In connection with such transfer, assignment, set-over and conveyance, the Seller agrees to record and file, at its own expense, a financing statement (including any continuation statements with respect to such financing statement when applicable) with respect to the Receivables now existing and hereafter created for the transfer of accounts (as defined in the UCC as in effect in the State of Delaware) meeting the requirements of applicable state law in such manner and in such jurisdictions as are necessary to perfect the assignment of the Receivables to the Trust, and to deliver a file-stamped copy of such financing statement or continuation statement or other evidence of such filing (which may, for purposes of this Section 2.01, consist of telephone confirmation of such filing) to the Trustee on or prior to the date of issuance of the Certificates, and in the case of any continuation statements filed pursuant to this Section 2.01, as soon as practicable after receipt thereof by the Seller. (b) The Trustee hereby agrees not to disclose to any Person any of the account numbers or other information contained in the computer files or microfiche lists delivered to the Trustee by the Seller pursuant to Sections 2.01, 2.06 and 2.07 ("Account Information") except as is required in connection with the performance of its duties hereunder or in enforcing the rights of the Certificateholders or to a Successor Servicer appointed pursuant to Section 10.02, as mandated pursuant to any Requirement of Law applicable to the Trustee or as requested by any Person in connection with financing statements filed with the Trust. The Trustee agrees to take such measures as shall be reasonably requested by the Seller to protect and maintain the security and confidentiality of such information, and, in connection therewith, shall allow the Seller to inspect the Trustee's security and confidentiality arrangements from time to time during normal business hours. In the event that the Trustee is required by law to disclose any Account Information, the Trustee shall provide the Seller with prompt written notice, unless such notice is prohibited by law, of any such request or requirement so that the Seller may request a protective order or other appropriate remedy. The Trustee shall make best efforts to provide the Seller with written notice no later than five days prior to any disclosure pursuant to this subsection 2.02(b).

---

(c) The Trustee shall have no power to create, assume or incur indebtedness or other liabilities in the name of the Trust other than as contemplated in this Agreement.

Section 2.03. Representations and Warranties of the Seller. The Seller hereby represents and warrants to the Trust as of the Initial Closing Date and as of the Amendment Closing Date, as the case may be:

(a) Organization and Good Standing. The Seller is a national banking association duly organized and validly existing in good standing under the laws of the United States and has full corporate power, authority and legal right to own its properties and conduct its business as such properties are presently owned and such business is presently conducted, and to execute, deliver and perform its obligations under this Agreement and to execute and deliver to the Trustee the Certificates pursuant hereto.

(b) Due Qualification. The Seller is duly qualified to do business and is in good standing (or is exempt from such requirement) in any state required in order to conduct its business, and has obtained all necessary licenses and approvals with respect to the Seller required under federal and Delaware law; provided, however, that no representation or warranty is made with respect to any qualifications, licenses or approvals which the Trustee would have to obtain to do business in any state in which the Trustee seeks to enforce any Receivable.

(c) Due Authorization. The execution and delivery of this Agreement and the execution and delivery to the Trustee of the Certificates by the Seller and the consummation of the transactions provided for in this Agreement have been duly authorized by the Seller by all necessary corporate action on its part and this Agreement will remain, from the time of its execution, an official record of the Seller.

(d) No Conflict. The execution and delivery of this Agreement and the Certificates, the performance of the transactions contemplated by this Agreement and the fulfillment of the terms hereof will not conflict with, result in any breach of any of the material terms and provisions of, or constitute (with or without notice or lapse of time or both) a material default under, any indenture, contract, agreement, mortgage, deed of trust, or other instrument to which the Seller is a party or by which it or any of its properties are bound.

(e) No Violation. The execution and delivery of this Agreement and the Certificates, the performance of the transactions contemplated by this Agreement and the fulfillment of the terms hereof will not conflict with or violate any Requirements of Law applicable to the Seller.

(f) No Proceedings. There are no proceedings or investigations pending or, to the best knowledge of the Seller, threatened against the Seller before any court, regulatory body, administrative agency, or other tribunal or governmental instrumentality (i) asserting the invalidity of this Agreement or the Certificates, (ii) seeking to prevent the issuance of the Certificates or the consummation of any of the transactions contemplated by this Agreement or the Certificates, (iii) seeking any determination or ruling that, in the reasonable judgment of the Seller, would materially and adversely affect the performance by the Seller of its obligations under this Agreement, (iv) seeking any determination or ruling that would materially and

adversely affect the validity or enforceability of this Agreement or the Certificates or (v) seeking to affect adversely the income tax attributes of the Trust.

(g) Eligibility of Accounts. As of the Cut Off Date, each Account was an Eligible Account and no selection procedures adverse to the Investor Certificateholders have been employed by the Seller in selecting the Accounts from among the Eligible Accounts in the Bank Portfolio.

(h) Seller's Deposit Accounts. As of the Initial Closing Date, deposits in the Seller's deposit accounts were insured to the limits provided by law by BIF.

(i) All Consents Required. All approvals, authorizations, consents, orders or other actions of any Person or of any governmental body or official required in connection with the execution and delivery of this Agreement and the Certificates, the performance of the transactions contemplated by this Agreement and the fulfillment of the terms hereof, have been obtained.

For the purposes of the representations and warranties contained in this Section 2.03 and made by the Seller on the Initial Closing Date, "Certificates" shall mean the Certificates issued on the Initial Closing Date. The representations and warranties set forth in this Section 2.03 shall survive the transfer and assignment of the respective Receivables to the Trust, and termination of the rights and obligations of the Servicer pursuant to Section 10.01. The Seller hereby represents and warrants to the Trust, with respect to any Series of Certificates, as of its Closing Date, unless otherwise stated in such Supplement, that the representations and warranties of the Seller set forth in Section 2.03 are true and correct as of such date (for the purposes of such representations and warranties, "Certificates" shall mean the Certificates issued on the related Closing Date). Upon discovery by the Seller, the Servicer or the Trustee of a breach of any of the foregoing representations and warranties, the party discovering such breach shall give prompt written notice to the others.

#### Section 2.04. Representations and Warranties of the Seller Relating to the Agreement and the Receivables

(a) Binding Obligation: Valid Transfer and Assignment. The Seller hereby represents and warrants to the Trust that, as of the Initial Closing Date and as of the Amendment Closing Date:

(i) This Agreement constitutes a legal, valid and binding obligation of the Seller, enforceable against the Seller in accordance with its terms, except (A) as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect affecting the enforcement of creditors' rights in general and the rights of creditors of national banking associations, and (B) as such enforceability may be limited by general principles of equity (whether considered in a suit at law or in equity).

(ii) This Agreement constitutes either (A) a valid transfer, assignment, set-over and conveyance to the Trust of all right, title and interest of the Seller in and to the Receivables now existing and hereafter created and arising in connection with the

Accounts (other than Receivables in Additional Accounts), all proceeds of such Receivables and Insurance Proceeds and Recoveries relating thereto and such Receivables and all proceeds thereof and Insurance Proceeds and Recoveries relating thereto will be held by the Trust free and clear of any Lien of any Person claiming through or under the Seller or any of its Affiliates except for (x) Liens permitted under subsection 2.05(b), (y) the interest of the Seller as Holder of the Seller Certificate and (z) the Seller's right, if any, to interest accruing on, and investment earnings, if any, in respect of the Finance Charge Account, the Principal Account or any Series Account, as provided in this Agreement or the related Supplement, or (B) a grant of a security interest (as defined in the UCC as in effect in the State of Delaware) in such property to the Trust, which is enforceable with respect to the existing Receivables (other than Receivables in Additional Accounts), the proceeds thereof and Insurance Proceeds and Recoveries relating thereto upon execution and delivery of this Agreement, and which will be enforceable with respect to such Receivables hereafter created, the proceeds thereof and Insurance Proceeds and Recoveries relating thereto, upon such creation. If this Agreement constitutes the grant of a security interest to the Trust in such property, upon the filing of the financing statement described in Section 2.01 and in the case of the Receivables hereafter created and proceeds thereof and Insurance Proceeds and Recoveries relating thereto, upon such creation, the Trust shall have a first priority perfected security interest in such property (subject to Section 9-315 of the UCC as in effect in the State of Delaware), except for Liens permitted under subsection 2.05(b). Neither the Seller nor any Person claiming through or under the Seller shall have any claim to or interest in the Principal Account, the Finance Charge Account, the Distribution Account or any Series Account, except for the Seller's rights to receive interest accruing on, and investment earnings in respect of, the Finance Charge Account and Principal Account as provided in this Agreement (or, if applicable, any Series Account as provided in any Supplement) and, if this Agreement constitutes the grant of a security interest in such property, except for the interest of the Seller in such property as a debtor for purposes of the UCC as in effect in the State of Delaware.

(b) Eligibility of Receivables. The Seller hereby represents and warrants to the Trust as of the Initial Closing Date and as of each Addition Date, as the case may be, that:

- (i) Each Receivable is an Eligible Receivable as of the Cut Off Date or the Addition Date, as applicable.
- (ii) Each Receivable then existing has been conveyed to the Trust free and clear of any Lien of any Person claiming through or under the Seller or any of its Affiliates (other than Liens permitted under subsection 2.05(b)) and in compliance, in all material respects, with all Requirements of Law applicable to the Seller.
- (iii) With respect to each Receivable then existing, all consents, licenses, approvals or authorizations of or registrations or declarations with any Governmental Authority required to be obtained, effected or given by the Seller in connection with the conveyance of such Receivable to the Trust have been duly obtained, effected or given and are in full force and effect.

(iv) On each day on which any new Receivable is created, the Seller shall be deemed to represent and warrant to the Trust that (A) each Receivable created on such day is an Eligible Receivable, (B) each Receivable created on such day has been conveyed to the Trust in compliance, in all material respects, with all Requirements of Law applicable to the Seller, (C) with respect to each such Receivable, all consents, licenses, approvals or authorizations of or registrations or declarations with, any Governmental Authority required to be obtained, effected or given by the Seller in connection with the conveyance of such Receivable to the Trust have been duly obtained, effected or given and are in full force and effect and (D) the representations and warranties set forth in subsection 2.04(a) are true and correct with respect to each Receivable created on such day as if made on such day.

(v) As of the Initial Closing Date, Schedule 1 to this Agreement, and as of the applicable Addition Date with respect to Additional Accounts, the related computer file or microfiche list referred to in Section 2.06, is an accurate and complete listing in all material respects of all the Accounts as of the Cut Off Date, or with respect to Additional Accounts, as of the applicable Addition Date, and the information contained therein with respect to the identity of such Accounts and the Receivables existing thereunder is true and correct in all material respects as of the Cut Off Date or such applicable Addition Date. As of the Cut Off Date, the aggregate amount of Receivables in all the Accounts was \$1,699,985,109, of which \$1,681,078,559 were Principal Receivables.

(c) Notice of Breach. The representations and warranties set forth in this Section 2.04 shall survive the transfer and assignment of the respective Receivables to the Trust. Upon discovery by the Seller, the Servicer or the Trustee of a breach of any of the representations and warranties set forth in this Section 2.04, the party discovering such breach shall give prompt written notice to the other parties mentioned above. The Seller agrees to cooperate with the Servicer and the Trustee in attempting to cure any such breach.

(d) Transfer of Ineligible Receivables.

(i) Automatic Removal. In the event of a breach with respect to a Receivable of any representations and warranties set forth in subsection 2.04(b)(ii), or in the event that a Receivable is not an Eligible Receivable as a result of the failure to satisfy the conditions set forth in clause (d) of the definition of Eligible Receivable, and any of the following three conditions is met: (A) as a result of such breach or event such Receivable is charged off as uncollectible or the Trust's rights in, to or under such Receivable or its proceeds are impaired or the proceeds of such Receivable are not available for any reason to the Trust free and clear of any Lien; (B) the Lien upon the subject Receivable (1) arises in favor of the United States of America or any State or any agency or instrumentality thereof and involves taxes or liens arising under Title IV of ERISA or (2) has been consented to by the Seller; or (C) the unsecured short-term debt rating of the Seller is not at least P-1 by Moody's and F1 by Fitch and the Lien upon the subject Receivable ranks prior to the Lien created pursuant to this Agreement; then, upon the earlier to occur of the discovery of such breach or event by the Seller or the Servicer or receipt by the Seller of written notice of such breach or event given by the Trustee, each

---

such Receivable shall be automatically removed from the Trust on the terms and conditions set forth in subsection 2.04(d)(iii).

(ii) Removal After Cure Period. In the event of a breach of any of the representations and warranties set forth in subsection 2.04(b) other than a breach or event as set forth in clause (d)(i) above, and as a result of such breach the related Account becomes a Defaulted Account or the Trust's rights in, to or under the Receivable or its proceeds are impaired or the proceeds of such Receivable are not available for any reason to the Trust free and clear of any Lien, then, upon the expiration of 60 days (or such longer period as may be agreed to by the Trustee in its sole discretion, but in no event later than 120 days) from the earlier to occur of the discovery of any such event by either the Seller or the Servicer, or receipt by the Seller of written notice of any such event given by the Trustee, each such Receivable shall be removed from the Trust on the terms and conditions set forth in subsection 2.04(d)(iii); provided, however, that no such removal shall be required to be made if, on any day within such applicable period, such representations and warranties with respect to such Receivable shall then be true and correct in all material respects as if such Receivable had been created on such day.

(iii) Procedures for Removal. When the provisions of subsection 2.04(d)(i) or (ii) above require removal of a Receivable, the Seller shall accept reassignment of such Receivable (an "Ineligible Receivable") by directing the Servicer to deduct the principal balance of each such Ineligible Receivable from the Principal Receivables in the Trust and to decrease the Seller Interest by such amount. On and after the date of such removal, each Ineligible Receivable shall be deducted from the aggregate amount of Principal Receivables used in the calculation of any Investor Percentage, the Seller Percentage or the Seller Interest. In the event that the exclusion of an Ineligible Receivable from the calculation of the Seller Interest would cause the Seller Interest to be reduced below zero or would otherwise not be permitted by law, the Seller shall concurrently make a deposit in the Collection Account (for allocation as a Principal Receivable) in immediately available funds prior to the Transfer Date related to such Monthly Period in which such event occurred in an amount equal to the amount by which the Seller Interest would be reduced below zero. The portion of such deposit allocated to the Investor Certificates of each Series shall be distributed to the Investor Certificateholders of each Series in the manner specified in Article IV, if applicable, on the Distribution Date immediately following such Transfer Date. Upon the reassignment to the Seller of an Ineligible Receivable, the Trust shall automatically and without further action be deemed to transfer, assign, set-over and otherwise convey to the Seller, without recourse, representation or warranty, all the right, title and interest of the Trust in and to such Ineligible Receivable, all monies due or to become due with respect to such Ineligible Receivable and all proceeds of such Ineligible Receivable and Insurance Proceeds and Recoveries relating to such Ineligible Receivable and Interchange (if any) allocated to such Ineligible Receivable pursuant to any Supplement. Such reassigned Ineligible Receivable shall be treated by the Trust as collected in full as of the date on which it was transferred. The Trustee shall execute such documents and instruments of transfer or assignment and take other actions as shall reasonably be requested by the Seller to evidence the conveyance of such Ineligible Receivable pursuant to this subsection 2.04(d)(iii). The obligation of the Seller set forth in this subsection

2.04(d)(iii), or the automatic removal of such Receivable from the Trust, as the case may be, shall constitute the sole remedy respecting any breach of the representations and warranties set forth in the above-referenced subsections with respect to such Receivable available to Certificateholders or the Trustee on behalf of Certificateholders.

(iv) Proceeds Held by Servicer. For the purposes of subsections 2.04(d)(i) and (ii) above, proceeds of a Receivable shall not be deemed to be impaired hereunder solely because such proceeds are held by the Servicer (if the Servicer is the Seller) for more than the applicable period under Section 9-315(d) of the UCC as in effect in the State of Delaware.

(c) Reassignment of Trust Portfolio. In the event of a breach of any of the representations and warranties set forth in subsection 2.04(a), either the Trustee or the Holders of Investor Certificates evidencing Undivided Interests aggregating more than 50% of the Aggregate Investor Interest, by notice then given in writing to the Seller (and to the Trustee and the Servicer, if given by the Investor Certificateholders), may direct the Seller to accept reassignment of an amount of Principal Receivables (as specified below) within 60 days of such notice (or within such longer period as may be specified in such notice), and the Seller shall be obligated to accept reassignment of such Principal Receivables on a Distribution Date specified by the Seller (such Distribution Date, the "Reassignment Date") occurring within such applicable period on the terms and conditions set forth below; provided, however, that no such reassignment shall be required to be made if, at any time during such applicable period, the representations and warranties contained in subsection 2.04(a) shall then be true and correct in all material respects. The Seller shall deposit on the Transfer Date (in New York Clearing House, next day funds) preceding the Reassignment Date an amount equal to the reassignment deposit amount for such Receivables in the Distribution Account or Series Account, as provided in the related Supplement, for distribution to the Investor Certificateholders pursuant to Article XII. The reassignment deposit amount with respect to each Series for such reassignment, unless otherwise stated in the related Supplement, shall be equal to (i) the Investor Interest of such Series at the end of the day on the last day of the Monthly Period preceding the Reassignment Date, less the amount, if any, previously allocated for payment of principal to such Certificateholders on the related Distribution Date in the Monthly Period in which the Reassignment Date occurs, plus (ii) an amount equal to all interest accrued but unpaid on the Investor Certificates of such Series at the applicable Certificate Rate through such last day, less the amount, if any, previously allocated for payment of interest to the Certificateholders of such Series on the related Distribution Date in the Monthly Period in which the Reassignment Date occurs. Payment of the reassignment deposit amount with respect to each Series, and all other amounts in the Distribution Account or the applicable Series Account in respect of the preceding Monthly Period, shall be considered a prepayment in full of the Receivables represented by the Investor Certificates. On the Distribution Date following the Transfer Date on which such amount has been deposited in full into the Distribution Account or the applicable Series Account, the Receivables and all monies due or to become due with respect to such Receivables and all proceeds of the Receivables and Insurance Proceeds and Recoveries relating to such Receivables and Interchange (if any) allocated to the Receivables pursuant to any Supplement shall be released to the Seller after payment of all amounts otherwise due hereunder on or prior to such dates and the Trustee shall execute and deliver such instruments of transfer or assignment, in each case without recourse, representation or warranty, as shall be prepared by and as are

reasonably requested by the Seller to vest in the Seller, or its designee or assignee, all right, title and interest of the Trust in and to the Receivables, all monies due or to become due with respect to such Receivables and all proceeds of the Receivables and Insurance Proceeds and Recoveries relating to such Receivables and Interchange (if any) allocated to the Receivables pursuant to any Supplement. If the Trustee or the Investor Certificateholders give notice directing the Seller to accept reassignment as provided above, the obligation of the Seller to accept reassignment of the Receivables and pay the reassignment deposit amount pursuant to this subsection 2.04(e) shall constitute the sole remedy respecting a breach of the representations and warranties contained in subsection 2.04(a) available to the Investor Certificateholders or the Trustee on behalf of the Investor Certificateholders.

Section 2.05. Covenants of the Seller. The Seller hereby covenants that:

(a) Receivables to be Accounts. The Seller will take no action to cause any Receivable to be evidenced by any instrument (as defined in the UCC as in effect in the State of Delaware). Each Receivable shall be payable pursuant to a contract which does not create a Lien on any goods purchased thereunder. The Seller will take no action to cause any Receivable to be anything other than an "account" (as defined in the UCC as in effect in the State of Delaware).

(b) Security Interests. Except for the conveyances hereunder, the Seller will not sell, pledge, assign or transfer to any other Person, or grant, create, incur, assume or suffer to exist any Lien on any Receivable, whether now existing or hereafter created, or any interest therein; the Seller will immediately notify the Trustee of the existence of any Lien on any Receivable; and the Seller shall defend the right, title and interest of the Trust in, to and under the Receivables, whether now existing or hereafter created, against all claims of third parties claiming through or under the Seller; provided, however, that nothing in this subsection 2.05(b) shall prevent or be deemed to prohibit the Seller from suffering to exist upon any of the Receivables any Liens for municipal or other local taxes if such taxes shall not at the time be due and payable or if the Seller shall currently be contesting the validity thereof in good faith by appropriate proceedings and shall have set aside on its books adequate reserves with respect thereto.

(c) Credit Card Agreements and Account Guidelines. The Seller shall comply with and perform its obligations under the Credit Card Agreements relating to the Accounts and the Credit Card Guidelines and all applicable rules and regulations of VISA U.S.A., Inc., MasterCard International Incorporated and American Express Company except insofar as any failure to comply or perform would not materially and adversely affect the rights of the Trust or the Certificateholders hereunder or under the Certificates. The Seller may change the terms and provisions of the Credit Card Agreements or the Credit Card Guidelines in any respect (including, without limitation, the reduction of the required minimum monthly payment, the calculation of the amount, or the timing, of charge offs and the Periodic Finance Charges and other fees to be assessed thereon) only if such change (i) would not, in the reasonable belief of the Seller, cause a Pay Out Event to occur, and (ii) is made applicable to the comparable segment of the revolving credit card accounts owned and serviced by the Seller which have characteristics the same as, or substantially similar to, the Accounts that are the subject of such change, except as otherwise restricted by an endorsement, sponsorship, or other agreement between the Seller and an unrelated third party or by the terms of the Credit Card Agreements.

(d) Account Allocations.

(i) In the event that the Seller is unable for any reason to transfer Receivables to the Trust in accordance with the provisions of this Agreement (including, without limitation, by reason of the application of the provisions of Section 9.02 or an order by any federal governmental agency having regulatory authority over the Seller or any court of competent jurisdiction that the Seller not transfer any additional Principal Receivables to the Trust) then, in any such event, (A) the Seller agrees to allocate and pay to the Trust, after the date of such inability, all Collections with respect to Principal Receivables, and all amounts which would have constituted Collections with respect to Principal Receivables but for the Seller's inability to transfer such Receivables (up to an aggregate amount equal to the amount of Principal Receivables in the Trust on such date); (B) the Seller agrees to have such amounts applied as Collections in accordance with Article IV; and (C) for only so long as all Collections and all amounts which would have constituted Collections are allocated and applied in accordance with clauses (A) and (B) above, Principal Receivables (and all amounts which would have constituted Principal Receivables but for the Seller's inability to transfer Receivables to the Trust) that are written off as uncollectible in accordance with this Agreement shall continue to be allocated in accordance with Article IV, and all amounts that would have constituted Principal Receivables but for the Seller's inability to transfer Receivables to the Trust shall be deemed to be Principal Receivables for the purpose of calculating (i) the applicable Investor Percentage with respect to any Series and (ii) the Aggregate Investor Percentage thereunder. If the Seller is unable pursuant to any Requirement of Law to allocate Collections as described above, the Seller agrees that it shall in any such event allocate, after the occurrence of such event, payments on each Account with respect to the principal balance of such Account first to the oldest principal balance of such Account and to have such payments applied as Collections in accordance with Article IV. The parties hereto agree that Finance Charge Receivables, whenever created, accrued in respect of Principal Receivables that have been conveyed to the Trust, or that would have been conveyed to the Trust but for the above described inability to transfer such Receivables, shall continue to be a part of the Trust notwithstanding any cessation of the transfer of additional Principal Receivables to the Trust and Collections with respect thereto shall continue to be allocated and paid in accordance with Article IV.

(ii) In the event that, pursuant to subsection 2.04(d), the Seller accepts reassignment of an Ineligible Receivable as a result of a breach of the representations and warranties in subsection 2.04(b) relating to such Receivable, then, in any such event, the Seller agrees to account for payments received with respect to such Ineligible Receivable separately from its accounting for Collections on Principal Receivables retained by the Trust. If payments received from or on behalf of an Obligor are not specifically applicable either to an Ineligible Receivable of such Obligor reassigned to the Seller or to the Receivables of such Obligor retained in the Trust, then the Seller agrees to allocate payments proportionately based on the total amount of Principal Receivables of such Obligor retained in the Trust and the total amount owing by such Obligor on any Ineligible Receivables reassigned to the Seller, and the portion allocable to any Principal Receivables retained in the Trust shall be treated as Collections and deposited in accordance with the provisions of Article IV.

(e) Delivery of Collections. The Seller agrees to pay to the Servicer all payments received by the Seller in respect of the Receivables as soon as practicable after receipt thereof by the Seller.

(f) Conveyance of Accounts. The Seller covenants and agrees that it will not convey, assign, exchange or otherwise transfer the Accounts to any Person prior to the termination of this Agreement pursuant to Article XII; provided, however, that the Seller shall not be prohibited hereby from conveying, assigning, exchanging or otherwise transferring the Accounts in connection with a transaction complying with the provisions of Section 7.02.

Section 2.06. Addition of Accounts.

(a) (i) If, (A) during any period of thirty consecutive days, the Seller Interest averaged over that period is less than the Minimum Seller Interest for that period the Seller shall designate additional eligible MasterCard, VISA or American Express accounts from the Bank Portfolio ("Additional Accounts") to be included as Accounts in a sufficient amount such that the average of the Seller Interest as a percentage of the Average Principal Receivables for such 30 day period, computed by assuming that the amount of the Principal Receivables of such Additional Accounts shall be deemed to be outstanding in the Trust during each day of such 30-day period, is at least equal to the Minimum Seller Interest, or (B) on any Record Date the aggregate amount of Principal Receivables is less than the Minimum Aggregate Principal Receivables (as adjusted for any Series having a Companion Series as described in the Supplement for such Series), the Seller shall designate Additional Accounts to be included as Accounts in a sufficient amount such that the aggregate amount of Principal Receivables will be equal to or greater than the Minimum Aggregate Principal Receivables. Receivables from such Additional Accounts shall be transferred to the Trust on or before the tenth Business Day following such thirty-day period or Record Date, as the case may be.

(ii) In lieu of, or in addition to, designating Additional Accounts pursuant to clause (i) above, the Seller may, subject to any applicable conditions specified in paragraph (c) below, convey to the Trust participations representing undivided interests in a pool of assets primarily consisting of receivables arising under revolving credit card accounts owned by the Seller or any Affiliate of any Seller and collections thereon ("Participations"). The addition of Participations in the Trust pursuant to this paragraph (a) or paragraph (b) below shall be effected by an amendment hereto, dated as of the applicable Addition Date, pursuant to Section 13.01(a).

(b) In addition to its obligation under subsection 2.06(a), the Seller may, but shall not be obligated to, designate from time to time Additional Accounts of the Seller to be included as Accounts or Participations to be included as property of the Trust, in either case as of the applicable Addition Date.

(c) The Seller agrees that any such transfer of Receivables from Additional Accounts, under subsection 2.06(a) or (b) shall satisfy the following conditions (to the extent provided below):

(i) on or before the fifth Business Day prior to the Addition Date with respect to additions pursuant to subsection 2.06(a) and on or before the tenth Business Day prior

to the Addition Date with respect to additions pursuant to subsection 2.06(b) (the "Notice Date"), the Seller shall give the Trustee, each Rating Agency and the Servicer written notice that such Additional Accounts or Participations will be included, which notice shall specify the approximate aggregate amount of the Receivables to be transferred;

(ii) on or before the Addition Date, the Seller shall have delivered to the Trustee a written assignment (including an acceptance by the Trustee on behalf of the Trust for the benefit of the Investor Certificateholders) in substantially the form of Exhibit B (the "Assignment") and the Seller shall have indicated in its computer files that the Receivables created in connection with the Additional Accounts have been transferred to the Trust and, within five Business Days thereafter, or as otherwise agreed upon between the Seller and the Trustee, the Seller shall have delivered to the Trustee a computer file or microfiche list containing a true and complete list of all Additional Accounts and identifying each Account by account number and the aggregate amount of the Receivables in such Additional Accounts, as of the Addition Date, which computer file or microfiche list shall be as of the date of such Assignment incorporated into and made a part of such Assignment and this Agreement;

(iii) the Seller shall represent and warrant that (x) with respect to Additional Accounts, each Additional Account is, as of the Addition Date, an Eligible Account, and each Receivable in such Additional Account is, as of the Addition Date, an Eligible Receivable, (y) no selection procedures believed by the Seller to be materially adverse to the interests of the Investor Certificateholders were utilized in selecting the Additional Accounts from the available Eligible Accounts from the Bank Portfolio, and (z) as of the Addition Date, the Seller is not insolvent;

(iv) the Seller shall represent and warrant that, as of the Addition Date, the Assignment constitutes either (x) a valid transfer and assignment to the Trust of all right, title and interest of the Seller in and to the Receivables then existing and thereafter created in the Additional Accounts, and all proceeds (as defined in the UCC as in effect in the State of Delaware) of such Receivables and Insurance Proceeds and Recoveries relating thereto and such Receivables and all proceeds thereof and Insurance Proceeds and Recoveries relating thereto will be held by the Trust free and clear of any Lien of any Person claiming through or under the Seller or any of its Affiliates, except for (i) Liens permitted under subsection 2.05(b), (ii) the interest of the Seller as Holder of the Seller Certificate and (iii) the Seller's right to receive interest accruing on, and investment earnings in respect of, the Finance Charge Account and the Principal Account, or any Series Account as provided in this Agreement and any related Supplement or (y) a grant of a security interest (as defined in the UCC as in effect in the State of Delaware), in such property to the Trust, which is enforceable with respect to then existing Receivables of the Additional Accounts, the proceeds (as defined in the UCC as in effect in the State of Delaware), thereof and Insurance Proceeds and Recoveries relating thereto upon the conveyance of such Receivables to the Trust, and which will be enforceable with respect to the Receivables thereafter created in respect of Additional Accounts conveyed on such Addition Date, the proceeds (as defined in the UCC as in effect in the State of Delaware), thereof and Insurance Proceeds and Recoveries relating thereto upon such creation; and (z) if the Assignment constitutes the grant of a security interest to the Trust in such

property, upon the filing of a financing statement as described in Section 2.01 with respect to such Additional Accounts and in the case of the Receivables thereafter created in such Additional Accounts and the proceeds (as defined in the UCC as in effect in the State of Delaware), thereof, and Insurance Proceeds and Recoveries relating thereto, upon such creation, the Trust shall have a first priority perfected security interest in such property (subject to Section 9-315 of the UCC as in effect in the State of Delaware), except for Liens permitted under subsection 2.05(b);

(v) the Seller shall deliver an Officer's Certificate substantially in the form of Schedule 2 to Exhibit B to the Trustee confirming the items set forth in paragraphs (ii), (iii) and (iv) above;

(vi) the Seller shall deliver an Opinion of Counsel with respect to the Receivables in the Additional Accounts to the Trustee (with a copy to Moody's, Standard & Poor's and Fitch) substantially in the form of Exhibit E;

(vii) (A) with respect to accounts in excess of the Maximum Addition Amount and with respect to Participations, the Seller shall have received notice from Standard & Poor's, Moody's and Fitch that the inclusion of such accounts as Additional Accounts pursuant to subsections 2.06(a) and 2.06(b) or the inclusion of such Participations to be included as property of the Trust pursuant to subsections 2.06(a) and 2.06(b), as the case may be, will not result in the reduction or withdrawal of its then existing rating of any Series of Investor Certificates then issued and outstanding; and (B) with respect to accounts not in excess of the Maximum Addition Amount added during the last quarterly period (such quarterly period beginning on and including the fifteenth day of January, April, July, and October and ending on and excluding the fifteenth day of April, July, October, and January, respectively), if applicable, the Seller shall have received, to the extent not previously received, not later than twenty days after the relevant quarterly period, notice from Standard & Poor's, Moody's and Fitch that the inclusion of such accounts as Additional Accounts pursuant to subsections 2.06(a) and 2.06(b) will not result in the reduction or withdrawal of its then existing rating of any Series of Investor Certificates then issued and outstanding; and

(viii) the Seller shall provide each Rating Agency 30 days' prior notice of the inclusion of any business cards as Additional Accounts pursuant to subsection 2.06(b).

#### Section 2.07. Removal of Accounts.

(a) Subject to the conditions set forth below, the Seller may, but shall not be obligated to, designate Receivables from Accounts for deletion and removal ("Removed Accounts") from the Trust; provided, however, that the Seller shall not make more than one such designation in any Monthly Period. On or before the fifth Business Day (the "Removal Notice Date") prior to the date on which the designated Removed Accounts will be reassigned by the Trustee to the Seller (the "Removal Date"), the Seller shall give the Trustee and the Servicer written notice that the Receivables from such Removed Accounts are to be reassigned to the Seller.

(b) The Seller shall be permitted to designate and require reassignment to it of the Receivables from Removed Accounts only upon satisfaction of the following conditions:

(i) the removal of any Receivables of any Removed Accounts on any Removal Date shall not, in the reasonable belief of the Seller, (a) cause a Pay Out Event to occur; provided, however, that for the purposes of this subsection 2.07(b)(i), the Receivables of each Removed Account shall be considered to have been removed as of the Removal Date, (b) cause the Seller Interest as a percentage of the aggregate amount of Principal Receivables to be less than the Minimum Seller Interest on such Removal Date, (c) cause the aggregate amount of Principal Receivables to be less than the Minimum Aggregate Principal Receivables, or (d) result in the failure to make any payment specified in the related Supplement with respect to any Series;

(ii) on or prior to the Removal Date, the Seller shall have delivered to the Trustee for execution a written assignment in substantially the form of Exhibit G (the "Reassignment") and, within five Business Days (or as otherwise agreed upon between the Seller and the Trustee) thereafter, the Seller shall have delivered to the Trustee a computer file or microfiche list containing a true and complete list of all Removed Accounts identified by account number and the aggregate amount of the Receivables in such Removed Accounts as of the Removal Date, which computer file or microfiche list shall as of the Removal Date modify and amend and be made a part of this Agreement;

(iii) the Seller shall represent and warrant that no selection procedures believed by the Seller to be materially adverse to the interests of the Certificateholders were utilized in selecting the Removed Accounts to be removed from the Trust;

(iv) [Reserved]

(v) on or before the tenth Business Day prior to the Removal Date, each Rating Agency shall have received notice of such proposed removal of the Receivables of such Accounts and the Seller shall have received notice prior to the Removal Date from such Rating Agency that such proposed removal will not result in a downgrade or withdrawal of its then current rating of any outstanding Series of the Investor Certificates;

(vi) on any Removal Notice Date, the amount of the Principal Receivables of the Removed Accounts to be reassigned to the Seller on the related Removal Date shall not equal or exceed 5% of the aggregate amount of the Principal Receivables on such Removal Date; provided, that if any Series has been paid in full, the Principal Receivables in such Removed Accounts shall not equal or exceed the sum of (A) 5% of the aggregate amount of the Principal Receivables, after giving effect to the removal of accounts pursuant to clause (B) below, on such Removal Date plus (B) the Initial Investor Interest of such Series that has been paid in full; and

(vii) the Seller shall have delivered to the Trustee an Officer's Certificate confirming the items set forth in clauses (i) through (vi) above. The Trustee may conclusively rely on such Officer's Certificate, shall have no duty to make inquiries with regard to the matters set forth therein and shall incur no liability in so relying.

Upon satisfaction of the above conditions, the Trustee shall execute and deliver the Reassignment to the Seller, and the Receivables from the Removed Accounts shall no longer constitute a part of the Trust.

(c) The Seller may, but shall not be obligated to, designate at any time Zero Balance Accounts, any future receivables of which will no longer be part of the Trust, and to remove the designation 1994-MT from the Pool Index File for such Accounts; provided, that prior to such designation and removal, the Seller shall have delivered to Moody's and Fitch an Officer's Certificate to the effect that to the best knowledge of the Seller, such designation and removal shall not cause a Pay Out Event to occur.

(d) In addition to the terms and conditions contained in subsections 2.07(a) and 2.07(b), the Seller's right to require the reassignment to it or its designee of all the Trust's right, title and interest in, to and under the Receivables in Removed Accounts, shall be subject to the following restrictions:

(i) Except for Removed Accounts described in subsections 2.07(c) and 2.07(d)(ii), the Accounts to be designated as Removed Accounts shall be selected at random by the Seller.

(ii) The Seller may designate Removed Accounts as provided in and subject to the terms and conditions contained in this Section 2.07 without being subject to the restrictions set forth in subsection 2.07(d)(i) if the Removed Accounts are designated in response to a third-party action or decision not to act and not the unilateral action of the Seller.

Section 2.08. Transfer of Receivables Representing Annual Membership Fees.

(a) On or before each Transfer Date the Seller shall accept reassignment of the Receivables representing Annual Membership Fees, from the Trust by (i) depositing into the Finance Charge Account in immediately available funds, an amount equal to the product of (a) the Aggregate Investor Percentage with respect to Finance Charge Receivables and (b) the amount of such Annual Membership Fee processed with respect to the prior Monthly Period, and (ii) paying to the Holder of the Seller Certificate, an amount equal to the product of (a) the Seller Percentage with respect to Finance Charge Receivables and (b) the amount of such Annual Membership Fee. The deposit made by the Seller into the Finance Charge Account under the preceding sentence shall be considered a payment of such Annual Membership Fee, shall be allocated to each Series in accordance with such Series' Investor Percentage with respect to Finance Charge Receivables and shall be applied in accordance with Article IV. Upon such reassignment to the Seller of any Annual Membership Fee, the Trust shall automatically and without further action be deemed to transfer, assign, set-over and otherwise convey to the Seller, without recourse, representation or warranty, all of the right, title and interest of the Trust in and to such Annual Membership Fee, all monies due or become due with respect thereto, all proceeds thereof, and Insurance Proceeds and Recoveries related thereto. The Trustee shall execute such documents and instruments of transfer or assignment as shall be prepared by the Seller and acceptable to the Trustee and take such other actions as shall reasonably be requested by the

---

Seller to effect the conveyance of such Annual Membership Fee pursuant to this subsection 2.08(a).

(b) Upon any reassignment described in subsection 2.08(a), the Seller shall reconvey the Receivable in respect of such Annual Membership Fee to the Trust. Upon such transfer, and as of the date of such transfer, the Seller shall be deemed to make the representations and warranties provided in subsection 2.04(b). Further, the Seller shall direct the Servicer to add the amount of such Annual Membership Fee to the aggregate amount of Principal Receivables used to calculate the Seller Interest. On and after the date of such transfer, the Receivable in respect of each Annual Membership Fee so transferred shall be included in the calculation of the Aggregate Investor Percentage, the Seller Percentage and the Seller Interest. Collections with respect to Receivables in respect of such Annual Membership Fees shall be treated for all purposes hereunder as Collections of Principal Receivables.

Section 2.09. Discount Option. The Seller may at any time, upon at least 30 days' prior written notice to the Servicer, the Trustee, each Credit Enhancement Provider and each Rating Agency, designate a percentage, which may be a fixed percentage or a variable percentage based on a formula (the "Discounted Percentage"), of the amount of Principal Receivables arising in all of the Accounts to be treated on and after such designation, or for the period specified, as Discount Option Receivables; provided, however, that no such designation shall become effective on the date specified in the written notice unless the following conditions have been satisfied:

- (i) the designation of Discount Option Receivables shall not, in the reasonable belief of the Seller, cause a Pay Out Event to occur or cause an event which with notice or the lapse of time or both would constitute a Pay Out Event;
- (ii) on or before the date specified in the written notice, the Seller shall have received written confirmation from each Rating Agency that such designation will not result in a downgrade or withdrawal of its then current rating of any outstanding Series of Investor Certificates;
- (iii) the Seller shall have delivered to the Trustee an Officer's Certificate confirming the items set forth in clauses (i) and (ii) above. The Trustee may conclusively rely on such Officer's Certificate, shall have no duty to make inquiries with regard to the matters set forth therein and shall incur no liability in so relying.

On and after the date of satisfaction of the above conditions, in processing Collections of Principal Receivables of the Accounts the Servicer shall deem the product of the Discounted Percentage and Collections of such Principal Receivables as "Discount Option Receivable Collections" and shall treat such Discount Option Receivable Collections for all purposes hereunder as Collections of Finance Charge Receivables.

ARTICLE III  
ADMINISTRATION AND SERVICING  
OF RECEIVABLES

Section 3.01. Acceptance of Appointment and Other Matters Relating to the Servicer.

(a) The Seller agrees to act as the Servicer under this Agreement. The Investor Certificateholders of each Series by their acceptance of the related Certificates consent to the Seller acting as Servicer.

(b) The Servicer shall service and administer the Receivables and shall collect payments due under the Receivables in accordance with its customary and usual servicing procedures for servicing credit card receivables comparable to the Receivables and in accordance with the Credit Card Guidelines and shall have full power and authority, acting alone or through any party properly designated by it hereunder, to do any and all things in connection with such servicing and administration which it may deem necessary or desirable. Without limiting the generality of the foregoing and subject to Section 10.01, the Servicer is hereby authorized and empowered (i) to make withdrawals from the Collection Account as set forth in this Agreement, (ii) unless such power and authority is revoked by the Trustee on account of the occurrence of a Servicer Default pursuant to Section 10.01, to instruct the Trustee to make withdrawals and payments, from the Finance Charge Account, the Principal Account and any Series Account, in accordance with such instructions as set forth in this Agreement, (iii) unless such power and authority is revoked by the Trustee on account of the occurrence of a Servicer Default pursuant to Section 10.01, to instruct the Trustee in writing, as set forth in this Agreement, (iv) to execute and deliver, on behalf of the Trust for the benefit of the Certificateholders, any and all instruments of satisfaction or cancellation, or of partial or full release or discharge, and all other comparable instruments, with respect to the Receivables and, after the delinquency of any Receivable and to the extent permitted under and in compliance with applicable law and regulations, to commence enforcement proceedings with respect to such Receivables and (v) to make any filings, reports, notices, applications, registrations with, and to seek any consents or authorizations from the Securities and Exchange Commission and any state securities authority on behalf of the Trust as may be necessary or advisable to comply with any federal or state securities or reporting requirements. The Trustee agrees that it shall promptly follow the instructions of the Servicer to withdraw funds from the Principal Account, the Finance Charge Account or any Series Account and to take any action required under any Credit Enhancement at such time as required under this Agreement. The Trustee shall execute at the Servicer's written request such documents prepared by the Seller and acceptable to the Trustee as may be necessary or appropriate to enable the Servicer to carry out its servicing and administrative duties hereunder.

(c) In the event that the Seller is unable for any reason to transfer Receivables to the Trust in accordance with the provisions of this Agreement (including, without limitation, by reason of the application of the provisions of Section 9.02 or the order of any federal governmental agency having regulatory authority over the Seller or any court of competent jurisdiction that the Seller not transfer any additional Principal Receivables to the Trust) then, in

any such event, (A) the Servicer agrees to allocate, after such date, all Collections with respect to Principal Receivables, and all amounts which would have constituted Collections with respect to Principal Receivables but for the Seller's inability to transfer such Receivables (up to an aggregate amount equal to the aggregate amount of Principal Receivables in the Trust as of such date) in accordance with subsection 2.05(d); (B) the Servicer agrees to apply such amounts as Collections in accordance with Article IV, and (C) for only so long as all Collections and all amounts which would have constituted Collections are allocated and applied in accordance with clauses (A) and (B) above, Principal Receivables and all amounts which would have constituted Principal Receivables but for the Seller's inability to transfer Receivables to the Trust that are written off as uncollectible in accordance with this Agreement shall continue to be allocated in accordance with Article IV and all amounts which would have constituted Principal Receivables but for the Seller's inability to transfer Receivables to the Trust shall be deemed to be Principal Receivables for the purpose of calculating the applicable Investor Percentage thereunder. If the Servicer is unable pursuant to any Requirement of Law to allocate payments on the Accounts as described above, the Servicer agrees that it shall in any such event allocate, after the occurrence of such event, payments on each Account with respect to the principal balance of such Account first to the oldest principal balance of such Account and to have such payments applied as Collections in accordance with Article IV. The parties hereto agree that Finance Charge Receivables, whenever created, accrued in respect of Principal Receivables which have been conveyed to the Trust, or which would have been conveyed to the Trust but for the above described inability to transfer such Receivables, shall continue to be a part of the Trust notwithstanding any cessation of the transfer of additional Principal Receivables to the Trust and Collections with respect thereto shall continue to be allocated and paid in accordance with Article IV.

(d) In the event that pursuant to subsection 2.04(d), the Seller accepts reassignment of an Ineligible Receivable as a result of a breach of the representations and warranties in subsection 2.04(b) relating to such Receivable, then, in any such event, the Servicer agrees to account for payments received with respect to such Ineligible Receivable separately from its accounting for Collections on Principal Receivables retained by the Trust. If payments received from or on behalf of an Obligor are not specifically applicable either to an Ineligible Receivable of such Obligor reassigned to the Seller or to Receivables of such Obligor retained in the Trust, then the Servicer agrees to allocate payments proportionately based on the total amount of Principal Receivables of such Obligor retained in the Trust and the total amount owing by such Obligor on any Ineligible Receivables purchased by the Seller, and the portion allocable to any Principal Receivables retained in the Trust shall be treated as Collections and deposited in accordance with the provisions of Article IV.

(e) The Servicer shall not be obligated to use separate servicing procedures, offices, employees or accounts for servicing the Receivables from the procedures, offices, employees and accounts used by the Servicer in connection with servicing other credit card receivables.

(f) The Servicer shall maintain fidelity bond coverage insuring against losses through wrongdoing of its officers and employees who are involved in the servicing of credit card receivables covering such actions and in such amounts as the Servicer believes to be reasonable from time to time.

Section 3.02. Servicing Compensation. As full compensation for its servicing activities hereunder and as reimbursement for its expenses as set forth in the immediately following paragraph, the Servicer shall be entitled to receive a servicing fee (the "Servicing Fee") with respect to each Monthly Period prior to the Termination of the Trust pursuant to Section 12.01, payable monthly on the related Transfer Date, in an amount equal to one-twelfth of the product of (a) the weighted average of the Series Servicing Fee Percentages with respect to each outstanding Series (based upon the Series Servicing Fee Percentage for each Series and the Adjusted Investor Interest (or such other amount as specified in the related Supplement) of such Series, in each case as of the last day of the prior Monthly Period) and (b) the average amount of Principal Receivables during the prior Monthly Period. The share of the Servicing Fee allocable to Investor Certificates (the "Investor Servicing Fee") of a particular Series with respect to any Monthly Period will each be determined in accordance with the relevant Supplement. The portion of the Servicing Fee with respect to any Monthly Period not so allocated to the Investor Certificates of a particular Series shall be paid by the Holder of the Seller Certificate on the related Transfer Date and in no event shall the Trust, the Trustee or the Investor Certificateholders of any Series be liable for the share of the Servicing Fee with respect to any Monthly Period to be paid by the Holders of the Seller Certificates (the "Seller Servicing Fee").

The Servicer's expenses include the amounts due to the Trustee pursuant to Section 11.05 and the reasonable fees and disbursements of independent public accountants and all other expenses incurred by the Servicer in connection with its activities hereunder; provided, that the Servicer shall not be liable for any liabilities, costs or expenses of the Trust, the Investor Certificateholders or the Certificate Owners arising under any tax law, including without limitation any federal, state or local income or franchise taxes or any other tax imposed on or measured by income (or any interest or penalties with respect thereto or arising from a failure to comply therewith). The Servicer shall be required to pay such expenses for its own account and shall not be entitled to any payment therefor other than the Servicing Fee.

Section 3.03. Representations and Warranties of the Servicer. The Servicer hereby makes as of the Initial Closing Date and as of the Amendment Closing Date, and any Successor Servicer by its appointment hereunder shall make (with appropriate modifications to Section 3.03(a) to reflect the Successor Servicer's organization) the following representations and warranties, on which the Trustee has relied in accepting the Receivables in trust and in authenticating the Certificates issued on the Initial Closing Date:

(a) Organization and Good Standing. The Servicer is a national banking association duly organized, validly existing and in good standing under the laws of the United States and has full corporate power, authority and legal right to own its properties and conduct its credit card business as such properties are presently owned and as such business is presently conducted, and to execute, deliver and perform its obligations under this Agreement.

(b) Due Qualification. The Servicer is not required to qualify nor register as a foreign corporation in any state in order to service the Receivables as required by this Agreement and has obtained all licenses and approvals necessary in order to so service the Receivables as

required under federal and Delaware law. If the Servicer shall be required by any Requirement of Law to so qualify or register or obtain such license or approval, then it shall do so.

(c) Due Authorization. The execution, delivery, and performance of this Agreement have been duly authorized by the Servicer by all necessary corporate action on the part of the Servicer and this Agreement will remain, from the time of its execution, an official record of the Servicer.

(d) Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the Servicer, enforceable in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereinafter in effect, affecting the enforcement of creditors' rights in general and the rights of creditors of national banking associations.

(e) No Violation. The execution and delivery of this Agreement by the Servicer, and the performance of the transactions contemplated by this Agreement and the fulfillment of the terms hereof applicable to the Servicer, will not conflict with, violate, result in any breach of any of the material terms and provisions of, or constitute (with or without notice or lapse of time or both) a default under, any Requirement of Law applicable to the Servicer or any indenture, contract, agreement, mortgage, deed of trust or other instrument to which the Servicer is a party or by which it is bound.

(f) No Proceedings. There are no proceedings or investigations pending or, to the best knowledge of the Servicer, threatened against the Servicer before any court, regulatory body, administrative agency or other tribunal or governmental instrumentality seeking to prevent the issuance of the Certificates or the consummation of any of the transactions contemplated by this Agreement, seeking any determination or ruling that, in the reasonable judgment of the Servicer, would materially and adversely affect the performance by the Servicer of its obligations under this Agreement, or seeking any determination or ruling that would materially and adversely affect the validity or enforceability of this Agreement.

(g) Compliance with Requirements of Law. The Servicer shall duly satisfy all obligations on its part to be fulfilled under or in connection with each Receivable and the related Account, will maintain in effect all qualifications required under Requirements of Law in order to service properly each Receivable and the related Account and will comply in all material respects with all other Requirements of Law in connection with servicing each Receivable and the related Account the failure to comply with which would have a material adverse effect on the Certificateholders or any Credit Enhancement Provider.

#### Section 3.04. Reports and Records for the Trustee.

(a) Daily Reports. On each Business Day, the Servicer, with prior notice, shall prepare and make available at the office of the Servicer for inspection by the Trustee a record setting forth (i) the aggregate amount of Collections processed by the Servicer on the preceding Business Day and (ii) the aggregate amount of Receivables as of the close of business on the preceding Business Day.

(b) Monthly Servicer's Certificate. Unless otherwise stated in the related Supplement with respect to any Series, on each Determination Date the Servicer shall forward, as provided in Section 13.05, to the Trustee, the Paying Agent, any Credit Enhancement Provider and each Rating Agency, a certificate of a Servicing Officer in the form of Exhibit C (which includes the Schedule thereto specified as such in each Supplement) setting forth (i) the aggregate amount of Collections processed during the preceding Monthly Period, (ii) the aggregate amount of the applicable Investor Percentage of Collections of Principal Receivables processed by the Servicer pursuant to Article IV during the preceding Monthly Period with respect to each Series then outstanding, (iii) the aggregate amount of the applicable Investor Percentage of Collections of Finance Charge Receivables processed by the Servicer pursuant to Article IV during the preceding Monthly Period with respect to each Series then outstanding, (iv) the aggregate amount of Receivables processed as of the end of the last day of the preceding Monthly Period, (v) the balance on deposit in the Finance Charge Account, the Principal Account or any Series Account applicable to any Series then outstanding on such Determination Date with respect to Collections processed by the Servicer during the preceding Monthly Period, (vi) the aggregate amount, if any, of withdrawals, drawings or payments under any Credit Enhancement, if any, for each Series then outstanding required to be made with respect to the previous Monthly Period in the manner provided in the related Supplement, (vii) the sum of all amounts payable to the Investor Certificateholders of each Series (or for a Series of more than one Class, each such Class) on the succeeding Distribution Date in respect of Certificate Principal and Certificate Interest with respect to such preceding Monthly Period and (viii) such other matters as are set forth in Exhibit C.

Section 3.05. Annual Servicer's Certificate. On or before the 60th day following the end of each fiscal year, the Servicer will deliver, as provided in Section 13.05, to the Trustee, any Credit Enhancement Provider and the Rating Agency, the statement of compliance required under Item 1123 of Regulation AB with respect to such fiscal year, which statement will be in the form of an Officer's Certificate to the effect that (a) a review of the activities of the Servicer during such fiscal year and of its performance under this Agreement was made under the supervision of the officer signing such certificate and (b) to the best of such officer's knowledge, based on such review, the Servicer has fulfilled all its obligations under this Agreement throughout such fiscal year or, if there has been a failure to fulfill any such obligation in any material respect, specifying each such failure known to such officer and the nature and status thereof. A copy of such certificate may be obtained by any Investor Certificateholder by a request in writing to the Trustee addressed to the Corporate Trust Office.

Section 3.06. Annual Independent Accountants' Servicing Report. On or before the 60th day following the end of each fiscal year, the Servicer shall cause a firm of nationally recognized independent public accountants (who may also render other services to the Servicer or the Seller) to furnish, as provided in Section 13.05, to the Trustee, any Credit Enhancement Provider and the Rating Agency each attestation report on assessments of compliance with the Servicing Criteria with respect to the Servicer or any affiliate thereof during the immediately preceding fiscal year delivered by such accountants pursuant to Rule 13(a)-18 or Rule 15(d)-18 of the Exchange Act and Item 1122 of Regulation AB; provided, however, that solely with respect to the fiscal year ending June 30, 2006, the Servicer, in its sole and absolute discretion, rather than cause

the report described above to be furnished, may cause a firm of nationally recognized independent public accountants (who may also render other services to the Servicer or the Seller) to furnish, as provided in Section 13.05, to the Trustee, any Credit Enhancement Provider and the Rating Agency:

(i) each attestation report on assessments of compliance with the Servicing Criteria with respect to the Servicer during the six-month period ending June 30, 2006 delivered by such accountants pursuant to Rule 13(a)-18 or Rule 15(d)-18 of the Exchange Act and Item 1122 of Regulation AB; and

(ii) (A) a report, based upon established criteria that meets the standards applicable to accountants' reports intended for general distribution, attesting to the fairness of the assertion of the Servicer's management that its internal controls over the functions performed as Servicer of the Trust are effective, in all material respects, in providing reasonable assurance that Trust assets are safeguarded against loss from unauthorized use or disposition, on the date of such report, and a report attesting to the fairness of the assertion of the Servicer's management that such servicing was conducted in conformity with the sections of this Agreement during the period from July 1, 2005 to and including December 31, 2005, except for such exceptions or errors as such firm shall believe to be immaterial and such other exceptions as shall be set forth in such report, and (B) a report, prepared in accordance with the standards established by the American Institute of Certified Public Accountants, to the effect that they have compared the mathematical calculations of certain amounts set forth in the monthly certificates forwarded by the Servicer pursuant to Section 3.04(b) during the period from July 1, 2005 to and including December 31, 2005 with the Servicer's computer reports which were the source of such amounts and that, on the basis of such comparison, such firm is of the opinion that such amounts are in agreement, except for such exceptions as shall be set forth in such report.

Unless otherwise provided with respect to any Series in the related Supplement, a copy of such report (or reports, as applicable) may be obtained by any Investor Certificateholder by a request in writing to the Trustee addressed to the Corporate Trust Office.

Section 3.07. Tax Treatment. The Seller has structured this Agreement, the Investor Certificates and any Collateral Interest with the intention that the Investor Certificates and any Collateral Interest will qualify under applicable federal, state, local and foreign tax law as indebtedness of the Seller secured by the Receivables. The Seller, the Servicer, the Holder of the Seller Certificate, each Investor Certificateholder, each Certificate Owner, and each owner of any Collateral Interest or interest therein agree to treat and to take no action inconsistent with the treatment of the Investor Certificates and any Collateral Interest (or beneficial interest therein) as such indebtedness for purposes of federal, state, local and foreign income or franchise taxes and any other tax imposed on or measured by income. Each Investor Certificateholder and the Holder of the Seller Certificate, by acquisition of its interest in the Seller Interest; each Certificate Owner, by acquisition of a beneficial interest in a Certificate; and any owner of any Collateral Interest or interest therein, by acquisition of such interest therein, agrees to be bound by

---

the provisions of this Section 3.07. Each Certificateholder agrees that it will cause any Certificate Owner acquiring an interest in a Certificate through it, and each owner of any Collateral Interest or any interest therein agrees that it will cause any Person acquiring any such interest, to comply with this Agreement as to treatment as indebtedness under applicable tax law, as described in this Section 3.07. Notwithstanding this Section 3.07, if the treatment of any Collateral Interest or interest therein as indebtedness is challenged by any governmental authority, the Holder of the Seller Certificate and any owner of such interest do not intend to be foreclosed from adopting as a secondary tax position that such interest constitutes equity in a partnership.

