WHEREAS, the Purchasers are the legal and Beneficial Owners of Variable Rate Municipal Term Preferred Shares ("**VMTP Shares**") of Neuberger Berman California Intermediate Municipal Fund Inc. (the "**Fund**") pursuant to the terms of the purchase agreement, dated as of June 30, 2014, by and among PFC, Blue Ridge and Fund (the "**Purchase Agreement**");

WHEREAS, each Purchaser desires to transfer and assign irrevocably to the Trustee, and the Trustee desires to accept such transfer and assignment of, the right to vote and consent for each Purchaser in connection with all of its voting and consent rights and responsibilities, as set forth in Section 1 below, as a Beneficial Owner of (i) VMTP Shares acquired by such Purchaser pursuant to the Purchase Agreement (such VMTP Shares, when owned by the Purchasers, the "**Subject Shares**") and (ii) any additional shares of VMTP Shares or preferred stock of any class or series of the Fund having voting powers of which an Affiliate of PFC or Blue Ridge is the Beneficial Owner or that either Purchaser becomes the Beneficial Owner of during the term of this Agreement (any such additional preferred stock of the Fund having voting powers being "**Additional Shares**" and when so acquired will become a part of the "**Subject Shares**" covered by this Agreement);

WHEREAS, the Voting Consultant shall analyze any matters requiring the owner of Subject Shares, to vote or consent in its capacity as an equity holder (whether at a meeting or via a consent solicitation), and shall provide a recommendation to the Trustee of how to vote or consent with respect to such voting or consent matters;

WHEREAS, the Voting Consultant and the Trustee are Independent of the Purchasers; and

WHEREAS, the parties hereto desire to set forth in writing their understandings and agreements.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises hereinafter set forth and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending legally and equitably to be bound, hereby agree as follows:

1. Creation of Trust

Each Purchaser hereby irrevocably transfers and assigns to the Trustee, and the Trustee hereby accepts the transfer and assignment of, the right to vote and consent for such Purchaser in connection with all of its voting and consent rights and responsibilities as Beneficial Owner of the Subject Shares with respect to the following matters (collectively, the "**Voting Matters**"):

(a) the election of the two members of the Board of Directors for which holders of VMTP Shares are exclusively entitled to vote under Section 18(a)(2)(C) of the Investment Company Act of 1940, as amended (the "**1940 Act**") and all other rights given to holders of VMTP Shares with respect to the election of the Board of Directors of the Fund;

(b) the conversion of the Fund from a closed-end management investment company to an open-end fund, or to change the Fund's classification from diversified to non-diversified, each pursuant to Section 13(a)(1) of the 1940 Act (any of the foregoing, a "**Conversion**"), together with any additional voting or consent right under the Articles Supplementary and the Purchase Agreement that relates solely to any action or amendment to the Articles Supplementary that is so closely related to the Conversion that it would be impossible to give effect to the Conversion without implicating such additional voting or consent right; *provided* that any such additional voting or consent right shall not include any voting or consent right related to satisfying any additional term, condition or agreement which the Conversion is conditioned upon or subject to;

(c) the deviation from a policy in respect of concentration of investments in any particular industry or group of industries as recited in the Fund's registration statement, pursuant to Section 13(a)(3) of the 1940 Act (a "**Deviation**"), together with any additional voting or consent right under the Articles Supplementary and the Purchase Agreement that relates solely to any action or amendment to the Articles Supplementary that is so closely related to the Deviation that it would be impossible to give effect to the Deviation without implicating such additional voting or consent right; *provided* that any such additional voting or consent right shall not include any voting or consent right related to satisfying any additional term, condition or agreement which the Deviation is conditioned upon or subject to; and

(d) borrowing money, issuing senior securities, underwriting securities issued by other Persons, purchasing or selling real estate or commodities or making loans to other Persons other than in accordance with the recitals of policy with respect thereto in the Fund's registration statement, pursuant to Section 13(a)(2) of the 1940 Act (any of the foregoing, a "**Policy Change**"), together with any additional voting or consent right under the Articles Supplementary and the Purchase Agreement that relates solely to any action or amendment to the Articles Supplementary that is so closely related to the Policy Change that it would be impossible to give effect to the Policy Change without implicating such additional voting or consent right; *provided* that any such additional voting or consent right shall not include any voting or consent right related to satisfying any additional term, condition or agreement which the Policy Change is conditioned upon or subject to.

In order to effect the transfer of voting and consent rights with respect to the Voting Matters, each of the Purchasers hereby irrevocably appoints and constitutes, and will cause each of their Affiliates who are Beneficial Owners of any Subject Shares to irrevocably appoint and constitute, the Trustee as its attorney-in-fact and agrees, and agrees to cause each of such Affiliates, to grant the Trustee one or more irrevocable proxies with respect to the Voting Matters and further agrees to renew any such proxies that may lapse by their terms while the Subject Shares are still subject to the Voting Trust Agreement.

The Purchasers will retain all other voting rights under the Related Documents and the Purchasers, each of their Affiliates or designees will also be the registered owner of the VMTP Shares. If any dividend or other distribution in respect of the Subject Shares is paid, such dividend or distribution will be paid directly to PFC or Blue Ridge, as applicable, or its Affiliate or designee owning such Subject Shares; *provided*, that, any Additional Shares will become part of the Subject Shares covered by this Agreement.

(b) of the type specified in clauses (3) or (4) of the definition of Excluded Transfer, to the extent the Purchasers retain the right to vote or direct voting in connection with such transactions, the Subject Shares shall remain subject to this Agreement until such time as there is a default by such Purchaser under such repurchase transaction or collateral pledge arrangement; and

(c) of the type specified in clauses (3) or (4) of the definition of Excluded Transfer, to the extent such Purchaser does not retain the right to vote or direct voting of such Subject Shares in such transactions, such transactions do not permit the removal of the Subject Shares' rights transferred to the Voting Trust pursuant to this Agreement within the first 60 days of closing of such transferee becoming the Beneficial Owner of such Subject Shares unless there is a default by such Purchaser under such repurchase transaction or collateral pledge arrangement.

4. Trustee

(a) **Rights And Powers Of Trustee.** With respect to Subject Shares where either Purchaser is the Beneficial Owner, the Trustee shall, in person or by nominees, agents, attorneys-in-fact, or proxies, have the right and the obligation to exercise its discretion with respect to all Voting Matters requiring holders of VMTP Shares to vote or consent with respect to and including voting or consenting to any corporate or shareholder action of any kind whatsoever, subject to the terms of this Agreement. The Trustee shall be obligated to vote any Voting Matter in accordance with the provisions of this Agreement.

The Trustee shall not be required to give any bond or other security for the discharge of the Trustee's duties.

(c) **Resignation of and Successor Trustee.** The Trustee may at any time resign the Trustee's position as Trustee by delivering a resignation in writing to the Purchasers and the Voting Consultant to become effective 90 days after the date of such delivery, but in any event such notice shall not become effective prior to the acceptance of a successor Trustee. The Trustee shall nominate a successor Trustee acceptable to the Purchasers, who shall have all rights, powers and obligations of the resigning Trustee as set forth in this Agreement, and all rights, powers and obligations of the resigning Trustee hereunder shall immediately terminate upon the acceptance by the successor Trustee of such nomination and the execution of this Agreement by the successor Trustee as "Trustee" hereunder. No such resignation shall become effective until such time as a successor Trustee has been appointed and such appointment has been accepted. The fact that any Trustee has resigned such Trustee's position as a Trustee shall not act, or be construed to act, as a release of any Subject Shares from the terms and provisions of this Agreement.

(d) **Removal.** The Trustee may be removed by either Purchaser upon 30 days prior written notice upon either (i) a material breach by the Trustee of its obligations hereunder or (ii) any action or inaction of the Trustee which constitutes bad faith, negligence or wilful misconduct in the performance of its obligations hereunder.

(e) **Independent.** The Trustee represents that it is Independent of PFC and Blue Ridge.

5. Voting Consultant

For the avoidance of doubt, the Voting Consultant's maximum liability shall be limited to an amount not to exceed the total amounts of the fees the Voting Consultant receives from the Purchasers under the Master Agreement in any one year period for any and all claims made within that one year period; *provided* that if a breach of Section 5(e) is determined to have occurred, the sole remedy shall be the immediate removal of the Voting Consultant by the Purchasers in the Purchasers' sole discretion and no monetary damages shall be due or payable. In addition, the Voting Consultant shall not be liable for any action taken by the Trustee contrary to the recommendations provided by the Voting Consultant.

(b) **Resignation of and Successor Voting Consultant.** The Voting Consultant may at any time resign the Voting Consultant's position as Voting Consultant by delivering a resignation in writing to the Purchasers and to the Trustee to become effective 90 days after the date of such delivery. Upon receipt of the Voting Consultant's written resignation, the Purchasers shall use commercially reasonable efforts to appoint a successor Voting Consultant which has been consented to by the Trustee, such consent not to be unreasonably withheld. If the Voting Consultant shall resign but a successor Voting Consultant has not assumed all of the Voting Consultant's duties and obligations within 90 days of such resignation, the Voting Consultant may petition any court of competent jurisdiction for the appointment of a successor Voting Consultant. No such resignation shall become effective until such time as a successor Voting Consultant has been appointed and such appointment has been accepted.

(c) **Removal.** The Voting Consultant may be removed by either Purchaser upon 30 days prior written notice upon either (i) a material breach by the Voting Consultant of its obligations hereunder or (ii) any action or inaction of the Voting Consultant which constitutes bad faith, gross negligence or wilful misconduct in the performance of its obligations hereunder.

(d) **Contract.** A separate contract, that certain Master Services Agreement No. (24828001-001) by and among the Voting Consultant, PFC and Blue Ridge, as may be amended from time to time with the prior written consent of the parties thereto (the "**Master Agreement**"), sets forth additional details, including fees, pursuant to which the Voting Consultant is providing the services contemplated hereunder.

2. Registration Rights; Applicability of Rights. The Holders shall be entitled to the rights with respect to the registration of the Registrable Securities set forth in this Agreement.

3. Demand Registration.

3.1. *Request for Registration.* If the Fund receives from the Majority Holders (referred to as the "**Initiating Holder(s)**") a request in writing that the Fund effect any Registration with respect to the Registrable Securities held by such Initiating Holder(s), subject to the terms of this Agreement, the Fund shall (i) within ten (10) days of receipt of such written request, give written notice of the proposed Registration to all other Holders, and (ii) as soon as practicable, use its commercially reasonable efforts to effect Registration of those Registrable Securities ("**Demand Registration**") which the Fund has been so requested to register, together with all other Registrable Securities which the Fund has been requested to register by Holders thereof by written request given to the Fund within twenty (20) days after receiving written notice from the Fund, subject to the limitations of this Section 3. The Fund shall not be obligated to take any action to effect any Registration pursuant to this Section 3.1 after the Fund has effected one Registration pursuant to this Section 3.1 and such Registration has been declared or ordered effective (and has not been subject to a "stop order" of the Commission). The substantive provisions of Section 3.3 shall be applicable to any Registration initiated under this Section 3.1.

