any proceeding for any remedy available, (ii) waive any Investment Event of Default that is waivable under the Affiliate Investment Instruments, (iii) exercise any right to rescind or annul a declaration that the principal of any Affiliate Investment Instruments which are debt instruments shall be due and payable, (iv) waive the breach of the covenant by the Company to restrict certain payments by the Company, or (v) consent to any amendment, modification or termination of any Affiliate Investment Instrument, where such consent shall be required from the investor, without, in each case, obtaining the prior approval of the holders of at least a majority in liquidation preference of the Partnership Preferred Securities; PROVIDED, HOWEVER, that if the

46

Property Trustee on behalf of the Trust is the holder of the Partnership Preferred Securities, such waiver, consent or amendment or other action shall not be effective without the prior or concurrent approval of at least a majority in liquidation amount of the outstanding Trust Preferred Securities having a right to vote on such matters. The General Partner shall not revoke any action previously authorized or approved by a vote of the holders of the Partnership Preferred Securities. The General Partner shall notify all holders of the Partnership Preferred Securities of any notice of an Investment Event of Default received with respect to any Affiliate Investment Instrument.

Any required approval of holders of Partnership Preferred Securities may be given at a separate meeting of holders of Partnership Preferred Securities convened for such purpose, at a meeting of all of the partners in the Partnership or pursuant to written consent. The Partnership will cause a notice of any meeting at which holders of Partnership Preferred Securities are entitled to vote, or of any matter upon which action by written consent of such holders is to be taken, to be mailed to each holder of record of Partnership Preferred Securities. Each such notice will include a statement setting forth (i) the date of such meeting or the date by which such action is to be taken, (ii) a description of any resolution proposed for adoption at such meeting on which such holders are entitled to vote or of such matters upon which written consent is sought and (iii) instruction for the delivery of proxies or consents.

No vote or consent of the holders of Partnership Preferred Securities will be required for the Partnership to redeem and cancel Partnership Preferred Securities in accordance with the Limited Partnership Agreement.

Notwithstanding that holders of Partnership Preferred Securities are entitled to vote or consent under any of the circumstances described above, any of the Partnership Preferred Securities at such time that are beneficially owned by the Company or by any entity more than 50% of which is owned by the Company, either directly or indirectly, shall not be entitled to vote or consent and shall, for purposes of such vote or consent, be treated as if they were not outstanding, except for Partnership Preferred Securities purchased or acquired by the Company or its affiliates in connection with transactions effected by or for the account of customers of the Company or any of its subsidiaries or with the distribution or trading of such Partnership Preferred Securities; PROVIDED, HOWEVER, that persons (other than affiliates of the Company) to whom the Company or any of its subsidiaries have pledged Partnership Preferred Securities may vote or consent with respect to such pledged Partnership Preferred Securities pursuant to the terms of such pledge.

Holders of the Partnership Preferred Securities will have no rights to remove or replace the General Partner.

MERGER, CONSOLIDATION OR AMALGAMATION OF THE PARTNERSHIP

The Partnership may not consolidate, amalgamate, merge with or into, or be replaced by, or convey, transfer or lease its properties and assets substantially as an entirety to, any corporation or other body, except as described below. The Partnership may, without the consent of the holders of the Partnership Preferred Securities, consolidate, amalgamate, merge with or into, or be replaced by a limited partnership, limited liability company or trust organized as such under the laws of any state of the United States of America,

provided that (i) such successor entity either (x) expressly assumes all of the obligations of the Partnership under the Partnership Preferred Securities or (y) substitutes for the Partnership Preferred Securities other securities having substantially the same terms as the Partnership Preferred Securities (the "Partnership Successor Securities") so long as the Partnership Successor Securities are not junior to any other equity securities of the successor entity, with respect to participation in the profits and distributions, and in the assets, of the successor entity, (ii) the Investment Affiliates expressly acknowledge such successor entity as the holder of the Affiliate Investment Instruments, (iii) the Partnership Preferred Securities or any Successor Securities are listed, or any Successor Securities will be listed upon notification of issuance, on any national securities exchange or other organization on which the Partnership Preferred