Section 3.08. Notices to the Seller. In the event that the Seller is no longer acting as Servicer, any Successor Servicer appointed pursuant to Section 10.02 shall deliver or make available to the Seller each certificate and report required to be prepared, forwarded or delivered thereafter pursuant to Sections 3.04, 3.05 and 3.06.

Section 3.09. Reports to the Commission. The Servicer shall, on behalf of the Trust, cause to be filed with the Commission any periodic reports required to be filed under the provisions of the Securities Exchange Act of 1934 and the rules and regulations of the Commission thereunder. The Seller, if the Seller is not the Servicer, shall, at the expense of the Servicer, cooperate in any reasonable request of the Servicer in connection with such findings.

[End of Article III]

ARTICLE IV

RIGHTS OF CERTIFICATEHOLDERS AND ALLOCATION  
AND APPLICATION OF COLLECTIONS

Section 4.01. Rights of Certificateholders. Each Series of Investor Certificates shall represent Undivided Interests in the Trust, including the benefits of any Credit Enhancement issued with respect to such Series and the right to receive the Collections and other amounts at the times and in the amounts specified in this Article IV to be deposited in the Investor Accounts and any other Series Account (if so specified in the related Supplement) or to be paid to the Investor Certificateholders of such Series; provided, however, that the aggregate interest represented by such Certificates at any time in the Principal Receivables shall not exceed an amount equal to the Investor Interest at such time. The interest represented by any Certificate shall constitute personal property, and no Certificateholder shall have an interest in specific property of the Trust. No creditor of any Certificateholder shall have any right to obtain possession of, or otherwise exercise legal or equitable remedies with respect to, the property of the Trust, provided, however, that this sentence shall not limit any rights expressly provided to the Certificateholders pursuant to this Agreement or any Supplement thereto or to the holders of Notes (as defined in the Series 2001-D Supplement hereto) pursuant to the Indenture (as defined in the Series 2001-D Supplement hereto). None of the Seller, the Servicer, or any Certificateholder shall have any liability for the expenses or liabilities of the Trust except as specifically set forth in this Agreement. The Seller Certificate or, as the case may be, the uncertificated interest in the Seller Interest shall represent the remaining undivided interest in the Trust not allocated to the Investor Certificates and the other interests issued by the Trust, including the right to receive the Collections and other amounts at the times and in the amounts specified in this Article IV to be paid to the Holder of the Seller Certificate; provided, however, that if the Seller elects to have its interest in the Seller Interest be uncertificated as provided in Section 6.01 hereof, then such uncertificated interest shall represent the Seller Interest; provided further, that the aggregate interest represented by such Seller Certificate in the Principal Receivables or, as the case may be, the aggregate uncertificated interest of the Seller in the Principal Receivables, shall not exceed the Seller Interest at any time and such Seller Certificate or, as the case may be, such uncertificated interest shall not represent any interest in the Investor Accounts, except as provided in this Agreement, or the benefits of any Credit Enhancement issued with respect to any Series.

Section 4.02. Establishment of Accounts.

(a) The Collection Account. The Servicer, for the benefit of the Certificateholders, shall establish and maintain in the name of the Trustee, on behalf of the Trust, a non-interest bearing segregated account (the "Collection Account") bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Certificateholders, or shall cause such Collection Account to be established and maintained, with an office or branch located in the states of Delaware or New York of (i) the Servicer, or (ii) a Qualified Institution; provided, however, that upon the insolvency of the Servicer, the Collection Account shall not be permitted to be maintained with the Servicer. Pursuant to authority granted

to it pursuant to subsection 3.01(b), the Servicer shall have the revocable power to withdraw funds from the Collection Account for the purposes of carrying out its duties hereunder.

(b) The Finance Charge and Principal Accounts. The Trustee, for the benefit of the Investor Certificateholders, shall establish and maintain in the State of New York with the Trustee, or cause to be established and maintained in the State of New York with a Qualified Institution, in the name of the Trust two segregated trust accounts (the "Finance Charge Account" and the "Principal Account," respectively), bearing a designation clearly indicating that the funds therein are held for the benefit of the Investor Certificateholders. The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Finance Charge Account and the Principal Account and in all proceeds thereof. The Finance Charge Account and the Principal Account shall be under the sole dominion and control of the Trustee for the benefit of the Investor Certificateholders. If, at any time, the institution holding the Principal Account or the Finance Charge Account ceases to be a Qualified Institution, the Trustee shall notify the Rating Agency and within 10 Business Days establish a new Principal Account or Finance Charge Account, as the case may be, meeting the conditions specified above with a Qualified Institution, and shall transfer any cash or any investments to such new Principal Account or Finance Charge Account, as the case may be. From the date such new Principal Account or Finance Charge Account, as the case may be, is established, it shall be the "Principal Account" or "Finance Charge Account." Pursuant to authority granted to it hereunder, the Servicer shall have the revocable power to instruct the Trustee to withdraw funds from the Finance Charge Account and Principal Account for the purpose of carrying out the Servicer's duties hereunder. The Trustee at all times shall maintain accurate records reflecting each transaction in the Principal Account and the Finance Charge Account and that funds held therein shall at all times be held in trust for the benefit of the Investor Certificateholders.

(c) The Distribution Account. The Trustee, for the benefit of the Investor Certificateholders, shall cause to be established and maintained in the name of the Trust, with an office or branch of a Qualified Institution (other than the Seller), a non-interest bearing segregated demand deposit account (the "Distribution Account") bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Investor Certificateholders. The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Distribution Account and in all proceeds thereof. The Distribution Account shall be under the sole dominion and control of the Trustee for the benefit of the Investor Certificateholders.

(d) Series Accounts. If so provided in the related Supplement, the Trustee, for the benefit of the Investor Certificateholders, shall cause to be established and maintained in the name of the Trust, one or more Series Accounts. Each such Series Account shall bear a designation clearly indicating that the funds deposited therein are held for the benefit of the Investor Certificateholders of such Series. Each such Series Account will be a trust account, if so provided in the related Supplement and will have the other features and be applied as set forth in the related Supplement.

(e) Administration of the Finance Charge and Principal Accounts. Funds on deposit in the Principal Account and the Finance Charge Account shall at all times be invested in Permitted Investments. Any such investment shall mature and such funds shall be available for

withdrawal on or prior to the Transfer Date related to the Monthly Period in which such funds were processed for collection, or if so specified in the related Supplement, immediately preceding a Distribution Date. The Trustee shall:

(i) hold each Permitted Investment (other than such as are described in clause (c) of the definition thereof) that constitutes investment property through a securities intermediary, which securities intermediary shall agree with the Trustee that (I) such investment property shall at all times be credited to a securities account of the Trustee, (II) such securities intermediary shall comply with entitlement orders originated by the Trustee without the further consent of any other person or entity, (III) all property credited to such securities account shall be treated as a financial asset, (IV) such securities intermediary shall waive any lien on, security interest in, or right of set-off with respect to any property credited to such securities account, and (V) such agreement shall be governed by the laws of the State of New York;

(ii) maintain possession of each other Permitted Investment not described in clause (i) above (other than such as are described in clause (c) of the definition thereof); and

(iii) cause each Permitted Investment described in clause (c) of the definition thereof to be registered in the name of the Trustee by the issuer thereof;

provided, that no Permitted Investment shall be disposed of prior to its maturity date. Terms used in clause (i) above that are defined in the New York UCC and not otherwise defined herein shall have the meaning set forth in the New York UCC.

At the end of each month, all interest and earnings (net of losses and investment expenses) on funds on deposit in the Principal Account and the Finance Charge Account shall be deposited by the Trustee in a separate deposit account with a Qualified Institution in the name of the Servicer, or a Person designated in writing by the Servicer, which shall not constitute a part of the Trust, or shall otherwise be turned over by the Trustee to the Servicer not less frequently than monthly. Subject to the restrictions set forth above, the Servicer, or a Person designated in writing by the Servicer, of which the Trustee shall have received written notification thereof, shall have the authority to instruct the Trustee with respect to the investment of funds on deposit in the Principal Account and the Finance Charge Account. For purposes of determining the availability of funds or the balances in the Finance Charge Account and the Principal Account for any reason under this Agreement, all investment earnings on such funds shall be deemed not to be available or on deposit.

#### Section 4.03. Collections and Allocations.

(a) Collections. Except as provided below, the Servicer shall deposit all Collections in the Collection Account as promptly as possible after the Date of Processing of such Collections, but in no event later than the second Business Day following such Date of Processing. In the event of the insolvency of the Servicer, then, immediately upon the occurrence of such event and thereafter, the Servicer shall deposit all Collections into the Collection Account which shall be established and maintained with a Qualified Institution other

---

than the Servicer in accordance with subsection 4.02(a), and in no such event shall the Servicer deposit any Collections thereafter into any account established, held or maintained with the Servicer.

The Servicer shall allocate such amounts to each Series of Investor Certificates and to the Holder of the Seller Certificate in accordance with this Article IV and shall withdraw the required amounts from the Collection Account or pay such amounts to the Holder of the Seller Certificate in accordance with this Article IV, in both cases as modified by any Supplement. The Servicer shall make such deposits or payments on the date indicated therein by wire transfer or as otherwise provided in the Supplement for any Series of Certificates with respect to such Series.

Notwithstanding anything in this Agreement to the contrary, for so long as, and only so long as, the Seller shall remain the Servicer hereunder, and (a)(i) the Servicer provides to the Trustee a letter of credit covering risk collection of the Servicer, and (ii) the Seller shall not have received a notice from any Rating Agency that such a letter of credit would result in the lowering of such Rating Agency's then-existing rating of the Investor Certificates, or (b) the Servicer shall have and maintain a certificate of deposit or short-term deposit rating of P-1 by Moody's, of A-1 by Standard & Poor's, and of F1 by Fitch and deposit insurance provided by BIF or SAIF, the Servicer need not deposit Collections from the Collection Account into the Principal Account, the Finance Charge Account or any Series Account, as provided in any Supplement, or make payments to the Holder of the Seller Certificate, prior to the close of business on the day any Collections are deposited in the Collection Account as provided in Article IV, but may make such deposits, payments and withdrawals on each Transfer Date in an amount equal to the net amount of such deposits, payments and withdrawals which would have been made but for the provisions of this paragraph. If at any time the Servicer shall qualify to make deposits on the Transfer Date as provided in this paragraph (or shall cease to be so qualified) the Servicer shall deliver an Officer's Certificate to the Trustee stating that the criteria set forth in (a)(i) and (ii) and (b) of this paragraph have been satisfied (or have ceased to be satisfied). The Trustee may rely on such Officer's Certificate without investigation or inquiry.

Notwithstanding anything else in this Agreement to the contrary, with respect to any Monthly Period, whether the Servicer is required to make monthly or daily deposits from the Collection Account into the Finance Charge Account, the Principal Account or any Series Account, as provided in any Supplement, (i) the Servicer will only be required to deposit Collections from the Collection Account into the Finance Charge Account, the Principal Account or any Series Account up to the required amount to be deposited into any such deposit account or, without duplication, distributed on or prior to the related Distribution Date to Investor Certificateholders or to any Credit Enhancement Provider pursuant to the terms of any Supplement or agreement relating to such Credit Enhancement and (ii) if at any time prior to such Distribution Date the amount of Collections deposited in the Collection Account exceeds the amount required to be deposited pursuant to clause (i) above, the Servicer will be permitted to withdraw the excess from the Collection Account.

(b) Allocations to the Holder of the Seller Interest. Throughout the existence of the Trust, unless otherwise stated in any Supplement, the Servicer shall allocate to the Holder of the Seller Interest an amount equal to the product of (A) the Seller Percentage and (B) the

aggregate amount of such Collections allocated to Principal Receivables and Finance Charge Receivables, respectively, in respect of each Monthly Period; provided, however, that amounts payable to the Holder of the Seller Interest with respect to Collections allocated to Principal Receivables pursuant to this subsection 4.03(b) shall be deposited in the Principal Account to the extent that the Seller Interest is less than the Minimum Seller Interest. Notwithstanding anything in this Agreement to the contrary, unless otherwise stated in any Supplement, the Servicer need not deposit this amount or any other amounts so allocated to the Holder of the Seller Interest pursuant to any Supplement into the Collection Account and shall pay, or be deemed to pay, such amounts as collected to the Holder of the Seller Interest.

Notwithstanding any provisions of Article IV to the contrary, including the continuation of Article IV in any Series Supplement, any Collections in respect of Principal Receivables allocated to the Holder of the Seller Interest shall be (i) paid to the Holder of the Seller Interest if, and only to the extent that, the Seller Interest is equal to or greater than the Minimum Seller Interest and the payment of such amount to the Holder of the Seller Interest would not cause the Seller Interest to be less than the Minimum Seller Interest, or (ii) held in the Principal Account and treated and applied as Unallocated Principal Collections (as such term is defined in the related Series Supplement). On any Business Day following a Business Day on which amounts were held in the Principal Account pursuant to clause (ii) above, any amounts held in the Principal Account pursuant to clause (ii) above shall be paid to the Holder of the Seller Interest when, and only to the extent that, the Seller Interest is greater than the Minimum Seller Interest.

(c) Adjustments for Miscellaneous Credits and Fraudulent Charges. The Servicer shall be obligated to reduce on a net basis each Monthly Period the aggregate amount of Principal Receivables used to calculate the Seller Interest as provided in this subsection 4.03(c) (a "Credit Adjustment") with respect to any Principal Receivable (i) which was created in respect of merchandise refused or returned by the Obligor thereunder or as to which the Obligor thereunder has asserted a counterclaim or defense, (ii) which is reduced by the Servicer by any rebate, refund, charge-back or adjustment (including Servicer errors) or (iii) which was created as a result of a fraudulent or counterfeit charge.

In the event that the inclusion of the amount of a Credit Adjustment in the calculation of the Seller Interest would cause the Seller Interest to be an amount less than zero, the Seller shall make a deposit, no later than the Business Day following the Date of Processing of such Credit Adjustment, in the Principal Account (for allocation as Collections of Principal Receivables pursuant to Article IV) in immediately available funds in an amount equal to the amount by which such Credit Adjustment exceeds the Seller Interest on such Date of Processing.

(d) Transfer of Defaulted Accounts. Unless otherwise provided in any Supplement, on the date on which an Account becomes a Defaulted Account, the Trust shall automatically and without further action or consideration be deemed to transfer, set over, and otherwise convey to the Seller, without recourse, representation or warranty, all the right, title and interest of the Trust in and to Receivables in such Defaulted Account, all monies due or to become due with respect to such Receivables, all proceeds of such Receivables and Insurance Proceeds relating to such Receivables and Interchange (if any) allocable to the Trust with respect to such Receivables.

ARTICLE VI  
THE CERTIFICATES

Section 6.01. The Certificates. Subject to Sections 6.10 and 6.13, the Investor Certificates of each Series and any Class thereof may be issued in bearer form (the “Bearer Certificates”) with attached interest coupons and a special coupon (collectively, the “Coupons”) or in fully registered form (the “Registered Certificates”), and shall be substantially in the form of the exhibits with respect thereto attached to the related Supplement. The Seller may elect at any time, by written notice to the Trustee, to have its interest in the Seller Interest be (i) an uncertificated interest or (ii) evidenced by a Seller Certificate. If the Seller elects to have its interest in the Seller Interest be uncertificated, it shall deliver to the Trustee for cancellation any Seller Certificate previously issued. If the Seller elects to have its interest in the Seller Interest be evidenced by a Seller Certificate, the Seller Certificate shall be issued pursuant hereto or to Section 6.09 or Section 6.10, substantially in the form of Exhibit A and shall upon issue be executed and delivered by the Seller to the Trustee for authentication and redelivery as provided in Sections 2.01 and 6.02. The Investor Certificates shall, upon issue pursuant hereto or to Section 6.09 or Section 6.10, be executed and delivered by the Seller to the Trustee for authentication and redelivery as provided in Sections 2.01 and 6.02. Any Investor Certificate shall be issuable in a minimum denomination of \$1,000 Undivided Interest and integral multiples thereof, unless otherwise specified in any Supplement. The Seller Certificate shall also be issued as a single certificate. Each Certificate shall be executed by manual or facsimile signature on behalf of the Seller by its President or any Vice President. Certificates bearing the manual or facsimile signature of the individual who was, at the time when such signature was affixed, authorized to sign on behalf of the Seller or the Trustee shall not be rendered invalid, notwithstanding that such individual has ceased to be so authorized prior to the authentication and delivery of such Certificates or does not hold such office at the date of such Certificates. Unless otherwise provided in the related Supplement, no Certificate shall be entitled to any benefit under this Agreement, or be valid for any purpose, unless there appears on such Certificate a certificate of authentication substantially in the form provided for herein, executed by or on behalf of the Trustee by the manual signature of a duly authorized signatory, and such certificate upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly authenticated and delivered hereunder. All Certificates shall be dated the date of their authentication except Bearer Certificates which shall be dated the applicable Issuance Date as provided in the related Supplement.

Section 6.02. Authentication of Certificates. Contemporaneously with the initial assignment and transfer of the Receivables, whether now existing or hereafter created (other than Receivables in Additional Accounts) and the other components to the Trust, the Trustee shall authenticate and deliver the initial Series of Investor Certificates, upon the written order of the Seller, to the underwriters for the sale of the Book-Entry Certificates evidenced by such Investor Certificates, and against payment to the Seller of the Initial Investor Interest (net of any purchase or underwriting discount). Upon the receipt of such payment and the issuance of the Investor Certificates, such Investor

Certificates shall be fully paid and non-assessable. The Trustee shall authenticate and deliver the Seller Certificate to the Seller simultaneously with its delivery to the Seller of the initial Series of Investor Certificates. Upon a New Issuance as provided in Section 6.09 and the satisfaction of certain other conditions specified therein, the Trustee shall authenticate and deliver the Investor Certificates of additional Series (with the designation provided in the related Supplement), upon the order of the Seller, to the Persons designated in such Supplement. Upon the order of the Seller, the Certificates of any Series shall be duly authenticated by or on behalf of the Trustee, in authorized denominations. If specified in the related Supplement for any Series, the Trustee shall authenticate and deliver outside the United States the Global Certificate that is issued upon original issuance thereof, upon the written order of the Seller, to the Depository against payment of the purchase price therefor. If specified in the related Supplement for any Series, the Trustee shall authenticate Book-Entry Certificates that are issued upon original issuance thereof, upon the written order of the Seller, to a Clearing Agency or its nominee as provided in Section 6.10 against payment of the purchase price thereof.

**Section 6.03. Registration of Transfer and Exchange of Certificates.**

(a) The Trustee shall cause to be kept at the office or agency to be maintained by a transfer agent and registrar (the "Transfer Agent and Registrar"), in accordance with the provisions of Section 11.16, a register (the "Certificate Register") in which, subject to such reasonable regulations as it may prescribe, the Transfer Agent and Registrar shall provide for the registration of the Investor Certificates of each Series (unless otherwise provided in the related Supplement) and of transfers and exchanges of the Investor Certificates as herein provided. The Trustee is hereby initially appointed Transfer Agent and Registrar for the purposes of registering the Investor Certificates and transfers and exchanges of the Investor Certificates as herein provided. If any form of Investor Certificate is issued as a Global Certificate, the Trustee may, or if and so long as any Series of Investor Certificates are listed on the Luxembourg Stock Exchange and such exchange shall so require, the Trustee shall appoint a co-transfer agent and co-registrar in Luxembourg or another European city. Any reference in this Agreement to the Transfer Agent and Registrar shall include any co-transfer agent and co-registrar unless the context otherwise requires. The Trustee shall be permitted to resign as Transfer Agent and Registrar upon 30 days' written notice to the Servicer. In the event that the Trustee shall no longer be the Transfer Agent and Registrar, the Trustee shall appoint a successor Transfer Agent and Registrar.

Upon surrender for registration of transfer of any Certificate at any office or agency of the Transfer Agent and Registrar, the Seller shall execute, subject to the provisions of subsection 6.03(c), and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Certificates in authorized denominations of like aggregate Undivided Interests; provided, that the provisions of this paragraph shall not apply to Bearer Certificates.

At the option of an Investor Certificateholder, Investor Certificates may be exchanged for other Investor Certificates of the same Series in authorized denominations of like aggregate Undivided Interests, upon surrender of the Investor Certificates to be exchanged at any such office or agency. At the option of any Holder of Registered Certificates, Registered

---

Certificates may be exchanged for other Registered Certificates of the same Series in authorized denominations of like aggregate Undivided Interests in the Trust, upon surrender of the Registered Certificates to be exchanged at any office or agency of the Transfer Agent and Registrar maintained for such purpose. At the option of a Bearer Certificateholder, subject to applicable laws and regulations (including without limitation, the Bearer Rules), Bearer Certificates may be exchanged for other Bearer Certificates or Registered Certificates of the same Series in authorized denominations of like aggregate Undivided Interests in the Trust, in the manner specified in the Supplement for such Series, upon surrender of the Bearer Certificates to be exchanged at an office or agency of the Transfer Agent and Registrar located outside the United States. Each Bearer Certificate surrendered pursuant to this Section 6.03 shall have attached thereto (or be accompanied by) all unmatured Coupons, provided that any Bearer Certificate so surrendered after the close of business on the Record Date preceding the relevant Distribution Date after the related Series Termination Date need not have attached the Coupons relating to such Distribution Date.

Whenever any Investor Certificates of any Series are so surrendered for exchange, the Seller shall execute, and the Trustee shall authenticate and (unless the Transfer Agent and Registrar is different than the Trustee, in which case the Transfer Agent and Registrar shall) deliver, the Investor Certificates of such Series which the Certificateholder making the exchange is entitled to receive. Every Investor Certificate presented or surrendered for registration of transfer or exchange shall be accompanied by a written instrument of transfer in a form satisfactory to the Trustee and the Transfer Agent and Registrar duly executed by the Certificateholder thereof or his attorney-in-fact duly authorized in writing.

The preceding provisions of this Section 6.03 notwithstanding, the Trustee or the Transfer Agent and Registrar, as the case may be, shall not be required to register the transfer of or exchange any Investor Certificate of any Series for a period of 15 days preceding the due date for any payment with respect to the Investor Certificates of such Series.

Unless otherwise provided in the related Supplement, no service charge shall be made for any registration of transfer or exchange of Certificates, but the Transfer Agent and Registrar may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Certificates.

All Investor Certificates (together with any Coupons attached to Bearer Certificates) surrendered for registration of transfer and exchange shall be canceled by the Transfer Agent and Registrar and disposed of in a manner satisfactory to the Trustee. The Trustee shall cancel and destroy the Global Certificates upon its exchange in full for Definitive Certificates and shall deliver a certificate of destruction to the Seller. Such certificate shall also state that a certificate or certificates of each Foreign Clearing Agency to the effect referred to in Section 6.13 was received with respect to each portion of the Global Certificate exchanged for Definitive Certificates.

The Seller shall execute and deliver to the Trustee or the Transfer Agent and Registrar, as applicable, Bearer Certificates and Registered Certificates in such amounts and at such times as are necessary to enable the Trustee to fulfill its responsibilities under this Agreement and the Certificates.

(b) Except as provided in Section 6.09 or 7.02 or in any Supplement, in no event shall the Seller Certificate or any interest therein, or, as the case may be, the uncertificated interest in the Seller Interest or any interest therein, be transferred hereunder, in whole or in part, unless the Seller shall have consented in writing to such transfer and unless the Trustee shall have received (1) confirmation in writing from each Rating Agency that such transfer will not result in a lowering or withdrawal of its then-existing rating of any Series of Investor Certificates, and (2) an Opinion of Counsel that such transfer does not adversely affect the conclusions reached in any of the federal income tax opinions dated the applicable Closing Date issued in connection with the original issuance of any Series of Investor Certificates; provided, however, that unless the consent of Holders of Investor Certificates evidencing more than 50% of the Aggregate Investor Interest is obtained for such transfer, the Holder of the Seller Certificate shall be permitted to transfer the Seller Certificate or the uncertificated interest in the Seller Interest, as the case may be, only if such Holder shall have provided the Trustee with an Opinion of Counsel to the effect that the contemplated transfer would be treated as a financing and not as a sale for federal income tax purposes; provided further, that no interest in the Seller Certificate or, as the case may be, the uncertificated interest in the Seller Interest may be transferred unless its initial offering price would be at least \$20,000 and it cannot be subdivided for resale into units smaller than a unit the initial offering price of which would have been at least \$20,000, absent an Opinion of Counsel to the effect that such transfer would not cause the Trust to be treated as a publicly traded partnership under the Code. In connection with any transfer of an interest in the Seller Certificate or, as the case may be, the uncertificated interest in the Seller Interest, the holder (including the Seller or any subsequent transferee) thereof shall not sell, trade or transfer any interest therein or cause any interest therein to be marketed on or through either (i) an "established securities market" within the meaning of Section 7704(b)(1) of the Internal Revenue Code of 1986 (the "Code"), including without limitation an interdealer quotation system that regularly disseminates firm buy or sell quotations by identified brokers or dealers by electronic means or otherwise or (ii) a "secondary market (or the substantial equivalent thereof)" within the meaning of Code section 7704(b)(2), including a market wherein interests in the Seller Certificate are regularly quoted by any person making a market in such interests and a market wherein any person regularly makes available bid or offer quotes with respect to interests in the Seller Certificate and stands ready to effect buy or sell transactions at the quoted prices for itself or on behalf of others.

(c) Unless otherwise provided in the related Supplement, registration of transfer of Registered Certificates containing a legend relating to the restrictions on transfer of such Registered Certificates (which legend shall be set forth in the Supplement relating to such Investor Certificates) shall be effected only if the conditions set forth in such related Supplement are satisfied.

Whenever a Registered Certificate containing the legend set forth in the related Supplement is presented to the Transfer Agent and Registrar for registration of transfer, the Transfer Agent and Registrar shall promptly seek instructions from the Servicer regarding such transfer. The Transfer Agent and Registrar and the Trustee shall be entitled to receive written instructions signed by a Servicing Officer prior to registering any such transfer or authenticating new Registered Certificates, as the case may be. The Servicer hereby agrees to indemnify the Transfer Agent and Registrar and the Trustee and to hold each of them harmless against any loss, liability or expense incurred without negligence or bad faith on their part arising out of or in

---

connection with actions taken or omitted by them in reliance on any such written instructions furnished pursuant to this subsection 6.03(c).

(d) The Transfer Agent and Registrar will maintain at its expense in the Borough of Manhattan, the City of New York (and subject to this Section 6.03, if specified in the related Supplement for any Series, any other city designated in such Supplement) an office or offices or an agency or agencies where Investor Certificates of such Series may be surrendered for registration of transfer or exchange.

**Section 6.04. Mutilated, Destroyed, Lost or Stolen Certificates.** If (a) any mutilated Certificate (together, in the case of Bearer Certificates, with all unmatured Coupons, if any, appertaining thereto) is surrendered to the Transfer Agent and Registrar, or the Transfer Agent and Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Certificate and (b) there is delivered to the Transfer Agent and Registrar and the Trustee such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Trustee that such Certificate has been acquired by a bona fide purchaser, the Seller shall execute and the Trustee shall authenticate and (unless the Transfer Agent and Registrar is different from the Trustee, in which case the Transfer Agent and Registrar shall) deliver (in compliance with applicable law), in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like tenor and aggregate Undivided Interest. In connection with the issuance of any new Certificate under this Section 6.04, the Trustee or the Transfer Agent and Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee and the Transfer Agent and Registrar) connected therewith. Any duplicate Certificate issued pursuant to this Section 6.04 shall constitute complete and indefeasible evidence of ownership in the Trust, as if originally issued, whether or not the lost, stolen or destroyed Certificate shall be found at any time.

**Section 6.05. Persons Deemed Owners.** Prior to due presentation of a Certificate for registration of transfer, the Trustee, the Paying Agent, the Transfer Agent and Registrar and any agent of any of them may treat a Certificateholder as the owner of the related Certificate for the purpose of receiving distributions pursuant to Article V (as described in any Supplement) and for all other purposes whatsoever, and neither the Trustee, the Paying Agent, the Transfer Agent and Registrar nor any agent of any of them shall be affected by any notice to the contrary; provided, however, that in determining whether the holders of Investor Certificates evidencing the requisite Undivided Interests have given any request, demand, authorization, direction, notice, consent or waiver hereunder, Investor Certificates owned by the Seller, the Servicer or any Affiliate thereof shall be disregarded and deemed not to be outstanding, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Investor Certificates which a Responsible Officer in the Corporate Trust Office of the Trustee knows to be so owned shall be so disregarded. Investor Certificates so owned that have been pledged in good faith shall not be disregarded as outstanding, if the pledgee establishes to the satisfaction

---

of the Trustee the pledgee's right so to act with respect to such Investor Certificates and that the pledgee is not the Seller, the Servicer or an Affiliate thereof.

In the case of a Bearer Certificate, the Trustee, the Paying Agent, the Transfer Agent and Registrar and any agent of any of them may treat the holder of a Bearer Certificate or Coupon as the owner of such Bearer Certificate or Coupon for the purpose of receiving distributions pursuant to Article IV and Article XII and for all other purposes whatsoever, and neither the Trustee, the Paying Agent, the Transfer Agent and Registrar nor any agent of any of them shall be affected by any notice to the contrary. Certificates so owned which have been pledged in good faith shall not be disregarded and may be regarded as outstanding, if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Investor Certificates and that the pledgee is not the Seller, the Servicer or an Affiliate thereof.

Section 6.06. Appointment of Paying Agent.

(a) The Paying Agent shall make distributions to Investor Certificateholders from the appropriate account or accounts maintained for the benefit of Certificateholders as specified in this Agreement or the related Supplement for any Series pursuant to Articles IV and V hereof. Any Paying Agent shall have the revocable power to withdraw funds from such appropriate account or accounts for the purpose of making distributions referred to above. The Trustee (or the Servicer if the Trustee is the Paying Agent) may revoke such power and remove the Paying Agent, if the Trustee (or the Servicer if the Trustee is the Paying Agent) determines in its sole discretion that the Paying Agent shall have failed to perform its obligations under this Agreement in any material respect or for other good cause. The Trustee (or the Servicer if the Trustee is the Paying Agent) shall notify Moody's, Standard & Poor's and Fitch of the removal of any Paying Agent. The Paying Agent, unless the Supplement with respect to any Series states otherwise, shall initially be the Trustee. If any form of Investor Certificate is issued as a Global Certificate, or if and so long as any Series of Investor Certificates are listed on the Luxembourg Stock Exchange and such exchange shall so require, the Trustee shall appoint a co-paying agent in Luxembourg or another European city. The Trustee shall be permitted to resign as Paying Agent upon 30 days' written notice to the Servicer. In the event that the Trustee shall no longer be the Paying Agent, the Trustee shall appoint a successor to act as Paying Agent (which shall be a bank or trust company). The provisions of Sections 11.01, 11.02 and 11.03 shall apply to the Trustee also in its role as Paying Agent, for so long as the Trustee shall act as Paying Agent. Any reference in this Agreement to the Paying Agent shall include any co-paying agent unless the context requires otherwise.

If specified in the related Supplement for any Series, so long as the Investor Certificates of such Series are outstanding, the Seller shall maintain a co-paying agent in New York City (for Registered Certificates only) or any other city designated in such Supplement which, if and so long as any Series of Investor Certificates is listed on the Luxembourg Stock Exchange or other stock exchange and such exchange so requires, shall be in Luxembourg or the location required by such other stock exchange.

(b) The Trustee shall cause the Paying Agent (other than itself) to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that such Paying Agent will hold all sums, if any, held by it for payment to the Certificateholders in trust for the benefit of the Certificateholders entitled thereto until such sums shall be paid to such

Certificateholders and shall agree, and if the Trustee is the Paying Agent it hereby agrees, that it shall comply with all requirements of the Internal Revenue Code regarding the withholding by the Trustee of payments in respect of federal income taxes due from Certificate Owners.

Section 6.07. Access to List of Certificateholders' Names and Addresses The Trustee will furnish or cause to be furnished by the Transfer Agent and Registrar to the Servicer or the Paying Agent, within five Business Days after receipt by the Trustee of a request therefor from the Servicer or the Paying Agent, respectively, in writing, a list in such form as the Servicer or the Paying Agent may reasonably require, of the names and addresses of the Investor Certificateholders as of the most recent Record Date for payment of distributions to Investor Certificateholders. Unless otherwise provided in the related Supplement, holders of Investor Certificates evidencing Undivided Interests aggregating not less than 10% of the Investor Interest of the Investor Certificates of any Series (the "Applicants") may apply in writing to the Trustee, and if such application states that the Applicants desire to communicate with other Investor Certificateholders of any Series with respect to their rights under this Agreement or under the Investor Certificates and is accompanied by a copy of the communication which such Applicants propose to transmit, then the Trustee, after having been adequately indemnified by such Applicants for its costs and expenses, shall afford or shall cause the Transfer Agent and Registrar to afford such Applicants access during normal business hours to the most recent list of Certificateholders held by the Trustee and shall give the Servicer notice that such request has been made, within five Business Days after the receipt of such application. Such list shall be as of a date no more than 45 days prior to the date of receipt of such Applicants' request. Every Certificateholder, by receiving and holding a Certificate, agrees with the Trustee that neither the Trustee, the Transfer Agent and Registrar, nor any of their respective agents shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Certificateholders hereunder, regardless of the source from which such information was obtained.

Section 6.08. Authenticating Agent.

(a) The Trustee may appoint one or more authenticating agents with respect to the Certificates which shall be authorized to act on behalf of the Trustee in authenticating the Certificates in connection with the issuance, delivery, registration of transfer, exchange or repayment of the Certificates. Whenever reference is made in this Agreement to the authentication of Certificates by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication on behalf of the Trustee by an authenticating agent and a certificate of authentication executed on behalf of the Trustee by an authenticating agent. Each authenticating agent must be acceptable to the Seller.

(b) Any institution succeeding to the corporate agency business of an authenticating agent shall continue to be an authenticating agent without the execution or filing of any paper or any further act on the part of the Trustee or such authenticating agent.

(c) An authenticating agent may at any time resign by giving written notice of resignation to the Trustee and to the Seller. The Trustee may at any time terminate the agency of an authenticating agent by giving notice of termination to such authenticating agent and to the

Seller. Upon receiving such a notice of resignation or upon such a termination, or in case at any time an authenticating agent shall cease to be acceptable to the Trustee or the Seller, the Trustee promptly may appoint a successor authenticating agent. Any successor authenticating agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an authenticating agent. No successor authenticating agent shall be appointed unless acceptable to the Trustee and the Seller.

(d) The Trustee agrees to pay each authenticating agent from time to time reasonable compensation for its services under this Section 6.08, and the Trustee shall be entitled to be reimbursed and the Servicer shall reimburse the Trustee for such reasonable payments actually made, subject to the provisions of Section 11.05.

(e) The provisions of Sections 11.01, 11.02 and 11.03 shall be applicable to any authenticating agent.

Each Investor Certificate of any such Series shall be substantially in the form specified in the related Supplement and shall bear upon its face the designation for such Series to which it belongs, as selected by the Seller. Except as specified in any Supplement for a related Series, all Investor Certificates of any Series shall rank pari passu and be equally and ratably entitled as provided herein to the benefits hereof (except that the Credit Enhancement provided for any Series shall not be available for any other Series) without preference, priority or distinction on account of the actual time or times of authentication and delivery, all in accordance with the terms and provisions of this Agreement and the related Supplement.

(b) The Holder of the Seller Certificate may permit Investor Certificates of one or more new Series to be issued (each, a "New Issuance") by notifying the Trustee in writing at least three days in advance (a "New Issuance Notice") of the date upon which the New Issuance is to occur (a "New Issuance Date"). Any New Issuance Notice shall state the

designation of any Series (and Class thereof, if applicable) to be issued on the New Issuance Date and, with respect to each such Series: (a) its Initial Investor Interest (or the method for calculating such Initial Investor Interest), (b) its Certificate Rate (or the method for allocating interest payments or other cash flows to such Series), if any, and (c) the Credit Enhancement Provider, if any, with respect to such Series. In addition, the Seller agrees to provide notice of new issuances of Series of Investor Certificates as may be required by and in accordance with Item 1121(a)(14) of Regulation AB. Upon satisfaction of such conditions, the Trustee shall issue the Investor Certificates of such Series and a new Seller Certificate, if applicable, dated the New Issuance Date, as provided above. There is no limit to the number of New Issuances that may be performed under this Agreement.

(c) In conjunction with a New Issuance, the parties hereto shall execute a Supplement, which shall specify the relevant terms with respect to the Investor Certificates of any newly issued Series, which may include without limitation: (i) its name or designation, (ii) the Initial Investor Interest or the method of calculating the Initial Investor Interest, (iii) the method of determining any adjusted Investor Interest, if applicable, (iv) the Certificate Rate (or formula for the determination thereof), (v) the Closing Date, (vi) each Rating Agency rating such Series, (vii) the name of the Clearing Agency, if any, (viii) the rights of the Holder of the Seller Certificate that have been transferred to the Holders of such Series pursuant to such New Issuance (including any rights to allocations of Collections of Finance Charge Receivables and Principal Receivables), (ix) the interest payment date or dates and the date or dates from which interest shall accrue, (x) the periods during which or dates on which principal will be paid or accrued, (xi) the method of allocating Collections with respect to Principal Receivables for such Series and, if applicable, with respect to other Series, the method by which the principal amount of Investor Certificates of such Series shall amortize or accrete and the method for allocating Collections with respect to Finance Charge Receivables and Receivables in Defaulted Accounts, (xii) any other Collections with respect to Receivables or other amounts available to be paid with respect to such Series, (xiii) the names of any accounts to be used by such Series and the terms governing the operation of any such account and use of moneys therein, (xiv) the Series Servicing Fee and the Series Servicing Fee Percentage, (xv) the Minimum Seller Interest and the Series Termination Date, (xvi) the terms of any Credit Enhancement with respect to such Series and the Credit Enhancement Provider, if applicable, (xvii) the base rate applicable to such Series, (xviii) the terms on which the Certificates of such Series may be repurchased or remarketed to

other investors, (xix) any deposit into any account provided for such Series, (xx) the number of Classes of such Series and, if more than one Class, the rights and priorities of each such Class, (xxi) whether Interchange or other fees will be included in the funds available to be paid for such Series, (xxii) the priority of any Series with respect to any other Series, (xxiii) the Minimum Aggregate Principal Receivables, (xxiv) whether such Series will be part of a Group, (xxv) whether such Series will or may be a Companion Series and the Series with which it will be paired, if applicable, and (xxvi) any other relevant terms of such Series (including whether or not such Series will be pledged as collateral for an issuance of any other securities, including commercial paper) (all such terms, the "Principal Terms" of such Series). The terms of such Supplement may modify or amend the terms of this Agreement solely as applied to such new Series. If on the date of the issuance of such Series there is issued and outstanding one or more Series of Investor Certificates and no Series of Investor Certificates is currently rated by a Rating Agency, then as a condition to such New Issuance a nationally recognized investment banking firm or commercial bank shall also deliver to the Trustee an officer's certificate stating, in substance, that the New Issuance will not have an adverse effect on the timing or distribution of payments to the Investor Certificates of such other Series then issued and outstanding.

Section 6.10. Book-Entry Certificates. Unless otherwise provided in any related Supplement, the Investor Certificates, upon original issuance, shall be issued in the form of typewritten Certificates representing the Book-Entry Certificates, to be delivered to the depository specified in such Supplement (the "Depository") which shall be the Clearing Agency or Foreign Clearing Agency, by or on behalf of such Series. The Investor Certificates of each Series shall, unless otherwise provided in the related Supplement, initially be registered on the Certificate Register in the name of the nominee of the Clearing Agency or Foreign Clearing Agency. No Certificate Owner will receive a definitive certificate representing such Certificate Owner's interest in the related Series of Investor Certificates, except as provided in Section 6.12. Unless and until definitive, fully registered Investor Certificates of any Series ("Definitive Certificates") have been issued to Certificate Owners pursuant to Section 6.12:

(i) the provisions of this Section 6.10 shall be in full force and effect with respect to each such Series;

(ii) the Seller, the Servicer, the Paying Agent, the Transfer Agent and Registrar and the Trustee may deal with the Clearing Agency and the Clearing Agency Participants for all purposes (including the making of distributions on the Investor Certificates of each such Series) as the authorized representatives of the Certificate Owners;

(iii) to the extent that the provisions of this Section 6.10 conflict with any other provisions of this Agreement, the provisions of this Section 6.10 shall control with respect to each such Series; and

(iv) the rights of Certificate Owners of each such Series shall be exercised only through the Clearing Agency or Foreign Clearing Agency and the applicable Clearing Agency Participants and shall be limited to those established by law and agreements between such Certificate Owners and the Clearing Agency or Foreign Clearing Agency and/or the Clearing Agency Participants. Pursuant to the Depository Agreement

---

applicable to a Series, unless and until Definitive Certificates of such Series are issued pursuant to Section 6.12, the initial Clearing Agency will make book-entry transfers among the Clearing Agency Participants and receive and transmit distributions of principal and interest on the Investor Certificates to such Clearing Agency Participants.

Section 6.11. Notices to Clearing Agency. Whenever notice or other communication to the Certificateholders is required under this Agreement, unless and until Definitive Certificates shall have been issued to Certificate Owners pursuant to Section 6.12, the Trustee shall give all such notices and communications specified herein to be given to Holders of the Investor Certificates to the Clearing Agency or Foreign Clearing Agency for distribution to Holders of Investor Certificates.

Section 6.12. Definitive Certificates. If (i) (A) the Seller advises the Trustee in writing that the Clearing Agency or Foreign Clearing Agency is no longer willing or able to discharge properly its responsibilities under the applicable Depository Agreement, and (B) the Trustee or the Seller is unable to locate a qualified successor, (ii) the Seller, at its option, advises the Trustee in writing that it elects to terminate the book-entry system through the Clearing Agency or Foreign Clearing Agency with respect to any Series of Certificates or (iii) after the occurrence of a Servicer Default, Certificate Owners of a Series representing beneficial interests aggregating not less than 50% of the Investor Interest of such Series advise the Trustee and the applicable Clearing Agency or Foreign Clearing Agency through the applicable Clearing Agency Participants in writing that the continuation of a book-entry system through the applicable Clearing Agency or Foreign Clearing Agency is no longer in the best interests of the Certificate Owners, the Trustee shall notify all Certificate Owners of such Series, through the applicable Clearing Agency Participants, of the occurrence of any such event and of the availability of Definitive Certificates to Certificate Owners of such Series requesting the same. Upon surrender to the Trustee of the Investor Certificates of such Series by the applicable Clearing Agency or Foreign Clearing Agency, accompanied by registration instructions from the applicable Clearing Agency or Foreign Clearing Agency for registration, the Trustee shall issue the Definitive Certificates of such Series. Neither the Seller nor the Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Certificates of such Series all references herein to obligations imposed upon or to be performed by the applicable Clearing Agency or Foreign Clearing Agency shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such Definitive Certificates, and the Trustee shall recognize the Holders of the Definitive Certificates of such Series as Certificateholders of such Series hereunder.

Section 6.13. Global Certificate; Euro-Certificate Exchange Date. If specified in the related Supplement for any Series, the Investor Certificates may be initially issued in the form of a single temporary Global Certificate (the "Global Certificate") in bearer form, without interest coupons, in the denomination of the Initial Investor Interest and substantially in the form attached to the related Supplement. Unless otherwise specified in the related Supplement, the provisions of this Section 6.13 shall apply to such Global Certificate. The Global Certificate will be authenticated by the Trustee upon the same conditions, in substantially the same manner and with the same

---

effect as the Definitive Certificates. The Global Certificate may be exchanged in the manner described in the related Supplement for Registered or Bearer Certificates in definitive form.

Section 6.14. Meetings of Certificateholders.

To the extent provided by the Supplement for any Series issued in whole or in part in Bearer Certificates, the Servicer of the Trustee may at any time call a meeting of the Certificateholders of such Series, to be held at such time and at such place as the Servicer or the Trustee, as the case may be, shall determine, for the purpose of approving a modification of or amendment to, or obtaining a waiver of, any covenant or condition set forth in this Agreement with respect to such Series or in the Certificates of such Series, subject to Section 13.01 of the Agreement.

To the fullest extent permitted by applicable law, the directors, officers, employees or agents of the Seller shall not be under any liability to the Trust, the Trustee, the Certificateholders, any Credit Enhancement Provider or any other Person hereunder or pursuant to any document delivered hereunder, it being expressly understood that all such liability is expressly waived and released as a condition of, and as consideration for, the execution of this Agreement and any Supplement and the issuance of the Certificates; provided, however, that this provision shall not protect the officers, directors, employees, or agents of the Seller against any liability which would otherwise be imposed by reason of willful misfeasance, bad faith or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties hereunder. To the fullest extent permitted by applicable law, except as provided in Section 7.04, the Seller shall not be under any liability to the Trust, the Trustee, the Certificateholders, any Credit Enhancement Provider or any other Person for any action taken or for refraining from the taking of any action in its capacity as Seller pursuant to this Agreement or any Supplement whether arising from express or implied duties under this Agreement or any Supplement; provided, however, that this provision shall not protect the Seller against any liability which would otherwise be imposed by reason of willful misfeasance, bad faith or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties hereunder. The Seller and any director, officer, employee or agent may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person respecting any matters arising hereunder.

The rights to the injured party provided by this section 7.04 shall run directly to and be enforceable by such party subject to the limitations hereof. In the event of the appointment of a Successor Servicer, the Successor Servicer will (from its own assets and not from the assets of the Trust) indemnify and hold harmless the Seller against and from any losses, claims, damages and liabilities of the Seller as described in this Section arising from the actions or omissions of such Successor Servicer.

Section 8.02. Merger or Consolidation of, or Assumption of the Obligations of, the Servicer. The Servicer shall not consolidate with or merge into any other corporation or convey or transfer its properties and assets substantially as an entirety to any Person, unless:

The Servicer may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person respecting any matters arising hereunder. The Servicer shall not be under any obligation to appear in, prosecute or defend any legal action which is not incidental to its duties to service the Receivables in accordance with this Agreement which in its reasonable opinion may involve it in any expense or liability.

Section 8.04. Servicer Indemnification of the Trust and the Trustee. To the fullest extent permitted by applicable law, the Servicer shall indemnify and hold harmless the Trust and the Trustee, its officers, directors, employees and agents, from and against any reasonable loss, liability, expense, damage or injury suffered or sustained by reason of any acts or omissions or alleged acts or omissions of the Servicer with respect to activities of the Trust or the Trustee pursuant to this Agreement or any Supplement, including, but not limited to any judgment, award, settlement, reasonable attorneys' fees and other costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim; provided, however, that the Servicer shall not indemnify the Trustee if such acts, omissions or alleged acts or omissions constitute or are caused by fraud, negligence, or willful misconduct by the Trustee; provided further, that the Servicer shall not indemnify the Trust, the Investor Certificateholders or the Certificate Owners for any liabilities, costs or expenses of the Trust with respect to any action taken by the Trustee at the request of the Investor Certificateholders; provided further, that the Servicer shall not indemnify the Trust, the Investor Certificateholders or the Certificate Owners as to any losses, claims or damages incurred by any of them in their capacities as investors, including without limitation losses incurred as a result of Defaulted Accounts or Receivables which are written off as uncollectible; and provided further, that the Servicer shall not indemnify the Trust, the Investor Certificateholders or the Certificate Owners for any liabilities, costs or expenses of the Trust, the Investor Certificateholders or the Certificate Owners arising under any tax law, including without limitation, any federal, state, local or foreign income or franchise taxes or any other tax imposed on or measured by income (or any interest or penalties with respect thereto or arising from a failure to comply therewith) required to be paid by the Trust, the Investor Certificateholders or the Certificate Owners in connection herewith to any taxing authority. Any such indemnification shall not be payable from the assets of the Trust. The provisions of this indemnity shall run directly to and be enforceable by an injured party subject to the limitations hereof.

Section 8.05. The Servicer Not to Resign. The Servicer shall not resign from the obligations and duties hereby imposed on it except upon determination that (i) the performance of its duties hereunder is no longer permissible under applicable law and (ii) there is no reasonable action which the Servicer could take to make the performance

of its duties hereunder permissible under applicable law. Any such determination permitting the resignation of the Servicer shall be evidenced as to clause (i) above by an Opinion of Counsel and as to clause (ii) by an Officer's Certificate, each to such effect delivered to the Trustee. No such resignation shall become effective until the Trustee or a Successor Servicer shall have assumed the responsibilities and obligations of the Servicer in accordance with Section 10.02 hereof. If the Trustee is unable within 120 days of the date of such determination to appoint a Successor Servicer, the Trustee shall serve as Successor Servicer hereunder.

Section 8.06. Access to Certain Documentation and Information Regarding the Receivables. The Servicer shall provide to the Trustee access to the documentation regarding the Accounts and the Receivables in such cases where the Trustee is required in connection with the enforcement of the rights of the Investor Certificateholders, or by applicable statutes or regulations to review such documentation, such access being afforded without charge but only (i) upon reasonable request, (ii) during normal business hours, (iii) subject to the Servicer's normal security and confidentiality procedures and (iv) at offices designated by the Servicer. Nothing in this Section 8.06 shall derogate from the obligation of the Seller, the Trustee or the Servicer to observe any applicable law prohibiting disclosure of information regarding the Obligors and the failure of the Servicer to provide access as provided in this Section 8.06 as a result of such obligations shall not constitute a breach of this Section 8.06.

Section 8.07. Delegation of Duties. It is understood and agreed by the parties hereto that the Servicer may delegate certain of its duties hereunder to MBNA Technology, Inc., a Delaware corporation. In the ordinary course of business, the Servicer may at any time delegate any duties hereunder to any Person who agrees to conduct such duties in accordance with the Credit Card Guidelines. Any such delegations shall not relieve the Servicer of its liability and responsibility with respect to such duties, and shall not constitute a resignation within the meaning of Section 8.05 hereof. If any such delegation is to a party other than MBNA Technology, Inc. notification thereof shall be given to each Rating Agency.

Section 8.08. Examination of Records. The Servicer shall clearly and unambiguously identify each Account (including any Additional Account designated pursuant to Section 2.06) in its computer or other records to reflect that the Receivables arising in such Account have been conveyed to the Trust pursuant to this Agreement. The Servicer shall, prior to the sale or transfer to a third party of any receivable held in its custody, examine its computer and other records to determine that such receivable is not a Receivable.

ARTICLE IX  
PAY OUT EVENTS

Section 9.01. Pay Out Events. If any one of the following events (each, a “Trust Pay Out Event”) shall occur:

(a) the Seller shall consent to the appointment of a conservator or receiver or liquidator in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings of or relating to the Seller or all or substantially all of its property, or a decree or order of a court or agency or supervisory authority having jurisdiction in the premises for the appointment of a conservator or receiver or liquidator in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings, or for the winding-up or liquidation of its affairs, shall have been entered against the Seller; or the Seller shall admit in writing its inability to pay its debts generally as they become due, file a petition to take advantage of any applicable insolvency or reorganization statute, make an assignment for the benefit of its creditors or voluntarily suspend payment of its obligations (any such event, an “Insolvency Event”);

(b) the Seller shall become unable for any reason to transfer Receivables to the Trust in accordance with the provisions of this Agreement; or

(c) the Trust shall become subject to regulation by the Securities and Exchange Commission as an “investment company” within the meaning of the Investment Company Act;

then a Pay Out Event with respect to all Series of Certificates shall occur without any notice or other action on the part of the Trustee or the Investor Certificateholders immediately upon the occurrence of such event.

Section 9.02. Additional Rights Upon the Occurrence of Certain Events.

(a) If an Insolvency Event occurs with respect to the Seller or the Seller violates Section 6.03(b) for any reason, the Seller shall on the day of such Insolvency Event or violation (the “Appointment Day”) immediately cease to transfer Principal Receivables to the Trust and shall promptly give notice to the Trustee thereof. Notwithstanding any cessation of the transfer to the Trust of additional Principal Receivables, Principal Receivables transferred to the Trust prior to the occurrence of such Insolvency Event or violation and Collections in respect of such Principal Receivables and Finance Charge Receivables, whenever created, accrued in respect of such Principal Receivables shall continue to be a part of the Trust, and shall continue to be allocated and paid in accordance with Article IV. Within 15 days of the Appointment Day, the Trustee shall (i) publish a notice in an Authorized Newspaper that an Insolvency Event or violation has occurred and that the Trustee intends to sell, dispose of or otherwise liquidate the Receivables and (ii) send written notice to the Investor Certificateholders describing the provisions of this Section 9.02 and requesting instructions from such Holders. Unless within 90 days from the day notice pursuant to clause (i) above is first published the Trustee shall have received written instructions from Holders of Investor Certificates evidencing more than 50% of the Investor Interest of each Series issued and outstanding (or, if any such Series has two or more

---

Classes, each Class) to the effect that such Certificateholders disapprove of the liquidation of the Receivables and wish to continue having Principal Receivables transferred to the Trust as before such Insolvency Event or violation, the Trustee shall use its best efforts to sell, dispose of or otherwise liquidate the Receivables by the solicitation of competitive bids and on terms equivalent to the best purchase offer as determined by the Trustee. Neither the Seller nor any Affiliate of the Seller nor any agent of the Seller shall be permitted to purchase such Receivables in such case. The Trustee may obtain a prior determination from any such conservator, receiver or liquidator that the terms and manner of any proposed sale, disposition or liquidation are commercially reasonable. The provisions of Sections 9.01 and 9.02 shall not be deemed to be mutually exclusive.

(b) The proceeds from the sale, disposition or liquidation of the Receivables pursuant to subsection (a) above shall be treated as Collections on the Receivables and shall be allocated and deposited in accordance with the provisions of Article IV; provided, that the Trustee shall determine conclusively in its sole discretion the amount of such proceeds which are allocable to Finance Charge Receivables and the amount of such proceeds which are allocable to Principal Receivables. Unless the Trustee receives written instructions from Investor Certificateholders as provided in subsection 9.02(b) above, on the day following the last Distribution Date in the Monthly Period during which such proceeds are distributed to the Investor Certificateholders of each Series, the Trust shall terminate.

(c) The Trustee may appoint an agent or agents to assist with its responsibilities pursuant to this Article IX with respect to competitive bids.

given by the Investor Certificateholders) (a "Termination Notice"), may terminate all of the rights and obligations of the Servicer as Servicer under this Agreement. After receipt by the Servicer of such Termination Notice, and on the date that a Successor Servicer shall have been appointed by the Trustee pursuant to Section 10.02, all authority and power of the Servicer under this Agreement shall pass to and be vested in a Successor Servicer; and, without limitation, the Trustee is hereby authorized and empowered (upon the failure of the Servicer to cooperate) to execute and deliver, on behalf of the Servicer, as attorney-in-fact or otherwise, all documents and other instruments upon the failure of the Servicer to execute or deliver such documents or instruments, and to do and accomplish all other acts or things necessary or appropriate to effect the purposes of such transfer of servicing rights and obligations. The Servicer agrees to cooperate with the Trustee and such Successor Servicer in effecting the termination of the responsibilities and rights of the Servicer to conduct servicing hereunder including, without limitation, the transfer to such Successor Servicer of all authority of the Servicer to service the Receivables provided for under this Agreement, including, without limitation, all authority over all Collections which shall on the date of transfer be held by the Servicer for deposit, or which have been deposited by the Servicer, in the Collection Account, the Finance Charge Account, the Principal Account, and any Series Account, or which shall thereafter be received with respect to the Receivables, and in assisting the Successor Servicer and in enforcing all rights to Insurance Proceeds, Recoveries and Interchange (if any) applicable to the Trust. The Servicer shall promptly transfer its electronic records or electronic copies thereof relating to the Receivables to the Successor Servicer in such electronic form as the Successor Servicer may reasonably request and shall promptly transfer to the Successor Servicer all other records, correspondence and documents necessary for the continued servicing of the Receivables in the manner and at such times as the Successor Servicer shall reasonably request. To the extent that compliance with this Section 10.01 shall require the Servicer to disclose to the Successor Servicer information of any kind which the Servicer reasonably deems to be confidential, the Successor Servicer shall be required to enter into such customary licensing and confidentiality agreements as the Servicer shall deem necessary to protect its interests. The Servicer shall, on the date of any servicing transfer, transfer all of its rights and obligations under the Credit Enhancement with respect to any Series to the Successor Servicer.

