Industry Developments

FIA Card Services, National Association (“FIA”) issues credit cards on MasterCard’s and Visa’s networks. MasterCard and Visa are facing significant litigation and increased competition. In 2003, MasterCard and Visa settled a suit by Wal-Mart and other merchants who claimed that MasterCard and Visa unlawfully tied acceptance of debit cards to acceptance of credit cards. Under the settlement MasterCard and Visa are required to, among other things, allow merchants to accept MasterCard or Visa branded credit cards without accepting their debit cards (and vice versa), reduce the prices charged to merchants for off-line signature debit transactions for a period of time, and pay amounts totaling \$3.05 billion into a settlement fund. MasterCard and Visa are also parties to suits in various state courts mirroring the allegations brought by Wal-Mart and the other merchants.

The costs associated with these and other matters could cause MasterCard and Visa to invest less in their networks and marketing efforts and could adversely affect the interchange paid to their member banks, including FIA.

Litigation

Bank of America Corporation and certain of its subsidiaries are defendants in putative class actions filed on behalf of retail merchants that accept Visa and MasterCard payment cards. Additional defendants include Visa, MasterCard, and other financial institutions. Plaintiffs, which seek unspecified treble damages and injunctive relief, allege that the defendants conspired to fix the level of interchange and merchant discount fees and that certain other practices, including various Visa and MasterCard rules, violate federal and California antitrust laws. The class actions, the first of which was filed on June 22, 2005, are coordinated for pre-trial proceedings in the U.S. District Court for the Eastern District of New York, together with individual actions brought only against Visa and MasterCard, under the caption *In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation*. On January 8, 2008, the District Court dismissed all claims for pre-2004 damages.

On May 8, 2008, plaintiffs filed a motion for class certification, which the defendants opposed. On January 29, 2009, the class plaintiffs filed a second amended consolidated complaint.

The class plaintiffs have also filed two supplemental complaints against certain defendants, including Bank of America Corporation and certain of its subsidiaries, relating to MasterCard's 2006 initial public offering (the "MasterCard IPO") and Visa's 2008 initial public offering (the "Visa IPO"). The supplemental complaints, which seek unspecified treble damages and injunctive relief, assert, among other things, claims under federal antitrust laws. On November 25, 2008, the District Court granted defendants' motion to dismiss the supplemental complaint relating to the MasterCard IPO, with leave to amend. On January 29, 2009, plaintiffs amended the MasterCard IPO supplemental complaint and also filed a supplemental complaint relating to the Visa IPO.

Defendants have filed motions to dismiss the second amended consolidated complaint and the MasterCard IPO and Visa IPO supplemental complaints.

Bank of America Corporation and certain of its subsidiaries have entered into agreements with Visa and other financial institutions that provide for sharing liabilities in connection with certain antitrust litigation against Visa, including *In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation* (the Visa-Related Litigation). Under these agreements, Bank of America Corporation's obligations to Visa in the Visa-Related Litigation are capped at Bank of America Corporation's membership interest in Visa USA, which currently is 12.9%. Under these agreements, Visa Inc. placed a portion of the proceeds from the Visa IPO into an escrow to fund liabilities arising from the Visa-Related Litigation, including the 2008 settlement of *Discover Financial Services v. Visa USA, et al.* and the 2007 settlement of *American Express Travel Related Services Company v. Visa USA, et al.* Since the Visa IPO, Visa Inc. has added funds to the escrow, which has the effect of repurchasing Visa Inc. Class A common stock equivalents from the Visa USA members, including Bank of America Corporation.

Substitute information provided in accordance with General Instruction J to Form 10-K:

Item 1119 of Regulation AB: Affiliations and Certain Relationships and Related Transactions

Information required by Item 1119 of Regulation AB has been omitted from this report on Form 10-K in reliance on the Instruction to Item 1119.

Item 1122 of Regulation AB: Compliance with Applicable Servicing Criteria.

(a) Item 1122 Reports: Each of FIA, for itself and on behalf of its affiliated servicing participants, and The Bank of New York Mellon (each, a “Servicing Participant”) has been identified by the registrant as a party participating in the servicing function with respect to the pool assets held by each of BA Master Credit Card Trust II and BA Credit Card Trust. Each Servicing Participant has completed a report on assessment of compliance with the servicing criteria applicable to such Servicing Participant (each, a “Report on Assessment”), which Reports on Assessment are attached as exhibits to this Form 10-K. In addition, each of the Servicing Participants has provided an attestation report (each, an “Attestation Report”) by a registered independent public accounting firm regarding its related Report on Assessment. Each Attestation Report is attached as an exhibit to this Form 10-K.