3.2. *Right of Deferral.* Notwithstanding the foregoing, the Fund shall not be obligated to file a Registration Statement pursuant to this Section 3 if the Fund furnishes to those Holders requesting Registration of Registrable Securities a certificate signed by the chief executive officer or chairman of the Board of the Fund stating that in the good faith judgment of the Board it would be seriously detrimental to the Fund or its stockholders for a Registration Statement to be filed in the near future. In such event, the Fund's obligation to use its commercially reasonable efforts to file a Registration Statement shall be deferred for a period not to exceed 90 days from the receipt of the request to file the Registration Statement by the Initiating Holder(s); *provided*, that the Fund shall not exercise the right to delay a request contained in this Section 3.2 more than once in any 12 month period, and *provided further*, that during such 90 day period, the Fund shall not file a Registration Statement with respect to any preferred shares of the Fund except as otherwise may be agreed in writing by the Parties.

3.3. *Underwriting in Demand Registration.*

(a) *Notice of Underwriting.* If the Initiating Holder(s) intend to distribute the Registrable Securities covered by their request by means of an underwriting, they shall so advise the Fund as a part of their request made pursuant to this Section 3, and the Fund shall include that information in the written notice referred to in Section 3.1 of this Agreement. The right of any Holder to Registration pursuant to this Section 3 shall be conditioned upon such Holder's agreement to participate in the underwriting and the inclusion of that Holder's Registrable Securities in the underwriting to the extent provided herein.

(b) *Selection of Underwriter in Demand Registration.* The Fund shall (together with all Holders proposing to distribute their securities through the underwriting) enter into an underwriting agreement in customary form for an underwritten offering made solely by selling shareholders with the underwriter or, if more than one, the lead underwriter acting as the representative of the underwriters (such underwriter or lead underwriter, in either case, the "**Underwriters' Representative**") selected for the underwriting by the Initiating Holder(s) with the consent of the Fund, not to be unreasonably withheld.

(c) *Marketing Limitation in Demand Registration.* Notwithstanding any other provision of this Section 3, in the event the Underwriters' Representative advises the Fund in writing that market factors (including, without limitation, the aggregate number of VMTP Shares requested to be Registered, the general condition of the market, and the status of the Persons proposing to sell securities pursuant to the Registration) require a limitation of the number of shares to be underwritten, then the Fund shall so advise all Holders of Registrable Securities that would otherwise be underwritten pursuant hereto, and the number of shares of Registrable Securities that may be included in the Registration and underwriting shall be allocated among all Holders of such Registrable Securities on a pro rata basis based on the number of Registrable Securities requested to be included in the Registration by all such selling Holders (including the Initiating Holder(s)); *provided, however*, that the number of Registrable Securities to be included in any such underwriting held by Holders shall not be reduced unless all other securities of the Fund, its Affiliates and Neuberger Persons are first entirely excluded from the underwriting. Unless the prior written consent of the Majority Holders has been obtained, the number of the Registrable Securities included in any such underwriting shall not be reduced to less than 90% of the number of the Registrable Securities requested to be included. Any Registrable Securities or other securities excluded from the underwriting by reason of this Section 3.3(c) shall be withdrawn from the Registration. To facilitate the allocation of shares in accordance with the foregoing, the Fund or the underwriters may round the number of shares allocated to any Holder to the nearest one share.

(d) *Right of Withdrawal in Demand Registration.* If any Holder of Registrable Securities (other than the Initiating Holder(s)) disapproves of the terms of the underwriting, such Holder may elect to withdraw therefrom by written notice to the Fund and the Underwriters' Representative proposing to distribute their securities through the underwriting, delivered at least 20 days prior to the effective date of the Registration Statement. The securities so withdrawn shall also be withdrawn from the

Registration Statement.

4. Expenses of Registration. All Registration Expenses incurred in connection with any Registration pursuant to Section 3.1 shall be borne by the Fund.

5. Assignability of Registration Rights; Termination of Registration Rights; Limitation on Subsequent Registration Rights

5.1. *Assignability of Registration Rights.* Except as provided in Section 8.11, no Party may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the written consent of the other Party to this Agreement.

5.2. *Termination of Registration Rights.* The rights to cause the Fund to register Registrable Securities granted under Section 3 of this Agreement and to receive notices pursuant to Section 3 of this Agreement, shall terminate on the earliest of (i) the 27 month anniversary of the Effective Date, (ii) a notice of redemption having been issued by the Fund under the Articles for the redemption of all of the Registrable Securities, or the repurchase by the Fund (including by exchange of securities) and cancellation of all of the Registrable Securities and (iii) the date a Demand Registration has been effected and the Registrable Securities have been sold or otherwise disposed of in accordance with the plan of distribution set forth in the Registration Statement and Prospectus relating thereto or all Holders have withdrawn from the Demand Registration.

6. Registration Procedures and Obligations. Whenever required under this Agreement to effect the Registration of any Registrable Securities, the Fund shall, as expeditiously as commercially reasonably possible:

(b) subject to Section 6(a), prepare and file with the Commission such amendments and post-effective amendments to such Registration Statement as may be necessary to keep such Registration Statement effective for the applicable period set forth in Section 6(a)(ii); cause each such Prospectus to be supplemented by any required prospectus supplement, and as so supplemented to be filed pursuant to applicable rules under the Securities Act; and comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities covered by such Registration Statement during the applicable period set forth in Section 6(a)(ii) in accordance with the intended method or methods of distribution by the selling Holders thereof, as set forth in such Registration Statement;

(c) furnish to each Holder for which the Registrable Securities are being registered and to each underwriter of an underwritten offering of the Registrable Securities, if any, without charge, as many copies of each Prospectus, including, without limitation, each preliminary Prospectus, and any amendments or supplements thereto and such other documents as such Holder or underwriter may reasonably request in order to facilitate the public sale or other disposition of the Registrable Securities; the Fund hereby consents to the use of the Prospectus, including, without limitation, each preliminary Prospectus, by each Holder for which the Registrable Securities are being registered and each underwriter of an underwritten Public Offering of the Registrable Securities, if any, in connection with the offering and sale of the Registrable Securities covered by the Prospectus or the preliminary Prospectus, as applicable;

(d) (i) use its commercially reasonable efforts to register or qualify the Registrable Securities, no later than the time the applicable Registration Statement is declared effective by the Commission, under all applicable state securities or Blue Sky laws of such United States jurisdictions as the Underwriters' Representative, if any, or any Holder having Registrable Securities covered by a Registration Statement, shall reasonably request; (ii) use its commercially reasonable efforts to keep each such registration or qualification effective during the period such Registration Statement is required to be kept effective; and (iii) do any and all other acts and things which may be reasonably necessary or advisable to enable each underwriter, if any, and any such Holder to consummate the disposition in each such jurisdiction of such Registrable Securities the registration of which such Holder is requesting; *provided, however*, that the Fund shall not be obligated to qualify to do business or to file a general consent to service of process in any such state or jurisdiction, unless the Fund is already subject to service in such jurisdiction and except as may be required by the Securities Act;

(e) notify each Holder for which the Registrable Securities are being registered promptly, and, if requested by such Holder, confirm such advice in writing, (i) when such Registration Statement has become effective and when any post-effective amendments and supplements thereto become effective, (ii) of the issuance by the Commission or any state securities authority of any stop order, injunction or other order or requirement suspending the effectiveness of such Registration Statement or the initiation of any proceedings for that purpose, (iii) if, between the effective date of such Registration Statement and the closing of any sale of Registrable Securities covered thereby pursuant to any agreement to which the Fund is a party relating to such sale, the representations and warranties of the Fund contained in such agreement cease to be true and correct in all material respects or if the Fund receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, and (iv) of the happening of any event during the period such Registration Statement is effective as a result of which such Registration Statement or the related Prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(f) furnish a designated single counsel for each of the underwriters, if any, and for the Holders for which the Registrable Securities are being registered, copies of any request by the Commission or any state securities authority for amendments or supplements to a Registration Statement and Prospectus or for additional information;

(g) use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement at the earliest possible time;

(h) upon request, furnish to the Underwriters' Representative of an underwritten Public Offering of the Registrable Securities, if any, without charge, at least one signed copy of such Registration Statement and any post-effective amendment thereto, including financial statements and schedules, all documents incorporated therein by reference and all exhibits; and furnish to each Holder for which the Registrable Securities are being registered, without charge, at least one conformed copy of each Registration Statement and any post-effective amendment thereto (without documents incorporated therein by reference or exhibits thereto, unless requested);

(i) upon the occurrence of any event contemplated by paragraph (e)(iv) of this Section, use commercially reasonable efforts to prepare a supplement or post-effective amendment to such Registration Statement or the related Prospectus, or any document incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities, such Prospectus will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(j) enter into customary agreements (including, in the case of an underwritten Public Offering, underwriting agreements in customary form for sales only by selling shareholders, and including provisions with respect to indemnification and contribution in customary form and consistent with the provisions relating to indemnification and contribution contained herein) and take all other customary and appropriate actions that are commercially reasonable in order to expedite or facilitate the disposition of such Registrable Securities in accordance with the plan of distribution set forth in the Registration Statement and the Prospectus, and in connection therewith:

(i) in the case of any underwritten Public Offering, make such representations and warranties to (x) the underwriters and (y) insofar as they relate to the nature and the validity of the offering, the selling Holders of such Registrable Securities, in form, substance and scope as are customarily made by

issuers to underwriters in similar underwritten offerings;

(ii) in the case of any underwritten Public Offering, obtain opinions of counsel to the Fund and updates thereof addressed to (x) the underwriters and (y) insofar as they relate to the nature and the validity of the offering, each selling Holder, covering the matters customarily covered in opinions requested in similar underwritten offerings and such other matters as may be reasonably requested by underwriters and such Holders (and which opinions (in form, scope and substance) shall be reasonably satisfactory to the Underwriters' Representative, if any, and, where relevant, the Majority Holders of the Registrable Securities being sold);

(iii) in the case of any underwritten Public Offering, obtain "comfort" letters or "agreed-upon procedures" letters and updates thereof from the Fund's independent certified public accountants addressed to the selling Holders of the Registrable Securities, if permissible, and underwriters, which letters shall be customary in form and shall cover matters of the type customarily covered in such letters to underwriters and such Holders in connection with firm commitment underwritten offerings;

(iv) to the extent requested and customary for the relevant transaction, enter into a securities sales agreement with the selling Holders providing for, among other things, the appointment of such representative as agent for the selling Holders for the purpose of soliciting purchases of the Registrable Securities, which agreement shall be customary in form, substance and scope and shall contain customary representations, warranties and covenants relating to the nature and validity of the offering; and

(v) deliver such customary documents and certificates as may be reasonably requested by a designated representative of the Majority Holders of the Registrable Securities being sold (the "**Designated Representative**") or by the Underwriters' Representative, if any;