Notwithstanding the foregoing, a delay in or failure of performance referred to in subsection 10.01(a) for a period of 10 Business Days or under subsection 10.01(b) or (c) for a period of 60 Business Days, shall not constitute a Servicer Default if such delay or failure could not be prevented by the exercise of reasonable diligence by the Servicer and such delay or failure was caused by an act of God or the public enemy, acts of declared or undeclared war, public disorder, rebellion, riot or sabotage, epidemics, landslides, lightning, fire, hurricanes, tornadoes, earthquakes, nuclear disasters or meltdowns, floods, power outages or similar causes. The preceding sentence shall not relieve the Servicer from using its best efforts to perform its obligations in a timely manner in accordance with the terms of this Agreement and the Servicer shall provide the Trustee, any Credit Enhancement Provider, the Seller and the Holders of Investor Certificates with an Officer's Certificate giving prompt notice of such failure or delay by it, together with a description of the cause of such failure or delay and its efforts so to perform its obligations.

Section 10.02. Trustee to Act: Appointment of Successor.

(a) On and after the receipt by the Servicer of a Termination Notice pursuant to Section 10.01, the Servicer shall continue to perform all servicing functions under this Agreement until the date specified in the Termination Notice or otherwise specified by the Trustee in writing or, if no such date is specified in such Termination Notice, or otherwise specified by the Trustee, until a date mutually agreed upon by the Servicer and Trustee. The Trustee shall notify each Rating Agency of such removal of the Servicer. The Trustee shall, as promptly as possible after the giving of a Termination Notice appoint a successor servicer (the "Successor Servicer"), and such Successor Servicer shall accept its appointment by a written assumption in a form acceptable to the Trustee. The Trustee may obtain bids from any potential successor servicer. If the Trustee is unable to obtain any bids from any potential successor servicer and the Servicer delivers an Officer's Certificate to the effect that they cannot in good faith cure the Servicer Default which gave rise to a Termination Notice, and if the Trustee is legally unable to act as Successor Servicer, then the Trustee shall notify each Credit Enhancement Provider of the proposed sale of the Receivables and shall provide each such Credit Enhancement Provider an opportunity to bid on the Receivables and, except in the case of a Servicer Default set forth in subsection 10.01(d), shall offer the Seller the right of first refusal to purchase the Receivables on terms equivalent to the best purchase offer as determined by the Trustee, but in no event less than an amount equal to the Aggregate Investor Interest on the date of such purchase plus all interest accrued but unpaid on all of the outstanding Investor Certificates at the applicable Certificate Rate through the date of such purchase; provided, however, that if the short-term deposits or long-term unsecured debt obligations of the Seller (or if neither such deposits nor such obligations of the Seller are rated by Moody's, if Moody's is a Rating Agency with respect to any Series of Certificates outstanding, then of the holding company of the Seller so long as such holding company shall be Bank of America Corporation) are not rated at the time of such purchase at least P-3 or Baa3, respectively, by Moody's, if Moody's is a Rating Agency with respect to any Series of Certificates outstanding, no such purchase by the Seller shall occur unless the Seller shall deliver an Opinion of Counsel reasonably acceptable to the Trustee that such purchase would not constitute a fraudulent conveyance of the Seller. The proceeds of such sale shall be deposited in the Distribution Account or any Series Account, as provided in the related Supplement, for distribution to the Investor Certificateholders of each outstanding Series pursuant to Section 12.03 of the Agreement. In the event that a Successor Servicer has not been appointed and has not accepted its appointment at the time when the Servicer ceases to act as Servicer, the Trustee without further action shall automatically be appointed the Successor Servicer. Notwithstanding the above, the Trustee shall, if it is legally unable so to act, petition a court of competent jurisdiction to appoint any established financial institution having, in the case of an entity that is subject to risk-based capital adequacy requirements, risk-based capital of at least \$50,000,000 or, in the case of an entity that is not subject to risk-based capital requirements, having a net worth of not less than \$50,000,000 and whose regular business includes the servicing of VISA, MasterCard or American Express credit card receivables as the Successor Servicer hereunder.

(b) Upon its appointment, the Successor Servicer shall be the successor in all respects to the Servicer with respect to servicing functions under this Agreement and shall be subject to all the responsibilities, duties and liabilities relating thereto placed on the Servicer by the terms and provisions hereof, and all references in this Agreement to the Servicer shall be

deemed to refer to the Successor Servicer. Any Successor Servicer, by its acceptance of its appointment, will automatically agree to be bound by the terms and provisions of each Credit Enhancement.

(c) In connection with such appointment and assumption, the Trustee shall be entitled to such compensation, or may make such arrangements for the compensation of the Successor Servicer out of Collections, as it and such Successor Servicer shall agree; provided, however, that no such compensation shall be in excess of the Servicing Fee permitted to the Servicer pursuant to Section 3.02. The Seller agrees that if the Servicer is terminated hereunder, it will agree to deposit with the Trustee a portion of the Collections in respect of Finance Charge Receivables that it is entitled to receive pursuant to Article IV to pay its share of the compensation of the Successor Servicer.

(d) All authority and power granted to the Successor Servicer under this Agreement shall automatically cease and terminate upon termination of the Trust pursuant to Section 12.01 and shall pass to and be vested in the Seller and, without limitation, the Seller is hereby authorized and empowered to execute and deliver, on behalf of the Successor Servicer, as attorney-in-fact or otherwise, all documents and other instruments, and to do and accomplish all other acts or things necessary or appropriate to effect the purposes of such transfer of servicing rights. The Successor Servicer agrees to cooperate with the Seller in effecting the termination of the responsibilities and rights of the Successor Servicer to conduct servicing on the Receivables. The Successor Servicer shall transfer its electronic records relating to the Receivables to the Seller in such electronic form as the Seller may reasonably request and shall transfer all other records, correspondence and documents to the Seller in the manner and at such times as the Seller shall reasonably request. To the extent that compliance with this Section 10.02 shall require the Successor Servicer to disclose to the Seller information of any kind which the Successor Servicer deems to be confidential, the Seller shall be required to enter into such customary licensing and confidentiality agreements as the Successor Servicer shall deem necessary to protect its interests.

Section 10.03. Notification to Certificateholders. Within two Business Days after the Servicer becomes aware of any Servicer Default, the Servicer shall give prompt written notice thereof to the Trustee, Standard & Poor's, Moody's, Fitch and any Credit Enhancement Provider and the Trustee shall give notice to the Investor Certificateholders at their respective addresses appearing in the Certificate Register. Upon any termination or appointment of a Successor Servicer pursuant to this Article X, the Trustee shall give prompt written notice thereof to Investor Certificateholders at their respective addresses appearing in the Certificate Register.

Section 10.04. Waiver of Past Defaults. The Holders of Investor Certificates evidencing Undivided Interests aggregating not less than 66-2/3% of the Investor Interest of each Series adversely affected by any default by the Servicer or Seller may, on behalf of all Certificateholders of such Series, waive any default by the Servicer or Seller in the performance of its obligations hereunder and its consequences, except a default in the failure to make any required deposits or payments of interest or principal relating to such Series pursuant to Article IV which default does not result from the failure of the Paying Agent to perform its obligations to make any required deposits or

---

payments of interest and principal in accordance with Article IV. Upon any such waiver of a past default, such default shall cease to exist, and any default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon except to the extent expressly so waived.

ARTICLE XI  
THE TRUSTEE

Section 11.01. Duties of Trustee.

(a) The Trustee, prior to the occurrence of any Servicer Default and after the curing of all Servicer Defaults which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Agreement. If a Responsible Officer has received written notice that a Servicer Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) The Trustee, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Trustee which are specifically required to be furnished pursuant to any provision of this Agreement, shall examine them to determine whether they substantially conform to the requirements of this Agreement.

(c) Subject to subsection 11.01(a), no provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own misconduct; provided, however, that:

(i) the Trustee shall not be personally liable for an error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(ii) the Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the Holders of Investor Certificates evidencing Undivided Interests aggregating more than 50% of the Investor Interest of any Series relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee in relation to such Series, under this Agreement; and

(iii) the Trustee shall not be charged with knowledge of any failure by the Servicer referred to in clauses (a) and (b) of Section 10.01 unless a Responsible Officer of the Trustee obtains actual knowledge of such failure or the Trustee receives written notice of such failure from the Servicer or any Holders of Investor Certificates evidencing Undivided Interests aggregating not less than 10% of the Investor Interest of any Series adversely affected thereby.

(d) The Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it, and none of the provisions contained in this Agreement shall in any event require the Trustee to perform, or be responsible for the manner of performance of, any of the

obligations of the Servicer under this Agreement except during such time, if any, as the Trustee shall be the successor to, and be vested with the rights, duties, powers and privileges of, the Servicer in accordance with the terms of this Agreement.

(e) Except for actions expressly authorized by this Agreement, the Trustee shall take no action reasonably likely to impair the interests of the Trust in any Receivable now existing or hereafter created or to impair the value of any Receivable now existing or hereafter created.

(f) Except as provided in this subsection 11.01(f), the Trustee shall have no power to vary the corpus of the Trust including, without limitation, the power to (i) accept any substitute obligation for a Receivable initially assigned to the Trust under Section 2.01 or 2.06 hereof, (ii) add any other investment, obligation or security to the Trust, except for an addition permitted under Section 2.06 or (iii) withdraw from the Trust any Receivables, except for a withdrawal permitted under Sections 2.07, 9.02, 10.02, 12.01 or 12.02 or subsections 2.04(d), 2.04(e) or Article IV.

(g) Subject to subsection 11.01(d) above, in the event that the Paying Agent or the Transfer Agent and Registrar (if other than the Trustee) shall fail to perform any obligation, duty or agreement in the manner or on the day required to be performed by the Paying Agent or the Transfer Agent and Registrar, as the case may be, under this Agreement, the Trustee shall be obligated promptly to perform such obligation, duty or agreement in the manner so required.

(h) If the Seller has agreed to transfer any of its credit card receivables (other than the Receivables) to another Person, upon the written request of the Seller, the Trustee will enter into such intercreditor agreements with the transferee of such receivables as are customary and necessary to identify separately the rights, if any, of the Trust and such other Person in the Seller's credit card receivables; provided, that the Trust shall not be required to enter into any intercreditor agreement which could adversely affect the interests of the Certificateholders and, upon the request of the Trustee, the Seller will deliver an Opinion of Counsel on any matters relating to such intercreditor agreement, reasonably requested by the Trustee.

Section 11.02. Certain Matters Affecting the Trustee. Except as otherwise provided in Section 11.01:

(a) the Trustee may rely on and shall be protected in acting on, or in refraining from acting in accord with, any assignment of Receivables in Additional Accounts, the initial report, the monthly Servicer's certificate, the annual Servicer's certificate, the monthly payment instructions and notification to the Trustee, the monthly Certificateholder's statement, any resolution, Officer's Certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it to be genuine and to have been signed or presented to it pursuant to this Agreement by the proper party or parties;

(b) the Trustee may consult with counsel, and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in accordance with such Opinion of Counsel;

(c) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement or any Credit Enhancement, or to institute, conduct or defend any litigation hereunder or in relation hereto, at the request, order or direction of any of the Certificateholders or any Credit Enhancement Provider, pursuant to the provisions of this Agreement, unless such Certificateholders or Credit Enhancement Provider shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which may be incurred therein or thereby; nothing contained herein shall, however, relieve the Trustee of the obligations, upon the occurrence of any Servicer Default (which has not been cured), to exercise such of the rights and powers vested in it by this Agreement and any Credit Enhancement, and to use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of his own affairs;

(d) the Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement;

(e) the Trustee shall not be bound to make any investigation into the facts of matters stated in any assignment of Receivables in Additional Accounts, the initial report, the monthly Servicer's certificate, the annual Servicer's certificate, the monthly payment instructions and notification to the Trustee, the monthly Certificateholder's statement, any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing so to do by Holders of Investor Certificates evidencing Undivided Interests aggregating more than 50% of the Investor Interest of any Series;

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys or a custodian, and the Trustee shall not be responsible for any misconduct or negligence on the part of any such agent, attorney or custodian appointed with due care by it hereunder; and

(g) except as may be required by subsection 11.01(a), the Trustee shall not be required to make any initial or periodic examination of any documents or records related to the Receivables or the Accounts for the purpose of establishing the presence or absence of defects, the compliance by the Seller with its representations and warranties or for any other purpose.

Section 11.03. Trustee Not Liable for Recitals in Certificates The Trustee assumes no responsibility for the correctness of the recitals contained in this Agreement and in the Certificates (other than the certificate of authentication on the Certificates). Except as set forth in Section 11.15, the Trustee makes no representations as to the validity or sufficiency of this Agreement or of the Certificates (other than the certificate of authentication on the Certificates) or of any Receivable or related document. The Trustee shall not be accountable for the use or application by the Seller of any of the Certificates or of the proceeds of such Certificates, or for the use or application of any funds paid to the Seller or to the holder of the Seller Certificate in respect of the Receivables or deposited in or withdrawn from the Collection Account, the Principal Account or the Finance Charge Account, or any Series Account by the Servicer.

Section 11.04. Trustee May Own Certificates. The Trustee in its individual or any other capacity may become the owner or pledgee of Investor Certificates with the same rights as it would have if it were not the Trustee.

Section 11.05. The Servicer to Pay Trustee's Fees and Expenses The Servicer covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to receive, reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) for all services rendered by it in the execution of the Trust hereby created and in the exercise and performance of any of the powers and duties hereunder of the Trustee, and, subject to Section 8.04, the Servicer will pay or reimburse the Trustee (without reimbursement from any Investor Account, any Series Account or otherwise) upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Agreement except any such expense, disbursement or advance as may arise from its own negligence or bad faith and except as provided in the following sentence. If the Trustee is appointed Successor Servicer pursuant to Section 10.02, the provisions of this Section 11.05 shall not apply to expenses, disbursements and advances made or incurred by the Trustee in its capacity as Successor Servicer.

The obligations of the Servicer under this Section 11.05 shall survive the termination of the Trust and the resignation or removal of the Trustee.

Section 11.06. Eligibility Requirements for Trustee. The Trustee hereunder shall at all times be a corporation organized and doing business under the laws of the United States of America or any state thereof authorized under such laws to exercise corporate trust powers, having a long-term unsecured debt rating of at least Baa3 by Moody's, BBB- by Standard & Poor's and BBB by Fitch having, in the case of an entity that is subject to risk-based capital adequacy requirements, risk-based capital of at least \$50,000,000 or, in the case of an entity that is not subject to risk-based capital adequacy requirements, having a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by federal or state authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purpose of this Section 11.06, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 11.06, the Trustee shall resign immediately in the manner and with the effect specified in Section 11.07.

Section 11.07. Resignation or Removal of Trustee.

(a) The Trustee may at any time resign and be discharged from the Trust hereby created by giving written notice thereof to the Servicer. Upon receiving such notice of resignation, the Servicer shall promptly appoint a successor trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted

within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee.

(b) If at any time the Trustee shall cease to be eligible in accordance with the provisions of Section 11.06 hereof and shall fail to resign after written request therefor by the Seller, or if at any time the Trustee shall be legally unable to act, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Seller may, but shall not be required to, remove the Trustee and promptly appoint a successor trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee.

(c) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 11.07 shall not become effective until acceptance of appointment by the successor trustee as provided in Section 11.08 hereof and any liability of the Trustee arising hereunder shall survive such appointment of a successor trustee.

Section 11.08. Successor Trustee.

(a) Any successor trustee appointed as provided in Section 11.07 hereof shall execute, acknowledge and deliver to the Seller and to its predecessor Trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor Trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor hereunder, with the like effect as if originally named as Trustee herein. The predecessor Trustee shall deliver to the successor trustee all documents and statements held by it hereunder, and the Seller and the predecessor Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor trustee all such rights, powers, duties and obligations.

(b) No successor trustee shall accept appointment as provided in this Section 11.08 unless at the time of such acceptance such successor trustee shall be eligible under the provisions of Section 11.06 hereof and shall be an Eligible Servicer, and, if Standard & Poor's is then a Rating Agency, unless Standard & Poor's shall have consented to such appointment.

(c) Upon acceptance of appointment by a successor trustee as provided in this Section 11.08, such successor trustee shall mail notice of such succession hereunder to Fitch and to all Certificateholders at their addresses as shown in the Certificate Register.

Section 11.09. Merger or Consolidation of Trustee. Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be eligible under the provisions of Section 11.06 hereof, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 11.10. Appointment of Co-Trustee or Separate Trustee.

(a) Notwithstanding any other provisions of this Agreement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust may at the time be located, the Trustee shall have the power and may execute and deliver all instruments, subject to the prior written consent of the Seller, to appoint one or more Persons to act as a co trustee or co trustees, or separate trustee or separate trustees, of all or any part of the Trust, and to vest in such Person or Persons, in such capacity and for the benefit of the Certificateholders, such title to the trust, or any part thereof, and, subject to the other provisions of this Section 11.10, such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 11.06 and no notice to Certificateholders of the appointment of any co-trustee or separate trustee shall be required under Section 11.08 hereof.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any laws of any jurisdiction in which any particular act or acts are to be performed (whether as Trustee hereunder or as successor to the Servicer hereunder), the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Agreement and the conditions of this Article XI. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Agreement, specifically including every provision of this Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee and a copy thereof given to the Servicer.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee as its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect to this Agreement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

Section 11.11. Tax Returns. In the event the Trust shall be required to file tax returns, the Trustee, as soon as practicable after it is made aware of such requirement, shall prepare or cause to be prepared any tax returns required to be filed by the Trust and, to the extent possible, shall file such returns at least five days before such returns are due to be filed. The Trustee is hereby authorized to sign any such return on behalf of the Trust. The Servicer shall prepare or shall cause to be prepared all tax information required by law to be distributed to Certificateholders and shall deliver such information to the Trustee at least five days prior to the date it is required by law to be distributed to Certificateholders. The Servicer, upon request, will furnish the Trustee with all such information known to the Servicer as may be reasonably required in connection with the preparation of all tax returns of the Trust. In no event shall the Trustee or the Servicer be liable for any liabilities, costs or expenses of the Trust, the Investor Certificateholders or the Certificate Owners arising under any tax law, including without limitation federal, state, local or foreign income or excise taxes or any other tax imposed on or measured by income (or any interest or penalty with respect thereto or arising from a failure to comply therewith).

Section 11.12. Trustee May Enforce Claims Without Possession of Certificates. All rights of action and claims under this Agreement or any Series of Certificates may be prosecuted and enforced by the Trustee without the possession of any of the Certificates or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of any Series of Certificateholders in respect of which such judgment has been obtained.

Section 11.13. Suits for Enforcement. If a Servicer Default shall occur and be continuing, the Trustee, in its discretion may, subject to the provisions of Section 10.01 and 11.14, proceed to protect and enforce its rights and the rights of any Series of Certificateholders under this Agreement by a suit, action or proceeding in equity or at law or otherwise, whether for the specific performance of any covenant or agreement contained in this Agreement or in aid of the execution of any power granted in this Agreement or for the enforcement of any other legal, equitable or other remedy as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce any of the rights of the Trustee or any Series of Certificateholders.

Section 11.14. Rights of Certificateholders to Direct Trustee. Holders of Investor Certificates evidencing Undivided Interests aggregating more than 50% of the Aggregate Investor Interest (or, with respect to any remedy, trust or power that does not

---

relate to all Series, 50% of the Aggregate Investor Interest of the Investor Certificates of all Series to which such remedy, trust or power relates) shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; provided, however, that, subject to Section 11.01, the Trustee shall have the right to decline to follow any such direction if the Trustee being advised by counsel determines that the action so directed may not lawfully be taken, or if the Trustee in good faith shall, by a Responsible Officer or Responsible Officers of the Trustee, determine that the proceedings so directed would be illegal or involve it in personal liability or be unduly prejudicial to the rights of Certificateholders not parties to such direction; and provided further that nothing in this Agreement shall impair the right of the Trustee to take any action deemed proper by the Trustee and which is not inconsistent with such direction of such Holders of Investor Certificates.

Section 11.15. Representations and Warranties of Trustee. The Trustee represents and warrants that:

- (i) the Trustee is a banking corporation organized, existing and authorized to engage in the business of banking under the laws of the State of New York;
- (ii) the Trustee has full power, authority and right to execute, deliver and perform this Agreement, and has taken all necessary action to authorize the execution, delivery and performance by it of this Agreement; and
- (iii) this Agreement has been duly executed and delivered by the Trustee.

Section 11.16. Maintenance of Office or Agency. The Trustee will maintain at its expense in the Borough of Manhattan, the City of New York an office or offices, or agency or agencies, where notices and demands to or upon the Trustee in respect of the Certificates and this Agreement may be served. The Trustee initially appoints its Corporate Trust Office as its office for such purposes in New York. The Trustee will give prompt written notice to the Servicer and to Certificateholders (or in the case of Holders of Bearer Certificates, in the manner provided for in the related Supplement) of any change in the location of the Certificate Register or any such office or agency.

ARTICLE XII

TERMINATION

Section 12.01. Termination of Trust

(a) The respective obligations and responsibilities of the Seller, the Servicer and the Trustee created hereby (other than the obligation of the Trustee to make payments to Certificateholders as hereafter set forth) shall terminate, except with respect to the duties described in Section 11.05 and subsections 2.04(c) and 12.03(b), on the Trust Termination Date; provided, however, that the Trust shall not terminate on the date specified in clause (i) of the definition of “Trust Termination Date” if each of the Servicer and the Holder of the Seller Certificate notify the Trustee in writing, not later than five Business Days preceding such date, that they desire that the Trust not terminate on such date, which notice (such notice, a “Trust Extension”) shall specify the date on which the Trust shall terminate (such date, the “Extended Trust Termination Date”); provided, however, that the Extended Trust Termination Date shall be not later than August 31, 2034. The Servicer and the Holder of the Seller Certificate may, on any date following the Trust Extension, so long as no Series of Certificates is outstanding, deliver a notice in writing to the Trustee changing the Extended Trust Termination Date.

(b) All principal or interest with respect to any Series of Investor Certificates shall be due and payable no later than the Series Termination Date with respect to such Series. Unless otherwise provided in a Supplement, in the event that the Investor Interest of any Series of Certificates is greater than zero on its Series Termination Date (after giving effect to all transfers, withdrawals, deposits and drawings to occur on such date and the payment of principal to be made on such Series on such date), the Trustee will sell or cause to be sold, and pay the proceeds first, to all Certificateholders of such Series pro rata and in accordance with the priority for each Class within such Series as provided in the related Supplement, in final payment of all principal of and accrued interest on such Series of Certificates, and second, as provided in the related Supplement, an amount of Principal Receivables and the related Finance Charge Receivables (or interests therein) up to 110% of the sum of the Investor Interest of such Series plus the Enhancement Invested Amount or the Collateral Interest (if not included in the Investor Interest) of such Series, if any, at the close of business on such date (but not more than the applicable Investor Percentage of Principal Receivables and the related Finance Charge Receivables on such date for such Series). The Trustee shall notify each Credit Enhancement Provider of the proposed sale of such Receivables and shall provide each Credit Enhancement Provider an opportunity to bid on such Receivables. Neither the Seller nor any Affiliate of the Seller nor any agent of the Seller shall be permitted to purchase such Receivables in such case. Any proceeds of such sale in excess of such principal and interest paid and such other amounts paid pursuant to the related Supplement shall be paid to the Holder of the Seller Certificate. Upon such Series Termination Date with respect to the applicable Series of Certificates, final payment of all amounts allocable to any Investor Certificates of such Series shall be made in the manner provided in Section 12.03.

(c) The Trust shall not be terminated or revoked except in accordance with this Section 12.01. The dissolution, termination, bankruptcy, conservatorship, or receivership of

---

the Seller, the Servicer, or any Certificateholder shall not result in the termination or dissolution of the Trust.

Section 12.02. Optional Purchase. (a) If so provided in any Supplement, the Seller (so long as the Seller is the Servicer or an Affiliate of the Servicer) may, but shall not be obligated to, cause a final distribution to be made in respect of the related Series of Certificates on a Distribution Date specified in such Supplement by depositing into the Distribution Account or the applicable Series Account, not later than the Transfer Date preceding such Distribution Date, for application in accordance with Section 12.03, the amount specified in such Supplement; provided, however that if the short-term deposits or long-term unsecured debt obligations of the Seller (or, if neither such deposits nor such obligations of the Seller are rated by Moody's, then the short-term deposits or long-term unsecured debt obligations of the holding company of the Seller so long as such holding company is Bank of America Corporation) are not rated at the time of such purchase of Receivables at least P-3 or Baa3, respectively, by Moody's, no such event shall occur unless the Seller shall deliver an Opinion of Counsel reasonably acceptable to the Trustee that such deposit into the Distribution Account or any Series Account as provided in the related Supplement would not constitute a fraudulent conveyance of the Seller.

(b) The amount deposited pursuant to subsection 12.02(a) shall be paid to the Investor Certificateholders of the related Series pursuant to Section 12.03 on the related Distribution Date following the date of such deposit. All Certificates of a Series which are purchased by the Seller pursuant to subsection 12.02(a) shall be delivered by the Seller upon such purchase to, and be canceled by, the Transfer Agent and Registrar and be disposed of in a manner satisfactory to the Trustee and the Seller. The Investor Interest of each Series which is purchased by the Seller pursuant to subsection 12.02(a) shall, for the purposes of the definition of "Seller Interest," be deemed to be equal to zero on the Distribution Date following the making of the deposit, and the Seller Interest shall thereupon be deemed to have been increased by the Investor Interest of such Series.

Section 12.03. Final Payment with Respect to any Series

(a) Written notice of any termination, specifying the Distribution Date upon which the Investor Certificateholders of any Series may surrender their Certificates for payment of the final distribution with respect to such Series and cancellation, shall be given (subject to at least two Business Days' prior notice from the Servicer to the Trustee) by the Trustee to Investor Certificateholders of such Series mailed not later than the fifth day of the month of such final distribution (or in the manner provided by the Supplement relating to such Series) specifying (i) the Distribution Date (which shall be the Distribution Date in the month (x) in which the deposit is made pursuant to subsection 2.04(e), 9.02(b), 10.02(a), or subsection 12.02(a) of the Agreement or such other section as may be specified in the related Supplement, or (y) in which the related Series Termination Date occurs) upon which final payment of such Investor Certificates will be made upon presentation and surrender of such Investor Certificates at the office or offices therein designated (which, in the case of Bearer Certificates, shall be outside the United States), (ii) the amount of any such final payment and (iii) that the Record Date otherwise applicable to such Distribution Date is not applicable, payments being made only upon

presentation and surrender of the Investor Certificates at the office or offices therein specified. The Servicer shall also deliver to the Trustee, as soon as is practicable but in any event not later than three Business Days after the Determination Date relating to the final payment described in the preceding sentence, an Officers' Certificate setting forth the information, to the extent available, specified in Article V of this Agreement covering the period during the then current calendar year through the date of such notice and setting forth the date of such final distribution. The Trustee shall give such notice to the Transfer Agent and Registrar and the Paying Agent at the time such notice is given to such Investor Certificateholders.

(b) Notwithstanding the termination of the Trust pursuant to subsection 12.01(a) or the occurrence of the Series Termination Date with respect to any Series, all funds then on deposit in the Finance Charge Account, the Principal Account, the Distribution Account or any Series Account applicable to the related Series shall continue to be held in trust for the benefit of the Certificateholders of the related Series and the Paying Agent or the Trustee shall pay such funds to the Certificateholders of the related Series upon surrender of their Certificates (which surrenders and payments, in the case of Bearer Certificates, shall be made only outside the United States). In the event that all of the Investor Certificateholders of any Series shall not surrender their Certificates for cancellation within six months after the date specified in the above-mentioned written notice, the Trustee shall give a second written notice (or, in the case of Bearer Certificates, publication notice) to the remaining Investor Certificateholders of such Series upon receipt of the appropriate records from the Transfer Agent and Registrar to surrender their Certificates for cancellation and receive the final distribution with respect thereto. If within one and one-half years after the second notice with respect to a Series, all the Investor Certificates of such Series shall not have been surrendered for cancellation, the Trustee may take appropriate steps or may appoint an agent to take appropriate steps, to contact the remaining Investor Certificateholders of such Series concerning surrender of their Certificates, and the cost thereof shall be paid out of the funds in the Distribution Account or any Series Account held for the benefit of such Investor Certificateholders. The Trustee and the Paying Agent shall pay to the Seller upon request any monies held by them for the payment of principal or interest which remains unclaimed for two years. After payment to the Seller, Investor Certificateholders entitled to the money must look to the Seller for payment as general creditors unless an applicable abandoned property law designates another Person.

(c) All Certificates surrendered for payment of the final distribution with respect to such Certificates and cancellation shall be canceled by the Transfer Agent and Registrar and be disposed of in a manner satisfactory to the Trustee and the Seller.

Section 12.04. Termination Rights of Holder of Seller Certificate. Upon the termination of the Trust pursuant to Section 12.01, and after payment of all amounts due hereunder on or prior to such termination and the surrender of the Seller Certificate, if applicable, the Trustee shall execute a written reconveyance substantially in the form of Exhibit H pursuant to which it shall reconvey to the Holder of the Seller Certificate (without recourse, representation or warranty) all right, title and interest of the Trust in the Receivables, whether then existing or thereafter created, all moneys due or to become due with respect to such Receivables (including all accrued interest theretofore posted as Finance Charge Receivables) and all proceeds of such Receivables and Insurance Proceeds and Recoveries relating to such Receivables and Interchange (if any) allocable

to the Trust pursuant to any Supplement, except for amounts held by the Trustee pursuant to subsection 12.03(b). The Trustee shall execute and deliver such instruments of transfer and assignment, in each case without recourse, as shall be reasonably requested by the Holder of the Seller Certificate to vest in such Holder all right, title and interest which the Trust had in the Receivables.

ARTICLE XIII

MISCELLANEOUS PROVISIONS

Section 13.01. Amendment.

(a) This Agreement or any Supplement may be amended in writing from time to time by the Servicer, the Seller and the Trustee, without the consent of any of Certificateholders; provided, that such action shall not, as evidenced by an Opinion of Counsel for the Seller addressed and delivered to the Trustee, adversely affect in any material respect the interests of any Investor Certificateholder; provided further, that each Rating Agency shall have notified the Seller, the Servicer and the Trustee in writing that such action will not result in a reduction or withdrawal of the rating of any outstanding Series or Class to which it is a Rating Agency; provided further, that such action shall not effect a significant change in the Permitted Activities of the Trust. This Agreement or any Supplement may be amended in writing by the Servicer, the Seller and the Trustee, without the consent of any of the Certificateholders to provide for additional Credit Enhancement or substitute Credit Enhancement with respect to a Series (so long as the amount of such substitute Credit Enhancement, unless otherwise provided in any related Supplement, is equal to the original Credit Enhancement for such Series), to change the definition of Eligible Account or to provide for the addition to the Trust of a Participation; provided, that such action shall not, in the reasonable belief of the Seller, as evidenced by an Officer's Certificate, adversely affect in any material respect the interests of any Investor Certificateholders; provided further, that each Rating Agency shall have notified the Seller, the Servicer and the Trustee in writing that such action will not result in a reduction or withdrawal of the rating of any outstanding Series or Class to which it is a Rating Agency.

(b) This Agreement or any Supplement may also be amended in writing from time to time by the Servicer, the Seller and the Trustee (A) in the case of a significant change in the Permitted Activities of the Trust which is not materially adverse to Holders of Investor Certificates, with the consent of Holders of Investor Certificates evidencing Undivided Interests aggregating not less than 50% of the Investor Interest of each outstanding Series affected by such change, and (B) in all other cases with the consent of the Holders of Investor Certificates evidencing Undivided Interests aggregating not less than 66-2/3% of the Investor Interest of each outstanding Series adversely affected by such amendment for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or any Supplement or modifying in any manner the rights of Investor Certificateholders of any Series then issued and outstanding; provided, however, that no such amendment shall (i) reduce in any manner the amount of, or delay the timing of, distributions which are required to be made on any Investor Certificates of such Series without the consent of each Investor Certificateholders of such Series, (ii) change the definition of or the manner of calculating the Investor Interest, the Investor Percentage or the Investor Default Amount of such Series without the consent of each Investor Certificateholder of such Series or (iii) reduce the aforesaid percentage required to consent to any such amendment, without the consent of each Investor Certificateholder of all Series adversely affected. The Trustee may, but shall not be obligated to, enter into any such amendment which affects the Trustee's rights, duties or immunities under this Agreement or otherwise.

(c) Notwithstanding anything in this Section 13.01 to the contrary, the Series Supplement with respect to any Series may be amended on the items and in accordance with the procedures provided in such Series Supplement.

(d) Promptly after the execution of any such amendment (other than an amendment pursuant to paragraph (a)), the Trustee shall furnish notification of the substance of such amendment to each Investor Certificateholder of each Series adversely affected and to each Rating Agency providing a rating for such Series.

(e) It shall not be necessary for the consent of Investor Certificateholders under this Section 13.01 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Investor Certificateholders shall be subject to such reasonable requirements as the Trustee may prescribe.

(f) Any Series Supplement executed and delivered pursuant to Section 6.09 and any amendments regarding the addition to or removal of Receivables from the Trust as provided in Sections 2.06 and 2.07, executed in accordance with the provisions hereof, shall not be considered amendments to this Agreement for the purpose of subsections 13.01(a) and (b). For clarification purposes only, although any Series Supplement executed and delivered pursuant to Section 6.09, any transfer to the Trust of Receivables in Additional Accounts pursuant to Section 2.06 and any designation and removal of Receivables in Removed Accounts from the Trust pursuant to Section 2.07 shall not be considered amendments that require satisfaction of the conditions specified in either subsection 13.01(a) or (b) above, any other amendment to this Agreement which changes or modifies any of the provisions of Section 6.09, 2.06 or 2.07 shall require satisfaction of the conditions specified in subsection 13.01(a) or (b) above, as applicable.

(g) In connection with any amendment, the Trustee may request an Opinion of Counsel from the Seller or Servicer to the effect that the amendment complies with all requirements of this Agreement.

Section 13.02. Protection of Right, Title and Interest to Trust

(a) The Servicer shall cause this Agreement, all amendments hereto and/or all financing statements and continuation statements and any other necessary documents covering the Certificateholders and the Trustee's right, title and interest to the Trust to be promptly recorded, registered and filed, and at all times to be kept recorded, registered and filed, all in such manner and in such places as may be required by law fully to preserve and protect the right, title and interest of the Certificateholders or the Trustee, as the case may be, hereunder to all property comprising the Trust. The Servicer shall deliver to the Trustee file-stamped copies of, or filing receipts for, any document recorded, registered or filed as provided above, as soon as available following such recording, registration or filing. The Seller shall cooperate fully with the Servicer in connection with the obligations set forth above and will execute any and all documents reasonably required to fulfill the intent of this subsection 13.02(a).

(b) Within 30 days after the Seller makes any change in its name, identity or corporate structure which would make any financing statement or continuation statement filed in accordance with paragraph (a) above seriously misleading within the meaning of Section 9-506

of the UCC as in effect in the State of Delaware, the Seller shall give the Trustee notice of any such change and shall file such financing statements or amendments as may be necessary to continue the perfection of the Trust's security interest in the Receivables and the proceeds thereof.

(c) Each of the Seller and the Servicer will give the Trustee prompt written notice of any relocation of any office from which it services Receivables or keeps records concerning the Receivables or of its chief executive office or main office and whether, as a result of such relocation, the applicable provisions of the UCC would require the filing of any amendment of any previously filed financing or continuation statement or of any new financing statement and shall file such financing statements or amendments as may be necessary to continue the perfection of the Trust's security interest in the Receivables and the proceeds thereof. Each of the Seller and the Servicer will at all times maintain each office from which it services Receivables and its principal executive office within the United States of America.

(d) The Servicer will deliver to the Trustee and with respect to clause (i) to Standard & Poor's and Fitch: (i) upon each date that any Additional Accounts are to be included in the Accounts pursuant to Section 2.06, an Opinion of Counsel substantially in the form of Exhibit E; and (ii) on or before March 31 of each year, beginning with March 31, 1995, an Opinion of Counsel, substantially in the form of Exhibit F.

Section 13.03. Limitation on Rights of Certificateholders.

(a) The death or incapacity of any Certificateholder shall not operate to terminate this Agreement or the Trust, nor shall such death or incapacity entitle such Certificateholder's legal representatives or heirs to claim an accounting or to take any action or commence any proceeding in any court for a partition or winding up of the Trust, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

(b) No Certificateholder shall have any right to vote (except with respect to the Investor Certificateholders as provided in Section 13.01 hereof) or in any manner otherwise control the operation and management of the Trust, or the obligations of the parties hereto, nor shall anything herein set forth, or contained in the terms of the Certificates, be construed so as to constitute the Certificateholders from time to time as partners or members of an association; nor shall any Certificateholder be under any liability to any third person by reason of any action taken by the parties to this Agreement pursuant to any provision hereof.

(c) No Certificateholder shall have any right by virtue of any provisions of this Agreement to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Agreement, unless such Certificateholder previously shall have given written notice to the Trustee, and unless the Holders of Certificates evidencing Undivided Interests aggregating more than 50% of the Investor Interest of any Series which may be adversely affected but for the institution of such suit, action or proceeding, shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee, for 60 days after its receipt of such notice, request and offer of indemnity, shall have neglected or refused to institute any such action, suit or proceeding; it being understood and intended, and being

expressly covenanted by each Certificateholder with every other Certificateholder and the Trustee, that no one or more Certificateholders shall have the right in any manner whatever by virtue or by availing itself or themselves of any provisions of this Agreement to affect, disturb or prejudice the rights of the Certificateholders of any other of the Certificates, or to obtain or seek to obtain priority over or preference to any other such Certificateholder, or to enforce any right under this Agreement, except in the manner herein provided and for the equal, ratable and common benefit of all Certificateholders. For the protection and enforcement of the provisions of this Section 13.03, each and every Certificateholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Section 13.04. Governing Law; Submission to Jurisdiction; Agent for Service of Process. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to principles of conflict of laws. The parties hereto declare that it is their intention that this Agreement shall be regarded as made under the laws of the State of Delaware and that the laws of said State shall be applied in interpreting its provisions in all cases where legal interpretation shall be required. Each of the parties hereto agrees (a) that this Agreement involves at least \$100,000.00, and (b) that this Agreement has been entered into by the parties hereto in express reliance upon 6 DEL. Each of the parties hereto hereby irrevocably and unconditionally agrees (a) to be subject to the jurisdiction of the courts of the State of Delaware and of the federal courts sitting in the State of Delaware, and (b)(1) to the extent such party is not otherwise subject to service of process in the State of Delaware, to appoint and maintain an agent in the State of Delaware as such party's agent for acceptance of legal process, and (2) that, to the fullest extent permitted by applicable law, service of process may also be made on such party by prepaid certified mail with a proof of mailing receipt validated by the United States Postal Service constituting evidence of valid service, and that service made pursuant to (b)(1) or (2) above shall, to the fullest extent permitted by applicable law, have the same legal force and effect as if served upon such party personally within the State of Delaware.

Section 13.05. Notices. All demands, notices and communications hereunder shall be in writing and shall be deemed to have been duly given if personally delivered at, sent by facsimile or electronic transmission to, sent by courier at or mailed by registered mail, return receipt requested, to (a) in the case of the Seller and the Servicer, to FIA Card Services, National Association, 1100 North King Street, Wilmington, Delaware 19884, Attention: Securitization Servicing, (b) in the case of the Trustee, to the Corporate Trust Office (c) in the case of the Credit Enhancement Provider for a particular Series, the address, if any, specified in the Supplement relating to such Series and (d) in the case of the Rating Agency for a particular Series, the address, if any, specified in the Supplement relating to such Series; or, as to each party, at such other address as shall be designated by such party in a written notice to each other party. related Supplement. If and so long as any Series or Class is listed on the Luxembourg Stock Exchange and such Exchange shall so require, any Notice to Investor Certificateholders shall be published in an authorized newspaper of general circulation in Luxembourg within the time period prescribed in this Agreement. Any notice so mailed, sent by facsimile, electronic transmission or delivered in the manner herein provided and within the time prescribed in this Agreement shall be conclusively presumed to have been duly given, whether or not the Certificateholder receives such notice.

Section 13.06. Severability of Provisions. If any one or more of the covenants, agreements, provisions or terms of this Agreement shall for any reason whatsoever be held invalid, then such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement or of the Certificates or rights of the Certificateholders thereof.

Section 13.07. Assignment. Notwithstanding anything to the contrary contained herein, except as provided in Section 8.02, this Agreement may not be assigned by the Servicer without the prior consent of Holders of Investor Certificates evidencing Undivided Interests aggregating not less than 66 2/3% of the Investor Interest of each Series on a Series by Series basis.

Section 13.08. Certificates Non-Assessable and Fully Paid. It is the intention of the parties to this Agreement that the Certificateholders shall not be personally liable for obligations of the Trust, that the Undivided Interests represented by the Certificates shall be non-assessable for any losses or expenses of the Trust or for any reason whatsoever, and that Certificates upon authentication thereof by the Trustee pursuant to Sections 2.01 and 6.02 are and shall be deemed fully paid.

Section 13.09. Further Assurances. The Seller and the Servicer agree to do and perform, from time to time, any and all acts and to execute any and all further instruments required or reasonably requested by the Trustee more fully to effect the purposes of this Agreement, including, without limitation, the authorization of any financing statements or continuation statements relating to the Receivables for filing under the provisions of the UCC of any applicable jurisdiction.

Section 13.10. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Trustee, any Credit Enhancement Provider or the Investor Certificateholders, any right, remedy, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exhaustive of any rights, remedies, powers and privileges provided by law.

Section 13.11. Counterparts. This Agreement may be executed in two or more counterparts (and by different parties on separate counterparts), each of which shall be an original, but all of which together shall constitute one and the same instrument.

Section 13.13. Actions by Certificateholders.

(a) Wherever in this Agreement a provision is made that an action may be taken or a notice, demand or instruction given by Investor Certificateholders, such action, notice or instruction may be taken or given by any Investor Certificateholder, unless such provision requires a specific percentage of Investor Certificateholders.

(b) Any request, demand, authorization, direction, notice, consent, waiver or other act by a Certificateholder shall bind such Certificateholder and every subsequent holder of such Certificate issued upon the registration of transfer thereof or in exchange thereof or in lieu thereof in respect of anything done or omitted to be done by the Trustee or the Servicer in reliance thereon, whether or not notation of such action is made upon such Certificate.

Section 13.14. Rule 144A Information. For so long as any of the Investor Certificates of any Series or any Class are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, each of the Seller, the Servicer, the Trustee and the Enhancement Provider for such Series agree to cooperate with each other to provide to any Investor Certificateholders of such Series or Class and to any prospective purchaser of Certificates designated by such an Investor Certificateholder upon the request of such Investor Certificateholder or prospective purchaser, any information required to be provided to such holder or prospective purchaser to satisfy the condition set forth in Rule 144A(d)(4) under the Securities Act.

The Seller, the Trustee and the Servicer acknowledge and agree that the purpose of this Article XIV is to facilitate compliance by the Seller with the provisions of Regulation AB and related rules and regulations of the Securities and Exchange Commission (the "Commission"). Insurance Proceeds relating to the Receivables, the other assets and interests constituting the Trust and the proceeds thereof pursuant to an Amended and Restated Pooling and Servicing Agreement dated as of June 10, 2006, as supplemented by any Supplement relating to a Series of Investor Certificates (the "Pooling and Servicing Agreement"), by and between FIA Card Services, National Association (formerly known as MBNA America Bank, National Association), as Seller and Servicer, and The Bank of New York, as Trustee (the "Trustee"), a summary of certain of the pertinent provisions of which is set forth hereinbelow.

To the extent not defined herein, the capitalized terms used herein have the meanings assigned to them in the Pooling and Servicing Agreement. This Certificate is issued under and is subject to the terms, provisions and conditions of the Pooling and Servicing Agreement, to which Pooling and Servicing Agreement, as amended from time to time, the Holder by virtue of the acceptance hereof assents and by which the Holder is bound.

This Certificate has not been registered or qualified under the Securities Act of 1933, as amended, or any state securities law. No sale, transfer or other disposition of this Certificate shall be permitted other than in accordance with the provisions of Section 6.03, 6.09 or 7.02 of the Pooling and Servicing Agreement.

The Receivables consist of Principal Receivables which arise generally from the purchase of goods and services and of amounts advanced to cardholders as cash advances, and of Finance Charge Receivables which arise generally from Periodic Finance Charges and other fees and charges, as more fully specified in the Pooling and Servicing Agreement.

This Certificate is the Seller Certificate (the "Certificate"), which represents an Undivided Interest in the Trust, including the right to receive the Collections and other amounts at the times and in the amounts specified in the Pooling and Servicing Agreement to be paid to the Holder of the Seller Certificate. The aggregate interest represented by this Certificate in the Principal Receivables in the Trust shall not at any time exceed the Seller Interest at such time. In addition to this Certificate, Series of Investor Certificates will be issued to investors pursuant to the Pooling and Servicing Agreement, each of which will represent an Undivided Interest in the Trust. This Certificate shall not represent any interest in the Investor Accounts, any Series Accounts or any Credit Enhancement, except to the extent provided in the Pooling and Servicing Agreement. The Seller Interest on any date of determination will be an amount equal to the aggregate amount of Principal Receivables at the end of the day immediately prior to such date of determination minus the Aggregate Investor Interest at the end of such day.

The Servicer shall deposit all Collections in the Collection Account as promptly as possible after the Date of Processing of such Collections, but in no event later than the second Business Day following such Date of Processing (except as provided below and except as provided in any Supplement to the Pooling and Servicing Agreement). Unless otherwise stated in any Supplement, throughout the existence of the Trust, the Servicer shall allocate to the Holder of the Certificate an amount equal to the product of (A) the Seller Percentage and (B) the aggregate amount of such Collections allocated to Principal Receivables and Finance Charge Receivables, respectively, in respect of each Monthly Period. Notwithstanding the first sentence of this paragraph, the Servicer need not deposit this amount or any other amounts so allocated to the Certificate pursuant to the Pooling and Servicing Agreement into the Collection Account and shall pay, or be deemed to pay, such amounts as collected to the Holder of the Certificate.

FIA Card Services, National Association, as Servicer, is entitled to receive as servicing compensation a monthly servicing fee. The portion of the servicing fee which will be allocable to the Holder of the Certificate pursuant to the Pooling and Servicing Agreement will be payable by the Holder of the Certificate and neither the Trust nor the Trustee or the Investor Certificateholders will have any obligations to pay such portion of the servicing fee.

This Certificate does not represent an obligation of, or any interest in, the Seller or the Servicer, and neither the Certificates nor the Accounts or Receivables are insured or guaranteed by the Federal Deposit Insurance Corporation or any other governmental agency. This Certificate is limited in right of payment to certain Collections respecting the Receivables, all as more specifically set forth hereinabove and in the Pooling and Servicing Agreement.

Upon the termination of the Trust pursuant to Section 12.01 of the Pooling and Servicing Agreement, the Trustee shall assign and convey to the Holder of the Certificate (without recourse, representation or warranty) all right, title and interest of the Trust in the Receivables, whether then existing or thereafter created, all monies due or to become due with respect thereto (including all accrued interest theretofore posted as Finance Charge Receivables) and all proceeds thereof and Insurance Proceeds relating thereto and Interchange allocable to the Trust pursuant to any Supplement, except for amounts held by the Trustee pursuant to Section 12.03(b) of the Pooling and Servicing Agreement. The Trustee shall execute and deliver such instruments of transfer and assignment, in each case without recourse, as shall be reasonably requested by the Holder of the Certificate to vest in such Holder all right, title and interest which the Trustee had in the Receivables.

Unless the certificate of authentication hereon has been executed by or on behalf of the Trustee, by manual signature, this Certificate shall not be entitled to any benefit under the Pooling and Servicing Agreement, or be valid for any purpose.

This Certificate shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to conflict of law principles thereof.

FORM OF ASSIGNMENT OF RECEIVABLES IN ADDITIONAL ACCOUNTS

ASSIGNMENT No. \_\_\_\_ OF RECEIVABLES IN ADDITIONAL ACCOUNTS, dated as of \_\_\_\_\_, \_\_\_\_ (this "Assignment"), by and between FIA CARD SERVICES, NATIONAL ASSOCIATION (formerly known as MBNA America Bank, National Association), a national banking association organized under the laws of the United States ("FIA"), to THE BANK OF NEW YORK, a banking corporation organized and existing under the laws of the State of New York (the "Trustee") pursuant to the Pooling and Servicing Agreement referred to below.

WITNESSETH:

WHEREAS, FIA and the Trustee are parties to the Amended and Restated Pooling and Servicing Agreement, dated as of June 10, 2006 (hereinafter as such agreement may have been, or may from time to time be, amended, supplemented or otherwise modified, the "Pooling and Servicing Agreement");

WHEREAS, pursuant to the Pooling and Servicing Agreement, FIA wishes to designate Additional Accounts of FIA to be included as Accounts and to convey the Receivables of such Additional Accounts, whether now existing or hereafter created, to the Trust as part of the corpus of the Trust (as each such term is defined in the Pooling and Servicing Agreement); and

WHEREAS, the Trustee is willing to accept such designation and conveyance subject to the terms and conditions hereof;

NOW, THEREFORE, FIA and the Trustee hereby agree as follows:

1. Defined Terms. All terms defined in the Pooling and Servicing Agreement and used herein shall have such defined meanings when used herein, unless otherwise defined herein.

"Addition Date" shall mean, with respect to the Additional Accounts designated hereby, \_\_\_\_\_, \_\_\_\_.

"Notice Date" shall mean, with respect to the Additional Accounts designated hereby, \_\_\_\_\_, \_\_\_\_ (which shall be a date on or prior to the fifth Business Day prior to the Addition Date with respect to additions pursuant to subsection 2.06(a) of the Pooling and Servicing Agreement and the tenth Business Day prior to the Addition Date with respect to additions pursuant to subsection 2.06(b) of the Pooling and Servicing Agreement).

2. Designation of Additional Accounts. FIA shall deliver to the Trustee not later than five Business Days after the Addition Date, a computer file or microfiche list containing a true and complete list of each MasterCard, VISA and American Express account which as of the Addition Date shall be deemed to be an Additional Account, such accounts being identified by account number and by the amount of Receivables in such accounts as of the close

of business on the Addition Date. Such list shall be delivered five Business Days after the date of this Agreement and shall be marked as Schedule 1 to this Assignment and, as of the Addition Date, shall be incorporated into and made a part of this Assignment and the Pooling and Servicing Agreement.

3. Conveyance of Receivables.

(a) FIA does hereby transfer, assign, set-over and otherwise convey to the Trust for the benefit of the Certificateholders, without recourse on and after the Addition Date, all right, title and interest of FIA in and to the Receivables now existing and hereafter created in the Additional Accounts designated hereby, all monies due or to become due with respect thereto (including all Finance Charge Receivables) and all proceeds of such Receivables, Insurance Proceeds and Recoveries relating to such Receivables and the proceeds thereof.

(b) In connection with such transfer, FIA agrees to record and file, at its own expense, a financing statement with respect to the Receivables now existing and hereafter created in the Additional Accounts designated hereby (which may be a single financing statement with respect to all such Receivables) for the transfer of accounts as defined in Section 9-106 of the UCC as in effect in the State of Delaware meeting the requirements of applicable state law in such manner and such jurisdictions as are necessary to perfect the assignment of such Receivables to the Trust, and to deliver a file-stamped copy of such financing statement or other evidence of such filing (which may, for purposes of this Section 3, consist of telephone confirmation of such filing) to the Trustee on or prior to the date of this Agreement.

(c) In connection with such transfer, FIA further agrees, at its own expense, on or prior to the date of this Assignment to indicate in its computer files that Receivables created in connection with the Additional Accounts designated hereby have been transferred to the Trust pursuant to this Assignment for the benefit of the Certificateholders by identifying such Additional Accounts in the Pool Index File with the designation "1994-MT".

(d) The parties hereto intend that each transfer of Receivables and other property pursuant to this Assignment constitute a sale, and not a secured borrowing, for accounting purposes. If, and to the extent that, notwithstanding such intent the transfer pursuant to this Assignment is not deemed to be a sale, the Seller shall be deemed hereunder to have granted and does hereby grant to the Trustee a first priority perfected security interest in all of the Seller's right, title and interest in, to and under the Receivables now existing and hereafter created in the Additional Accounts designated hereby, all moneys due or to become due with respect thereto (including all Finance Charge Receivables) and all proceeds of such Receivables, all Insurance Proceeds and Recoveries relating to such Receivables and the proceeds thereof, and this Assignment shall constitute a security agreement under applicable law.

4. Acceptance by Trustee. The Trustee hereby acknowledges its acceptance on behalf of the Trust for the benefit of the Certificateholders of all right, title and interest previously held by FIA in and to the Receivables now existing and hereafter created, and

declares that it shall maintain such right, title and interest, upon the Trust herein set forth, for the benefit of all Certificateholders.

5. Representations and Warranties of FIA. FIA hereby represents and warrants to the Trust as of the Addition Date:

(a) Legal Valid and Binding Obligation. This Assignment constitutes a legal, valid and binding obligation of FIA enforceable against FIA in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect affecting the enforcement of creditors' rights in general and the rights of creditors of national banking associations and except as such enforceability may be limited by general principles of equity (whether considered in a suit at law or in equity).

(b) Eligibility of Accounts and Receivables. Each Additional Account designated hereby is an Eligible Account and each Receivable in such Additional Account is an Eligible Receivable.

(c) Selection Procedures. No selection procedures believed by FIA to be materially adverse to the interests of the Investor Certificateholders were utilized in selecting the Additional Accounts designated hereby from the available Eligible Accounts in the Bank Portfolio.

(d) Insolvency. FIA is not insolvent and, after giving effect to the conveyance set forth in Section 3 of this Assignment, will not be insolvent.

(e) Security Interest. This Assignment constitutes either: (i) a valid transfer and assignment to the Trust of all right, title and interest of FIA in and to Receivables now existing and hereafter created in the Additional Accounts designated hereby, and all proceeds (as defined in the UCC as in effect in the State of Delaware) of such Receivables and Insurance Proceeds relating thereto, and such Receivables and any proceeds thereof and Insurance Proceeds relating thereto will be held by the Trust free and clear of any Lien of any Person claiming through or under FIA or any of its Affiliates except for (x) Liens permitted under subsection 2.05(b) of the Pooling and Servicing Agreement, (y) the interest of the holder of the Seller Certificate and (z) FIA's right to receive interest accruing on, and investment earnings in respect of, the Finance Charge Account and the Principal Account as provided in the Pooling and Servicing Agreement; or (ii) a grant of a security interest (as defined in the UCC as in effect in the State of Delaware) in such property to the Trust, which is enforceable with respect to existing Receivables of the Additional Accounts, the proceeds (as defined in the UCC as in effect in the State of Delaware) thereof and Insurance Proceeds relating thereto, upon the conveyance of such Receivables to the Trust, and which will be enforceable with respect to the Receivables thereafter created in respect of Additional Accounts designated hereby, the proceeds (as defined in the UCC as in effect in the State of Delaware) thereof and Insurance Proceeds relating thereto, upon such creation; and (iii) if this Assignment constitutes the grant of a security interest to the Trust in such property, upon the filing of a financing statement described in Section 3 of this Assignment with respect to the Additional Accounts designated hereby and in the case of the Receivables of such

Additional Accounts thereafter created and the proceeds (as defined in the UCC as in effect in the State of Delaware) thereof, and Insurance Proceeds relating to such Receivables, upon such creation, the Trust shall have a first priority perfected security interest in such property (subject to Section 9-315 of the UCC as in effect in the State of Delaware), except for Liens permitted under subsection 2.05(b) of the Pooling and Servicing Agreement.

(f) Additional Representations and Warranties of FIA. FIA, as Seller, hereby makes the following additional representations and warranties. Such representations and warranties shall survive until the termination of the Pooling and Servicing Agreement. Such representations and warranties speak as of the date that the Collateral (as defined below) is transferred to the Trust but shall not be waived by any of the parties to this Assignment unless each Rating Agency shall have notified FIA, the Servicer and the Trustee in writing that such waiver will not result in a reduction or withdrawal of the rating of any outstanding Series or Class to which it is a Rating Agency.