47

Securities, if so listed, are then listed, (iv) such merger, consolidation, amalgamation or replacement does not cause the Trust Preferred Securities (or, in the event that the Trust is liquidated in connection with a Trust Special Event, the Partnership Preferred Securities (including any Partnership Successor Securities) to be downgraded by any nationally recognized statistical rating organization, (v) such merger, consolidation, amalgamation or replacement does not adversely affect the powers, preferences and other special rights of the holders of the Trust Preferred Securities or Partnership Preferred Securities (including any Partnership Successor Securities) in any material respect (other than, in the case of the Partnership Preferred Securities, with respect to any dilution of the holders' interest in the new resulting entity), (vi) such successor entity has a purpose substantially identical to that of the Partnership, (vii) prior to such merger, consolidation, amalgamation or replacement, the Company has received an opinion of nationally recognized independent counsel to the Partnership experienced in such matters to the effect that (A) such successor entity will be treated as a partnership for United States federal income tax purposes, (B) such merger, consolidation, amalgamation or replacement would not cause the Trust to be classified as an association taxable as a corporation for United States federal income tax purposes, (C) following such merger, consolidation, amalgamation or replacement, the Company and such successor entity will be in compliance with the 1940 Act without registering thereunder as an investment company, and (D) such merger, consolidation, amalgamation or replacement will not adversely affect the limited liability of the holders of the Partnership Preferred Securities and (viii) the Company guarantees the obligations of such successor entity under the Partnership Successor Securities at least to the extent provided by the Partnership Guarantee.

BOOK-ENTRY AND SETTLEMENT

If the Partnership Preferred Securities are distributed to holders of Trust Preferred Securities in connection with the involuntary or voluntary dissolution, winding-up or liquidation of the Trust as a result of the occurrence of a Trust Special Event, the Partnership Preferred Securities will be issued in the form of one or more global certificates (each a "Global Partnership Security") registered in the name of DTC as the depository or its nominee. For a description of DTC and the specific terms of the Depository arrangements, see "Description of the Trust Preferred Securities -- Book-Entry Only Issuance -- The Depository Trust Company". As of the date of this Prospectus, the description therein of DTC's book-entry system and DTC's practices as they relate to purchases, transfers, notices and payments with respect to the Trust Preferred Securities apply in all material respects to any Partnership Preferred Securities represented by one or more Global Partnership Securities.

REGISTRAR, TRANSFER AGENT AND PAYING AGENT

The General Partner will act as registrar, transfer agent and paying agent for the Partnership Preferred Securities for so long as the Partnership Preferred Securities are held by the Trust or, if the Trust is liquidated in connection with a Trust Special Event, for so long as the Partnership Preferred Securities remain in book-entry only form. In the event the Partnership Preferred Securities are distributed in connection with a Trust Special Event and the book-entry system for the Partnership Preferred Securities is discontinued, it is anticipated that The Chase Manhattan Bank or one of its affiliates will act as registrar, transfer agent and paying agent for the Partnership Preferred Securities.

Registration of transfers of Partnership Preferred Securities will be effected without charge by or on behalf of the Partnership, but upon payment (with the giving of such indemnity as the Partnership or the General Partner may require) in respect of any tax or other governmental charges that may be imposed in relation to it.

The Partnership will not be required to register or cause to be registered the transfer of Partnership Preferred Securities after such Partnership Preferred Securities have been called for redemption.

MISCELLANEOUS

The General Partner is authorized and directed to conduct its affairs and to operate the Partnership in such a way that (i) the Partnership will not be deemed to be an "investment company" required to be registered under the 1940 Act or characterized as an association taxable as a corporation for United States federal income tax purposes, (ii) the Affiliate Investment Instruments that are debt instruments will be treated as indebtedness of the issuer of such debt instruments for United States federal income tax purposes and (iii) the Partnership will not be treated as an association or as a "publicly traded partnership" (within the meaning of Section 7704 of the Code) taxable as a corporation. In this connection, the General Partner is authorized to take any action, not inconsistent with applicable law, the certificate of limited partnership of the Partnership or the Limited Partnership Agreement, that the General Partner determines in its discretion to be necessary or desirable for such purposes as long as such action does not adversely affect the interests of the holders of the Partnership Preferred Securities.

DESCRIPTION OF THE PARTNERSHIP GUARANTEE

Set forth below is a summary of information concerning the Partnership Guarantee that will be executed and delivered by the Company for the benefit of the holders from time to time of Partnership Preferred Securities. The summary does not purport to be complete and is subject in all respects to the provisions of, and is qualified in its entirety by reference to, the Partnership Guarantee, which is filed as an exhibit to the Registration Statement of which this Prospectus is a part. The General Partner will hold the Partnership Guarantee for the benefit of the holders of the Partnership Preferred Securities.

