CLASS A 7.80%

ASSET BACKED CERTIFICATE, SERIES 2000-E

Evidencing an Undivided Interest in a trust, the corpus of which consists of a portfolio of MasterCard registered trademark and VISA registered trademark credit card receivables generated or acquired by MBNA America Bank, National Association and other assets and interests constituting the Trust under the Pooling and Servicing Agreement described below.

(Not an interest in or obligation of
MBNA America Bank, National Association
or any Affiliate thereof.)

This certifies that CEDE & CO. (the "Class A Certificateholder") is the registered owner of an Undivided Interest in a trust (the "Trust"), the corpus of which consists of a portfolio of receivables (the "Receivables") now existing or hereafter created and arising in connection with selected MasterCard and VISA credit card accounts (the "Accounts") of MBNA America Bank, National Association, a national banking association organized under the laws of the United States, all monies due or to become due in payment of the Receivables (including all Finance Charge Receivables but excluding recoveries on any charged-off Receivables), the right to certain amounts received as Interchange with respect to the Accounts, the benefits of the Collateral Interest and the other assets and interests constituting the Trust pursuant to a Pooling and Servicing Agreement dated as of August 4, 1994, as amended as of March 11, 1996, as of June 2, 1998 and as of January 10, 1999, as supplemented by the Series 2000-E Supplement dated as of June 1, 2000 (collectively, the "Pooling and Servicing Agreement"), by and between MBNA America Bank, National Association, as Seller (the "Seller") and as Servicer (the "Servicer"), and The Bank of New York, as Trustee (the "Trustee"), a summary of certain of the pertinent provisions of which is set forth hereinbelow. The Series 2000-E Certificates are issued in two classes, the Class A Certificates (of which this certificate is one) and the Class B Certificates, which are subordinated to the Class A Certificates in certain rights of payment as described herein and in the Pooling and Servicing Agreement.

The Seller has structured the Pooling and Servicing Agreement and the Series 2000-E Certificates with the intention that the Series 2000-E Certificates will qualify under applicable tax law as indebtedness, and each of the Seller, the Holder of the Seller Interest, the Servicer and each Series 2000-E Certificateholder (or Series 2000-E Certificate Owner) by acceptance of its Series 2000-E Certificate (or in the case of a Series 2000-E Certificate Owner, by virtue of such Series 2000-E Certificate Owner's acquisition of a beneficial interest therein), agrees to treat and to take no action inconsistent with the treatment of the Series 2000-E Certificates (or any beneficial interest therein) as indebtedness for purposes of federal, state, local and foreign income or franchise taxes and any other tax imposed on or measured by income. Each Series 2000-E Certificateholder agrees that it will cause any Series 2000-E Certificate Owner acquiring an interest in a Series 2000-E Certificate through it to comply with the Pooling and Servicing Agreement as to treatment of the Series 2000-E Certificates as indebtedness for certain tax purposes.

To the extent not defined herein, capitalized terms used herein have the respective meanings assigned to them in the Pooling and

Servicing Agreement. This Class A Certificate is issued under and is subject to the terms, provisions and conditions of the Pooling and Servicing Agreement, to which Pooling and Servicing Agreement, as amended from time to time, the Class A Certificateholder by virtue of the acceptance hereof assents and by which the Class A Certificateholder is bound.

Although a summary of certain provisions of the Pooling and Servicing Agreement is set forth below, this Class A Certificate is qualified in its entirety by the terms and provisions of the Pooling and Servicing Agreement and reference is made to that Pooling and Servicing Agreement for information with respect to the interests, rights, benefits, obligations, proceeds, and duties evidenced hereby and the rights, duties and obligations of the Trustee.

Interest will accrue on the Class A Certificates at the rate of 7.80% per annum from and including the Closing Date, as more specifically set forth in the Pooling and Servicing Agreement, and will be distributed on July 17, 2000 and on the 15th day of each calendar month thereafter, or if such day is not a Business Day, on the next succeeding Business Day (a "Distribution Date"), to the Class A Certificateholders of record as of the last Business Day of the calendar month preceding such Distribution Date. During the Rapid Amortization Period, in addition to Class A Monthly Interest, Class A Monthly Principal will be distributed to the Class A Certificateholders on each Distribution Date commencing in the month following the commencement of the Rapid Amortization Period until the Class A Certificates have been paid in full. During the Controlled Accumulation Period and the Rapid Accumulation Period, in addition to monthly payments of Class A Monthly Interest, the amount on deposit in the Principal Funding Account (but not in excess of the Class A Investor Interest) will be distributed as principal to the Class A Certificateholders on the May 2010 Distribution Date, unless distributed earlier as a result of the commencement of the Rapid Amortization Period in accordance with the Pooling and Servicing Agreement.

Unless the certificate of authentication hereon has been executed by or on behalf of the Trustee, by manual signature, this Class A Certificate shall not be entitled to any benefit under the Pooling and Servicing Agreement, or be valid for any purpose.

MBNA MASTER CREDIT CARD TRUST II
SERIES 2000-E

SERIES 2000-E SUPPLEMENT, dated as of June 1, 2000 (this "Series Supplement"), by and between MBNA AMERICA BANK, NATIONAL ASSOCIATION, a national banking association, as Seller and Servicer, and THE BANK OF NEW YORK, as Trustee under the Pooling and Servicing Agreement dated as of August 4, 1994 between MBNA America Bank, National Association and the Trustee (as amended, the "Agreement"). Section 6.09 of the Agreement provides, among other things, that the Seller and the Trustee may at any time and from time to time enter into a supplement to the Agreement for the purpose of authorizing the delivery by the Trustee to the Seller for the execution and redelivery to the Trustee for authentication of one or more Series of Certificates.

Pursuant to this Series Supplement, the Seller and the Trust shall create a new Series of Investor Certificates and shall specify the Principal Terms thereof.

SECTION 1. Designation. (a) There is hereby created a Series of Investor Certificates to be issued in two classes pursuant to the Agreement and this Series Supplement and to be known together as the "Series 2000-E Certificates." The two classes shall be designated the Class A 7.80% Asset Backed Certificates, Series 2000-E (the "Class A Certificates") and the Class B 8.15% Asset Backed Certificates, Series 2000-E (the "Class B Certificates"). The Class A Certificates and the Class B Certificates shall be substantially in the form of Exhibits A-1 and A-2 hereto, respectively. In addition, there is hereby created a third Class of an uncertificated interest in the Trust which shall be deemed to be an "Investor Certificate" for all purposes under the Agreement and this Series Supplement, except as expressly provided herein, and which shall be known as the Collateral Interest, Series 2000-E (the "Collateral Interest").

(b) Series 2000-E shall be included in Group One (as defined below). Series 2000-E shall not be subordinated to any other Series.

(c) The Collateral Interest Holder, as holder of an "Investor Certificate" under the Agreement, shall be entitled to the benefits of the Agreement and this Series Supplement upon payment by the Collateral Interest Holder of amounts owing on the Closing Date as agreed to by the Seller and the Collateral Interest Holder. Notwithstanding the foregoing, except as expressly provided herein, (i) the provisions of Article VI and Article XII of the Agreement relating to the registration, authentication, delivery, presentation, cancellation and surrender of Registered Certificates and the opinion described in subsection 6.09(b)(d)(i) and clauses (a) and (c) of the definition of Tax Opinion in Section 1.01 of the Agreement shall not be applicable to the Collateral Interest, and (ii) the provisions of Section 3.07 of the Agreement shall not apply to cause the Collateral Interest to be treated as debt for federal, state and local income and franchise tax purposes, but rather the Seller intends and, together with the Collateral Interest Holder, agrees to treat the Collateral Interest for federal, state and local income and franchise tax purposes as representing an equity interest in the assets of the Trust.

SECTION 2. Definitions.

In the event that any term or provision contained herein shall conflict with or be inconsistent with any provision contained in the Agreement, the terms and provisions of this Series Supplement shall govern. All Article, Section or subsection references herein shall mean Articles, Sections or subsections of the Agreement, except as otherwise provided herein. All capitalized terms not otherwise defined herein are defined in the Agreement. Each capitalized term defined herein shall relate only to the Investor Certificates and no other Series of Certificates issued by the Trust.

"Accumulation Period" shall mean, solely for the purposes of the definition of Group One Monthly Principal Payment as such term

is defined in each Supplement relating to Group One, the Controlled Accumulation Period.

"Accumulation Period Factor" shall mean, for each Monthly Period, a fraction, the numerator of which is equal to the sum of the initial investor interests of all outstanding Series, and the denominator of which is equal to the sum of (a) the Initial Investor Interest, (b) the initial investor interests of all outstanding Series (other than Series 2000-E) which are not expected to be in their revolving periods, and (c) the initial investor interests of all other outstanding Series which are not allocating Shared Principal Collections to other Series and are in their revolving periods; provided, however, that this definition may be changed at anytime if the Rating Agency Condition is satisfied.

"Accumulation Period Length" shall have the meaning assigned such term in subsection 4.09(j).