(i) This Assignment creates a valid and continuing security interest (as defined in the Delaware UCC) in favor of the Trustee in the Receivables described in Section 3(a) hereof (the "Collateral"), which security interest is prior to all other liens, and is enforceable as such as against creditors of and purchasers from FIA.

(ii) The Collateral constitutes "accounts" within the meaning of the UCC as in effect in the State of Delaware.

(iii) At the time of the transfer and assignment of the Collateral to the Trustee pursuant to this Assignment, FIA owned and had good and marketable title to such Collateral free and clear of any lien, claim or encumbrance of any Person.

(iv) FIA has caused or will have caused, within ten days of the initial execution of this Assignment, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the related Collateral granted to the Trustee pursuant to this Assignment.

(v) Other than the security interest granted to the Trustee pursuant to this Assignment, FIA has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed the Collateral. FIA has not authorized the filing of and is not aware of any financing statements against FIA that include a description of the Collateral other than any financing statement relating to the security interest granted to the Trustee pursuant to this Assignment or that has been terminated. FIA is not aware of any judgment or tax lien filings against FIA.

6. Conditions Precedent. The acceptance by the Trustee set forth in Section 4 and the amendment of the Pooling and Servicing Agreement set forth in Section 7 are subject to the satisfaction, on or prior to the Addition Date, of the following conditions precedent:

(a) Officer's Certificate. FIA shall have delivered to the Trustee a certificate of a Vice President or more senior officer substantially in the form of

Schedule 2 hereto, certifying that (i) all requirements set forth in Section 2.06 of the Pooling and Servicing Agreement for designating Additional Accounts and conveying the Principal Receivables of such Account, whether now existing or hereafter created, have been satisfied and (ii) each of the representations and warranties made by FIA in Section 5 is true and correct as of the Addition Date. The Trustee may conclusively rely on such Officer's Certificate, shall have no duty to make inquiries with regard to the matters set forth therein, and shall incur no liability in so relying.

(b) Opinion of Counsel. FIA shall have delivered to the Trustee an Opinion of Counsel with respect to the Additional Accounts designated hereby substantially in the form of Exhibit E to the Pooling and Servicing Agreement.

(c) Additional Information. FIA shall have delivered to the Trustee such information as was reasonably requested by the Trustee to satisfy itself as to the accuracy of the representation and warranty set forth in subsection 5(d) to this Assignment.

7. Amendment of the Pooling and Servicing Agreement. The Pooling and Servicing Agreement is hereby amended to provide that all references therein to the "Pooling and Servicing Agreement," to "this Agreement" and "herein" shall be deemed from and after the Addition Date to be a dual reference to the Pooling and Servicing Agreement as supplemented by this Assignment. Except as expressly amended hereby, all of the representations, warranties, terms, covenants and conditions to the Pooling and Servicing Agreement shall remain unamended and shall continue to be, and shall remain, in full force and effect in accordance with its terms and except as expressly provided herein shall not constitute or be deemed to constitute a waiver of compliance with or a consent to noncompliance with any term or provisions of the Pooling and Servicing Agreement.

8. Counterparts. This Assignment may be executed in two or more counterparts (and by different parties on separate counterparts), each of which shall be an original, but all of which together shall constitute one and the same instrument.

9. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to principles of conflict of laws. The parties hereto declare that it is their intention that this Assignment shall be regarded as made under the laws of the State of Delaware and that the laws of said State shall be applied in interpreting its provisions in all cases where legal interpretation shall be required. Each of the parties hereto agrees (a) that this Assignment involves at least \$100,000.00, and (b) that this Agreement has been entered into by the parties hereto in express reliance upon 6 DEL. C. § 2708. Each of the parties hereto hereby irrevocably and unconditionally agrees (a) to be subject to the jurisdiction of the courts of the State of Delaware and of the federal courts sitting in the State of Delaware, and (b)(1) to the extent such party is not otherwise subject to service of process in the State of Delaware, to appoint and maintain an agent in the State of Delaware as such party's agent for acceptance of legal process, and (2) that, to the fullest extent permitted by applicable law, service of process may also be made on such party by prepaid certified mail with a proof of mailing receipt validated by the United States Postal Service constituting evidence of valid service, and that service made pursuant to (b)(1) or (2) above shall, to the fullest extent permitted by applicable law, have the same legal force and effect as if served upon such party personally within the State of Delaware.

---

IN WITNESS WHEREOF, the undersigned have caused this Assignment of Receivables in Additional Accounts to be duly executed and delivered by their respective duly authorized officers on the day and year first above written.

FORM OF OPINION OF COUNSEL REGARDING ADDITIONAL ACCOUNTS

PROVISIONS TO BE INCLUDED IN OPINION OF COUNSEL  
TO BE DELIVERED PURSUANT TO SECTION 2.06(c)(vi)  
OF THE AMENDED AND RESTATED POOLING AND SERVICING AGREEMENT

The opinions set forth below may be subject to certain qualifications, assumptions, limitations and exceptions taken or made in the opinion of Seller's counsel with respect to similar matters delivered on the Closing Date.

1. The Assignment has been duly authorized, executed and delivered by the Seller and constitutes the legal, valid and binding agreement of the Seller, enforceable against the Seller in accordance with its terms subject to (A) the effect of bankruptcy, insolvency, moratorium, receivership, reorganization, liquidation and other similar laws relating to or affecting the rights and remedies of creditors generally and the rights and remedies of creditors of national banking associations, and (B) the application of principles of equity (regardless of whether considered and applied in a proceeding in equity or at law).

2. The financing statement(s) referred to in such opinion (the "Financing Statement") is in an appropriate form for filing in the State of Delaware (the "State") and has been duly filed in the appropriate filing office in the State and the fees and document taxes, if any, payable in connection with the said filing of the Financing Statement have been paid in full.

3. If the Assignment does not constitute a sale of the Receivables in the Additional Accounts designated by the Assignment, (A) the Pooling and Servicing Agreement creates a valid security interest (as defined in the Uniform Commercial Code of the State (the "UCC")) in favor of the Trustee for the benefit of the Investor Certificateholders in such Receivables, (B) the security interest created under the Pooling and Servicing Agreement by the conveyance of the Receivables in Additional Accounts designated by the Assignment and in the proceeds thereof (as defined in the UCC), is a first priority perfected security interest in and against such Receivables now existing and hereafter created in the Additional Accounts designated by the Assignment and all monies due or to become due with respect thereto, including proceeds thereof, and (C) such perfection and priority of the Trustee for the benefit of the Investor Certificateholders in such Receivables, and the proceeds thereof, would not be affected by an increase or decrease in the relative interests in the Receivables in the Additional Accounts designated by the Assignment of the holder of the Seller Certificate and of the Investor Certificateholders.

In connection with the opinion set forth in this paragraph 3 relating to the priority of security interests, such counsel may express no opinion as to the priority of any security interest over (i) any lien, claim or other interest that arises by operation of law or does not require any filing with the Secretary of State of the State in order to take priority over any security interest which is perfected by filing with the Secretary of State of the State, and (ii) any claim or lien in favor of any government or any agency or instrumentality thereof.

---

4. If the Assignment constitutes a sale of the Receivables in the Additional Accounts designated by the Assignment, based upon a certificate of an officer of the Seller that (i) the Seller originated the Receivables in the Additional Accounts designated by the Assignment, (ii) the Seller has not transferred any interest in or caused any Lien to be imposed upon the Receivables in the Additional Accounts designated by the Assignment, and (iii) the seller will originate all Receivables to be subsequently created in the Additional Accounts designated by the Assignment, then (A) the Trustee has acquired, or will acquire in the case of the Receivables hereafter created in Additional Accounts designated by the Assignment, all right, title and interest of the Seller in and to the Receivables now existing and hereafter created in Additional Accounts designated by the Assignment, and all proceeds thereof (as defined in the UCC), and (B) such property will be held by the Trust free and clear of any Lien or interest of any Person claiming through or under the Seller, and the Trust owns such Receivables in the Additional Accounts designated by the Assignment and the proceeds thereof free of any lien or interest, in each case, except for (x) Liens permitted under subsection 2.05(b) of the Pooling and Servicing Agreement, (y) the interest of the holder of the Seller Certificate, and (z) the Seller's right to receive interest accruing on, and investment earnings in respect of, the Finance Charge Account and the Principal Account [or any Series Account] as provided in the Pooling and Servicing Agreement.

In addition, in connection with the opinions set forth in paragraph 3 and this paragraph 4, no opinion is expressed herein with respect to Receivables or the proceeds thereof other than the Receivables in the Additional Accounts designated by the Assignment and the proceeds thereof, or with respect to the perfection or priority of security interests in the proceeds of, or Insurance Proceeds relating to, the Receivables in the Additional Accounts designated by the Assignment, except to the extent such proceeds (as defined in the UCC) consist of amounts held by the Seller in accordance with the terms of the Pooling and Servicing Agreement for less than twenty days following receipt of such proceeds by the Seller, and except to the extent that such proceeds consist of either (i) amounts held in an Investor Account [or a Series Account] maintained by the Trustee in the name of the Trust in accordance with the terms of the Pooling and Servicing Agreement, or (ii) Permitted Investments held by or on behalf of the Trustee in accordance with the terms of the Pooling and Servicing Agreement and any Supplement. Further, in connection with the opinions set forth in paragraph 3 and this paragraph 4, no opinion is expressed with respect to the perfection or priority of security interests in the proceeds of, or Insurance Proceeds relating to, the Receivables in the Additional Accounts designated by the Assignment until such proceeds are deposited in the Collection Account in accordance with the terms of the Pooling and Servicing Agreement. Amounts that are payments by or on behalf of Obligor in respect of the Receivables, and held in the Collection Account or in an Investor Account or invested in Permitted Investments, and maintained or held in accordance with the terms of the Pooling and Servicing Agreement, are "proceeds" of Receivables within the meaning of Section 9-102(a)(64) of the UCC.

With respect to the opinions expressed in paragraph 3 and this paragraph 4, we note that the effectiveness of the Financing Statement will terminate (i) unless appropriate continuation statements are filed within the period of six months prior to the expiration of five year anniversary dates from the date of the original filing of the Financing Statement, (ii) if the Seller changes its name, identity or corporate structure, unless new appropriate financing statements or amendments indicating the new name, identity or corporate structure of the Seller

---

are properly filed before the expiration of four months after the Seller changes its name, identity or corporate structure, and (iii) four months after the Seller changes its location to a jurisdiction outside the State, unless such security interest is perfected in such new jurisdiction within such time. Other than as discussed in this paragraph, no action is required to maintain the perfection, as described in paragraph 3 and this paragraph 4, of the interests of the Trustee on behalf of the Investor Certificateholders in the Receivables in the Additional Accounts designated by the Assignment and the proceeds thereof (as defined in the UCC).

The opinions expressed in paragraph 3 and this paragraph 4 are limited to the interests of the Investor Certificateholders under the Pooling and Servicing Agreement and the related Supplement. In connection with paragraph 3 and this paragraph 4, we express no opinion as to the interests of the Seller under the Pooling and Servicing Agreement or any Supplement. The opinions expressed in paragraph 3 and this paragraph 4 are subject to the interests of the Seller or the holder of the Seller Certificate arising under the Pooling and Servicing Agreement, which interests of the Seller will not detract from the interest and priority of the interest held by the Trustee for the benefit of the Investor Certificateholders.

5. In the course of such counsel's representation of the Seller in connection with the matter to which this opinion relates, and without independent investigation, under the laws of the State, such counsel has not become aware of any right, lien or interest which has been asserted against the Receivables in the Additional Accounts designated by the Assignment and the proceeds thereof, other than under the Pooling and Servicing Agreement.

FORM OF ANNUAL OPINION OF COUNSEL

The opinions set forth below, which are to be delivered pursuant to subsection 13.02(d)(ii) of the Pooling and Servicing Agreement, may be subject to certain qualifications, assumptions, limitations and exceptions taken or made in the opinion of counsel to the Seller with respect to similar matters delivered on the Closing Date.

1. Based solely upon a certificate of an officer of the Seller dated as of the date of this opinion, and without independent investigation, (A) the Seller originated or acquired the Receivables, (B) the Seller has not transferred any interest in or caused any Lien to be imposed upon the Receivables, and (C) the Seller will originate all Receivables to be subsequently created in the Accounts.

2. The financing statement is in an appropriate form for filing in the State of Delaware (the "State") and has been duly filed in the appropriate filing office in the State and the fees and document taxes, if any, payable in connection with the said filing of the financing statement have been paid in full.

3. If the Pooling and Servicing Agreement does not constitute a sale of the Receivables, (A) the Pooling and Servicing Agreement creates a security interest (as defined in the Uniform Commercial Code as in effect in the State (the "UCC")) in favor of the Trustee, (B) the security interest created under the Pooling and Servicing Agreement by the conveyance of the Receivables (other than Receivables in Additional Accounts) and in the proceeds thereof (as defined in the UCC), is a first priority perfected security interest in and against such Receivables and proceeds, and (C) changes under the Pooling and Servicing Agreement in the percentage of the Receivables and the proceeds thereof securing the Investor Certificates will not affect the said perfection and priority.

In connection with the opinion set forth in paragraph 3 relating to the priority of security interests, no opinion need be expressed as the priority of any security interest over (i) any lien, claim or other interest that arises by operation of law or does not require any filing with the Secretary of State of the State in order to take priority over any security interest which is perfected by filing with the Secretary of State of the State, and (ii) any claim or lien in favor of any government or any agency or instrumentality thereof.

4. If the Pooling and Servicing Agreement constitutes a sale of the Receivables, (A) the Trustee has acquired, or will acquire in the case of the Receivables hereafter created (other than Receivables in Additional Accounts), all right, title and interest of the Seller in and to the Receivables now existing and hereafter created (other than Receivables in Additional Accounts), and all proceeds thereof (as defined in the UCC), and (B) such property will be held by the Trust free and clear of any lien or interest of any Person claiming through or under the Seller, and the Trust owns such Receivables and the proceeds thereof free of any lien or interest, in each case, except for (x) Liens permitted under subsection 2.05(b) of the Pooling and Servicing Agreement, (y) the interest of the holder of the Seller Certificate, and (z) the Seller's right to receive interest accruing on, and investment earnings in respect of, the Finance

---

Charge Account and the Principal Account [or any Series Account] as provided in the Pooling and Servicing Agreement. The opinion with respect to Receivables and proceeds thereof hereafter created which do not arise from the sale of goods or the rendering of services may be qualified in its entirety by the qualifications set forth in the opinion of counsel rendered on the Closing Date.

In addition, in connection with the opinions set forth in paragraph 3 and this paragraph 4, no opinion is expressed herein with respect to Receivables in Additional Accounts or the proceeds thereof, or with respect to the perfection or priority of security interests in the proceeds of, or Insurance Proceeds relating to, the Receivables, except to the extent such proceeds (as defined in the UCC) consist of amounts held by the Seller in accordance with the terms of the Pooling and Servicing Agreement for less than twenty days following receipt of such proceeds by the Seller, and except to the extent that such proceeds consist of either (i) amounts held in an Investor Account [or a Series Account] maintained by the Trustee in the name of the Trust in accordance with the terms of the Pooling and Servicing Agreement and any Supplement or (ii) Permitted Investments held by or on behalf of the Trustee in accordance with the terms of the Pooling and Servicing Agreement and any Supplement. Further, in connection with the opinions set forth in paragraph 3 and this paragraph 4, no opinion is expressed with respect to the perfection or priority of security interests in the proceeds of, or Insurance Proceeds relating to, the Receivables until such proceeds are deposited in the Collection Account in accordance with the terms of the Pooling and Servicing Agreement. Amounts that are payments by or on behalf of Obligor in respect of the Receivables, and held in the Collection Account, an Investor Account or a Series Account or invested in Permitted Investments, and maintained or held in accordance with the terms of the Pooling and Servicing Agreement and any Supplement, are "proceeds" of Receivables within the meaning of Section 9-102(a)(64) of the UCC (such counsel may note, however, that, subject to the discussion elsewhere in this paragraph 4, the UCC does not apply to the sale of general intangibles or proceeds thereof).

Further, in connection with the opinions set forth in paragraph 3 and this paragraph 4, no opinion is expressed concerning (i) Interchange and the proceeds (as defined in the UCC) relating to Interchange, (ii) Receivables and the proceeds (as defined in the UCC) thereof in Defaulted Accounts or Zero Balance Accounts, (iii) Receivables that have been charged-off as uncollectible and the proceeds (as defined in the UCC) of such Receivables, including recoveries, or (iv) Receivables and the proceeds (as defined in the UCC) thereof that are removed from the Trust and reassigned to the Seller pursuant to the Pooling and Servicing Agreement.

With respect to the opinions expressed in paragraph 3 and this paragraph 4, we note that the effectiveness of the financing statement will terminate (i) unless appropriate continuation statements are filed within the period of six months prior to the expiration of five year anniversary dates from the date of the original filing of the financing statement, (ii) if the Seller changes its name, identity or corporate structure, unless new appropriate financing statements or amendments indicating the new name, identity or corporate structure of the Seller are properly filed before the expiration of four months after the Seller changes its name, identity or corporate structure, and (iii) four months after the Seller changes its location to a jurisdiction outside the State, unless such security interest is perfected in such new jurisdiction within such time. Other than as discussed in this paragraph and compliance with the Pooling and Servicing Agreement, no action is required to maintain the perfection, as described in paragraph 3 and this

---

paragraph 4, of the interests of the Trustee on behalf of the Investor Certificateholders in the Receivables (other than Receivables in Additional Accounts) and the proceeds thereof (as defined in the UCC). We note that the provisions of Section 13.02 of the Pooling and Servicing Agreement require the Seller to give certain notices and to take certain actions upon the occurrence of certain events discussed in this paragraph so as to preserve and protect the right, title and interest of the Trustee under the Pooling and Servicing Agreement to all property comprising the Trust.

The opinions expressed in paragraph 3 and this paragraph 4 are limited to the interests of the Investor Certificateholders under the Pooling and Servicing Agreement. In connection with paragraph 3 and this paragraph 4, we express no opinion as to the interests of the Seller or the holder of the Seller Certificate under the Pooling and Servicing Agreement. The opinions expressed in paragraph 3 and this paragraph 4 are subject to the interests of the Seller arising under the Pooling and Servicing Agreement, which interests of the Seller will not detract from the interest and priority of the interest held by the Trustee for the benefit of the Investor Certificateholders.

5. Except for the financing statement referenced above, no other financing statement covering the Accounts (other than Receivables in Additional Accounts) or the Trustee's interest in the Accounts (other than Receivables in Additional Accounts) is on file in the office of the Secretary of State of the State (Uniform Commercial Code Division).

6. In the course of such counsel acting as special counsel to the Seller in connection with the matter to which this opinion relates, and without independent investigation, under the laws of the State, such counsel has not become aware of any right, lien or interest which has been asserted against the Receivables and the proceeds thereof, other than under the Pooling and Servicing Agreement.

7. Assuming that (i) the Pooling and Servicing Agreement does not constitute a sale of the Receivables and that the Pooling and Servicing Agreement creates a security interest (as defined in the UCC) in such property to the Trust, (ii) based upon a certificate of an officer of the Seller, that the Trustee's security interest in the Receivables and the proceeds thereof was not granted in contemplation of the Seller's insolvency, with a view to preferring one creditor of the Seller over another or to preventing the application of the Seller's assets in the manner required by applicable law or regulations, after the Seller committed an act of insolvency or with the intent to hinder, delay or defraud the Seller or the creditors of the Seller, (iii) that the Trustee's security interest in the Receivables and the proceeds thereof was not taken in contemplation of the Seller's insolvency, with a view to preferring one creditor of the Seller over another or to preventing the application of the Seller's assets in the manner required by applicable law or regulations, after the Seller committed an act of insolvency or with the intent to hinder, delay or defraud the Seller or the creditors of the Seller, (iv) based upon a certificate of an officer of the Seller, that (x) the adoption of the Charter is reflected in the minutes of the Board, (y) the Resolutions are reflected in the minutes of the Committee, and (z) the Pooling and Servicing Agreement has been, continuously, from the time of its execution, an official record of the Seller, and (v) that the grant of the security interest is a bona fide and arm's length transaction undertaken in the ordinary course of business for adequate consideration, to the extent the Trustee has a valid, perfected security interest in the Receivables and proceeds

---

thereof, such interest of the Trustee would be enforceable notwithstanding an insolvency of, and the appointment of the FDIC as the receiver or conservator for, the Seller.

Such counsel may note that they are aware of no cases directly on point and it is, therefore, their and your understanding that the opinions expressed in the preceding paragraph are not a prediction as to what a court would actually hold, but opinions as to the decision a court would reach if the issue were properly presented to it and the court followed existing precedent as to legal principles applicable in national bank insolvencies. No opinion need be expressed as to whether a court may temporarily restrain the exercise of the Trust's rights to and ownership or security interests in the Receivables and their proceeds, regardless of who has possession of the property in question. Further, such counsel may point out that delays in the exercise of the rights and interests of the Trust may occur with respect to the Receivables and their proceeds in the possession of a Receiver or his appointee, regardless of whether the transaction constitutes a true sale or a secured transaction, by actions unilaterally taken by the Receiver or such appointee.

FORM OF REASSIGNMENT OF RECEIVABLES

REASSIGNMENT NO. \_\_\_\_ OF RECEIVABLES, dated as of \_\_\_\_\_, \_\_\_\_ (this "Reassignment"), by and between FIA CARD SERVICES, NATIONAL ASSOCIATION, a national banking association organized under the laws of the United States (the "Bank"), and The Bank of New York, a banking corporation organized under the laws of the State of New York (the "Trustee") pursuant to the Pooling and Servicing Agreement referred to below.

WITNESSETH:

WHEREAS, the Bank and the Trustee are parties to the Amended and Restated Pooling and Servicing Agreement, dated as of June 10, 2006 (hereinafter as such agreement may have been, or may from time to time be, amended, supplemented or otherwise modified, the "Pooling and Servicing Agreement");

WHEREAS, pursuant to the Pooling and Servicing Agreement, the Bank wishes remove all Receivables from certain designated Accounts of the Bank (the "Removed Accounts") and to cause the Trustee to reconvey the Receivables of such Removed Accounts, whether now existing or hereafter created, from the Trust to the Bank (as each such term is defined in the Pooling and Servicing Agreement); and

WHEREAS, the Trustee is willing to accept such designation and to reconvey the Receivables in the Removed Accounts subject to the terms and conditions hereof;

NOW, THEREFORE, the Bank and the Trustee hereby agree as follows:

1. Defined Terms. All terms defined in the Pooling and Servicing Agreement and used herein shall have such defined meanings when used herein, unless otherwise defined herein.

"Removal Date" shall mean, with respect to the Removed Accounts designated hereby, \_\_\_\_\_, \_\_\_\_.

"Removal Notice Date" shall mean, with respect to the Removed Accounts designated hereby, \_\_\_\_\_, \_\_\_\_ (which shall be a date on or prior to the fifth Business Day prior to the Removal Date).

2. Designation of Removed Accounts. The Bank shall deliver to the Trustee, not later than five Business Days after the Removal Date, a computer file or microfiche list containing a true and complete list of each MasterCard, VISA and American Express account which as of the Removal Date shall be deemed to be a Removed Account, such accounts being identified by account number and by the aggregate amount of Receivables in such accounts as of the close of business on the Removal Date. Such list shall be marked as Schedule 1 to this

Reassignment and shall be incorporated into and made a part of this Reassignment and the Pooling and Servicing Agreement as of the Removal Date.

3. Conveyance of Receivables.

(a) The Trustee does hereby reconvey to the Bank, without recourse on and after the Removal Date, all right, title and interest of the Trust in and to the Receivables now existing and hereafter created in the Removed Accounts designated hereby, all monies due or to become due with respect thereto (including all Finance Charge Receivables), all proceeds (as defined in the UCC as in effect in the State of Delaware) of such Receivables, Insurance Proceeds relating to such Receivables and the proceeds thereof.

(b) In connection with such transfer, the Trustee agrees to authorize and deliver to the Bank on or prior to the date of this Reassignment, a termination statement with respect to the Receivables now existing and hereafter created in the Removed Accounts designated hereby (which may be a single termination statement with respect to all such Receivables) evidencing the release by the Trust of its Lien on the Receivables in the Removed Accounts, and meeting the requirements of applicable state law, in such manner and such jurisdictions as are necessary to remove such Lien.

4. Representations and Warranties of the Bank. The Bank hereby represents and warrants to the Trust as of the Removal Date:

(a) Legal Valid and Binding Obligation. This Reassignment constitutes a legal, valid and binding obligation of the Bank enforceable against the Bank in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect affecting the enforcement of creditors' rights in general and the rights of creditors of national banking associations and except as such enforceability may be limited by general principles of equity (whether considered in a suit at law or in equity).

(b) Selection Procedures. No selection procedures believed by the Bank to be materially adverse to the interests of the Investor Certificateholders were utilized in selecting the Removed Accounts designated hereby.

5. Conditions Precedent. The amendment of the Pooling and Servicing Agreement set forth in Section 6 hereof is subject to the satisfaction, on or prior to the Removal Date, of the following condition precedent:

The Bank shall have delivered to the Trustee an Officer's Certificate certifying that (i) as of the Removal Date, all requirements set forth in Section 2.07 of the Pooling and Servicing Agreement for designating Removed Accounts and reconveying the Receivables of such Removed Accounts, whether now existing or hereafter created, have been satisfied, and (ii) each of the representations and warranties made by the Bank in Section 4 hereof is true and correct as of the Removal Date. The Trustee may

---

conclusively rely on such Officer's Certificate, shall have no duty to make inquiries with regard to the matters set forth therein, and shall incur no liability in so relying.

6. Amendment of the Pooling and Servicing Agreement. The Pooling and Servicing Agreement is hereby amended to provide that all references therein to the "Pooling and Servicing Agreement," to "this Agreement" and "herein" shall be deemed from and after the Removal Date to be a dual reference to the Pooling and Servicing Agreement as supplemented by this Reassignment. Except as expressly amended hereby, all of the representations, warranties, terms, covenants and conditions to the Pooling and Servicing Agreement shall remain unamended and shall continue to be, and shall remain, in full force and effect in accordance with its terms and except as expressly provided herein shall not constitute or be deemed to constitute a waiver of compliance with or a consent to non-compliance with any term or provision of the Pooling and Servicing Agreement.

7. Counterparts. This Reassignment may be executed in two or more counterparts (and by different parties on separate counterparts), each of which shall be an original, but all of which together shall constitute one and the same instrument.

8. Governing Law. This Reassignment shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to principles of conflict of laws. The parties hereto declare that it is their intention that this Reassignment shall be regarded as made under the laws of the State of Delaware and that the laws of said State shall be applied in interpreting its provisions in all cases where legal interpretation shall be required. Each of the parties hereto agrees (a) that this Reassignment involves at least \$100,000.00, and (b) that this Reassignment has been entered into by the parties hereto in express reliance upon 6 DEL. C. § 2708. Each of the parties hereto hereby irrevocably and unconditionally agrees (a) to be subject to the jurisdiction of the courts of the State of Delaware and of the federal courts sitting in the State of Delaware, and (b) (1) to the extent such party is not otherwise subject to service of process in the State of Delaware, to appoint and maintain an agent in the State of Delaware as such party's agent for acceptance of legal process, and (2) that, to the fullest extent permitted by applicable law, service of process may also be made on such party by prepaid certified mail with a proof of mailing receipt validated by the United States Postal Service constituting evidence of valid service, and that service made pursuant to (b)(1) or (2) above shall, to the fullest extent permitted by applicable law, have the same legal force and effect as if served upon such party personally within the State of Delaware.

---

IN WITNESS WHEREOF, the undersigned have caused this Reassignment of Receivables to be duly executed and delivered by their respective duly authorized officers on the day and year first above written.

FORM OF ANNUAL CERTIFICATION

Re: The amended and restated pooling and servicing agreement dated as of June 10, 2006 (as amended, supplemented or otherwise modified from time to time, the "Agreement"), between FIA Card Services, National Association, as seller (the "Seller") and servicer, and The Bank of New York, as trustee.

I, \_\_\_\_\_, the \_\_\_\_\_ of [NAME OF COMPANY] (the "Company"), certify to the Seller and its officers, with the knowledge and intent that they will rely upon this certification, that:

(1) I have reviewed the report on assessment of the Company's compliance provided in accordance with Rules 13a-18 and 15d-18 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and Item 1122 of Regulation AB (the "Servicing Assessment"), and the registered public accounting firm's attestation report provided in accordance with Rules 13a-18 and 15d-18 under the Exchange Act and Section 1122(b) of Regulation AB (the "Attestation Report") that were delivered by the Company to the Seller pursuant to the Agreement (collectively, the "Company Information");

(2) To the best of my knowledge, the Company Information, taken as a whole, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in the light of the circumstances under which such statements were made, not misleading with respect to the period of time covered by the Company Information;

(3) To the best of my knowledge, all of the Company Information required to be provided by the Company under the Agreement has been provided to the Seller; and

WHEREAS, the Trustee and MBNA America Bank, National Association (as the predecessor to FIA Card Services, National Association) have heretofore executed and delivered a Series 2001-D Supplement, dated as of May 24, 2001 (as amended, supplemented or otherwise modified prior to the date hereof, the "Original Series 2001-D Supplement"); and

WHEREAS, the Seller, the Servicer and the Trustee desire to amend and restate the Original Series 2001-D Supplement in its entirety.

NOW, THEREFORE, the Seller, the Servicer and the Trustee hereby agree that effective on and as of the date hereof, the Original Series 2001-D Supplement is hereby amended and restated in its entirety as follows:

Section 6.09 of the Agreement provides, among other things, that the Seller and the Trustee may at any time and from time to time enter into a supplement to the Agreement for the purpose of authorizing the delivery by the Trustee to the Seller for the execution and redelivery to the Trustee for authentication of one or more Series of Certificates.

Notwithstanding any cessation of the transfer to the Trust of additional Principal Receivables, Finance Charge Receivables, whenever created, accrued in respect of Principal Receivables which have been transferred to the Trust shall continue to be a part of the Trust, and Collections with respect thereto shall continue to be allocated and paid in accordance with Article IV.

(b) The Seller hereby represents and warrants to the Trustee as of the date of this Series Supplement that, on or before the date of this Series Supplement, the conditions set forth in subsection 13.01(a) of the Agreement have been satisfied with respect to the amendment set forth in subsection 20(a).

SECTION 21. Periodic Finance Charges and Other Fees. SECTION 22. Additional Representations and Warranties of the Seller. FIA Card Services, National Association, as Seller, hereby makes the following representations and warranties. Such representations and warranties shall survive until the termination of this Series Supplement. Such representations and warranties speak of the date that the Collateral (as defined below) is transferred to the Trust but shall not be waived by any of the parties to this Series Supplement unless each Rating Agency shall have notified the Seller, the Servicer and the Trustee in writing that such waiver will not result in a reduction or withdrawal of the rating of any outstanding Series or Class to which it is a Rating Agency.

(a) The Agreement creates a valid and continuing security interest (as defined in the Delaware UCC) in favor of the Trust in the Receivables described in Section 2.01 of the Agreement or in Section 3(a) of any Assignment (the “Collateral”), which security interest is prior to all other liens, and is enforceable as such as against creditors of and purchasers from the Seller.

(b) The Collateral constitutes “accounts” within the meaning of the Delaware UCC.

(c) At the time of each transfer and assignment of Collateral to the Trust pursuant to the Agreement or an Assignment, the Seller owned and had good and marketable title to such Collateral free and clear of any lien, claim or encumbrance of any Person.

(d) The Seller has caused or will have caused, within ten days of the initial execution of the Agreement and each Assignment, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the related Collateral granted to the Trust pursuant to the Agreement or such Assignment.

(e) Other than the security interest granted to the Trust pursuant to the Agreement or an Assignment, the Seller has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed the Collateral. The Seller has not authorized the filing of and is not aware of any financing statements against the Seller that include a description of the Collateral other than any financing statement relating to the security interest granted to the Trust pursuant to the Agreement or an Assignment or that has been terminated. The Seller is not aware of any judgment or tax lien filings against the Seller.

(e) The Trust will not engage in any business or own any assets unrelated to the purposes of the Trust.

Section 2.04. Appointment of Owner Trustee. The Beneficiary hereby appoints Wilmington Trust Company as Owner Trustee of the Trust effective as of the date of the Original Trust Agreement, to have all the rights, powers and duties set forth herein and in the Delaware Statutory Trust Act.

Section 2.05. Declaration of Trust. The Owner Trustee hereby declares that it will hold the initial Trust Estate, the Collateral Certificate and the other documents and assets described in Section 2.03, together with any payments, proceeds or income of any kind from such documents or assets or any other source and any other property held under this Agreement (collectively, the "Trust Estate"), upon the trust set forth herein and for the sole use and benefit of the Beneficiary. The parties hereto agree that they will take no action contrary to the foregoing intention. Section 2.06. Title to Trust Estate. Title to all of the Trust Estate will be vested in the Trust as a separate legal entity until this Agreement terminates pursuant to Article VII; provided, however, that if the laws of any jurisdiction require that title to any part of the Trust Estate be vested in the trustees of a trust, then title to that part of the Trust Estate will be deemed to be vested in the Owner Trustee or any co-trustee or separate trustee, as the case may be, appointed pursuant to Article VIII.

The parties to this Agreement intend that the conveyance of the Collateral Certificate and the proceeds thereof pursuant to this Agreement constitute a sale, and not a secured borrowing, for accounting purposes. Nevertheless, this Agreement also shall be deemed to be and hereby is a security agreement within the meaning of the UCC, and the conveyance by the Transferor provided for in this Agreement shall be deemed to be and hereby is a grant by the Transferor to the Trust of a security interest in and to all of the Transferor's right, title and interest, whether now owned or hereafter acquired, in, to and under the Collateral Certificate, all accounts, general intangibles, chattel paper, instruments, documents, money, deposit accounts, certificates of deposit, goods, letters of credit, letter-of-credit rights, advices of credit and investment property consisting of, arising from, or relating to the Collateral Certificate, and the proceeds thereof, to secure the obligations of the Transferor hereunder. The Transferor and the Trust shall, to the extent consistent with this Agreement, take such actions as may be necessary to ensure that the security interest in the Collateral Certificate created hereunder will be a perfected security interest of first priority under applicable law and will be maintained as such throughout the term of this Agreement.

(b) To the extent that the Transferor retains any interest in the Collateral Certificate, the Transferor hereby grants to the Indenture Trustee for the benefit of the holders of the Notes a security interest in and to all of the Transferor's right, title, and interest, whether now owned or hereafter acquired, in, to, and under the Collateral Certificate, all accounts, general intangibles, chattel paper, instruments, documents, money, deposit accounts, certificates of deposit, goods, letters of credit, letter-of-credit rights, advices of credit, and investment property consisting of, arising from, or relating to the Collateral Certificate, and the proceeds thereof (collectively, the "Indenture Collateral"), to secure performance of all of the obligations of the Transferor hereunder. With respect to the Indenture Collateral, the Indenture Trustee shall have all of the rights it has under the Transaction Documents. The Indenture Trustee shall have all of the rights of a secured creditor under the UCC.

Section 2.12. Closing. The transfer, assignment, set-over, pledge and conveyance of the Collateral Certificate and the initial issuance of Notes shall take place at the offices of Orrick, Herrington & Sutcliffe LLP, 666 Fifth Avenue, New York, New York 10103 on the Closing Date (as defined in the Series 2001-D Supplement), simultaneously with the closing of the transactions contemplated by the Pooling and Servicing Agreement, the Series 2001-D Supplement and the other Transaction Documents.

Section 2.13. Books and Records. In connection with the transfer, assignment, set-over, pledge and conveyance set forth in Section 2.11, the Collateral Certificate shall be registered in the name of the Trust and shall be delivered to the Trust in the State of Delaware. In addition, the Transferor agrees to record and file, at its own expense, any financing statements (and continuation statements with respect to such financing statements when applicable) required to be filed with respect to the Collateral Certificate assigned by the Transferor hereunder, meeting the requirements of applicable law in such manner and in such jurisdictions as are necessary under the applicable UCC to perfect the transfer, assignment, set-over, pledge and conveyance of the Collateral Certificate to the Trust, and to deliver a file-stamped copy of such financing statements or other evidence of such filings to the Trust on or prior to the Closing Date (excluding such continuation and similar statements, which shall be delivered promptly after filing).

Section 2.14. Series 2001-D Certificateholder. The Indenture Trustee shall be the Series 2001-D Certificateholder for all purposes under the Pooling and Servicing Agreement and the Series 2001-D Supplement. To the extent the Collateral Certificate is sold or otherwise transferred to a third-party in connection with the sale or liquidation of the Trust Estate pursuant to the provisions of the Indenture, such transferee shall be the Series 2001-D Certificateholder for all purposes under the Pooling and Servicing Agreement.

Section 2.15. Representations and Warranties of the Transferor. The Transferor makes the following representations and warranties as to the Collateral Certificate on which the Trust is deemed to have relied in acquiring the Collateral Certificate. Such representations and warranties speak as of the execution and delivery of this Agreement and as of each Transfer Date, but shall survive the transfer and assignment of the Collateral Certificate to the Trust and the pledge thereof to the Indenture Trustee pursuant to the Indenture.

(a) Title. The transfer and assignment herein contemplated constitute either (i) a sale of the Collateral Certificate, (ii) a grant of a perfected security interest therein from the Transferor to the Trust or (iii) a grant of a perfected security interest therein from the Transferor to the Indenture Trustee. The Collateral Certificate has not been sold, transferred, assigned or pledged by the Transferor to any Person other than pursuant to this Agreement or the Indenture. Immediately prior to the transfer and assignment herein contemplated, the Transferor had good and marketable title to the Collateral Certificate, free and clear of all liens and rights of others and, immediately upon the transfer thereof, the Trust shall have good and marketable title to the Collateral Certificate, free and clear of all liens of rights of others or a first priority perfected security interest therein; and the transfer has been perfected, by the filing of appropriate financing statements and the taking of such other action pursuant to the UCC, under the UCC. The Transferor has no knowledge of any current statutory or other non-consensual liens to which the Collateral Certificate is subject.

(b) All Actions Taken. All actions necessary under the applicable UCC in any jurisdiction to be taken (i) to give the Trust a first priority perfected security interest or ownership interest in the Collateral Certificate, and (ii) to give the Indenture Trustee a first priority perfected security interest in the Collateral Certificate (including, without limitation, UCC filings with the Secretary of State), in each case subject to any statutory or other non-consensual liens with respect to the Collateral Certificate, have been taken.

(c) No Consents Required. All approvals, authorizations, consents, orders or other actions of any Person or of any Governmental Authority required in connection with the execution and delivery by the Transferor of this Agreement or any other Transaction Document, the performance by the Transferor of the transactions contemplated by this Agreement or any other Transaction Document and the fulfillment by the Transferor of the terms hereof or thereof, have been obtained or have been completed and are in full force and effect (other than approvals, authorizations, consents, orders and other actions which if not obtained or completed or in full force or effect would not have a material adverse effect on the Transferor or the Trust or upon the collectibility of the Collateral Certificate or upon the ability of the Transferor to perform its obligations under this Agreement).

(d) Transfers Comply. Each of (i) the transfer of the Collateral Certificate by the Transferor to the Trust pursuant to the terms of this Agreement, (ii) the pledge of the Collateral Certificate by the Trust to the Indenture Trustee pursuant to the terms of the Indenture and (iii) the pledge of the Collateral Certificate by the Transferor to the Indenture Trustee pursuant to the terms of this Agreement, comply with the provisions of the Pooling and Servicing Agreement relating to transfers of the Collateral Certificate.

(e) To the extent the UCC applies, this Agreement creates a valid and continuing security interest (as defined in the Delaware UCC) in favor of the Trust in the Collateral Certificate, which security interest is prior to all other liens, and is enforceable as such as against creditors of and purchasers from the Transferor.

(f) The Collateral Certificate constitutes either an “account,” a “general intangible,” an “instrument,” or a “certificated security,” each within the meaning of the UCC.

(g) At the time of the transfer and assignment of the Collateral Certificate to the Trust pursuant to this Agreement, the Transferor owned and had good and marketable title to the Collateral Certificate free and clear of any lien, claim or encumbrance of any Person.

(h) The Transferor has caused or will have caused, within ten days of the execution of this Agreement, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Collateral Certificate granted to the Trust pursuant to this Agreement.

(i) Other than the interests transferred and assigned to the Trust and the Indenture Trustee pursuant to this Agreement, the Transferor has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed the Collateral Certificate. The Transferor has not authorized the filing of and is not aware of any financing statements against the Transferor that include a description of the Collateral Certificate other than any financing

statement relating to the security interest granted to the Trust and the Indenture Trustee pursuant to this Agreement or any financing statement that has been terminated. The Transferor is not aware of any judgment or tax lien filings against the Transferor.

(j) Prior to the transfer of the Collateral Certificate to the Indenture Trustee, all original executed copies of the Collateral Certificate had been delivered to the Trust.

(k) At the time of the transfer and assignment of the Collateral Certificate to the Trust pursuant to this Agreement, the Collateral Certificate had no marks or notations indicating that it has been pledged, assigned or otherwise conveyed to any Person other than the Trust.

(l) None of the representations and warranties contained in subsections 2.15(e) through 2.15(k) shall be waived by any of the parties to this Agreement unless the Transferor has obtained written confirmation from each Note Rating Agency (as defined in the Indenture) that there will be no Ratings Effect (as defined in the Indenture) with respect to such waiver.

#### Section 2.16. Protection of Title to Collateral Certificate

(a) The Transferor shall take all actions necessary, and the Trust shall cooperate with the Transferor, if applicable, to perfect, and maintain perfection of, the interests of the Trust in the Collateral Certificate. The Transferor shall execute and file and cause to be executed and filed such financing statements and continuation statements, all in such manner and in such places as may be required by law fully to perfect, maintain, and protect the interest of the Trust in the Collateral Certificate and in the proceeds thereof and the interest of the Indenture Trustee in the Collateral Certificate and the proceeds thereof. The Transferor shall deliver (or cause to be delivered) to the Owner Trustee and the Indenture Trustee file-stamped copies of, or filing receipts for, any document filed as provided above, as soon as available following such filing.

(b) The Transferor shall not change its name, identity or corporate structure in any manner that would, could or might make any financing statement or continuation statement filed in accordance with paragraph (a) above or otherwise seriously misleading within the meaning of the UCC (regardless of whether such a filing was ever made), unless it shall have given the Owner Trustee and the Indenture Trustee at least five days' prior written notice thereof and, if applicable, shall have timely filed appropriate amendments to any and all previously filed financing statements or continuation statements (so that the interest of the Trust or the Indenture Trustee is not adversely affected).

(c) The Transferor shall give the Owner Trustee and the Indenture Trustee at least 60 days' prior written notice of any relocation of its chief executive office, place of business or State of location, and of any change in the jurisdiction of its organization, if, as a result of such relocation or change, the applicable provisions of the UCC would require the filing of any amendment of any previously filed financing or continuation statement or of any new financing statement (regardless of whether such a filing was ever made) and shall promptly, if applicable, file any such amendment.

---

(d) The Owner Trustee shall permit the Indenture Trustee and its agents at any time following reasonable notice and during normal business hours to inspect, audit and make copies of and abstracts from the Owner Trustee's records regarding the Collateral Certificate.

Section 2.17. Assignment to Indenture Trustee. The Transferor hereby acknowledges and consents to any mortgage, pledge, assignment and grant of a security interest by the Trust to the Indenture Trustee pursuant to the Indenture for the benefit of the Noteholders of all right, title and interest of the Trust in, to and under the Collateral Certificate and the other property described in the Granting Clause of the Indenture and/or the assignment of any or all of the Trust's rights and obligations hereunder to the Indenture Trustee.

Section 2.18. Merger or Consolidation of, or Assumption of the Obligations of, Transferor. Any Person (a) into which the Transferor may be merged or consolidated, (b) which may result from any merger or consolidation to which the Transferor shall be a party or (c) which may succeed to the properties and assets of the Transferor substantially as a whole, which Person in any of the foregoing cases executes an agreement of assumption to perform every obligation of the Transferor under this Agreement, shall be the successor to the Transferor hereunder without the execution or filing of any other document or any further act by any of the parties to this Agreement; provided, however, that (i) the Transferor shall have delivered to the Owner Trustee and the Indenture Trustee an Officers' Certificate (as defined in the Indenture) and an Opinion of Counsel (as defined in the Indenture) each stating that such consolidation, merger or succession and such agreement of assumption comply with this Section 2.18 and that all conditions precedent provided for in this Agreement relating to such transaction have been complied with, (ii) written confirmation from the Note Rating Agency (as defined in the Indenture) that such transaction will not result in any Note Rating Agency reducing or withdrawing its then existing rating of the Notes and (iii) the Transferor shall have delivered to the Owner Trustee and the Indenture Trustee an Opinion of Counsel either (A) stating that, in the opinion of such counsel, all actions necessary to perfect the interests of the Owner Trustee and the Indenture Trustee have been taken, including that all financing statements and continuation statements and amendments thereto have been executed and filed that are necessary fully to preserve and protect the interest of the Owner Trustee and Indenture Trustee, respectively, in the Collateral Certificate and reciting the details of such filings, or (B) stating that, in the opinion of such counsel, no such action shall be necessary to preserve and protect such interests. Following the effectiveness of the succession provided for in this Section 2.18, the predecessor Transferor shall be released from any obligations and liabilities provided for under the Transaction Documents other than any obligations or liabilities incurred by such predecessor Transferor prior to the effectiveness of such succession.

Section 2.19. Limitation on Liability of Transferor and Others. The Transferor and any director or officer or employee or agent of the Transferor may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person respecting any matters arising hereunder. The Transferor, in its capacity as such, shall not be under any obligation to appear in, prosecute or defend any legal action that shall not be incidental to its obligations under this Agreement, and that in its opinion may involve it in any expense or liability. The Beneficiary shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the General Corporation Law of the State of Delaware.

**ARTICLE III**  
**REPRESENTATIONS AND**  
**WARRANTIES OF THE BENEFICIARY**

Section 3.01. Representations and Warranties of the Beneficiary. The Beneficiary hereby represents and warrants to the Owner Trustee as of the date of this Agreement and as of the date of each increase in the Investor Interest of the Collateral Certificate that:

(a) The Beneficiary is a national banking association duly organized, validly existing and in good standing under the laws of the United States and has full corporate power, authority and legal right to own its properties and conduct its credit card business as such properties are presently owned and such business is presently conducted, and to execute, deliver and perform its obligations under this Agreement.

(b) The Beneficiary is duly qualified to do business and is in good standing (or is exempt from such requirement) in any state required in order to conduct its business, and has obtained all necessary licenses and approvals with respect to the Beneficiary, in each jurisdiction in which failure to so qualify or to obtain such licenses and approvals would have a material adverse effect on the interests of the Noteholders hereunder or under the Indenture; provided, however, that no representation or warranty is made with respect to any qualifications, licenses or approvals which the Owner Trustee or the Indenture Trustee has or may be required at any time to obtain, if any, in connection with the transactions contemplated hereby or by any other Transaction Document to which the Owner Trustee or the Indenture Trustee, as the case may be, is a party.

(c) The execution and delivery of this Agreement and the consummation of the transactions provided for in this Agreement and in the other Transaction Documents to which the Beneficiary is a party have been duly authorized by the Beneficiary by all necessary corporate action on its part and each of this Agreement and the other Transaction Documents to which the Beneficiary is a party will remain, from the time of its execution, an official record of the Beneficiary; the Beneficiary has the power and authority to assign the property to be assigned to and deposited with the Trust.

(d) The execution and delivery of this Agreement, the performance of the transactions contemplated by this Agreement and the fulfillment of the terms hereof will not conflict with, result in any breach of any of the material terms and provisions of, or constitute (with or without notice or lapse of time or both) a material default under, any indenture, contract, agreement, mortgage, deed of trust, or other instrument to which the Beneficiary is a party or by which it or any of its properties are bound (other than violations of such indentures, contracts, agreements, mortgages, deeds of trust or other instruments which, individually or in the aggregate, would not have a material adverse effect on the Beneficiary's ability to perform its obligation under this Agreement).

(e) The execution and delivery of this Agreement, the performance of the transactions contemplated by this Agreement and the fulfillment of the terms hereof will not conflict with or violate any Requirements of Law applicable to the Beneficiary.

(f) To its knowledge, there are no proceedings or investigations pending or threatened against the Beneficiary before any court, regulatory body, administrative agency, or other tribunal or governmental instrumentality having jurisdiction over the Beneficiary (i) asserting the invalidity of this Agreement or any of the Transaction Documents, (ii) seeking to prevent the consummation of any of the transactions contemplated by this Agreement or any of the Transaction Documents, (iii) seeking any determination or ruling that, in the reasonable judgment of the Beneficiary, would materially and adversely affect the performance by the Beneficiary of its obligations under this Agreement or the Transaction Documents, or (iv) seeking any determination or ruling that would materially and adversely affect the validity or enforceability of this Agreement or the Transaction Documents.

#### ARTICLE IV

##### DISTRIBUTIONS OF FUNDS

Section 4.01. Distribution of Funds. All funds received by the Trust to the extent not encumbered by the Indenture and otherwise available for distribution (or if encumbered by the Indenture, which have been released by the relevant parties benefiting from such encumbrance) will be distributed to the Beneficiary.

Section 4.02. Payments from Trust Estate Only. All payments to be made by the Trust under this Agreement will be made only from the income and the capital proceeds derived from the Trust Estate and only to the extent that the Trust will have received income or capital proceeds from the Trust Estate. The Beneficiary agrees that it will look solely to the income and capital proceeds derived from the Trust Estate (to the extent available for payment as herein provided) and that, except as specifically provided herein, the Owner Trustee will not be subject to any liability in its individual capacity under this Agreement to the Beneficiary or to any other Person.

Section 4.03. Method of Payment. All amounts payable to the Beneficiary pursuant to this Agreement will be paid by the Owner Trustee on behalf of the Trust to the Beneficiary or a nominee therefor in such manner as the Beneficiary may from time to time designate in written instructions to the Owner Trustee. All funds received by the Owner Trustee on behalf of the Trust not later than 2:00 p.m. (New York City time) on a Business Day will be applied by the Owner Trustee on that Business Day. Funds received after that time will be applied on the next following Business Day.

Section 4.04. Establishment of Account. The Beneficiary hereby authorizes the Owner Trustee to establish and maintain an account on behalf of the Trust into which all funds received by the Owner Trustee on behalf of the Trust shall be deposited. Such account shall be designated the Beneficiary Trust Account.

**ARTICLE V**

**DUTIES OF THE OWNER TRUSTEE**

Section 5.01. Action Upon Instructions. (a) It is the intention of the Beneficiary that the powers and duties of the Owner Trustee are to be purely ministerial only. Accordingly, subject to Section 5.01(b) and 5.01(c), and Article XII, the Beneficiary will direct the Owner Trustee in the management of the Trust and the Trust Estate. Such direction shall be exercised at any time only by written instruction of the Beneficiary delivered to the Owner Trustee pursuant to this Article V. Notwithstanding any other provision of this Agreement, the Owner Trustee shall not take any action including but not limited to the execution of any documents, certificates or other instruments, unless it receives written instructions from the Beneficiary.

(b) The Owner Trustee will take such action or actions as may be specified in any instructions delivered in accordance with Section 5.01(a); provided, however, that the Owner Trustee will not be required to take any such action if the Trustee Bank will have been advised by counsel that such action (i) is contrary to the terms hereof or of any document contemplated hereby to which the Trust or the Owner Trustee is a party or is otherwise contrary to law, or (ii) is reasonably likely to result in liability on the part of the Trustee Bank, unless the Trustee Bank will have received additional indemnification or security satisfactory to the Trustee Bank from the Beneficiary against all costs, expenses and liabilities arising from the Owner Trustee's taking such action.

(c) The Beneficiary will not direct the Owner Trustee to take or refrain from taking any action contrary to this Agreement, nor will the Owner Trustee be obligated to follow any such direction.

(d) In the event that the Owner Trustee is unsure as to the application of any provision of this Agreement or any Transaction Document, or such provision is ambiguous as to its application, or is, or appears to be, in conflict with any other applicable provision, or this Agreement permits any determination by the Owner Trustee or is silent or is incomplete as to the course of action to be adopted, the Owner Trustee will promptly give notice to the Beneficiary requesting written instructions as to the course of action to be adopted and, to the extent the Owner Trustee acts in good faith in accordance with such written instructions received from the Beneficiary, the Owner Trustee shall not be liable on account of such action to any Person. If the Owner Trustee will not have received appropriate written instructions within 30 days of such notice (or within such shorter period of time as reasonably may be specified in such notice) it may, but shall be under no duty to, take or refrain from taking such action, not inconsistent with this Agreement, as it deems to be in the best interests of the Beneficiary, and will have no liability to any Person for such action or inaction.

(e) The Owner Trustee will, subject to this Section 5.01, act in accordance with the instructions given to it by the Beneficiary pursuant to Section 5.01(b), and to the extent the Owner Trustee acts in good faith in accordance with such instructions, the Owner Trustee will not be liable on account of such action to any Person.

Section 5.02. No Duty to Act Under Certain Circumstances Notwithstanding anything contained herein to the contrary, neither the Trustee Bank nor the Owner Trustee, except a Trustee Bank authorized as co-trustee, will be required to take any action in any jurisdiction other than in the State of Delaware if the taking of such action would (i) require the consent or approval or authorization or order of or the giving of notice to, or the registration with or taking of any action in respect of, any state or other governmental authority or agency of any jurisdiction other than the State of Delaware; (ii) result in any fee, tax or governmental charge under the laws of any jurisdiction or any political subdivisions thereof in existence on the date hereof other than the State of Delaware becoming payable by the Trustee Bank; or (iii) subject the Trustee Bank to personal jurisdiction in any jurisdiction other than the State of Delaware for causes of action arising from acts unrelated to the consummation of the transactions by the Trustee Bank or the Owner Trustee, as the case may be, contemplated hereby. The Owner Trustee shall be entitled to obtain advice of counsel (which advice shall be at the expense of the Beneficiary) to determine whether any action required to be taken pursuant to this agreement results in the consequences described in clauses (i), (ii) and (iii) of the preceding sentence. In the event that said counsel advises the Owner Trustee that such action will result in such consequences, the Owner Trustee may, or if instructed to do so by the Beneficiary, shall, appoint an additional trustee pursuant to Section 8.04 hereby to proceed with such action.

Section 5.03. No Duties Except Under Specified Agreements or Instructions

(a) The Owner Trustee will not have any duty or obligation to manage, control, use, make any payment in respect of, register, record, insure, inspect, sell, dispose of, create, maintain or perfect any security interest or title in or otherwise deal with any part of the Trust Estate, prepare, file or record any document or report (including any tax related filing for any holder of Notes), or to otherwise take or refrain from taking any action under, or in connection with, this Agreement, the Trust or any document contemplated hereby to which the Trust or the Owner Trustee is a party, except as expressly provided by the terms of this Agreement or in written instructions from the Beneficiary received pursuant to Section 5.01; and no implied duties or obligations will be read into this Agreement against the Owner Trustee. Unless otherwise directed by the Beneficiary in accordance with Section 5.01(a), the Owner Trustee shall have no obligation or duty to take any action the Trust is authorized and empowered to take pursuant to Section 2.03(a). The Owner Trustee nevertheless agrees that it will, in its individual capacity and at its own cost and expense, promptly take all action as may be necessary to discharge any lien, pledge, security interest or other encumbrance on any part of the Trust Estate which results from actions by or claims against the Trustee Bank not related to the ownership of any part of the Trust Estate.

(b) The Owner Trustee agrees that it will not manage, control, use, lease, sell, dispose of or otherwise deal with any part of the Trust Estate except (i) in accordance with the powers granted to, or the authority conferred upon, the Owner Trustee pursuant to this Agreement, or (ii) in accordance with the express terms hereof or with written instructions from the Beneficiary pursuant to Section 5.01. Unless otherwise directed by the Beneficiary in accordance with Section 5.01(a), the Owner Trustee shall not be required to perform any obligations or duties of the Trust under the Indenture, which duties and obligations shall be the sole responsibility of the Beneficiary.