A Servicing Participant may engage one or more vendors to perform specific and limited activities that address all or a portion of one or more servicing criteria applicable to such Servicing Participant. Each Servicing Participant indicates that it has instituted policies and procedures to monitor whether its vendors’ activities comply in all material respects with such servicing criteria, and has elected to take responsibility for assessing compliance with the servicing criteria applicable to its vendors’ activities in such Servicing Participant’s Report on Assessment.

Except as disclosed below, no Report on Assessment or related Attestation Report has identified (i) any material instance of noncompliance with the servicing criteria identified in such Report on Assessment as applicable to the related Servicing Participant or (ii) any material deficiency in such Servicing Participant’s policies and procedures to monitor vendor compliance.

Exceptions:

The Bank of New York Mellon: The Bank of New York Mellon’s Report on Assessment as of, and for the twelve months ended, June 30, 2010 and the related Attestation Report prepared by KPMG LLP have identified material noncompliance with one servicing criterion applicable to The Bank of New York Mellon. Specifically, with regard to servicing criterion 1122(d)(2)(i) (which contemplates that payments on pool assets are deposited into the appropriate custodial bank accounts and related bank clearing accounts within the time frames specified in the transaction agreements), certain payments on pool assets were not deposited into the appropriate segregated custodial bank account within the time frame required by the related transaction documents. The Bank of New York Mellon indicates that the segregated account for each specified series of securities was in existence prior to the time the deposits were to be made into such account, but such account was not utilized in all instances by the indenture trustee as stated above.

The Bank of New York Mellon further indicates in its Report on Assessment that (i) payments related to each specified series of securities were timely remitted to the investors in such series, and (ii) existing procedures have been reviewed with The Bank of New York Mellon staff to enable future payments to be deposited into the segregated account for each specified series within the applicable time frames. We have not independently verified the accuracy of The Bank of New York Mellon’s assertions or the adequacy of its remediation efforts.

Platform-Level Reports:

Regulations of the Securities and Exchange Commission (the “SEC”) require that each servicing participant complete a report on assessment at a “platform” level, meaning that the transactions covered by the report on assessment should include all asset-backed securities transactions involving such servicing participant that are backed by the same asset type. Subsequent guidance from the SEC staff identifies additional parameters that a servicing participant may apply to define and further limit its platform. For example, a servicing participant may define its platform to include only transactions that were completed on or after January 1, 2006 (the effective date for Regulation AB) and that were registered with the SEC pursuant to the Securities Act of 1933. Each servicing participant is responsible for defining its own platform, and each platform will naturally differ based on various factors, including the servicing participant’s business model, the transactions in which it is involved and the range of activities performed in those transactions.

(b) Other Reports: FIA has completed an assertion letter which states that, as of June 30, 2010, its controls over the functions performed as servicer of BA Master Credit Card Trust II and BA Credit Card Trust are effective in providing reasonable assurance that BA Master Credit Card Trust II and BA Credit Card Trust assets are safeguarded against loss from unauthorized use or disposition and that the servicing of such assets was conducted in conformity with the agreements identified in such letter and recorded properly to permit the preparation of the required financial reports. PricewaterhouseCoopers LLP has produced an accountants report attesting to the fairness of such assertion as of June 30, 2010. Such assertion letter and related accountants report is attached as Exhibit 99.1 to this Form 10-K.

Item 1123 of Regulation AB: Servicer Compliance Statement.

Each of FIA and Banc of America Card Servicing Corporation (“BACSC”) has been identified by the registrant as a servicer with respect to the pool assets held by each of BA Master Credit Card Trust II and BA Credit Card Trust. Each of FIA and BACSC has provided a statement of compliance with the related servicing agreement (each, a “Compliance Statement”), in each case signed by an authorized officer of the related servicer. Each Compliance Statement is attached as an exhibit to this Form 10-K.