(k) make available for inspection by the Designated Representative and by any underwriters participating in any disposition pursuant to such Registration Statement and a single counsel or accountant retained by such Holders or by counsel to such underwriters, all relevant financial and other records, pertinent corporate documents and properties of the Fund and cause the respective officers, directors and employees of the Fund to supply all information reasonably requested by such Designated Representative, underwriter, counsel or accountant in connection with such Registration Statement;

(l) within a reasonable time prior to the filing of any Registration Statement, any Prospectus, any amendment to a Registration Statement or amendment or supplement to a Prospectus, provide copies of such document to the selling Holders of the Registrable Securities and to counsel to such Holders and to the underwriter or underwriters of a underwritten Public Offering of the Registrable Securities, if any; fairly consider such reasonable changes in any such document prior to or after the filing thereof as the counsel to the Holders or the underwriter or the underwriters may request and not file any such document in a form to which the Majority Holders of the Registrable Securities being registered or any Underwriters' Representative shall reasonably object unless required by law; and make such of the representatives of the Fund as shall be reasonably requested by the Designated Representative or the Underwriters' Representative available for discussion of such document;

(m) otherwise use its commercially reasonable efforts to comply with all applicable rules and regulations of the Commission, including making available to its security holders an earnings statement covering at least 12 months which shall satisfy the provisions of the Securities Act and the rules thereunder;

(n) cooperate and assist in any filings required to be made with FINRA and in the performance of any due diligence investigation by any underwriter in an underwritten offering; and

(o) use its commercially reasonable efforts to facilitate the distribution and sale of any Registrable Securities to be offered pursuant to this Agreement, including without limitation by participating in domestic road show presentations, holding meetings with potential investors and taking such other actions as shall be reasonably requested by the Designated Representative or the lead managing underwriter of an underwritten offering.

Each selling Holder of the Registrable Securities as to which any Registration is being effected pursuant to this Agreement agrees, as a condition to the Registration obligations with respect to such Holder provided herein, to furnish to the Fund such information regarding such Holder required to be included in the Registration Statement, the ownership of the Registrable Securities by such Holder (including information on the Persons having voting and dispositive control thereof) and the proposed distribution by such Holder of such Registrable Securities as the Fund may from time to time reasonably request in writing. Each selling Holder of the Registrable Securities as to which any Registration is being effected pursuant to this Agreement also agrees, as a condition to the Registration obligations with respect to such Holder provided herein, to suspend use of any Prospectus if it has received the notification contemplated by Section 6(e)(iv) until such time as the Fund notifies such Holder that it has complied with Section 6(i) above.

7. Indemnification.

7.1. Fund's Indemnification of Holders. The Fund agrees to indemnify and hold harmless each Holder and each other Holder Indemnified Person from and against any losses, claims, damages, liabilities or expenses incurred by them (including reasonable fees and disbursements of outside counsel) which are related to or arise out of any untrue or alleged untrue statement of a material fact contained in a Registration Statement, any Prospectus or in any amendment or supplement thereto, or arise out of or relate to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, except to the extent, but only to the extent, that (i) such untrue statements or omissions are based solely upon information regarding such Holder or its Affiliates furnished in writing to the Fund by such Holder or such Holder's counsel expressly for use therein, or to the extent that such information relates to such Holder or its Affiliates, or such Holder's proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by such Holder or such Holder's counsel expressly for use in a Registration Statement, such Prospectus or in any amendment or supplement thereto or (ii) in the case of an occurrence of an event of the type specified in Section 6(e)(iv), the use by such Holder of an outdated, defective or otherwise unavailable Prospectus after the Fund has notified such Holder in writing that the Prospectus is unavailable for use by such Holder and prior to the receipt by such Holder of a notice that the Fund has complied with Section 6(i) above.

7.2. Holders' Indemnification of Fund. Each Holder, severally and not jointly, agrees to indemnify and hold harmless the Fund and each other Fund Indemnified Person from and against any losses, claims, damages, liabilities or expenses incurred by them (including reasonable fees and disbursements of outside counsel) which are related to or arise out of any untrue or alleged untrue statement of a material fact contained in a Registration Statement, any Prospectus or in any amendment or supplement thereto, or arise out of or relate to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or supplement thereto, in light of the circumstances under which they were made), to the extent, but only to the extent, that (A) such untrue statements or omissions are based solely upon information regarding such Holder or its Affiliates furnished in writing to the Fund by such Holder or such Holder's counsel expressly for use therein, or to the extent that such information relates to such Holder or its Affiliates or such Holder's proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by such Holder or such Holder's counsel expressly for use in a Registration Statement, such Prospectus or in any amendment or supplement thereto or (B) in the case of an occurrence of an event of the type specified in Section 6(e)(iv), the use by such Holder of an outdated, defective or otherwise unavailable Prospectus after the Fund has notified such Holder in writing that the Prospectus is unavailable for use by such Holder and prior to the receipt by such Holder of a notice that the Fund has complied with Section 6(i) above. In no event shall the liability of any selling Holder under this Section 7.2 be greater in amount than the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation, except in the case of fraud or willful misconduct.

7.3. Indemnification Procedure. If any action, suit, proceeding or investigation shall be brought or asserted against any Person entitled to indemnity hereunder (the "**Indemnified Party**"), such Indemnified Party shall notify the Person from whom indemnity is sought (the "**Indemnifying Party**") in writing with reasonable promptness; *provided, however,* that any failure by an Indemnified Party to notify the Indemnifying Party shall not relieve the Indemnifying Party from its obligations hereunder (except to the extent that the Indemnifying Party is materially prejudiced by such failure to promptly notify). The Indemnifying Party shall be entitled to assume the defense of any such action, suit, proceeding or investigation, including the employment of counsel reasonably satisfactory to the Indemnified Party. The Indemnified Party shall have the right to separate counsel of its own choice to represent it, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (i) the Indemnifying Party has failed promptly to assume the defense and employ counsel reasonably satisfactory to the Indemnified Party in accordance with the preceding sentence or (ii) the Indemnified Party shall have been advised by counsel that there exist actual or potential conflicting interests between the Indemnifying Party and such Indemnified Party, including situations in which one

or more legal defenses may be available to such Indemnified Party that are different from or additional to those available to the Indemnifying Party; *provided, however*, that the Indemnifying Party shall not, in connection with any one such action or proceeding or separate but substantially similar actions or proceedings arising out of the same general allegations, be liable for fees and expenses of more than one separate firm of attorneys at any time for all Indemnified Parties of the other party; and such counsel shall, to the extent consistent with its professional responsibilities, cooperate with the Indemnifying Party and any counsel designated by the Indemnifying Party.

The Indemnifying Party shall not be liable for any settlement of any such action, suit, investigation or proceeding effected without its written consent, which consent shall not be unreasonably withheld, conditioned or delayed. No Indemnifying Party will, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought by the Indemnified Party hereunder (whether or not any Indemnified Party is an actual or potential party to such claim, action, suit or proceeding) unless such settlement, compromise or consent includes an unconditional release of each Indemnified Party from all liability and obligations arising therefrom.

7.4. Contribution. Each Indemnifying Party also agrees that if any indemnification sought by an Indemnified Party pursuant to this Agreement is unavailable or insufficient, for any reason, to hold harmless the Indemnified Party in respect of any losses, claims, damages or liabilities (or actions in respect thereof), then the Indemnifying Party, in order to provide for just and equitable contribution, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, liabilities, damages and expenses (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the Fund on the one hand and the Holders on the other, in connection with the statements or omissions or alleged statements or omissions that resulted in such losses, claims, damages, liabilities or expenses (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of the parties shall be determined by reference to, among other things, whether the actions taken or omitted to be taken in connection with the proposed transactions contemplated by this Agreement (including any misstatement of a material fact or the omission to state a material fact) relates to information supplied by the Fund on the one hand, or the Holder on the other, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, misstatement or alleged omission, and any other equitable considerations appropriate in the circumstances. No Person found liable for a fraudulent misrepresentation shall be entitled to contribution from any Person who is not also found liable for such fraudulent misrepresentation. In no event shall the liability of any selling Holder under this Section 7.4 be greater in amount than the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such contribution obligation, except in the case of fraud or willful misconduct. The indemnity, reimbursement and contribution obligations under this Agreement shall be in addition to any rights that any Indemnified Party may have at common law or otherwise.

7.5. No Limitations. Nothing in this Section 7 is intended to limit any party's obligations contained in other parts of this Agreement or any other agreements or instruments with respect to the VMTP Shares, provided that no amount shall be reimbursed twice in any event.

7.6. Conflicts. Notwithstanding the foregoing, to the extent that provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with the underwritten public offering are in conflict with the foregoing provisions, the provisions in the underwriting agreement shall control.

8. Miscellaneous.

8.1. Governing Law. This Agreement shall be construed in accordance with and governed by the domestic law of the State of New York.

THE PARTIES HERETO HEREBY SUBMIT TO THE NON-EXCLUSIVE JURISDICTION OF THE FEDERAL AND NEW YORK STATE COURTS LOCATED IN THE CITY OF NEW YORK IN CONNECTION WITH ANY DISPUTE RELATED TO THIS AGREEMENT OR ANY MATTERS CONTEMPLATED HEREBY.

8.2. No Waivers.

- (a) The obligations of the Fund and the Shareholders and their Permitted Transferees hereunder shall not in any way be modified or limited by reference to any other document, instrument or agreement (including, without limitation, the VMTP Shares). The rights of the Shareholders hereunder are separate from and in addition to any rights that any Holder of any VMTP Share may have under the terms of such VMTP Share or otherwise.
- (b) No failure or delay by the Fund or the Shareholders in exercising any right, power or privilege hereunder or under the VMTP Shares shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. No failure or delay by the Fund or the Shareholders in exercising any right, power or privilege under or in respect of the VMTP Shares shall affect the rights, powers or privileges of the Fund or the Shareholders hereunder or shall operate as a limitation or waiver thereof. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

8.3. Specific Performance. Each Party hereby acknowledges that the remedies at law of the other Parties for a breach or threatened breach of this Agreement would be inadequate and, in recognition of this fact, any Party, without posting any bond, and in addition to all other remedies that may be available, shall be entitled to seek equitable relief in the form of specific performance, injunctions or any other equitable remedy.

8.4. Waiver of Jury Trial. The Fund and the Shareholders hereby waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other on any matters whatsoever arising out of or in any way connected with this Agreement.

8.5. Counterparts and Facsimile Execution. This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Any counterpart or other signature delivered by facsimile or electronic mail shall be deemed for all purposes as being a good and valid execution and delivery of this Agreement by that party.

8.6. Headings. The headings of the Sections of this Agreement are for convenience and shall not by themselves determine the interpretation of this Agreement.