---

Section 5.04. Trust Operation. The operations of the Trust will be conducted in accordance with the following standards:

- (a) the Trust will act solely in its own name through the Owner Trustee or the Beneficiary;
- (b) the Trust will not incur any indebtedness for money borrowed or incur any obligations except in connection with the purposes set forth in Section 2.03 of this Agreement;
- (c) the Trust's funds and assets will at all times be maintained separately from those of the Beneficiary and its affiliates;
- (d) the Trust will take all reasonable steps to continue its identity as a separate legal entity and to make it apparent to third persons that it is an entity with assets and liability distinct from those of the Beneficiary, the Beneficiary's affiliates or any other third person, and will use stationery and other business forms of the Owner Trustee or the Trust and not that of the Beneficiary or any of its affiliates, and will use its best efforts to avoid the appearance (i) of conducting business on behalf of the Beneficiary or any affiliates thereof, or (ii) that the assets of the Trust are available to pay the creditors of the Beneficiary or any affiliates thereof;
- (e) the Trust will not hold itself out as being liable for the debts of the Beneficiary or any affiliates thereof;
- (f) the Trust will not engage in any transaction with the Beneficiary or any affiliates thereof, except as required, or specifically permitted, by this Agreement or unless such transaction is otherwise on terms neither more favorable nor less favorable than the terms and conditions available at the time to the Trust for comparable transactions with other Persons; and
- (g) the Trust will not enter into any voluntary bankruptcy or insolvency proceeding without a finding by the Owner Trustee that the Trust's liabilities exceeds its assets or that the Trust is unable to pay its debts in a timely manner as they become due.

Section 5.05. Execution of Documents. The Owner Trustee will, at the written direction of the Beneficiary, execute and deliver on behalf of the Trust such instruments, agreements and certificates contemplated hereby to which the Trust is a party (such direction to be conclusively evidenced by the Owner Trustee's execution and delivery of such documents to, and acceptance by, the Beneficiary or its counsel).

Section 5.06. Nonpetition Covenants. Notwithstanding any prior termination of the Trust or this Agreement, to the fullest extent permitted by applicable law, each of the Owner Trustee and the Beneficiary covenants and agrees that it shall not at any time with respect to the Trust or the Master Trust acquiesce, petition or otherwise invoke or cause the Trust or the Master Trust to invoke the process of any court or government authority for the purpose of commencing or sustaining a case against the Trust or the Master Trust under any Federal or state bankruptcy, insolvency or similar law or appointing a receiver, conservator, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Trust or the Master Trust or any substantial part of its property, or ordering the winding up or liquidation of the affairs of the Trust or the

Master Trust; provided, however, that this Section 5.06 shall not preclude any remedy described in Article VII of the Indenture.

**ARTICLE VI**  
**CONCERNING THE TRUSTEE BANK**

Section 6.01. Acceptance of Trust and Duties. The Trustee Bank accepts the trust hereby created and agrees to perform the same but only upon the terms of this Agreement. The Trustee Bank also agrees to disburse all moneys actually received by it constituting part of the Trust Estate in accordance with the terms of this Agreement. The Trustee Bank will not be answerable or accountable under any circumstances in its individual capacity, except (i) for its own willful misconduct, bad faith or negligence, (ii) in the case of the inaccuracy of any representation or warranty contained in Section 6.07, (iii) for the failure by the Owner Trustee to perform obligations expressly undertaken by it in the last sentence of Section 5.03(a), or (iv) for taxes, fees or other charges on, based on or measured by, any fees, commissions or other compensation earned by the Trustee Bank for acting as trustee hereunder. In particular, but not by way of limitation:

- (a) The Trustee Bank will not be personally liable for any error of judgment made in good faith by an authorized officer of the Owner Trustee so long as the same will not constitute negligence, bad faith or willful misconduct;
- (b) The Trustee Bank will not be personally liable with respect to any action taken or omitted to be taken by the Owner Trustee in good faith in accordance with the instructions of the Beneficiary;
- (c) No provision of this Agreement or any Transaction Document will require the Trustee Bank to expend or risk its personal funds or otherwise incur any financial liability in the performance of any of its rights or powers hereunder, if the Trustee Bank will have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured or provided to it, including such advances as the Trustee Bank may reasonably request;
- (d) Under no circumstance will the Trustee Bank be personally liable for the accuracy or performance of any representation, warranty, covenant, agreement or other obligation, including any indebtedness, of the Trust;
- (e) The Trustee Bank will not be personally responsible or liable for or in respect of the validity or sufficiency of this Agreement or for the due execution hereof by the Beneficiary or with respect to any agreement entered into by the Trust;
- (f) Under no circumstances will the Trustee Bank be responsible or liable for the action or inaction of the Beneficiary, nor will the Trustee Bank be responsible for monitoring the performance of the Beneficiary's duties hereunder or of any other Person acting for or on behalf of the Trust;

(g) In no event shall the Trustee Bank be personally liable for special, consequential or punitive damages unless such damages result from its willful misconduct or gross negligence, for the acts or omissions of its nominees, correspondents, clearing agencies or securities depositories, for the acts or omissions of brokers or dealers, and for any losses due to forces beyond the control of the Trustee Bank, including strikes, work stoppages, acts of war or terrorism, insurrection, revolution, nuclear or natural catastrophes or acts of God and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services. The Trustee Bank shall have no responsibility for the accuracy of any information provided to the Beneficiary or any other Person that has been obtained from, or provided to the Trustee Bank by, any other Person;

(h) the Trustee Bank shall not be liable for the default or misconduct of the Indenture Trustee under any of the Transaction Documents or otherwise, and the Trustee Bank shall have no obligation or liability to perform the obligations of the Trust under this Agreement or the Transaction Documents, in each case that are required to be performed by the Indenture Trustee under the Indenture; and

(i) the Trustee Bank shall be under no obligation to exercise any of the rights or powers vested in it by this agreement, or to institute, conduct or defend any litigation under this Agreement or otherwise or in relation to this Agreement or any Transaction Document, at the request, order or direction of the Beneficiary, unless the Beneficiary has offered to the Trustee Bank security or indemnity satisfactory to it against the costs, expenses and liabilities that may be incurred by the Trustee Bank therein or thereby. The right of the Trustee Bank to perform any discretionary act enumerated in this Agreement or in any Transaction Document shall not be construed as a duty, and the Trustee Bank shall not be answerable for other than its negligence or willful misconduct in the performance of any such act.

Section 6.02. Furnishing of Documents. The Owner Trustee will furnish to the Beneficiary, within a reasonable time under the circumstances after receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and any other instruments furnished to the Owner Trustee with respect to the Trust or the Trust Estate.

Section 6.03. Representations and Warranties as to the Trust Estate. The Owner Trustee makes no representation or warranty as to, and shall not be liable for, the title, value, condition, design, operation, merchantability or fitness for use of the Trust Estate (or any part thereof) or any other representation or warranty, express or implied, whatsoever with respect to the Trust Estate (or any part thereof) except that the Owner Trustee, in its individual capacity, hereby represents and warrants to the Beneficiary that it will comply with the last sentence of Section 5.03(a).

Section 6.04. Signature of Returns. The Beneficiary will sign on behalf of the Trust any Periodic Filings of the Trust or other documents relating to the Trust prepared by, or on behalf of, the Beneficiary.

Section 6.05. Reliance; Advice of Counsel. The Owner Trustee will incur no liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine

and believed by it to be signed by the proper party or parties. The Owner Trustee may accept a certified copy of a resolution of the board of directors or other governing body of any entity as conclusive evidence that such resolution has been duly adopted by such body and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically prescribed herein, the Owner Trustee may for all purposes rely on an officer's certificate of the relevant party, as to such fact or matter, and such officer's certificate will constitute full protection to the Owner Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon. In the administration of the Trust, the Owner Trustee may, at the expense of the Trust (i) execute the trust or any of the powers hereof and perform its powers and duties hereunder directly or through agents or attorneys, and the Owner Trustee will not be liable for the default or misconduct of any agent or attorney selected by the Owner Trustee with reasonable care; and (ii) consult with counsel, accountants and other skilled persons to be selected with reasonable care and employed by it, and the Owner Trustee will not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons.

Section 6.06. Not Acting in Individual Capacity. Except as provided in this Article VI, in accepting the trust hereby created the Trustee Bank acts solely as Owner Trustee hereunder and not in its individual capacity; and all Persons having any claim against the Trust or the Owner Trustee, whether by reason of the transactions contemplated by this Agreement or otherwise, will look only to the Trust Estate (or a part thereof, as the case may be) for payment or satisfaction thereof, except as specifically provided in this Article VI.

Section 6.07. Representations and Warranties. The Trustee Bank, other than a Trustee Bank appointed as a co-trustee, hereby represents and warrants to the Beneficiary that:

(a) The Trustee Bank is a Delaware banking corporation duly organized and validly existing in good standing under the laws of the State of Delaware. The Trustee Bank has all requisite corporate power and authority to execute, deliver and perform its obligations under this Agreement.

(b) The Trustee Bank has taken all corporate action necessary to authorize the execution and delivery by it of this Agreement, and this Agreement will be executed and delivered by one of its officers who is duly authorized to execute and deliver this Agreement on its behalf.

(c) Neither the execution nor the delivery by it of this Agreement, the performance by it of its obligations under this Agreement, nor the consummation by it of the transactions contemplated hereby nor compliance by the Trustee Bank with any of the terms or provisions hereof will contravene any federal or Delaware law, governmental rule or regulation governing the banking or trust powers of the Owner Trustee or any judgment or order binding on the Trustee Bank, or constitute any default under its charter documents or by-laws or any indenture, mortgage, lease, license, contract, agreement or instrument to which the Trustee Bank is a party or by which the Trustee Bank or any of the Trustee Bank's properties may be bound.

(d) The Trustee Bank complies with all of the requirements of Chapter 38, Title 12 of the Delaware Code relating to the qualification of a trustee of a Delaware statutory trust.

## ARTICLE VII

### TERMINATION OF TRUST AGREEMENT

#### Section 7.01. Termination of Trust Agreement

(a) The Trust shall dissolve upon the final distribution by the Owner Trustee of all moneys or other property or proceeds of the Trust Estate in accordance with the Delaware Statutory Trust Act. Any money or other property held as part of the Trust Estate following such distribution shall be distributed to the Beneficiary. The bankruptcy, liquidation, dissolution, termination, death or incapacity of the Beneficiary shall not (x) operate to terminate this Agreement or the Trust, or (y) entitle the Beneficiary's legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of all or any part of the Trust or Trust Estate or (z) otherwise affect the rights, obligations and liabilities of the parties hereto.

(b) Except as provided in Section 7.01(a), the Beneficiary shall not be entitled to revoke or terminate the Trust.

(c) Upon the winding up of the Trust in accordance with the Delaware Statutory Trust Act, the Owner Trustee shall cause the Certificate of Trust to be canceled by filing a certificate of cancellation with the Secretary of State in accordance with the provisions of Section 3810 of the Delaware Statutory Trust Act and thereupon the Trust and this Agreement (other than Article XI) shall terminate.

## ARTICLE VIII

### SUCCESSOR OWNER TRUSTEES, CO-TRUSTEES AND SEPARATE OWNER TRUSTEES

Section 8.01. Resignation and Removal of the Owner Trustee: Appointment of Successors. Upon the occurrence of a Disqualification Event with respect to the Owner Trustee, the Beneficiary shall appoint a successor Owner Trustee by an instrument signed by the Beneficiary. If a successor Owner Trustee has not been appointed within 30 days after the giving of written notice of such resignation or the delivery of the written instrument with respect to such removal, the Owner Trustee or the Beneficiary may apply to any court of competent jurisdiction to appoint a successor Owner Trustee to act until such time, if any, as a successor Owner Trustee has been appointed as above provided. Any successor Owner Trustee so appointed by such court will immediately and, except as provided in Section 8.02 below, without further act be superseded by any successor Owner Trustee appointed as above provided within one year from the date of the appointment by such court. The Owner Trustee may resign at any time without cause by giving at least 30 days' prior written notice to the Beneficiary. No such removal or resignation shall become effective until a successor Owner Trustee, however

appointed, becomes vested as Owner Trustee hereunder pursuant to Section 8.02. The Beneficiary will notify the Note Rating Agencies promptly after the resignation or removal of the Owner Trustee and promptly after the appointment of a successor Owner Trustee.

Section 8.02. Transfer Procedures. Any successor Owner Trustee, however appointed, will execute and deliver to the predecessor Owner Trustee an instrument accepting such appointment, and such other documents of transfer as may be necessary, and thereupon such successor Owner Trustee, without further act, will become vested with all the estates, properties, rights, powers, duties and trust of the predecessor Owner Trustee in the trust hereunder with like effect as if originally named an Owner Trustee herein and the predecessor Owner Trustee will be fully discharged of its duties and obligations to serve as Owner Trustee hereunder. The predecessor Owner Trustee shall promptly deliver to the successor Owner Trustee all documents, statements and monies held by it under this Agreement. The successor Owner Trustee shall promptly file an amendment to the Certificate of Trust with the Secretary of State identifying the name and principal place of business of such successor Owner Trustee in the State of Delaware.

Section 8.03. Qualification of Owner Trustee. Any Owner Trustee will at all times (i) be a trust company or a banking corporation under the laws of its state of incorporation or a national banking association, having all corporate powers and all material governmental licenses, authorizations, consents and approvals required to carry on a trust business in the State of Delaware, (ii) comply with Section 3807 (and any other applicable Section) of the Delaware Statutory Trust Act, (iii) have a combined capital and surplus of not less than \$50,000,000 (or have its obligations and liabilities irrevocably and unconditionally guaranteed by an affiliated Person having a combined capital and surplus of at least \$50,000,000) and (iv) have (or have a parent which has) an unsecured debt rating of at least Baa3 by Moody's, at least BBB- by Standard & Poor's, and at least BBB by Fitch or, if not rated, otherwise satisfactory to each Note Rating Agency.

Section 8.04. Co-trustees and Separate Owner Trustees. Whenever the Owner Trustee or the Beneficiary shall deem it necessary or prudent in order either to conform to any law of any jurisdiction in which all or any part of the Trust Estate shall be situated or to make any claim or bring any suit with respect to the Trust Estate, or whenever the Owner Trustee or the Beneficiary shall be advised by counsel satisfactory to them that such action is necessary or prudent, the Owner Trustee and the Beneficiary shall execute and deliver an agreement supplemental hereto and all other instruments and agreements, and shall take all other actions, necessary or proper to appoint one or more Persons either as co-trustee or co-trustees jointly with the Owner Trustee of all or any part of the Trust Estate, or as a separate trustee or separate trustees of all or any part of the Trust Estate, and to vest in such Persons, in such capacity, such title to the Trust Estate or any part thereof, and such rights or duties, as may be necessary or desirable, all for such period and under such terms and conditions as are satisfactory to the Owner Trustee and the Beneficiary. In case a Disqualification Event shall occur with respect to any such co-trustee or separate trustee, the title to the Trust Estate and all rights and duties of such co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Owner Trustee, without the appointment of a successor to such co-trustee or separate trustee.

**ARTICLE IX**  
**AMENDMENTS**

Section 9.01. Amendments.

(a) This Agreement may be amended from time to time, by a written instrument executed by the Owner Trustee, at the written direction of the Beneficiary, and the Beneficiary, without the consent of the Indenture Trustee or any Noteholders, upon issuance of a Master Trust Tax Opinion and an Issuer Tax Opinion (each as defined in the Indenture), which shall not be expenses of the Owner Trustee or the Trustee Bank; provided, however, that the Trust shall deliver to the Indenture Trustee and the Owner Trustee an Officer's Certificate (as defined in the Indenture) to the effect that the Trust reasonably believes that such amendment will not have an Adverse Effect (as defined in the Indenture) and is not reasonably expected to have an Adverse Effect at any time in the future; provided further, however, that such amendment will not significantly change the activities of the Trust as set forth in Section 2.03. The Owner Trustee shall not be responsible for determining whether any such amendment to this Agreement will significantly change the activities of the Trust as set forth in Section 2.03.

(b) This Agreement may also be amended from time to time, by a written instrument executed by the Owner Trustee, at the written direction of the Beneficiary, and the Beneficiary, with prior written notice to each Note Rating Agency, upon issuance of a Master Trust Tax Opinion and an Issuer Tax Opinion and (A) in the case of a significant change to Section 2.03(a) which the Trust reasonably believes will not have an Adverse Effect (as defined in the Indenture), with the consent of holders of a majority of the Outstanding Dollar Principal Amount (as defined in the Indenture) of each series, class or tranche of Notes affected by such change, and (B) in all other cases, with the consent of holders of not less than 66⅔% of the Outstanding Dollar Principal Amount of each series, class or tranche of Notes affected by such change; provided, however, that, without the consent of the holders of all of the Notes then outstanding, no such amendment shall (a) increase or reduce in any manner the amount of, or accelerate or delay the timing of, collections of payments in respect of the Collateral Certificate or distributions that are required to be made for the benefit of the Noteholders or (b) reduce the aforesaid percentage of the Outstanding Dollar Principal Amount of the Notes, the holders of which are required to consent to any such amendment.

(c) Promptly after the execution of any such amendment or consent, the Beneficiary, on behalf of the Trust, shall furnish written notification of the substance of such amendment or consent to the Indenture Trustee and each Note Rating Agency.

(d) It shall not be necessary for the consent of the Noteholders pursuant to this Section to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof.

(e) Promptly after the execution of any amendment to the Certificate of Trust, the Owner Trustee shall cause the filing of such amendment with the Secretary of State.

(f) The Owner Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Officer's Certificate of the Trust to the effect that the conditions to such amendment have been satisfied. The Owner Trustee may, but shall not be obligated to, enter into any such amendment which affects the Owner Trustee's own rights, duties or immunities under this Agreement or otherwise.

## ARTICLE X

### OWNERSHIP INTERESTS AND CERTIFICATES

Section 10.01. Issuance of Trust Certificates. (a) Promptly following the execution and delivery of this Agreement, the Owner Trustee on behalf of the Trust will issue and deliver to the Beneficiary a certificate of beneficial ownership of the Trust Estate substantially in the form of Exhibit A hereto (the "Trust Certificate") evidencing the Beneficiary's beneficial interest (the "Ownership Interest") in the Trust. The Beneficiary, in its capacity as the holder of the Trust Certificate, (i) shall be the sole beneficial owner of the Trust and (ii) shall be bound by the provisions of this Agreement.

(b) Concurrently with the initial assignment of the Collateral Certificate to the Trust, the Owner Trustee shall cause a single Trust Certificate to be executed on behalf of the Trust, authenticated and delivered to or upon the written order of the Transferor, signed by any Vice President or more senior officer of the Transferor, without further corporate action by the Transferor. The Trust Certificate shall not entitle its holder to any benefit under this Agreement, or be valid for any purpose, unless there shall appear on the Trust Certificate a certificate of authentication substantially in the form set forth in Exhibit A, executed by the Owner Trustee or the Owner Trustee's authentication agent, by manual signature; such authentication shall constitute conclusive evidence that the Trust Certificate shall have been duly authenticated and delivered hereunder. A Trust Certificate bearing the manual signature of an individual who was, at the time when such signature was affixed, an authorized officer will bind the Trust, notwithstanding that such individual has ceased to be so authorized prior to the delivery of such Trust Certificate. The Trust Certificate will be dated the date of its authentication.

(c) The Beneficiary will be entitled to all rights provided to it under this Agreement and in the Trust Certificate and will be subject to the terms and conditions contained in this Agreement and in the Trust Certificate.

(d) The Owner Trustee will maintain at its office referred to in Section 2.08, or at the office of any agent appointed by it and approved in writing by the Beneficiary, a register for the registration of the Trust Certificate. Such register will show the name and address of the holder of the Trust Certificate, and the Owner Trustee will treat such register as definitive and binding for all purposes hereunder.

(e) When the Trust Certificate is duly executed and issued by the Trust and duly authenticated by the Owner Trustee in accordance with this Agreement, the Trust Certificate will be fully paid, validly issued, non-assessable and entitled to the benefits of this Agreement.

Section 10.02. Beneficial Interest: Prohibitions on Transfer. (a) The Ownership Interest will initially be beneficially owned by FIA. Transfers of the Ownership Interest and the Trust Certificate may be made between FIA and any other Person who is an Affiliate of FIA (a "Permitted Affiliate Transferee") upon delivery to the Master Trust Trustee and the Owner Trustee of a Master Trust Tax Opinion and an Issuer Tax Opinion, respectively, with respect to such transfer. The Beneficiary may not sell, participate, transfer, assign, exchange or otherwise pledge or convey all or any part of its right, title and interest in and to the Trust Certificate or its Ownership Interest to any other Person, except (i) to any Permitted Affiliate Transferee, or (ii) to the extent a corresponding transfer of the Collateral Certificate would be permitted by the Pooling and Servicing Agreement. Any purported transfer by the Beneficiary of all or any part of its right, title and interest in and to the Trust Certificate to any Person will be effective only upon the issuance of a Master Trust Tax Opinion and an Issuer Tax Opinion (each as defined in the Indenture), which will not be an expense of the Owner Trustee or the Trustee Bank. Any purported transfer by the Beneficiary of all or any part of its right, title and interest in and to the Trust Certificate which is not in compliance with the terms of this Section 10.02 will be null and void.

(b) The Trust Certificate will bear a legend setting forth the restriction on the transferability of the Ownership Interest substantially as follows:

"THIS CERTIFICATE MAY NOT BE TRANSFERRED, ASSIGNED, EXCHANGED OR OTHERWISE PLEDGED OR CONVEYED EXCEPT IN COMPLIANCE WITH THE TERMS OF THE TRUST AGREEMENT REFERRED TO BELOW. IN ADDITION, THE BENEFICIAL INTEREST IN THE TRUST REPRESENTED BY THIS CERTIFICATE HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT") OR ANY STATE SECURITIES LAWS AND MAY NOT BE DIRECTLY OR INDIRECTLY OFFERED OR SOLD OR OTHERWISE DISPOSED OF BY THE HOLDER HEREOF UNLESS SUCH TRANSACTION IS EXEMPT FROM REGISTRATION UNDER THE SECURITIES ACT, THE INVESTMENT COMPANY ACT OF 1940, AS AMENDED AND APPLICABLE STATE SECURITIES LAWS."

(c) The Owner Trustee shall not be required to ascertain whether any purported transfer of the Ownership Interest and the Trust Certificate complies with the Securities Act.

Section 10.03. Lost or Destroyed Trust Certificate. If the Trust Certificate shall become mutilated, destroyed, lost or stolen, the Owner Trustee on behalf of the Trust will, upon the written request of the Beneficiary, and compliance with all applicable terms of this paragraph, execute and deliver to such holder in replacement thereof a new Trust Certificate dated the same date as on the Trust Certificate so mutilated, destroyed, lost or stolen. If the Trust Certificate being replaced has been mutilated, destroyed, lost or stolen, the Beneficiary will furnish to the Owner Trustee such security or indemnity as may be required by the Owner Trustee to save the Owner Trustee harmless from any damage, loss or liability in connection with such Trust Certificate, and the Owner Trustee may require from the Beneficiary payment of a

sum to reimburse the Owner Trustee for, or to provide funds for, the payment of any costs, fees and expenses and any tax or other governmental charge in connection therewith and any charges paid or payable by the Owner Trustee.

## ARTICLE XI

### COMPENSATION OF TRUSTEE BANK AND INDEMNIFICATION

Section 11.01. Trustee Bank Fees and Expenses. The Transferor will pay to the Trustee Bank all fees and other charges described in a separate fee agreement dated as of the date hereof between the Transferor and the Trustee Bank promptly when due thereunder and reimburse the Trustee Bank for all other reasonable out-of-pocket costs and expenses (including reasonable fees and expenses of counsel) incurred by it in connection with its acting as Owner Trustee of the Trust.

Section 11.02. Indemnification. To the fullest extent permitted by law, the Transferor hereby agrees, whether or not any of the transactions contemplated by this Agreement will be consummated, to assume liability for, and hereby indemnifies, protects, saves and keeps harmless the Trustee Bank and its officers, directors, successors, assigns, legal representatives, agents and servants (each an "Indemnified Person"), from and against any and all liabilities, obligations, losses, damages, penalties, taxes, claims, actions, investigations, proceedings, costs, expenses or disbursements (including reasonable legal fees and expenses) of any kind and nature whatsoever which may be imposed on, incurred by or asserted at any time against an Indemnified Person (whether or not also indemnified against by any other person) in any way relating to or arising out of this Agreement or any other related documents or the enforcement of any of the terms of any thereof, the administration of the Trust Estate or the action or inaction of the Owner Trustee, or the Trustee Bank under this Agreement, and the manufacture, purchase, acceptance, nonacceptance, rejection, ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of any property (including any strict liability, any liability without fault and any latent and other defects, whether or not discoverable), except, in any such case, to the extent that any such liabilities, obligations, losses, damages, penalties, taxes, claims, actions, investigations, proceedings, costs, expenses and disbursements are the result of any of the matters described in the third sentence of Section 6.01; provided, however, that the Transferor shall not be liable for or required to indemnify an Indemnified Person from and against expenses arising or resulting from (i) the Indemnified Party's own willful misconduct, bad faith or negligence, or (ii) the inaccuracy of any representation or warranty contained in Section 6.07 made by the Indemnified Person.

In case any such action, investigation or proceeding will be brought involving an Indemnified Person, the Transferor will assume the defense thereof, including the employment of counsel and the payment of all expenses. The Trustee Bank will have the right to employ separate counsel in any such action, investigation or proceeding and to participate in the defense thereof and the reasonable counsel fees and expenses of such counsel will be paid by the Transferor. In the event of any claim, action or proceeding for which indemnity will be sought pursuant to this Section 11.02, the Trustee Bank's choice of legal counsel shall be subject to the approval of the Beneficiary, which approval shall not be unreasonably withheld.

action embodied therein and evidenced thereby) are herein sometimes referred to as the “Act” of the Noteholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent will be sufficient for any purpose of this Indenture and (subject to Section 801) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness to such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or a member of a partnership, on behalf of such corporation or partnership, such certificate or affidavit will also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may also be proved in any other manner which the Indenture Trustee deems sufficient.

(c) (i) The ownership of Registered Notes will be proved by the Note Register.

(ii) The ownership of Bearer Notes or coupons will be proved by the production of such Bearer Notes or coupons or by a certificate, satisfactory to the Issuer, executed by any bank, trust company or recognized securities dealer, wherever situated, satisfactory to the Issuer. Each such certificate will be dated and will state that on the date thereof a Bearer Note or coupon bearing a specified serial number was deposited with or exhibited to such bank, trust company or recognized securities dealer by the Person named in such certificate. Any such certificate may be issued in respect of one or more Bearer Notes or coupons specified therein. The holding by the Person named in any such certificate of any Bearer Note specified therein will be presumed to continue for a period of one year from the date of such certificate unless at the time of any determination of such holding (A) another certificate bearing a later date issued in respect of the same Bearer Note or coupon produced, (B) the Bearer Note or coupon specified in such certificate is produced by some other Person or (C) the Bearer Note or coupon specified in such certificate has ceased to be Outstanding.

(d) If the Issuer will solicit from the Holders any action, the Issuer may, at its option, by an Officer’s Certificate, fix in advance a record date for the determination of Holders entitled to give such action, but the Issuer will have no obligation to do so. If the Issuer does not so fix a record date, such record date will be the later of thirty (30) days before the first solicitation of such action or the date of the most recent list of Noteholders furnished to the Indenture Trustee pursuant to Section 901 before such solicitation. Such action may be given before or after the record date, but only the Holders of record at the close of business on the record date will be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of Notes Outstanding have authorized or agreed or consented to such action, and for that purpose the Notes Outstanding will be computed as of the record date; provided that no such authorization, agreement or consent by the Holders on the record date will be deemed effective unless it will become effective pursuant to the provisions of this Indenture not later than six months after the record date.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note will bind the Holder of every Note issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon whether or not notation of such action is made upon such Note.

Section 105. Notices, etc., to Indenture Trustee and Issuer. Any action of Noteholders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(a) the Indenture Trustee by any Noteholder or by the Issuer will be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Indenture Trustee at its Corporate Trust Office, or

(b) the Issuer by the Indenture Trustee or by any Noteholder will be sufficient for every purpose hereunder (except as provided in Section 701(c)) if in writing and mailed, first-class postage prepaid, to the Issuer addressed to it at the address of its principal office specified in the first paragraph of this Indenture or at any other address previously furnished in writing to the Indenture Trustee by the Issuer.

Section 106. Notices to Noteholders: Waiver.

(a) Where this Indenture, any Indenture Supplement or any Registered Note provides for notice to Registered Noteholders of any event, such notice will be sufficiently given (unless otherwise herein, in such Indenture Supplement or in such Registered Note expressly provided) if in writing and mailed, first-class postage prepaid, sent by facsimile, sent by electronic transmission or personally delivered to each Holder of Registered Note affected by such event, at such Noteholder's address as it appears in the Note Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Registered Noteholders is given by mail, facsimile, electronic transmission or delivery neither the failure to mail, send by facsimile, electronic transmission or deliver such notice, nor any defect in any notice so mailed, to any particular Noteholders will affect the sufficiency of such notice with respect to other Noteholders and any notice that is mailed, sent by facsimile, electronic transmission or delivered in the manner herein provided shall conclusively have been presumed to have been duly given.

Where this Indenture, any Indenture Supplement or any Registered Note provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver will be the equivalent of such notice. Waivers of notice by Registered Noteholders will be filed with the Indenture Trustee, but such filing will not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(b) In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or otherwise, it will be impractical to mail notice of any event to any Holder of a Registered Note when such notice is required to be given pursuant to any provision of this Indenture, then any method of notification as will be satisfactory to the Indenture Trustee and the Issuer will be deemed to be a sufficient giving of such notice.

(c) No notice will be given by mail, facsimile, electronic transmission or otherwise delivered to a Holder of Bearer Notes or coupons in bearer form. In the case of any tranche with respect to which any Bearer Notes are Outstanding, any notice required or permitted to be given to Holders of such Bearer Notes will be published in an Authorized Newspaper within the time period prescribed in this Indenture or the applicable Indenture Supplement.

(d) With respect to any tranche of Notes, the applicable Indenture Supplement may specify different or additional means of giving notice to the Holders of the Notes of such tranche.

(e) Where this Indenture provides for notice to any Note Rating Agency, failure to give such notice will not affect any other rights or obligations created hereunder and will not under any circumstance constitute an Adverse Effect.

Section 107. Conflict with Trust Indenture Act. If and to the extent that any provision of this Indenture limits, qualifies or conflicts with the duties imposed by, or with another provision (an “incorporated provision”) included in this Indenture by operation of, Sections 310 to 318, inclusive, of the Trust Indenture Act, such imposed duties or incorporated provision will control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision will be deemed to apply to this Indenture as so modified or excluded, as the case may be.

Section 108. Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents are for convenience only and will not affect the construction hereof.

Section 109. Successors and Assigns. All covenants and agreements in this Indenture by the Issuer will bind its successors and assigns, whether so expressed or not. All covenants and agreements of the Indenture Trustee in this Indenture shall bind its successors, co-trustees and agents of the Indenture Trustee.

Section 110. Separability. In case any provision in this Indenture or in the Notes will be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 111. Benefits of Indenture. Nothing in this Indenture or in any Notes, express or implied, will give to any Person, other than the parties hereto and their successors hereunder, any Authenticating Agent or Paying Agent, the Note Registrar, Derivative Counterparties (to the extent specified in the applicable Derivative Agreement) and the Holders of Notes (or such of them as may be affected thereby), any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 112. Governing Law; Submission to Jurisdiction; Agent for Service of Process. This Indenture shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to principles of conflict of laws. The parties hereto declare that it is their intention that this Indenture shall be regarded as made under the laws of the State of Delaware and that the laws of said State shall be applied in interpreting its provisions in all cases where legal interpretation shall be required. Each of the parties hereto agrees (a) that this Indenture involves at least \$100,000.00, and (b) that this Indenture has been entered into by the

---

parties hereto in express reliance upon 6 DEL. C. § 2708. Each of the parties hereto hereby irrevocably and unconditionally agrees (a) to be subject to the jurisdiction of the courts of the State of Delaware and of the federal courts sitting in the State of Delaware, and (b)(1) to the extent such party is not otherwise subject to service of process in the State of Delaware, to appoint and maintain an agent in the State of Delaware as such party's agent for acceptance of legal process, and (2) that, to the fullest extent permitted by applicable law, service of process may also be made on such party by prepaid certified mail with a proof of mailing receipt validated by the United States Postal Service constituting evidence of valid service, and that service made pursuant to (b)(1) or (2) above shall, to the fullest extent permitted by applicable law, have the same legal force and effect as if served upon such party personally within the State of Delaware.

Section 113. Counterparts. This Indenture may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute but one and the same instrument.

Section 114. Indenture Referred to in the Trust Agreement This is the Indenture referred to in the Trust Agreement.

Section 115. Legal Holidays. In any case where the date on which any payment is due shall not be a Business Day, then (notwithstanding any other provision of the Notes or this Indenture) payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date on which nominally due, and no interest shall accrue for the period from and after any such nominal date.

The definitive Notes will be typewritten, printed, lithographed or engraved or produced by any combination of these methods (with or without steel engraved borders) or may be produced in any other manner, all as determined by the Issuer, as evidenced by the Issuer's execution of such Notes, subject, with respect to the Notes of any series, class or tranche, to the rules of any securities exchange on which such Notes are listed.

Section 202. Forms of Notes. Each Note will be in one of the forms approved from time to time by or pursuant to an Indenture Supplement. Before the delivery of a Note to the Indenture Trustee for authentication in any form approved by or pursuant to an Issuer Certificate, the Issuer will deliver to the Indenture Trustee the Issuer Certificate by or pursuant to which such form of Note has been approved, which Issuer Certificate will have attached thereto a true and correct copy of the form of Note which has been approved thereby or, if an Issuer Certificate authorizes a specific officer or officers of the Beneficiary to approve a form of Note, a certificate of such officer or officers approving the form of Note attached thereto. Any form of Note approved by or pursuant to an Issuer Certificate must be acceptable as to form to the Indenture Trustee, such acceptance to be evidenced by the Indenture Trustee's authentication of Notes in that form or a certificate signed by an Indenture Trustee Authorized Officer and delivered to the Issuer.

Section 203. Form of Indenture Trustee's Certificate of Authentication. The form of Indenture Trustee's Certificate of Authentication for any Note issued pursuant to this Indenture will be substantially as follows:

Section 204. Notes Issuable in the Form of a Global Note

(a) If the Issuer establishes pursuant to Sections 202 and 301 that the Notes of a particular series, class or tranche are to be issued in whole or in part in the form of one or more Global Notes, then the Issuer will execute and the Indenture Trustee or its agent will, in accordance with Section 303 and the Issuer Certificate delivered to the Indenture Trustee or its agent thereunder, authenticate and deliver, such Global Note or Notes, which, unless otherwise provided in the applicable Indenture Supplement (i) will represent, and will be denominated in an amount equal to the aggregate Stated Principal Amount (or in the case of Discount Notes, the aggregate Stated Principal Amount at the Expected Principal Payment Date of such Notes) of the Outstanding Notes of such series, class or tranche to be represented by such Global Note or Notes, or such portion thereof as the Issuer will specify in an Issuer Certificate, (ii) in the case of Registered Notes, will be registered in the name of the Depository for such Global Note or Notes or its nominee, (iii) will be delivered by the Indenture Trustee or its agent to the Depository or pursuant to the Depository's instruction, (iv) if applicable, will bear a legend substantially to the following effect: "Unless this Note is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Issuer or its agent for registration of transfer, exchange or payment, and any note issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest herein" and (v) may bear such other legend as the Issuer, upon advice of counsel, deems to be applicable.

(b) Notwithstanding any other provisions of this Section 204 or of Section 305, and subject to the provisions of paragraph (c) below, unless the terms of a Global Note or the applicable Indenture Supplement expressly permit such Global Note to be exchanged in whole or in part for individual Notes, a Global Note may be transferred, in whole but not in part and in the manner provided in Section 305, only to a nominee of the Depository for such Global Note, or to the Depository, or a successor Depository for such Global Note selected or approved by the Issuer, or to a nominee of such successor Depository.

(c) With respect to Notes issued within the United States, unless otherwise specified in the applicable Indenture Supplement, or with respect to Notes issued outside the United States, if specified in the applicable Indenture Supplement:

(i) If at any time the Depository for a Global Note notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or if at any time the Depository for the Notes for such series, class or tranche ceases to be a clearing agency registered under the Securities Exchange Act, or other applicable statute or regulation, the Issuer will appoint a successor Depository with respect to such Global Note. If a successor Depository for such Global Note is not appointed by the Issuer within ninety (90) days after the Issuer receives such notice or becomes aware of such ineligibility, the Issuer will execute, and the Indenture Trustee or its agent, upon receipt of an Issuer Certificate requesting the authentication and delivery of individual Notes of such series, class or tranche in exchange for such Global Note, will authenticate and deliver, individual Notes of such series, class or tranche of like tenor and terms in an aggregate Stated Principal Amount equal to the Stated Principal Amount of the Global Note in exchange for such Global Note.

(ii) The Issuer may at any time and in its sole discretion determine that the Notes of any series, class or tranche or portion thereof issued or issuable in the form of one or more Global Notes will no longer be represented by such Global Note or Notes. In such event the Issuer will execute, and the Indenture Trustee, upon receipt of an Issuer Request for the authentication and delivery of individual Notes of such series, class or tranche in exchange in whole or in part for such Global Note, will authenticate and deliver individual Notes of such series, class or tranche of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of such Global Note or Notes representing such series, class or tranche or portion thereof in exchange for such Global Note or Notes.

(iii) If specified by the Issuer pursuant to Sections 202 and 301 with respect to Notes issued or issuable in the form of a Global Note, the Depository for such Global Note may surrender such Global Note in exchange in whole or in part for individual Notes of such series, class or tranche of like tenor and terms in definitive form on such terms as are acceptable to the Issuer and such Depository. Thereupon the Issuer will execute, and the Indenture Trustee or its agent will authenticate and deliver, without service charge, (A) to each Person specified by such Depository a new Note or Notes of the same series, class or tranche of like tenor and terms and of any authorized denomination as requested by such Person in aggregate Stated Principal Amount equal to and in exchange for such Person's beneficial interest in the Global Note; and (B) to such Depository a new Global Note of like tenor and terms and in an authorized denomination equal to the difference, if any, between the Stated Principal Amount of the surrendered Global Note and the aggregate Stated Principal Amount of Notes delivered to the Holders thereof.

(iv) If any Event of Default has occurred with respect to such Global Notes, and Holders of Notes evidencing not less than 50% of the unpaid Outstanding Dollar Principal Amount of the Global Notes of that tranche advise the Indenture Trustee and the Depository that a Global Note is no longer in the best interest of the Noteholders,

the Holders of Global Notes of that tranche may exchange such Notes for individual Notes.

(v) In any exchange provided for in any of the preceding three paragraphs, the Issuer will execute and the Indenture Trustee or its agent will authenticate and deliver individual Notes in definitive registered form in authorized denominations. Upon the exchange of the entire Stated Principal Amount of a Global Note for individual Notes, such Global Note will be canceled by the Indenture Trustee or its agent. Except as provided in the preceding paragraphs, Notes issued in exchange for a Global Note pursuant to this Section will be registered in such names and in such authorized denominations as the Depository for such Global Note, pursuant to instructions from its direct or indirect participants or otherwise, will instruct the Indenture Trustee or the Note Registrar. The Indenture Trustee or the Note Registrar will deliver such Notes to the Persons in whose names such Notes are so registered.

Section 205. Temporary Global Notes and Permanent Global Notes

(a) If specified in the applicable Indenture Supplement for any tranche, all or any portion of a Global Note may initially be issued in the form of a single temporary Global Bearer Note or Registered Note (the "Temporary Global Note"), without interest coupons, in the denomination of the entire aggregate principal amount of such tranche and substantially in the form set forth in the exhibit with respect thereto attached to the applicable Indenture Supplement. The Temporary Global Note will be authenticated by the Indenture Trustee upon the same conditions, in substantially the same manner and with the same effect as the Notes in definitive form. The Temporary Global Note may be exchanged as described below or in the applicable Indenture Supplement for permanent global Bearer Notes or Registered Notes (the "Permanent Global Notes").

(b) Unless otherwise provided in the applicable Indenture Supplement, exchanges of beneficial interests in Temporary Global Notes for beneficial interests in Permanent Global Notes will be made as provided in this clause. The Beneficiary will, upon its determination of the date of completion of the distribution of the Notes of such tranche, so advise the Indenture Trustee, the Issuer, the Foreign Depository, and each foreign clearing agency forthwith. Without unnecessary delay, but in any event not prior to the Exchange Date, the Issuer will execute and deliver to the Indenture Trustee at its London office or its designated agent outside the United States Permanent Global Notes in bearer or registered form (as specified in the applicable Indenture Supplement) in an aggregate principal amount equal to the entire aggregate principal amount of such tranche. Bearer Notes so issued and delivered may have coupons attached. The Temporary Global Note may be exchanged for an equal aggregate principal amount of Permanent Global Notes only on or after the Exchange Date. A United States Person may exchange the portion of the Temporary Global Note beneficially owned by it only for an equal aggregate principal amount of Permanent Global Notes in registered form bearing the applicable legend set forth in the form of Registered Note attached to the applicable Indenture Supplement and having a minimum denomination of \$500,000, which may be in temporary form if the Issuer so elects. The Issuer may waive the \$500,000 minimum denomination requirement if it so elects. Upon any demand for exchange for Permanent Global Notes in accordance with this clause, the Issuer will cause the Indenture Trustee to authenticate and deliver the Permanent Global Notes to the Holder (x) outside the United States, in the case of

Bearer Notes and (y) according to the instructions of the Holder, in the case of Registered Notes, but in either case only upon presentation to the Indenture Trustee of a written statement substantially in the form of Exhibit D-1 (or such other form as the Issuer may determine) with respect to the Temporary Global Note, or portion thereof being exchanged, signed by a foreign clearing agency and dated on the Exchange Date or a subsequent date, to the effect that it has received in writing or by tested telex a certification substantially in the form of (i) in the case of beneficial ownership of the Temporary Global Note, or a portion thereof being exchanged, by a United States institutional investor pursuant to this clause, the certificate in the form of Exhibit D-2 (or such other form as the Issuer may determine) signed by the Beneficiary which sold the relevant Notes or (ii) in all other cases, the certificate in the form of Exhibit D-3 (or such other form as the Issuer may determine), the certificate referred to in this clause (ii) being dated on the earlier of the first payment of interest in respect of such Note and the date of the delivery of such Note in definitive form. Upon receipt of such certification, the Indenture Trustee will cause the Temporary Global Note to be endorsed in accordance with clause (d). Any exchange as provided in this Section will be made free of charge to the Holders and the beneficial owners of the Temporary Global Note and to the beneficial owners of the Permanent Global Note issued in exchange, except that a person receiving the Permanent Global Note must bear the cost of insurance, postage, transportation and the like in the event that such Person does not receive such Permanent Global Note in person at the offices of a foreign clearing agency.

(c) The delivery to the Indenture Trustee by a foreign clearing agency of any written statement referred to above may be relied upon by the Issuer and the Indenture Trustee as conclusive evidence that a corresponding certification or certifications has or have been delivered to such foreign clearing agency pursuant to the terms of this Indenture.

(d) Upon any such exchange of all or a portion of the Temporary Global Note for a Permanent Global Note or Notes, such Temporary Global Note will be endorsed by or on behalf of the Indenture Trustee to reflect the reduction of its principal amount by an amount equal to the aggregate principal amount of such Permanent Global Note or Notes. Until so exchanged in full, such Temporary Global Note will in all respects be entitled to the same benefits under this Indenture as Permanent Global Notes authenticated and delivered hereunder except that the beneficial owners of such Temporary Global Note will not be entitled to receive payments of interests on the Notes until they have exchanged their beneficial interests in such Temporary Global Note for Permanent Global Notes.

Section 206, Beneficial Ownership of Global Notes Until definitive Notes have been issued to the applicable Noteholders pursuant to Section 204 or as otherwise specified in any applicable Indenture Supplement:

(a) the Issuer and the Indenture Trustee may deal with the applicable clearing agency and the clearing agency's participants for all purposes (including the making of distributions) as the authorized representatives of the respective Note Owners; and

(b) the rights of the respective Note Owners will be exercised only through the applicable clearing agency and the clearing agency's participants and will be limited to those established by law and agreements between such Note Owners and the clearing agency and/or the clearing agency's participants. Pursuant to the operating rules of the applicable clearing agency, unless and until Notes in definitive form are issued pursuant to Section 204, the clearing

---

agency will make book-entry transfers among the clearing agency's participants and receive and transmit distributions of principal and interest on the related Notes to such clearing agency's participants.

For purposes of any provision of this Indenture requiring or permitting actions with the consent of, or at the direction of, Noteholders evidencing a specified percentage of the aggregate unpaid principal amount of Outstanding Notes, such direction or consent may be given by Note Owners (acting through the clearing agency and the clearing agency's participants) owning interests in Notes evidencing the requisite percentage of principal amount of Notes.

Section 207. Notices to Depository. Whenever any notice or other communication is required to be given to Noteholders with respect to which book-entry Notes have been issued, unless and until Notes in definitive form will have been issued to the related Note Owners, the Indenture Trustee will give all such notices and communications to the applicable Depository.

The Notes of each tranche will be issuable in such denominations and currency as will be provided in the provisions of this Indenture or in or pursuant to the applicable Indenture Supplement. In the absence of any such provisions with respect to the Registered Notes of any tranche, the Registered Notes of that tranche will be issued in denominations of \$1,000 and multiples thereof. In the absence of any such provisions with respect to the Bearer Notes of any tranche, the Bearer Notes of that tranche will be issued in denominations of 1,000, 5,000, 50,000 and 100,000 units of the applicable currency.

Section 303. Execution, Authentication and Delivery and Dating

(a) The Notes will be executed on behalf of the Issuer by an Issuer Authorized Officer. The signature of any officer of the Beneficiary or the Owner Trustee on the Notes may be manual or facsimile.

(b) Notes bearing the manual or facsimile signatures of individuals who were at any time an Issuer Authorized Officer will bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices before the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes executed by the Issuer to the Indenture Trustee for authentication; and the Indenture Trustee will, upon request by an Officer's Certificate, authenticate and deliver such Notes as in this Indenture provided and not otherwise.

(d) Before any such authentication and delivery, the Indenture Trustee will be entitled to receive, in addition to any Officer's Certificate and Opinion of Counsel required to be furnished to the Indenture Trustee pursuant to Section 102, the Issuer Certificate and any other opinion or certificate relating to the issuance of the tranche of Notes required to be furnished pursuant to Section 202 or Section 310.

(e) The Indenture Trustee will not be required to authenticate such Notes if the issue thereof will adversely affect the Indenture Trustee's own rights, duties or immunities under the Notes and this Indenture.

(f) Unless otherwise provided in the form of Note for any tranche, all Notes will be dated the date of their authentication.

(g) No Note will be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Indenture Trustee by manual signature of an authorized signatory, and such certificate upon any Note will be conclusive

evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 304. Temporary Notes.

(a) Pending the preparation of definitive Notes of any tranche, the Issuer may execute, and, upon receipt of the documents required by Section 303, together with an Officer's Certificate, the Indenture Trustee will authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Issuer may determine, as evidenced by the Issuer's execution of such Notes.

(b) If temporary Notes of any tranche are issued, the Issuer will cause definitive Notes of such tranche to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes of such tranche will be exchangeable for definitive Notes of such tranche upon surrender of the temporary Notes of such tranche at the office or agency of the Issuer in a Place of Payment, without charge to the Holder; and upon surrender for cancellation of any one or more temporary Notes the Issuer will execute and the Indenture Trustee will authenticate and deliver in exchange therefor a like Stated Principal Amount of definitive Notes of such tranche of authorized denominations and of like tenor and terms. Until so exchanged the temporary Notes of such tranche will in all respects be entitled to the same benefits under this Indenture as definitive Notes of such tranche.

Section 305. Registration, Transfer and Exchange.

(a) The Issuer will keep or cause to be kept a register (herein sometimes referred to as the "Note Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer will provide for the registration of Registered Notes, or of Registered Notes of a particular tranche, and for transfers of Registered Notes or of Registered Notes of such tranche. Any such register will be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times the information contained in such register or registers will be available for inspection by the Indenture Trustee at the office or agency to be maintained by the Issuer as provided in Section 1102.

(b) Subject to Section 204, upon surrender for transfer of any Registered Note of any tranche at the office or agency of the Issuer in a Place of Payment, if the requirements of Section 8-401(a) of the UCC are met, the Issuer will execute, and, upon receipt of such surrendered note, the Indenture Trustee will authenticate and deliver, in the name of the designated transferee or transferees, one or more new Registered Notes of such tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Expected Principal Payment Date and Legal Maturity Date and of like terms.

(c) Subject to Section 204, at the option of the Holder, Notes of any tranche may be exchanged for other Notes of such tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Expected Principal Payment Date and Legal Maturity Date and of like terms, upon surrender of the Notes to be exchanged at such office or agency. Registered Notes, including Registered Notes received in exchange for Bearer Notes, may not be

exchanged for Bearer Notes. At the option of the Holder of a Bearer Note, subject to applicable laws and regulations, Bearer Notes may be exchanged for other Bearer Notes or Registered Notes (of the same class and tranche) of authorized denominations of like aggregate fractional undivided interests in the Noteholders' interest, upon surrender of the Bearer Notes to be exchanged at an office or agency of the Note Registrar located outside the United States. Each Bearer Note surrendered pursuant to this Section will have attached thereto all unmatured coupons; provided, however, that any Bearer Note, so surrendered after the close of business on the last day of the month preceding the relevant Payment Date need not have attached the coupon relating to such Payment Date. Whenever any Notes are so surrendered for exchange, the Issuer will execute, and the Trustee will authenticate and deliver (in the case of Bearer Notes, outside the United States), the Notes which the Noteholders making the exchange are entitled to receive.

(d) All Notes issued upon any transfer or exchange of Notes will be the valid and legally binding obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(e) Every Note presented or surrendered for transfer or exchange will (if so required by the Issuer or the Indenture Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Note Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

(f) Unless otherwise provided in the Note to be transferred or exchanged, no service charge will be made on any Noteholder for any transfer or exchange of Notes, but the Issuer may (unless otherwise provided in such Note) require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Notes, other than exchanges pursuant to Section 304 or 1006 not involving any transfer.

(g) None of the Issuer, the Indenture Trustee, any agent of the Indenture Trustee, any Paying Agent or the Note Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(h) The Issuer initially appoints The Bank of New York, to act as Note Registrar for the Registered Notes on its behalf. The Issuer may at any time and from time to time authorize any Person to act as Note Registrar in place of the Indenture Trustee with respect to any tranche of Notes issued under this Indenture.

(i) Registration of transfer of Notes containing the following legend or to which the following legend is applicable:

THIS NOTE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"). NEITHER THIS NOTE NOR ANY PORTION HEREOF MAY BE OFFERED OR SOLD EXCEPT IN COMPLIANCE WITH THE REGISTRATION PROVISIONS OF THE SECURITIES ACT AND ANY APPLICABLE PROVISIONS OF ANY STATE BLUE SKY OR SECURITIES LAWS OR PURSUANT TO AN AVAILABLE

EXEMPTION FROM SUCH REGISTRATION PROVISIONS. THE TRANSFER OF THIS NOTE IS SUBJECT TO CERTAIN CONDITIONS SET FORTH IN THE INDENTURE REFERRED TO HEREIN.”

will be effected only if such transfer is made pursuant to an effective registration statement under the Securities Act, or is exempt from the registration requirements under the Securities Act. In the event that registration of a transfer is to be made in reliance upon an exemption from the registration requirements under the Securities Act other than Rule 144A under the Securities Act or Rule 903 or Rule 904 of Regulation S under the Securities Act, the transferor or the transferee will deliver, at its expense, to the Issuer and the Indenture Trustee, an investment letter from the transferee, substantially in the form of the investment letter attached hereto as Exhibit C or such other form as the Issuer may determine, and no registration of transfer will be made until such letter is so delivered.

Notes issued upon registration or transfer of, or Notes issued in exchange for, Notes bearing the legend referred to above will also bear such legend unless the Issuer, the Trustee and the Note Registrar receive an Opinion of Counsel, satisfactory to each of them, to the effect that such legend may be removed.

Whenever a Note containing the legend referred to above is presented to the Note Registrar for registration of transfer, the Note Registrar will promptly seek instructions from the Issuer regarding such transfer and will be entitled to receive an Issuer Certificate prior to registering any such transfer. The Issuer hereby agrees to indemnify the Note Registrar and the Indenture Trustee and to hold each of them harmless against any loss, liability or expense incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by them in relation to any such instructions furnished pursuant to this clause.

Section 306. Mutilated, Destroyed, Lost and Stolen Notes.

(a) If (i) any mutilated Note (together, in the case of Bearer Notes, with all unmatured coupons, if any, appertaining thereto) is surrendered to the Indenture Trustee, or the Issuer and the Indenture Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Issuer and the Indenture Trustee such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Indenture Trustee that such Note has been acquired by a protected purchaser, the Issuer will execute and upon its request the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside the United States), in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of like tenor, series, class or tranche, Expected Principal Payment Date, Legal Maturity Date and Stated Principal Amount, bearing a number not contemporaneously Outstanding.

(b) In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

(c) Upon the issuance of any new Note under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may

---

be imposed in relation thereto and any other expenses (including the fees and expenses of the Indenture Trustee) connected therewith.

(d) Every new Note issued pursuant to this Section in lieu of any destroyed, lost or stolen Note will constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Note will be at any time enforceable by anyone, and will be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same series, class or tranche duly issued hereunder.

(e) The provisions of this Section are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 307. Payment of Interest: Interest Rights Preserved

(a) Unless otherwise provided with respect to such Note pursuant to Section 301, interest payable on any Registered Note will be paid to the Person in whose name that Note (or one or more Predecessor Notes) is registered at the close of business on the most recent Record Date and interest payable on any Bearer Note will be paid to the bearer of that Note (or the applicable coupon).

(b) Subject to clause (a), each Note delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Note will carry the rights to interest accrued or principal accreted and unpaid, and to accrue or accrete, which were carried by such other Note.

Section 308. Persons Deemed Owners. The Issuer, the Indenture Trustee, the Owner Trustee, the Beneficiary and any agent of the Issuer, the Indenture Trustee, the Owner Trustee, or the Beneficiary may treat the Person who is proved to be the owner of such Note pursuant to Section 104(c) as the owner of such Note for the purpose of receiving payment of principal of and (subject to Section 307) interest on such Note and for all other purposes whatsoever, whether or not such Note be overdue, and neither the Issuer, the Indenture Trustee, the Owner Trustee, nor any agent of the Issuer, the Indenture Trustee, the Owner Trustee, or the Beneficiary will be affected by notice to the contrary.

Section 309. Cancellation. All Notes surrendered for payment, redemption, transfer, conversion or exchange will, if surrendered to any Person other than the Indenture Trustee, be delivered to the Indenture Trustee and, if not already canceled, will be promptly canceled by it. The Issuer may at any time deliver to the Indenture Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered will be promptly canceled by the Indenture Trustee. No Note will be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section, except as expressly permitted by this Indenture. The Indenture Trustee will dispose of all canceled Notes in accordance with its customary procedures and will deliver a certificate of such disposition to the Issuer.

Section 310. New Issuances of Notes.

