Singapore dollar	SGD	12.00	0.600980	19.967387	12.00

Merrill Lynch & Co., Inc., a Delaware corporation (hereinafter referred to as the “Company”, which term includes any successor corporation under the Indenture herein referred to), for value received, hereby promises to pay to CEDE & CO., or its registered assigns, the Redemption Amount (as defined below) on the Stated Maturity.

Payment or delivery of the Redemption Amount and any interest on any overdue amount thereof with respect to this Global Note shall be made at the office or agency of the Company maintained for that purpose in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

This Global Note is one of the series of Medium-Term Notes, Series C, Currency Basket Notes due on the Stated Maturity.

Payment at Maturity

The “Redemption Amount” with respect to the Notes shall be denominated in the Specified Currency and shall be determined by the Calculation Agent as described below:

(i) If the Ending Value (as defined below) is greater than the Starting Value, the Redemption Amount shall equal the Principal Amount multiplied by a percentage equal to:

$$\text{Protection Level} + (\text{Participation Rate} \times (\text{Ending Value} - \text{Starting Value}))$$

(ii) If the Ending Value is equal to or less than the Starting Value, the Redemption Amount shall equal the Principal Amount multiplied by a percentage equal to the Protection Level.

The “Ending Value” shall equal the value of the Basket as determined by the Calculation Agent on the seventh scheduled Business Day (as defined below) before the Stated Maturity by

adding 100 to the sum of the products of (1) the Multiplier of each Basket Component and (2) the then-current Exchange Rate (as defined below) for such Basket Component.

The “Basket” shall be a measure of the exchange rate movements of the Basket Components relative to the Base Currency.

The “Exchange Rates” shall be those rates reported by Bloomberg L.P. (“Bloomberg”) on page TKC7, and Reuters Group PLC on page SAEC, or other applicable page at approximately the Valuation Time on the relevant date. If the currency exchange rates are not so quoted, then the Exchange Rates shall equal the noon buying rate in New York for cable transfers in foreign currencies as announced by the Federal Reserve Bank of New York for customs purposes (the “Noon Buying Rate”). If the Noon Buying Rate is not announced on such date, then the Exchange Rates shall be calculated on the basis of the arithmetic mean of the applicable spot quotations received by the Calculation Agent at approximately 10:00 a.m., New York City time, on the relevant date for the purchase or sale for deposits in the relevant currencies by the London offices of three leading banks engaged in the interbank market (selected in the sole discretion of the Calculation Agent) (the “Reference Banks”). If fewer than three Reference Banks provide such spot quotations, then the Exchange Rates shall be calculated on the basis of the arithmetic mean of the applicable spot quotations received by the Calculation Agent at approximately 10:00 a.m., New York City time, on the relevant date from two leading commercial banks in New York (selected in the sole discretion of the Calculation Agent), for the purchase or sale for deposits in the relevant currencies. If these spot quotations are available from only one bank, then the Calculation Agent, in its sole discretion, shall determine which quotation is available and reasonable to be used. If no such spot quotation is available, then the Exchange Rates shall be the rate the Calculation Agent, in its sole discretion, determines to be fair and reasonable under the circumstances at approximately 10:00 a.m., New York City time, on the relevant date.

A “Business Day” means any day other than a Saturday or Sunday that is neither a legal holiday nor a day on which banking institutions in The City of New York are authorized or required by law, regulation or executive order to close and such banks are open for dealing in a foreign exchange and foreign currency deposits.

All determinations made by the Calculation Agent shall be made in its sole discretion and, absent a manifest error, shall be conclusive for all purposes and binding on the Company and the Holders and beneficial owners of the Notes.

General

All percentages resulting from any calculation on the Notes shall be rounded to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upwards. For example, 9.876545% (or .09876545) would be rounded to 9.87655% (or .0987655). All dollar amounts used in or resulting from any calculation shall be rounded to the nearest cent with one-half cent being rounded upward.

Payment of principal and interest on the Notes shall be made at the office or agency of the Company maintained by the Company for such purpose in the Borough of Manhattan, The

City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

Unless the certificate of authentication hereon has been executed by or on behalf of JPMorgan Chase Bank, the Trustee with respect to the Notes under the Indenture, or its successor thereunder, by the manual signature of one of its authorized officers, this Global Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Global Note is one of a duly authorized issue of securities of the Company designated as its Medium-Term Notes, Series C, Due Nine Months or More from Date of Issue. The Notes are issued and to be issued under an indenture dated as of April 1, 1983, as amended and restated (the "Indenture"), between the Company and JPMorgan Chase Bank (herein called the "Trustee", which term includes any successor Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee and the Holders of the Notes and the terms upon which the Notes are to be authenticated and delivered.

