Schedule 13D

Page 8 of 30

During the last five years, none of the Reporting Persons, nor, to the knowledge of each of the Reporting Persons, any of the persons listed on Schedules I-A, I-B, II-A, III-B, III-A, III-B, IV-A, IV-B, V-A or V-B hereto (i) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to federal or state securities laws or finding any violation with respect to such laws, except as noted in the paragraphs below.

In November 2006, MLPF&S entered into a settlement with NASD concerning MLPF&S's alleged failure to include a legend regarding contingent deferred sales charges on certain written confirmations it provided to its customers relating to certain securities issued by ML&Co. Without admitting or denying the allegations, MLPF&S consented to a censure and agreed to pay a \$20,000 fine

In October 2006, Merrill Lynch entered into a consent agreement with the Virginia Department of Securities pursuant to which, without admitting or denying the allegations, Merrill Lynch agreed to change its policies and procedures to address certain criticisms noted by the Virginia Department of Securities relating to recommendations for Merrill Lynch's clients based in Virginia and paid \$75,000 to defray the cost of the investigation.

As part of a settlement relating to managing auctions for auction rate securities, the U.S. Securities and Exchange Commission (the "Commission") accepted the offers of settlement of 15 broker-dealer firms, including MLPF&S, and issued a settlement order on May 31, 2006. The Commission found, and MLPF&S neither admitted nor denied, that respondents (including MLPF&S) violated section 17(a)(2) of the Securities Act of 1933 by managing auctions for auction rate securities in ways that were not adequately disclosed or that did not conform to disclosed procedures. MLPF&S consented to a cease and desist order, a censure, a civil money penalty, and compliance with certain undertakings.

In March 2005, ML&Co. and certain of its affiliates (ML&Co. and its affiliates collectively, "Merrill Lynch") reached agreements with the State of New Jersey and the New York Stock Exchange (the "NYSE") and reached an agreement in principle with the State of Connecticut pursuant to which Merrill Lynch, without admitting or denying the allegations, consented to a settlement that included findings that it failed to maintain certain books and records and to reasonably supervise a team of former financial analysts ("FAs") who facilitated improper market timing by a hedge fund client. Merrill Lynch terminated the FAs in October 2003, brought the matter to the attention of regulators, and cooperated fully in the regulators' review. The settlement will result in aggregate payments of \$13.5 million. The settlement resulted in aggregate payments of \$13.5 million. On November 22, 2006, the agreement in principle with the State of Connecticut was finalized.

In March 2005, Merrill Lynch reached an agreement in principle with the NYSE pursuant to which Merrill Lynch, without admitting or denying the allegations, later consented to a settlement that included findings with regard to certain matters relating to the failure to deliver prospectuses for certain auction rate preferred shares and open-end mutual funds; the failure to deliver product descriptions with regard to certain exchange-traded funds; the failure to ensure that proper registration qualifications were obtained for certain personnel; issues with regard to the retention, retrieval and review of e-mails; isolated lapses in branch office supervision; late reporting of certain events such as customer complaints and arbitrations; the failure to report certain complaints in quarterly reports to the NYSE due to a systems error; and partial non-compliance with Continuing Education requirements. The settlement resulted in a payment of \$10 million to the NYSE.

On November 3, 2004, a jury in Houston, Texas convicted four former Merrill Lynch employees of criminal misconduct in connection with a Nigerian barge transaction that the government alleged helped Enron inflate its 1999 earnings by \$12 million. The jury also found that the transaction led to investor losses of \$13.7 million. Those convictions were reversed by a federal appellate court on August 1, 2006, except for one conviction against one employee based on perjury and obstruction of justice. The government has appealed the reversals. In 2003, Merrill Lynch agreed to pay \$80 million to settle Commission charges that it aided and abetted Enron's fraud by engaging in two improper year-end transactions in 1999, including the Nigerian barge transaction. The \$80 million paid in connection with the settlement with the Commission will be made

available to settle investor claims. In September 2003, the United States Department of Justice agreed not to prosecute Merrill Lynch for crimes that may have been committed by its former employees related to certain transactions with Enron, subject to certain understandings, including Merrill Lynch's continued cooperation with the Department, its acceptance of responsibility for conduct of its former employees, and its agreement to adopt and implement new policies and procedures related to the integrity of client and counter-party financial statements, complex structured finance transactions and year-end transactions.