GENERAL

Pursuant to the Partnership Guarantee, the Company will irrevocably agree, on a subordinated basis to the extent set forth therein, to pay in full to the holders of the Partnership Preferred Securities (without duplication of amounts theretofore paid by the Partnership), as and when due, regardless of any defense, right of set-off or counterclaim that the Partnership may have or assert, the following payments (the "Partnership Guarantee Payments"): (i) any accumulated and unpaid distributions that have theretofore been declared on the Partnership Preferred Securities out of funds legally available therefor, (ii) the redemption price with respect to any Partnership Preferred Securities called for redemption by the Partnership out of funds legally available therefor, and (iii) upon a liquidation of the Partnership, the lesser of (a) the aggregate of the liquidation preference and all accumulated and unpaid distributions on the Partnership Preferred Securities to the date of payment and (b) the amount of assets of the Partnership, after satisfaction of all liabilities, remaining available for distribution to holders of Partnership Preferred Securities in liquidation of the Partnership. The Company's obligation to make a Partnership Guarantee Payment may be satisfied by direct payment of the required amounts by the Company to the holders of Partnership Preferred Securities or by causing the Partnership to pay such amounts to such holders.

The Partnership Guarantee will be a guarantee on a subordinated basis with respect to the Partnership Preferred Securities from the time of issuance of such Partnership Preferred Securities but will not apply to any payment of distributions or Redemption Price, or to payments upon the dissolution, winding-up or termination of the Trust, except to the extent the Partnership shall have funds available therefor. If Investment Affiliates (including, where applicable, the Company, as guarantor) of the Affiliate Investment Instruments in which the Partnership invests fail to make any payment in respect of such securities (or, if applicable, guarantees), the Partnership may not declare or pay dividends on the Partnership Preferred Securities. In such event, holders of the Partnership Preferred Securities would not be able to rely upon the Partnership Guarantee for payment of such amounts. Instead, holders of the Partnership Preferred Securities will have the remedies described herein under "Description of the Partnership Preferred Securities -- Partnership Enforcement Events," including the right to direct the General Partner or the

Special Representative, as the case may be, to enforce the covenant restricting certain payments by the Company and Finance Subsidiaries. See "-- Covenants of the Company" below.

The Guarantees, when taken together with the Company Debenture and the Company's obligations to pay all fees and expenses of the Trust and the Partnership, constitute a guarantee to the extent set forth herein by the Company of the distribution, redemption and liquidation payments payable to the holders of the Trust Preferred Securities. The Guarantees do not apply, however, to current distributions by the Partnership unless and until such distributions are declared by the Partnership out of funds legally available for payment or to liquidating distributions unless there are assets available for payment in the Partnership, each as more fully described under "Risk Factors--Insufficient

Income or Assets Available to Partnership".

COVENANTS OF THE COMPANY

The Company will covenant in the Partnership Guarantee that if (a) for any distribution period, full distributions on a cumulative basis on any Partnership Preferred Securities have not been paid or declared and set apart for payment, (b) an Investment Event of Default by any Investment Affiliate in respect of any Affiliate Investment Instrument has occurred and is continuing or (c) the Company is in default of its obligations under the Trust Guarantee, the Partnership Guarantee or any Investment Guarantee, then, during such period (i) the Company shall not declare or pay dividends on, make distributions with respect to, or redeem, purchase or acquire, or make a liquidation payment with respect to any of its capital stock or comparable equity interest (except for (x) dividends or distributions in shares of, or options, warrants or rights to subscribe for or purchase shares of, its capital stock, and conversions or exchanges of common stock of one class into common stock of another class, (y) redemptions or purchases of any rights pursuant to the Rights Agreement and the issuance of preferred stock pursuant to such rights and (z) purchases or acquisitions by the Company or its affiliates in connection with transactions effected by or for the account of customers of the Company or any of its subsidiaries or in connection with the distribution or trading of such capital stock or comparable equity interest) and (ii) the Company shall not make, permit any Finance Subsidiary to make, or make any payments that would enable any Finance Subsidiary to make, any payment of any dividends on, any distribution with respect to, or any redemption, purchase or other acquisition of, or any liquidation payment with respect to any preferred security or comparable equity interest of any Finance Subsidiary.

EVENTS OF DEFAULT; ENFORCEMENT OF PARTNERSHIP GUARANTEE

An event of default under the Partnership Guarantee will occur upon the failure of the Company to perform any of its payment or other obligations thereunder.

The holders of a majority in liquidation amount of the Partnership Preferred Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Special Representative in respect of the Partnership Guarantee or to direct the exercise of any trust or power conferred upon the Special Representative under the Partnership Guarantee. If the Special Representative fails to enforce its rights under the Partnership Guarantee, after a holder of Partnership Preferred Securities has made a written request, such holder of Partnership Preferred Securities may institute a legal proceeding directly against the Company to enforce the Special Representative's rights under the Partnership Guarantee without first instituting a legal proceeding against the Partnership, the Special Representative or any other person or entity. Notwithstanding the foregoing, if the Company has failed to make a guarantee payment, a holder of Partnership Preferred Securities may directly institute a proceeding against the Company for enforcement of the Partnership Guarantee for such payment.