8.7. Notices. All notices, requests and other communications to any party hereunder shall be in writing (including electronic mail or similar writing), and shall be given to such party at its address or email address set forth below or such other address or telecopy number or email address as such party may hereafter specify for the purpose by notice to the other parties. Each such notice, request or other communication shall be effective when delivered at the address specified in this Section. The notice address for each party is specified below:

8.8. *Amendments and Waivers.* Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Fund and the Holders of not less than a majority of the Registrable Securities (calculated on an as-converted basis).

8.9. *Severability.* In case any provision of this Agreement shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby so long as the intent of the Parties to this Agreement is preserved.

8.10. *Entire Agreement.* This Agreement and the Purchase Agreement shall constitute the entire agreement and understanding between the parties hereto with respect to the matters set forth herein and shall supersede any and all prior agreements and understandings relating to the subject matter hereof.

8.11. *Successors and Assigns; Assignment.* The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns by merger or the operation of law. Neither the Fund nor any of the Shareholders may assign or otherwise transfer any of its rights or obligations under this Agreement without the prior written consent of the other party (other than by merger or operation of law), except that prior to the VMTP Shares being registered under the Securities Act, any transferee of VMTP Shares satisfying the requirements set forth in Section 2.1(b) of the Purchase Agreement shall have the rights of a Holder hereunder so long as it has executed a Transferee Certificate in the form contemplated by the Purchase Agreement and otherwise agrees to be bound by the provisions of this Agreement. Any assignment without such prior written consent shall be void.

8.12. *Transfers to TOBs.* In the event that either Shareholder transfers, in accordance with Section 2.1(b) of the Purchase Agreement, VMTP Shares to a tender option bond trust in which such Shareholder (or an Affiliate of such Shareholder) retains a residual interest, for so long as no event has occurred that results in the termination of such tender option bond trust, for purposes of the rights granted to Holders under this Agreement, such Shareholder, and not such tender option bond trust, shall be deemed to be the actual owner of such VMTP Shares. The deemed ownership provided for in this [Section 8.12](#) shall last until the earliest of the termination of such tender option bond trust; the agreement by the Issuer and such Shareholder to terminate such deemed ownership; and the good-faith determination by such Purchaser that such deemed ownership has adverse tax, legal or other regulatory consequences or is otherwise no longer consistent with applicable law.

8.13. *Effectiveness of this Agreement.* This Agreement shall be effective as of the Effective Date and the rights and obligations of the Parties contained herein in

each case shall be binding as of the Effective Date.

PURCHASE AND TRANSFERS, COSTS AND EXPENSES; ADDITIONAL FEE

2.1 Purchase and Transfer of the VMTP Shares

(a) On the Effective Date the BoAPFC Purchaser will acquire 345 of the VMTP Shares and the Blue Ridge Purchaser will acquire 245 of the VMTP Shares, sold on initial issuance in a transaction (which, based upon the representations of the Issuer and each Purchaser herein, is exempt from registration under the Securities Act), in each case, by payment of the relevant Purchase Price in immediately available funds to the Issuer through the account of its Custodian or its agent at the Securities Depository.

(b) Each Purchaser agrees that it may only make offers and sales of the VMTP Shares in compliance with the Securities Act and applicable state securities laws (1)(i) to Persons that it reasonably believes are QIBs that are (a) registered closed-end management investment companies, the shares of which are traded on a national securities exchange, and registered open-end management investment companies, in each case that (X) are either sponsored or managed by an entity listed on Schedule 2 or any other entity that is controlled by, controlling or under common control with an entity listed on Schedule 2 and (Y) invest primarily in municipal obligations (each, a “Registered Investment Company”); (b) banks or entities that are 100% direct or indirect subsidiaries of banks’ publicly traded parent holding companies (collectively, “Banks”); or (c) insurance companies, in each case, pursuant to Rule 144A or another available exemption from registration under the Securities Act, in a manner not involving any public offering within the meaning of Section 4(a)(2) of the Securities Act, (ii) to tender option bond trusts that are not covered funds under Section 13 of the Bank Holding Company Act of 1956, as amended, in which all investors are Persons that such Purchaser reasonably believes are QIBs that are Registered Investment Companies, Banks or insurance companies (or, in the case of a tender option bond trust in which an affiliate of the Purchaser retains a residual interest, an affiliate of the Purchaser that is a wholly owned direct or indirect subsidiary of Bank of America Corporation) or (iii) to other investors with the prior written consent of the Issuer and (2) unless the prior written consent of the Issuer and the Majority Participants has been obtained, not to Neuberger Persons if such Neuberger Persons would, after such sale and transfer, own more than 20% of the Outstanding VMTP Shares. Any transfer in violation of the foregoing restrictions shall be void *ab initio*. In the event that a Purchaser intends to transfer the VMTP Shares, that Purchaser shall provide written notice to the Fund, which notice shall be signed by such Purchaser, indicating the Purchaser’s intent to transfer the VMTP Shares and the name of the intended transferee at least three (3) Business Days in advance of the transfer. In connection with any transfer of the VMTP Shares, each transferee (including, in the case of a tender option bond trust, the depositor or trustee or other Person thereunder acting on behalf of such transferee) will be required to deliver to the Issuer a transferee certificate set forth as Exhibit C to this Agreement no later than the date of the transfer. The foregoing restrictions on transfer shall not apply to any VMTP Shares registered under the Securities Act pursuant to the Registration Rights Agreement or any subsequent transfer of such registered VMTP Shares thereafter.

(c) In the event that a Purchaser transfers, in accordance with Section 2.1(b), VMTP Shares to a tender option bond trust in which such Purchaser retains a residual interest, for so long as no event has occurred that results in the termination of such tender option bond trust, for purposes of each of the Applicable Sections (as defined below) that requires, permits or provides for (i) notice or the delivery of information to or (ii) voting of the VMTP Shares or the giving of any consent by or (iii) payment of fees, in each case, to such Purchaser or the Majority Participants, such Purchaser, and not such tender option bond trust, shall be deemed to be the actual owner of such VMTP Shares. For the avoidance of doubt, the deemed ownership provided for in this Section 2.1(c) shall be limited to the following sections of this Agreement: 2.1(b), 2.4, 6.1, 6.2, 6.8, 6.9, 6.12, 6.14, 6.17, 7.1, 7.2, 7.3, 7.4, 7.5, 7.6, 7.8, 7.10, 7.12 and 7.15 (collectively, the “Applicable Sections”). The deemed ownership provided for in this Section 2.1(c) shall last until the earliest of the termination of such tender option bond trust; the agreement by the Issuer and such Purchaser to terminate such deemed ownership; and, with respect to some or all of the Applicable Sections, the good-faith determination by such Purchaser that such deemed ownership has adverse tax, legal or other regulatory consequences or is otherwise no longer consistent with applicable law.

(d) Anything herein to the contrary notwithstanding, except with respect to the deemed ownership provided for above in respect of the Applicable Sections, the tender option bond trust to which VMTP Shares are transferred and each of the beneficial owners thereof shall retain all of its other rights in respect of the Issuer and the VMTP Shares pursuant to this Agreement and the Articles Supplementary or under law, including, for the avoidance of doubt, its rights under any of the Applicable Sections to the extent necessary for the protection or exercise of such other rights retained pursuant to this Section 2.1(d) or that are otherwise applicable as a result of the exercise of such other rights.

On the Effective Date, the Issuer shall pay the fees and expenses of the Purchasers’ outside counsel in connection with the negotiation and documentation of the transactions contemplated by this Agreement, but not in connection with any amendments, waivers or consents under or in respect of this Agreement.

For so long as either Purchaser is a Holder or Designated Owner of any Outstanding VMTP Shares, if the Issuer fails to comply with the reporting requirements set forth in Sections 6.1(o) and 6.1(p) (except as a result of a Force Majeure Exception) and such failure is not cured within seven (7) Business Days after written notification to the Issuer by either Purchaser of such failure (a “Reporting Failure”) or a Registration Rights Failure occurs, and such failure is not cured within seven (7) Business Days after written notification to the Issuer by the Purchaser of such failure, the Issuer shall pay to each Purchaser on the Dividend Payment Date occurring in the month immediately following a month in which either such Reporting Failure or Registration Failure (either, a “Failure”) continues a fee calculated in respect of each Week (or portion thereof) during such month in respect of a Failure and beginning on the date of such Failure, equal to the product of (a) the Fee Rate, times (b) the aggregate average daily Liquidation Preference of the VMTP Shares held by such Purchaser during such Week or portion thereof, times (c) the quotient of the number of days in such Week or portion thereof divided by the number of calendar days in the year in which such Week or portion thereof occurs. Notwithstanding the foregoing, in no event shall (i) the fee payable pursuant to this Section 2.4 hereunder for any Week plus the Applicable Spread on the VMTP Shares for such Week exceed an amount (exclusive of any Gross-Up Payment) equal to the product of (x) 6.15%, times (y) the aggregate average daily Liquidation Preference of the VMTP Shares held by such Purchaser during such Week or portion thereof, times (z) the quotient of the number of days in such Week or portion thereof divided by the number of calendar days in the year in which such Week or portion thereof occurs; (ii) the fee payable pursuant to this Section 2.4 for any Week plus the amount of dividends payable at the Dividend Rate for the VMTP Shares for such Week exceed an amount (exclusive of any Gross-Up Payment) equal to the product of (aa) 15%, times (bb) the aggregate average daily Liquidation Preference of the VMTP Shares held by such Purchaser during such Week or portion thereof, times (cc) the quotient of the number of days in such Week or portion thereof divided by the number of calendar days in the year in which such Week or portion thereof occurs; or (iii) the Issuer be required to calculate or pay a fee in respect of more than one Failure in any Week.

REPRESENTATIONS AND WARRANTIES OF THE ISSUER

The representations and warranties set out in this Article IV are given hereunder by the Issuer to each of the Purchasers as of the Effective Date.

4.1 Existence

The Issuer is validly existing and in good standing as a voluntary association with transferable shares of beneficial interest commonly known as a "corporation" under the laws of Maryland, with full right and power to issue the VMTP Shares, and to execute, deliver and perform its obligations under this Agreement and each Related Document.

4.2 Authorization; Contravention

The execution, delivery and performance by the Issuer of this Agreement and each Related Document are within the Issuer's powers, have been duly authorized by all necessary action, require no action by or in respect of, or filing with, any governmental body, agency or official except such as have been taken or made and do not violate or contravene, or constitute a default under, any provision of applicable law, charter, ordinance or regulation or of any material agreement, judgment, injunction, order, decree or other instrument binding upon the Issuer or result in the creation or imposition of any lien or encumbrance on any asset of the Issuer.

4.3 Binding Effect

Each of this Agreement and the Registration Rights Agreement constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms except as (i) the enforceability thereof may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights generally and (ii) the availability of equitable remedies may be limited by equitable or public policy principles of general applicability, it being understood that the enforceability of indemnification provisions may be subject to limitations imposed under applicable securities laws. The VMTP Shares have been duly authorized and, when issued upon payment therefor by each of the Purchasers as contemplated by this Agreement, will be validly issued by the Issuer and are fully paid and nonassessable and are free of any preemptive or similar rights.