On or about June 27, 2003, the Attorney General for the State of West Virginia brought an action against the defendants that participated in the April 28, 2003, settlement described below. The action, filed in the West Virginia

State Court, alleged that the defendants' research practices violated the West Virginia Consumer Credit and Protection Act. On September 16, 2005, the Circuit Court of Marshall County, West Virginia, dismissed the case, following an earlier decision by the West Virginia Supreme Court holding that the West Virginia Attorney General lacked authority to bring the claims.

On October 31, 2003, the United States District Court for the Southern District of New York entered final judgments in connection with alleged conflicts of interest affecting research practices. The final settlements pertaining to Merrill Lynch, which involved both monetary and non-monetary relief, brought to a conclusion the regulatory actions against Merrill Lynch related to its research practices. Merrill Lynch entered into these settlements without admitting or denying the allegations and findings by the regulators, and the settlements did not establish wrongdoing or liability for purposes of any other proceedings.

For further information, reference is made to the Form ADV of Merrill Lynch on file with, and publicly available on the website of, the Commission.

The Reporting Persons have entered into a Joint Filing Agreement, dated as of December 28, 2006, a copy of which is attached as Exhibit 7.1 hereto.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

The Shares beneficially owned by the Reporting Persons were acquired in ordinary course trading activities by the Reporting Persons. None of the individuals listed on Schedules I-A, I-B, II-A, II-B, III-A III-B, IV-A, IV-B, V-A or V-B has contributed any funds or other consideration towards the purchase of securities of the Issuer.

ITEM 4. PURPOSE OF TRANSACTIONS.

The acquisition of the shares of Common Stock that are currently beneficially owned by the Reporting Persons was for investment purposes or in other ordinary course activities. As described below, MLPF&S has acted as a financial advisor and investor in connection with a proposal for an investment in the Issuer.

On July 31, 2006, Appaloosa Management L.P. ("Appaloosa") and the Issuer entered into a Confidential Information, Standstill and Nondisclosure Agreement (the "Confidentiality Agreement"). The Confidentiality Agreement is attached as Exhibit 3 to the Schedule 13D/A filed by Appaloosa on August 1, 2006. Pursuant to the terms of the Confidentiality Agreement, the Issuer may furnish to Appaloosa certain non-public, confidential and/or proprietary information pertaining to the Issuer which is reasonably necessary in order for Appaloosa to evaluate a possible negotiated business arrangement involving the Issuer in its reorganization case under chapter 11 of the Bankruptcy Code. Subject to customary exceptions, Appaloosa agreed to keep the Evaluation Material (as defined in the Confidentiality Agreement) strictly confidential. Prior to the Release Date (as defined in the Confidentiality Agreement), unless otherwise agreed to by the Issuer in writing, Appaloosa agreed to engage in discussions and negotiate exclusively with the Issuer and its legal and financial advisors with respect to a possible negotiated business arrangement involving the Issuer. In addition, in accordance with the Confidentiality Agreement, Appaloosa withdrew a letter it had written to the Issuer's board of directors on March 15, 2006 regarding the Issuer's chapter 11 reorganization and agreed not to take certain other actions, as more fully described in the Confidentiality Agreement.

On August 25, 2006, Appaloosa and the Issuer entered into an amendment to the Confidentiality Agreement (the "Amendment"). The Amendment is attached as Exhibit 6 to the Schedule 13D/A filed by Appaloosa on August 29, 2006. Pursuant to the Amendment, in connection with certain confidential information produced and designated as "confidential" or "highly confidential" by the Debtors (as defined in the Amendment) under various stipulations and protective orders

entered into in the Issuer's reorganization case under chapter 11 of the Bankruptcy Code, that has been furnished and may continue to be furnished to certain representatives of Appaloosa (the "Litigation Material"), Appaloosa may use the Litigation Material for a Permitted Purpose (as defined in the Amendment), and the Litigation Material so used will be deemed Evaluation Material (as defined in the Confidentiality Agreement).

