- o A way to increase your holdings in NationsBank by reinvesting your cash dividends in NationsBank stock;
- o The opportunity to purchase additional shares by making optional cash investments.

You do not have to be a current shareholder of NationsBank to participate in the Plan. You can purchase your first shares of NationsBank stock through the Plan by making an initial investment of \$1,000 or more, which includes an initial transaction fee of \$10. If you currently participate in the NationsBank dividend reinvestment plan, you are automatically enrolled in the new Plan.

-----  
NationsBank Corporation

NationsBank is a multi-bank holding company. Through its subsidiaries, NationsBank provides financial products and services to individuals, businesses, corporations, institutional investors and governmental agencies, primarily throughout the Mid-Atlantic, Midwest, Southeast and Southwest. NationsBank was incorporated in 1968 under the laws of the State of North Carolina and the Bank Holding Company Act. Its principal executive offices are located at NationsBank Corporate Center, 100 North Tryon Street, Charlotte, North Carolina 28255.

The NationsBank stock offered under the Plan is not guaranteed or insured by any bank or government agency.

-----  
Summary of the Plan

- - ENROLLMENT: New shareholders can join by making an initial investment of at least \$1,000, which includes an initial transaction fee of \$10. Shareholders enrolled in the existing NationsBank Dividend Reinvestment and Stock Purchase Plan are automatically enrolled in the new Plan. Existing NationsBank

shareholders not enrolled in the dividend reinvestment plan can participate in the new Plan by submitting a completed Enrollment Form. If your shares are held in a brokerage account, you may participate directly by registering some or all of your shares in your name.

- - OPTIONAL REINVESTMENT OF DIVIDENDS: You can reinvest all, a portion or none of your cash dividends toward the purchase of additional shares of NationsBank stock without paying trading fees.

- - OPTIONAL CASH INVESTMENTS: After you are enrolled in the Plan, you can buy additional shares of NationsBank stock by investing a minimum of \$50 at any one time, up to \$120,000 in the aggregate per calendar year. You can have your payment automatically withdrawn from your bank account or pay by check.

- - FULL INVESTMENT: Full investment of your dividends is possible because the Company will credit your account with both whole and fractional shares. As part of the Plan, NationsBank pays dividends on both whole shares and fractional shares.
- - SAFEKEEPING OF CERTIFICATES: You can deposit your NationsBank stock certificates with NationsBank Shareholder Services for safekeeping at no cost to you.
- - GIFTS OR TRANSFERS OF SHARES: You can give or transfer your NationsBank shares to others through the Plan at no charge.
- - SELL SHARES CONVENIENTLY: If you choose to sell any of the NationsBank stock held in your Plan account, you will pay fees lower than those typically charged by stockbrokers.
- - TRACKING YOUR INVESTMENT: You will receive a statement or a notification after each transaction. Statements provide the details of the transaction and show the share balance in your Plan account.

-----  
 Administrator of the Plan

NationsBank has appointed The Chase Manhattan Bank to administer the Plan and act as Agent for the participants. The Chase Manhattan Bank has designated its affiliates, ChaseMellon Shareholder Services, L.L.C. and Chase Securities Inc., and other

2

agents to perform certain services for the Plan. These companies will purchase and hold shares of stock for Plan participants, keep records, send statements and perform other duties required by the Plan. NationsBank reserves the right to replace the Administrator at any time.

The Administrator may be contacted at NationsBank Shareholder Services as detailed below.

Enrollment

You are eligible to participate in the Plan if you meet the requirements outlined below. If you live outside the U.S., you should first determine if there are any governmental regulations that would prohibit your participation

in the Plan.

- -- If you do not currently own any NationsBank stock, you can join the Plan by making an initial investment of at least \$1,000, but not more than \$120,000. You can get started in the Plan by returning a completed Enrollment Form to NationsBank Shareholder Services along with your check or money order payable to NationsBank Corporation. A \$10 transaction fee will be deducted from your initial investment. The Administrator will arrange for the purchase of shares for your account, but will not pay interest on amounts held pending investment. Please allow two weeks for your account to be established, initial shares to be purchased and a statement to be mailed to you. (See "Purchase of Shares for the Plan" on page 6.)