(a) The Issuer may issue new Notes of any series, class or tranche, so long as the following conditions precedent are satisfied:

(i) on or before the third Business Day before the date that the new issuance is to occur, the Issuer gives the Indenture Trustee and the Note Rating Agencies written notice of the issuance;

(ii) on or prior to the date that the new issuance is to occur, the Issuer delivers to the Indenture Trustee and each Note Rating Agency an Issuer Certificate to the effect that:

(A) the Issuer reasonably believes that the new issuance will not at the time of its occurrence or at a future date cause an Adverse Effect on any Outstanding Notes;

(B) all instruments furnished to the Indenture Trustee conform to the requirements of this Indenture and constitute sufficient authority hereunder for the Indenture Trustee to authenticate and deliver such Notes;

(C) the form and terms of such Notes have been established in conformity with the provisions of this Indenture;

(D) all laws and requirements with respect to the execution and delivery by the Issuer of such Notes have been complied with, the Issuer has the trust power and authority to issue such Notes and such Notes have been duly authorized and delivered by the Issuer and, assuming due authentication and delivery by the Indenture Trustee, constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their terms (subject, as to enforcement of remedies, to applicable bankruptcy, reorganization, insolvency, moratorium or other laws and legal principles affecting creditors' rights generally from time to time in effect and to general equitable principles, whether applied in an action at law or in equity) and entitled to the benefits of this Indenture, equally and ratably with all other Notes, if any, of such series, class or tranche Outstanding, subject to the terms of this Indenture and each Indenture Supplement; and

(E) such other matters as the Indenture Trustee may reasonably request;

(iii) on or before the date that the new issuance is to occur, the Issuer will have delivered to the Indenture Trustee and the Note Rating Agencies a Master Trust Tax Opinion and an Issuer Tax Opinion with respect to such issuance;

(iv) on or before the date that the new issuance is to occur, the Issuer will have delivered to the Trustee an Indenture Supplement and, if applicable, the Issuer Certificate or terms document relating to the applicable series, class and tranche of Notes;

---

(v) no Pay Out Event as defined in the Pooling and Servicing Agreement or Series 2001-D Pay Out Event as defined in the Series 2001-D Supplement will have occurred and be continuing as of the date of the new issuance;

(vi) in the case of foreign currency Notes, the Issuer will have appointed one or more Paying Agents in the appropriate countries;

(vii) the Note Rating Agencies have provided written confirmation that such issuance will not have a Ratings Effect;

(viii) the conditions specified herein or in Section 311 are satisfied; and

(ix) any other conditions specified herein in the applicable Indenture Supplement;

provided, however, that any one of the aforementioned conditions (other than clauses (iii) and (iv)) may be eliminated or modified as a condition precedent to any new issuance of a series, class or tranche of Notes if the Issuer has obtained written confirmation from each Note Rating Agency that there will be no Ratings Effect with respect to any Outstanding Notes as a result of a new issuance of Notes.

(b) The Issuer and the Indenture Trustee will not be required to obtain the consent of any Noteholder of any Outstanding series, class or tranche to issue any additional Notes of any series, class or tranche.

(c) There are no restrictions on the timing or amount of any additional issuance of Notes of an Outstanding tranche of a multiple issuance series, so long as the conditions described in paragraph (a) are met. As of the date of any additional issuance of Notes of an Outstanding tranche of Notes, the Stated Principal Amount, Outstanding Dollar Principal Amount and Nominal Liquidation Amount of that tranche will be increased to reflect the principal amount of the additional Notes. If the additional Notes are a tranche of Notes that has the benefit of a Derivative Agreement, the Issuer will enter into a Derivative Agreement for the benefit of the additional Notes. The targeted deposits, if any, to the principal funding sub-account will be increased proportionately to reflect the principal amount of the additional Notes.

When issued, the additional Notes of a tranche will be identical in all respects to the other Outstanding Notes of that tranche and will be equally and ratably entitled to the benefits of the Indenture and the related Indenture Supplement as the other Outstanding Notes of that tranche without preference, priority or distinction. In addition, the Issuer agrees to provide notice of new issuances of series, classes or tranches of Notes as may be required by and in accordance with Item 1121(a)(14) of Regulation AB.

Section 311. Specification of Required Subordinated Amount and other Terms with Respect to each Tranche.

(a) The applicable Indenture Supplement for each tranche of Notes will specify a Required Subordinated Amount of each subordinated class of Notes, if any.

---

(b) The Issuer may change the Required Subordinated Amount for any tranche of Notes at any time without the consent of any Noteholders so long as the Issuer has (i) received confirmation from the Note Rating Agencies that have rated any Outstanding Notes of that series that the change in the Required Subordinated Amount will not result in a Ratings Effect with respect to any Outstanding Notes in that series and (ii) delivered to the Trustee and the Note Rating Agencies a Master Trust Tax Opinion and an Issuer Tax Opinion.

Section 312. Reallocation Groups. Available Funds and other specified amounts allocated to each series in a Reallocation Group shall be reallocated to cover interest and expenses related to each series in such Reallocation Group as specified in each related Indenture Supplement. The reallocation provisions of the Indenture Supplement for each series in the same Reallocation Group are required to be identical in all material respects.

Section 313. Excess Available Funds Sharing Groups. The Issuer shall reallocate and redistribute certain excess Available Funds to cover Series Available Funds Shortfalls incurred by Excess Available Funds Sharing Series in a particular Excess Available Funds Sharing Group as specified in the related Indenture Supplements; provided, however, that the Beneficiary may, at any time, direct the Indenture Trustee to, and the Indenture Trustee will, discontinue the sharing of excess Available Funds among series. Following the delivery by the Beneficiary of such an Officer's Certificate to the Indenture Trustee there will not be any further sharing of excess Available Funds among series.

The Indenture Trustee will hold all such money and property received by it as part of the Collateral and will apply it as provided in this Indenture.

Section 402. Accounts.

(a) Accounts; Deposits to and Distributions from Accounts. On or before the Effective Date, the Issuer will cause to be established and maintained one or more Qualified Accounts (collectively, the “Collection Account”) in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds deposited therein are held for the benefit of the Indenture Trustee, the Noteholders and any applicable Derivative Counterparty. All collections received from the Master Trust pursuant to Section 5.01 of the Pooling and Servicing Agreement as supplemented by the Series 2001-D Supplement shall be deposited into the Collection Account. From time to time in connection with the issuance of a series, class or tranche of Notes, the Indenture Trustee may establish one or more Qualified Accounts denominated as “Supplemental Accounts” in the name of the Indenture Trustee. The Collection Account shall be under the sole dominion and control of the Indenture Trustee for the benefit of the Indenture Trustee, the Noteholders and any applicable Derivative Counterparty. If, at any time, the institution holding the Collection Account ceases to be a Qualified Institution, the Issuer will within ten (10) Business Days (or such longer period, not to exceed thirty (30) calendar days, as to which each Note Rating Agency may consent in writing) establish a new Collection Account that is a Qualified Account and shall transfer any cash and/or investments to such new Collection Account. From the date such new Collection Account is established, it will be the “Collection Account.” Supplemental Accounts will be created as specified in the applicable Indenture Supplement. Any Supplemental Account will receive deposits as set forth in the applicable Indenture Supplement.

(b) All payments to be made from time to time by or on behalf of the Indenture Trustee to Noteholders out of funds in the Accounts pursuant to this Indenture will be made by or on behalf of the Indenture Trustee to the Paying Agent not later than 12:00 noon on the applicable Payment Date or earlier, if necessary, or as otherwise provided in Article V or the applicable Indenture Supplement but only to the extent of available funds in the applicable Supplemental Account or sub-Account.

Section 403. Investment of Funds in the Accounts.

(a) Funds on deposit in the Accounts will be invested and reinvested by the Indenture Trustee at the written direction of the Issuer in one or more Permitted Investments.

---

The Issuer may authorize the Indenture Trustee to make specific investments pursuant to written instructions, in such amounts as the Issuer will specify. Notwithstanding the foregoing, funds held by the Indenture Trustee in any of the Accounts will be invested in Permitted Investments that will mature in each case no later than the date on which such funds in the Accounts are scheduled to be transferred or distributed by the Indenture Trustee pursuant to this Indenture (or as necessary to provide for timely payment of principal or interest on the applicable Principal Payment Date or Interest Payment Date).

(b) All funds deposited from time to time in the Accounts pursuant to this Indenture and all investments made with such funds will be held by the Indenture Trustee in the Accounts as part of the Collateral as herein provided, subject to withdrawal by the Indenture Trustee for the purposes set forth herein.

(c) Funds and other property in any of the Accounts will not be commingled with any other funds or property of the Issuer or the Indenture Trustee. The Indenture Trustee shall:

(i) hold each Permitted Investment (other than those described in clause (c) of the definition thereof) that constitutes investment property through a securities intermediary, which securities intermediary shall agree with the Indenture Trustee that (A) such investment property at all times shall be credited to a securities account of the Indenture Trustee, (B) all property credited to such securities account shall be treated as a financial asset, (C) such securities intermediary shall treat the Indenture Trustee as entitled to exercise the rights that comprise each financial asset credited to such securities account, (D) such securities intermediary shall comply with entitlement orders originated by the Indenture Trustee without the further consent of any other person or entity, (E) such securities intermediary shall not agree with any person or entity other than the Indenture Trustee to comply with entitlement orders originated by any person or entity other than the Indenture Trustee, (F) such securities account and all property credited thereto shall not be subject to any lien, security interest, right of set-off, or encumbrance in favor of such securities intermediary or anyone claiming through such securities intermediary (other than the Indenture Trustee), and (G) such agreement between such securities intermediary and the Indenture Trustee shall be governed by the laws of the State of New York;

(ii) maintain possession of each other Permitted Investment not described in clause (i) above (other than those described in clause (c) of the definition thereof) in the State of New York separate and apart from all other property held by the Indenture Trustee; and

(iii) cause each Permitted Investment described in clause (c) of the definition thereof to be registered in the name of the Indenture Trustee by the issuer thereof;

provided, that, other than following an Event of Default and acceleration pursuant to Section 702, no Permitted Investment shall be disposed of prior to its maturity.

---

Notwithstanding any other provision of this Indenture, the Indenture Trustee shall not hold any Permitted Investment through an agent except as expressly permitted by this Section 403(c). Each term used in this Section 403(c) and defined in the New York UCC shall have the meaning set forth in the New York UCC.

(d) On each Transfer Date, all interest and earnings (net of losses and investment expenses) accrued since the preceding Transfer Date on funds on deposit in the Collection Account will be treated as Available Funds and applied pursuant to Section 501 for such Transfer Date. Unless otherwise stated in the related Indenture Supplement, for purposes of determining the availability of funds or the balance in the Accounts for any reason under this Indenture or any Indenture Supplement, investment earnings on such funds shall be deemed not to be available or on deposit.

Subject to Section 801(c), the Indenture Trustee will not in any way be held liable by reason of any insufficiency in such Accounts resulting from any loss on any Permitted Investment included therein except for losses attributable to the Indenture Trustee's failure to make payments on such Permitted Investments issued by the Indenture Trustee, in its commercial capacity, in accordance with their terms.

(e) Funds on deposit in the Accounts will be invested and reinvested by the Indenture Trustee to the fullest extent practicable, in such manner as the Indenture Trustee will from time to time determine, but only in one or more Permitted Investments, upon the occurrence of any of the following events:

- (i) the Issuer will have failed to give investment directions to the Indenture Trustee; or
- (ii) an Event of Default will have occurred and is continuing but no Notes have been declared due and payable pursuant to Section 702.

**ARTICLE VI**

**SATISFACTION AND DISCHARGE; CANCELLATION OF NOTES  
HELD BY THE ISSUER OR FIA**

Section 601. Satisfaction and Discharge of Indenture. This Indenture will cease to be of further effect with respect to any series, class or tranche of Notes (except as to any surviving rights of transfer or exchange of Notes of that series, class or tranche expressly provided for herein or in the form of Note for that series, class or tranche), and the Indenture Trustee, on demand of and at the expense of the Issuer, will execute proper instruments acknowledging satisfaction and discharge of this Indenture as to that series, class or tranche, when:

(a) all Notes of that series, class or tranche theretofore authenticated and delivered (other than (A) Notes of that series, class or tranche which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 306, and (B) Notes of that series, class or tranche for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from that trust, as provided in Section 1103) have been delivered to the Indenture Trustee canceled or for cancellation;

(b) the Issuer has paid or caused to be paid all other sums payable hereunder (including payments to the Indenture Trustee pursuant to Section 807) by the Issuer with respect to the Notes of that series, class or tranche; and

(c) the Issuer has delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the Notes of that series, class or tranche have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any series, class or tranche of Notes, the obligations of the Issuer to the Indenture Trustee with respect to that series, class or tranche under Section 807 and the obligations of the Indenture Trustee under Sections 602 and 1103 will survive such satisfaction and discharge.

If the Issuer, FIA or any of their Affiliates holds any Notes, that Holder may, subject to any provisions of a related Indenture Supplement limiting the repayment of subordinated classes of Notes, by notice from that Holder to the Indenture Trustee cause that Note to be canceled, whereupon (a) the Note will no longer be Outstanding, and (b) the Issuer will cause the Investor Interest of the Collateral Certificate to be reduced by an amount equal to the Nominal Liquidation Amount of that cancelled Note.

## ARTICLE VII

### EVENTS OF DEFAULT AND REMEDIES

Section 701, Events of Default. “Event of Default,” wherever used herein, means with respect to any series, class or tranche of Notes any one of the following events (whatever the reason for such Event of Default and whether it will be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body), unless such event is either expressly stated to be inapplicable to a particular series, class or tranche or specifically deleted or modified in the applicable Indenture Supplement creating such series, class or tranche of Notes or in the form of Note for such series, class or tranche:

(a) with respect to any tranche of Notes, a default by the Issuer in the payment of any interest on such Notes when such interest becomes due and payable, and continuance of such default for a period of thirty-five (35) days following the date on which such interest became due and payable;

(b) with respect to any tranche of Notes, a default by the Issuer in the payment of the principal amount of such Notes at the applicable Legal Maturity Date;

(c) a default in the performance, or breach, of any covenant or warranty of the Issuer in this Indenture in respect of the Notes of such series, class or tranche (other than a covenant or warranty in respect of the Notes of such series, class or tranche a default in the performance of which or the breach of which is elsewhere in this Section specifically dealt with), all of such covenants and warranties in this Indenture which are not expressly stated to be for the benefit of a particular series, class and tranche of Notes being deemed to be in respect of the Notes of all series, classes or tranches for this purpose, and continuance of such default or breach for a period of sixty (60) days after there has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by the Holders of at least 25% in Outstanding Dollar Principal Amount of the Outstanding Notes of such series, class or tranche, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder and, as a result of such default, the interests of the Holders of the Notes of such series, class or tranche are materially and adversely affected and continue to be materially and adversely affected during the sixty (60) day period;

(d) the entry of an order for relief against the Issuer under the Federal Bankruptcy Code by a court having jurisdiction in the premises or a decree or order by a court having jurisdiction in the premises adjudging the Issuer a bankrupt or insolvent under any other applicable Federal or State law, or the entry of a decree or order approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer under the Federal Bankruptcy Code or any other applicable Federal or State law, or appointing a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Issuer or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days;

(e) the consent by the Issuer to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the Federal Bankruptcy Code or any other applicable Federal or State law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Issuer or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Issuer in furtherance of any such action; or

(f) with respect to any series, class or tranche, any additional Event of Default specified in the Indenture Supplement for such series, class or tranche as applying to such series, class or tranche, or specified in the form of Note for such series, class or tranche.

Section 702. Acceleration of Maturity; Rescission and Annulment

(a) If an Event of Default described in clause (a), (b), (c) or (f) (if the Event of Default under clause (c) or (f) is with respect to less than all series, classes and tranches of Notes then Outstanding) of Section 701 occurs and is continuing with respect to any series, class or tranche, then and in each and every such case, unless the principal of all the Notes of such series, class or tranche shall have already become due and payable, either the Indenture Trustee or the Majority Holders of the Notes of such series, class or tranche then Outstanding hereunder (each such series, class or tranche acting as a separate class), by notice in writing to the Issuer (and to the Indenture Trustee if given by Holders), may declare the Outstanding principal amount of all the Notes of such series, class or tranche then Outstanding and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, anything in this Indenture, the related Indenture Supplement or in the Notes of such series, class or tranche to the contrary notwithstanding. Such payments are subject to Article V and the allocation, deposits and payment sections of the related Indenture Supplement.

(b) If an Event of Default described in clause (c) or (f) (if the Event of Default under clause (c) or (f) is with respect to all series, classes and tranches of Notes then Outstanding) of Section 701 occurs and is continuing, then and in each and every such case, unless the principal of all the Notes shall have already become due and payable, either the Indenture Trustee or the Majority Holders of all the Notes then Outstanding hereunder (treated as one class), by notice in writing to the Issuer (and to the Indenture Trustee if given by Holders), may declare the Outstanding principal amount of all the Notes then Outstanding and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, notwithstanding anything in this Indenture, the related Indenture Supplements or the Notes to the contrary.

(c) If an Event of Default described in clause (d) or (e) of Section 701 occurs and is continuing, then the Notes of all series, classes and tranches will automatically be and become immediately due and payable by the Issuer, without notice or demand to any Person, and the Issuer will automatically and immediately be obligated to pay off the Notes.

---

At any time after such a declaration of acceleration has been made with respect to the Notes of any series, class or tranche and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter in this Article VII provided, the Majority Holders of such series, classes or tranche, by written notice to the Issuer and the Indenture Trustee, may rescind and annul such declaration and its consequences if:

(a) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay (i) all overdue installments of interest on the Notes of such series, class or tranche, (ii) the principal of any Notes of such series, class or tranche which have become due otherwise than by such declaration of acceleration, and interest thereon at the rate or rates prescribed therefor by the terms of the Notes of such series, class or tranche, to the extent that payment of such interest is lawful, (iii) interest upon overdue installments of interest at the rate or rates prescribed therefor by the terms of the Notes of such series, class or tranche to the extent that payment of such interest is lawful, and (iv) all sums paid by the Indenture Trustee hereunder and the reasonable compensation, expenses and disbursements of the Indenture Trustee, its agents and counsel and all other amounts due the Indenture Trustee under Section 807; and

(b) all Events of Default with respect to such series, class or tranche of Notes, other than the nonpayment of the principal of the Notes of such series, class or tranche which has become due solely by such acceleration, have been cured or waived as provided in Section 716.

No such rescission will affect any subsequent default or impair any right consequent thereon.

Section 703. Collection of Indebtedness and Suits for Enforcement by Indenture Trustee. The Issuer covenants that if:

(a) the Issuer defaults in the payment of interest on any series, class or tranche of Notes when such interest becomes due and payable and such default continues for a period of thirty-five (35) days following the date on which such interest became due and payable, or

(b) the Issuer defaults in the payment of the principal of any series, class or tranche of Notes at the Legal Maturity Date thereof;

and any such default continues beyond any specified grace period provided with respect to such series, class or tranche of Notes, the Issuer will, upon demand of the Indenture Trustee, pay (subject to the allocation provided in Article V, this Article VII and any related Indenture Supplement) to the Indenture Trustee, for the benefit of the Holders of any such Notes of the affected series, class or tranche, the whole amount then due and payable on any such Notes for principal and interest, with interest, to the extent that payment of such interest will be legally enforceable, upon the overdue principal and upon overdue installments of interest, (i) in the case of Interest-bearing Notes, at the rate of interest applicable to the stated principal amount thereof, unless otherwise specified in the applicable Indenture Supplement; and (ii) in the case of Discount Notes, as specified in the applicable Indenture Supplement, and in addition thereto, will pay such further amount as will be sufficient to cover the costs and expenses of collection,

including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due the Indenture Trustee under Section 807.

If the Issuer fails to pay such amounts forthwith upon such demand, the Indenture Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Issuer or any other obligor upon the Notes of such series, class or tranche and collect the money adjudged or decreed to be payable in the manner provided by law out of the Collateral or any other obligor upon such Notes, wherever situated.

Section 704. Indenture Trustee May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuer or any other obligor upon the Notes or the property of the Issuer or of such other obligor or their creditors, the Indenture Trustee (irrespective of whether the principal of the Notes will then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Indenture Trustee will have made any demand on the Issuer for the payment of overdue principal or interest) will be entitled and empowered, by intervention in such proceedings or otherwise,

(i) to file and prove a claim for the whole amount of principal and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary and advisable in order to have the claims of the Indenture Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due the Indenture Trustee under Section 807) and of the Noteholders allowed in such judicial proceeding, and

(ii) to collect and receive any funds or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator, sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each Noteholder to make such payment to the Indenture Trustee and in the event that the Indenture Trustee will consent to the making of such payments directly to the Noteholders, to pay to the Indenture Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel, and any other amounts due the Indenture Trustee under Section 807.

Nothing herein contained will be deemed to authorize the Indenture Trustee to authorize or consent to or accept or adopt on behalf of any Noteholder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Indenture Trustee to vote in respect of the claim of any Noteholder in any such proceeding.

Section 705. Indenture Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or the Notes of any series, class or

tranche may be prosecuted and enforced by the Indenture Trustee without the possession of any of the Notes of such series, class or tranche or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Indenture Trustee will be brought in its own name as trustee of an express trust, and any recovery of judgment will, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agent and counsel, be for the ratable benefit of the Holders of the Notes of the series, class or tranche in respect of which such judgment has been recovered.

Section 706. Application of Money Collected. Any money or other property collected by the Indenture Trustee with respect to a series, class or tranche of Notes pursuant to this Article VII will be applied in the following order, at the date or dates fixed by the Indenture Trustee and, in case of the distribution of such money on account of principal or interest, upon presentation of the Notes of such series, class or tranche and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

(a) first, to the payment of all amounts due the Indenture Trustee under Section 807(a);

(b) second, to the payment of the amounts then due and unpaid upon the Notes of that series, class or tranche for principal and interest, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind (but subject to the allocation provided in Article V of this Indenture and the related Indenture Supplements), according to the amounts due and payable on such Notes for principal and interest, respectively; and

(c) third, to the Issuer.

Section 707. Indenture Trustee May Elect to Hold the Collateral Certificate. Following an acceleration of any series, class or tranche of Notes, the Indenture Trustee may elect to continue to hold the Collateral Certificate and apply distributions on the Collateral Certificate in accordance with the regular distribution provisions pursuant to Article V of this Indenture, except that principal will be paid on the accelerated tranche of Notes to the extent funds are received from the Master Trust and allocated to the accelerated tranche, and payment is permitted by the subordination provisions of the accelerated tranche.

Section 708. Sale of Receivables for Accelerated Notes. In the case of a series, class or tranche of Notes that has been accelerated following an Event of Default, the Indenture Trustee may, and at the direction of the Majority Holders of that series, class or tranche of Notes will, cause the Master Trust to sell Principal Receivables and the related Finance Charge Receivables (or interests therein) as provided in the related Indenture Supplement.

Section 709. Noteholders Have the Right to Direct the Time, Method and Place of Conducting Any Proceeding for Any Remedy Available to the Indenture Trustee. The Majority Holders of any accelerated series, class or tranche of Notes have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee. This right may be exercised only if the direction provided by the Noteholders does not conflict with applicable law

---

or this Indenture and does not have a substantial likelihood of involving the Indenture Trustee in personal liability.

Section 710. Limitation on Suits. To the fullest extent permitted by applicable law, no Holder of any Note of any series, class or tranche will have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (a) such Holder has previously given written notice to the Indenture Trustee of a continuing Event of Default with respect to Notes of such series, class or tranche;
- (b) the Holders of not less than 25% in Outstanding Dollar Principal Amount of the Outstanding Notes of such series, class or tranche have made written request to the Indenture Trustee to institute proceedings in respect of such Event of Default in its own name as Indenture Trustee hereunder;
- (c) such Holder or Holders have offered to the Indenture Trustee indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;
- (d) the Indenture Trustee for sixty (60) days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (e) no direction inconsistent with such written request has been given to the Indenture Trustee during such sixty (60) day period by the Majority Holders of such series, class or tranche;

it being understood and intended that no one or more Holders of Notes of such series, class or tranche will have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of such series, class or tranche, or to obtain or to seek to obtain priority or preference over any other such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and proportionate benefit of all the Holders of all Notes of such series, class or tranche.

Section 711. Unconditional Right of Noteholders to Receive Principal and Interest; Limited Recourse Notwithstanding any other provisions in this Indenture, the Holder of any Note will have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Note on the Legal Maturity Date expressed in the related Indenture Supplement and to institute suit for the enforcement of any such payment, and such right will not be impaired without the consent of such Holder; provided, however, that notwithstanding any other provision of this Indenture to the contrary, the obligation to pay principal of or interest on the Notes or any other amount payable to any Noteholder will be without recourse to FIA, the Indenture Trustee, the Owner Trustee or any affiliate, officer, employee or director of any of them, and the obligation of the Issuer to pay principal of or interest on the Notes or any other amount payable to any Noteholder will be subject to Article V and the allocation and payment provisions of the Indenture Supplements.

Section 712. Restoration of Rights and Remedies. If the Indenture Trustee or any Noteholder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, then and in every such case the Issuer, the Indenture Trustee and the Noteholders will, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Noteholders will continue as though no such proceeding had been instituted.

Section 713. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 714. Delay or Omission Not Waiver. No delay or omission of the Indenture Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Indenture Trustee or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Noteholders, as the case may be.

Section 715. Control by Noteholders. The Majority Holders of any series, class or tranche will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee or exercising any trust or power conferred on the Indenture Trustee with respect to the Notes of such series, class or tranche, provided that:

(a) the Indenture Trustee will have the right to decline to follow any such direction if the Indenture Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or would conflict with this Indenture or if the Indenture Trustee in good faith will, by an Indenture Trustee Authorized Officer, determine that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Holders not taking part in such direction, and

(b) the Indenture Trustee may take any other action permitted hereunder deemed proper by the Indenture Trustee which is not inconsistent with such direction.

Section 716. Waiver of Past Defaults. The Majority Holders of any series, class or tranche may on behalf of the Holders of all the Notes of such series, class or tranche waive any past default hereunder or under the related Indenture Supplement with respect to such series, class or tranche and its consequences, except a default not theretofore cured:

(a) in the payment of the principal of or interest on any Note of such series, class or tranche, or

---

(b) in respect of a covenant or provision hereof which under Article X cannot be modified or amended without the consent of the Holder of each Outstanding Note of such series, class or tranche.

Upon any such waiver, such default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, for every purpose of this Indenture; but no such waiver will extend to any subsequent or other default or impair any right consequent thereon.

Section 717. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof will be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Indenture Trustee for any action taken or omitted by it as Indenture Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section will not apply to any suit instituted by the Indenture Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 25% in Outstanding Dollar Principal Amount of the Outstanding Notes of any series, class or tranche to which the suit relates, or to any suit instituted by any Noteholders for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Legal Maturity Date expressed in such Note.

Section 718. Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

**ARTICLE VIII**

THE INDENTURE TRUSTEE

Section 801. Certain Duties and Responsibilities.

(a) The Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture with respect to the Notes of any series, classes or tranche, and no implied covenants or obligations will be read into this Indenture against the Indenture Trustee.

(b) In the absence of bad faith on its part, the Indenture Trustee may, with respect to Notes of any series, class or tranche, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Indenture Trustee, the Indenture Trustee will be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein.

(c) In case an Event of Default with respect to any series, class or tranche of Notes has occurred and is continuing, the Indenture Trustee will exercise with respect to the Notes of such series, class or tranche such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a fiduciary would exercise or use under the circumstances in the conduct of such person's own affairs.

(d) No provision of this Indenture will be construed to relieve the Indenture Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this clause (d) will not be construed to limit the effect of subsection (a) of this Section;

(ii) the Indenture Trustee will not be liable for any error of judgment made in good faith by an Indenture Trustee Authorized Officer, unless it will be proved that the Indenture Trustee was negligent in ascertaining the pertinent facts;

(iii) the Indenture Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Majority Holders of any series, class or tranche relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee, under this Indenture with respect to the Notes of such series, class or tranche; and

(iv) no provision of this Indenture will require the Indenture Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance

---

of any of its duties hereunder, or in the exercise of any of its rights or powers, if it will have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to the Indenture Trustee against such risk or liability is not reasonably assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee will be subject to the provisions of this Section.

Section 802. Notice of Defaults. Within ninety (90) days after the occurrence of any default hereunder with respect to Notes of any series, class or tranche,

(a) the Indenture Trustee will transmit by mail to all Registered Noteholders of such series, class or tranche, as their names and addresses appear in the Note Register, notice of such default hereunder known to the Indenture Trustee,

(b) the Indenture Trustee will notify all Holders of Bearer Notes of such series, class or tranche, by publication of notice of such default in an Authorized Newspaper, or as otherwise provided in the applicable Indenture Supplement, and

(c) the Indenture Trustee will give prompt written notification thereof to the Note Rating Agencies, unless such default will have been cured or waived;

provided, however, that, except in the case of a default in the payment of the principal of or interest on any Note of such series, class or tranche, the Indenture Trustee will be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Indenture Trustee Authorized Officers of the Indenture Trustee in good faith determine that the withholding of such notice is in the interests of the Noteholders of such series, class or tranche. For the purpose of this Section, the term "default," with respect to Notes of any series, class or tranche, means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Notes of such series, class or tranche.

Section 803. Certain Rights of Indenture Trustee. Except as otherwise provided in Section 801:

(a) the Indenture Trustee may conclusively rely and will be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer mentioned herein will be sufficiently evidenced by an Officer's Certificate;

(c) whenever in the administration of this Indenture the Indenture Trustee will deem it desirable that a matter be proved or established before taking, suffering or omitting any

---

action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(d) the Indenture Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Indenture Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Noteholders pursuant to this Indenture, unless such Noteholders shall have offered to the Indenture Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Indenture Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Indenture Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Indenture Trustee will determine to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(g) the Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Indenture Trustee will not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder; and

(h) the Indenture Trustee will not be responsible for filing any financing statements or continuation statements in connection with the Notes, but will cooperate with the Issuer in connection with the filing of such financing statements or continuation statements.

Section 804. Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, except the certificates of authentication, will be taken as the statements of the Issuer, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes. The Indenture Trustee will not be accountable for the use or application by the Issuer of Notes or the proceeds thereof.

Section 805. May Hold Notes. The Indenture Trustee, any Paying Agent, the Note Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and, subject to Sections 808 and 813, may otherwise deal with the Issuer with the same rights it would have if it were not Indenture Trustee, Paying Agent, Note Registrar or such other agent.

Section 806. Money Held in Trust. Money held by the Indenture Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Indenture Trustee will be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Issuer.

Section 807. Compensation and Reimbursement. Limit on Compensation. Reimbursement and Indemnity.

(a) The Issuer agrees

(i) to pay to the Indenture Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation will not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Indenture Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Indenture Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(iii) to indemnify the Indenture Trustee for, and to hold it harmless against, any and all loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim or liability (whether asserted by the Issuer, the Servicer, any Holder or any other Person) in connection with the exercise or performance of any of its powers or duties hereunder.

The Indenture Trustee will have no recourse to any asset of the Issuer other than funds available pursuant to Section 706 or to any Person other than the Servicer or the Issuer.

(b) This Section will survive the termination of this Indenture and the resignation or replacement of the Indenture Trustee under Section 810.

Section 808. Disqualification; Conflicting Interests. If the Indenture Trustee has or will acquire a conflicting interest within the meaning of the Trust Indenture Act, the Indenture Trustee will, if so required by the Trust Indenture Act, either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. Nothing herein will prevent the Indenture Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

Section 809. Corporate Indenture Trustee Required; Eligibility. There will at all times be an Indenture Trustee hereunder with respect to each series, class or tranche of Notes, which will be a corporation organized and doing business under the laws of the United States of America or of any State, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal or State authority, and having a rating of at least BBB- by Standard & Poor's and at least BBB by Fitch. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation will be deemed to be its combined capital and surplus as set forth in its most recent report of condition so

published. The Issuer may not, nor may any Person directly or indirectly controlling, controlled by, or under common control with the Issuer, serve as Indenture Trustee. If at any time the Indenture Trustee with respect to any series, class or tranche of Notes will cease to be eligible in accordance with the provisions of this Section, it will resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 810. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee pursuant to this Article will become effective until the acceptance of appointment by the successor Indenture Trustee under Section 811.

(b) The Indenture Trustee may resign with respect to any series, class or tranche of Notes at any time by giving written notice thereof to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within thirty (30) days after the giving of such notice of resignation, the resigning Indenture Trustee may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(c) The Indenture Trustee may be removed with respect to any series, class or tranche of Notes at any time by Act of the Majority Holders of that series, class or tranche, delivered to the Indenture Trustee and to the Issuer.

(d) If at any time:

(i) the Indenture Trustee fails to comply with Section 310(b) of the Trust Indenture Act with respect to any series, class or tranche of Notes after written request therefor by the Issuer or by any Noteholder who has been a bona fide Holder of a Note of that series, class or tranche for at least six (6) months, or

(ii) the Indenture Trustee ceases to be eligible under Section 809 with respect to any series, class or tranche of Notes and fails to resign after written request therefor by the Issuer or by any such Noteholder, or

(iii) the Indenture Trustee becomes incapable of acting with respect to any series, class or tranche of Notes, or

(iv) the Indenture Trustee is adjudged bankrupt or insolvent or a receiver of the Indenture Trustee or of its property is appointed or any public officer takes charge or control of the Indenture Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Issuer may remove the Indenture Trustee, with respect to the series, class or tranche, or in the case of clause (iv), with respect to all series, classes or tranches, or (B) subject to Section 717, any Noteholder who has been a bona fide Holder of a Note of such series, class and tranche for at least six (6) months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Indenture Trustee with respect to such series, class or tranche and the appointment of a successor Indenture

---

Trustee with respect to the series, class or tranche, or, in the case of clause (iv), with respect to all series, classes and tranches.

(e) If the Indenture Trustee resigns, is removed or becomes incapable of acting with respect to any series, class or tranche of Notes, or if a vacancy shall occur in the office of the Indenture Trustee with respect to any series, class or tranche of Notes for any cause, the Issuer will promptly appoint a successor Indenture Trustee for that series, class or tranche of Notes. If, within one year after such resignation, removal or incapacity, or the occurrence of such vacancy, a successor Indenture Trustee with respect to such series, class or tranche of Notes is appointed by Act of the Majority Holders of such series, class or tranche delivered to the Issuer and the retiring Indenture Trustee, the successor Indenture Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Indenture Trustee with respect to such series, class or tranche and supersede the successor Indenture Trustee appointed by the Issuer with respect to such series, class or tranche. If no successor Indenture Trustee with respect to such series, class or tranche shall have been so appointed by the Issuer or the Noteholders of such series, class or tranche and accepted appointment in the manner hereinafter provided, any Noteholder who has been a bona fide Holder of a Note of that series, class or tranche for at least six (6) months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee with respect to such series, class or tranche.

(f) The Issuer will give written notice of each resignation and each removal of the Indenture Trustee with respect to any series, class or tranche and each appointment of a successor Indenture Trustee with respect to any series, class or tranche to each Noteholder as provided in Section 106 and to each Note Rating Agency. Each notice will include the name of the successor Indenture Trustee and the address of its principal Corporate Trust Office.

Section 811. Acceptance of Appointment by Successor. Every successor Indenture Trustee appointed hereunder will execute, acknowledge and deliver to the Issuer and to the predecessor Indenture Trustee an instrument accepting such appointment, with a copy to the Note Rating Agencies, and thereupon the resignation or removal of the predecessor Indenture Trustee will become effective with respect to any series, class or tranche as to which it is resigning or being removed as Indenture Trustee, and such successor Indenture Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties of the predecessor Indenture Trustee with respect to any such series, class or tranche; but, on request of the Issuer or the successor Indenture Trustee, such predecessor Indenture Trustee will, upon payment of its reasonable charges, if any, execute and deliver an instrument transferring to such successor Indenture Trustee all the rights, powers and trusts of the predecessor Indenture Trustee, and will duly assign, transfer and deliver to such successor Indenture Trustee all property and money held by such predecessor Indenture Trustee hereunder with respect to all or any such series, class or tranche, subject nevertheless to its lien, if any, provided for in Section 807. Upon request of any such successor Indenture Trustee, the Issuer will execute any and all instruments for more fully and certainly vesting in and confirming to such successor Indenture Trustee all such rights, powers and trusts.

In case of the appointment hereunder of a successor Indenture Trustee with respect to the Notes of one or more (but not all) series, classes or tranches, the Issuer, the

predecessor Indenture Trustee and each successor Indenture Trustee with respect to the Notes of any applicable series, class or tranche will execute and deliver an Indenture Supplement which will contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Indenture Trustee with respect to the Notes of any series, class or tranche as to which the predecessor Indenture Trustee is not being succeeded will continue to be vested in the predecessor Indenture Trustee, and will add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Indenture Trustee, it being understood that nothing herein or in such Indenture Supplement will constitute such Indenture Trustees co-trustees of the same trust and that each such Indenture Trustee will be Indenture Trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Indenture Trustee.

No successor Indenture Trustee with respect to any series, class or tranche of Notes will accept its appointment unless at the time of such acceptance such successor Indenture Trustee will be qualified and eligible with respect to that series, class or tranche under this Article.

Section 812. Merger, Conversion, Consolidation or Succession to Business Any corporation into which the Indenture Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Indenture Trustee, will be the successor of the Indenture Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Issuer will give prompt written notice of such merger, conversion, consolidation or succession to the Note Rating Agencies. In case any Notes shall have been authenticated, but not delivered, by the Indenture Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Indenture Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Indenture Trustee had itself authenticated such Notes.

Section 813. Preferential Collection of Claims Against Issuer. If and when the Indenture Trustee shall be or become a creditor of the Issuer (or any other obligor upon the Notes), the Indenture Trustee will be subject to the provisions of Section 311 of the Trust Indenture Act. An Indenture Trustee who has resigned or been removed will be subject to Section 311(a) of the Trust Indenture Act to the extent provided therein.

Section 814. Appointment of Authenticating Agent. At any time when any of the Notes remain Outstanding the Indenture Trustee, with the approval of the Issuer, may appoint an Authenticating Agent or Agents with respect to one or more series, classes or tranches of Notes which will be authorized to act on behalf of the Indenture Trustee to authenticate Notes of such series, classes or tranches issued upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 306, and Notes so authenticated will be entitled to the benefits of this Indenture and will be valid and obligatory for all purposes as if authenticated by the Indenture Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Notes by the Indenture Trustee or the Indenture Trustee's

---

certificate of authentication, such reference will be deemed to include authentication and delivery on behalf of the Indenture Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Indenture Trustee by an Authenticating Agent. Each Authenticating Agent will be acceptable to the Issuer and will at all times be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to act as an Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and, if other than the Issuer itself, subject to supervision or examination by Federal or State authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent will be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent will cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent will resign immediately in the manner and with the effect specified in this Section. The initial Authenticating Agent for the Notes of all series, classes and tranches will be The Bank of New York.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent will be a party, or any corporation succeeding to the corporate agency or corporate trust business of an Authenticating Agent, will continue to be an Authenticating Agent, provided such corporation will be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Indenture Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Indenture Trustee and to the Issuer. The Indenture Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Issuer. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent will cease to be eligible in accordance with the provisions of this Section, the Indenture Trustee, with the approval of the Issuer, may appoint a successor Authenticating Agent which will be acceptable to the Issuer and will give notice to each Noteholder as provided in Section 106. Any successor Authenticating Agent upon acceptance of its appointment hereunder will become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent will be appointed unless eligible under the provisions of this Section.

The Indenture Trustee agrees to pay to each Authenticating Agent (other than an Authenticating Agent appointed at the request of the Issuer from time to time) reasonable compensation for its services under this Section, and the Indenture Trustee will be entitled to be reimbursed for such payments, subject to the provisions of Section 807.

If an appointment with respect to one or more series, classes or tranches is made pursuant to this Section, the Notes of such series, classes or tranche may have endorsed thereon, in addition to the Indenture Trustee's certificate of authentication, an alternate certificate of authentication in the following form:

This is one of the Notes of the series, classes or tranches designated therein referred to in the within-mentioned Indenture.

Section 815. Tax Returns. In the event the Issuer shall be required to file tax returns, the Servicer shall prepare or shall cause to be prepared such tax returns and shall provide such tax returns to the Owner Trustee or the Beneficiary for signature at least five (5) days before such tax returns are due to be filed. The Issuer, in accordance with the terms of each Indenture Supplement, shall also prepare or shall cause to be prepared all tax information required by law to be distributed to Noteholders and shall deliver such information to the Indenture Trustee at least five (5) days prior to the date it is required by law to be distributed to Noteholders. The Indenture Trustee, upon written request, will furnish the Servicer with all such information known to the Indenture Trustee as may be reasonably requested and required in connection with the preparation of all tax returns of the Issuer, and shall, upon request, execute such returns. In no event shall the Indenture Trustee or the Owner Trustee be personally liable for any liabilities, costs or expenses of the Issuer or any Noteholder arising under any tax law, including without limitation, federal, state or local income or excise taxes or any other tax imposed on or measured by income (or any interest or penalty with respect thereto arising from a failure to comply therewith).

Section 816. Representations and Covenants of the Indenture Trustee. The Indenture Trustee represents, warrants and covenants that:

- (i) The Indenture Trustee is a banking corporation duly organized and validly existing under the laws of the State of New York;
- (ii) The Indenture Trustee has full power and authority to deliver and perform this Indenture and has taken all necessary action to authorize the execution, delivery and performance by it of this Indenture and other documents to which it is a party; and
- (iii) Each of this Indenture and other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms.

Section 817. Custody of the Collateral. The Collateral Certificate shall be registered in the name of the Indenture Trustee and shall be delivered to and held by the Indenture Trustee in the State of New York separate and apart from all other property held by the Indenture Trustee. The Indenture Trustee shall hold such of the Collateral as constitutes a Permitted Investment in accordance with Section 403(c). All other Collateral that is not described in the preceding two sentences (i) that constitutes investment property shall be held by the Indenture Trustee through a securities intermediary, which securities intermediary shall agree with the Indenture Trustee that (A) such investment property at all times shall be credited to a securities account of the Indenture Trustee, (B) all property credited to such securities account shall be treated as a financial asset, (C) such securities intermediary shall treat the Indenture Trustee as entitled to exercise the rights that comprise each financial asset credited to such securities account, (D) such securities intermediary shall comply with entitlement orders originated by the Indenture Trustee without the further consent of any other person or entity, (E) such securities intermediary shall not agree with any person or entity other than the Indenture Trustee to comply with entitlement orders originated by any person or entity other than the Indenture Trustee, (F) such securities account and all property credited thereto shall not be subject to any lien, security interest, right of set-off, or encumbrance in favor of such securities intermediary or anyone claiming through such securities intermediary (other than the Indenture Trustee), and (G) such agreement between such securities intermediary and the Indenture Trustee shall be governed by the laws of the State of New York; and (ii) not described in clause (i) above shall be held by the Indenture Trustee in the State of New York separate and apart from all other property held by the Indenture Trustee. Notwithstanding any other provision of this Indenture, the Indenture Trustee shall not hold any Collateral through an agent except as expressly permitted by this Section 817 and Section 403(c). Each term used in this Section 817 and defined in the New York UCC shall have the meaning set forth in the New York UCC.

Section 818. Indenture Trustee's Application for Instructions from the Issuer Any application by the Indenture Trustee for written instructions from the Issuer may, at the option of the Indenture Trustee, set forth in writing any action proposed to be taken or omitted by the Indenture Trustee under and in accordance with this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective, provided that such application shall make specific reference to this Section 818. The Indenture Trustee shall not be liable for any action taken by, or omission of, the Indenture Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than five (5) Business Days after the date any officer of the Issuer actually receives such application, unless any such officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Indenture Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

**ARTICLE IX**

NOTEHOLDERS' MEETINGS, LISTS, REPORTS BY INDENTURE TRUSTEE, ISSUER AND BENEFICIARY

Section 901. Issuer To Furnish Indenture Trustee Names and Addresses of Noteholders. The Issuer will furnish or cause to be furnished to the Indenture Trustee:

(a) not more than fifteen (15) days after each Record Date, in each year such form as the Indenture Trustee may reasonably require, a list of the names and addresses of the Registered Noteholders of such series, classes or tranches as of such date, and

(b) at such other times as the Indenture Trustee may request in writing, within thirty (30) days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than fifteen (15) days before the time such list is furnished;

provided, however, that so long as the Indenture Trustee is the Note Registrar, no such list shall be required to be furnished.

Section 902. Preservation of Information: Communications to Noteholders.

(a) The Indenture Trustee will preserve, in as current a form as is reasonably practicable, the names and addresses of Registered Noteholders contained in the most recent list furnished to the Indenture Trustee as provided in Section 901 and the names and addresses of Registered Noteholders received by the Indenture Trustee in its capacity as Note Registrar. The Indenture Trustee may destroy any list furnished to it as provided in Section 901 upon receipt of a new list so furnished.

(b) If three (3) or more Holders of Notes of any series, class or tranche (hereinafter referred to as "applicants") apply in writing to the Indenture Trustee, and furnish to the Indenture Trustee reasonable proof that each such applicant has owned a Note of such series, class or tranche for a period of at least six (6) months preceding the date of such application, and such application states that the applicants desire to communicate with other Holders of Notes of such series, class or tranche or with the Holders of all Notes with respect to their rights under this Indenture or under such Notes and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Indenture Trustee will, within five (5) Business Days after the receipt of such application, at its election, either

(i) afford such applicants access to the information preserved at the time by the Indenture Trustee in accordance with Section 902(a), or

(ii) inform such applicants as to the approximate number of Holders of Notes of such series, class or tranche or all Notes, as the case may be, whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with Section 902(a), and as to the approximate cost of mailing to such Noteholders the form of proxy or other communication, if any, specified in such application.

If the Indenture Trustee shall elect not to afford such applicants access to such information, the Indenture Trustee shall, upon the written request of such applicants, mail to each Holder of a Registered Note of such series, class or tranche or to all Registered Noteholders, as the case may be, whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with Section 902(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Indenture Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless, within five (5) days after such tender, the Indenture Trustee shall mail to such applicants and file with the Commission, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Indenture Trustee, such mailing would be contrary to the best interests of the Holders of Notes of such series, class or tranche or all Noteholders, as the case may be, or would be in violation of applicable law. Such written statement will specify the basis of such opinion. If the Commission, after opportunity for a hearing upon the objections specified in the written statement so filed, shall enter an order refusing to sustain any of such objections or if, after the entry of an order sustaining one or more of such objections, the Commission shall find, after notice and opportunity for hearing, that all the objections so sustained have been met and shall enter an order so declaring, the Indenture Trustee will mail copies of such material to all Registered Noteholders of such series, class or tranche or all Registered Noteholders, as the case may be, with reasonable promptness after the entry of such order and the renewal of such tender; otherwise the Indenture Trustee will be relieved of any obligation or duty to such applicants respecting their application.

(c) Every Holder of Notes, by receiving and holding the same, agrees with the Issuer and the Indenture Trustee that neither the Issuer nor the Indenture Trustee will be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders of Notes in accordance with Section 902(b), regardless of the source from which such information was derived, and that the Indenture Trustee will not be held accountable by reason of mailing any material pursuant to a request made under Section 902(b).

Section 903. Reports by Indenture Trustee.

(a) The term "reporting date" as used in this Section means August 31. Within sixty (60) days after the reporting date in each year, beginning in 2002, the Indenture Trustee will transmit to Noteholders, in the manner and to the extent provided in Section 313(c) of the Trust Indenture Act, a brief report dated as of such reporting date if required by Section 313(a) of the Trust Indenture Act.

(b) To the extent required by the Trust Indenture Act, the Indenture Trustee will mail each year to all Registered Noteholders, with a copy to the Note Rating Agencies a report concerning:

- (i) its eligibility and qualifications to continue as trustee under this Indenture;
- (ii) any amounts advanced by the Indenture Trustee under this Indenture;

- (iii) the amount, interest rate and maturity date or indebtedness owing by the Issuer to the Indenture Trustee in the Indenture Trustee's individual capacity;
- (iv) the property and funds physically held by the Indenture Trustee as Indenture Trustee;
- (v) any release or release and substitution of Collateral subject to the lien of this Indenture which has not previously been reported; and
- (vi) any action taken by the Indenture Trustee that materially affects the Notes and that has not previously been reported.

(c) The Indenture Trustee will comply with Sections 313(b) and 313(c) of the Trust Indenture Act.

(d) A copy of each such report will, at the time of such transmission to Noteholders, be filed by the Indenture Trustee with each stock exchange upon which the Notes are listed, and also with the Commission. The Issuer will notify the Indenture Trustee when the Notes are admitted to trading on any stock exchange.

Section 904. Meetings of Noteholders; Amendments and Waivers

(a) The Indenture Trustee may call a meeting of the Noteholders of a series, class or tranche at any time. The Indenture Trustee will call a meeting upon request of the Issuer or the Holders of at least 10% in aggregate Outstanding Dollar Principal Amount of the Outstanding Notes of such series, class or tranche. In any case, a meeting will be called after notice is given to the Noteholders pursuant to Section 106.

(b) Except for any consent that must be given by the Holders of each Outstanding Note affected or any action to be taken by the Issuer as holder of the Collateral Certificate, any resolution presented at any meeting at which a quorum is present may be adopted by the affirmative vote of the Majority Holders of that series, class or tranche, as the case may be. For any vote, request, demand, authorization, direction, notice, consent, waiver or other action provided by the Series 2001-D Supplement to be given or taken by the holder of the Collateral Certificate, any resolution presented at any meeting at which the Majority Holders of all Outstanding Notes is present may be adopted by the affirmative vote of the Majority Holders of all Outstanding Notes. However, any resolution with respect to any consent, waiver, request, demand, notice, authorization, direction or other action which may be given by the Holders of not less than a specified percentage in aggregate Outstanding Dollar Principal Amount of Outstanding Notes of a series, class or tranche or all Notes may be adopted at any meeting at which a quorum is present only by the affirmative vote of the Holders of not less than the specified percentage in aggregate Outstanding Dollar Principal Amount of the Outstanding Notes of that series, class or tranche or all Outstanding Notes, as the case may be. Any resolution passed or decision taken at any meeting of Noteholders duly held in accordance with this Indenture will be binding on all Noteholders of the affected series, class or tranche.

(c) The quorum at any meeting will be persons holding or representing the Majority Holders of a series, class or tranche or all Notes, as the case may be; provided,

---

however, that if any action is to be taken at that meeting concerning a consent, waiver, request, demand, notice, authorization, direction or other action that may be given by the Holders of not less than a specified percentage in aggregate Outstanding Dollar Principal Amount of the Outstanding Notes of a series, class or tranche or all Notes, as applicable, the persons holding or representing such specified percentage in aggregate Outstanding Dollar Principal Amount of the Outstanding Notes of such series, class or tranche or all Notes will constitute a quorum.

(d) The ownership of Registered Notes will be proved by the Note Register. The Ownership of Bearer Notes will be proved as provided in Section 104(c)(ii).

(e) The Issuer may make reasonable rules for other matters relating to action by or a meeting of Noteholders not otherwise covered by this Section.

Section 905. Reports by Issuer to the Commission. The Issuer will:

(a) file with the Indenture Trustee, within fifteen (15) days after the Issuer is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Issuer may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act; or, if the Issuer is not required to file information, documents or reports pursuant to either of said Sections, then it will file with the Indenture Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(b) file with the Indenture Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Issuer with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(c) transmit by mail to all Registered Noteholders, as their names and addresses appear in the Note Register, and notify all Holders of Bearer Notes of such series, class or tranche, by publication of such notice in an Authorized Newspaper or as otherwise provided in the applicable Indenture Supplement, within thirty (30) days after the filing thereof with the Indenture Trustee, such summaries of any information, documents and reports required to be filed by the Issuer pursuant to paragraphs (a) and (b) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Section 906. Reports by Indenture Trustee. The Indenture Trustee will report to the Issuer with respect to the amount on deposit in the Accounts, and the identity of the investments included therein, as the Issuer may from time to time reasonably request which, absent the occurrence of an Event of Default hereunder, will not occur more often than monthly.

---

Section 907. Monthly Noteholders' Statement. On each Transfer Date the Issuer will, in cooperation with the Servicer of the Master Trust, complete and deliver to the Indenture Trustee and the Master Trust Trustee (with a copy to each Note Rating Agency) a Monthly Noteholders' Statement.

Section 908. Payment Instruction to Master Trust

(a) Promptly after the receipt by the Issuer of each Monthly Servicer's Certificate under the Series 2001-D Supplement, the Issuer will, in cooperation with the Servicer of the Master Trust, complete the Payment Instruction and deliver a copy thereof to the Indenture Trustee and the Master Trust Trustee.

(b) From time to time, the Issuer will notify the Servicer under the Series 2001-D Supplement of the information necessary to be provided by the Issuer under Section 5.01 of the Pooling and Servicing Agreement as supplemented by the Series 2001-D Supplement to calculate the Investor Interest and the Principal Allocation Investor Interest of the Collateral Certificate.

Without the consent of the Holders of any Notes but with prior notice to each Note Rating Agency, the Issuer and the Indenture Trustee, at any time and from time to time, upon delivery of a Master Trust Tax Opinion and an Issuer Tax Opinion and upon delivery by the Issuer to the Indenture Trustee of an Officer's Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future may amend this Indenture or any Indenture Supplement or enter into one or more Indenture Supplements, in form satisfactory to the Indenture Trustee, for any of the following purposes:

- (g) to add any additional Early Redemption Events or Events of Default in respect of the Notes of any or all series, classes or tranches (and if such additional Events of

---

Default are to be in respect of less than all series, classes or tranches of Notes, stating that such Events of Default are expressly being included solely for the benefit of one or more specified series, classes or tranches); or

(h) to provide for the consolidation of the Master Trust and the Issuer into a single Entity or the transfer of assets in the Master Trust to the Issuer after the termination of all series of Investor Certificates (other than the Collateral Certificate); or

(i) if one or more additional Sellers under the Pooling and Servicing Agreement are added to, or replaced under, the Pooling and Servicing Agreement, or one or more additional Beneficiaries under the Trust Agreement are added to, or replaced under, the Trust Agreement, to make any necessary changes to the Indenture or any other related document; or

(j) to provide for the inclusion in the Owner Trust of additional collateral (in addition to the Collateral Certificate) and the issuance of Notes backed by any such additional collateral;

(k) to provide for additional or alternative credit enhancement for any tranche of Notes; or

(l) to qualify for sale treatment under generally accepted accounting principles.

Additionally, notwithstanding any provision of this Article X to the contrary, this Indenture or any Indenture Supplement may be amended without the consent of the Indenture Trustee or any of the Noteholders, upon delivery of a Master Trust Tax Opinion and an Issuer Tax Opinion for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or any Indenture Supplement or of modifying in any manner the rights of the Holders of the Notes under this Indenture or any Indenture Supplement; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee and the Owner Trustee an Officer's Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future and (ii) the Note Rating Agencies have provided written confirmation that such amendment will not have a Ratings Effect.

Section 1002. Supplemental Indentures with Consent of Noteholders. With prior notice to each applicable Note Rating Agency and the consent of not less than 66<sup>2</sup>/<sub>3</sub>% in Outstanding Dollar Principal Amount of each class or tranche affected by such amendment of this Indenture or any Indenture Supplement by Act of said Holders delivered to the Issuer and the Indenture Trustee, the Issuer and the Indenture Trustee, upon delivery of a Master Trust Tax Opinion and an Issuer Tax Opinion, may enter into an amendment of this Indenture or such Indenture Supplement for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or any Indenture Supplement or of modifying in any manner the rights of the Holders of the Notes of each such series, class or tranche under this Indenture or any Indenture Supplement; provided, however, that no such amendment or

---

Indenture Supplement will, without the consent of the Holder of each Outstanding Note affected thereby:

- (a) change the scheduled payment date of any payment of interest on any Note, or change an Expected Principal Payment Date or Legal Maturity Date of any Note;
- (b) reduce the Stated Principal Amount of, or the interest rate on any Note, or change the method of computing the Outstanding Dollar Principal Amount, the Adjusted Outstanding Dollar Principal Amount or the Nominal Liquidation Amount in a manner that is adverse to the Holder of any Note;
- (c) reduce the amount of a Discount Note payable upon the occurrence of an Early Redemption Event or other optional or mandatory redemption or upon the acceleration of its maturity;
- (d) impair the right to institute suit for the enforcement of any payment on any Note;
- (e) reduce the percentage in Outstanding Dollar Principal Amount of the Outstanding Notes of any series, class or tranche, the consent of whose Holders is required for any such Indenture Supplement, or the consent of whose Holders is required for any waiver of compliance with the provisions of this Indenture or of defaults hereunder and their consequences, provided for in this Indenture;
- (f) modify any of the provisions of this Section or Section 718, except to increase any percentage of Holders required to consent to any such amendment or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Note affected thereby;
- (g) permit the creation of any lien or other encumbrance on the Collateral that secures any tranche of Notes that is prior to the lien in favor of the Holders of the Notes of such tranche;
- (h) change any Place of Payment where any principal of, or interest on, any Note is payable, unless otherwise provided in the applicable Indenture Supplement;
- (i) change the method of computing the amount of principal of, or interest on, any Note on any date; or
- (j) make any other amendment not permitted by Section 1001.

An amendment of this Indenture or an Indenture Supplement which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series, class or tranche of Notes, or which modifies the rights of the Holders of Notes of such series, class or tranche with respect to such covenant or other provision, will be deemed not to affect the rights under this Indenture of the Holders of Notes of any other series, class or tranche.

---

It will not be necessary for any Act of Noteholders under this Section to approve the particular form of any proposed amendment or Indenture Supplement, but it will be sufficient if such Act will approve the substance thereof.