On July 31, 2006, Appaloosa engaged UBS Securities LLC ("UBS") as lead financial adviser and lead capital markets provider and engaged MLPF&S as an additional financial adviser, in each case in connection with any

potential restructuring, acquisition or other transaction involving the Issuer. Pursuant to the engagement letters, UBS and ML&Co. have been given an opportunity to participate in any debt or equity financing transaction involving the Issuer that is sponsored by Appaloosa and not financed by Appaloosa. The engagement letters are attached as Exhibits 4 and 5, respectively, to the Schedule 13D/A filed by Appaloosa on August 1, 2006.

PROPOSAL LETTER

On December 18, 2006, A-D Acquisition Holdings, LLC ("ADAH") (an affiliate of Appaloosa), Dolce Investments, LLC ("Dolce") (an affiliate of Cerberus Capital Management L.P. ("Cerberus")), Harbinger Del-Auto Investment Company, Ltd. ("Del-Auto") (an affiliate of Harbinger Capital Partners Master Fund I, Ltd. ("Harbinger")), MLPF&S and UBS delivered to the Issuer a proposal, which the Issuer accepted, for a potential investment of up to \$3.4 billion in the aggregate in preferred and common equity of the reorganized Issuer and a proposed reorganization framework for the Issuer (the "Proposal"). Each of ADAH, Dolce, Del-Auto, MLPF&S and UBS are referred to herein as the "Investors." A copy of the Proposal is attached as Exhibit 99.E of Form 8-K filed by Delphi Corporation on December 18, 2006.

According to the Proposal, the Investors would enter into an Equity Purchase and Commitment Agreement (the "Investment Agreement") providing for the potential equity investment. The Proposal will terminate if, on or before January 22, 2007, (x) the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") does not issue an order reasonably satisfactory to the Investors approving and authorizing the Issuer to enter into the Investment Agreement and certain other matters, (y) the Issuer has not entered into the Investment Agreement or (z) any of the Investors determines in its sole discretion that any of the conditions contained in the Investment Agreement are incapable of being satisfied or that any of the Investors is entitled to exercise a termination right under the Investment Agreement.

EQUITY INVESTMENT

Under the terms of the Investment Agreement, on the terms and subject to the conditions of the Investment Agreement, the Investors would purchase an aggregate of \$1.2 billion of convertible preferred stock and approximately \$200 million of common stock in the reorganized Issuer as follows: (i) each Investor would purchase (A) for \$35.00 per share, each Investor's proportionate share of 6,300,000 shares of the reorganized Issuer's new common stock (the "Direct Subscription Shares") and (B) for \$35.00 per share, each Investor's proportionate share of the reorganized Issuer's new Series B Senior Convertible Preferred Stock (the "Series B Preferred Stock"); (ii) Dolce would purchase for \$35.00 per share, 8,571,429 shares of the reorganized Issuer's new Series A-1 Senior Convertible Preferred Stock (the "Series A-1 Preferred Stock"); and (iii) ADAH would purchase for \$35.00 per share, 8,571,429 shares of the reorganized Issuer's new Series A-2 Senior Convertible Preferred Stock (the "Series A-2 Preferred Stock", and together with the Series A-1 Preferred Stock, the "Series A Preferred Stock"). The number of Direct Subscription Shares and Series B Preferred Stock to be purchased by each Investor is set forth on Schedule 2 to the Investment Agreement.

Additionally, on the terms and subject to the conditions of the Investment Agreement, the Investors would purchase any unsubscribed shares of the reorganized Issuer's new common stock in connection with an approximately \$2.0 billion rights offering that would be made available to holders of Common Stock as of a record date to be determined by the Issuer. In accordance with the Investment Agreement, the Issuer would distribute certain rights to holders of Common Stock to acquire new common stock of the reorganized Issuer subject to the effectiveness of a registration statement to be filed with the Commission, approval of the Bankruptcy Court and satisfaction of other terms and conditions. The rights, which would be transferable by the original eligible holders, would permit holders to purchase their pro rata share of new common stock of the reorganized Issuer at \$35.00 per share.