50

STATUS OF THE PARTNERSHIP GUARANTEE; SUBORDINATION

The Partnership Guarantee will constitute an unsecured obligation of the Company and will rank subordinate and junior to all other liabilities of the Company and will rank PARI PASSU with the most senior preferred stock issued from time to time by the Company and with any guarantee now or hereafter entered into by the Company in respect of any preferred stock of any Finance Subsidiary. The Limited Partnership Agreement provides that each holder of Partnership Preferred Securities by acceptance thereof agrees to the subordination provisions and other terms of the Partnership Guarantee.

The Partnership Guarantee will constitute a guarantee of payment and not of collection (that is, the guaranteed party may directly institute a legal proceeding against the Company to enforce its rights under the Partnership Guarantee without instituting a legal proceeding against any other person or entity).

The Partnership Guarantee will be deposited with the General Partner to be held for the benefit of the holders of the Partnership Preferred Securities. In the event of the appointment of a Special Representative to, among other things, enforce the Partnership Guarantee, the Special Representative may take possession of the Partnership Guarantee for such purpose. If no Special Representative has been appointed to enforce the Partnership Guarantee, the General Partner has the right to enforce the Partnership Guarantee on behalf of the holders of the Partnership Preferred Securities.

AMENDMENTS AND ASSIGNMENT

Except with respect to any changes that do not adversely affect the rights of holders of Partnership Preferred Securities (in which case no consent will be

required), the Partnership Guarantee may be amended only with the prior approval of the holders of not less than a majority in liquidation preference of the outstanding Partnership Preferred Securities. All guarantees and agreements contained in the Partnership Guarantee shall bind the successors, assigns, receivers, trustees and representatives of the Company and shall inure to the benefit of the holders of the Partnership Preferred Securities then outstanding. Except in connection with any permitted merger or consolidation of the Company with or into another entity or any permitted sale, transfer or lease of the Company's assets to another entity as described above under "Description of the Partnership Preferred Securities -- Merger, Consolidation or Amalgamation of the Partnership", the Company may not assign its rights or delegate its obligations under the Partnership Guarantee without the prior approval of the holders of at least a majority of the aggregate stated liquidation amount of the Partnership Preferred Securities then outstanding.

TERMINATION OF THE PARTNERSHIP GUARANTEE

The Partnership Guarantee will terminate and be of no further force and effect as to the Partnership Preferred Securities upon (i) full payment of the redemption price of all Partnership Preferred Securities or (ii) full payment of the amounts payable in accordance with the Limited Partnership Agreement upon liquidation of the Partnership. The Partnership Guarantee will continue to be effective or will be reinstated, as the case may be, if at any time any holder of Partnership Preferred Securities must in accordance with the Partnership Act restore payment of any sums paid under the Partnership Preferred Securities or the Partnership Guarantee. The Partnership Act provides that a limited partner of a limited partnership who wrongfully receives a distribution may be liable to the limited partnership for the amount of such distribution.

GOVERNING LAW

The Partnership Guarantee will be governed by and construed in accordance with the internal laws of the State of New York.

51

CERTAIN FEDERAL INCOME TAX CONSIDERATIONS

GENERAL

In the opinion of Brown & Wood LLP, tax counsel to the Company, the Trust and the Partnership ("Tax Counsel"), the following summary accurately describes the material United States federal income tax consequences that may be relevant to the purchase, ownership and disposition of Trust Preferred Securities. Unless otherwise stated, this summary deals only with Trust Preferred Securities held as capital assets by United States Persons (defined herein) who purchase the Trust Preferred Securities upon original issuance. As used herein, a "United States Person" means a person that is a citizen or resident of the United States, a corporation, partnership or other entity created or organized in or under the laws of the United States or any political subdivision thereof, or an estate or trust as defined in section 7701(a)(30) of the Internal Revenue Code of 1986, as amended (the "Code"). The tax treatment of a holder may vary depending on its particular situation. This summary does not address all the tax consequences that may be relevant to holders who may be subject to special tax treatment, such as banks, real estate investment trusts, regulated investment companies, insurance companies, dealers in securities or currencies, tax-exempt investors, or foreign investors. This summary does not include any description of any alternative minimum tax consequences or the tax laws of any state or local government or of any foreign government that may be applicable to the Trust Preferred Securities. This summary is based on the Code, the Treasury regulations promulgated thereunder and administrative and judicial interpretations thereof, as of the date hereof, all of which are subject to change, possibly on a retroactive basis.