4.4 Financial Information

The most recent financial statements of the Issuer, and the auditors' report with respect thereto, copies of which have heretofore been furnished to each of the Purchasers, fairly present in all material respects the financial condition of the Issuer, at such date and for such period, and were prepared in accordance with accounting principles generally accepted in the United States, consistently applied (except as required or permitted and disclosed). Since the date of such financial statements, there has been no material adverse change in the condition (financial or otherwise) or operations of the Issuer other than changes in the general economy or changes affecting the market for municipal securities or investment companies generally. Any financial, budget and other projections furnished to each of the Purchasers were prepared in good faith on the basis of the assumptions stated therein, which assumptions were fair and reasonable in light of conditions existing at the time of delivery of such financial, budget or other projections, and represented, and as of the date of this representation, represent, the Issuer's reasonable best estimate of the Issuer's future financial performance.

4.5 Litigation

Except as disclosed in a schedule delivered to each of the Purchasers prior to the Effective Date, no action, suit, proceeding or investigation is pending or (to the knowledge of the Issuer) overtly threatened in writing against the Issuer in any court or before any governmental authority (i) in any way contesting or, if decided adversely, that would affect the validity of any Related Document or this Agreement; or (ii) in which a final adverse decision would materially adversely affect provisions for or materially adversely affect the sources for payment of Liquidation Preference of or dividends on the VMTP Shares.

4.6 Consents

All consents, licenses, approvals, validations and authorizations of, and registrations, validations or declarations by or with, any court or any shareholder, governmental agency, bureau or agency required to be obtained or made in connection with the execution, delivery, performance, validity or enforceability of this Agreement and the other Related Documents by or against the Issuer have been obtained or made and are in full force and effect.

4.7 Placement of VMTP Shares

(b) The terms of the VMTP Shares conform in all material respects to those set forth in the Articles Supplementary.

(g) The Issuer's directors and officers, errors and omissions insurance policy and its fidelity bond required by Rule 17g-1 under the 1940 Act are in full force and effect; the Issuer is in compliance with the terms of such policy and fidelity bond in all material respects; and there are no claims by the Issuer under any such policy or fidelity bond as to which any insurance company is denying liability or defending under a reservation of rights clause; the Issuer has not been refused any insurance coverage sought or applied for; and the Issuer has no reason to believe that it will not be able to renew its existing insurance coverage and fidelity bond as and when such coverage and fidelity bond expires or to obtain similar coverage and fidelity bond from similar insurers as may be necessary to continue its business at a cost that would not have a material adverse effect on the condition

(financial or otherwise), business prospects, earnings, business, properties, net assets or results of operations of the Issuer (other than as a result of a change in the financial markets generally), whether or not arising from transactions in the ordinary course of business.

(h) The Issuer maintains and will maintain a system of internal accounting controls sufficient to provide reasonable assurances that (i) transactions are executed in accordance with management's general or specific authorization and with the investment objectives, policies and restrictions of the Issuer and the applicable requirements of the 1940 Act, the rules and regulations thereunder and the Code; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles in the United States, to calculate net asset value, to maintain accountability for assets, and to maintain material compliance with the books and records requirements under the 1940 Act and rules and regulations thereunder; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with existing assets at reasonable intervals, and appropriate action is taken with respect to any differences. (j) The Issuer has not taken, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in violation of federal securities laws, in stabilization or manipulation of the price of any security of the Issuer to facilitate the sale or resale of the VMTP Shares, and the Issuer is not aware of any such action taken or to be taken by any affiliates of the Issuer.

(k) Each of the Custodian Agreement, the investment management agreement between with Adviser and the Issuer (the "Investment Management Agreement"), the Redemption and Paying Agent Agreement and the Related Documents complies in all material respects with all applicable provisions of the 1940 Act and the rules and regulations thereunder and the Investment Advisers Act of 1940 and the rules and regulations thereunder, and the Issuer's directors and stockholders have approved the Investment Management Agreement in accordance with Sections 15(a) and 15(c), respectively, of the 1940 Act.

(l) The Issuer has adopted and implemented written policies and procedures reasonably designed to prevent violation of the Federal Securities Laws (as that term is defined in Rule 38a-1 under the 1940 Act) by the Issuer, including policies and procedures that provide oversight of compliance by each investment adviser and transfer agent of the Issuer.

4.8 Complete and Correct Information

All information, reports and other papers and data with respect to the Issuer furnished to each of the Purchasers (other than financial information and financial statements, which are covered solely by Section 4.4 of this Agreement) were, at the time the same were so furnished, complete and correct in all material respects. No fact is known to the Issuer that materially and adversely affects or in the future may (so far as it can reasonably foresee) materially and adversely affect the VMTP Shares, or the Issuer's ability to repay when due its obligations under this Agreement, any of the VMTP Shares and the other Related Documents that has not been set forth in the financial information and other documents referred to in Section 4.4 or this Section 4.8 or in such information, reports, papers and data or otherwise made available or disclosed in writing to each of the Purchasers. Taken as a whole, the documents furnished and statements made by the Issuer in connection with the negotiation, preparation or execution of this Agreement and the other Related Documents do not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

The Issuer is duly registered as a closed-end management investment company under the 1940 Act, and such registration is in full force and effect.

4.10 Effective Leverage Ratio; Asset Coverage

As of the Effective Date, the Issuer is in compliance with the Asset Coverage and Effective Leverage Ratio as required by Sections 6(a) and 6(c), respectively, of the Articles Supplementary.

In connection with calculating the Effective Leverage Ratio, the Issuer's total assets and accrued liabilities reflect the positive or negative net obligations of the Issuer under each Derivative Contract determined in accordance with the Issuer's valuation policies.

4.11 Credit Quality

As of the Effective Date, the Issuer (1) has invested at least 80% of its Managed Assets in municipal securities that, at the time of investment, were rated within the four highest grades (rated Baa3 or better by Moody's or BBB- or better by S&P or Fitch) by at least one of the NRSROs rating such securities or were unrated but judged to be of comparable quality by the Adviser; and (2) has invested up to 20% of its Managed Assets in municipal securities that, at the time of investment, were rated below investment grade (rated Ba1 or lower by Moody's or BB+ or lower by S&P or Fitch) or were unrated but judged to be of comparable quality by the Adviser.

4.12 Due Diligence

The Issuer understands that nothing in this Agreement or any other materials presented to the Issuer in connection with the purchase and sale of the VMTP Shares constitutes legal, tax or investment advice from either of the Purchasers. The Issuer acknowledges that, other than the fees and expenses payable pursuant to this Agreement, and any fees or amounts payable to any placement agent by the Issuer, no brokerage or finder's fees or commissions are or will be payable by the Issuer or, to the Issuer's knowledge, by either of the Purchasers to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by this Agreement.

5.12 Due Diligence

Each Purchaser acknowledges that it has sole responsibility for its own due diligence investigation and its own investment decision relating to the VMTP Shares. Each Purchaser understands that nothing in this Agreement or any other materials presented to such Purchaser in connection with the purchase and sale of the VMTP Shares constitutes legal, tax or investment advice from the Issuer. Each Purchaser has consulted such legal, tax and investment advisors as it, in its sole discretion, has deemed necessary or appropriate in connection with its purchase of the VMTP Shares.

5.13 Certain Fees

Each Purchaser acknowledges that, other than the fees and expenses payable pursuant to this Agreement, and any fees or amounts payable to any placement agent by the Issuer, no brokerage or finder's fees or commissions are or will be payable by such Purchaser or, to such Purchaser's knowledge, by the Issuer to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by this Agreement.

All information, reports and other papers, documentation and data with respect to the Issuer furnished to either Purchaser pursuant to this Section 6.1 shall be, at the time the same are so furnished, complete and correct in all material respects and, when considered with all other material delivered to such Purchaser under this Agreement or made available pursuant to the Due Diligence Process, will not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading. For purposes of Sections 6.1(o) and 6.1(p), references to any day that is not a Business Day shall mean the next preceding Business Day.

6.2 No Amendment or Certain Other Actions Without Consent of the Purchasers

To the extent that, collectively, the Purchasers and their affiliates are the Holders or Designated Owners of 75% of the VMTP Shares then outstanding, without the prior written consent of the Purchasers, the Issuer will not agree to, consent to or permit any material amendment, supplement, modification or repeal of the Articles Supplementary or any provision therein, nor waive any provision thereof that would adversely affect the Holders; provided that, subject to Section 7.13, the Issuer will provide not less than five (5) Business Days' notice (or such lesser number of days that the Issuer and the Purchasers agree) (the "notice period") before the implementation of any such amendment, supplement, modification or repeal that it has determined would not have an adverse effect pursuant to this Section 6.2; provided further that the Issuer shall not proceed with such

amendment that it has determined to not have an adverse effect if the Majority Participants provide an objection stating that such amendment is adverse and providing the basis therefor not less than two (2) Business Days prior to the end of notice period; provided further that any notice provided by the Issuer or the Purchasers pursuant to this Section 6.2 that is received after 1:00 pm Eastern time on any given day will be treated as having been received on the following Business Day.

6.3 Maintenance of Existence

The Issuer shall continue to maintain its existence as a corporation under the laws of Maryland, with full right and power to issue the VMTP Shares and to execute, deliver and perform its obligations under this Agreement and each other Related Document.

6.4 Tax Status of the Issuer

The Issuer will qualify as a Regulated Investment Company within the meaning of Section 851(a) of the Code and the dividends made with respect to the VMTP Shares will qualify as “exempt interest dividends” to the extent they are reported as such by the Issuer and permitted by Section 852(b)(5)(A) of the Code.

6.5 Payment Obligations

The Issuer shall promptly pay or cause to be paid all amounts payable by it hereunder and under the other Related Documents, according to the terms hereof and thereof, shall take such actions as may be necessary to include all payments hereunder and thereunder which are subject to appropriation in its budget and make full appropriations related thereto, and shall duly perform each of its obligations under this Agreement and the other Related Documents. All payments of any sums due hereunder shall be made in the amounts required hereunder without any reduction or setoff, notwithstanding the assertion of any right of recoupment or setoff or of any counterclaim by the Issuer.

6.6 Compliance With Law

The Issuer shall comply with all laws, ordinances, orders, rules and regulations that may be applicable to it if the failure to comply could have a material adverse effect on the Issuer’s ability to pay when due its obligations under this Agreement, any of the VMTP Shares, or any of the other Related Documents.

6.7 Maintenance of Approvals: Filings, Etc.

The Issuer shall at all times maintain in effect, renew and comply with all the terms and conditions of all consents, filings, licenses, approvals and authorizations as may be necessary under any applicable law or regulation for its execution, delivery and performance of this Agreement and the other Related Documents to which it is a party.