- -- If you already own NationsBank stock and the shares are registered in your name, you may join the Plan by returning a completed Enrollment Form to NationsBank Shareholder Services. Registered shareholders will not be charged an initial transaction fee. If you have been participating in the existing NationsBank Dividend Reinvestment and Stock Purchase Plan, you will be automatically enrolled in the new NationsBank SharesDirect Plan and need not send in an Enrollment Form or take any other action unless you want to make a change.

- -- If your shares are held in a brokerage, bank or other intermediary account, and you wish to participate directly in the Plan, you should direct your broker, bank, or trustee to register some or all of your NationsBank shares directly in your name. You can then get started in the Plan by returning a completed Enrollment Form to NationsBank Shareholder Services. Registered shareholders will not be charged an initial transaction fee.

4

-----  
Investment Options

Once enrolled in the Plan, you have the following choices:

- -- OPTIONAL DIVIDEND REINVESTMENT: You can choose to reinvest all, a portion or none of the regular cash dividends paid on your shares registered with the Plan to purchase additional shares of NationsBank stock. You can change your dividend reinvestment election at any time by notifying NationsBank Shareholder Services. For a particular dividend to be reinvested, your notification must be received five days prior to the record date for that dividend. (The record date is normally 21 days prior to the payment date.)

If you elect to reinvest your dividends, you must choose one of the following when completing the Dividend Reinvestment section of the Enrollment Form:

5

<TABLE>  
<S><C>

Full Dividend Reinvestment

-----  
Purchase additional shares by reinvesting all of your cash dividends.  
</TABLE>

<TABLE>  
<S><C>

Partial Dividend Reinvestment

-----  
If you choose to reinvest less than all of your dividends, you must select one of the following options:

- OPTION 1. Receive a cash dividend payment based on the number of full shares you specify. Reinvest the dividends on all remaining shares. This option allows you to receive a fixed amount of cash each quarter (assuming the dividend per share stays the same); or  
OPTION 2. Reinvest dividends based on the number of full shares you specify. Receive a cash dividend payment on all remaining shares. This option allows you to receive an increasing

amount of cash each quarter (again, assuming the dividend per share stays the same).

Deposit Cash Dividends Electronically: If you choose partial dividend reinvestment, you can have all of your remaining cash dividends deposited directly into your bank account instead of receiving a check by mail -- just complete the appropriate sections of the Enrollment Form or notify NationsBank Shareholder Services. Direct Deposit Authorization Forms will be acted upon as soon as possible after they are received. You can change your designated bank account for direct deposit or discontinue this feature by notifying NationsBank Shareholder Services at least 14 days prior to a dividend record date.

</TABLE>

- -- OPTIONAL CASH INVESTMENTS: You can purchase additional shares of NationsBank stock by using the Plan's optional cash investment feature. You must invest at least \$50 at any one time and cannot invest more than \$120,000 in a calendar year. Interest will not be paid on amounts held pending investment.

By Automatic Withdrawal from your Bank Account: If you wish to make regular monthly optional cash investments, you can authorize an automatic monthly withdrawal from your bank

6

account. This feature enables you to make ongoing investments without writing a check. Funds will be deducted from your account on the 15th day of each month. If this date falls on a bank holiday or weekend, funds will be deducted on the next business day. Please allow four to six weeks for the first automatic monthly withdrawal to be initiated. You must notify NationsBank Shareholder Services in writing to change or terminate automatic withdrawal.

By Check or Money Order: You may make optional cash investments by sending a check or money order payable to NationsBank Corporation. Do not send cash. Please mail the completed transaction stub located on the bottom of your statement along with your investment to the address specified on the statement.

-----  
Purchase of Shares

- -- Purchase Intervals: The Administrator will make arrangements to use initial and optional cash investments to purchase NationsBank shares as promptly as practical, but at least once each week. The Administrator will use reinvested dividends to purchase shares on a quarterly basis. Purchases may be made over a number of days to meet the requirements of the Plan.

- -- Source and Pricing of Shares: Shares needed to meet the requirements of the Plan will either be purchased in the open market or issued directly by NationsBank from authorized but unissued shares.

If the shares are purchased in the open market, your price per share will be the weighted average price of shares purchased during the relevant period to satisfy Plan requirements. Trading fees incurred by the Plan for purchases will be paid by NationsBank and will be reported to you as taxable income. All fractional shares are calculated to four decimals and are credited to your account.

If the shares are purchased from NationsBank, your price per share will be the average of the daily high and low sale prices quoted on the New York Stock Exchange (NYSE) Composite Transactions listing for the day the shares are purchased. All fractional shares are calculated to four decimals and are credited to your account.