Altogether, the Investors could invest up to an aggregate of \$3.4 billion in the reorganized Issuer. The Investment Agreement is subject to the completion of due diligence to the satisfaction of the Investors in their sole discretion, satisfaction or waiver of numerous other conditions (including the Issuer's achievement of consensual agreements with its U.S. labor unions and General Motors Corporation ("GM") that are acceptable to the Investors in their sole discretion) and the non-exercise by either the Issuer or the Investors of certain termination rights, all of which are more fully described in the Investment Agreement.

Schedule 13D

Page 11 of 30

The Investors would be entitled to payment of certain commitment fees and an alternate transaction fee at the times and under the circumstances set forth in the Investment Agreement.

PLAN OF REORGANIZATION FRAMEWORK

The Investors, the Issuer and GM also executed on December 18, 2006, a Plan Framework Support Agreement (the "Plan Framework Support Agreement") which contains terms pursuant to which the parties agree to support confirmation and consummation of a plan of reorganization for the Issuer which will be based on the terms contained in the Plan Framework Support Agreement (the "Plan Framework"). A copy of the Plan Framework Support Agreement is attached as Exhibit 99.A of the Form 8-K filed by Delphi Corporation on December 18, 2006. The Plan Framework provides for, among other things, the distributions to be made to creditors and $\$ stockholders, $\$ the treatment of GM's claims $\$ against the Issuer, the resolution of certain pension funding issues and the corporate governance of the reorganized Issuer. The Plan Framework Support Agreement as well as the economics and structure of the Plan Framework itself are conditioned on reaching consensual agreements with the Issuer's U.S. labor unions and GM. Both the Issuer and the Investors are permitted to terminate the Investment Agreement (which terminates the Plan Framework Support Agreement) if consensual agreements are not reached with the Issuer's U.S. labor unions and GM by January 31, 2007.

CORPORATE GOVERNANCE STRUCTURE

The Investment Agreement and the Plan Framework Support Agreement also include certain corporate governance provisions for the reorganized Issuer. Under the terms of the proposed plan, the reorganized Issuer would be governed by a 12 member board of directors, two of whom would be a new Executive Chairman and a new Chief Executive Officer and President. Pursuant to the term sheet for preferred stock attached as an Exhibit to the Investment Agreement (the "Preferred Term Sheet") and Plan Framework Support Agreement, Rodney O'Neal would be the Chief Executive Officer and President of the Issuer.

A five member selection committee, consisting of John D. Opie, the lead independent director of the Issuer's current board of directors, a representative of each of the Issuer's two statutory committees and a representative of each of Appaloosa and Cerberus will select the company's post-emergence Executive Chairman as well as four other directors (one of whom may be from the Issuer's current board of directors). Appaloosa and Cerberus must both concur in the selection of the Executive Chairman, but do not vote on the four other directors. Each of Appaloosa and Cerberus would appoint three board members comprising the remaining six members of the reorganized Issuer's new board of directors. The Reporting Persons do not have any right to appoint any members of the new board of directors. The new board of directors would be required to satisfy all independence requirements imposed by the relevant stock exchange on which the reorganized Issuer's common stock would be traded. Executive compensation for the reorganized Issuer must be on market terms, must be reasonably acceptable to ADAH and Dolce, and the overall executive compensation plan design must be described in the Issuer's disclosure statement and incorporated into the plan of reorganization. The holders of the Series A Preferred Stock will have certain approval rights with respect to certain significant corporate transactions such as incurring debt, transferring assets and engaging in mergers or acquisitions, as more fully described in the Preferred Term Sheet. The Reporting Persons will not beneficially own any shares of Series A Preferred Stock.

Except as described in this Item 4 or otherwise described in this Statement, the Reporting Persons currently have no plans or proposals which relate to or would result in any transaction, event or action enumerated in paragraphs (a) through (j) of Item 4 of the form of Schedule 13D promulgated under the Securities Exchange Act of 1934, as amended. Subject to the terms of the Investment Agreement and the Plan Framework Support Agreement, each of the Reporting Persons reserves the right, in light of its or his ongoing evaluation of the Issuer's financial condition, business, operations and prospects, the market price of the Common Stock, conditions in the securities markets generally, general economic and industry conditions, its or his business

objectives and other relevant factors, to change its or his plans and intentions at any time, as it or he deems appropriate. In particular, and without limiting the generality of the foregoing (but subject to the terms of the Confidentiality Agreement), any one or more of the Reporting Persons (and their respective affiliates) reserves the right, in each case subject to any applicable limitations imposed on the sale of any of their Common Stock by the Securities Act of 1933, as amended, or other applicable law, to (i) purchase additional shares of Common Stock or other securities of the Issuer, (ii) sell or transfer shares of Common Stock or other securities beneficially owned by them from time to time in public or private transactions and (iii) cause any of the Reporting Persons to distribute in kind to their respective stockholders,

CUSIP No. 247126105 Schedule 13D Page 12 of 30

partners or members, as the case may be, shares of Common Stock or other securities owned by such Reporting Persons.