"Accumulation Shortfall" shall initially mean zero and shall thereafter mean, with respect to any Monthly Period during the Controlled Accumulation Period, the excess, if any, of the Controlled Deposit Amount for the previous Monthly Period over the amount deposited into the Principal Funding Account pursuant to subsections 4.09(e) (i), 4.09(e) (ii) and 4.09(e) (iii) with respect to the Class A Certificates, the Class B Certificates and the Collateral Interest, respectively, for the previous Monthly Period.

"Adjusted Investor Interest" shall mean, with respect to any date of determination, an amount equal to the sum of (a) the Class A Adjusted Investor Interest and (b) the Class B Adjusted Investor Interest and (c) the Collateral Interest Adjusted Amount.

"Aggregate Investor Default Amount" shall mean, with respect to any Monthly Period, the sum of the Investor Default Amounts in respect of such Monthly Period.

"Assignee" shall have the meaning specified in subsection 19(a).

"Available Investor Principal Collections" shall mean with respect to any Monthly Period, an amount equal to (a) the Investor Principal Collections for such Monthly Period, minus (b) the amount of Reallocated Collateral Principal Collections and Reallocated Class B Principal Collections with respect to such Monthly Period which pursuant to Section 4.12 are required to fund the Class A Required Amount and the Class B Required Amount, plus (c) the amount of Shared Principal Collections with respect to Group One that are allocated to Series 2000-E in accordance with subsection 4.13(b).

"Available Reserve Account Amount" shall mean, with respect to any Transfer Date, the lesser of (a) the amount on deposit in the Reserve Account on such date (after taking into account any interest and earnings retained in the Reserve Account pursuant to subsection 4.15(b) on such date), but before giving effect to any deposit made or to be made pursuant to subsection 4.11(i) to the Reserve Account on such date), and (b) the Required Reserve Account Amount.

"Available Swap Reserve Fund Amount" shall mean, with respect to any Transfer Date, the lesser of (a) the amount on deposit in the Swap Reserve Fund on such date (after taking into account any interest and earnings retained in the Swap Reserve Fund pursuant to subsection 4.16(b) on such date), and (b) the Required Swap Reserve Fund Amount.

Adjusted Investor Interest (after taking into account any adjustments to be made on such Transfer Date pursuant to Section 4.10) prior to any deposit into the Principal Funding Account on such Transfer Date.

(b) The amount of monthly principal distributable from the Principal Account with respect to the Class B Certificates on each Transfer Date (the "Class B Monthly Principal"), with respect to the Controlled Accumulation Period or the Rapid Accumulation Period, beginning with the Transfer Date on which an amount equal to the Class A Investor Interest has been deposited in the Principal Funding Account (after taking into account any deposits to be made on such Transfer Date), or during the Rapid Amortization Period, beginning with the Transfer Date immediately preceding the Distribution Date on which the Class A Investor Interest will be paid in full (after taking into account payments to be made on the related Distribution Date), shall be an amount equal to the least of (i) the Available Investor Principal Collections on deposit in the Principal Account with respect to such Transfer Date (minus the portion of such Available Investor Principal Collections applied to Class A Monthly Principal on such Transfer Date), (ii) for each Transfer Date with respect to the Controlled Accumulation Period, the Controlled Deposit Amount for such Transfer Date (minus the Class A Monthly Principal with respect to such Transfer Date) and (iii) the Class B Adjusted Investor Interest (after taking into account any adjustments to be made on such Transfer Date pursuant to Sections 4.10 and 4.12) prior to any deposit into the Principal Funding Account on such Transfer Date.

(c) The amount of monthly principal distributable from the Principal Account with respect to the Collateral Interest on each Transfer Date (the "Collateral Monthly Principal"), with respect to the Controlled Accumulation Period, beginning with the Transfer Date on which an amount equal to the sum of (i) the Class A Investor Interest and (ii) the Class B Investor Interest has been deposited in the Principal Funding Account (after taking into account any deposits to be made on such Transfer Date), or during the Rapid Accumulation Period or the Rapid Amortization Period, beginning with the Transfer Date immediately preceding the Distribution Date on which the Class B Investor Interest will be paid in full (after taking into account payments to be made on the related Distribution Date), shall be an amount equal to the least of (i) the Available Investor Principal Collections on deposit in the Principal Account with respect to such Transfer Date (minus the portion of such Available Investor Principal Collections applied to Class A Monthly Principal and Class B Monthly Principal on such Transfer Date), (ii) for each Transfer Date with respect to the Controlled Accumulation Period, the Controlled Deposit Amount for such Transfer Date (minus the Class A Monthly Principal and Class B Monthly Principal with respect to such Transfer Date) and (iii) the Collateral Interest Adjusted Amount (after taking into account any adjustments to be made on such Transfer Date pursuant to Sections 4.10 and 4.12) prior to any deposit into the Principal Funding Account on such Transfer Date.

SECTION 4.08. Coverage of Required Amount.

(a) On or before each Transfer Date, the Servicer shall determine the amount (the "Class A Required Amount"), if any, by which the sum of (i) the Class A Monthly Interest for such Transfer Date, plus (ii) the Class A Deficiency Amount, if any, for such Transfer Date, plus (iii) the Class A Additional Interest, if any, for such Transfer Date, plus (iv) the Class A Servicing Fee for the prior Monthly Period plus (v) the Class A Servicing Fee, if any, due but not paid on any prior Transfer Date, plus (vi) the Class A Investor Default Amount, if any, for the prior Monthly Period, plus (vii) the Net Swap Payment, if any, for such Transfer Date, plus (viii) the Net Swap Payments, if any, due but not paid on any prior Transfer Date, exceeds the Class A Available Funds for the related Monthly Period.

(b) On or before each Transfer Date, the Servicer shall also determine the amount (the "Class B Required Amount"), if any, equal to the sum of (i) the amount, if any, by which the sum of (A) the Class B Monthly Interest for such Transfer Date, plus (B) the Class B Deficiency Amount, if any, for such Transfer Date, plus (C) the Class B Additional Interest, if any, for such Transfer Date, plus (D) the Class B Servicing Fee for the prior Monthly Period, plus (E) the Class B Servicing Fee, if any, due but not paid on any prior Transfer Date, exceeds the Class B Available Funds for the related Monthly Period, plus (ii) the Class B Investor Default Amount, if any, for the prior Monthly Period.

(c) In the event that the sum of the Class A Required Amount and the Class B Required Amount for such Transfer Date is greater than zero, the Servicer shall give written notice to the Trustee of such positive Class A Required Amount or Class B Required Amount on or before such Transfer Date. In the event that the Class A Required Amount for such Transfer Date is greater than zero, all or a portion of the Excess Spread with respect to such Transfer Date in an amount equal to the Class A Required Amount, to the extent available, for such Transfer Date shall be distributed from the Finance Charge Account on such Transfer Date pursuant to subsection 4.11(a). In the

event that the Class A Required Amount for such Transfer Date exceeds the amount of Excess Spread with respect to such Transfer Date, the Collections of Principal Receivables allocable to the Collateral Interest and the Collections of Principal Receivables allocable to the Class B Certificates with respect to the prior Monthly Period shall be applied as specified in Section 4.12. In the event that the Class B Required Amount for such Transfer Date exceeds the amount of Excess Spread available to fund the Class B Required Amount pursuant to subsection 4.11(c), the Collections of Principal Receivables allocable to the Collateral Interest (after application to the Class A Required Amount) shall be applied as specified in Section 4.12; provided, however, that the sum of any payments pursuant to this paragraph shall not exceed the sum of the Class A Required Amount and the Class B Required Amount.

SECTION 4.09. Monthly Payments. On or before each Transfer Date, the Servicer shall instruct the Trustee in writing (which writing shall be substantially in the form of Exhibit B hereto) to withdraw and the Trustee, acting in accordance with such instructions, shall withdraw on such Transfer Date or the related Distribution Date, as applicable, to the extent of available funds, the amounts required to be withdrawn from the Finance Charge Account, the Principal Account, the Principal Funding Account and the Distribution Account as follows:

(a) A

(iv) an amount equal to the Class A Investor Default Amount, if any, for the preceding Monthly Period shall be treated as a portion of Investor Principal Collections and deposited into the Principal Account on such Transfer Date; and

(v) the balance, if any, shall constitute Excess Spread and shall be allocated and distributed as set forth in Section 4.11.

(b) An amount equal to the Class B Available Funds deposited into the Finance Charge Account for the related Monthly Period will be distributed on each Transfer Date in the following priority:

(ii) an amount equal to the Class B Servicing Fee for such Transfer Date, plus the amount of any Class B Servicing Fee due but not paid to the Servicer on any prior Transfer Date for such Transfer Date shall be distributed to the Servicer; and

(iii) the balance, if any, shall constitute Excess Spread and shall be allocated and distributed as set forth in Section 4.11.