7

- -- Timing and control: Because the Administrator will arrange for the purchase of shares on behalf of the Plan, neither NationsBank nor any participant in the Plan has the authority or power to control either the timing or pricing of shares purchased or the selection of the broker making the purchases. Therefore, you will not be able to precisely time your purchases through the Plan and will bear the market risk associated with fluctuations in the price of NationsBank stock. That is, if you send in an initial or optional cash investment, it is possible that the market price of NationsBank stock could go

up or down before the broker purchases stock with your funds. In addition, you will not earn interest on initial or optional cash investments for the period before the shares are purchased.

---

#### Sale of Shares

You can sell any number of shares held in your Plan account or book entry form by notifying NationsBank Shareholder Services. The Administrator will make arrangements to sell NationsBank stock as promptly as possible, but at least once a week. Sales may be made more frequently if volume dictates.

The sale price will be the weighted average price of all shares sold for Plan participants during the relevant period, as volume dictates. You will receive the proceeds of the sale less (1) a \$15 sales transaction fee, (2) the trading fee of \$0.08 per share charged in connection with the sale, and (3) any required tax withholdings. (See "Plan Service Fees" on page 10.)

You can choose to sell your shares through a stockbroker of your choice, in which case you should request a certificate for your shares from NationsBank Shareholder Services. (See "Issuance of Certificates" on page 9.)

Please note that if your total holdings fall below one share, the Administrator will liquidate the fractional share, remit the proceeds to you less any applicable fees, and close your Plan account.

**Timing and control:** Because the Administrator will sell the shares on behalf of the Plan, neither NationsBank nor any participant in the Plan has the authority or power to control the timing or pricing of shares sold or the selection of the broker making the sales. Therefore, you will not be able to precisely time your sales through the Plan and will bear the market risk associated with

8

fluctuation in the price of NationsBank stock. That is, if you send in a request to sell shares, it is possible that the market price of NationsBank stock could go down or up before the broker sells your shares. In addition, you will not earn interest on the proceeds of a sales transaction.

---

#### Safekeeping of Your Stock Certificates

Shares of NationsBank stock that you buy under the Plan will be maintained in your Plan account for safekeeping. You will receive a periodic statement detailing the status of your holdings. For more information, see "Tracking Your Investments" on page 10.

Any NationsBank shareholder may use the Plan's "safekeeping" service to deposit their NationsBank stock certificates at no cost. Because NationsBank and the Administrator are responsible for the safekeeping of NationsBank stock certificates deposited with the Plan, you no longer bear the risk and cost associated with the loss, theft, or destruction of stock certificates so deposited. With safekeeping, you have the option of receiving cash dividends, reinvesting your dividends or taking advantage of the sale of shares feature of the Plan. Certificates will be issued only upon written request to NationsBank Shareholder Services. (See "Issuance of Certificates" on page 9.)

To use the safekeeping service, send your certificates to NationsBank Shareholder Services by registered mail with written instructions to deposit them in safekeeping. Do not endorse the certificates or complete the assignment section.

9

---

#### Gifts or Transfers of Shares

You can give or transfer NationsBank shares to anyone you choose by:

- Making an initial \$1,000 cash investment to establish an account in the recipient's name; or
- Submitting an optional cash investment on behalf of an existing

shareholder in the Plan in an amount not less than \$50 nor more than \$120,000; or  
-- Transferring shares from your Plan account to the recipient.

You must transfer a whole number of shares unless you transfer your entire account. You may transfer shares to new or existing shareholders. In order to transfer the ownership of all or part of the whole shares of NationsBank stock held in your Plan account, you must mail NationsBank Shareholder Services a transfer request form along with a properly signed stock power. The stock power form can be obtained from NationsBank Shareholder Services, a bank or a stockbroker. You must have your signature guaranteed by a financial institution participating in the Medallion Guarantee program. The Medallion Guarantee program ensures that the individual signing the certificate is in fact the registered owner as it appears on the stock certificate or stock power. NationsBank Shareholder Services will automatically place such new accounts in full dividend reinvestment status. The recipients of gifts or transfers, at their discretion, may then elect another option. NationsBank Shareholder Services will send recipients of gifts or transfers a notice of such transfer.