6.8 Inspection Rights

The Issuer shall, at any reasonable time and from time to time, upon reasonable notice, permit the Purchasers or any agents or representatives thereof, at the Issuer’s expense, to examine and make copies of the records and books of account related to the transactions contemplated by this Agreement, to visit its properties and to discuss its affairs, finances and accounts with any of its officers and independent accountants, to the extent permitted by law; *provided, however*, that the Issuer shall not be required to pay for more than one inspection per fiscal year. The Issuer will not unreasonably withhold its authorization for its independent accountants to discuss its affairs, finances and accounts with either Purchaser.

All information, reports and other papers, documentation and data with respect to the Issuer furnished to either Purchaser pursuant to this Section 6.8 shall be, at the time the same are so furnished, complete and correct in all material respects and, when considered with all other material delivered to such Purchaser under this Agreement, or made available pursuant to the Due Diligence Process, will not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

6.9 Litigation, Etc.

The Issuer shall give prompt notice in writing to each Purchaser of any litigation, administrative proceeding or business development that is reasonably expected to materially adversely affect its business, properties or affairs or to impair the ability of the Issuer to perform its obligations as set forth hereunder or under any of the Related Documents.

All information, reports and other papers, documentation and data with respect to the Issuer furnished to either Purchaser pursuant to this Section 6.9 shall be, at the time the same are so furnished, complete and correct in all material respects and, when considered with all other material delivered to such Purchaser under this Agreement, or made available pursuant to the Due Diligence Process, will not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

6.10 1940 Act Registration

The Issuer shall maintain its valid registration as a registered closed-end company under the 1940 Act in full force and effect.

6.11 Credit Quality

As of the Effective Date, the Issuer (1) has invested at least 80% of its Managed Assets in municipal securities that, at the time of investment, were rated within the four highest grades (rated Baa3 or better by Moody’s or BBB- or better by S&P or Fitch) by at least one of the NRSROs rating such securities or were unrated but judged to be of comparable quality by the Adviser; and (2) has invested up to 20% of its Managed Assets in municipal securities that, at the time of investment, were rated below investment grade (rated Ba1 or lower by Moody’s or BB+ or lower by S&P or Fitch) or were unrated but judged to be of comparable quality by the Adviser.

6.12 Maintenance of Effective Leverage Ratio

For so long as the Issuer fails to provide the information required under Sections 6.1(o) and 6.1(p), the BoAPFC Purchaser, so long as the BoAPFC Purchaser holds VMTP Shares, and otherwise, the Blue Ridge Purchaser, so long as the Blue Ridge Purchaser holds VMTP Shares, shall calculate, for purposes of Section 11(b)(ii)(A)(y) of the Articles Supplementary, the Effective Leverage Ratio using the most recently received information required to be delivered pursuant to Sections 6.1(o) and 6.1(p) and the market values of securities determined by the third-party pricing service which provided the market values to the Issuer on the most recent date that information was properly provided by the Issuer pursuant to the requirements of Section 6.1(o) and 6.1(p). The Effective Leverage Ratio as calculated by the BoAPFC Purchaser so long as the BoAPFC Purchaser holds VMTP Shares, and otherwise, as calculated by the Blue Ridge Purchaser so long as the Blue Ridge Purchaser holds VMTP Shares, in such instances shall be binding on the Issuer. If required, the Issuer shall restore the Effective Leverage Ratio as provided in the Articles Supplementary.

In connection with calculating the Effective Leverage Ratio, the Issuer’s total assets and accrued liabilities shall reflect the positive or negative net obligations of the Issuer under each Derivative Contract determined in accordance with the Issuer’s valuation policies.

6.13 Redemption and Paying Agent

The Issuer shall use its commercially reasonable best efforts to engage at all times a Redemption and Paying Agent to perform the duties to be performed by the Redemption and Paying Agent specified herein and in the Articles Supplementary.

6.14 Cooperation in the Sale of the VMTP Shares

The Issuer will comply with reasonable due diligence requests from each Purchaser in connection with any proposed sale by such Purchaser of the VMTP Shares in a transaction exempt from registration and otherwise permitted by this Agreement, provided that the Issuer need not comply with any such request more than twice in any period of twelve (12) consecutive months and any prospective purchaser of the VMTP Shares from either Purchaser shall execute a confidentiality agreement substantially to the effect of Section 7.13 hereof prior to receiving any due diligence materials provided pursuant to such due diligence request.

All information, reports and other papers, documentation and data with respect to the Issuer furnished to either Purchaser pursuant to this Section 6.14 shall be, at the time the same are so furnished, complete and correct in all material respects and, when considered with all other material delivered to such Purchaser under this Agreement, or made available pursuant to the Due Diligence Process, will not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading. The Purchaser agrees that it shall provide five (5) Business Days' prior written notice to the Issuer if it intends to provide any due diligence materials (other than the Related Documents and any due diligence materials that are publicly available) to a potential investor and shall not provide any such materials to that investor if the Issuer objects to such disclosure during such five-Business-Day period.

6.15 Use of Proceeds

The Issuer shall use the net proceeds from the sale of VMTP Shares to redeem outstanding AMP Shares within sixty (60) days of the Effective Date and pending such redemption the Issuer shall invest such net proceeds in Deposit Securities. No later than the Effective Date, the Issuer shall deposit with the Redemption and Paying Agent an amount of Deposit Securities sufficient to redeem the AMP Shares. Any remaining net proceeds will be invested in accordance with the Issuer's investment policies.

6.16 Securities Depository

The Issuer agrees to maintain settlement of the VMTP Shares in book entry form through the Securities Depository or such other clearance system reasonably acceptable to the Purchasers.

6.17 Future Agreements

The Issuer shall promptly, at the request of any Purchaser, enter into an agreement, on terms mutually satisfactory to the Issuer and such Purchaser, of the type specified in Section 12(d)(1)(E)(iii) of the 1940 Act, so as to permit such Purchaser or any transferee satisfying the requirements set forth in Section 2.1 to rely on the provisions of Section 12(d)(1)(E)(iii) of the 1940 Act.

6.18 Eligible Assets

The Issuer shall only make investments in the Eligible Assets in accordance with the Issuer's investment objectives and the investment policies, as such investment objectives and investment policies may be modified in accordance with the 1940 Act and applicable law.

6.19 Placement of VMTP Shares

The Issuer shall not offer or sell any VMTP Shares or distribute any other offering material relating to the VMTP Shares, in any jurisdiction except in compliance with applicable law, and the Issuer agrees, at its own expense, to comply with all such laws. The Issuer shall at its own expense obtain any consent, approval or authorization required for it to offer or sell or procure the subscription of the VMTP Shares or to distribute any other offering material relating to the VMTP Shares, under the laws or regulations of any jurisdiction where it proposes to make offers or sales of the VMTP Shares.

Neither the Issuer, nor any Person acting on its behalf, will directly or indirectly, make offers or sales of any security (as defined in the Securities Act) or solicit offers to buy any security, in each case, under circumstances that would require the registration of the VMTP Shares under the Securities Act (except for the circumstances set forth in the Registration Rights Agreement).

7.2 No Waivers

(a) The obligations of the Issuer hereunder shall not in any way be modified or limited by reference to any other document, instrument or agreement (including, without limitation, the VMTP Shares or any other Related Document). The rights of each of the Purchasers hereunder are separate from and in addition to any rights that any Holder or Designated Owner of any VMTP Share may have under the terms of such VMTP Share or any Related Document or otherwise.

(b) No failure or delay by the Issuer or either Purchaser in exercising any right, power or privilege hereunder or under the VMTP Shares shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. No failure or delay by the Issuer or either Purchaser in exercising any right, power or privilege under or in respect of the VMTP Shares or any other Related Document shall affect the rights, powers or privileges of the Issuer or either Purchaser hereunder or shall operate as a limitation or waiver thereof. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

7.3 Expenses and Indemnification

(a) The Issuer shall upon demand either, as a Purchaser may require, pay in the first instance or reimburse such Purchaser (to the extent that payments for the following items are not made under the other provisions hereof) for all reasonable out-of-pocket expenses (including reasonable fees and costs of outside counsel, and reasonable consulting, accounting, appraisal, investment banking and similar professional fees and charges) incurred by such Purchaser in connection with the enforcement of or preservation of rights under this Agreement. The Issuer shall not be responsible under this Section 7.3(a) for the fees and costs of more than one law firm in any one jurisdiction with respect to any one proceeding or set of related proceedings for the Purchasers, unless any Purchaser shall have reasonably concluded that there are legal defenses available to it that are different from or additional to those available to the Issuer.

(b) The Issuer agrees to indemnify and hold harmless each Purchaser and each other Indemnified Person of such Purchaser from and against any losses, claims, damages, liabilities and reasonable out-of-pocket expenses incurred by them (including reasonable fees and disbursements of outside counsel) which are related to or arise out of any claim by any third party relating to the offering or sale of the VMTP Shares by the Issuer or the holding of the VMTP Shares by such Purchaser (A) that such Purchaser aided and abetted a breach of a fiduciary duty by the Issuer or any director or officer of the Issuer or (B) arising from any act by the Issuer or any director or officer of the Issuer (excluding in any such case clauses (A) or (B), claims, losses, liabilities or expenses arising out of or resulting from the gross negligence or willful misconduct of any Indemnified Party, as determined by a court of competent jurisdiction).

(c) The indemnifying party also agrees that if any indemnification sought by an Indemnified Person pursuant to this Agreement is unavailable or insufficient, for any reason, to hold harmless the Indemnified Persons of such other party in respect of any losses, claims, damages or liabilities (or actions in respect thereof), then the indemnifying party, in order to provide for just and equitable contribution, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, liabilities, damages and expenses (or actions in respect thereof) in such proportion as is appropriate to reflect (i) the relative benefits received by the Issuer on the one hand and the Purchasers on the other hand from the actual transactions giving rise to or contemplated by this Agreement or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, not only such relative benefits but also the relative fault of the Issuer on the one hand and the Purchasers on the other, in connection with the statements or omissions or alleged statements or omissions that resulted in such losses, claims, damages, liabilities or expenses (or actions in respect thereof), as well as any other relevant equitable considerations; *provided that*, in any event, the aggregate contribution of each Purchaser and its Indemnified Persons to all losses, claims, damages, liabilities and expenses with respect to which contributions are available hereunder will not exceed the amount of dividends to be received by such Purchaser from the Issuer pursuant to the transactions giving rise to this Agreement. For purposes of determining the relative benefits to the Issuer on the one hand, and the Purchasers on the other, under the transactions giving rise to or contemplated by this Agreement, such benefits shall be deemed to be in the same proportion as (i) the total value received by the Issuer pursuant to the transactions, whether or not consummated bears to (ii) the dividends and Optional Redemption Premium paid by the Issuer to such Purchaser in connection with the transactions giving rise to or contemplated by this Agreement. The relative fault of the parties shall be determined by reference to, among other things, whether the actions taken or omitted to be taken in connection with the transactions contemplated by this Agreement (including any misstatement of a material fact or the omission to state a material fact) relates to information supplied by the Issuer on the one hand, or the Purchaser on the other, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, misstatement or alleged omission, and any other equitable considerations appropriate in the circumstances. No person found liable for a fraudulent misrepresentation shall be entitled to contribution from any person who is not also found liable for such fraudulent misrepresentation. The indemnity, reimbursement and contribution obligations under this Agreement shall be in addition to any rights that any Indemnified Person may have at common law or otherwise.