This Amendment is not a solicitation for votes on the Issuer's plan of reorganization. No disclosure statement has been approved by the Bankruptcy Court for the Issuer's plan of reorganization.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

(a) - (b) Set forth in the table below is the number and percentage of shares of Shares beneficially owned by each Reporting Person as of December 18, 2006:

- (1) Pursuant to Rule 13d-5(b)(1), as a result of the proposal and related agreements described in Item 4, the Reporting Persons may be deemed to be the beneficial owners of Shares beneficially owned by the other persons described in Item 4. Based on information provided to the Reporting Persons, Appaloosa Management L.P. and its related entities beneficially own 52,000,000 Shares (9.26% of the outstanding Shares), Harbinger Capital Partners Master Fund I, Ltd. and its related entities beneficially own 26,450,000 Shares (4.71% of the outstanding Shares), and UBS Securities LLC and its related entities beneficially own 4,540,719 Shares (0.81%). The total percentage of the outstanding Shares beneficially owned by the group is 15.04%.
 - (c) The information set forth in Item 4 of this Schedule 13D is hereby incorporated by reference herein. Except as disclosed in Item 4 of this Schedule 13D, none of the Reporting Persons, nor, to the best knowledge of the Reporting Persons, any of the directors or executive officers of the Reporting Persons have effected any transaction in the Common Stock in the past 60 days, other than (1) brokerage transactions by MLPF&S and its affiliates on behalf of their customers, (2) market making transactions by MLPF&S and its affiliates occurring prior to December 20, 2006 and (3) such transactions as are noted on Schedule VI hereto, which is incorporated by reference in its entirety into this Item 5(c).
 - (d) Not applicable.
 - (e) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

The disclosure set forth in Item 4 hereof is incorporated herein by reference.

Concurrent with the delivery of the Proposal, Appaloosa, Harbinger and MLPF&S entered into a limited partnership agreement (the "Limited Partnership Agreement") in connection with the establishment of DEL A-2 L.P. (the "Partnership"), a copy of which is attached as Exhibit 9 to the Schedule 13D/A filed by Delphi Corporation on December 19, 2006. Pursuant to the Limited Partnership Agreement, an entity wholly-owned by AMLP is the

CUSIP No. 247126105 Schedule 13D Page 13 of 30

general partner of the Partnership. MLPF&S and entities affiliated with Appaloosa and Harbinger are limited partners of the Partnership. A commitment letter from Harbinger regarding its affiliate's obligations as a limited partner is attached as Exhibit 10 to the Schedule 13D/A filed by Appaloosa on December 19, 2006. Pursuant to the Limited Partnership Agreement, if Series A-2 Preferred Stock is purchased by ADAH, it would be sold to the Partnership at a purchase price equal to that paid by ADAH and the Limited Partners would make an investment in the Partnership, and be entitled to participate in distributions on account of, and proceeds in respect of, the Series A-2 Preferred Stock.

In addition, concurrent with the delivery of the Proposal, (1) Appaloosa and Cerberus entered into an agreement regarding the allocation of certain potential liabilities in connection with any breach of the Investment Agreement and (2) Appaloosa, Harbinger, UBS and MLPF&S entered into a similar agreement. Copies of such agreements are attached as Exhibits 11 and 12 to the Schedule 13D/A filed by Delphi Corporation on December 19, 2006.

Other than as described in this Statement, to the best knowledge of the Reporting Persons there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the Reporting Persons, and between any such persons and any other person, with respect to any securities of the Issuer, including but not limited to, transfer and voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, or a pledge or contingency the occurrence of which would give another person voting power or investment power over the securities of the Issuer.