The Trust Preferred Securities are not being marketed to persons that are not United States Persons ("non-United States Persons") and, consequently, the following discussion does not discuss the tax consequences that might be relevant to non-United States Persons. Moreover, in order to protect the Trust and the Partnership from potential adverse consequences, non-United States Persons will be subject to withholding on distributions on the Trust Preferred Securities held by such non-United States Persons at a rate of 30%. In determining a holder's status, the United States entity otherwise required to withhold taxes may rely on an IRS form W-8, an IRS form W-9, or a holder's certification of its non-foreign status signed under penalty of perjury. NON-UNITED STATES PERSONS SHOULD CONSULT THEIR TAX ADVISORS AS TO THE SPECIFIC UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE PURCHASE, OWNERSHIP, AND DISPOSITION OF TRUST PREFERRED SECURITIES.

Tax Counsel has advised that there is no authority directly on point dealing with securities such as the Trust Preferred Securities or transactions of the type described herein and that the opinions of Tax Counsel are not binding on the Internal Revenue Service ("IRS") or the courts, either of which could take a contrary position. No rulings have been or will be sought from the IRS. Accordingly, there can be no assurance that the IRS will not challenge the opinions expressed herein or that a court would not sustain such a challenge. Nevertheless, Tax Counsel has advised that it is of the view that, if

challenged, the opinions expressed herein would be sustained by a court with jurisdiction in a properly presented case.

HOLDERS SHOULD CONSULT THEIR TAX ADVISORS WITH RESPECT TO THE TAX CONSEQUENCES TO THEM OF THE PURCHASE, OWNERSHIP AND DISPOSITION OF THE TRUST PREFERRED SECURITIES, INCLUDING THE TAX CONSEQUENCES UNDER STATE, LOCAL, FOREIGN, AND OTHER TAX LAWS AND THE POSSIBLE EFFECTS OF CHANGES IN UNITED STATES FEDERAL OR OTHER TAX LAWS. FOR A DISCUSSION OF THE POSSIBLE REDEMPTION OF THE TRUST PREFERRED SECURITIES OR REDEMPTION OF THE PARTNERSHIP PREFERRED SECURITIES UPON THE OCCURRENCE OF CERTAIN TAX EVENTS SEE "DESCRIPTION OF THE TRUST PREFERRED SECURITIES -- TRUST SPECIAL EVENT REDEMPTION OR DISTRIBUTION" AND "DESCRIPTION OF THE PARTNERSHIP PREFERRED SECURITIES -- PARTNERSHIP SPECIAL EVENT REDEMPTION" RESPECTIVELY.

52

CLASSIFICATION OF THE TRUST

Tax Counsel is of the opinion that, under current law, and based on certain representations, facts and assumptions set forth in such opinion, the Trust will be classified for United States federal income tax purposes as a grantor trust and not as an association taxable as a corporation. Accordingly, for United States federal income tax purposes, each holder of Trust Preferred Securities will be considered the owner of an undivided interest in the Partnership Preferred Securities held by the Trust, and each holder will be required to include in its gross income its distributive share of income attributable to the Partnership, which generally will be equal to such holder's allocable share of amounts accrued on the Partnership Preferred Securities. Unless the Partnership invests in the stock of certain Investment Affiliates (for example, after repayment of the Debentures), no amount included in income with respect to the Trust Preferred Securities will be eligible for the corporate dividends-received deduction.

CLASSIFICATION OF THE PARTNERSHIP

Tax Counsel is of the opinion that, under current law, and based on certain representations, facts and assumptions set forth in such opinion, the Partnership will be classified for United States federal income tax purposes as a partnership and not as an association or publicly traded partnership taxable as a corporation.

Tax Counsel's opinion is based on certain factual assumptions relating to the organization and operation of the Partnership and is conditioned upon certain representations made by the General Partner and the Partnership as to factual matters, such as the organization and the operation of the Partnership and the type and frequency of investments made by the Partnership.

The General Partner has represented that it intends to operate the Partnership in a manner such that it will continue to constitute a partnership for all future taxable periods in which any Partnership Preferred Securities remain outstanding. In particular, pursuant to the Limited Partnership Agreement, the General Partner is prohibited from taking any action that would cause the Partnership to constitute a "publicly traded partnership" taxable as a corporation under section 7704(a) of the Code. Accordingly, it is expected that the Partnership will continue to qualify as a partnership, and therefore will not constitute a publicly traded partnership taxable as a corporation, for all taxable years in which the Partnership Preferred Securities remain outstanding.

CLASSIFICATION OF THE DEBENTURES

The Partnership, the Company, the relevant Investment Affiliates and the holders of the Trust Securities (by acceptance of a beneficial interest in a Trust Security) will agree to treat the Debentures as indebtedness of the relevant issuer for all United States tax purposes. In connection with the issuance of the Debentures, Tax Counsel will issue its opinion that, under current law, and based on certain representations, facts and assumptions set forth in such opinion, the Debentures will be classified as indebtedness of the relevant issuer for United States federal income tax purposes.