(c) An amount equal to the Collateral Available Funds deposited into the Finance Charge Account for the related Monthly Period will be distributed on each Transfer Date in the following priority:

(i) if the Seller or The Bank of New York is no longer the Servicer, an amount equal to the Collateral Interest Servicing Fee for such Transfer Date plus the amount of any Collateral Interest Servicing Fee due but not paid to the Servicer on any prior Transfer Date shall be distributed to the Servicer; and

(ii) the balance, if any, shall constitute Excess Spread and shall be allocated and distributed as set forth in Section 4.11.

(d) During the Revolving Period, an amount equal to the Available Investor Principal Collections deposited into the Principal Account for the related Monthly Period will be distributed on each Transfer Date in the following priority:

Investor Principal Collections available for sharing as specified in the related Series Supplement for each Series in Group One and (2) the Cumulative Series Principal Shortfall and (B) Available Investor Principal Collections, shall remain in the Principal Account to be treated as Shared Principal Collections and applied to Series in Group One other than this Series 2000-E; and

(ii) an amount equal to the excess, if any, of (A) the Available Investor Principal Collections for such Transfer Date over (B) the applications specified in subsection 4.09(d)(i) above shall be paid to the Holder of the Seller Interest; provided, however, that the amount to be paid to the Holder of the Seller Interest pursuant to this subsection 4.09(d)(ii) with respect to such Transfer Date shall be paid to the Holder of the Seller Interest if, and only to the extent that, the Seller Interest on such Date of Processing is equal to or greater than the Minimum Seller Interest (after giving effect to the inclusion in the Trust of all Receivables created on or prior to such Transfer Date and the application of payments referred to in subsection 4.03(b)) and otherwise shall be considered as Unallocated Principal Collections and deposited into the Principal Account in accordance with subsection 4.05(e).

(e) During the Controlled Accumulation Period, the Rapid Accumulation Period or the Rapid Amortization Period, an amount equal to the Available Investor Principal Collections deposited into the Principal Account for the related Monthly Period will be distributed on each Transfer Date in the following priority:

(i) an amount equal to the Class A Monthly Principal for such Transfer Date, shall be (A) during the Controlled Accumulation Period and the Rapid Accumulation Period, deposited into the Principal Funding Account, and (B) during the Rapid Amortization Period, deposited into the Distribution Account;

(ii) after giving effect to the distribution referred to in clause (i) above, an amount equal to the Class B Monthly Principal, shall be (A) during the Controlled Accumulation Period, deposited into the Principal Funding Account, and (B) during the Rapid Amortization Period and the Rapid Accumulation Period, deposited into the Distribution Account;

(iii) after giving effect to the distributions referred to in clauses (i) and (ii) above, an amount equal to the Collateral Monthly Principal shall be (A) during the Controlled Accumulation Period, deposited into the Principal Funding Account, and (B) during the Rapid Amortization Period and the Rapid Accumulation Period, distributed to the Collateral Interest Holder in accordance with subsection 5.01(c);

(iv) an amount equal to the lesser of (A) the product of (1) a fraction, the numerator of which is equal to the Available Investor Principal Collections remaining after the application specified in subsections 4.09(e)(i), (ii) and (iii) above and the denominator of which is equal to the sum of the Available Investor Principal Collections available for sharing as specified in the related Series Supplement for each Series in Group One and (2) the Cumulative Series Principal Shortfall and (B) the Available Investor Principal Collections remaining after the application specified in subsections 4.09(e)(i), (ii) and (iii) above, shall remain in the Principal Account to be treated as Shared Principal Collections and applied to Series in Group One other than this Series 2000-E; and

(v) an amount equal to the excess, if any, of (A) the Available Investor Principal Collections over (B) the applications specified in subsections 4.09(e)(i) through (iv) above shall be paid to the Holder of the Seller Interest; provided, however, that the amount to be paid to the Holder of the Seller Interest pursuant to this subsection 4.09(e)(v) with respect to such Transfer Date shall be paid to the Holder of the Seller Interest if, and only to the extent that, the Seller Interest on such Date of Processing is equal to or greater than the Minimum Seller Interest (after giving effect to the inclusion in the Trust of all Receivables created on or prior to such Transfer Date and the application of payments referred to in subsection 4.03(b)) and otherwise shall be considered as Unallocated Principal Collections and deposited into the Principal Account in accordance with subsection 4.05(e).

(f) On the first Transfer Date with respect to the Rapid Accumulation Period, the Trustee, acting in accordance with instructions from the Servicer, shall withdraw from the Principal Funding Account and (i) deposit in the Distribution Account the amount deposited into the Principal Funding Account pursuant to subsection 4.09(e)(ii) and (ii) pay to the Collateral Interest Holder in accordance with subsection 5.01(c), the amount deposited into the Principal Funding Account pursuant to subsection 4.09(e)(iii).

(g) On the earlier to occur of (i) the first Transfer Date with respect to the Rapid Amortization Period and (ii) the Transfer Date immediately preceding the Scheduled Payment Date, the

Trustee, acting in accordance with instructions from the Servicer, shall withdraw from the Principal Funding Account, to the extent not previously withdrawn pursuant to subsection 4.09(f), and (A) deposit in the Distribution Account, the amount deposited into the Principal Funding Account pursuant to subsections 4.09(e)(i) and 4.09(e)(ii) and (B) pay to the Collateral Interest Holder in accordance with subsection 5.01(c), the amount deposited into the Principal Funding Account pursuant to subsection 4.09(e)(iii).

(h) On each Distribution Date, the Trustee shall pay in accordance with subsection 5.01(i) to the Class A Certificateholders from the Distribution Account, the amount deposited into the Distribution Account pursuant to subsection 4.09(a)(i) on the preceding Transfer Date and (ii) to the Class B Certificateholders from the Distribution Account, the amount deposited into the Distribution Account pursuant to subsection 4.09(b)(i) on the preceding Transfer Date.

(i) On the earliest to occur of (i) the first Distribution Date with respect to the Rapid Amortization Period, (ii) the Scheduled Payment Date and (iii) the first Distribution Date with respect to the Rapid Accumulation Period on which the amount on deposit in the Principal Funding Account is equal to the Class A Investor Interest, and on each Distribution Date thereafter, the Trustee, acting in accordance with instructions from the Servicer, shall pay in accordance with subsections 5.01(a) and 5.01(b) from the Distribution Account the amount so deposited into the Distribution Account pursuant to subsections 4.09(e), (f) and (g) on the related Transfer Date in the following priority:

(i) for each Distribution Date with respect to the Rapid Amortization Period, if any, and with respect to the Scheduled Payment Date, an amount equal to the lesser of such amount on deposit in the Distribution Account and the Class A Investor Interest shall be paid to the Class A Certificateholders; and

(ii) for each Distribution Date with respect to (A) the Rapid Accumulation Period after the date on which the amount on deposit in the Principal Funding Account is equal to the Class A Investor Interest, if any, and (B) the Rapid Amortization Period, if any, and on the Scheduled Payment Date, after giving effect to the distributions referred to in clause (i) above, if any, an amount equal to the lesser of such amount on deposit in the Distribution Account and the Class B Investor Interest shall be paid to the Class B Certificateholders.

(j) The Controlled Accumulation Period is scheduled to commence at the close of business on April 30, 2009; provided, however, that, if the Accumulation Period Length (determined as described below) is less than 12 months, the date on which the Controlled Accumulation Period actually commences will be delayed to the first Business Day of the month that is the number of whole months prior to the Scheduled Payment Date at least equal to the Accumulation Period Length and, as a result, the number of Monthly Periods in the Controlled Accumulation Period will at least equal the Accumulation Period Length. On the Determination Date immediately preceding the April 2009 Distribution Date, and each Determination Date thereafter until the Controlled Accumulation Period begins, the Servicer will determine the "Accumulation Period Length" which will equal the number of whole months such that the sum of the Accumulation Period Factors for each month during such period will be equal to or greater than the Required Accumulation Factor Number; provided, however, that the Accumulation Period Length will not be determined to be less than one month; provided further, however, that the determination of the Accumulation Period Length may be changed at any time if the Rating Agency Condition is satisfied.

SECTION 4.10. Investor Charge-Offs.

(a) 0

On or before each Transfer Date, the Servicer shall calculate the Class A Investor Default Amount. If on any Transfer Date, the Class A Investor Default Amount for the prior Monthly Period exceeds the sum of the amount allocated with respect thereto pursuant to subsection 4.09(a)(iv), subsection 4.11(a) and Section 4.12 with respect to such Monthly Period, the Collateral Interest Amount (after giving effect to reductions for any Collateral Charge-Offs and any Reallocated Principal Collections on such Transfer Date) will be reduced by the amount of such excess, but not by more than the lesser of the Class A Investor Default Amount and the Collateral Interest Amount (after giving effect to reductions for any Collateral Charge-Offs and any Reallocated Principal Collections on such Transfer Date) for such Transfer Date. In the event that such reduction would cause the Collateral Interest Amount to be a negative number, the Collateral Interest Amount will be reduced to zero, and the Class B Investor Interest (after giving effect to reductions for any Class B Investor Charge-Offs and any Reallocated Class B Principal Collections on such Transfer Date) will be reduced by the amount by which the Collateral Interest Amount would have been reduced below zero. In the event that such reduction would cause the Class B Investor Interest to be a negative number, the Class B Investor Interest will be reduced to zero, and the Class A Investor Interest

will be reduced by the amount by which the Class B Investor Interest would have been reduced below zero, but not by more than the Class A Investor Default Amount for such Transfer Date (a "Class A Investor Charge-Off"). If the Class A Investor Interest has been reduced by the amount of any Class A Investor Charge-Offs, it will be reimbursed on any Transfer Date (but not by an amount in excess of the aggregate Class A Investor Charge-Offs) by the amount of Excess Spread allocated and available for such purpose pursuant to subsection 4.11(b).