If you participate in dividend reinvestment and your request to either transfer all of your shares or make a partial sale and transfer the balance of your shares is received during the three business days prior to the dividend record date, the processing of your request may be held until after your account is credited with reinvested dividends. This hold period could be as long as four weeks.

-----  
Issuance of Certificates

You can withdraw all or some of the shares from your Plan account by notifying NationsBank Shareholder Services.

Certificates will be issued for whole shares only. In the event your request involves a fractional share, a check for the value of the fractional share (less any applicable fees) will be mailed to you. Please allow two to three weeks to process your request.

Certificates will be issued in the name(s) in which the account is registered, unless otherwise instructed. In addition, checks will be made payable to the name(s) in which the account is registered, unless otherwise instructed. If the certificate is issued in a name other than your Plan account registration, the signature on the instructions or stock power must be guaranteed by a financial institution participating in the Medallion Guarantee program, as described above.

---

U.S. Federal Income Tax Information

Cash dividends reinvested under the Plan will be taxable as having been received by you even though you have not actually received them in cash. You will receive an annual statement from the Administrator indicating the amount of reinvested dividends reported to the U.S. Internal Revenue Service as dividend income. The statement will also reflect as income any trading fees paid by NationsBank on your behalf for purchases of shares.

You will not realize gain or loss for U.S. Federal income tax purposes upon the transfer of shares to the Plan, the transfer of shares to another recipient by gift or otherwise under the Plan, or upon the withdrawal of whole shares from the Plan. You will, however, generally realize gain or loss upon the sale of shares (including the receipt of cash for fractional shares) held in the Plan. Similarly, any recipient of a gift or transfer of shares under the Plan will generally realize gain or loss upon the sale of any of the shares so transferred.

In the case of Plan participants whose dividends are subject to Federal income tax withholding, or backup withholding, dividends will be invested net of the amount of tax to be withheld.

The above summary is not a comprehensive summary of all of the tax considerations that may be relevant to a participant in the Plan. Therefore, you are urged to consult your tax advisors regarding the consequences of participation in the Plan.

12

You should rely only on the information incorporated by reference or provided in this prospectus or in any prospectus supplement. NationsBank has authorized no one to provide you with different information. NationsBank is not making an offer to sell stock in any state or country where the offer is not permitted. You should not assume that the information in this prospectus or the prospectus supplement is accurate as of any date other than the date of the document.

Responsibility of Administrator and NationsBank

Neither NationsBank nor the Administrator will be liable for any act they do in good faith or for any good faith omission to act. This includes, without limitation, any claims of liability for:

- o relating to purchases or sales prices reflected in your Plan account or the dates of purchases or sales of your Plan shares; or
- o for any fluctuation in the market value after purchase or sale of shares.

The payment of dividends is at the discretion of the NationsBank Board of Directors and will depend upon future earnings, the financial condition of NationsBank and other factors. The Board may change the amount and timing of dividends at any time without notice.

Neither NationsBank nor the Administrator can assure you a profit or protect you against a loss on the shares you purchase under the Plan.

However, in accordance with the provisions of the North Carolina Business Corporation Act (the "Act"), the registrant's Bylaws provide that, in addition to the indemnification of

directors and officers otherwise provided by the Act, the registrant shall, under certain circumstances, indemnify its current or former directors and officers against any and all liability and litigation expense, including reasonable attorney's fees, arising out of their status or activities as directors and officers, except for liability or litigation expense incurred on account of activities that were at the time known or believed by such director or officer to be clearly in conflict with the best interests of the registrant. Pursuant to such Bylaw, the registrant may also maintain insurance on behalf of its directors and officers against liability asserted against such persons in such capacity whether or not such directors or officers have the right to indemnification pursuant to the Bylaw or otherwise.

Sections 55-8-50 through 55-8-58 of the Act contain provisions prescribing the extent to which directors and officers shall or may be indemnified. Section 55-8-51 of the Act permits a corporation, with certain exceptions, to indemnify a present or former director against liability if (i) the director conducted himself in good faith, (ii) the director reasonably believed (x) that the director's conduct in the director's official capacity with the corporation was in its best interests and (y) in all other cases the director's conduct was at least not opposed to the corporation's best interests, and (iii) in the case of any criminal proceeding, the director had no reasonable cause to believe the director's conduct was unlawful. A corporation may not indemnify a director in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation or in connection with a proceeding charging improper personal benefit to the director. The above standard of conduct is determined by the board of directors, or a committee or special legal counsel or the shareholders as prescribed in Section 55-8-55.