INCOME AND DEDUCTIONS

A holder's distributive share of income attributable to the Partnership generally will equal the amount of the cash distributions that accumulate with respect to the Trust Preferred Securities. Accordingly, if quarterly distributions on the Trust Preferred Securities are paid currently, the amount of income recognized by a holder during a taxable year generally will equal the cash distributions received by the holder with respect to its Trust Preferred Securities.

53

The nature and timing of the income that is allocated to holders of Trust Preferred Securities will, however, depend on the United States federal income

tax characterization of the investments held by the Partnership during the period in question. Because the Partnership will be an accrual basis taxpayer for United States federal income tax purposes, income will accrue on the Trust Preferred Securities and will be allocated to holders of Trust Preferred Securities on a daily accrual basis, generally at a rate that is expected to be equal to (and that will not be greater than) the distribution rate on the Trust Preferred Securities, regardless of the holders' method of accounting. Actual cash distributions on the Trust Preferred Securities will not, however, be separately reported as taxable income to the holders at the time they are received.

If distributions on the Partnership Preferred Securities are not made currently, the corresponding distributions on the Trust Preferred Securities will not be made currently. Because the Partnership is an accrual basis taxpayer it can be expected that during a period in which interest payments on the Debentures or distributions on the Partnership Preferred Securities are deferred (for whatever reason), holders will generally recognize income in advance of their receipt of any cash distributions with respect to their Trust Preferred Securities. The amount of income that will be allocated to holders of Trust Preferred Securities during any such deferral period will equal their pro rata share of the amount of distributions accruing on the Partnership Preferred Securities during such deferral period.

The Partnership does not presently intend to make an election under Section 754 of the Code. Accordingly, a subsequent purchaser of Trust Preferred Securities will not be permitted to adjust the tax basis in his allocable share of the Partnership's assets so as to reflect any difference between his purchase price for the Trust Preferred Securities and his share of the Partnership's underlying tax basis in its assets. As a result, a holder of Trust Preferred Securities may be required to report a larger or smaller amount of income from holding the Trust Preferred Securities than would otherwise be appropriate based upon the holder's purchase price for the Trust Preferred Securities.

RECEIPT OF PARTNERSHIP PREFERRED SECURITIES UPON LIQUIDATION OF THE TRUST

Under certain circumstances, as described under the caption "Description of the Trust Preferred Securities -- Trust Special Event Redemption or Distribution", Partnership Preferred Securities may be distributed to holders of Trust Preferred Securities in exchange for their Trust Preferred Securities and in liquidation of the Trust. Unless the liquidation of the Trust occurs as a result of the Trust being subject to United States federal income tax with respect to income accrued or received on the Partnership Preferred Securities, such a distribution to holders would, for United States federal income tax purposes, be treated as a nontaxable event to each holder, each holder would receive an aggregate tax basis in the Partnership Preferred Securities equal to such holder's aggregate tax basis in its Trust Preferred Securities, and a holder's holding period in the Partnership Preferred Securities so received in liquidation of the Trust would include the period during which the Trust Preferred Securities were held by such holder. If, however, the liquidation of the Trust were to occur because the Trust is subject to United States federal income tax with respect to income accrued or received on the Partnership Preferred Securities, the distribution of Partnership Preferred Securities to holders by the Trust would likely be a taxable event to each holder, and a holder would recognize gain or loss as if the holder had exchanged its Trust Preferred Securities for the Partnership Preferred Securities it received upon the liquidation of the Trust. Such gain or loss would be equal to the difference between the holder's aggregate tax basis in its Trust Preferred Securities surrendered in the exchange and the aggregate fair market value of the Partnership Preferred Securities received in the exchange.

54

REDEMPTION OF TRUST PREFERRED SECURITIES FOR CASH

Under certain circumstances, as described under the caption "Description of the Trust Preferred Securities -- Optional Redemption", "Description of the Trust Preferred Securities -- Trust Special Event Redemption or Distribution" and "Description of the Partnership Preferred Securities -- Partnership Special Event Redemption", the General Partner may cause the Partnership to redeem the Partnership Preferred Securities for cash, in which event the Trust would use the proceeds of such redemption to redeem the Trust Preferred Securities. Under current law, such a redemption would constitute, for United States federal income tax purposes, a taxable disposition, and a holder would recognize gain or loss as if it sold the holder's proportionate interest in the redeemed Partnership Preferred Securities for an amount of cash equal to the proceeds received upon redemption. See "-- Disposition of Trust Preferred Securities".