(b) On or before each Transfer Date, the Servicer shall calculate the Class B Investor Default Amount. If on any Transfer Date, the Class B Investor Default Amount for the prior Monthly Period exceeds the amount of Excess Spread and Reallocated Collateral Principal Collections which are allocated and available to fund such amount pursuant to subsection 4.11(c) and Section 4.12, the Collateral Interest Amount (after giving effect to reductions for any Collateral Charge-Offs and any Reallocated Principal Collections on such Transfer Date and any adjustments with respect thereto as described in subsection 4.10(a) above) will be reduced by the amount of such excess but not by more than the lesser of the Class B Investor Default Amount and the Collateral Interest Amount (after giving effect to reductions for any Collateral Charge-Offs and any Reallocated Principal Collections on such Transfer Date and any adjustments with respect thereto as described in subsection 4.10(a) above) for such Transfer Date. In the event that such reduction would cause the Collateral Interest Amount to be a negative number, the Collateral Interest Amount will be reduced to zero and the Class B Investor Interest will be reduced by the amount by which the Collateral Interest Amount would have been reduced below zero, but not by more than the Class B Investor Default Amount for such Transfer Date (a "Class B Investor Charge-Off"). The Class B Investor Interest will also be reduced by the amount of Reallocated Class B Principal Collections in excess of the Collateral Interest Amount pursuant to Section 4.12 and the amount of any portion of the Class B Investor Interest allocated to the Class A Certificates to avoid a reduction in the Class A Investor Interest pursuant to subsection 4.10(a) above. The Class B Investor Interest will thereafter be reimbursed (but not to an amount in excess of the unpaid principal balance of the Class B Certificates) on any Transfer Date by the amount of Excess Spread allocated and available for that purpose as described under subsection 4.11(d).

(c) On or before each Transfer Date, the Servicer shall calculate the Collateral Default Amount. If on any Transfer Date, the Collateral Default Amount for the prior Monthly Period exceeds the amount of Excess Spread which is allocated and available to fund such amount pursuant to subsection 4.11(g), the Collateral Interest Amount will be reduced by the amount of such excess but not by more than the lesser of the Collateral Default Amount and the Collateral Interest Amount for such Transfer Date (a "Collateral Charge-Off"). The Collateral Interest Amount will also be reduced by the amount of Reallocated Principal Collections pursuant to Section 4.12 and the amount of any portion of the Collateral Interest Amount allocated to the Class A Certificates or the Class B Certificates to avoid a reduction in the Class A Investor Interest, pursuant to subsection 4.10(a), or the Class B Investor Interest, pursuant to subsection 4.10(b), respectively. The Collateral Interest Amount will thereafter be reimbursed on any Transfer Date by the amount of the Excess Spread allocated and available for that purpose as described under subsection 4.11(h).

SECTION 4.11. Excess Spread. On or before each Transfer Date, the Servicer shall instruct the Trustee in writing (which writing shall be substantially in the form of Exhibit B hereto) to apply Excess Spread with respect to the related Monthly Period to make the following distributions on each Transfer Date in the following priority:

(a) an amount equal to the Class A Required Amount, if any, with respect to such Transfer Date will be used to fund the Class A Required Amount and be applied in accordance with, and in the priority set forth in, subsection 4.09(a);

(b) an amount equal to the aggregate amount of Class A Investor Charge-Offs which have not been previously reimbursed will be treated as a portion of Investor Principal Collections and deposited into the Principal Account on such Transfer Date;

(c) an amount equal to the Class B Required Amount, if any, with respect to such Transfer Date will be used to fund the Class B Required Amount and be applied first in accordance with, and in the priority set forth in, subsection 4.09(b) and then any remaining amount available to pay the Class B Investor Default Amount shall be treated as a portion of Investor Principal Collections and deposited into the Principal Account on such Transfer Date;

(d) an amount equal to the aggregate amount by which the Class B Investor Interest has been reduced below the initial Class B Investor Interest for reasons other than the payment of principal to the Class B Certificateholders (but not in excess of the aggregate amount of such reductions which have not been previously reimbursed) will be treated as a portion of Investor Principal Collections and deposited into the Principal Account on such Transfer Date;

(e) an amount equal to the Collateral Minimum Monthly Interest plus the amount of any past due Collateral Minimum Monthly Interest for such Transfer Date will be paid to the Collateral Interest Holder in accordance with subsection 5.01(c);

(f) if the Seller or The Bank of New York is the Servicer, an amount equal to the aggregate amount of accrued but unpaid Collateral Interest Servicing Fees will be paid to the Servicer;

(g) an amount equal to the Collateral Default Amount, if any, for the prior Monthly Period will be treated as a portion of Investor Principal Collections and deposited into the Principal Account on such Transfer Date;

(h) an amount equal to the aggregate amount by which the Collateral Interest Amount has been reduced for reasons other than the payment of amounts with respect to the Collateral Monthly Principal (but not in excess of the aggregate amount of such reductions which have not been previously reimbursed) will be treated as a portion of Investor Principal Collections and deposited into the Principal Account on such Transfer Date;

(i) on each Transfer Date from and after the Reserve Account Funding Date, but prior to the date on which the Reserve Account terminates as described in Section 4.15(f), an amount up to the excess, if any, of the Required Reserve Account Amount over the Available Reserve Account Amount shall be deposited into the Reserve Account; and

(j) the balance, if any, after giving effect to the payments made pursuant to subparagraphs (a) through (i) above shall be paid to the Collateral Interest Holder in accordance with subsection 5.01(c).

SECTION 4.12. Reallocated Principal Collections. On or before each Transfer Date, the Servicer shall instruct the Trustee in writing (which writing shall be substantially in the form of Exhibit B hereto) to withdraw from the Principal Account and apply Reallocated Principal Collections (applying all Reallocated Collateral Principal Collections in accordance with subsections 4.12(a) and (b) prior to applying any Reallocated Class B Principal Collections in accordance with subsection 4.12(a) for any amounts still owing after the application of Reallocated Collateral Principal Collections) with respect to such Transfer Date, to make the following distributions on each Transfer Date in the following priority:

(a) an amount equal to the excess, if any, of (i) the Class A Required Amount, if any, with respect to such Transfer Date over (ii) the amount of Excess Spread with respect to the related Monthly Period, shall be applied pursuant to subsections 4.09(a)(i), (ii), (iii) and (iv); and

(b) an amount equal to the excess, if any, of (i) the Class B Required Amount, if any, with respect to such Transfer Date over (ii) the amount of Excess Spread allocated and available to the Class B Certificates pursuant to subsection 4.11(c) on such Transfer Date shall be applied first pursuant to subsections 4.09(b)(i) and (ii) and then pursuant to subsection 4.11(c).

(c) On each Transfer Date, the Collateral Interest Amount shall be reduced by the amount of Reallocated Collateral Principal Collections and by the amount of Reallocated Class B Principal Collections for such Transfer Date. In the event that such reduction would cause the Collateral Interest Amount (after giving effect to any Collateral Charge-Offs for such Transfer Date) to be a negative number, the Collateral Interest Amount (after giving effect to any Collateral Charge-Offs for such Transfer Date) shall be reduced to zero and the Class B Investor Interest shall be reduced by the amount by which the Collateral Interest Amount would have been reduced below zero. In the event that the reallocation of Reallocated Principal Collections would cause the Class B Investor Interest (after giving effect to any Class B Investor Charge-Offs for such Transfer Date) to be a negative number on any Transfer Date, Reallocated Principal Collections shall be reallocated on such Transfer Date in an aggregate amount not to exceed the amount which would cause the Class B Investor Interest (after giving effect to any Class B Investor Charge-Offs for such Transfer Date) to be reduced to zero.

SECTION 4.13. Shared Principal Collections.

(a) The portion of Shared Principal Collections on deposit in the Principal Account equal to the amount of Shared Principal Collections allocable to Series 2000-E on any Transfer Date shall be applied as an Available Investor Principal Collection pursuant to Section 4.09 and pursuant to such Section 4.09 shall be deposited in the Distribution Account or distributed to the Collateral Interest Holder in accordance with subsection 5.01(c).