(d) If any action, suit, proceeding or investigation is commenced, as to which an Indemnified Person proposes to demand indemnification, it shall notify the indemnifying party with reasonable promptness; provided, however, that any failure by such Indemnified Person to notify the indemnifying party shall not relieve the indemnifying party from its obligations hereunder (except to the extent that the indemnifying party is materially prejudiced by such failure to promptly notify). The indemnifying party shall be entitled to assume the defense of any such action, suit, proceeding or investigation, including the employment of counsel reasonably satisfactory to the Indemnified Person. The Indemnified Person shall have the right to counsel of its own choice to represent it, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the indemnifying party has failed promptly to assume the defense and employ counsel reasonably satisfactory to the Indemnified Person in accordance with the preceding sentence or (ii) the Indemnified Person shall have been advised by counsel that there exist actual or potential conflicting interests between the indemnifying party and such Indemnified Person, including situations in which one or more legal defenses may be available to such Indemnified Person that are different from or additional to those available to the indemnifying party; provided, however, that the indemnifying party shall not, in connection with any one such action or proceeding or separate but substantially similar actions or proceedings arising out of the same general allegations be liable for fees and expenses of more than one separate firm of attorneys at any time for all Indemnified Persons of such other party; and such counsel shall, to the extent consistent with its professional responsibilities, cooperate with the indemnifying party and any counsel designated by the indemnifying party.

Each party further agrees that it will not, without the prior written consent of the other parties (the consent of a party shall not be required to the extent such party is neither requesting indemnification nor being requested to provide indemnification), settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless such settlement, compromise or consent (i) includes an unconditional release of the Issuer (if such settlement, compromise or consent is agreed to by a Purchaser or another Indemnified Person) or the Purchasers and each other Indemnified Person (if such settlement, compromise or consent is agreed to by the Issuer) from all liability and obligations arising therefrom and (ii) does not include a statement as to an admission of fault, culpability or failure to act by or on behalf of the Issuer or either Purchaser and other Indemnified Persons, as the case may be. The Issuer further agrees that neither of the Purchasers, nor any of their affiliates, nor any directors, officers, partners, employees, agents, representatives or control persons of such Purchaser or any of its affiliates shall have any liability to the Issuer arising out of or in connection with the proposed transactions giving rise to or contemplated by this Agreement except for such liability for losses, claims, damages, liabilities or expenses to the extent they have resulted from such Purchaser's or its affiliates' gross negligence or willful misconduct, as determined by a court of competent jurisdiction. No Indemnified Person shall be responsible or liable to the indemnifying party or any other person for consequential, special or punitive damages which may be alleged as a result of this Agreement.

(e) Nothing in this Section 7.3 is intended to limit any party's obligations contained in other parts of this Agreement or the VMTP Shares.

7.4 Amendments and Waivers

Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Issuer and the Purchasers; *provided*, that the Issuer shall not make or agree to any amendment or waiver to the Articles of Incorporation or the Articles Supplementary that affects any preference, right or power of the VMTP Shares or the Holders or Designated Owners thereof except as permitted under the Articles of Incorporation or the Articles Supplementary.

7.5 Successors and Assigns

The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Neither the Issuer nor any Purchaser may assign or otherwise transfer any of its rights or obligations under this Agreement without the prior written consent of the other party (other than by operation of law), except, subject to Section 2.1(c), that (1) any transferee satisfying the requirements set forth in Section 2.1 and which has executed and delivered to the Issuer the transferee certificate attached as Exhibit C (each such transferee, an "Eligible Transferee") shall, prior to registration of any VMTP Shares under the Securities Act, have the rights set forth in Section 6.17, Section 7.15 and this Section 7.5 and shall, so long as such Eligible Transferee has provided a means for the Issuer to transmit such information electronically to it, be entitled to receive the information delivered pursuant to Sections 6.1(o) and 6.1(p) and such Eligible Transferees shall be deemed a party to this Agreement for purposes of Sections 6.1(o), 6.1(p), the rights of an Eligible Transferee under this Section 7.5 and the confidentiality provisions herein as specified in the transferee certificate and (2) either Purchaser may assign its rights or obligations to any affiliate of such Purchaser or any tender option bond trust in which such Purchaser retains the entire residual interest. Any assignment without such prior written consent shall be void. Upon request by any party hereto or an Eligible Transferee, the Issuer and the Purchasers and any Eligible Transferees agree to use commercially reasonable efforts to amend Schedule 2 in good faith to identify successor entities to the extent that an entity currently listed on Schedule 2 is dissolved, liquidated or merged into another entity not currently included on Schedule 2.

7.6 Term of this Agreement

This Agreement shall terminate on the earlier of (a) the registration of any Outstanding VMTP Shares under the Securities Act and (b) payment in full of all amounts then due and owing to the Purchasers and their affiliates hereunder and under the VMTP Shares. For the avoidance of doubt, if either Purchaser sells all of its VMTP Shares (other than to an affiliate) and, in the case of a sale to a tender option bond trust, neither the Purchaser, nor any affiliate of the Purchaser, retains any residual interest or similar interest in any VMTP Shares sold to a tender option bond trust other than in connection with the Purchaser's repurchase of the VMTP Shares from the tender option bond trust, no further amounts will be due and owing to the Purchaser with respect to such VMTP Shares for purposes of this Section 7.6(b).

Notwithstanding any termination of this Agreement or the last sentence of the preceding paragraph, Section 7.3, Section 7.7, Section 7.8, Section 7.10, Section 7.11, the second sentence of Section 7.12 and Section 7.13 (for a period of two years after the termination of this Agreement) shall remain in full force and effect.

7.7 Governing Law

This Agreement shall be construed in accordance with and governed by the domestic law of the State of New York.

THE PARTIES HERETO HEREBY SUBMIT TO THE NONEXCLUSIVE JURISDICTION OF THE FEDERAL AND NEW YORK STATE COURTS LOCATED IN THE CITY OF NEW YORK IN CONNECTION WITH ANY DISPUTE RELATED TO THIS AGREEMENT OR ANY MATTERS CONTEMPLATED HEREBY.

7.8 Waiver of Jury Trial

The Issuer and each of the Purchasers hereby waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against any other on any matters whatsoever arising out of, or in any way connected with, this Agreement.

7.9 Counterparts

This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Any counterpart or other signature delivered by facsimile or by electronic mail shall be deemed for all purposes as being a good and valid execution and delivery of this Agreement by that party.

7.10 Beneficiaries

This Agreement is not intended, and shall not be construed, to confer upon any Person other than the parties hereto and their successors and permitted assigns any rights or remedies hereunder.

7.11 Entire Agreement

Except as set forth in Section 7.5, this Agreement shall constitute the entire agreement and understanding between the parties hereto with respect to the matters set forth herein and shall supersede any and all prior agreements and understandings relating to the subject matter hereof.

7.12 Relationship to the Articles Supplementary

The Issuer and each of the Purchasers agree that the representations, warranties, covenants and agreements contained in this Agreement are in addition to the terms and provisions set forth in the Articles Supplementary. Section 15(d)(iv) of the Articles Supplementary shall have no effect for so long as none of the VMTP Shares have been registered under the Securities Act.

7.13 Confidentiality

Any information delivered by a party to this Agreement to any other party pursuant to this Agreement, including, without limitation, pursuant to Section 6.1 in the case of the Issuer (collectively, the “**Information**”), shall not be disclosed by such other party (or its employees, representatives or agents) to any person or entity (except as required by law or to such of its agents and advisors as need to know and agree to be bound by the provisions of this paragraph) without the prior written consent of the party delivering the Information. The parties agree that the Information (including, but not limited to, the Information provided pursuant to Sections 6.1(o) and 6.1(p)), to the extent constituting material, nonpublic information, shall be used solely for the purposes set forth in this Agreement and the other Related Documents, including the purposes set forth in the next paragraph of this Section 7.13 and for purposes of the making, monitoring and evaluation of the investment in the VMTP Shares, and for no other purpose.

The obligations of confidentiality set out in the preceding paragraph do not extend to Information that is or becomes available to the public or is or becomes available to the party receiving the Information on a non-confidential basis or is disclosed to Holders or Designated Owners or potential Holders or Designated Owners, in each case in their capacity as such, in the offering documents of the Issuer, in notices to Holders or Designated Owners pursuant to one or more of the Related Documents or pursuant to the Issuer’s or each Purchaser’s informational obligations under Rule 144A(d)(4) or other reporting obligation of the Securities and Exchange Commission; or is required or requested to be disclosed (i) by a regulatory agency or in connection with an examination of either party or its representatives by regulatory authorities; (ii) pursuant to subpoena or other court process; (iii) at the express direction of any other authorized government agency; (iv) to its independent attorneys or auditors; (v) as required by any NRSRO; (vi) as otherwise required by law or regulation; (vii) otherwise in connection with the enforcement of this Agreement; (viii) in connection with the exercise of any remedies hereunder or in any suit, action or proceeding relating to this Agreement and the enforcement of rights hereunder; (ix) by a prospective purchaser of the VMTP Shares that is (a) a transferee that would be permitted pursuant to Section 2.1(b) of this Agreement and (b) aware of the confidentiality provisions of this Section 7.13 and is subject to an agreement with the transferor containing provisions substantially similar thereto and that states that the Issuer is an express third-party beneficiary thereof; (x) subject to an agreement containing provisions substantially similar to those of this Section 7.13; or (xi) subject to an agreement containing provisions substantially similar to those of this Section 7.13 and with the prior written consent of the other party to this Agreement, which consent shall not be unreasonably withheld, to any actual or prospective counterparty in any swap or derivative transactions. For the avoidance of doubt, references in this Section 7.13 to “regulatory agency,” “regulatory authorities,” “government agency” and “law or regulation” shall be deemed to include the Internal Revenue Service and state taxation authorities.

7.14 Severability

In case any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby so long as the intent of the parties to this Agreement shall be preserved.

7.15 Consent Rights of the Majority Participants to Certain Actions

For so long as none of the VMTP Shares have been registered under the Securities Act, without the affirmative vote or consent of the Majority Participants, neither the Issuer nor the Board of Directors will take or authorize the taking of any of actions set forth under clauses (a) through (e) of this Section 7.15:

(a) The termination by the Issuer of any Rating Agency or the selection of any Other Rating Agency, either in replacement for a Rating Agency or as an additional Rating Agency with respect to the VMTP Shares unless (i) immediately following such termination, there would be at least one Rating Agency with respect to such VMTP Shares or (ii) it replaces the terminated Rating Agency with another Rating Agency and provides notice thereof to the Holders of such VMTP Shares; provided that such replacement shall not occur unless such replacement Other Rating Agency shall have at the time of such replacement (i) published a rating for the VMTP Shares and (ii) entered into an agreement with the Issuer to continue to publish such rating subject to the Rating Agency’s customary conditions.