The Asserting Party has policies and procedures in place designed to provide reasonable assurance that the Vendor’s activities comply in all material respects with the servicing criteria applicable to such Vendor;

ASSERTION OF COMPLIANCE WITH
APPLICABLE SERVICING CRITERIA

The Bank of New York Mellon (formerly The Bank of New York), BNY Mellon Trust of Delaware (formerly BNYM (Delaware)) and The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust Company, N.A.), (collectively, the “Company”) provides this platform-level assessment of compliance with the servicing criteria specified in Item 1122(d) of Regulation AB promulgated by the Securities and Exchange Commission. Management has determined that the servicing criteria are applicable in regard to the servicing platform as of and for the period as follows:

Platform: Publicly-issued (i.e., transaction-level reporting initially required under the Securities Exchange Act of 1934, as amended) asset-backed securities issued on or after January 1, 2006 and like-kind transactions issued prior to January 1, 2006 that comply with Regulation AB for which the Company provides trustee, securities administration or paying agent services, as defined and to the extent applicable in the transaction agreements, other than residential mortgage-backed securities and other mortgage-related asset-backed securities.

Period: Twelve months ended June 30, 2010 (the “Period”).

Applicable Servicing Criteria: All servicing criteria set forth in Item 1122(d), to the extent required by the related transaction agreements as to any transaction, except as set forth in the column titled “Not Applicable To Platform” in Appendix 1 attached hereto.

With respect to applicable servicing criteria 1122(d)(2)(iii) and 1122(d)(4)(vii), there were no activities performed during the Period with respect to the Platform, because there were no occurrences of events that would require the Company to perform such activities.

With respect to servicing criteria 1122(d)(2)(vi) management has engaged a vendor to perform the activities required by these servicing criteria. Management has determined that this vendor is not considered a “servicer” as defined in Item 1101(j) of Regulation AB, and management has elected to take responsibility for assessing compliance with the servicing criteria applicable to this vendor as permitted by Interpretation 17.06 of the SEC Division of Corporation Finance Manual of Publicly Available Telephone Interpretations (“Interpretation 17.06”). Management has policies and procedures in place designed to provide reasonable assurance that the vendor’s activities comply in all material respects with the servicing criteria applicable to the vendor. Management is solely responsible for determining that it meets the SEC requirements to apply Interpretation 17.06 for the vendor and related criteria.

With respect to the Platform and the Period, the Company provides the following assessment of compliance in respect of the Applicable Servicing Criteria:

1. The Company is responsible for assessing its compliance with the Applicable Servicing Criteria.
2. The Company has assessed compliance with the Applicable Servicing Criteria including servicing criteria for which compliance is determined based on Interpretation 17.06 as described above. In performing this assessment, management used the criteria set forth by the Securities and Exchange Commission in paragraph (d) of Item 1122 of Regulation AB.
3. Based on such assessment, as of and for the Period, the Company has complied, in all material respects, with the Applicable Servicing Criteria other than as identified on Schedule A attached.

KPMG LLP, an independent registered public accounting firm, has issued an attestation report with respect to the Company's compliance with the Applicable Servicing Criteria as of and for the Period.

Material Instances of Non-Compliance by the Company

1122(d)(2)(i): *Payments on pool assets are deposited into the appropriate custodial bank accounts and related bank clearing accounts no more than two business days of receipt, or such other number of days specified in the transaction agreements.*

During the reporting period, certain payments on pool assets were not deposited into the appropriate segregated custodial bank account within the time frame required by the related transaction documents.

The segregated account for each specified series of securities was in existence prior to the time the deposits were to be made into such account but such account was not utilized in all instances by the Trustee as stated above. However, payments related to each specified series of securities were timely remitted to the investors in such series.

Existing procedures have been reviewed with staff to enable future payments to be deposited into the segregated account for each specified series within the applicable time frames.

Appendix B to the Compliance Statement identifies the individual asset-backed transactions and securities defined by management as constituting the Platform. Management is responsible for the Company's compliance with the servicing criteria. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria and performing such other procedures as we considered necessary in the circumstances. Our examination included testing of selected asset-backed transactions and securities that comprise the Platform, testing of selected servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the applicable servicing criteria. Our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to detect noncompliance arising from errors that may have occurred prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

In our opinion, management's assertion that the Company complied with the aforementioned applicable servicing criteria as of and for the year ended June 30, 2010 for the Platform is fairly stated, in all material respects.