Section 1003. Execution of Indenture Supplements. In executing or accepting the additional trusts created by any amendment of this Indenture or Indenture Supplement permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Indenture Trustee will be entitled to receive, and (subject to Section 801) will be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment or Indenture Supplement is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Indenture Trustee may, but will not (except to the extent required in the case of an amendment or Indenture Supplement entered into under Section 1001(d) or 1001(f)) be obligated to, enter into any such Indenture Supplement which affects the Indenture Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 1004. Effect of Indenture Supplements. Upon the execution of any amendment of this Indenture or Indenture Supplement under this Article, this Indenture will be modified in accordance therewith with respect to each series, class or tranche of Notes affected thereby, or all Notes, as the case may be, and such amendment or Indenture Supplement will form a part of this Indenture for all purposes; and every Holder of Notes theretofore or thereafter authenticated and delivered hereunder will be bound thereby to the extent provided therein.

Section 1005. Conformity with Trust Indenture Act. Every amendment of this Indenture or Indenture Supplement executed pursuant to this Article will conform to the requirements of the Trust Indenture Act as then in effect.

Section 1006. Reference in Notes to Indenture Supplements. Notes authenticated and delivered after the execution of any amendment of this Indenture or Indenture Supplement pursuant to this Article may, and will if required by the Indenture Trustee, bear a notation in form approved by the Indenture Trustee as to any matter provided for in such amendment or Indenture Supplement. If the Issuer will so determine, new Notes so modified as to conform, in the opinion of the Indenture Trustee and the Issuer, to any such amendment or Indenture Supplement may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding Notes.

Section 1007. Amendments to the Pooling and Servicing Agreement. By their acceptance of a Note, the Noteholders acknowledge that the Seller and the Master Trust Trustee may amend the Pooling and Servicing Agreement and any supplement thereto without the consent of the Holders of any Investor Certificates (including the Issuer) or any Noteholder, so long as such amendment or supplement would not materially adversely affect the interest of the Holders of any Investor Certificates.

For purposes of any vote or consent under the Pooling and Servicing Agreement or any supplement thereto:

- (i) that requires the consent or vote of each Investor Certificateholder, each Noteholder will be treated as an Investor Certificateholder under the Pooling and Servicing Agreement and any related supplement thereto;
- (ii) that requires the consent or vote of any series of Investor Certificates, each series of Notes will be treated as a series of Investor Certificates under the Pooling and Servicing Agreement and any related supplement thereto;
- (iii) that requires the consent or vote of any class of Investor Certificates, each tranche of Notes will be treated as a class of Investor Certificates under the Pooling and Servicing Agreement and any related supplement thereto, and

By their acceptance of a Note, each Noteholder will be deemed to have consented to any amendment to the Pooling and Servicing Agreement, the Series 2001-D Supplement, the Trust Agreement and any other document or agreement relating to any of the foregoing for the purpose of providing for the transfer of Receivables from FIA (or any additional seller under the Pooling and Servicing Agreement) to a bankruptcy remote special purpose entity and from such entity to the Master Trust and the substitution of a bankruptcy remote special purpose entity as the beneficiary of the Issuer.

Section 1008. Amendments to the Trust Agreement

(a) Subject to the provisions of the Trust Agreement, without the consent of the Holders of any Notes or the Indenture Trustee, the Owner Trustee (at the written direction of the Beneficiary) and the Beneficiary may amend the Trust Agreement so long as such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future.

(b) Subject to the provisions of the Trust Agreement, (A) in the case of a significant change in the permitted activities of the Issuer which is not materially adverse to Holders of the notes, with the consent of the Majority Holders of each class or tranche of Notes affected by such change, and (B) in all other cases, with the consent of the Holders of not less than 66⅔% in Outstanding Dollar Principal Amount of the Outstanding Notes affected by such amendment, by Act of said Holders delivered to the Master Trust Trustee, FIA and the Owner Trustee (at the written direction of the Beneficiary) may amend the Trust Agreement for the purpose of adding, changing or eliminating any provisions of the Trust Agreement or of modifying the rights of those Noteholders.

Section 1009. Notice. If the Issuer, as holder of the Collateral Certificate for the benefit of the Noteholders, receives a request for a consent to any amendment, modification, waiver or supplement under this Indenture, the Pooling and Servicing Agreement, the Trust Agreement or other document contemplated herein, the Issuer will forthwith provide notice of such proposed amendment, modification, waiver or supplement, as provided in Section 106, to each Noteholder as of such date that is entitled to vote on a consent to such matter and to each Note Rating Agency. The Issuer will request from such Noteholders directions as to (i) whether or not the Issuer should take or refrain from taking any action which the holder of the Collateral Certificate has the option to direct, (ii) whether or not to give or execute any waivers, consents,

---

amendments, modifications or supplements as a holder of such Collateral Certificate and (iii) the casting of any vote with respect to the Collateral Certificate or the Noteholders of a series or tranche if a vote has been called for with respect thereto; provided, that, in directing any action or casting any vote or giving any consent as the holder of the Collateral Certificate, the Owner Trustee on behalf of the Issuer will vote or consent with respect to such Collateral Certificate the applicable series, class or tranche, as the case may be, in the same proportion as the Notes were actually voted by Holders thereof as notified by such Noteholders to the Owner Trustee on behalf of the Issuer at least two (2) Business Days before the Owner Trustee on behalf of the Issuer takes such action or casts such vote or gives such consent.

## ARTICLE XI

### REPRESENTATIONS, WARRANTIES AND COVENANTS OF ISSUER

Section 1101. Payment of Principal and Interest. With respect to each series, class or tranche of Notes, the Issuer will duly and punctually pay the principal of and interest on such Notes in accordance with their terms and this Indenture, and will duly comply with all the other terms, agreements and conditions contained in, or made in this Indenture for the benefit of, the Notes of such series, class or tranche.

Section 1102. Maintenance of Office or Agency. The Issuer will maintain an office, agency or Paying Agent in each Place of Payment where Notes may be presented or surrendered for payment, where Notes may be surrendered for transfer or exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer will give prompt written notice to the Indenture Trustee of the location, and of any change in the location, of such office or agency. If at any time the Issuer will fail to maintain such office or agency or will fail to furnish the Indenture Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Indenture Trustee, and the Issuer hereby appoints the Indenture Trustee its agent to receive all such presentations, surrenders, notices and demands.

Section 1103. Money for Note Payments to be Held in Trust. The Paying Agent, on behalf of the Indenture Trustee, will make distributions to Noteholders from the Collection Account or other applicable Account pursuant to the provisions of Article V of this Indenture or any Indenture Supplement and will report the amounts of such distributions to the Indenture Trustee. Any Paying Agent will have the revocable power to withdraw funds from the Collection Account or other applicable Account for the purpose of making the distributions referred to above. The Indenture Trustee may revoke such power and remove the Paying Agent if the Indenture Trustee determines in its sole discretion that the Paying Agent has failed to perform its obligations under this Indenture or any Indenture Supplement in any material respect. The Paying Agent upon removal will return all funds in its possession to the Indenture Trustee.

The Issuer will cause each Paying Agent (other than the Indenture Trustee) for any series, class or tranche of Notes to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent will agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it so agrees), subject to the provisions of this Section, that such Paying Agent will:

(a) hold all sums held by it for the payment of principal of or interest on Notes of such series, class or tranche in trust for the benefit of the Persons entitled thereto until such sums will be paid to such Persons or otherwise disposed of as herein provided;

(b) if such Paying Agent is not the Indenture Trustee, give the Indenture Trustee notice of any default by the Issuer (or any other obligor upon the Notes of such series, class or tranche) in the making of any such payment of principal or interest on the Notes of such series, class or tranche;

---

(c) if such Paying Agent is not the Indenture Trustee, at any time during the continuance of any such default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(d) immediately resign as a Paying Agent and, if such Paying Agent is not the Indenture Trustee, forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards described in this Section required to be met by a Paying Agent at the time of its appointment; and

(e) comply with all requirements of the Internal Revenue Code with respect to the withholding from any payments made by it on any Notes of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to any series, class or tranche of Notes or for any other purpose, pay, or by an Officer's Certificate direct any Paying Agent to pay, to the Indenture Trustee all sums held in trust by the Issuer or such Paying Agent in respect of each and every series, class or tranche of Notes as to which it seeks to discharge this Indenture or, if for any other purpose, all sums so held in trust by the Issuer in respect of all Notes, such sums to be held by the Indenture Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent will be released from all further liability with respect to such money.

Any money deposited with the Indenture Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of or interest on any Note of any series, class or tranche and remaining unclaimed for two years after such principal or interest has become due and payable will be paid to the Issuer upon request in an Officer's Certificate, or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Indenture Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease. The Indenture Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer give notice to the Holders of the Notes as to which the money to be repaid was held in trust, as provided in Section 106, a notice that such funds remain unclaimed and that, after a date specified in the notice, which will not be less than thirty (30) days from the date on which the notice was first mailed or published to the Holders of the Notes as to which the money to be repaid was held in trust, any unclaimed balance of such funds then remaining will be paid to the Issuer free of the trust formerly impressed upon it.

The Issuer initially authorizes The Bank of New York to act as Paying Agent for the Notes on its behalf. The Issuer may at any time and from time to time authorize one or more Persons (including the Indenture Trustee) to act as Paying Agent in addition to or in place of the Indenture Trustee with respect to any series, class or tranche of Notes issued under this Indenture.

Each Paying Agent will at all times have a combined capital and surplus of at least \$50,000,000 and be subject to supervision or examination by a United States Federal or State authority or be regulated by or subject to the supervision or examination of a governmental authority of a nation that is member of the Organization for Economic Cooperation and Development. If such Paying Agent publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Paying Agent will be deemed to be its combined capital and surplus as set forth in its most recent report of condition as so published.

Section 1104. Statement as to Compliance. The Issuer will deliver to the Indenture Trustee and the Note Rating Agencies, on or before August 31 of each year, beginning in 2002, a written statement signed by an Issuer Authorized Officer stating that:

(a) a review of the activities of the Issuer during the prior year and of the Issuer's performance under this Indenture and under the terms of the Notes has been made under such Issuer Authorized Officer's supervision; and

(b) to the best of such Issuer Authorized Officer's knowledge, based on such review, the Issuer has complied in all material respects with all conditions and covenants under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such condition or covenant (without regard to any grace period or requirement of notice), specifying each such default known to such Issuer Authorized Officer and the nature and status thereof.

Section 1105. Legal Existence. The Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its legal existence.

Section 1106. Further Instruments and Acts. Upon request of the Indenture Trustee, the Issuer will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 1107. Compliance with Laws. The Issuer will comply with the requirements of all applicable laws, the noncompliance with which would, individually or in the aggregate, materially and adversely affect the ability of the Issuer to perform its obligations under the Notes or this Indenture.

Section 1108. Notice of Events of Default. The Issuer agrees to give the Indenture Trustee and the Note Rating Agencies prompt written notice of each Event of Default hereunder and each default on the part of the Master Trust or the Seller of its respective obligations under the Pooling and Servicing Agreement and any default of a Derivative Counterparty.

Section 1109. Certain Negative Covenants. The Issuer will not:

(a) claim any credit on, or make any deduction from the principal or interest payable in respect of, the Notes (other than amounts withheld in good faith from such payments under the Internal Revenue Code or other applicable tax law);

(b) permit the validity or effectiveness of this Indenture to be impaired, or permit the lien in favor of the Indenture Trustee, the Noteholders and any applicable Derivative Counterparty created by this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to the Notes under this Indenture except as may be expressly permitted hereby;

(c) permit any lien, charge, excise, claim, security interest, mortgage or other encumbrance (other than the lien in favor of the Indenture Trustee, the Noteholders and any applicable Derivative Counterparty created by this Indenture) to be created on or extend to or otherwise arise upon or burden the Collateral or any part thereof or any interest therein or the proceeds thereof; or

(d) permit the lien in favor of the Indenture Trustee, the Noteholders and any applicable Derivative Counterparty created by this Indenture not to constitute a valid first priority security interest in the Collateral; or

(e) voluntarily dissolve or liquidate.

Section 1110. No Other Business. The Issuer will not engage in any business other than as permitted under the Trust Agreement.

Section 1111. No Borrowing. The Issuer will not issue, incur, assume, guarantee or otherwise become liable, directly or indirectly, for any indebtedness for borrowed money except for the Notes.

Section 1112. Rule 144A Information. For so long as any of the Notes of any series, class or tranche are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Exchange Act, the Issuer agrees to provide to any Noteholder of such series, class or tranche and to any prospective purchaser of Notes designated by such Noteholder, upon the request of such Noteholder or prospective purchaser, any information required to be provided to such Holder or prospective purchaser to satisfy the conditions set forth in Rule 144A(d)(4) under the Securities Exchange Act.

Section 1113. Performance of Obligations: Servicing of Receivables.

(a) The Issuer will not take any action and will use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person’s material covenants or obligations under any instrument or agreement included in the Collateral or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument or agreement, except as expressly provided in this Indenture, the Trust Agreement or such other instrument or agreement.

(b) The Issuer will punctually perform and observe all of its obligations and agreements contained in this Indenture, any Indenture Supplement, the Trust Agreement and in the instruments and agreements relating to the Collateral, including but not limited to filing or causing to be filed all UCC financing statements and continuation statements required to be filed by the terms of this Indenture and the Trust Agreement in accordance with and within the time periods provided for herein and therein. Except as otherwise expressly provided herein or

therein, the Issuer shall not waive, amend, modify, supplement or terminate this Indenture, any Indenture Supplement or the Trust Agreement or any provision thereof without the consent of the Holders of a majority of the Outstanding Amount of the Notes of each adversely affected series, class or tranche.

(c) Without derogating from the absolute nature of the assignment granted to the Indenture Trustee under this Indenture or the rights of the Indenture Trustee hereunder, the Issuer agrees (i) that it will not, without the prior written consent of the Indenture Trustee and a majority in Outstanding Amount of the Notes of each affected series, class or tranche, amend, modify, waive, supplement, terminate or surrender, or agree to any amendment, modification, supplement, termination, waiver or surrender of, the terms of any Collateral (except to the extent otherwise provided in this Indenture or the Trust Agreement), or waive timely performance or observance by the Servicer of its obligations under the Pooling and Servicing Agreement; and (ii) that any such amendment, modification, waiver, supplement, termination or surrender shall not (A) increase or reduce in any manner the amount of, or accelerate or delay the timing of, collections of payments on the Receivables or distributions that are required to be made for the benefit of the Noteholders or (B) reduce the aforesaid percentage of the Notes that is required to consent to any such amendment, modification, waiver, supplement, termination or surrender without the consent of the Holders of all the Outstanding Notes. If any such amendment, modification, waiver, supplement, termination or surrender shall be so consented to by the Indenture Trustee and such Noteholders, the Issuer agrees to execute and deliver, in its own name and at its own expense, such agreements, instruments, consents and other documents as are necessary or appropriate in the circumstances.

Section 1114. Issuer May Consolidate, Etc., Only on Certain Terms

(a) The Issuer shall not consolidate or merge with or into any other Person, unless:

(1) the Person (if other than the Issuer) formed by or surviving such consolidation or merger (i) shall be a Person organized and existing under the laws of the United States of America or any state or the District of Columbia, (ii) shall not be subject to regulation as an “investment company” under the Investment Company Act and (iii) shall expressly assume, by an Indenture Supplement, executed and delivered to the Indenture Trustee, in a form satisfactory to the Indenture Trustee, the due and punctual payment of the principal of and interest on all Notes and the performance of every covenant of this Indenture on the part of the Issuer to be performed or observed;

(2) immediately after giving effect to such transaction, no Event of Default or Pay Out Event shall have occurred and be continuing;

(3) the Issuer shall have delivered to the Indenture Trustee an Officer’s Certificate and an Opinion of Counsel each stating that (i) such consolidation or merger and such Indenture Supplement comply with this Section 1114, (ii) all conditions precedent in this Section 1114 relating to such transaction have been complied with (including any filing required by the Securities Exchange Act), and (iii) such Indenture

---

Supplement is duly authorized, executed and delivered and is valid, binding and enforceable against such person;

(4) the Issuer shall have received written confirmation from each Note Rating Agency that there will be no Ratings Effect with respect to any Outstanding Notes as a result of such consolidation or merger;

(5) the Issuer shall have received an Opinion of Counsel (and shall have delivered copies thereof to the Indenture Trustee) to the effect that such transaction will not have any material adverse tax consequence to any Noteholder;

(6) any action that is necessary to maintain the lien and security interest created by this Indenture shall have been taken; and

(7) such action shall not be contrary to the status of the Issuer as a qualified special purpose entity under existing accounting literature.

(b) The Issuer shall not convey or transfer any of its properties or assets, including those included in the Collateral, substantially as an entirety to any Person, unless:

(1) the Person that acquires by conveyance or transfer the properties and assets of the Issuer the conveyance or transfer of which is hereby restricted shall (A) be a United States citizen or a Person organized and existing under the laws of the United States of America or any state or the District of Columbia, (B) expressly assume, by an Indenture Supplement, executed and delivered to the Indenture Trustee, in form satisfactory to the Indenture Trustee, the due and punctual payment of the principal of and interest on all Notes and the performance or observance of every agreement and covenant of this Indenture on the part of the Issuer to be performed or observed, all as provided herein, (C) expressly agree by means of such Indenture Supplement that all right, title and interest so conveyed or transferred shall be subject and subordinate to the rights of Holders of the Notes, (D) unless otherwise provided in such Indenture Supplement, expressly agree to indemnify, defend and hold harmless the Issuer against and from any loss, liability or expense arising under or related to this Indenture and the Notes, (E) expressly agree by means of such Indenture Supplement that such Person (or if a group of Persons, then one specified Person) shall make all filings with the Commission (and any other appropriate Person) required by the Securities Exchange Act in connection with the Notes and (F) not be an "investment company" as defined in the Investment Company Act;

(2) immediately after giving effect to such transaction, no Event of Default or Pay Out Event shall have occurred and be continuing;

(3) the Issuer shall have received written confirmation from each Note Rating Agency that there will be no Ratings Effect with respect to any Outstanding Notes as a result of such conveyance or transfer;

(4) the Issuer shall have received an Opinion of Counsel (and shall have delivered copies thereof to the Indenture Trustee) to the effect that such transaction will not have any material adverse tax consequence to any Noteholder;

(5) any action that is necessary to maintain the lien and security interest created by this Indenture shall have been taken; and

(6) the Issuer shall have delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel each stating that such conveyance or transfer and such Indenture Supplement comply with this Section 1114 and that all conditions precedent herein provided for relating to such transaction have been complied with (including any filing required by the Securities Exchange Act).

Section 1115. Successor Substituted. Upon any consolidation or merger, or any conveyance or transfer of the properties and assets of the Issuer substantially as an entirety in accordance with Section 1114 hereof, the Person formed by or surviving such consolidation or merger (if other than the Issuer) or the Person to which such conveyance or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such Person had been named as the Issuer herein. In the event of any such conveyance or transfer, the Person named as the Issuer in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Section 1115 shall be released from its obligations under this Indenture as issued immediately upon the effectiveness of such conveyance or transfer, provided that the Issuer shall not be released from any obligations or liabilities to the Indenture Trustee or the Noteholders arising prior to such effectiveness.

Section 1116. Guarantees, Loans, Advances and Other Liabilities. Except as contemplated by this Indenture or the Trust Agreement, the Issuer shall not make any loan or advance or credit to, or guarantee (directly or indirectly or by an instrument having the effect of assuring another's payment or performance on any obligation or capability of so doing or otherwise), endorse or otherwise become contingently liable, directly or indirectly, in connection with the obligations, stocks or dividends of, or own, purchase, repurchase or acquire (or agree contingently to do so) any stock, obligations, assets or securities of, or any other interest in, or make any capital contribution to, any other Person.

Section 1117. Capital Expenditures. The Issuer shall not make any expenditure (by long-term or operating lease or otherwise) for capital assets (either realty or personalty).

Section 1118. Restricted Payments. The Issuer shall not, directly or indirectly, (i) pay any dividend or make any distribution (by reduction of capital or otherwise), whether in cash, property, securities or a combination thereof, to the Owner Trustee or any owner of a beneficial interest in the Issuer or otherwise with respect to any ownership or equity interest or security in or of the Issuer or to the Servicer, (ii) redeem, purchase, retire or otherwise acquire for value any such ownership or equity interest or security or (iii) set aside or otherwise segregate any amounts for any such purpose; provided, however, that the Issuer may make, or cause to be made, (x) distributions as contemplated by, and to the extent funds are available for such purpose under, the Trust Agreement and (y) payments to the Indenture Trustee pursuant to

---

Section 807 hereof. The Issuer will not, directly or indirectly, make payments to or distributions from the Collection Account except in accordance with this Indenture or any Indenture Supplement.

## ARTICLE XII

### EARLY REDEMPTION OF NOTES

Section 1201. Applicability of Article. Unless otherwise specified in the applicable Indenture Supplement related to a series, class or tranche of Notes, pursuant to the terms of this Article, the Issuer will redeem and pay, provided that funds are available, each affected series, class or tranche of Notes upon the occurrence of any Early Redemption Event. Unless otherwise specified in the applicable Indenture Supplement relating to a series, class or tranche of Notes, or in the form of Notes for such series, class or tranche, the following are “Early Redemption Events”:

- (a) with respect to any tranche of Notes, the occurrence of the Expected Principal Payment Date of such Note;
- (b) the occurrence of any Pay Out Event as defined in the Pooling and Servicing Agreement or any Series 2001-D Pay Out Event as described in the Series 2001-D Supplement;
- (c) The Issuer becomes an investment company within the meaning of the Investment Company Act; or
- (d) with respect to any series, class or tranche of Notes, any additional Early Redemption Event specified in the Indenture Supplement for such series, class or tranche as applying to such series, class or tranche.

The redemption price of a tranche of Notes so redeemed will equal the Outstanding principal amount of such tranche, *plus* interest accrued and unpaid to but excluding the date of redemption, the payment of which will be subject to Article V, Article VII and the allocations, deposits and payments sections of the related Indenture Supplement.

If the Issuer is unable to pay the redemption price in full on the Monthly Principal Payment Date following the end of the Monthly Period in which the Early Redemption Event occurs, monthly payments on such tranche of Notes will thereafter be made on each following Monthly Principal Payment Date until the Outstanding principal amount of such tranche, *plus* all accrued and unpaid interest, is paid in full or the Legal Maturity Date occurs, whichever is earlier, subject to Article V, Article VII and the allocations, deposits and payments sections of the related Indenture Supplement. Any funds in any Supplemental Account for a redeemed tranche will be applied to make the principal and interest payments on that tranche on the redemption date, subject to Article V, Article VII and the allocations, deposits and payments sections of the related Indenture Supplement. Principal payments on redeemed tranches will be made first to the senior-most Notes until paid in full, then to the subordinated Notes until paid in full.

Section 1202. Optional Repurchase. Unless otherwise provided in the applicable Indenture Supplement for a series, class or tranche of Notes, the Servicer has the right, but not the obligation, to redeem a series, class or tranche of Notes in whole but not in part on any day

on or after the day on which the aggregate Nominal Liquidation Amount of such series, class or tranche is reduced to less than 5% of its Initial Dollar Principal Amount; provided, however, that if such series, class or tranche of Notes is of a subordinated class, the Servicer will not redeem such Notes if the provisions of the related Indenture Supplement would prevent the payment of such subordinated Note until a level of prefunding of the principal funding sub-accounts for the senior classes of Notes for that series has been reached such that the amount of such deficiency in the required subordination of a senior class of Notes is no longer required to provide subordination protection for the senior classes of that series. If the Servicer elects to redeem a series, class or tranche of Notes, it will cause the Issuer to notify the Holders of such redemption at least thirty (30) days prior to the redemption date. The redemption price of a series, class or tranche so redeemed will equal the Outstanding principal amount of such tranche, plus interest accrued and unpaid or principal accreted and unpaid on such tranche to but excluding the date of redemption, the payment of which will be subject to Article V, Article VII and the allocations, deposits and payments sections of the related Indenture Supplement.

If the Issuer is unable to pay the redemption price in full on the redemption date, monthly payments on such tranche of Notes will thereafter be made until the Outstanding principal amount of such tranche, plus all accrued and unpaid interest, is paid in full or the Legal Maturity Date occurs, whichever is earlier, subject to Article V, Article VII and the allocations, deposits and payments sections of the related Indenture Supplement. Any funds in any Supplemental Account for a redeemed tranche will be applied to make the principal and interest payments on that tranche on the redemption date in accordance with the related Indenture Supplement. Principal payments on redeemed tranches will be made in accordance with the related Indenture Supplement.

Section 1203. Notice. Promptly after the occurrence of any Early Redemption Event or a redemption pursuant to Section 1202, the Issuer will notify the Indenture Trustee and the Note Rating Agencies in writing of the identity, Stated Principal Amount and Outstanding Dollar Principal Amount of the affected series, class or tranche of Notes to be redeemed. Notice of redemption will promptly be given as provided in Section 106. All notices of redemption will state (a) the date on which the redemption of the applicable series, class or tranche of Notes pursuant to this Article will begin, which will be the Principal Payment Date next following the end of the Monthly Period in which the applicable Early Redemption Event or redemption pursuant to Section 1202 occurs, (b) the redemption price for such series, class or tranche of Notes, which will be equal to the Outstanding principal amount of such series, class or tranche plus interest accrued or principal accreted and unpaid (if any), the payment of which will be subject to Article V, Article VII and the allocations, deposits and payments sections of the related Indenture Supplement and (c) the series, class or tranche of Notes to be redeemed pursuant to this Article.

**ARTICLE XIII**

**COLLATERAL**

Section 1301. Recording, Etc.

(a) The Issuer intends the Security Interest granted pursuant to this Indenture in favor of the Indenture Trustee to be prior to all other liens in respect of the Collateral. Subject to Section 1303, the Issuer will take all actions necessary to obtain and maintain a perfected lien on and security interest in the Collateral in favor of the Indenture Trustee. The Issuer will from time to time execute and deliver all such supplements and amendments hereto and all such financing statements, continuation statements, instruments of further assurance and other instruments, all as prepared by the Issuer, and will take such other action necessary or advisable to:

- (i) grant a Security Interest more effectively in all or any portion of the Collateral;
- (ii) maintain or preserve the Security Interest (and the priority thereof) created by this Indenture or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any grant made or to be made by this Indenture;
- (iv) enforce the Collateral Certificate, the Derivative Agreements and each other instrument or agreement included in the Collateral;
- (v) preserve and defend title to the Collateral and the rights of the Indenture Trustee in such Collateral against the claims of all persons and parties; or
- (vi) pay all taxes or assessments levied or assessed upon the Collateral when due.

(b) The Issuer will from time to time promptly pay and discharge all financing and continuation statement recording and/or filing fees, charges and taxes relating to this Indenture, any amendments thereto and any other instruments of further assurance. The Issuer hereby designates the Indenture Trustee its agent and attorney-in-fact to execute upon the Issuer's failure to do so, any financing statement, continuation statement or other instrument required by the Indenture Trustee pursuant to this Section.

(c) Without limiting the generality of clauses (a)(ii) or (a)(iii):

(i) The Issuer will cause this Indenture, all amendments and supplements hereto and/or all financing statements and continuation statements and any other necessary documents covering the Indenture Trustee's right, title and interest to the Collateral to be promptly recorded, registered and filed, and at all times to be kept, recorded, registered and filed, all in such manner and in such places as may be required

by law fully to preserve and protect the right, title and interest of the Indenture Trustee to all property comprising the Collateral. The Issuer will deliver to the Indenture Trustee file-stamped copies of, or filing receipts for, any document recorded, registered or filed as provided above, as soon as available following such recording, registration or filing.

(ii) Within 30 days after the Issuer makes any change in its name, identity or corporate structure which would make any financing statement or continuation statement filed in accordance with paragraph (d)(i) seriously misleading within the meaning of Section 9-506 (or any comparable provision) of the UCC, the Issuer will give the Indenture Trustee notice of any such change and will file such financing statements or amendments as may be necessary to continue the perfection of the Indenture Trustee's security interest in the Collateral.

(d) The Issuer will give the Indenture Trustee prompt notice of any relocation of its chief executive office, place of business or State of location, and any change in the jurisdiction of its organization, and whether, as a result of such relocation or change, the applicable provision of the UCC would require the filing of any amendment of any previously filed financing or continuation statement or of any new financing statement and will file such financing statements or amendments as may be necessary to perfect or to continue the perfection of the Indenture Trustee's security interest in the Collateral. The Issuer will at all times maintain its chief executive office within the United States.

(e) The duty of the Indenture Trustee to execute any instrument required pursuant to this Section will arise only if the Indenture Trustee has knowledge of the type described in Section 701(c) of any default of the Issuer in complying with the provisions of this Section.

Section 1302, Trust Indenture Act Requirements. The release of any Collateral from the lien created by this Indenture or the release of, in whole or in part, such liens, will not be deemed to impair the Security Interests in contravention of the provisions hereof if and to the extent the Collateral or liens are released pursuant to the terms hereof. The Indenture Trustee and each of the Noteholders and any applicable Derivative Counterparty acknowledge that a release of Collateral or liens strictly in accordance with the terms hereof will not be deemed for any purpose to be an impairment of the Security Interests in contravention of the terms of this Indenture. To the extent applicable, without limitation, the Issuer and each other obligor on the Notes will cause Trust Indenture Act Section 314(d) relating to the release of property or securities from the liens hereof to be complied with. Any certificate or opinion required by Trust Indenture Act Section 314(d) may be made by an officer of the appropriate obligor, except in cases in which Trust Indenture Act Section 314(d) requires that such certificate or opinion be made by an independent person.

Section 1303, Suits To Protect the Collateral. Subject to the provisions of this Indenture, the Indenture Trustee will have power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of this Indenture, and such suits and proceedings as the Indenture Trustee may deem expedient to preserve or protect the interests of the Noteholders and any applicable Derivative Counterparty and the interests of the Indenture Trustee and the

Holders of the Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Security Interests or be prejudicial to the interests of the Holders of the Notes or the Indenture Trustee). No counterparties to a Derivative Agreement may direct the Indenture Trustee to enforce the Security Interest. Each Derivative Counterparty's rights consist solely of the right to receive collections allocated for its benefit pursuant to the related Indenture Supplement.

Section 1304. Purchaser Protected. In no event will any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Indenture Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor will any purchaser or other transferee of any property or rights permitted by this Article to be sold be under any obligation to ascertain or inquire into the authority of the Issuer or any other obligor, as applicable, to make any such sale or other transfer.

Section 1305. Powers Exercisable by Receiver or Indenture Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article upon the Issuer or any other obligor, as applicable, with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or any other obligor, as applicable, or of any officer or officers thereof required by the provisions of this Article.

Section 1306. Determinations Relating to Collateral. In the event (i) the Indenture Trustee shall receive any written request from the Issuer or any other obligor for consent or approval with respect to any matter or thing relating to any Collateral or the Issuer's or any other obligor's obligations with respect thereto or (ii) there shall be due to or from the Indenture Trustee under the provisions hereof any performance or the delivery of any instrument or (iii) the Indenture Trustee shall become aware of any nonperformance by the Issuer or any other obligor of any covenant or any breach of any representation or warranty of the Issuer or any other obligor set forth in this Indenture, then, in each such event, the Indenture Trustee shall be entitled to hire experts, consultants, agents and attorneys to advise the Indenture Trustee on the manner in which the Indenture Trustee should respond to such request or render any requested performance or response to such nonperformance or breach (the expenses of which will be reimbursed to the Agent and the Indenture Trustee pursuant to Section 807). The Indenture Trustee will be fully protected in the taking of any action recommended or approved by any such expert, consultant, agent or attorney or agreed to by the Majority Holders of the Outstanding Notes.

Section 1307. Release of Collateral.

(a) Subject to the payment of its fees and expenses pursuant to Section 807, the Indenture Trustee will, at the request of the Issuer or when otherwise required by the provisions of this Indenture, execute instruments to release property from the lien of this

Indenture, or convey the Indenture Trustee's interest in the same, in a manner and under circumstances which are not inconsistent with the provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in this Article will be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any funds.

(b) Upon delivery of an Officer's Certificate certifying that the Issuer's obligations under this Indenture have been satisfied and discharged by complying with the provisions of this Article, the Indenture Trustee will (i) execute and deliver such releases, termination statements and other instruments (in recordable form, where appropriate) as the Issuer or any other obligor, as applicable, may reasonably request evidencing the termination of the Security Interests created by this Indenture and (ii) not to be deemed to hold the Security Interests for the benefit of the Indenture Trustee, the Noteholders and any applicable Derivative Counterparty.

(c) FIA and the Noteholders will be entitled to receive at least ten (10) days written notice when the Indenture Trustee proposes to take any action pursuant to clause (a), accompanied by copies of any instruments involved, and the Indenture Trustee will also be entitled to require, as a condition to such action, an Opinion of Counsel, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with. Counsel rendering any such opinion may rely, without independent investigation, on the accuracy and validity of any certificate or other instrument delivered to the Indenture Trustee in connection with any such action.

Section 1308. Certain Actions by Indenture Trustee. Any action taken by the Indenture Trustee pursuant to this Article in respect of the release of Collateral will be taken by the Indenture Trustee as its interest in such Collateral may appear, and no provision of this Article is intended to, or will, excuse compliance with any provision hereof.

Section 1309. Opinions as to Collateral.

(a) On the Effective Date, the Issuer will furnish to the Indenture Trustee an Opinion of Counsel either stating that, in the opinion of such counsel, such action has been taken with respect to the recording and filing of this Indenture, any indentures supplemental hereto, and any other requisite documents, and with respect to the execution and filing of any financing statements and continuation statements, as are necessary to perfect and maintain the perfection of the Security Interest granted by this Indenture in favor of the Indenture Trustee and reciting the details of such action, or stating that, in the opinion of such counsel, no such action is necessary to make such lien and security interest perfected.

(b) On or before March 31 in each calendar year, beginning in 2002, the Issuer will furnish to the Indenture Trustee an Opinion of Counsel with respect to each Uniform Commercial Code financing statement which has been filed by the Issuer either stating that, (i) in the opinion of such counsel, such action has been taken with respect to the recording, filing, re-recording and re-filing of this Indenture, any indentures supplemental hereto and any other requisite documents and with respect to the execution and filing of any financing statements and

---

continuation statements as is necessary to maintain the first priority lien and Security Interest created by this Indenture and reciting the details of such action or (ii) in the opinion of such counsel no such action is necessary to maintain such lien and Security Interest. Such Opinion of Counsel will also describe the recording, filing, re-recording and refiling of this Indenture, any indentures supplemental hereto and any other requisite documents and the execution and filing of any financing statements and continuation statements that will, in the opinion of such counsel, be required to maintain the lien and Security Interest of this Indenture until March 31 in the following calendar year.

Section 1310. Delegation of Duties. The Issuer may contract with or appoint other Persons (including FIA and its Affiliates) to assist it in performing its duties under this Indenture, and any performance of such duties by a Person identified to the Indenture Trustee in an Officer's Certificate will be deemed to be action taken by the Issuer.

Section 1401. No Petition. To the fullest extent permitted by applicable law, the Indenture Trustee, by entering into this Indenture, each Derivative Counterparty, by designating that the obligations of the Issuer pursuant to the applicable Derivative Agreement are secured by the Collateral, and each Noteholder, by accepting a Note, agrees that it will not at any time institute against FIA, the Master Trust or the Issuer, or join in any institution against FIA, the Master Trust or the Issuer of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States Federal or state bankruptcy or similar law in connection with any obligations relating to the Notes, this Indenture or any Derivative Agreement.

Section 1402. Trust Obligations. No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer on the Notes or under this Indenture or any certificate or other writing delivered in connection herewith or therewith, against (i) the Owner Trustee in its individual capacity, (ii) any owner of a beneficial interest in the Issuer or (iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Owner Trustee in its individual capacity, any holder of a beneficial interest in the Issuer or the Owner Trustee or of any successor or assign of the Owner Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Owner Trustee has no such obligations in its individual capacity).

Section 1403. Limitations on Liability.

(a) It is expressly understood and agreed by the parties hereto that (i) this Indenture is executed and delivered by the Beneficiary not individually or personally but solely as Beneficiary, in the exercise of the powers and authority conferred and vested in it, (ii) each of the representations, undertakings and agreements herein made on the part of the Issuer is made and intended not as a personal representation, undertaking or agreement by the Beneficiary but is made and intended for the purpose of binding only the Issuer, (iii) nothing herein contained will be construed as creating any liability on the Beneficiary individually or personally, to perform any covenant of the Issuer either expressed or implied contained herein, all such liability, if any, being expressly waived by the parties to this Indenture and by any Person claiming by, through or under them and (iv) under no circumstances will the Beneficiary be personally liable for the payment of any indebtedness or expenses of the Issuer or be liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Issuer under this Indenture or any related documents.

(b) None of the Indenture Trustee, the Owner Trustee, FIA or any other beneficiary of the Issuer or any of their respective officers, directors, employers or agents will have any liability with respect to this Indenture, and recourse may be had solely to the Collateral pledged to secure the Notes issued by BA Credit Card Trust.

Section 1404. Tax Treatment. The Issuer and the Noteholders agree that the Notes are intended to be debt of FIA for federal, state and local income and franchise tax purposes and agree to treat the Notes accordingly for all such purposes, unless otherwise required by a taxing authority.

Section 1405. Actions Taken by the Issuer. Any and all actions that are to be taken by the Issuer may be taken by either the Beneficiary or the Owner Trustee on behalf of the Issuer.

Section 1406. Alternate Payment Provisions. Notwithstanding any provision of this Indenture or any of the Notes to the contrary, the Issuer, with the written consent of the Indenture Trustee, may enter into any agreement with any Holder of a Note providing for a method of payment or notice that is different from the methods provided for in this Indenture for such payments or notices. The Issuer will furnish to the Indenture Trustee a copy of each such agreement and the Indenture Trustee will cause payments or notices, as applicable, to be made in accordance with such agreements.

Section 1407. Termination of Issuer. The Issuer and the respective obligations and responsibilities of the Indenture Trustee created hereby (other than the obligation of the Indenture Trustee to make payments to Noteholders as hereinafter set forth) shall terminate, except with respect to the duties described in Section 1408(b), as provided in the Trust Agreement.

Section 1408. Final Distribution.

(a) The Servicer shall give the Indenture Trustee at least thirty (30) days prior written notice of the Payment Date on which the Noteholders of any series, class or tranche may surrender their Notes for payment of the final distribution on and cancellation of such Notes. Not later than the fifth day of the month in which the final distribution in respect of such Series or Class is payable to Noteholders, the Indenture Trustee shall provide notice to Noteholders of such series, class or tranche specifying (i) the date upon which final payment of such series, class or tranche will be made upon presentation and surrender of Notes of such series, class or tranche at the office or offices therein designated, (ii) the amount of any such final payment and (iii) that the Record Date otherwise applicable to such payment date is not applicable, payments being made only upon presentation and surrender of such Notes at the office or offices therein specified (which, in the case of Bearer Notes, shall be outside the United States). The Indenture Trustee shall give such notice to the Note Registrar and the Paying Agent at the time such notice is given to Noteholders.

(b) Notwithstanding a final distribution to the Noteholders of any series, class or tranche (or the termination of the Issuer), except as otherwise provided in this paragraph, all funds then on deposit in any Account allocated to such Noteholders shall continue to be held in trust for the benefit of such Noteholders, and the Paying Agent or the Indenture Trustee shall pay such funds to such Noteholders upon surrender of their Notes, if certificated. In the event that all such Noteholders shall not surrender their Notes for cancellation within six (6) months after the date specified in the notice from the Indenture Trustee described in paragraph (a), the Indenture Trustee shall give a second notice to the remaining such Noteholders to surrender their Notes for

---

cancellation and receive the final distribution with respect thereto (which surrender and payment, in the case of Bearer Notes, shall be outside the United States). If within one year after the second notice all such Notes shall not have been surrendered for cancellation, the Indenture Trustee may take appropriate steps, or may appoint an agent to take appropriate steps, to contact the remaining such Noteholders concerning surrender of their Notes, and the cost thereof shall be paid out of the funds in the Collection Account or any Supplemental Account held for the benefit of such Noteholders. The Indenture Trustee and the Paying Agent shall pay to the Issuer any monies held by them for the payment of principal or interest that remains unclaimed for two (2) years. After payment to the Issuer, Noteholders entitled to the money must look to the Issuer for payment as general creditors unless an applicable abandoned property law designates another Person.

Section 1409. Termination Distributions. Upon the termination of the Issuer pursuant to the terms of the Trust Agreement, the Indenture Trustee shall release, assign and convey to the Beneficiary or any of its designees, without recourse, representation or warranty, all of its right, title and interest in the Collateral, whether then existing or thereafter created, all monies due or to become due and all amounts received or receivable with respect thereto (including all moneys then held in any Issuer Account) and all proceeds thereof, except for amounts held by the Indenture Trustee pursuant to Section 1408(b). The Indenture Trustee shall execute and deliver such instruments of transfer and assignment as shall be provided to it, in each case without recourse, as shall be reasonably requested by the Beneficiary to vest in the Beneficiary or any of its designees all right, title and interest which the Indenture Trustee had in the Collateral and such other property.

Section 1410. Derivative Counterparty as Third-Party Beneficiary. Each Derivative Counterparty is a third-party beneficiary of this Indenture to the extent specified in the applicable Derivative Agreement or Indenture Supplement.

Re: Purchase of \$\_\_\_\_\_ \* principal amount of BA  
Credit Card Trust, Series [-], Class [-] Notes

Ladies and Gentlemen:

In connection with our purchase of the above Notes (the "Notes") we confirm that:

(1) We understand that the Notes are not being registered under the Securities Act of 1933, as amended (the "Securities Act"), and are being sold to us in a transaction that is exempt from the registration requirements of the Securities Act.

(2) Any information we desire concerning the Notes or any other matter relevant to our decision to purchase the Notes is or has been made available to us.

(3) We have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Notes, and we (and any account for which we are purchasing under paragraph (iv) below) are able to bear the economic risk of an investment in the Notes. We (and any account for which we are purchasing under paragraph (iv) below) are an "accredited investor" (as such term is defined in Rule 501(a)(1), (2) or (3) of Regulation D under the Securities Act).

\* Not less than \$250,000 minimum principal amount.

---

(4) We are acquiring the Notes for our own account or for accounts as to which we exercise sole investment discretion and not with a view to any distribution of the Notes, subject, nevertheless, to the understanding that the disposition of our property shall at all times be and remain within our control;

(5) We agree that the Notes must be held indefinitely by us unless subsequently registered under the Securities Act or an exemption from any registration requirements of the Securities Act and any applicable state securities law is available;

(6) We agree that in the event that at some future time we wish to dispose of or exchange any of the Notes (such disposition or exchange not being currently foreseen or contemplated), we will not transfer or exchange any of the Notes unless:

(a)(i) the sale is of at least U.S. \$250,000 principal amount of Notes to an Eligible Purchaser (as defined below), (ii) a letter to substantially the same effect as paragraphs (1), (2), (3), (4), (5) and (6) of this letter is executed promptly by the purchaser and (3) all offers or solicitations in connection with the sale, whether directly or through any agent acting on our behalf, are limited only to Eligible Purchasers and are not made by means of any form of general solicitation or general advertising whatsoever; or

(b) the Notes are transferred pursuant to Rule 144 under the Securities Act by us after we have held them for more than three years; or

(c) the Notes are sold in any other transaction that does not require registration under the Securities Act and, if the Issuer, the Servicer, the Trustee or the Note Registrar so requests, we theretofore have furnished to such party an opinion of counsel satisfactory to such party, in form and substance satisfactory to such party, to such effect; or

(d) the Notes are transferred pursuant to an exception from the registration requirements of the Securities Act under Rule 144A under the Securities Act; and

(7) We understand that the Notes will bear a legend to substantially the following effect:

“THIS NOTE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”). NEITHER THIS NOTE NOR ANY PORTION HEREOF MAY BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN COMPLIANCE WITH THE REGISTRATION PROVISIONS OF THE SECURITIES ACT AND ANY APPLICABLE PROVISIONS OF ANY STATE BLUE SKY OR SECURITIES LAWS OR PURSUANT TO AN AVAILABLE EXEMPTION FROM SUCH PROVISIONS. THE TRANSFER OF THIS NOTE IS SUBJECT TO CERTAIN CONDITIONS SET FORTH IN THE INDENTURE REFERRED TO HEREIN.”

---

This legend may be removed if the Issuer, the Trustee and the Note Registrar have received an opinion of counsel satisfactory to them, in form and substance satisfactory to them, to the effect that the legend may be removed.

For purposes of this clause, the available subordinated amount of Class C Notes for such tranche of Class B Notes as of any date means the sum of the following, after giving effect to any issuances, deposits, allocations, reallocations or payments to be made on that date:

(i) the aggregate Nominal Liquidation Amount of all tranches of Class C Notes which are Outstanding on that date;*minus*

(ii) the aggregate Class B Required Subordinated Amount of Class C Notes for all other tranches of Class B Notes which are Outstanding on that date.

(d) Class B Required Subordinated Amount of Class C Notes. On the issuance date of a tranche of Class A Notes, immediately after giving effect to such issuance, the available subordinated amount of Class C Notes for all tranches of Class B Notes must be at least equal to the aggregate Class B Required Subordinated Amount of Class C Notes for all tranches of Class B Notes which are Outstanding on that date. For purposes of this clause, the available subordinated amount of Class C Notes for all tranche of Class B Notes as of any date means the sum of the following, after giving effect to any issuances, deposits, allocations, reallocations or payments to be made on that date:

(i) the aggregate Nominal Liquidation Amount of all tranches of Class C Notes which are Outstanding on that date;*minus*

---

(ii) the aggregate Class A Required Subordinated Amount of Class C Notes for all tranches of Class A Notes for which the Class A Required Subordinated Amount of Class B Notes is equal to zero which are Outstanding on that date.

Allocations, Deposits and Payments

Section 3.01. Allocations of BAseries Available Funds. On each Transfer Date, the Indenture Trustee will apply BAseries Available Funds, as follows:

- (a) first, to make the targeted deposits to the Interest Funding Account pursuant to Section 3.02;
- (b) second, to pay the BAseries Servicing Fee *plus* any previously due and unpaid BAseries Servicing Fee to the Servicer;
- (c) third, to be treated as BAseries Available Principal Amounts for application in accordance with Section 3.07 in an amount equal to the BAseries Investor Default Amount, if any, for the preceding Monthly Period;
- (d) fourth, to be treated as BAseries Available Principal Amounts for application in accordance with Section 3.07 in an amount equal to the Nominal Liquidation Amount Deficit, if any;
- (e) fifth, to make the targeted deposit to the Accumulation Reserve Account, if any, pursuant to Section 3.24;
- (f) sixth, to make the targeted deposit to the Class C Reserve Account, if any, pursuant to Section 3.22;
- (g) seventh, to make any other payment or deposit required by the terms documents of any class or tranche of BAseries Notes;
- (h) eighth, to be treated as Shared Excess Available Funds for application in accordance with Section 3.27; and
- (i) ninth, to the Issuer.

Section 3.02. Targeted Deposits to the Interest Funding Account The aggregate amount of BAseries Available Funds targeted to be deposited into the Interest Funding Account pursuant to Section 3.01(a) on each Transfer Date is equal to the sum of the following amounts. A single tranche of Notes may be entitled to more than one of the following targeted deposits on any Transfer Date. The targeted deposit on any Transfer Date will also include any shortfall in the targeted deposit with respect to any prior Transfer Date which has not been previously deposited.

(a) Specified Deposits. If the terms document for a tranche of Notes specifies a deposit to be made to the Interest Funding sub-Account for that tranche, the deposit targeted for that tranche of Notes with respect to that Transfer Date is such specified amount.

(b) Interest Payments. The deposit targeted for any tranche of Outstanding Interest-bearing Notes on each Transfer Date will be equal to the amount of interest accrued on the Outstanding Dollar Principal Amount of that tranche of Notes during the period from and including the Monthly Interest Accrual Date in the prior Monthly Period to but excluding the Monthly Interest Accrual Date in the current Monthly Period.

(c) Amounts Owed to Derivative Counterparties. If a tranche of Outstanding Dollar Notes or foreign currency Notes that has a Performing or non-Performing Derivative Agreement for interest provides for a payment to the applicable Derivative Counterparty, the deposit targeted for that tranche of Notes on each Transfer Date with respect to any payment to the Derivative Counterparty will be specified in the related terms document.

(d) Discount Notes. The deposit targeted for a tranche of Outstanding Discount Notes on each Transfer Date is equal to the amount of accretion of principal of that tranche of Notes from the Monthly Principal Accrual Date in the related Monthly Period (or in the case of the first Transfer Date with respect to any tranche of Notes, from the date of issuance of that tranche of Notes) to but excluding the Monthly Principal Accrual Date for the next month.

(e) Additional Interest. Unless otherwise specified in the applicable terms document, the deposit targeted for any tranche of Outstanding Notes (other than Discount Notes) for any month that has previously due and unpaid interest will include the interest accrued on that overdue interest from and including the Monthly Interest Accrual Date in that month to but excluding the Monthly Interest Accrual Date next following that month at the rate of interest applicable to the principal of that tranche during that period.

Section 3.03. Allocations of BAseries Available Funds to Interest Funding sub-Accounts. The aggregate amount to be deposited to the Interest Funding Account pursuant to Section 3.01(a) for each Monthly Period will be allocated, and a portion deposited into the Interest Funding sub-Account for each tranche of Notes, as follows:

(a) BAseries Available Funds at Least Equal to Targeted Amounts. If the amount of funds available for a Monthly Period pursuant to Section 3.01 is at least equal to the aggregate amount of the deposits and payments targeted by Section 3.02, then the full amount of each such deposit and payment will be made to the applicable Interest Funding sub-Accounts.

(b) BAseries Available Funds are Less than Targeted Amounts. If the amount of funds available for a Monthly Period pursuant to Section 3.01 is less than the aggregate amount of the deposits targeted by Section 3.02, then the amount available will be allocated to each tranche of Notes as follows:

(i) first, to each tranche of Class A Notes *pro rata* based on the ratio of (A) the aggregate amount of the deposits targeted by Section 3.02 with respect to that tranche of Class A Notes, to (B) the aggregate amount of the deposits targeted by Section 3.02 with respect to all tranches of Class A Notes, and

(ii) second, to each tranche of Class B Notes *pro rata* based on the ratio of (A) the aggregate amount of the deposits targeted by Section 3.02 with respect to that

---

tranche of Class B Notes, to (B) the aggregate amount of the deposits targeted by Section 3.02 with respect to all tranches of Class B Notes, and

(iii) third, to each tranche of Class C Notes *pro rata* based on the ratio of (A) the aggregate amount of the deposits targeted by Section 3.02 with respect to that tranche of Class C Notes, to (B) the aggregate amount of the deposits targeted by Section 3.02 with respect to all tranches of Class C Notes.

Section 3.04. Amounts to be Treated as BAseries Available Funds; Payments Received from Derivative Counterparties for Interest in Foreign Currencies; Other Deposits to the Interest Funding sub-Accounts. The following deposits and payments will be made on the following dates:

(a) Amounts to be Treated as BAseries Available Funds. In addition to Available Funds allocated to the BAseries pursuant to Section 5.01 of the Indenture, the following amounts shall be treated as BAseries Available Funds for application in accordance with this Article III for any Monthly Period:

(i) PFA Accumulation Earnings Shortfall. The aggregate amount withdrawn from the Accumulation Reserve Account pursuant to Section 3.25(a) will be treated as BAseries Available Funds for such Monthly Period.

(ii) PFA Prefunding Earnings Shortfall. On or prior to each Transfer Date, the Issuer will calculate the PFA Prefunding Earnings Shortfall (if any) for the Principal Funding sub-Account for each tranche of Notes. If there is any PFA Prefunding Earnings Shortfall for any Principal Funding sub-Account for that Transfer Date, or any unpaid PFA Prefunding Earnings Shortfall for any Principal Funding sub-Account from any earlier Transfer Date, in each case for any tranche of Notes, the Issuer will notify the Master Trust pursuant to Section 4.09 of the Series 2001-D Supplement of that amount. On each Transfer Date, the Indenture Trustee will treat as BAseries Available Funds the amount received by the Issuer pursuant to Section 4.09 of the Series 2001-D Supplement with respect to each Principal Funding sub-Account, if any; provided, however, that any amount paid to the Issuer pursuant to the proviso to Section 4.09(b) of the Series 2001-D Supplement will be deposited directly into the applicable Interest Funding sub-Accounts *pro rata* based on the Nominal Liquidation Amount as of the close of business on the last day of the preceding Monthly Period of each tranche with prefunded amounts in its Principal Funding sub-Account.

(iii) Dollar Payments from Derivative Counterparties for Interest. Dollar payments received under Derivative Agreements for interest for any tranche of Notes will be treated as BAseries Available Funds.

(iv) Sub-Account Earnings. Any PFA Accumulation Earnings, any PFA Prefunding Earnings, any Accumulation Reserve Account Earnings and any Interest Funding sub-Account Earnings for any Transfer Date will be treated as BAseries Available Funds for such Transfer Date.

(v) Shared Excess Available Funds. Any Shared Excess Available Funds allocable to the BAseries will be treated as BAseries Available Funds pursuant to Section 3.27(a).

(vi) Other Amounts. This Indenture Supplement or the terms document for any tranche of Notes may include additional amounts which are to be treated as BAseries Available Funds for any Transfer Date.

(b) Payments Received From Derivative Counterparties. Payments received under Derivative Agreements for Notes with interest payable in foreign currencies will be applied as specified in the applicable terms document.

(c) Other Deposits to the Interest Funding sub-Accounts

(i) Class C Reserve Account. Withdrawals made from the Class C Reserve Account pursuant to Section 3.23(a) will be deposited into the applicable Interest Funding sub-Account on the Transfer Date.

(ii) Receivables Sales Proceeds. Receivables Sales Proceeds received by the Issuer pursuant to Section 3.20(c)(ii) for any tranche of Notes will be deposited into the applicable Interest Funding sub-Account on the date of receipt by the Issuer.

(iii) Other Amounts. This Indenture Supplement or the terms document for any tranche may include additional amounts which are to be deposited into the applicable Interest Funding sub-Account on the Transfer Date.

Section 3.05, Allocations of Reductions from Investor Charge-Offs to the Nominal Liquidation Amount of Subordinated Classes On each Transfer Date when there is an Investor Charge-Off with respect to the related Monthly Period, that reduction will be allocated (and reallocated) on that date to each tranche of Notes as set forth in this Section.

(a) Initially, the amount of such Investor Charge-Off will be allocated to each tranche of Outstanding Notes *pro rata* based on the ratio of the Weighted Average Available Funds Allocation Amount for such tranche for such Monthly Period to the Weighted Average Available Funds Allocation Amount for the BAseries for such Monthly Period.

(b) Immediately afterwards, the amount of Investor Charge-Offs allocated to the Class A Notes pursuant to clause (a) will be reallocated to the Class C Notes subject to the limitations set forth in clauses (c) and (e), and the amount of Investor Charge-Offs allocated to the Class A Notes pursuant to clause (a) and not reallocated to the Class C Notes due to the limitations set forth in clauses (c) and (e) will be reallocated to the Class B Notes subject to the limitations set forth in clauses (c) and (e). Immediately after giving effect to the preceding sentence, the aggregate amount of Investor Charge-Offs allocated to the Class B Notes pursuant to clause (a) or reallocated to the Class B Notes pursuant to the preceding sentence will be reallocated to the Class C Notes subject to the limitations set forth in clauses (d) and (e). Any amount of Investor Charge-Offs which cannot be reallocated from a senior class to a

---

subordinated class due to the limitations in clauses (c), (d) and (e) will reduce the Nominal Liquidation Amount of the related senior tranche of Notes.

(c) (i) The reallocation in clause (b) of Investor Charge-Offs from any tranche of Class A Notes to the Class C Notes is subject to the limitation that after giving effect to clause (a) and to such reallocation from that tranche of Class A Notes to the Class C Notes, that tranche's Class A Usage of Class C Required Subordinated Amount (computed before giving effect to any reallocations of Investor Charge-Offs from any Class B Notes and any reallocation of BAseries Available Principal Amounts on such date) will not exceed that tranche's Class A Required Subordinated Amount of Class C Notes.

(ii) The reallocation in clause (b) of Investor Charge-Offs from any tranche of Class A Notes to the Class B Notes is subject to the limitation that after giving effect to clause (a) and to such reallocation from that tranche of Class A Notes to the Class B Notes, that tranche's Class A Usage of Class B Required Subordinated Amount (computed before giving effect to any reallocations of BAseries Available Principal Amounts on such date) will not exceed that tranche's Class A Required Subordinated Amount of Class B Notes.