(b) Shared Principal Collections allocable to Series 2000-E with respect to any Transfer Date shall mean an amount equal to the Series Principal Shortfall, if any, with respect to Series 2000-E for such Transfer Date; provided, however, that if the aggregate amount of Shared Principal Collections for all Series for such Transfer Date is less than the Cumulative Series Principal Shortfall for such Transfer Date, then Shared Principal Collections allocable to Series

2000-E on such Transfer Date shall equal the product of (i) Shared Principal Collections for all Series for such Transfer Date and (ii) a fraction, the numerator of which is the Series Principal Shortfall with respect to Series 2000-E for such Transfer Date and the denominator of which is the aggregate amount of Cumulative Series Principal Shortfall for all Series for such Transfer Date.

(c) Solely for the purpose of determining the amount of Available Investor Principal Collections to be treated as Shared Principal Collections on any Transfer Date allocable to other Series in Group One, on each Determination Date, the Servicer shall determine the Class A Required Amount, Class B Required Amount, Excess Spread and Reallocated Principal Collections as of such Determination Date for the following Transfer Date.

SECTION 4.14. Principal Funding Account.

(a) The Trustee shall establish and maintain with a Qualified Institution, which may be the Trustee, in the name of the Trust, on behalf of the Trust, for the benefit of the Investor Certificateholders, a segregated trust account with the corporate trust department of such Qualified Institution (the "Principal Funding Account"), bearing a designation clearly indicating that the funds deposited therein are held for the benefit of the Investor Certificateholders. The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Principal Funding Account and in all proceeds thereof. The Principal Funding Account shall be under the sole dominion and control of the Trustee for the benefit of the Investor Certificateholders. If at any time the institution holding the Principal Funding Account ceases to be a Qualified Institution, the Seller shall notify the Trustee, and the Trustee upon being notified (or the Servicer on its behalf) shall, within 10 Business Days, establish a new Principal Funding Account meeting the conditions specified above with a Qualified Institution, and shall transfer any cash or any investments to such new Principal Funding Account. The Trustee, at the direction of the Servicer, shall (i) make withdrawals from the Principal Funding Account from time to time, in the amounts and for the purposes set forth in this Series Supplement, and (ii) on each Transfer Date (from and after the commencement of the Controlled Accumulation Period or the Rapid Accumulation Period) prior to the termination of the Principal Funding Account make deposits into the Principal Funding Account in the amounts specified in, and otherwise in accordance with, subsection 4.09(e).

(b) Funds on deposit in the Principal Funding Account shall be invested at the direction of the Servicer by the Trustee in Permitted Investments. Funds on deposit in the Principal Funding Account on any Transfer Date, after giving effect to any withdrawals from the Principal Funding Account on such Transfer Date, shall be invested in such investments that will mature so that such funds will be available for withdrawal on or prior to the following Transfer Date. The Trustee shall:

(i) hold each Permitted Investment (other than such as are described in clause (c) of the definition thereof) that constitutes investment property through a securities intermediary, which securities intermediary shall agree with the Trustee that (I) such investment property shall at all times be credited to a securities account of the Trustee, (II) such securities intermediary shall comply with entitlement orders originated by the Trustee without the further consent of any other person or entity, (III) all property credited to such securities account shall be treated as a financial asset, (IV) such securities intermediary shall waive any lien on, security interest in, or right of set-off with respect to any property credited to such securities account, and (V) such agreement shall be governed by the laws of the State of New York;

(ii) maintain possession of each other Permitted Investment not described in clause (i) above (other than such as are described in clause (c) of the definition thereof); and

(iii) cause each Permitted Investment described in clause (c) of the definition thereof to be registered in the name of the Trustee by the issuer thereof;

provided, that no Permitted Investment shall be disposed of prior to its maturity date. Terms used in clause (i) above that are defined in the New York UCC and not otherwise defined herein shall have the meaning set forth in the New York UCC.

On each Transfer Date with respect to the Controlled Accumulation Period or the Rapid Accumulation Period and on the first Transfer Date with respect to the Rapid Amortization Period, the Trustee, acting at the Servicer's direction given on or before such Transfer Date, shall transfer from the Principal Funding Account to the Finance Charge Account the Principal Funding Investment Proceeds on deposit in the Principal Funding Account for application as Class A Available Funds and Class B Available Funds in accordance with Section 4.09.

Principal Funding Investment Proceeds (including reinvested interest) shall not be considered part of the amounts on deposit in the Principal Funding Account for purposes of this Series Supplement.

SECTION 4.15. Reserve Account.

(a) The Trustee shall establish and maintain with a Qualified Institution, which may be the Trustee in the name of the Trust, on behalf of the Trust, for the benefit of the Investor Certificateholders, a segregated trust account with the corporate trust department of such Qualified Institution (the "Reserve Account"), bearing a designation clearly indicating that the funds deposited therein are held for the benefit of the Investor Certificateholders. The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Reserve Account and in all proceeds thereof. The Reserve Account shall be under the sole dominion and control of the Trustee for the benefit of the Investor Certificateholders. If at any time the institution holding the Reserve Account ceases to be a Qualified Institution, the Seller shall notify the Trustee, and the Trustee upon being notified (or the Servicer on its behalf) shall, within 10 Business Days, establish a new Reserve Account meeting the conditions specified above with a Qualified Institution, and shall transfer any cash or any investments to such new Reserve Account. The Trustee, at the direction of the Servicer, shall (i) make withdrawals from the Reserve Account from time to time in an amount up to the Available Reserve Account Amount at such time, for the purposes set forth in this Series Supplement, and (ii) on each Transfer Date (from and after the Reserve Account Funding Date) prior to termination of the Reserve Account make a deposit into the Reserve Account in the amount specified in, and otherwise in accordance with, subsection 4.11(i).

(b) Funds on deposit in the Reserve Account shall be invested at the direction of the Servicer by the Trustee in Permitted Investments. Funds on deposit in the Reserve Account on any Transfer Date, after giving effect to any withdrawals from the Reserve Account on such Transfer Date, shall be invested in such investments that will mature so that such funds will be available for withdrawal on or prior to the following Transfer Date. The Trustee shall:

(i) hold each Permitted Investment (other than such as are described in clause (c) of the definition thereof) that constitutes investment property through a securities intermediary, which securities intermediary shall agree with the Trustee that (I) such investment property shall at all times be credited to a securities account of the Trustee, (II) such securities intermediary shall comply with entitlement orders originated by the Trustee without the further consent of any other person or entity, (III) all property credited to such securities account shall be treated as a financial asset, (IV) such securities intermediary shall waive any lien on, security interest in, or right of set-off with respect to any property credited to such securities account, and (V) such agreement shall be governed by the laws of the State of New York;

(ii) maintain possession of each other Permitted Investment not described in clause (i) above (other than such as are described in clause (c) of the definition thereof); and

(iii) cause each Permitted Investment described in clause (c) of the definition thereof to be registered in the name of the Trustee by the issuer thereof;

provided, that no Permitted Investment shall be disposed of prior to its maturity date. Terms used in clause (i) above that are defined in the New York UCC and not otherwise defined herein shall have the meaning set forth in the New York UCC.

On each Transfer Date, all interest and earnings (net of losses and investment expenses) accrued since the preceding Transfer Date on funds on deposit in the Reserve Account shall be retained in the Reserve Account (to the extent that the Available Reserve Account Amount is less than the Required Reserve Account Amount) and the balance, if any, shall be deposited into the Finance Charge Account and included in Class A Available Funds for such Transfer Date. For purposes of determining the availability of funds or the balance in the Reserve Account for any reason under this Series Supplement, except as otherwise provided in the preceding sentence, investment earnings on such funds shall be deemed not to be available or on deposit.

(c) On or before each Transfer Date with respect to the Controlled Accumulation Period and on or before the earlier of (i) the first Transfer Date with respect to the Rapid Accumulation Period and (ii) the first Transfer Date with respect to the Rapid Amortization Period, the Servicer shall calculate the Reserve Draw Amount; provided, however, that such amount will be reduced to the extent that funds otherwise would be available for deposit in the Reserve Account under Section 4.11(i) with respect to such Transfer Date.

(d) In the event that for any Transfer Date the Reserve Draw Amount is greater than zero, the Reserve Draw Amount, up to the Available Reserve Account Amount, shall be withdrawn from the Reserve Account on such Transfer Date by the Trustee (acting in accordance with the instructions of the Servicer) and deposited into the Finance Charge Account for application in the following priority:

(i) an amount up to the excess, if any, of (x) an amount equal to that portion of the Covered Amount computed pursuant to clause (a) of the definition of Covered Amount over

(y) an amount equal to that portion of the Class A Available Funds computed pursuant to clause (b) of the definition of Class A Available Funds shall be treated as Class A Available Funds to be applied pursuant to subsections 4.09(a)(i) and (ii); and
(ii) an amount up to the excess, if any, of (x) an amount equal to that portion of the Covered Amount computed pursuant to clause (b) of the definition of Covered Amount over (y) an amount equal to that portion of the Class B Available Funds computed pursuant to clause (b) of the definition of Class B Available Funds shall be treated as Class B Available Funds to be applied pursuant to subsection 4.09(b)(i).