(b) The Issuer issuing or suffering to exist any “senior security” (as defined in the 1940 Act as of the date hereof or, in the event such definition shall be amended, with such changes to the definition thereof as consented to by the Majority Participants) other than VMTP Shares issued and sold pursuant to this Agreement or indebtedness for borrowed money of the Issuer, except (i) borrowings for temporary purposes in an amount not to exceed 5% of the assets of the Issuer, which borrowings are repaid within sixty (60) days, (ii) the issuance of senior securities or the incurrence of indebtedness for borrowed money, the proceeds of which will be used for the redemption or repurchase of VMTP Shares and costs incurred in connection therewith, (iii) the Issuer’s previously issued and outstanding AMP Shares (for a period of sixty (60) days after the date of this Agreement), if any, and (iv) as may be otherwise approved or consented to by the Majority Participants, provided that if any such “senior security” is created or incurred by the Issuer it shall not require the approval of the Majority Participants if the Issuer redeems, retires or terminates such “senior security” or otherwise cures such noncompliance within five (5) Business Days of receiving notice of the existence thereof.

(c) The Issuer (i) creating or incurring or suffering to be incurred or to exist any lien on any other funds, accounts or other property held under the Articles of Incorporation or the Articles Supplementary, except as permitted by the Articles of Incorporation or the Articles Supplementary or (ii) except for any lien for the benefit of the Custodian of the Issuer on the assets of the Issuer held by such Custodian or any lien arising by operation of law, pledging any portfolio security to secure any senior securities or other liabilities to be incurred by the Issuer unless the securities pledged pursuant to all such pledges or other security arrangements are valued, for purposes of determining the value of the collateral required to be posted or otherwise provided under all such security arrangements, (x) with respect to pledges to secure senior securities under any tender option bond trust of which the residual floating rate trust certificates will be owned by the Issuer, in an aggregate amount not less than 70% of their aggregate market value at the time of inception of the trust (by reference to prices determined by an independent third-party pricing service) and (y) with respect to all other pledges to secure senior securities, in an aggregate amount not less than 70% of their aggregate market value from time to time (by reference to prices determined by an independent third-party pricing service); provided, that the required collateral value (determined in accordance with clause (x) and/or (y) above, as applicable) under such security arrangements shall not exceed the market value of the exposure of each secured party to the credit of the Issuer; and provided further, that it shall not require the approval of the Majority Participants if any such pledge or security interest in violation of the preceding sentence is created or incurred by the Issuer and the Issuer cures such violation within five (5) Business Days of receiving notice of the existence thereof.

(d) Approval of any amendment, alteration or repeal of any provision of the Articles of Incorporation or the Articles Supplementary, whether by merger, consolidation or otherwise, that would materially and negatively affect any preference, right or power of the VMTP Shares differentially from the rights of the holders of the Common Shares; or

(e) Approval of any action to be taken pursuant to Section 5(c) of the Articles Supplementary.

In addition, if the Board of Directors shall designate a replacement to the S&P Municipal Bond 7 Day High Grade Rate Index pursuant to the definition of SIFMA Municipal Swap Index contained in the Articles Supplementary, the Issuer shall notify the Holders of the VMTP Shares within five (5) Business Days of such designation, and if within thirty (30) days of such notice the Majority Participants shall have objected in writing to the designated replacement, the Board of Directors shall designate a replacement to such index as agreed to between the Issuer and the Majority Participants. In such event, the replacement index initially approved by the Board of Directors shall be the index in effect for purposes of the Articles Supplementary until a new index has been approved by the Issuer and the Majority Participants.

ELIGIBLE ASSETS

On the Effective Date and at all times thereafter that the VMTP Purchase Agreement is outstanding:

1. All assets in the Issuer consist of “Eligible Assets,” defined to consist only of the following as of the time of investment:

A. Debt obligations

i. “Municipal securities,” defined as obligations of a state, the District of Columbia, U.S. territory, 501(c)(3) organization or political subdivision thereof and include general obligations, limited obligation bonds, revenue bonds and obligations that satisfy the requirements of section 142(b)(1) of the Internal Revenue Code of 1986 issued by or on behalf of any state, the District of Columbia, U.S. territory or political subdivision thereof, including any municipal corporate instrumentality of one or more states, or any public agency or authority of any state, the District of Columbia, U.S. territory or political subdivision thereof. The purchase of any municipal security will be based upon the Adviser’s assessment of an asset’s relative value in terms of current yield, price, credit quality and future prospects; and the Adviser will monitor the creditworthiness of the Issuer’s portfolio investments and analyze economic, political and demographic trends affecting the markets for such assets. Eligible Assets shall include any municipal securities that at the time of purchase are distressed but paying scheduled principal and interest and that at the time of purchase are in payment default but, in the sole judgment of the Adviser, are expected to produce payments of principal and interest whose present value exceeds the purchase price.

ii. Debt obligations of the United States.

iii. Debt obligations issued, insured, or guaranteed by a department or an agency of the U.S. government.

iv. Debt obligations of the Washington Metropolitan Area Transit Authority guaranteed by the Secretary of Transportation under Section 9 of the National Capital Transportation Act of 1969.

v. Debt obligations of the Federal Home Loan Banks.

vi. Debt obligations, participations or other instruments of or issued by the Federal National Mortgage Association or the Government National Mortgage Association.

vii. Debt obligations which are or ever have been sold by the Federal Home Loan Mortgage Corporation pursuant to sections 305 or 306 of the Federal Home Loan Mortgage Corporation Act.

viii. Debt obligations of any agency named in 12 U.S.C. § 24(Seventh) as eligible to issue obligations that a national bank may underwrite, deal in, purchase and sell for the bank’s own account, including qualified Canadian government obligations.

ix. Debt obligations that are additionally secured by insurance, bank credit agreements, or escrow accounts.

x. Certificates of deposit, time deposits and bankers’ acceptances.

xi. Non-appropriation lease obligations of installment purchase contract obligations of municipal authorities or entities of comparable quality to securities that are rated investment grade.

xii. Debt obligations of issuers other than those specified in (i) through (xi) above that are rated in one of the four highest rating categories by two or more NRSROs, or by one NRSRO if the security has been rated by only one NRSRO, or otherwise based on the Issuer’s internal credit due diligence, and that are “marketable.” For these purposes, an obligation is “marketable” if:

- it is registered under the Securities Act;
- it is offered and sold pursuant to Securities and Exchange Commission Rule 144A; 17 CFR 230.144A; or
- it can be sold with reasonable promptness at a price that corresponds reasonably to its fair value.

xiv. Certificates or other securities evidencing ownership interests in a municipal bond trust structure (generally referred to as a “tender option bond structure”) that invests in (a) debt obligations of the types described in (i) above or (b) depository receipts reflecting ownership interests in accounts holding debt obligations of the types described in (i) above.

The bonds, notes and other debt securities referenced in (A) above shall be defined as Eligible Assets. An asset shall not lose its status as an Eligible Asset solely by virtue of the fact that:

- it provides for repayment of principal and interest in any form, including fixed and floating rate, zero interest, capital appreciation, discount, leases and payment in kind; or
- it is for long-term or short-term financing purposes.

B. Derivatives

i. Interest rate derivatives;

ii. Swaps, futures, forwards, structured notes, options and swaptions related to Eligible Assets or on an index related to Eligible Assets; or

iii. Credit default swaps.

C. Other Assets

- i. Shares of other investment companies (open- or closed-end funds and ETFs) the assets of which consist entirely of Eligible Assets based on the affirmative representation of that investment company's adviser.
- ii. Cash.
- iii. Repurchase agreements on assets described in A above.
- iv. Taxable fixed-income securities, for the purpose of acquiring control of an issuer whose municipal bonds (a) the Issuer already owns and (b) have deteriorated or are expected shortly to deteriorate that such investment should enable the Issuer to better maximize its existing investment in such issuer, provided that the Issuer may invest no more than 0.5% of its total assets in such securities.

D. Other assets, upon written agreement of all holders of the VMTP Shares ("Holders") that such assets are eligible for purchase by the Holders.

- 2. The Issuer shall provide, (i) within fifteen (15) Business Days of the last day of each month, a fact sheet including the information set forth in Exhibit D to this Agreement, prepared on a basis substantially consistent with the periodic information the Adviser prepares for other closed-end funds and reasonably acceptable to the Purchasers; and (ii) within fifteen (15) Business Days of the last day of each month, a calculation of the Effective Leverage Ratio and the Minimum Asset Coverage Ratio of the Issuer as of the last day of each month since the date of the last report issued pursuant to this subclause (ii); and upon the failure of the Issuer to maintain Minimum Asset Coverage Ratio as provided in Section 6(a) of the Articles Supplementary or the Effective Leverage Ratio as required by Section 6(c) of the Articles Supplementary, notice of such failure as soon as possible. Prior to any registration of the VMTP Shares, Series A under the Securities Act, a permitted transferee of such VMTP Shares will have the right to receive such information upon satisfying certain conditions.
- 3. The Issuer has instituted policies and procedures that it believes are sufficient to ensure that the Issuer's investment manager invests the Issuer's assets in a manner that complies with the representations, warranties and covenants contained in this Exhibit to the Agreement.
- 4. The Issuer will, upon request, provide the Holder(s) and its internal and external auditors and inspectors as the Holder(s) may from time to time designate, with all reasonable assistance and access to information and records of the Issuer relevant to the Issuer's compliance with and performance of the representations, warranties and covenants contained in this Exhibit to the Agreement, but only for the purposes of internal and external audit.

11. The Transferee acknowledges that it has received a copy of the Registration Rights Agreement and agrees to abide by any obligations therein binding on a transferee of the VMTP Shares.

The Transferee acknowledges that, in the event that the Transferor transfers, in accordance with Section 2.1(b) of the Purchase Agreement, VMTP Shares to a tender option bond trust in which the Transferor retains a residual interest and, subject to Section 2.1(c) of the Purchase Agreement, for so long as no event has occurred that results in the termination of such tender option bond trust, for purposes of each of the Applicable Sections that requires, permits or provides for (i) notice or the delivery of information to or (ii) voting of the VMTP Shares or the giving of any consent by or (iii) payment of fees, in each case, to the Transferor or the Majority Participants, the Transferor, and not such tender option bond trust, shall be deemed to be the actual owner of such VMTP Shares.

The Transferee agrees to promptly notify the Fund and the Transferor if any of the acknowledgments, representations or warranties set forth herein are no longer accurate.

15. If the Transferee is acquiring the Transferred Shares as a fiduciary or agent for one or more investor accounts, it represents that it has investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of each such account.