Report of Independent Registered Public Accounting Firm

The Board of Directors
The Bank of New York Mellon
BNY Mellon Trust of Delaware
The Bank of New York Mellon Trust Company, N.A.:

We have examined the compliance of The Bank of New York Mellon (formerly The Bank of New York), BNY Mellon Trust of Delaware (formerly BNYM (Delaware)) and The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust Company, N.A.), (collectively, the “Company”) with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission’s Regulation AB for the publicly issued (i.e. transaction-level reporting initially required under the Securities and Exchange Act of 1934, as amended) asset-backed securities issued on or after January 1, 2006 and like-kind transactions issued prior to January 1, 2006 that are subject to Regulation AB for which the Company provides trustee, securities administration or paying agent services, as defined and to the extent applicable in the transaction agreements, other than residential mortgage-backed securities and other mortgage-related asset-backed securities (the Platform), except for servicing criteria 1122(d)(1)(iii), 1122(d)(1)(iv), 1122(d)(4)(vi), 1122(d)(4)(viii), 1122(d)(4)(x), 1122(d)(4)(xi), 1122(d)(4)(xii), 1122(d)(4)(xiii) and 1122(d)(4)(xiv), which the Company has determined are not applicable to the activities it performs with respect to the Platform, as of and for the twelve months ended June 30, 2010. With respect to applicable servicing criteria 1122(d)(2)(iii) and 1122(d)(4)(vii), the Company’s Assertion of Compliance with Applicable Servicing Criteria indicates that there were no activities performed as of and for the twelve months ended June 30, 2010 with respect to the Platform, because there were no occurrences of events that would require the Company to perform such activities. Management is responsible for the Company’s compliance with the servicing criteria. Our responsibility is to express an opinion on the Company’s compliance based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company’s compliance with the servicing criteria specified above and performing such other procedures as we considered necessary in the circumstances. Our examination included testing selected asset-backed transactions and securities that comprise the Platform, testing selected servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the servicing criteria. Furthermore, our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to determine whether errors may have occurred either prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company’s compliance with the servicing criteria.

As described in the accompanying Assertion of Compliance with Applicable Servicing Criteria, for servicing criteria 1122 (d)(2)(vi), the Company has engaged a vendor to perform the activities required by these servicing criteria. The Company has determined that this vendor is not considered a “servicer” as defined in Item 1101(j) of Regulation AB, and the Company has elected to take responsibility for assessing compliance with the servicing criteria applicable to this vendor as permitted by Interpretation 17.06 of the SEC Division of Corporation Finance Manual of Publicly Available Telephone Interpretations (“Interpretation 17.06”). As permitted by Interpretation 17.06, the Company has asserted that it has policies and procedures in place designed to provide reasonable assurance that the vendor’s activities comply in all material respects with the servicing criteria applicable to the vendor. The Company is solely responsible for determining that it meets the SEC requirements to apply Interpretation 17.06 for the vendor and related criteria as described in its assertion, and we performed no procedures with respect to the Company’s eligibility to apply Interpretation 17.06.

Our examination disclosed material noncompliance with the following servicing criterion applicable to the Company as of and for the twelve months ended June 30, 2010. For servicing criterion 1122(d)(2)(i), certain payments on pool assets were not deposited to the appropriate custodial bank accounts as required by the related transaction agreements.

In our opinion, except for the material noncompliance described above, the Company complied, in all material respects, with the aforementioned servicing criteria, including servicing criteria 1122 (d)(2)(vi) for which compliance is determined based on Interpretation 17.06 as described above as of and for the twelve months ended June 30, 2010.

We do not express an opinion or any form of assurance on the last two paragraphs of Schedule A “Material Instances of Non-Compliance by the Company” to management’s Assertion of Compliance with Applicable Servicing Criteria.

Report of Independent Registered Public Accounting Firm

To FIA Card Services, National Association:

We have examined management's assertion, included in the accompanying report by management, titled "Report of Management on BA Master Credit Card Trust II and BA Credit Card Trust Internal Control" (the "Report"), that FIA Card Services, National Association (the "Company"), a wholly owned subsidiary of Bank of America Corporation, maintained effective internal control over the functions performed as servicer of the BA Master Credit Card Trust II (the "Master Trust") and the BA Credit Card Trust (the "Note Trust", together with the Master Trust, the "Trusts"), including each series of the Master Trust and each tranche of the Note Trust as specified in the Report, as of June 30, 2010 to provide reasonable assurance that the Trusts' assets are safeguarded against loss from unauthorized use or disposition and that the servicing of the Trusts' assets is conducted and recorded in conformity with the Second Amended and Restated Pooling and Servicing Agreement for the Master Trust dated October 20, 2006 (the "PSA") between the Company, BA Credit Card Funding, LLC and The Bank of New York Mellon (the "Trustee"), the Series Supplement to Second Amended and Restated Pooling and Servicing Agreement for the Master Trust for each series as specified in the Report (the "Series Supplements") between the Company, BA Credit Card Funding, LLC and the Trustee, the Second Amended and Restated Indenture for the Note Trust dated October 20, 2006 (the "Indenture") and the Amended and Restated BAseries Indenture Supplement dated June 10, 2006 (the "Indenture Supplement"), both between the Note Trust and the Trustee (the PSA, Series Supplements, Indenture and Indenture Supplement, together the "Agreements") to permit the preparation of the required financial reports. The Company's management is responsible for maintaining effective internal control over the functions performed as servicer of the Trusts. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included obtaining an understanding of internal control over the functions performed by the Company as servicer of the Trusts, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