(e) In the event that the Reserve Account Surplus on any Transfer Date, after giving effect to all deposits to and withdrawals from the Reserve Account with respect to such Transfer Date, is greater than zero, the Trustee, acting in accordance with the instructions of the Servicer, shall withdraw from the Reserve Account and distribute to the Collateral Interest Holder in accordance with subsection 5.01(c), an amount equal to such Reserve Account Surplus.

(f) Upon the earliest to occur of (i) the termination of the Trust pursuant to Article XII of the Agreement, (ii) the first Transfer Date with respect to the Rapid Accumulation Period, (iii) the first Transfer Date with respect to the Rapid Amortization Period, and (iv) the Transfer Date immediately preceding the Scheduled Payment Date, the Trustee, acting in accordance with the instructions of the Servicer, after the prior payment of all amounts owing to the Series 2000-E Certificateholders that are payable from the Reserve Account as provided herein, shall withdraw from the Reserve Account and distribute to the Collateral Interest Holder in accordance with subsection 5.01(c), all amounts, if any, on deposit in the Reserve Account and the Reserve Account shall be deemed to have terminated for purposes of this Series Supplement.

SECTION 4.16. Swap Reserve Fund.

(a) The Trustee shall establish and maintain, at and upon the direction of the Servicer, with a Qualified Institution, which may be the Trustee, in the name of the Trust, on behalf of the Trust, for the benefit of the Class A Certificateholders, the Swap Counterparty and the Seller, as their interests appear herein, a segregated trust account with the corporate trust department of such Qualified Institution (the "Swap Reserve Fund"), bearing a designation clearly indicating that the funds deposited therein are held for the benefit of the Class A Certificateholders, the Swap Counterparty and the Seller. The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Swap Reserve Fund and in all proceeds thereof. The Swap Reserve Fund shall be under the sole dominion and control of the Trustee for the benefit of the Class A Certificateholders, the Swap Counterparty and the Seller. If at any time the institution holding the Swap Reserve Fund ceases to be a Qualified Institution, the Seller shall notify the Trustee, and the Trustee upon being notified (or the Servicer on its behalf) shall, within 10 Business Days, establish a new Swap Reserve Fund meeting the conditions specified above with a Qualified Institution, and shall transfer any cash or any investments to such new Swap Reserve Fund. The Trustee, at the direction of the Servicer, shall make withdrawals from the Swap Reserve Fund from time to time in an amount up to the Available Swap Reserve Fund Amount in the amounts and at the times set forth in this Section 4.16.

(b) On the Closing Date, the Trustee shall deposit an amount equal to the Required Swap Reserve Fund Amount received by it from the Seller in immediately available funds into the Swap Reserve Fund. Funds on deposit in the Swap Reserve Fund shall be invested at the direction of the Servicer by the Trustee in Permitted Investments; provided, however, that, for purposes of the investment of funds on deposit in the Swap Reserve Fund, references in the definition of "Permitted Investments" to a rating of "A-1+" by Standard & Poor's shall be modified to require a rating of not lower than "A-1" by such Rating Agency. Funds on deposit in the Swap Reserve Fund on any Transfer Date, after giving effect to any withdrawals from the Swap Reserve Fund on such Transfer Date, shall be invested in such investments that will mature so that such funds will be available for withdrawal on or prior to the following Transfer Date. The Trustee shall:

(i) hold each Permitted Investment (other than such as are described in clause (c) of the definition thereof) that constitutes investment property through a securities intermediary, which securities intermediary shall agree with the Trustee that (I) such investment property shall at all times be credited to a securities account of the Trustee, (II) such securities intermediary shall comply with entitlement orders originated by the Trustee without the further consent of any other person or entity, (III) all property credited to such securities account shall be treated as a financial asset, (IV) such securities intermediary shall waive any lien on, security interest in, or right of set-off with respect to any property credited to such securities account, and (V) such agreement shall be governed by the laws of the State of New York;

(ii) maintain possession of each other Permitted Investment not described in clause (i) above (other than such as are described in clause (c) of the definition thereof); and (iii) cause each Permitted Investment described in clause (c) of the definition thereof to be registered in the name of the Trustee by the issuer thereof; provided, that no Permitted Investment shall be disposed of prior to its maturity date. Terms used in clause (i) above that are defined in the New York UCC and not otherwise defined herein shall have the meaning set forth in the New York UCC.

On each Transfer Date, all interest and earnings (net of losses and investment expenses) accrued since the preceding Transfer Date on funds on deposit in the Swap Reserve Fund shall be retained in the Swap Reserve Fund (to the extent that the Available Swap Reserve Fund Amount (prior to taking into account any such interest and earnings) is less than the Required Swap Reserve Fund Amount) and the balance, if any, shall be distributed to the Collateral Interest Holder in accordance with subsection 5.01(c) on such Transfer Date.

(c) On or before each Transfer Date with respect to the Rapid Accumulation Period and on or before the first Transfer Date with respect to the Rapid Amortization Period if such Rapid Amortization Period commences after the commencement of the Rapid Accumulation Period, the Servicer shall calculate the "Swap Reserve Draw Amount" which shall be equal to the amount, if any, by which the Principal Funding Investment Proceeds for the related Transfer Date are less than the Covered Amount determined as of such Transfer Date; provided, however, that on the first Transfer Date with respect to the Rapid Accumulation Period, the "Swap Reserve Draw Amount" shall equal the amount, if any, by which the sum of (i) the Principal Funding Investment Proceeds for such Transfer Date and (ii) the amount withdrawn from the Reserve Account on such Transfer Date pursuant to subsection 4.15(d)(i) are less than the amount computed pursuant to clause (a) of the definition of Covered Amount for such Transfer Date.

(d) In the event that for any Transfer Date the Swap Reserve Draw Amount is greater than zero, the Swap Reserve Draw Amount, up to the Available Swap Reserve Fund Amount, shall be withdrawn from the Swap Reserve Fund on such Transfer Date by the Trustee (acting in accordance with the instructions of the Servicer), and deposited into the Finance Charge Account and treated as Class A Available Funds for such Transfer Date to be applied pursuant to subsection 4.09(a).

(e) In the event that for any Transfer Date the Trust owes an amount to the Swap Counterparty due to an early termination of the Interest Rate Swap pursuant to the terms thereof, the Trustee (acting in accordance with the instructions of the Servicer) shall withdraw from the Swap Reserve Fund on such Transfer Date and pay to the Swap Counterparty an amount equal to the lesser of (a) the Available Swap Reserve Fund Amount for such Transfer Date (after giving effect to any withdrawal pursuant to subsection 4.16(d) on such Transfer Date) and (b) the aggregate amount owed by the Trust to the Swap Counterparty on such Transfer Date due to such early termination of the Interest Rate Swap.

(f) In the event that the Swap Reserve Fund Surplus on any Transfer Date, after giving effect to all withdrawals from the Swap Reserve Fund with respect to such Transfer Date, is greater than zero, the Trustee, acting in accordance with the instructions of the Servicer, shall withdraw from the Swap Reserve Fund an amount equal to such Swap Reserve Fund Surplus and distribute such amount to the Collateral Interest Holder in accordance with subsection 5.01(c).

(g) Upon the earliest to occur of (i) the Transfer Date immediately preceding the Scheduled Payment Date, (ii) the termination of the Trust pursuant to Article XII of the Agreement, (iii) the Transfer Date immediately following the termination of the Interest Rate Swap (or, if the Interest Rate Swap terminates on a Transfer Date, such Transfer Date) and (iv) the first Transfer Date with respect to the Rapid Amortization Period (after taking into account all payments to be made on such date), the Trustee, acting in accordance with the instructions of the Servicer, after withdrawing all amounts owing from the Swap Reserve Fund as provided herein, shall withdraw from the Swap Reserve Fund and distribute to the Collateral Interest Holder in accordance with subsection 5.01(c) amounts, if any, on deposit in the Swap Reserve Fund, and the Swap Reserve Fund shall be deemed to have terminated for purposes of this Series Supplement.

SECTION 4.17. [RESERVED].

SECTION 4.18. Seller's or Servicer's Failure to Make a Deposit or Payment.

If the Servicer or the Seller fails to make, or give instructions to make, any payment or deposit (other than as required by subsections 2.04(d) and (e) and 12.02(a) or Sections 10.02 and 12.01) required to be made or given by the Servicer or Seller, respectively, at the time specified in the Agreement (including applicable grace periods), the Trustee shall make such payment or deposit from the applicable Investor Account without instruction from the Servicer or Seller. The Trustee shall be required to make any such payment, deposit or withdrawal hereunder only to the extent that the Trustee has sufficient information to allow it to determine the amount thereof;

provided, however, that the Trustee shall in all cases be deemed to have sufficient information to determine the amount of interest payable to the Series 2000-E Certificateholders on each Distribution Date. The Servicer shall, upon request of the Trustee, promptly provide the Trustee with all information necessary to allow the Trustee to make such payment, deposit or withdrawal. Such funds or the proceeds of such withdrawal shall be applied by the Trustee in the manner in which such payment or deposit should have been made by the Seller or the Servicer, as the case may be.

SECTION 4.19. Interest Rate Swap.