The Notes are issuable only in registered form without coupons in the denominations specified above. As provided in the Indenture and subject to certain limitations therein set forth, the Notes are exchangeable for a like aggregate principal amount of Notes as requested by the Holder surrendering the same. If (x) the Depository is at any time unwilling or unable to continue as depository and a successor depository is not appointed by the Company within 60 days, (y) the Company executes and delivers to the Trustee a Company Order to the effect that this Global Note shall be exchangeable or (z) an Event of Default has occurred and is continuing with respect to the Notes, this Global Note shall be exchangeable for Notes in definitive form of like tenor and of an equal aggregate principal amount, in authorized denominations. Such definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee. If definitive Notes are so delivered, the Company may make such changes to the form of this Global Note as are necessary or appropriate to allow for the issuance of such definitive Notes.

The Notes are not subject to any sinking fund.

In case an Event of Default with respect to any Notes shall have occurred and be continuing, the amount payable to a Holder of a Note upon any acceleration permitted by the Notes, with respect to the principal amount hereof, shall be equal to the amount payable on the Stated Maturity, calculated as though the date of acceleration were the Stated Maturity.

In case of default in payment of the Notes, whether at the Stated Maturity or upon acceleration, from and after such date the Notes shall bear interest, payable upon demand of the Holders thereof, at the Default Rate, to the extent that payment of such interest shall be legally enforceable, on the unpaid amount due and payable on such date in accordance with the terms of the Notes to the date payment of such amount has been made or duly provided for.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than 66 ²/₃% in aggregate

original principal amount of the Securities at the time Outstanding of each series affected thereby. Holders of specified percentages in aggregate original principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of each series, are permitted to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Global Note shall be conclusive and binding upon such Holder and upon all future Holders of this Global Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Global Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on the Notes at the time, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations set forth therein and on the face hereof, the transfer of this Global Note may be registered on the Security Register of the Company, upon surrender of this Global Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon one or more new Notes of authorized denominations and for the same aggregate principal amount, shall be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company and each Holder by acceptance hereof hereby agree to treat this Global Note for all tax purposes as a debt instrument that is subject to U.S. Treasury Regulation section 1.1275-4(b) governing contingent payment debt instruments (by reason of the application of U.S. Treasury Regulation section 1.988-6(d)(3)), and, where required, the Company shall file information returns with the Internal Revenue Service in accordance with this treatment, in the absence of any change or clarification in the law, by regulation or otherwise, requiring a different characterization of the Notes.

Prior to due presentment of this Global Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Global Note is registered as the owner hereof for all purposes, whether or not this Global Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Indenture and the Notes shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Global Note which are defined in the Indenture but not in this Global Note shall have the meanings assigned to them in the Indenture.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed under its corporate seal.

Dated: November 5, 2004

November 5, 2004

Merrill Lynch & Co., Inc.
4 World Financial Center
New York, New York 10080

Ladies and Gentlemen:

As your counsel, we have examined a copy of the Restated Certificate of Incorporation, as amended, of Merrill Lynch & Co., Inc. (hereinafter called the "Company"), certified by the Secretary of State of the State of Delaware. We are familiar with the corporate proceedings had in connection with the proposed issuance and sale by the Company through the Agent referred to in and pursuant to a Distribution Agreement dated October 4, 1993 (the "Distribution Agreement"), between the Company and Merrill Lynch & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated, of \$22,000,000 aggregate principal amount of its Medium-Term Notes, Series C, Currency Basket Notes which are due January 5, 2006 (the "Notes") issued as part of a

series of the Company's Medium-Term Notes, Series C, Due Nine Months or More from Date of Issue. We have also examined a copy of the Indenture between the Company and JPMorgan Chase Bank, as Trustee, dated as of April 1, 1983, as amended (the "Indenture"), and the Company's Registration Statement on Form S-3 (File No. 333-109802) relating to the Notes (the "Registration Statement").

Based upon the foregoing and upon such further investigation as we deemed relevant in the premises, we are of the opinion that the Notes have been duly and validly authorized by the Company and when the Notes have been duly executed and authenticated in accordance with the terms of the Indenture and delivered against payment therefor as set forth in the Distribution Agreement, the Notes will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent that enforcement thereof may be limited by bankruptcy, moratorium, insolvency, reorganization or similar laws relating to or affecting creditors' rights generally and except as enforcement thereof is subject to general principles at equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

We consent to the filing of this opinion as an exhibit to the Registration Statement and as an exhibit to the Current Report of the Company on Form 8-K dated November 5, 2004. We also consent to the use of our name under the caption "United States Federal Income Taxation" in the pricing supplement related to the offering of the Notes.

Very truly yours,

/s/ SIDLEY AUSTIN BROWN & WOOD LLP