DISPOSITION OF TRUST PREFERRED SECURITIES

A holder that sells Trust Preferred Securities will recognize gain or loss equal to the difference between the amount realized on the sale of the Trust Preferred Securities and the holder's adjusted tax basis in such Trust Preferred Securities. Such gain or loss will be a capital gain or loss and will be a long-

term capital gain or loss if the Trust Preferred Securities have been held for more than one year at the time of the sale. A holder will be required to include accumulated but unpaid distributions on the Partnership Preferred Securities through the date of disposition in income as ordinary income, and to add such amount to the adjusted tax basis of its Trust Preferred Securities.

A holder's tax basis in its Trust Preferred Securities generally will equal (i) the amount paid by such holder for its Trust Preferred Securities, (ii) increased by the amount includible in income by such holder with respect to its Trust Preferred Securities, and (iii) reduced by the amount of cash or other property distributed to such holder with respect to its Trust Preferred Securities. A holder who acquires Trust Preferred Securities at different prices may be required to maintain a single aggregate adjusted tax basis in all of his Trust Preferred Securities and, upon sale or other disposition of some of such Trust Preferred Securities, to allocate a PRO RATA portion of such aggregate tax basis to the Trust Preferred Securities sold (rather than maintaining a separate tax basis in each Trust Preferred Security for purposes of computing gain or loss on a sale of that Trust Preferred Security).

OTHER PARTNERSHIP PROVISIONS

SECTION 708. Under Section 708 of the Code, the Partnership will be deemed to terminate for United States federal income tax purposes if 50% or more of the capital and profits interests in the Trust are sold or exchanged within a 12-month period. If such a deemed termination were to occur, the Partnership would be considered to have distributed its assets to the partners who would then be treated as having recontributed those assets to a new partnership. If any such constructive termination occurs, the General Partner does not intend to comply with certain technical requirements that might be applicable for various reasons including the likely lack of relevant data. As a result, the Partnership may be subject to certain tax penalties and may incur additional expenses, which would be the obligation of the General Partner. Proposed Treasury regulations, should they become effective, would mitigate some of the effects of a constructive termination.

SECTION 701. The Department of Treasury has promulgated regulations under Section 701 of the Code that permit it to recast a transaction or disregard a partnership if a partnership is "formed or availed of in connection with a transaction a principal purpose of which is to reduce substantially the present value of the partners' aggregate federal tax liability in a manner that is inconsistent with the intent of [the partnership provisions of the Code]." The Partnership has been formed for, and will engage in, activities typical for partnerships. Although there is no precedent that applies to the transactions contemplated

55

herein, Tax Counsel believes that the Partnership is not of the type intended to fall within the scope of these regulations.

INFORMATION REPORTING AND BACKUP WITHHOLDING

Income on the Trust Preferred Securities will be reported to holders on an IRS Form 1099, which form should be mailed to holders of Trust Preferred Securities by January 31 following each calendar year. Payments made on and proceeds from the sale of Trust Preferred Securities may be subject to a "back-up" withholding tax of 31% unless the holder complies with certain identification requirements. Any withheld amount generally will be allowed as a credit against the holder's United States federal income tax, provided the required information is timely filed with the IRS.

PROPOSED LEGISLATION

On March 19, 1996, as part of President Clinton's Fiscal 1997 Budget Proposal, the Treasury Department proposed legislation that would, among other things, deny the borrower an interest deduction with respect to certain types of debt instruments that are payable in stock of the issuer or a related party. The Proposed Legislation also would treat as equity for United States federal income tax purposes instruments with a maximum term of more than 20 years that are not shown as indebtedness on the consolidated balance sheet of the issuer. On March 29, 1996, Senate Finance Committee Chairman William V. Roth and House Ways and Means Committee Chairman Bill Archer issued a joint statement indicating their intent that certain legislative proposals initiated by the Clinton administration, including the Proposed Legislation, that may be adopted by either of the tax-writing committees of Congress, would have an effective date that is no earlier than the date of "appropriate Congressional action". In addition, subsequent to the publication of the Joint Statement, Senator Daniel Patrick Moynihan and Representatives Sam M. Gibbons and Charles B. Rangel wrote letters to Treasury Department officials concurring with the view expressed in the Joint Statement. If the principles contained in the Joint Statement and the Democrat Letters were followed and the Proposed Legislation were enacted, such legislation would not apply to the Debentures. There can be no assurances, however, that legislation enacted after the date hereof will not adversely affect the tax treatment of the Debentures, or whether such tax treatment would

cause a Partnership Tax Event or a Trust Tax Event that may result in the redemption of the Partnership Preferred Securities and, consequently, the Trust Preferred Securities.