(a) The Trustee shall enter into the Interest Rate Swap, certain terms of which are set forth herein for the convenience of the parties thereto for incorporation therein by reference, with the Swap Counterparty on the Closing Date. Pursuant to the terms of the Interest Rate Swap, the Swap Counterparty shall pay to the Trustee on each Transfer Date the Net Swap Receipt, if any, plus the amount of any Net Swap Receipt due but not paid with respect to any previous Transfer Date. The Trustee shall deposit such Net Swap Receipts, if any, into the Finance Charge Account and shall apply such amounts as Class A Available Funds pursuant to subsection 4.09(a). In addition, in accordance with the terms of the Interest Rate Swap, the Trustee shall pay to the Swap Counterparty the Net Swap Payment, if any, for such Transfer Date, plus the amount of any Net Swap Payment due but not paid on any previous Transfer Date, from amounts applied pursuant to subsections 4.09(a)(ii). If the Interest Rate Swap has not been terminated and the Trustee has not received any Net Swap Receipt due with respect to the related Distribution Date prior to 10:00 a.m. on the date such payment is due, (i) the Trustee shall notify the Swap Counterparty, the Seller and the Servicer of such fact prior to 12:00 p.m. on such date, (ii) the Trustee, if directed by the Servicer, shall designate an Early Termination Date (as such term is defined in the Interest Rate Swap) pursuant to the Interest Rate Swap and shall, if the Seller so directs, terminate the Interest Rate Swap pursuant to its terms, and (iii) the Servicer shall provide the Trustee, prior to 4:30 p.m. on the related Transfer Date, with new statements substantially in the forms of Exhibit B and Exhibit C to this Series Supplement revised, if necessary, to reflect that the Net Swap Receipt (or any portion thereof) was not received by the Trustee for such Transfer Date.

(b) Following the termination of the Interest Rate Swap pursuant to the terms thereof, the Swap Counterparty shall pay to the Trustee the amount of the termination payment, if any, to be made by the Swap Counterparty pursuant to Section 6 of the Interest Rate Swap. The Trustee shall, promptly upon receipt of such termination payment, if any, and at the direction of the Servicer distribute the amount of such termination payment to the Collateral Interest Holder in accordance with subsection 5.01(c).

(c) The Trustee, at the direction of the Seller, shall direct the Swap Counterparty to assign its rights and obligations under the Interest Rate Swap to a replacement Swap Counterparty, in the event that the long-term, senior unsecured debt rating of the Swap Counterparty is reduced below BBB- by Standard & Poor's or below Baa3 by Moody's or is withdrawn by either Standard & Poor's or Moody's. The Seller shall give Standard & Poor's and Moody's notice of the replacement of the Swap Counterparty as soon as practicable thereafter.

(d) The parties hereto agree that all obligations of the Trustee on behalf of the Trust under the Interest Rate Swap shall be paid from, and limited to, funds specifically available therefor pursuant to subsections 4.09(a)(ii) and 4.16(e) of this Series Supplement and that the Trustee shall not be required to expend or risk its own funds or otherwise incur any liability in connection with the Interest Rate Swap.

(e) If the Trustee has actual knowledge of any event specified in Section 5 of the Interest Rate Swap, the Trustee shall provide written notice of such event to the Servicer, the Seller and the Rating Agencies. The Seller, upon becoming aware of any event specified in Section 5 of the Interest Rate Swap, whether pursuant to notice from the Trustee or otherwise, shall immediately provide the Trustee with written instructions as to the course of action to be taken under Section 6 of the Interest Rate Swap, including without limitation any notices to be provided and whether or not an Early Termination Date (as defined in the Interest Rate Swap) should be designated and, if so, when such Early Termination Date should be designated. Prior to receiving such written instructions from the Seller, the Trustee shall not designate an Early Termination Date and shall not terminate the Interest Rate Swap.

(f) At the request of the Trustee, the Seller shall provide the Trustee with any document the Trustee is required to provide the Swap Counterparty pursuant to Section 4(a) of the Interest Rate Swap.

(g) In the event the long-term, senior unsecured debt rating of the Swap Counterparty is reduced below AA- by Standard & Poor's or is withdrawn by Standard & Poor's, the Swap Counterparty will be required within 30 days from the date of such reduction or withdrawal to fund an account (the "Interest Reserve Account") in an amount equal to one-twelfth of the product of (a) the Swap Fixed Rate

and (b) the Fixed Rate Notional Amount as of the Record Date preceding such reduction or withdrawal (the "Required Interest Reserve Amount"). The Swap Counterparty's failure to adequately fund the Interest Reserve Account within 30 days of such reduction or withdrawal shall constitute an "Interest Reserve Account Event."

SECTION 4.20. Interest Reserve Account.

(a) The Trustee shall establish and maintain, at and upon the direction of the Servicer, the Interest Reserve Account with a Qualified Institution, which may be the Trustee in the name of the Trust, on behalf of the Trust, for the benefit of the Class A Certificateholders, a segregated trust account with the corporate trust department of such Qualified Institution, bearing a designation clearly indicating that the funds deposited therein are held for the benefit of the Class A Certificateholders. The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Interest Reserve Account and in all proceeds thereof. The Interest Reserve Account shall be under the sole dominion and control of the Trustee for the benefit of the Class A Certificateholders. If at any time the institution holding the Interest Reserve Account ceases to be a Qualified Institution, the Seller shall notify the Trustee, and the Trustee upon being notified (or the Servicer on its behalf) shall, within 10 Business Days, establish a new Interest Reserve Account meeting the conditions specified above with a Qualified Institution, and shall transfer any cash or any investments to such new Interest Reserve Account.

(b) Funds on deposit in the Interest Reserve Account shall be invested at the direction of the Swap Counterparty by the Trustee in Permitted Investments. Funds on deposit in the Interest Reserve Account on any Transfer Date shall be invested in such investments that will mature so that such funds will be available for withdrawal on or prior to the following Transfer Date. The Trustee shall:

(i) hold each Permitted Investment (other than such as are described in clause (c) of the definition thereof) that constitutes investment property through a securities intermediary, which securities intermediary shall agree with the Trustee that (I) such investment property shall at all times be credited to a securities account of the Trustee, (II) such securities intermediary shall comply with entitlement orders originated by the Trustee without the further consent of any other person or entity, (III) all property credited to such securities account shall be treated as a financial asset, (IV) such securities intermediary shall waive any lien on, security interest in, or right of set-off with respect to any property credited to such securities account, and (V) such agreement shall be governed by the laws of the State of New York;

(ii) maintain possession of each other Permitted Investment not described in clause (i) above (other than such as are described in clause (c) of the definition thereof); and

(iii) cause each Permitted Investment described in clause (c) of the definition thereof to be registered in the name of the Trustee by the issuer thereof;

provided, that no Permitted Investment shall be disposed of prior to its maturity date. Terms used in clause (i) above that are defined in the New York UCC and not otherwise defined herein shall have the meaning set forth in the New York UCC.

On each Transfer Date, all interest and earnings (net of losses and investment expenses) accrued since the preceding Transfer Date on funds on deposit in the Interest Reserve Account shall be retained in the Interest Reserve Account to the extent that the Required Interest Reserve Amount exceeds the amount on deposit in the Interest Reserve Account. To the extent that the amount on deposit in the Interest Reserve Account exceeds the Required Interest Reserve Amount (after taking into effect any withdrawals required to be made on such Transfer Date), the amount of such excess shall be withdrawn from the Interest Reserve Account and distributed to the Swap Counterparty on such Transfer Date. For purposes of determining the availability of funds or the balance in the Interest Reserve Account for any reason under this Series Supplement, except as otherwise provided in the preceding sentence, investment earnings on such funds shall be deemed not to be available or on deposit.

(c) In the event that the Interest Rate Swap terminates due to a default by the Swap Counterparty, on the Transfer Date or immediately following such termination, the Trustee, at the direction of the Servicer, shall withdraw from the Interest Reserve Account an amount equal to the least of (i) the Net Swap Receipt, if any, with respect to such Transfer Date plus the amount of any Net Swap Receipt previously due but not paid to the Trust, (ii) the amount on deposit in the Interest Reserve Account on such Transfer Date and (iii) the Required Interest Reserve Amount, and shall deposit such amount in the Finance Charge Account to be included in Class A Available Funds with respect to such Transfer Date and give notice of such withdrawal to each Rating Agency.

(d) Upon the earliest to occur of (i) any Transfer Date subsequent to the return of the Swap Counterparty's long-term,

unsecured, unsubordinated debt obligation rating or financial program rating (or other similar rating) to AA- or higher by Standard & Poor's, (ii) the Transfer Date on or immediately following the termination of the Interest Rate Swap, (iii) the Transfer Date immediately preceding the Scheduled Payment Date, (iv) the termination of the Trust pursuant to Article XII of the Agreement, (v) the Series 2000-E Termination Date and (vi) the first Transfer Date relating to the Rapid Amortization Period (after taking into account all payments to be made on such date), the Trustee, acting in accordance with the instructions of the Servicer, after the prior payment of all amounts owing to the Series 2000-E Certificateholders that are payable from the Interest Reserve Account as provided herein, shall withdraw from the Interest Reserve Account and pay to the Swap Counterparty pursuant to the terms of the Interest Rate Swap, all amounts, if any, on deposit in the Interest Reserve Account, and the Interest Reserve Account shall be deemed to have terminated for purposes of this Series Supplement.