Sections 55-8-52 and 55-8-56 of the Act require a corporation to indemnify a director or officer in the defense of any proceeding to which the director or officer was a party against reasonable expenses when the director or officer is wholly successful in the director's or officer's defense, unless the articles of incorporation provide otherwise. Upon application, the court may order indemnification of the director or officer if the director or officer is adjudged fairly and reasonably so entitled under Section 55-8-54.

In addition, Section 55-8-57 permits a corporation to provide for indemnification of directors, officers, employees or agents, in its articles of incorporation or bylaws or by contract or resolution, against liability in various proceedings and to purchase and maintain insurance policies on behalf of these individuals.

The foregoing is only a general summary of certain aspects of North Carolina law dealing with indemnification of directors and officers and does not purport to be complete. It is qualified in its entirety by reference to the relevant statutes, which contain detailed specific provisions regarding the circumstances under which and the person for whose benefit indemnification shall or may be made and accordingly are set forth in Exhibit 99.10 hereto and incorporated herein by reference.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(a) (1) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any

material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be determined to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issues.

"One thing we've learned is that relationships with existing customers represent our greatest opportunity. The challenge for banks is to sell more products to more customers...in order to achieve deeper relationships. And while doing it to create an experience for customers that makes their lives better and easier, and helps them fulfill their goals and dreams."

#### NationsBank. A Growing Franchise

At NationsBank, our goal is to be the premier banking franchise in the country. Indeed, NationsBank is recognized as the country's first truly multi-regional banking company. Yet, being a top U.S banking company means something more to our customers and to you, our shareholders.

Becoming the premier banking franchise in the country means providing unmatched services and products for our customers. By combining our strengths across the franchise, NationsBank has the size, scale and ability to serve our customers when, where and how they want.

To you, as a shareholder, this commitment portends opportunity. As we've grown, we've focused on innovation, effectiveness and efficiency, maximizing our strengths while eliminating unprofitable business lines and inefficient practices.

#### NationsBank. A Promising Future.

At NationsBank, we learned an important lesson early on: in order to take care of our shareholders we must always take care of the customer. Our goal is to lead the markets and businesses in which we choose to compete, and to make a difference in the lives of our customers and communities.

The NationsBank core franchise already spans some of the fastest growing parts of America, covering the mid-Atlantic, South, lower Midwest, and Southwest. With this strategic presence, we intend to serve more new customers over the next decade than any other U.S. bank. And our capabilities mean that we can serve those customers with a wide range of leading products, services, convenience and delivery channels.

Our customers tell us that they want a variety of banking options. And we listen. We locate our ATMs and service centers close to where our customers work, live and shop: inside malls, airports and college campuses, as well as in many grocery store banking centers. Our customers can access NationsBank by using the phone, the Internet or our PC-banking service, 24 hours a day, seven days a week.

The story is similar with our business customers. To help them reach their corporate goals, we act as a financial partner, providing everything from corporate checking to debt and equity services. We are the largest small business lender in the country. In fact, we are the leading bank serving middle market customers throughout our franchise, with twice as many customers as our nearest competitor.

#### Vision in an Evolving Industry

The face of banking is changing dramatically. Restrictive federal and state banking regulations continue to loosen, freeing banks to enter arenas that were previously off-limits. They are now able to more fully participate in the mutual fund, insurance and capital markets industries.

This freedom brings both real challenges and the potential for great success. Only those banks with vision and resources will be able to take full advantage of today's opportunities.

As a shareholder, you'll appreciate three characteristics that distinguish NationsBank in today's competitive environment. First, yours is a growth company. Second, yours is a dynamic and increasingly entrepreneurial company. We will not shy away from recreating NationsBank in order to evolve one step ahead of our customers' needs. Finally, yours is a company with the capital and resources to shape the future of the industry.

The goal for NationsBank is simple: to be the leading bank of the 21st century. That means leading in the minds of customers. It means leading in the businesses and markets where we choose to compete, as well as in our investment in technology, marketing and in our people. Most importantly, it means leading in financial performance and shareholder returns.

Since our inception, NationsBank has relentlessly pursued this vision. It has brought us and our shareholders the successes of the present. It will continue to direct our vision of the future.

"We are committed to harnessing the power of our franchise to produce consistent, high-quality earnings growth and improved profitability for our shareholders."