56
UNDERWRITING

Subject to the terms and conditions set forth in a purchase agreement (the "Purchase Agreement"), the Trust has agreed to sell to each of the Underwriters named below, and each of the Underwriters, for whom Merrill Lynch, Pierce, Fenner & Smith Incorporated, A.G. Edwards & Sons, Inc., Dean Witter Reynolds Inc., PaineWebber Incorporated, Prudential Securities Incorporated and Smith Barney Inc. are acting as representatives (the "Representatives"), has severally agreed to purchase the number of Trust Preferred Securities set forth opposite its name below. In the Purchase Agreement, the several Underwriters have agreed, subject to the terms and conditions set forth therein, to purchase all the Trust Preferred Securities offered hereby if any of the Trust Preferred Securities are purchased. In the event of default by an Underwriter, the Purchase Agreement provides that, in certain circumstances, the purchase commitments of the non-defaulting Underwriters may be increased or the Purchase Agreement may be terminated.

The Underwriters propose to offer the Trust Preferred Securities, in part, directly to the public at the initial public offering price set forth on the cover page of this Prospectus, and, in part, to certain securities dealers at such price less a concession of \$ per Trust Preferred Security. The Underwriters may allow, and such dealers may re-allow, a concession not in excess of \$ per Trust Preferred Security to certain brokers and dealers. After the Trust Preferred Securities are released for sale to the public, the offering price and other selling terms may from time to time be varied by the Representatives.

In view of the fact that the proceeds of the sale of the Trust Preferred Securities will ultimately be used to purchase the investment instruments of the Company and its subsidiaries, the Purchase Agreement provides that the Company will pay as compensation ("Underwriters' Compensation") to the Underwriters, an amount in immediately available funds of \$ per Trust Preferred Security (or \$ in the aggregate) for the accounts of the several Underwriters; provided that, such compensation for sales of 10,000 or more Trust Preferred Securities to any single purchaser will be \$ per Trust Preferred Security. Therefore, to the extent of such sales, the actual amount of Underwriters' Compensation will be less than the aggregate amount specified in the preceding sentence.

Application will be made to list the Trust Preferred Securities on the New York Stock Exchange. Trading of the Trust Preferred Securities on the New York Stock Exchange is expected to commence within a 30-day period after the initial delivery of the Trust Preferred Securities. The Representatives have advised the Trust that they intend to make a market in the Trust Preferred Securities prior to the commencement of trading on the New York Stock Exchange. The Representatives will have no obligation to make a market in the Trust Preferred Securities, however, and may cease market making activities, if commenced, at any time.

Prior to this offering there has been no public market for the Trust Preferred Securities. In order to meet one of the requirements for listing the Trust Preferred Securities on the New York Stock Exchange, the Underwriters will undertake to sell lots of 100 or more Trust Preferred Securities to a minimum of

The Trust, the Company, and the Partnership have agreed to indemnify the Underwriters against, or contribute to payments that the Underwriters may be required to make in respect of, certain liabilities, including liabilities under the Securities Act of 1933, as amended.

Because Merrill Lynch, Pierce, Fenner & Smith Incorporated, one of the Underwriters in the offering, is an affiliate of the Company and a member of the National Association of Dealers, Inc. ("NASD"), the offering of Trust Preferred Securities will be conducted pursuant to Rule 2720 of the Conduct Rules of the NASD. The Underwriters may not confirm sales to any discretionary account without the prior specific written approval of the customer.

LEGAL MATTERS

Certain matters of Delaware law relating to the legality of the Trust Preferred Securities, the validity of the Trust Agreement, the formation of the Trust and the Partnership and the legality under state law of the Trust Preferred Securities and the Partnership Preferred Securities are being passed upon by Skadden, Arps, Slate, Meagher & Flom LLP, special Delaware counsel to the Trust, the Partnership and the Company. The legality under state law of the Trust Guarantee, the Partnership Guarantee, the Company Debenture and the Investment Guarantees with respect to the Affiliate Debentures will be passed upon on behalf of the Trust, the Partnership and the Company by Brown & Wood LLP, New York, New York. The validity of the Trust Preferred Securities, the Partnership Preferred Securities and the Trust Guarantee and the Partnership Guarantee will be passed upon on behalf of the Underwriters by Skadden, Arps, Slate, Meagher & Flom LLP, New York, New York, counsel to the Underwriters.

ITEM 17. UNDERTAKINGS.

The undersigned registrants hereby undertake:

1. that for purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this Registration Statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrants pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this Registration Statement as of the time it was declared effective;

2. that for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof; and

3. that for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of a registrant pursuant to the foregoing provisions or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted against a registrant by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