Because of inherent limitations in any internal control, misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal control over the functions performed by the Company as servicer of the Trusts to future periods are subject to the risk that the internal control may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assertion that the Company maintained effective internal control over the functions performed as servicer of the Trusts as of June 30, 2010 to provide reasonable assurance that the Trusts' assets are safeguarded against loss from unauthorized use or disposition and that the servicing of the Trusts' assets is conducted and recorded in conformity with the Agreements to permit

the preparation of the required financial reports is fairly stated, in all material respects, based on the following criteria specified in the Report:

- Funds collected are remitted to the Trustee in accordance with the Agreements.
- The Trusts' assets are segregated from those retained by the Company in accordance with the Agreements.
- Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
- The additions of accounts to the Trusts are authorized in accordance with the Agreements.
- The removals of accounts from the Trusts are authorized in accordance with the Agreements.
- The Trusts' assets amortizing out of the Trusts are calculated in accordance with the Agreements.
- Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- Monthly Trust reports generated in the form of "Exhibits" contain all information required by the Agreements.

Report of Management on BA Master Credit Card Trust II and BA Credit Card Trust Internal Control

FIA Card Services, National Association ("FIA" or the "Company"), a wholly owned subsidiary of Bank of America Corporation, is responsible for establishing and maintaining effective internal control over the functions performed as the servicer of the BA Master Credit Card Trust II and the BA Credit Card Trust (the "Trusts" or individually, the "Trust"). These internal controls are designed to provide reasonable assurance to the Company's management and board of directors that the Trusts' assets are safeguarded against loss from unauthorized use or disposition, and that the servicing of the Trusts' assets was conducted and recorded in conformity with the applicable Pooling and Servicing Agreement, Series Supplements, Indenture and BAseries Indenture Supplement (together the "Agreements") as specified in Appendix I, between FIA as Seller and Servicer, in the case of the Pooling and Servicing Agreement and the Series Supplements, or BA Credit Card Trust, in the case of the Indenture and the BAseries Indenture Supplement, and the applicable Trustee (specific Agreements and Trustees are listed in Appendix I) to permit the preparation of the required financial reports.

Because of inherent limitations in any internal control, no matter how well-designed, misstatements due to error or fraud may occur and not be detected, including the possibility of the circumvention or overriding of internal control. Accordingly, even effective internal control can provide only reasonable assurance with respect to the achievement of any objectives of internal control. Further, because of changes in conditions, the effectiveness of internal control may vary over time.

The Company has determined that the objectives of controls with respect to servicing and reporting of the Trusts' assets are to provide reasonable, but not absolute assurance that:

- Funds collected are remitted to the Trustee in accordance with the Agreements.
 - The Trusts' assets are segregated from those retained by FIA in accordance with the Agreements.
 - Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
 - The additions of accounts to the Trusts are authorized in accordance with the Agreements.
 - The removals of accounts from the Trusts are authorized in accordance with the Agreements.
-

Trust Internal Control (continued)

- The Trusts' assets amortizing out of the Trusts are calculated in accordance with the Agreements.
- Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- Monthly Trust reports generated in the form of "Exhibits" contain all information required by the Agreements.

The Company assessed its internal control over the functions performed as servicer of the Trusts in relation to these criteria. Based upon this assessment, the Company believes that, as of June 30, 2010, its internal control over the functions performed as servicer of the Trusts are effective in providing reasonable assurance that the Trusts' assets are safeguarded against loss from unauthorized use or disposition, and that the servicing of the Trusts' assets was conducted and recorded in conformity with the Agreements to permit the preparation of the required financial reports.