(d) The reallocation in clause (b) of Investor Charge-Offs from any tranche of Class B Notes to the Class C Notes is subject to the limitation that after giving effect to clause (a) and such reallocation from that tranche of Class B Notes and reallocations from any tranche of Class A Notes to any tranche of Class C Notes, that tranche's Class B Usage of Class C Required Subordinated Amount (computed before giving effect to any reallocations of BAseries Available Principal Amounts on such date) will not exceed that tranche's Class B Required Subordinated Amount of Class C Notes.

(e) (i) The amount permitted to be reallocated to tranches of Class C Notes pursuant to clause (b) will be applied to each tranche of Class C Note *pro rata* based on the ratio of the Weighted Average Available Funds Allocation Amount for such tranche of Class C Notes for the related Monthly Period to the Weighted Average Available Funds Allocation Amount for all Class C Notes for the related Monthly Period.

(ii) Any such reallocation that would otherwise have reduced the Nominal Liquidation Amount of a tranche of Class C Notes below zero will be reallocated to the remaining tranches of Class C Notes as set forth in this clause (e), but in no event will the Nominal Liquidation Amount (after giving effect to this clause (e)) of any tranche of Class C Notes be reduced below zero.

(iii) The amount permitted to be reallocated to tranches of Class B Notes pursuant to clause (b) will be applied to each tranche of Class B Note *pro rata* based on the ratio of the Weighted Average Available Funds Allocation Amount for such tranche of Class B Notes for such Monthly Period to the Weighted Average Available Funds Allocation Amount for all tranches of Class B Notes in the BAseries for such Monthly Period.

(iv) Any such reallocation that would otherwise have reduced the Nominal Liquidation Amount of a tranche of Class B Notes below zero will be reallocated to the remaining tranches of Class B Notes as set forth in this clause (e), but in no event will the Nominal Liquidation Amount (after giving effect to this clause (e)) of any tranche of Class B Notes be reduced below zero.

(f) In the case of each tranche of Notes, the Nominal Liquidation Amount of each such tranche will be reduced by an amount equal to the Investor Charge-Offs which are allocated or reallocated to that tranche of Notes, less the amount of Investor Charge-Offs that are reallocated from that tranche of Notes to Notes of a subordinated class of Notes.

Section 3.06. Allocations of Reimbursements of Nominal Liquidation Amount Deficits. If, as of any Transfer Date, there are BAseries Available Funds available pursuant to Section 3.01(d) to reimburse any Nominal Liquidation Amount Deficits as of such Transfer Date, such funds will be allocated to each tranche of Notes as follows:

(a) first, to each tranche of Class A Notes *pro rata* based on the ratio of the Nominal Liquidation Amount Deficit thereof to the aggregate Nominal Liquidation Amount Deficits of all tranches of Class A Notes, but in no event will the Nominal Liquidation Amount of such a tranche of Notes be increased above the Adjusted Outstanding Dollar Principal Amount of such tranche,

(b) second, to each tranche of Class B Notes *pro rata* based on the ratio of the Nominal Liquidation Amount Deficit thereof to the aggregate Nominal Liquidation Amount Deficit of all tranches of Class B Notes, but in no event will the Nominal Liquidation Amount of such a tranche of Notes be increased above the Adjusted Outstanding Dollar Principal Amount of such tranche, and

(c) third, to each tranche of Class C Notes *pro rata* based on the ratio of the Nominal Liquidation Amount Deficit thereof to the aggregate Nominal Liquidation Amount Deficit of all tranches of Class C Notes, but in no event will the Nominal Liquidation Amount of such a tranche of Notes be increased above the Adjusted Outstanding Dollar Principal Amount of such tranche.

Section 3.07. Application of BAseries Available Principal Amounts. On each Transfer Date, the Indenture Trustee will apply BAseries Available Principal Amounts as follows:

(a) first, with respect to each Monthly Period, if after giving effect to deposits to be made with respect to such Monthly Period pursuant to Section 3.01(a), any tranche of Class A Notes has not received the full amount targeted to be deposited pursuant to Section 3.02 with respect to that Monthly Period, then BAseries Available Principal Amounts (in an amount not to exceed the sum of the Daily Principal Amounts for each day during such Monthly Period for all Class C Notes and Class B Notes) will be allocated to the Interest Funding sub-Account of each such tranche of Class A Notes *pro rata* based on, in the case of each such tranche of Class A Notes, the lesser of the following amounts:

(i) the amount of the deficiency in the targeted amount to be deposited into the Interest Funding sub-Account of such tranche of Class A Notes; and

(ii) an amount equal to the sum of (A) the Class A Unused Subordinated Amount of Class C Notes and (B) the Class A Unused Subordinated Amount of Class B Notes, in each case, for such tranche of Class A Notes (determined after giving effect to the application of Investor Charge-Offs pursuant to Section 3.05);

(b) second, with respect to each Monthly Period, if after giving effect to deposits to be made with respect to such Monthly Period pursuant to Section 3.01(a) any tranche of Class B Notes has not received the full amount targeted to be deposited pursuant to Section 3.02 with respect to that Monthly Period, then BAseries Available Principal Amounts (in an amount, not less than zero, not to exceed the sum of the Daily Principal Amounts for each day during such Monthly Period for all Class B Notes and Class C Notes *minus* the aggregate amount of BAseries Available Principal Amounts reallocated pursuant to clause (a) above) will be allocated to the Interest Funding sub-Account of each such tranche of Class B Notes *pro rata* based on, in the case of each such tranche of Class B Notes, the lesser of the following amounts:

(i) the amount of the deficiency in the targeted amount to be deposited into the Interest Funding sub-Account of such tranche of Class B Notes; and

(ii) an amount equal to the Class B Unused Subordinated Amount of Class C Notes for such tranche of Class B Notes (determined after giving effect to the application of Investor Charge-Offs pursuant to Section 3.05 and the reallocation of BAseries Available Principal Amount pursuant to clause (a) above);

(c) third, with respect to each Monthly Period, if after giving effect to payments to be made with respect to such Monthly Period pursuant to Sections 3.01(b), the Servicer has not received the full amount to be paid pursuant to Section 3.01(b) with respect to that Monthly Period, then BAseries Available Principal Amounts (in an amount, not less than zero, not to exceed the sum of the Daily Principal Amounts for each day during such Monthly Period for all Class C Notes and Class B Notes *minus* the aggregate amount of BAseries Available Principal Amounts reallocated pursuant to clauses (a) and (b) above) will be paid to the Servicer in an amount equal to, and allocated to each such tranche of Class A Notes *pro rata* based on, in the case of each such tranche of Class A Notes, the lesser of the following amounts:

(i) the amount of the deficiency allocated to such tranche of Class A Notes pursuant to Section 3.08; and

(ii) an amount equal to the sum of (A) the Class A Unused Subordinated Amount of Class C Notes and (B) the Class A Unused Subordinated Amount of Class B Notes, in each case, for such tranche of Class A Notes (determined after giving effect to the application of Investor Charge-Offs pursuant to Section 3.05 and the reallocation of BAseries Available Principal Amount pursuant to clauses (a) and (b) above);

(d) fourth, with respect to each Monthly Period, if after giving effect to payments to be made with respect to such Monthly Period pursuant to Section 3.01(b), the Servicer has not received the full amount to be paid pursuant to Section 3.01(b) with respect to that Monthly

Period, then BAseries Available Principal Amounts (in an amount, not less than zero, not to exceed the sum of the Daily Principal Amounts for each day during such Monthly Period for all Class B Notes and Class C Notes, *minus* the aggregate amount of BAseries Available Principal Amounts reallocated pursuant to clauses (a) through (c) above) will be paid to the Servicer in an amount equal to, and allocated to each such tranche of Class B Notes *pro rata* based on, in the case of each such tranche of Class B Notes, the lesser of the following amounts:

- (i) the amount of the deficiency allocated to such tranche of Class B Notes pursuant to Section 3.08; and
- (ii) an amount equal to the Class B Unused Subordinated Amount of Class C Notes for such tranche of Class B Notes (determined after giving effect to the application of Investor Charge-Offs pursuant to Section 3.05 and the reallocation of BAseries Available Principal Amount pursuant to clauses (a) through (c) above);
- (e) fifth, to make the targeted deposits to the Principal Funding Account pursuant to Section 3.10; and
- (f) sixth, to the Issuer for reinvestment in the Investor Interest of the Collateral Certificate.

Section 3.08. Allocation of Servicing Fee Shortfalls. On each Transfer Date if after giving effect to payments to be made with respect to such Monthly Period pursuant to Section 3.01(b), the Servicer has not received the full amount to be paid pursuant to Section 3.01(b) with respect to that Monthly Period, the aggregate amount of such shortfall will be allocated to each tranche of Outstanding Notes *pro rata* based on the ratio of the Weighted Average Available Funds Allocation Amount for such tranche for such Monthly Period to the Weighted Average Available Funds Allocation Amount for the BAseries for such Monthly Period.

Section 3.09. Computation of Reductions to the Nominal Liquidation Amount of Subordinated Classes from Reallocations of BAseries Available Principal Amounts

(a) Each reallocation of BAseries Available Principal Amounts deposited to the Interest Funding sub-Account of a tranche of Class A Notes pursuant to Section 3.07(a) will reduce the Nominal Liquidation Amount of the Class C Notes; provided, however, that the amount of such reduction for each such tranche of Class A Notes shall not exceed the Class A Unused Subordinated Amount of Class C Notes for such tranche of Class A Notes (after giving effect to any reductions pursuant to Section 3.05).

(b) Each reallocation of BAseries Available Principal Amounts deposited to the Interest Funding sub-Account of a tranche of Class A Notes pursuant to Section 3.07(a) which does not reduce the Nominal Liquidation Amount of Class C Notes pursuant to clause (a) above will reduce the Nominal Liquidation Amount of the Class B Notes; provided, however, that the amount of such reduction for each such tranche of Class A Notes shall not exceed the Class A Unused Subordinated Amount of Class B Notes for such tranche of Class A Notes (after giving effect to any reductions pursuant to Section 3.05).

(c) Each reallocation of BAseries Available Principal Amounts deposited to the Interest Funding sub-Account of a tranche of Class B Notes pursuant to Section 3.07(b) will reduce the Nominal Liquidation Amount (determined after giving effect to clause (a) above) of the Class C Notes.

(d) Each reallocation of BAseries Available Principal Amounts paid to the Servicer pursuant to Section 3.07(c) will reduce the Nominal Liquidation Amount (determined after giving effect to clauses (a) and (c) above) of the Class C Notes; provided, however, that the amount of such reduction for each such tranche of Class A Notes shall not exceed the Class A Unused Subordinated Amount of Class C Notes for such tranche of Class A Notes (after giving effect to clause (a) and any reductions pursuant to Section 3.05).

(e) Each reallocation of BAseries Available Principal Amounts paid to the Servicer pursuant to Section 3.07(c) which does not reduce the Nominal Liquidation Amount of Class C Notes pursuant to clause (d) above will reduce the Nominal Liquidation Amount (determined after giving effect to clause (b) above) of the Class B Notes; provided, however, that the amount of such reduction for each such tranche of Class A Notes shall not exceed the Class A Unused Subordinated Amount of Class B Notes for such tranche of Class A Notes (after giving effect to clause (b) and any reductions pursuant to Section 3.05).

(f) Each reallocation of BAseries Available Principal Amounts paid to the Servicer pursuant to Section 3.07(d) will reduce the Nominal Liquidation Amount (determined after giving effect to clauses (a), (c) and (d) above) of the Class C Notes.

(g) The aggregate amount of the reallocation of BAseries Available Principal Amounts which reduce the Nominal Liquidation Amount of Class B Notes pursuant to clause (b) and (e) above will reduce the Nominal Liquidation Amount (determined after giving effect to any reductions pursuant to Section 3.05) of each tranche of the Class B Notes *pro rata* based on ratio of the Weighted Average Available Funds Allocation Amount for such tranche of Class B Notes for the related Monthly Period to the Weighted Average Available Funds Allocation Amount for all Class B Notes for the related Monthly Period; provided, however, that any allocation of any such reduction that would otherwise have reduced the Nominal Liquidation Amount of a tranche of Class B Notes below zero will be reallocated to the remaining tranches of Class B Notes as set forth in this clause (g), but in no event will the Nominal Liquidation Amount (after giving effect to this clause (g)) of any tranche of Class B Notes be reduced below zero; provided further, however, that the amount of any such reduction of the Nominal Liquidation Amount of a tranche of Class B Notes will be limited by the aggregate amount of such reduction which results in a reduction of the Nominal Liquidation Amount of the Class C Notes pursuant to clause (h) below.

(h) Each reallocation of BAseries Available Principal Amounts which reduces the Nominal Liquidation Amount of Class B Notes pursuant to clause (g) above will reduce the Nominal Liquidation Amount (determined after giving effect to clause (a), (c), (d) and (f) and any reductions pursuant to Section 3.05) of the Class C Notes; provided, however, that the amount of such reduction for each such tranche of Class B Notes shall not exceed the Class B Unused Subordinated Amount of Class C Notes for such tranche of Class B Notes (after giving effect to clause (a), (c), (d) and (f) and any reductions pursuant to Section 3.05).

(i) The aggregate amount of the reallocation of BAseries Available Principal Amounts which reduce the Nominal Liquidation Amount of Class C Notes pursuant to clause (a), (c), (d), (f) and (h) above will reduce the Nominal Liquidation Amount (determined after giving effect to any reductions pursuant to Section 3.05) of each tranche of the Class C Notes *pro rata* based on ratio of the Weighted Average Available Funds Allocation Amount for such tranche of Class C Notes for the related Monthly Period to the Weighted Average Available Funds Allocation Amount for all Class C Notes for the related Monthly Period; provided, however, that any allocation of any such reduction that would otherwise have reduced the Nominal Liquidation Amount of a tranche of Class C Notes below zero will be reallocated to the remaining tranches of Class C Notes as set forth in this clause (i), but in no event will the Nominal Liquidation Amount (after giving effect to this clause (i)) of any tranche of Class C Notes be reduced below zero.

Section 3.10. Targeted Deposits of BAseries Available Principal Amounts to the Principal Funding Account The amount of the deposit targeted for any tranche of Notes with respect to any Monthly Period to be deposited into the Principal Funding sub-Account for that tranche will be the sum of (i) the amount determined pursuant to clause (a), (b), (c), (d) or (e) with respect to such tranche for such Monthly Period, as applicable, or if more than one such clause is applicable, the highest amount determined pursuant to any one of such clauses, and (ii) any deposit targeted pursuant to clause (i) with respect to such tranche for any prior Monthly Period but for which the full targeted deposit was not made, but in no case more than the Nominal Liquidation Amount of such tranche (computed immediately before giving effect to such deposit but after giving effect to any Investor Charge-Offs and any reallocations of BAseries Available Principal Amounts on such date).

(a) Principal Payment Date. With respect to the Monthly Period immediately preceding each Principal Payment Date, the deposit targeted for that tranche of Notes, unless otherwise specified in the related terms agreement, is equal to the Nominal Liquidation Amount of that tranche of Notes as of the close of business on the last day of the Monthly Period preceding such Monthly Period (determined after giving effect to any Investor Charge-Offs and any reallocations, payments or deposits of BAseries Available Principal Amounts on the following Transfer Date).

(b) Budgeted Deposits.

(i) Subject to Section 3.10(d), with respect to each Monthly Period, beginning with the Accumulation Commencement Date, the deposit targeted to be made into the Principal Funding sub-Account for that tranche will be the Controlled Accumulation Amount for that tranche specified in the applicable terms document, or if no such amount is specified, beginning with the twelfth Monthly Period before the Monthly Period in which the Expected Principal Payment Date of that tranche of Notes occurs, an amount equal to one-twelfth of the expected Outstanding Dollar Principal Amount of such tranche of Notes as of such Expected Principal Payment Date.

(ii) Notwithstanding anything to the contrary in clause (i), on or before the Transfer Date immediately preceding the first Business Day of the month that is twelve

(12) months prior to the Expected Principal Payment Date of any tranche of Notes, and each Determination Date thereafter until the Accumulation Commencement Date, the Issuer will determine the “Accumulation Period Length” which will equal the number of whole months such that the sum of the Accumulation Period Factors for each month during such period will be equal to or greater than the Required Accumulation Factor Number; provided, however, that the Accumulation Period Length will not be determined to be less than one month; provided further, however, that the determination of the Accumulation Period Length may be changed at any time if the Note Rating Agencies provide prior written confirmation that a Ratings Effect will not occur with respect to such change.

(c) Prefunding of the Principal Funding Account of Senior Classes. If the Issuer determines as of the end of the preceding Monthly Period with respect to any Class A Notes or Class B Notes that, after giving effect to all allocations and payments with respect to that Monthly Period, the Prefunding Target Amount of that class is greater than zero, the targeted deposit to the Principal Funding sub-Accounts for the affected classes will be the Prefunding Target Amount for the BAseries.

(d) Event of Default, Early Redemption Event, Other Optional or Mandatory Redemption. If any tranche of Notes has been accelerated during a Monthly Period after the occurrence of an Event of Default, or if an Early Redemption Event with respect to any tranche of Notes occurs during such Monthly Period, or with respect to the Monthly Period immediately preceding any other date fixed for any other optional or mandatory redemption of any tranche of Notes, the deposit targeted for that tranche of Notes with respect to that Monthly Period and each following Monthly Period is equal to Nominal Liquidation Amount of that tranche of Notes as of the close of business on the last day of the preceding Monthly Period (after taking into account any reallocations, payments or deposits on the following Transfer Date).

(e) Amounts Owed to Derivative Counterparties. If a tranche of Outstanding Dollar Notes or foreign currency Notes that has a Performing or non-Performing Derivative Agreement for principal provides for a payment to the applicable Derivative Counterparty, the deposit targeted for that tranche of Notes on each Transfer Date with respect to any payment to the Derivative Counterparty will be specified in the related terms document.

Section 3.11. Allocations among Principal Funding sub-Accounts Subject to the restrictions of Section 3.15, the aggregate amount of the deposits to be made to the Principal Funding Account for each tranche of Notes pursuant to Section 3.10 for each Monthly Period will be allocated, and a portion deposited in the Principal Funding sub-Account for each tranche of Notes, as follows:

(a) BAseries Available Principal Amounts Equal to Targeted Amount. Subject to clause (c) below, if BAseries Available Principal Amounts remaining after giving effect to Sections 3.07(a) through (d) are equal to the aggregate amount of BAseries Available Principal Amounts targeted to be deposited into the Principal Funding Account for all tranches of Notes pursuant to Section 3.10, then that targeted amount is deposited in the Principal Funding sub-Account established for each tranche.

(b) BAseries Available Principal Amounts Are Less Than Targeted Amounts. Subject to clause (c) below, if BAseries Available Principal Amounts remaining after giving effect to Sections 3.07(a) through (d) are less than the aggregate amount targeted to be deposited into the Principal Funding Account for all tranches of Notes pursuant to Section 3.10, then the amount available will be deposited in the Principal Funding sub-Account established for each tranche in the following priority:

(i) first, the amount available will be allocated to the Class A notes *pro rata* based on the ratio of (A) the amount targeted to be deposited into the Principal Funding sub-Account for such tranche of Class A Notes pursuant to Section 3.10, to (B) the aggregate amount targeted to be deposited into the Principal Funding sub-Account for all tranches of Class A Notes pursuant to Section 3.10;

(ii) second, the amount available after the application in clause (i) above will be allocated to the Class B notes *pro rata* based on the ratio of (A) the amount targeted to be deposited into the Principal Funding sub-Account for such tranche of Class B Notes pursuant to Section 3.10, to (B) the aggregate amount targeted to be deposited into the Principal Funding sub-Account for all tranches of Class B Notes pursuant to Section 3.10; and

(iii) third, the amount available after the applications in clauses (i) and (ii) above will be allocated to the Class C notes *pro rata* based on the ratio of (A) the amount targeted to be deposited into the Principal Funding sub-Account for such tranche of Class C Notes pursuant to Section 3.10, to (B) the aggregate amount targeted to be deposited into the Principal Funding sub-Account for all tranches of Class C Notes pursuant to Section 3.10.

(c) Reallocation of Deposits to the Principal Funding sub-Account of Subordinated Notes If the restrictions of Section 3.15(a) prevent the deposit of BAseries Available Principal Amounts into the Principal Funding sub-Account of any subordinated note, the aggregate amount of BAseries Available Principal Amounts available to make the targeted deposit for such subordinated tranche will be allocated first, to each tranche of Class A Notes *pro rata* based on the ratio of (A) the Required Subordinated Amount with respect to such subordinated class of Notes for such Class A Notes to (B) the Required Subordinated Amount with respect to such subordinated class of Notes for all Class A Notes and, second, if applicable, to each tranche of Class B Notes *pro rata* based on the ratio of (A) the Required Subordinated Amount with respect to such subordinated class of Notes for such Class B Notes to (B) the Required Subordinated Amount with respect to such subordinated class of Notes for all Class B Notes.

Section 3.12. Amounts to be Treated as BAseries Available Principal Amounts; Payments Received from Derivative Counterparties for Principal; Other Deposits to Principal Funding sub-Accounts. The following deposits and payments will be made on the following dates:

(a) Amounts to be Treated as BAseries Available Principal Amounts. In addition to Available Principal Amounts allocated to the BAseries pursuant to Section 502 of the Indenture,

---

the following amounts shall be treated as BAseries Available Principal Amounts for application in accordance with this Article III for any Monthly Period:

(i) Reallocated BAseries Available Funds. BAseries Available Principal Amounts will include BAseries Available Funds reallocated to be treated as BAseries Available Principal Amounts pursuant to Section 3.01(c) or 3.01(d).

(ii) Dollar Payments from Derivative Counterparties for Principal. Dollar payments received under Derivative Agreements for principal for any tranche of Notes will be treated as BAseries Available Principal Amounts.

(iii) Other Amounts. The terms document for any tranche of Notes may include additional amounts which are to be treated as BAseries Available Principal Amounts for any Transfer Date.

(b) Payments Received from Derivative Counterparties. Payments received under Derivative Agreements for Notes with principal payable in foreign currencies will be applied as specified in the applicable terms document.

(c) Class C Reserve sub-Account. Withdrawals made from the Class C Reserve sub-Account for any tranche of Notes pursuant to Section 3.23(b) will be deposited into the applicable Principal Funding sub-Account on the Transfer Date.

(d) Receivables Sale Proceeds. Receivables Sales Proceeds received pursuant to Section 3.20(c)(i) for any tranche of Notes will be deposited into the applicable Principal Funding sub-Account on the date of receipt by the Issuer.

Section 3.13. Withdrawals from Interest Funding Account. Withdrawals made pursuant to this Section 3.13 with respect to any tranche of Notes will be made from the Interest Funding sub-Account established for that tranche only after all allocations and reallocations have been made pursuant to Sections 3.02, 3.03, 3.04 and 3.07. In no event will the aggregate amount of the withdrawals from an Interest Funding sub-Account for any month be more than the amount on deposit in the applicable Interest Funding sub-Account. A single tranche of Notes may be entitled to more than one of the following withdrawals in any month.

(a) Withdrawals for Dollar Notes. On each Interest Payment Date (or as specified in the applicable terms document) with respect to each tranche of Dollar Notes, an amount equal to the interest due on the applicable tranche of Notes on such Interest Payment Date (including any overdue and additional interest with respect to prior Interest Payment Dates) will be withdrawn from that Interest Funding sub-Account and remitted to the applicable Paying Agent(s) or as otherwise provided in the applicable terms document.

(b) Withdrawals for Foreign Currency Notes with a non-Performing Derivative Agreement for Interest. On each Interest Payment Date (or as specified in the applicable terms document) with respect to a tranche of foreign currency Notes that has a non-Performing Derivative Agreement for interest, the amount specified in the applicable terms document will be withdrawn from that Interest Funding sub-Account and, if so specified in the applicable terms

document, converted to the applicable foreign currency at the Spot Exchange Rate and remitted to the applicable Paying Agent(s) or as otherwise provided in the applicable terms document.

(c) Withdrawals for Discount Notes On each applicable Principal Payment Date, with respect to each tranche of Discount Notes, an amount equal to the amount of the accretion of principal of that tranche of Notes from the prior Principal Payment Date (or, in the case of the first Principal Payment Date, the date of issuance of that tranche) to but excluding the applicable Principal Payment Date will be withdrawn from that Interest Funding sub-Account and invested in the Investor Interest of the Collateral Certificate pursuant to Section 3.17.

(d) Withdrawals for Payments to Derivative Counterparties On each date on which a payment is required to be made to the Derivative Counterparty under the applicable Derivative Agreement (or as specified in the applicable terms document) with respect to any tranche of Notes which has a Performing or non-Performing Derivative Agreement for interest, an amount equal to the amount of the payment to be made to the Derivative Counterparty under the applicable Derivative Agreement (including any overdue payment and any additional interest on overdue payments) will be withdrawn from that Interest Funding sub-Account and paid to the applicable Derivative Counterparty or as otherwise provided in the applicable terms document.

(e) Excess Amounts. After payment in full of any tranche of Notes, any amount remaining on deposit in the applicable Interest Funding sub-Account will be first, allocated among and deposited to the Interest Funding sub-Account of the tranches of Notes in the manner, order and priority set forth in Section 3.03(b), second, allocated among and deposited to the Principal Funding sub-Account of the tranches of Notes in the manner, order and priority set forth in Section 3.11(b), and third, paid to the Issuer.

If the aggregate amount available for withdrawal from an Interest Funding sub-Account for any tranche of Notes is less than all withdrawals required to be made from that Interest Funding sub-Account for that tranche in a month, then the amounts on deposit will be withdrawn and, if payable to more than one Person, applied *pro rata* based on the amounts of the withdrawals required to be made.

Section 3.14. Withdrawals from Principal Funding Account Withdrawals made pursuant to this Section 3.14 with respect to any tranche of Notes will be made from the Principal Funding sub-Accounts established for that tranche only after all allocations have been made pursuant to Sections 3.10, 3.11 and 3.12. In no event will the amount of the withdrawal be more than the amount on deposit in the applicable Principal Funding sub-Account. A single tranche may be entitled to more than one of the following withdrawals with respect to any Monthly Period.

(a) Withdrawals for Dollar Notes with no Derivative Agreement for Principal On each applicable Principal Payment Date (or as specified in the applicable terms document) with respect to each tranche of Dollar Notes which has no Derivative Agreement for principal, an amount equal to the principal due on the applicable tranche of Notes on the applicable Principal Payment Date will be withdrawn from such Principal Funding sub-Account and remitted to the applicable Paying Agent(s) or as otherwise provided by the applicable terms document.

(b) Withdrawals for Dollar or Foreign Currency Notes with Performing Derivative Agreements for Principal On each date on which a payment is required under the applicable Derivative Agreement (or as specified in the applicable terms document) with respect to any tranche of Notes which has a Performing Derivative Agreement for principal, an amount equal to the amount of the payment to be made under the applicable Derivative Agreement will be withdrawn from such Principal Funding sub-Account and paid to the applicable Derivative Counterparty or as otherwise provided by the applicable terms document. The Issuer will direct the applicable Derivative Counterparty to remit its payments under the applicable Derivative Agreement to the applicable Paying Agent(s) or as otherwise provided by the applicable terms document.

(c) Withdrawals for Dollar Notes with a non-Performing Derivative Agreement for Principal On each applicable Principal Payment Date (or as specified in the applicable terms document) with respect to each tranche of Dollar Notes with a non-Performing Derivative Agreement for principal, the amount specified in the applicable terms agreement will be withdrawn from such Principal Funding sub-Account and remitted to the applicable Paying Agent(s) or as otherwise provided by the applicable terms document.

(d) Withdrawals for Foreign Currency Notes with non-Performing Derivative Agreements for Principal On each Principal Payment Date (or as specified in the applicable terms document) with respect to a tranche of foreign currency Notes that has a non-Performing Derivative Agreement for principal, the amount specified in the applicable terms document will be withdrawn from such sub-Account and, if so specified in the applicable terms document, converted to the applicable foreign currency at the Spot Exchange Rate and remitted to the applicable Paying Agent(s) or as otherwise provided by the applicable terms document.

(e) Withdrawal of Prefunding Excess Amount. If the Issuer on any date determines with respect to any class of Class A Notes or Class B Notes that, after giving effect to all issuances, deposits, allocations, reallocations and payments on such date, the Prefunding Excess Amount of that class is greater than zero, that amount will be withdrawn from the Principal Funding sub-Account of that class of Notes and first, allocated among and deposited to the Principal Funding sub-Account of the tranches of Notes in the manner, order and priority set forth in Section 3.11(b), and then, paid to the Issuer for reinvestment in the Investor Interest of the Collateral Certificate.

(f) Legal Maturity Date. On the Legal Maturity Date of any tranche, after giving effect to any deposits, allocations, reallocations, sales of Receivables or other payments to be made on that date, amounts on deposit in the Principal Funding sub-Account of any tranche of a subordinated class of Notes may be applied to pay principal of that tranche, to make a payment under a Derivative Agreement with respect to principal of that tranche or to make other payments as specified in the related terms document.

(g) Excess Amounts. Upon payment in full of any tranche of Notes, any remaining amount on deposit in the applicable Principal Funding sub-Account will be first, allocated among and deposited to the Interest Funding sub-Account of the tranches of Notes in the manner, order and priority set forth in Section 3.03(b), second, allocated among and deposited to the Principal

Funding sub-Account of the tranches of Notes in the manner, order and priority set forth in Section 3.11(b), and third, paid to the Issuer.

If the aggregate amount available for withdrawal from a Principal Funding sub-Account for any tranche of Notes is less than all withdrawals required to be made from that Principal Funding sub-Account for that tranche in a month, then the amounts on deposit will be withdrawn and, if payable to more than one Person, applied *pro rata* based on the amounts of the withdrawals required to be made.

Section 3.15. Limit on Deposits to the Principal Funding sub-Account of Subordinated Note; Limit on Repayments of all Tranches

(a) Limit on Deposits to the Principal Funding sub-Account of Subordinated Notes

(i) No BAseries Available Principal Amounts will be deposited in the Principal Funding sub-Account of any tranche of Class B Notes unless, following such deposit, the available subordinated amount of Class B Notes is at least equal to the aggregate Class A Unused Subordinated Amount of Class B Notes for all Outstanding Class A Notes. For this purpose, the available subordinated amount of Class B Notes is equal to the aggregate Nominal Liquidation Amount of all other Class B Notes of the BAseries which are Outstanding after giving effect to the deposit into the Principal Funding sub-Account of such tranche of Class B Notes and all other Class B Notes which have a targeted deposit into the Principal Funding Account for such Monthly Period after giving effect to reductions or reallocations on such Transfer Date.

(ii) No BAseries Available Principal Amounts will be deposited in the Principal Funding sub-Account of any tranche of Class C Notes unless, following such deposit, (A) the available subordinated amount of Class C Notes is at least equal to the Class B Unused Subordinated Amount of Class C Notes for all Outstanding Class B Notes and (B) the available subordinated amount of Class C Notes is at least equal to the Class A Unused Subordinated Amount of Class C Notes for all Outstanding A Notes. For this purpose, the available subordinated amount of Class C Notes is equal to the aggregate Nominal Liquidation Amount of all other Class C Notes of the BAseries which are Outstanding after giving effect to the deposit into the Principal Funding sub-Account of such tranche of Class C Notes and all other Class C Notes which have a targeted deposit into the Principal Funding Account for such Monthly Period after giving effect to reductions or reallocations on such Transfer Date.

(iii) Notwithstanding anything in the Indenture or this Indenture Supplement to the contrary, BAseries Available Principal Amounts will be deposited in the Principal Funding sub-Account of a Subordinated Note, if and only to the extent that (i) such deposit is not contrary to clause (a)(i) or (a)(ii) above and (ii) the Prefunding Target Amount for each senior class of Notes is zero.

(b) Limit on Repayments of all Tranches. No amounts on deposit in a Principal Funding sub-Account for any tranche of Class A Notes or Class B Notes will be applied to pay principal of that tranche or to make a payment under a Derivative Agreement with respect to

principal of that tranche in excess of the highest Outstanding Dollar Principal Amount of that tranche (or, in the case of foreign currency notes, such other amount that may be specified in the related terms document). In the case of any tranche of Class C Notes, no amounts on deposit in a Principal Funding sub-Account or, if applicable, a Class C Reserve sub-Account for any such tranche will be applied to pay principal of that tranche or to make a payment under a Derivative Agreement with respect to principal of that tranche in excess of the highest Outstanding Dollar Principal Amount of that tranche (or, in the case of foreign currency notes, such other amount that may be specified in the related terms document).

Section 3.16. Calculation of Nominal Liquidation Amount. On or prior to each Transfer Date, the Issuer shall calculate the Nominal Liquidation Amount of each tranche of Outstanding Notes in the BAseries which shall be the following amount:

- (a) as of the date of issuance of such tranche of Notes, the Initial Dollar Principal Amount of such tranche of Notes; and
- (b) thereafter, the sum of, without duplication:
  - (i) the Nominal Liquidation Amount of such tranche of Notes immediately after the prior date of determination;*plus*
  - (ii) with respect to any tranche of Discount Notes, the aggregate amount of any accretions of principal on that tranche paid to the Master Trust for investment in the Investor Interest pursuant to Section 3.17(a) since the prior date of determination;*plus*
  - (iii) the aggregate amount withdrawn from the Principal Funding sub-Account pursuant to Section 3.14(e) for such tranche since the prior date of determination;  
*plus*
  - (iv) such tranche's allocable share of all reimbursements of its Nominal Liquidation Amount Deficit pursuant to Section 3.01(d) since the prior date of determination determined as set forth in Section 3.06; *minus*
  - (v) such tranche's allocable share of all reallocations of BAseries Available Principal Amounts pursuant to Section 3.07 since the prior date of determination, determined as set forth in Section 3.09; *minus*
  - (vi) the amount of the reduction of the Nominal Liquidation Amount of such tranche resulting from an allocation of Investor Charge-Offs since the prior date of determination, determined as set forth in Section 3.05; *minus*
  - (vii) the amount deposited in the applicable Principal Funding sub-Account for such tranche (after giving effect to any deposits, allocations, reallocations or withdrawals to be made on that day) since the prior date of determination;

provided, however, that (1) the Nominal Liquidation Amount of a tranche of Notes may never be less than zero, (2) the Nominal Liquidation Amount of any tranche of Notes may never be greater than the Outstanding principal amount of such tranche and (3) the Nominal Liquidation

---

Amount of any tranche of Notes that has caused a sale of Receivables pursuant to Section 3.20 will be zero.

The Nominal Liquidation Amount for the BAseries will be the sum of the Nominal Liquidation Amounts of all of the tranches of Notes of the BAseries.

Section 3.17. Reinvestment in the Collateral Certificate

(a) The amount of principal accreted on any tranche of Discount Notes available pursuant to Section 3.13(c) will be paid to the Master Trust to increase the Investor Interest of the Collateral Certificate.

(b) The portion of the Prefunding Excess Amount, if any, withdrawn from the Principal Funding Account to be paid to the Master Trust pursuant to Section 3.14(e) will be paid to the Master Trust to increase the Investor Interest of the Collateral Certificate.

Section 3.18. Netting of Deposits and Payments. The Issuer, in its sole discretion, may make all deposits to Interest Funding sub-Accounts and Principal Funding sub-Accounts pursuant to Sections 3.02 and 3.10 with respect to any Monthly Period net of, and after giving effect to, (a) all reallocations to be made pursuant to Section 3.07, (b) all payments to be made to Derivative Counterparties pursuant to Sections 3.13 and 3.14, (c) all reinvestments in the Investor Interest of the Collateral Certificate to be made pursuant to Section 3.17 and (d) all payments to the Issuer pursuant to Section 3.07(f).

Section 3.19. Pro rata Payments within a Tranche. All payments of principal, interest or other amounts to Holders of the Notes of a single tranche will be made *pro rata* based on the Stated Principal Amount of their Notes.

Section 3.20. Sale of Receivables for Accelerated Notes

(a) (i) If a tranche of Notes has been accelerated pursuant to Section 702 of the Indenture following an Event of Default, the Indenture Trustee may, and at the direction of the Majority Holders of that tranche of Notes will, cause the Master Trust to sell Principal Receivables and the related Finance Charge Receivables (or interests therein) in an amount up to the Nominal Liquidation Amount of the affected tranche *plus* any accrued, past due and additional interest on the affected tranche.

(ii) Such a sale will be permitted only if at least one of the following conditions is met:

(A) the Holders of 90% of the aggregate Outstanding Dollar Principal Amount of the accelerated tranche of Notes consent; or

(B) the net proceeds of such sale *plus* amounts on deposit in the applicable sub-Accounts and payments to be received from any applicable Derivative Agreement would be sufficient to pay all amounts due on the accelerated tranche of Notes; or

(C) if the Indenture Trustee determines that the funds to be allocated to the accelerated Notes, including (1) BAseries Available Funds and BAseries Available Principal Amounts allocable to the accelerated tranche of Notes, (2) payments to be received from any applicable Derivative Agreement and (3) amounts on deposit in the applicable sub-Accounts, may not be sufficient on any ongoing basis to make payments on the accelerated tranche of Notes as such payments would have become due if such obligations had not been declared due and payable, and 66⅔% of the Holders of the accelerated tranche of Notes consent to the sale.

(iii) In the case of an acceleration of a tranche of Notes of a subordinated class, if the provisions of Section 3.15 would prevent the payment of the accelerated tranche of subordinated Notes, such sale will be delayed until a level of prefunding of the Principal Funding sub-Accounts for the senior classes of Notes of that series has been reached such that the amount of such accelerated tranche is no longer required to provide subordination for the senior classes of Notes.

(b) If the Nominal Liquidation Amount with respect to any tranche of Notes is greater than zero on its Legal Maturity Date (after giving effect to any adjustments, deposits and distributions otherwise to be made on that Legal Maturity Date), the Issuer will cause the Master Trust to sell Principal Receivables and the related Finance Charge Receivables (or interests therein) on that Legal Maturity Date in an amount up to the Nominal Liquidation Amount of the affected tranche *plus* any accrued, past due and additional interest on the affected tranche.

(c) Sales proceeds received with respect to a tranche of Notes received pursuant to clause (a) or (b) will be allocated in the following priority:

(i) first, to be deposited in the Principal Funding sub-Account for that tranche of Notes, an amount up to the amount that would be necessary to increase the aggregate amount on deposit in such sub-Account to the principal amount for such tranche of Notes (notwithstanding any limitation in Section 3.10 to the contrary); and

(ii) second, to be deposited in the Interest Funding sub-Account of that tranche of Notes, the balance of such sales proceeds.

(d) Any amount remaining on deposit in the Interest Funding sub-Account for a tranche of Notes that has caused a sale of Receivables pursuant to Section 3.20 after final payment thereof pursuant to Section 5.03 of the Indenture will be treated as BAseries Available Funds.

Section 3.21. Calculation of Prefunding Target Amount.

(a) With respect to all tranches of Class A Notes, the Prefunding Target Amount means the greater of the amount computed under clause (i) or (ii) for the applicable Monthly Period:

(i) The Prefunding Target Amount for tranches of Class A Notes with respect to Class B Notes for any day during any Monthly Period is equal to an amount, not less

---

than zero, equal to the product of (x) the aggregate Adjusted Outstanding Dollar Principal Amount of Class A Notes as of the end of the preceding Monthly Period (taking into consideration any deposits or withdrawals to be made on the related Transfer Date) times (y) one *minus* a fraction (which shall not exceed one) the numerator of which is the aggregate Adjusted Outstanding Dollar Principal Amount of all tranches of Outstanding Class B Notes (other than tranches which have (A) had Early Redemption Events or other mandatory or optional redemption events in which such tranches are to be redeemed in full in or with respect to any preceding Monthly Period, (B) had Events of Default in or with respect to any preceding Monthly Period, or (C) reached or are expected to reach their final or only Expected Principal Payment Date in or with respect to that Monthly Period or earlier Monthly Periods) and the denominator of which is the aggregate amount of the Class A Required Subordinated Amount of Class B Notes for all tranches of Class A Notes of which are Outstanding as of the end of the preceding Monthly Period (taking into consideration any deposits or withdrawals to be made on the related Transfer Date).

(ii) The Prefunding Target Amount for tranches of Class A Notes with respect to Class C Notes for any day during any Monthly Period is equal to an amount, not less than zero, equal to the product of (x) the aggregate Adjusted Outstanding Dollar Principal Amount of Class A Notes as of the end of the preceding Monthly Period (taking into consideration any deposits or withdrawals to be made on the related Transfer Date) times (y) one *minus* a fraction (which shall not exceed one) the numerator of which is the aggregate Adjusted Outstanding Dollar Principal Amount of all tranches of Outstanding Class C Notes (other than tranches which have (A) had Early Redemption Events or other mandatory or optional redemption events in which such tranches are to be redeemed in full in or with respect to any preceding Monthly Period, (B) had Events of Default in or with respect to any preceding Monthly Period, or (C) reached or are expected to reach their final or only Expected Principal Payment Date in or with respect to that Monthly Period or earlier Monthly Periods) and the denominator of which is the aggregate amount of the Class A Required Subordinated Amount of Class C Notes for all tranches of Class A Notes which are Outstanding as of the end of the preceding Monthly Period (taking into consideration any deposits or withdrawals to be made on the related Transfer Date).

(b) With respect to all tranches of Class B Notes, the Prefunding Target Amount means with respect to Class C Notes for any day during any Monthly Period an amount, not less than zero, equal to the product of (x) the aggregate Adjusted Outstanding Dollar Principal Amount of Class B Notes as of the end of the preceding Monthly Period (taking into consideration any deposits or withdrawals to be made on the related Transfer Date) times (y) one *minus* a fraction (which shall not exceed one) the numerator of which is the aggregate Adjusted Outstanding Dollar Principal Amount of all tranches of Outstanding Class C Notes (other than tranches which have (A) had Early Redemption Events or other mandatory or optional redemption events in which such tranches are to be redeemed in full in or with respect to any preceding Monthly Period, (B) had Events of Default in or with respect to any preceding Monthly Period, or (C) reached or are expected to reach their final or only Expected Principal Payment Date in or with respect to that Monthly Period or earlier Monthly Periods) and the denominator of which is the aggregate amount of the Class B Required Subordinated Amount of Class C Notes for all tranches of Class B Notes which are Outstanding as of the end of the

---

preceding Monthly Period (taking into consideration any deposits or withdrawals to be made on the related Transfer Date).

(c) On any day during any Monthly Period on which the Prefunding Target Amount for any tranche of senior notes first exceeds zero, the Issuer will notify the Master Trust pursuant to Section 4.09 of the Series 2001-D Supplement of such event.

Section 3.22. Targeted Deposits to the Class C Reserve Account

(a) The aggregate deposit targeted to be made to the Class C Reserve Account with respect to each Transfer Date is an amount equal to the sum of Class C Reserve sub-Account deposits, if any, targeted to be made for each specified tranche of Class C Notes. The amount of any such deposit, the aggregate amount targeted to be on deposit after giving effect to any such deposit and the circumstances that require that a deposit be made will be set forth in the terms document for such tranche of Class C Notes. Unless another time is specified for making such deposits in the terms document for each such tranche of Class C Notes, these deposits will be made on each Transfer Date.

(b) If the amount of funds available for a Transfer Date pursuant to Section 3.01(f) is at least equal to the aggregate amount of the deposits targeted by clause (a) above, then the full amount of each such deposit will be made.

(c) If the amount of funds available for a Transfer Date pursuant to Section 3.01(f) is less than the aggregate amount of deposits targeted by clause (a) above, then the amount available will be allocated to each tranche of Class C Notes to the extent of its targeted deposit to the applicable Class C Reserve sub-Account *pro rata* based on the ratio of the Weighted Average Available Funds Allocation Amount for such tranche of Class C Notes for the related Monthly Period to the Weighted Average Available Funds Allocation Amount for all Class C Notes for the related Monthly Period that have a targeted deposit to its Class C Reserve sub-Account; provided, however, that any excess identified in this clause (c), including in the application of this proviso, will be allocated to each tranche of Class C Notes which has a remaining targeted deposit to its Class C Reserve sub-Account up to the amount of such remaining targeted deposit *pro rata* (based on the ratio of Weighted Average Available Funds Allocation Amount for such tranche of Class C Notes for the related Monthly Period to the Weighted Average Available Funds Allocation Amount for all Class C Notes with a remaining targeted deposit for the related Monthly Period).

Section 3.23. Withdrawals from the Class C Reserve Account Withdrawals for any tranche of Class C Notes will be made from the applicable Class C Reserve sub-Account as specified below.

(a) Payments of Interest; Payments with Respect to Derivative Agreements for Interest; Accretion on Discount Notes If the amount on deposit in the Interest Funding sub-Account for any tranche of Class C Notes is insufficient to pay in full the amounts for which withdrawals are required under Section 3.13, on the Transfer Date immediately preceding the date of such payment an amount equal to that deficiency will be withdrawn from the Class C Reserve sub-Account for such tranche and deposited into that Interest Funding sub-Account.

(b) Payments of Principal: Payments with Respect to Derivative Agreements for Principal. If, on and after the earliest to occur of (i) the date on which any tranche of Class C Notes are accelerated pursuant to Section 702 of the Indenture following an Event of Default with respect to such tranche, (ii) any date on or after the Transfer Date immediately preceding the Expected Principal Payment Date on which the amount on deposit in the Principal Funding sub-Account for any tranche of Class C Notes plus the aggregate amount on deposit in the Class C Reserve sub-Account for such tranche of the Class C Notes equals or exceeds the Outstanding Dollar Principal Amount of such Class C Notes and (iii) the Legal Maturity Date for any tranche of Class C Notes, the amount on deposit in the Principal Funding sub-Account for any tranche of Class C Notes is insufficient to pay in full the amounts for which withdrawals are required under Section 3.14, an amount equal to that deficiency will be withdrawn from that Class C Reserve sub-Account for such tranche and deposited into that Principal Funding sub-Account on the Transfer Date before the date of the applicable withdrawal required pursuant to Section 3.14.

(c) Withdrawal of Excess Amounts. If on any Transfer Date with respect to which no Class C Notes have been accelerated, the aggregate amount on deposit in the Class C Reserve Account exceeds the amount required to be on deposit in the Class C Reserve Account, the amount of such excess will be withdrawn from the Class C Reserve Account and first, allocated among and deposited to the Class C Reserve sub-Account of the tranches of Class C Notes in the manner, order and priority set forth in Section 3.22(c), and then, paid to the Issuer. Upon payment in full of any tranche of Class C Notes, any amount on deposit in the applicable Class C Reserve sub-Account will be applied in accordance with the preceding sentence.

#### Section 3.24. Targeted Deposits to the Accumulation Reserve Account

(a) The aggregate deposit targeted to be made to the Accumulation Reserve Account with respect to each Monthly Period is an amount equal to the sum of Accumulation Reserve sub-Account deposits, if any, targeted to be made for each specified tranche of Notes. The amount of any such deposit, the aggregate amount targeted to be on deposit after giving effect to any such deposit and the circumstances that require that a deposit be made will be set forth in the terms document for such tranche of Notes. Unless another time is specified for making such deposits in the terms document for each such tranche of Notes, these deposits will be made on each Transfer Date.

(b) If the amount of funds available for a Monthly Period pursuant to Section 3.01(e) is at least equal to the aggregate amount of the deposits targeted by clause (a) above, then the full amount of each such deposit will be made.

(c) If the amount of funds available for a Monthly Period pursuant to Section 3.01(e) is less than the aggregate amount of deposits targeted by clause (a) above, then the amount available will be allocated to each tranche of Notes to the extent of its targeted deposit to the applicable Accumulation Reserve sub-Account *pro rata* based on the ratio of the Weighted Average Available Funds Allocation Amount for such tranche of Notes for such Monthly Period to the Weighted Average Available Funds Allocation Amount for all tranches of Notes that have a targeted deposit to its Accumulation Reserve sub-Account for such Monthly Period; provided, however, that any excess identified in this clause (c), including in the application of this proviso, will be allocated to each tranche of Notes which has a remaining targeted deposit to its

Accumulation Reserve sub-Account up to the amount of such remaining targeted deposit *pro rata* based on the ratio of Weighted Average Available Funds Allocation Amount for such tranche of Notes for such Monthly Period to the Weighted Average Available Funds Allocation Amount for all tranches of Notes with a remaining targeted deposit for such Monthly Period.

Section 3.25. Withdrawals from the Accumulation Reserve Account. Withdrawals for any tranche of Notes will be made from the applicable Accumulation Reserve sub-Account as specified below.

(a) Interest. On or prior to each Transfer Date, the Issuer will calculate the PFA Accumulation Earnings Shortfall (if any) for the Principal Funding sub-Account for each tranche of Notes. If there is any PFA Accumulation Earnings Shortfall for any Principal Funding sub-Account for that Transfer Date for any tranche of Notes, the Issuer will withdraw such amount from the applicable Accumulation Reserve sub-Account, to the extent available, for treatment as BAseries Available Funds for such Monthly Period.

(b) Payment to Issuer. If on any Transfer Date the aggregate amount on deposit in the Accumulation Reserve Account exceeds the amount required to be on deposit in the Accumulation Reserve Account, the amount of such excess will be withdrawn from the Accumulation Reserve Account and paid to the Issuer.

Section 3.26. Computation of Interest.

(a) Unless otherwise provided as contemplated in Section 301 of the Indenture, (i) interest on the Notes computed at a fixed rate will be calculated on the basis of a 360-day year of twelve 30-day months and (ii) interest on Notes computed on the basis of a floating or periodic rate will be calculated on the basis of a 360-day year for the actual number of days elapsed.

(b) Unless otherwise specified in this Indenture Supplement or the applicable terms document, interest for any period will be calculated from and including the first day of such period, to but excluding the last day of such period.

Section 3.27. Excess Available Funds Sharing.

(a) Shared Excess Available Funds allocable to the BAseries on any Transfer Date shall be treated as BAseries Available Funds for such Transfer Date.

(b) Shared Excess Available Funds allocable to the BAseries with respect to any Transfer Date shall mean an amount equal to the Series Available Funds Shortfall, if any, with respect to the BAseries for such Transfer Date; provided, however, that if the aggregate amount of Shared Excess Available Funds for all Excess Available Funds Sharing Series in Excess Available Funds Sharing Group One for such Transfer Date is less than the Aggregate Series Available Funds Shortfall for such Transfer Date, then Shared Excess Available Funds allocable to the BAseries on such Transfer Date shall equal the product of (i) Shared Excess Available Funds for all Excess Available Funds Sharing Series in Excess Available Funds Sharing Group One for such Transfer Date and (ii) a fraction, the numerator of which is the Series Available Funds Shortfall with respect to the BAseries for such Transfer Date and the denominator of which is the Aggregate Series Available Funds Shortfall for all Excess Available Funds Sharing Series in Excess Available Funds Sharing Group One for such Transfer Date.

Early Redemption of Notes

Section 4.01. Early Redemption Events.

(a) In addition to the events identified as Early Redemption Events in Section 1201 of the Indenture, if for any month the amount of Excess Available Funds averaged over the three preceding Monthly Periods is less than the Required Excess Available Funds for such month, an “Early Redemption Event” with respect to the BAseries Notes will be deemed to have occurred.

(b) In addition, the terms document for any tranche of Notes may list additional events which are “Early Redemption Events” with respect to such tranche of Notes.

Such checks shall be mailed to the Person entitled thereto at the address of such Person as it appears on the Note Register as of the applicable Record Date without requiring that this Note be submitted for notation of payment. [REVERSE OF NOTE]

This Note is one of the Notes of a duly authorized issue of Notes of the Issuer, designated as its [Floating Rate] Asset Backed Notes (herein called the "Notes"), all issued under an Amended and Restated Indenture dated as of June 10, 2006 (such indenture, as supplemented or amended, is herein called the "Indenture"), as supplemented by an Amended and Restated Indenture Supplement dated as of June 10, 2006 (the "Indenture Supplement"), between the Issuer and The Bank of New York, as indenture trustee (the "Indenture Trustee"), which term includes any successor Indenture Trustee under the Indenture, to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights and obligations thereunder of the Issuer, the Indenture Trustee and the Holders of the Notes. The Notes are subject to all terms of the Indenture. All terms used in this Note that are defined in the Indenture, as supplemented or amended, shall have the meanings assigned to them in or pursuant to the Indenture, as so supplemented or amended.

The Class B Notes and the Class C Notes will also be issued under the Indenture.

The Notes are and will be equally and ratably secured by the collateral pledged as security therefor as provided in the Indenture.

Principal of the Notes will be payable on the Expected Principal Payment Date in an amount described on the face hereof.

As described above, the entire unpaid principal amount of this Note shall be due and payable on the Legal Maturity Date. Notwithstanding the foregoing, the entire unpaid principal amount of the Notes shall be due and payable on the date on which an Event of Default relating solely to the non-payment of interest on the Notes shall have occurred and be continuing and the Indenture Trustee or the Holders of the Notes representing not less than a majority of the Outstanding Amount of the Notes have declared the Notes to be immediately due and payable in the manner provided in Section 702 of the Indenture; provided, however, that such acceleration of the entire unpaid principal amount of the Notes may be rescinded by the holders of not less than a majority of the Outstanding Amount of the Notes. All principal payments on the Notes shall be made pro rata to the Noteholders entitled thereto.

On any day occurring on or after the date on which the aggregate Nominal Liquidation Amount of any tranche of Notes is reduced to less than 5% of its Initial Dollar Principal Amount, the Issuer has the right, but not the obligation, to redeem such tranche of Notes in whole but not in part, pursuant to Section 1202 of the Indenture. The redemption price will be an amount equal to the Outstanding principal amount of such tranche, plus interest accrued and unpaid or principal accreted and unpaid on such tranche to but excluding the date of redemption.

Subject to the terms and conditions of the Indenture, the Beneficiary, on behalf of the Trust, may from time to time issue, or direct the Owner Trustee, on behalf of the Trust, to issue, one or more series, classes or tranches of Notes.

---

On each Payment Date, the Paying Agent shall distribute to each Class C Noteholder of record on the related Record Date (except for the final distribution with respect to this Note) such Class C Noteholder's pro rata share of the amounts held by the Paying Agent that are allocated and available on such Payment Date to pay interest and principal on the Class C Notes. Final payments of this Note will be made only upon presentation and surrender of this Note at the office or offices therein specified.

[Payments of interest on this Note due and payable on each Payment Date, together with the installment of principal, if any, to the extent not in full payment of this Note, shall be made by check mailed to the Person whose name appears as the Registered Holder of this Note (or one or more Predecessor Notes) on the Note Register as of the close of business on each Record Date, except that with respect to Notes registered on the Record Date in the name of the nominee of the clearing agency (initially, such nominee to be Cede & Co.), payments will be made by wire transfer in immediately available funds to the account designated by such nominee. Such checks shall be mailed to the Person entitled thereto at the address of such Person as it appears on the Note Register as of the applicable Record Date without requiring that this Note be submitted for notation of payment. Any reduction in the principal amount of this Note (or any one or more Predecessor Notes) effected by any payments made on any Payment Date shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not noted hereon. If funds are expected to be available, as provided in the Indenture, for payment in full of the then remaining unpaid principal amount of this Note on a Payment Date, then the Indenture Trustee, in the name of and on behalf of the Issuer, will notify the Person who was the Registered Holder hereof as of the Record Date preceding such Payment Date by notice mailed within five days of such Payment Date and the amount then due and payable shall be payable only upon presentation and surrender of this Note at the Indenture Trustee's principal Corporate Trust Office or at the office of the Indenture Trustee's agent appointed for such purposes located in the City of New York. On any payment of interest or principal being made, details of such payment shall be entered by the Indenture Trustee on behalf of the Issuer in Schedule A hereto.]

[As provided in the Indenture and subject to certain limitations set forth therein, the transfer of this Note may be registered on the Note Register upon surrender of this Note for registration of transfer at the office or agency designated by the Issuer pursuant to the Indenture, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Indenture Trustee duly executed by, the Holder hereof or his attorney duly authorized in writing, with such signature guaranteed by a commercial bank or trust company located, or having a correspondent located, in the City of New York or the city in which the Corporate Trust Office is located, or a member firm of a national securities exchange, and such other documents as the Indenture Trustee may require, and thereupon one or more new Notes of authorized denominations and in the same aggregate principal amount will be issued to the designated transferee or transferees.
