#### NOTHING TO REPORT

A class designation of notes determines the relative seniority for receipt of cash flows and funding of uncovered defaults on principal receivables allocated to the related series of notes. The Class B notes are subordinate to the Class A notes and the Class C notes are subordinate to the Class B notes. With respect to the tranches in each class of notes, the cash flows and funding of uncovered defaults will be allocated to the tranches on a pro rata basis.

Without noteholder consent, BA Credit Card Trust may issue a new series, class or tranche of notes at any time upon the satisfaction of certain conditions described in the underlying transaction agreements, including confirmation that (i) the issuer reasonably believes that the new issuance will not adversely affect the amount of funds available to be distributed to the holders of any outstanding notes or the timing of such distributions, and (ii) the new issuance will not cause a reduction, qualification or withdrawal of the ratings of any outstanding notes.

In addition, without noteholder consent and without the consent of any holders of certificates issued by BA Master Credit Card Trust II, BA Credit Card Funding, LLC has the right to designate, from time to time, additional eligible credit card accounts to BA Master Credit Card Trust II. In connection with any such designation, BA Credit Card Funding, LLC will transfer the related receivables, whether then existing or thereafter created, to BA Master Credit Card Trust II.

The following table sets forth the delinquency experience for cardholder payments on the credit card accounts comprising the Master Trust II Portfolio for each of the dates shown. The receivables outstanding on the accounts consist of all amounts due from cardholders as posted to the accounts as of the date shown. We cannot provide any assurance that the delinquency experience for the receivables in the future will be similar to the historical experience set forth below.

The following table sets forth the principal charge-off experience for cardholder payments on the credit card accounts comprising the Master Trust II Portfolio for each of the periods shown. Charge-offs consist of write-offs of principal receivables. If accrued finance charge receivables that have been written off were included in total charge-offs, total charge-offs would be higher as an absolute number and as a percentage of the average of principal receivables outstanding during the periods indicated. Average principal receivables outstanding is the average of the daily principal receivables balance during the periods indicated. We cannot provide any assurance that the charge-off experience for the receivables in the future will be similar to the historical experience set forth below.

<sup>\*</sup> All dollar amounts in this table are expressed as dollars in thousands, except for Average Net Loss of Accounts with a Loss, which is expressed as actual dollars.

Total charge-offs are total principal charge-offs before recoveries and do not include any charge-offs of finance charge receivables or the amount of any reductions in average daily principal receivables outstanding due to fraud, returned goods, customer disputes or other miscellaneous adjustments.

Net charge-offs are total charge-offs less recoveries on receivables in Defaulted Accounts, determined as described below. Each month, BANA allocates amounts recovered (net of expenses) from the U.S. credit card portfolio to the Master Trust II Portfolio by dividing the total principal charge-offs for the Master Trust II Portfolio for the related calendar month by the total

principal charge-offs for the U.S. credit card portfolio for the same calendar month. Under the master trust II agreement, recoveries allocated to the Master Trust II Portfolio and transferred to Funding under the receivables purchase agreement are treated as collections of finance charge receivables.

5. Impact of COVID-19 Pandemic and Related Cardholder Relief on the Master Trust II

The coronavirus disease (COVID-19) pandemic has resulted in authorities implementing numerous measures attempting to contain the spread and impact of COVID-19, such as travel bans and restrictions, quarantines, shelter-in-place orders and other limitations on business activity. Additionally, there has been a decline in global economic activity, reduced U.S. and global economic output and a deterioration in macroeconomic conditions in the U.S. and globally. This has resulted in, among other things, higher rates of unemployment and underemployment, and negatively impacted consumer spending and payment patterns. Although some restrictive measures have been eased in certain areas, many of the restrictive measures remain in place or have been reinstated, and in some cases additional restrictive measures are being or may need to be implemented. U.S. and global economies are likely to be negatively impacted for an extended period of time as there remains significant uncertainty about the timing and strength of an economic recovery.

In response to the pandemic, beginning in March 2020, BANA implemented a client assistance program for its cardholders experiencing hardship from impacts of COVID-19, which includes payment deferrals for those cardholders. Under this program, interest continues to accrue and is added to the principal balance each month and, if not otherwise brought current, the delinquency status for the related accounts is reported using the payment status of each account at the time payment deferral was granted. While the vast majority of these deferrals expired in 2020, reflecting a decline in customer requests for assistance, BANA continues to evaluate, and may need to further modify, its policies and programs to continue helping its card customers through the COVID-19 pandemic but any future actions will depend on future developments, which are highly uncertain and difficult to predict. As of July 31, 2021, the portion of the Master Trust II Portfolio subject to payment deferrals under this program was de minimis.

#### Endnotes to Monthly Certificateholders' Statement.

† Current Consolidated Payment Prioritization Methodology Not Fully Comparable with Previous Payment Prioritization Methodologies

Prior to February 5, 2015, BANA utilized two payment prioritization methodologies when servicing credit card accounts -- the daily trust payment methodology and the cardholder cycle payment methodology. For more detailed information regarding these two payment prioritization methodologies, see "Endnotes to Monthly Certificateholders' Statement" in the Monthly Certificateholders' Statement relating to the Monthly Period ending February 28, 2015, included as Exhibit 99.1 to the Form 10-D filed by BA Credit Card Trust with the Securities Exchange Commission on March 16, 2015.