SECTION 10. Series 2000-E Termination. The right of the Investor Certificateholders to receive payments from the Trust will terminate on the first Business Day following the Series 2000-E Termination Date.

SECTION 11. Periodic Finance Charges and Other Fees. The Seller hereby agrees that, except as otherwise required by any Requirement of Law, or as is deemed by the Seller to be necessary in order for the Seller to maintain its credit card business, based upon a good faith assessment by the Seller, in its sole discretion, of the nature of the competition in the credit card business, it shall not at any time reduce the Periodic Finance Charges assessed on any Receivable or other fees on any Account if, as a result of such reduction, the Seller's reasonable expectation of the Portfolio Yield as of such date would be less than the then Base Rate.

SECTION 12. Limitations on Addition of Accounts. The Seller agrees that it shall not designate any Additional Accounts pursuant to subsection 2.06(b) unless on or prior to the related Addition Date, the Seller shall have provided the Collateral Interest Holder with an Officer's Certificate certifying that such designation of such Additional Accounts will not, as of the related Addition Date, (a) be reasonably expected by the Seller to result in a reduction or withdrawal by the Rating Agency of its rating for the Investor Certificates or (b) cause a Series 2000-E Pay Out Event.

SECTION 13. Counterparts. This Series Supplement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all of such counterparts shall together constitute but one and the same instrument.

SECTION 14. Governing Law. THIS SERIES SUPPLEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS; PROVIDED, HOWEVER, THAT THE IMMUNITIES AND

STANDARD OF CARE OF THE TRUSTEE IN THE ADMINISTRATION OF THE TRUST
HEREUNDER SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 15. Additional Notices.

(a) For so long as the Investor Certificates shall be outstanding, the Seller agrees to provide Fitch with the notice provided to each Rating Agency in subsection 2.06(c)(i) and agrees to provide to Fitch and Standard and Poor's the Opinion of Counsel provided to Moody's pursuant to subsection 2.06(c)(vi), in each case in the times and the manner provided for in such subsections.

(b) The Seller shall notify the Collateral Interest Holder promptly after becoming aware of any Lien on any Receivable other than the conveyances under the Agreement. The Seller will notify the Collateral Interest Holder of any merger, consolidation, assumption or transfer referred to in Section 7.02.

SECTION 16. Additional Representations and Warranties of the Servicer. MBNA America Bank, National Association, as initial Servicer, hereby makes, and any Successor Servicer by its appointment under the Agreement shall make the following representations and warranties:

(a) All Consents. All authorizations, consents, orders or approvals of or registrations or declarations with any Governmental Authority required to be obtained, effected or given by the Servicer in connection with the execution and delivery of this Series Supplement by the Servicer and the performance of the transactions contemplated by this Series Supplement by the Servicer, have been duly obtained, effected or given and are in full force and effect.

(b) Rescission or Cancellation. The Servicer shall not permit any rescission or cancellation of any Receivable except as ordered by a court of competent jurisdiction or other Governmental Authority or in accordance with the normal operating procedures of the Servicer.

(c) Receivables Not To Be Evidenced by Promissory Notes. Except in connection with its enforcement or collection of an Account, the Servicer will take no action to cause any Receivable to be evidenced by an instrument (as defined in the UCC as in effect in the State of Delaware).

SECTION 17. No Petition. The Seller, the Servicer and the Trustee, by entering into this Series Supplement and each Certificateholder, by accepting a Series 2000-E Certificate hereby covenant and agree that they will not at any time institute against the Trust, or join in any institution against the Trust of, any bankruptcy proceedings under any United States Federal or state bankruptcy or similar law in connection with any obligations relating to the Investor Certificateholders, the Agreement or this Series Supplement.

SECTION 18. Certain Tax Related Amendments. In addition to being subject to amendment pursuant to any other provisions relating to amendments in either the Agreement or this Series Supplement, this Series Supplement may be amended by the Seller without the consent of the Servicer, Trustee or any Investor Certificateholder if the Seller provides the Trustee with (i) an Opinion of Counsel to the effect that such amendment or modification would reduce the risk the Trust would be treated as taxable as a publicly traded partnership pursuant to Code section 7704 and (ii) a certificate that such amendment or modification would not materially and adversely affect any Investor Certificateholder; provided, that no such amendment shall be deemed effective without the Trustee's consent, if the Trustee's rights, duties and obligations hereunder are thereby modified. Promptly after the effectiveness of any amendment pursuant to this Section 18, the Seller shall deliver a copy of such amendment to each of the Servicer, the Trustee and each Rating Agency.

SECTION 19. Transfers of the Collateral Interest.

(a) Unless otherwise consented to by the Seller, no portion of the Collateral Interest or any interest therein may be sold, conveyed, assigned, hypothecated, pledged, participated, exchanged or otherwise transferred (each, a "Transfer") except in accordance with this Section 19 and only to a Permitted Assignee. Any attempted or purported transfer, assignment, exchange, conveyance, pledge, hypothecation or grant other than to a Permitted Assignee shall be void. Unless otherwise consented to by the Seller, no portion of the Collateral Interest or any interest therein may be Transferred to any Person (each such Person acquiring the Collateral Interest or any interest therein, an "Assignee") unless such Assignee shall have executed and delivered to the Seller on or before the effective date of any Transfer a letter substantially in the form attached hereto as Exhibit D (an "Investment Letter"), executed by such Assignee, with respect to the related Transfer to such Assignee of all or a portion of the Collateral Interest.

(b) Each Assignee will certify that the Collateral Interest or the interest therein purchased by such Assignee will be acquired for investment only and not with a view to any public distribution thereof, and that such Assignee will not offer to sell or otherwise dispose of the Collateral Interest or any interest therein so acquired by it in violation of any of the registration requirements of the Securities Act, or any applicable state or other securities laws. Each Assignee will acknowledge and agree that (i) it has no right to

require the Seller to register under the Securities Act or any other securities law the Collateral Interest or the interest therein to be acquired by the Assignee and (ii) the sale of the Collateral Interest is not being made by means of the Prospectus. Each Assignee will agree with the Seller that: (a) such Assignee will deliver to the Seller on or before the effective date of any Transfer a letter in the form annexed hereto as Exhibit D (an "Investment Letter"), executed by such Assignee with respect to the purchase by such Assignee of all or a portion of the Collateral Interest and (b) all of the statements made by such Assignee in its Investment Letter shall be true and correct as of the date made.

(c) No portion of the Collateral Interest or any interest therein may be Transferred, and each Assignee will certify that it is not, (a) an "employee benefit plan" (as defined in Section 3(3) of ERISA), including governmental plans and church plans, (b) any "plan" (as defined in Section 4975(e)(1) of the Code) including individual retirement accounts and Keogh plans, or (c) any other entity whose underlying assets include "plan assets" (within the meaning of Department of Labor Regulation Section 2510.3-101, 29 C.F.R. 2510.3-101 or otherwise under ERISA) by reason of a plan's investment in the entity, including, without limitation, an insurance company general account.

(d) This Section 19 shall not apply to the transfer and pledge of the Collateral Interest on the Closing Date by the Seller pursuant to the Transfer Agreement or by the MBNA Asset Backed Note Trust (2000-E) to the Indenture Trustee (as defined in the Transfer Agreement) pursuant to the Indenture (as defined in the Transfer Agreement).

The Series 2000-E Certificates are issued in two classes, the Class A Certificates (of which this certificate is one) and the Class B Certificates, which are subordinated to the Class A Certificates in certain rights of payment as described herein and in the Pooling and Servicing Agreement.

The Seller has structured the Pooling and Servicing Agreement and the Series 2000-E Certificates with the intention that the Series 2000-E Certificates will qualify under applicable tax law as indebtedness, and each of the Seller, the Holder of the Seller Interest, the Servicer and each Series 2000-E Certificateholder (or Series 2000-E Certificate Owner) by acceptance of its Series 2000-E Certificate (or in the case of a Series 2000-E Certificate Owner, by virtue of such Series 2000-E Certificate Owner's acquisition of a beneficial interest therein), agrees to treat and to take no action inconsistent with the treatment of the Series 2000-E Certificates (or any beneficial interest therein) as indebtedness for purposes of federal, state, local and foreign income or franchise taxes and any other tax imposed on or measured by income. Each Series 2000-E Certificateholder agrees that it will cause any Series 2000-E Certificate Owner acquiring an interest in a Series 2000-E Certificate through it to comply with the Pooling and Servicing Agreement as to treatment of the Series 2000-E Certificates as indebtedness for certain tax purposes.

To the extent not defined herein, capitalized terms used herein have the respective meanings assigned to them in the Pooling and Servicing Agreement.