Effective February 5, 2015, BANA implemented a system initiative that consolidated the methodologies into a single payment prioritization methodology. As a result, performance and related metrics reported in these indicated items for the Master Trust II portfolio for the period to which this Monthly Certificateholders' Statement relates were produced by utilizing only BANA's consolidated payment prioritization methodology. Therefore, the performance and related metrics reported in these indicated items are not fully comparable to the same performance and related metrics reported for the Master Trust II Portfolio for periods ending (i) on or prior to February 4, 2015, which were produced using the daily trust payment methodology and (ii) between February 5, 2015 and February 28, 2015, which were produced using a combination of the daily trust payment methodology (for the period from February 1, 2015 through February 4, 2015) and the consolidated payment prioritization methodology (for the period from February 28, 2015).

IN WITNESS WHEREOF, the undersigned has duly executed this certificate this 9th day of August, 2021.

# SCHEDULE TO MONTHLY NOTEHOLDERS' STATEMENT

#### **BAseries**

#### BA CREDIT CARD TRUST

# **MONTHLY PERIOD ENDING July 31, 2021**

Reference is made to the Fifth Amended and Restated Series 2001-D Supplement (the "Series 2001-D Supplement"), dated as of December 17, 2015, among BA Credit Card Funding, LLC as Transferor, Bank of America, National Association ("BANA"), as Servicer, and The Bank of New York Mellon, as Trustee, the Fourth Amended and Restated Indenture (the "Indenture"), dated as of December 17, 2015, and the Third Amended and Restated BAseries Indenture Supplement (the "Indenture Supplement"), dated as of December 17, 2015, each between BA Credit Card Trust, as Issuer, and The Bank of New York Mellon, as Indenture Trustee. Terms used herein and not defined herein have the meanings ascribed to them in the Fifth Amended and Restated 2001-D Supplement, the Fourth Amended and Restated Indenture and the Third Amended and Restated BAseries Indenture Supplement, as applicable.

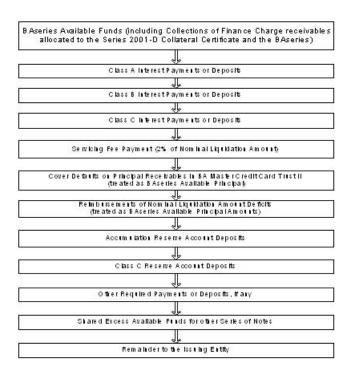

The following computations are prepared with respect to the Transfer Date of August 13, 2021 and with respect to the performance of the Trust during the related Monthly Period.

Data presented in this Schedule to Monthly Noteholders' Statement was produced utilizing BANA's consolidated payment prioritization methodology. See "Current Consolidated Payment Prioritization Methodology Not Fully Comparable with Previous Payment Prioritization Methodologies" in the endnotes below.

Terms and abbreviations used in this report and not otherwise defined herein have the meanings set forth in the certain program documents for the BA Master Credit Card Trust II and the BA Credit Card Trust, as certain of such program documents have been amended, as applicable. Each of these agreements and related amendments, as applicable, has been included as an exhibit to a report on Form 8-K filed by BA Credit Card Funding, LLC, the BA Master Credit Card Trust II and the BA Credit Card Trust, with the Securities and Exchange Commission ("SEC") under File Nos. 0001370238, 0000936988 and 0001128250, respectively, on October 1, 2014, July 8, 2015 or December 18, 2015.

A. In accordance with Section 3.01 of the Third Amended and Restated BAseries Indenture Supplement dated as of December 17, 2015, between BA Credit Card Trust and The Bank of New York Mellon, BAseries Available Funds shall be applied in the priority described in the chart below. This chart is only an overview of the application and priority of payments of BAseries Available Funds. For a more detailed description, please see the Third Amended and Restated BAseries Indenture Supplement as included in Exhibit 4.5 to Registrant's Form 8-K filed with SEC on December 18, 2015.

# Endnotes to Schedule to Monthly Noteholders' Statement.

† Current Consolidated Payment Prioritization Methodology Not Fully Comparable with Previous Payment Prioritization Methodologies

Prior to February 5, 2015, BANA utilized two payment prioritization methodologies when servicing credit card accounts -- the daily trust payment methodology and the cardholder cycle payment methodology. For more detailed information regarding these two payment prioritization methodologies, see "Endnotes to Monthly Certificateholders' Statement" in the Monthly Certificateholders' Statement relating to the Monthly Period ending February 28, 2015, included as Exhibit 99.1 to the Form 10-D filed by BA Credit Card Trust with the Securities Exchange Commission on March 16, 2015.

Effective February 5, 2015, BANA implemented a system initiative that consolidated the methodologies into a single payment prioritization methodology. As a result, performance and related metrics reported in these indicated items for the Master Trust II portfolio for the period to which this Schedule to Monthly Noteholders' Statement relates were produced by utilizing only BANA's consolidated payment prioritization methodology. Therefore, the performance and related metrics reported in these indicated items are not fully comparable to the same performance and related metrics reported for the Master Trust II Portfolio for periods ending (i) on or prior to February 4, 2015, which were produced using the daily trust payment methodology and (ii) between February 5, 2015 and February 28, 2015, which were produced using a combination of the daily trust payment methodology (for the period from February 1, 2015 through February 4, 2015) and the consolidated payment prioritization methodology (for the period from February 28, 2015).

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Monthly Noteholders' Statement this 9th day of August, 2021.
