(e) if the Registered Global Certificate is issued under the NSS, to notify the Registrar of all relevant information, whereupon the Registrar shall provide Euroclear and Clearstream, Luxembourg with all relevant information to enable them to reconcile their records with the Register; and

(f) where the Principal Agent delivers any authenticated Bearer Temporary Global Note or Registered Global Certificate to a common safekeeper for effectuation using electronic means, to destroy the Bearer Temporary Global Note or Registered Global Certificate retained by it following its receipt of confirmation from the common safekeeper that the relevant Bearer Temporary Global Note or Registered Global Certificate has been effectuated.

(2) Each of the Principal Agent and the Registrar shall only be required to perform their respective obligations under sub-clause (1) relating to Bearer Notes if it holds, as applicable:

(a) master Bearer Temporary Global Notes, duly executed by a person or persons authorized to execute the same on behalf of the Issuer, which may be used by the Principal Agent for the purpose of preparing Bearer Temporary Global Notes in accordance with Clause 5(1)(a); and

(b) master Bearer Permanent Global Notes, duly executed by a person or persons authorized to execute the same on behalf of the Issuer, which may be used by the Principal Agent for the purpose of preparing Bearer Permanent Global Notes in accordance with Clause 6 below.

(3) The Principal Agent will provide Euroclear and/or Clearstream, Luxembourg with the notifications, instructions, or other information to be given by the Principal Agent to Euroclear and/or Clearstream, Luxembourg in accordance with the standard procedures of Euroclear and/or Clearstream, Luxembourg.

6. Determination of Exchange Date, Issue of Bearer Permanent Global Notes or Bearer Definitive Notes and Determination of Restricted Period

(1) (a) The Principal Agent shall determine the Exchange Date for each Bearer Temporary Global Note, or portion thereof, in accordance with the terms thereof. Forthwith upon determining the Exchange Date in respect of any Tranche, the Principal Agent shall notify such determination to the Issuer, the relevant Dealers, Euroclear and Clearstream, Luxembourg.

(b) The Principal Agent shall deliver, upon notice from Euroclear or Clearstream, Luxembourg, a Bearer Permanent Global Note or Bearer Definitive Notes, as the case may be, in accordance with the terms of the Bearer Temporary Global Note, provided that in each case the Principal Agent has received certification of non-U.S. beneficial ownership as required by U.S. Treasury Regulations unless such certification has already been given. Upon any such exchange of a portion of a Bearer Temporary Global Note for an interest in a Bearer Permanent Global Note, the Principal Agent is hereby authorized on behalf of the Issuer:

(i) for the first Tranche of any Series of Notes, to prepare and complete a Bearer Permanent Global Note in accordance with the terms of the Bearer Temporary Global Note applicable to such Tranche by attaching a copy of the applicable Final Terms to a copy of the relevant master Bearer Permanent Global Note;

(ii) for the first Tranche of any Series of Notes where the Bearer Permanent Global Note is a CGN, to authenticate such Bearer Permanent Global Note;

(iii) for the first Tranche of any Series of Notes where the Bearer Permanent Global Note is a CGN, to deliver such Bearer Permanent Global Note to the common depository which is holding the Bearer Temporary Global Note applicable to such Tranche for the time being on behalf of Euroclear and/or Clearstream, Luxembourg either in exchange for such Bearer Temporary Global Note or, in the case of a partial exchange, on entering details of such partial exchange of the Bearer Temporary Global Note in the relevant spaces in Schedule 2 of both the Bearer Temporary Global Note and the Bearer Permanent Global Note, and in either case against receipt from the common depository of confirmation that such common depository is holding the Bearer Permanent Global Note in safe custody for the account of Euroclear and/or Clearstream, Luxembourg;

(iv) for the first Tranche of any Series of Notes where the Bearer Permanent Global Note is a NGN, to deliver such Bearer Permanent Global Note to the common safekeeper, which is holding the Bearer Temporary Global Note representing the Tranche for the time being on behalf of Euroclear and/or Clearstream, Luxembourg, to effectuate (in the case of a Bearer Permanent Global Note which is a Eurosystem-eligible NGN) and to hold on behalf of the Issuer pending its exchange for the Bearer Temporary Global Note;

(v) in the case of a subsequent Tranche of any Series of Notes where the Bearer Permanent Global Note is a CGN, to attach a copy of the applicable Final Terms to the Bearer Permanent Global Note applicable to the relevant Series and to enter details of any exchange in whole or part as stated above; and

(vi) in the case of a subsequent Tranche of any Series of Notes where the Bearer Permanent Global Note is a NGN, to deliver the applicable Final Terms to the specified common safekeeper for attachment to the Bearer Permanent Global Note applicable to the relevant Series.

(c) The certifications of non-U.S. beneficial ownership received pursuant to paragraph (b) above shall contain all certifications and information set forth in the form set out in

Schedule 7 hereto and shall be retained by the Principal Agent for the period specified in the U.S. Treasury Regulations. A copy of such certification shall upon request by the Issuer be promptly furnished to the Issuer, in no event later than 10 calendar days after receipt of such request. The Principal Agent shall confirm that any such certification by electronic transmission satisfies the Requirements set forth in U.S. Treasury Regulation Section 1.163-5(c)(2)(i)(D)(3)(ii).

(2) (a) For a Tranche of Bearer Notes in respect of which there is only one Dealer, the Principal Agent will determine the end of the Restricted Period in respect of such Tranche as being the fortieth calendar day following the date certified by the relevant Dealer to the Principal Agent as being the date as of which distribution of the Notes of that Tranche was completed.

(b) For a Tranche of Bearer Notes in respect of which there is more than one Dealer but which is not issued on a syndicated basis, the Principal Agent will determine the end of the Restricted Period in respect of such Tranche as being the fortieth calendar day following the latest of the dates certified by all the relevant Dealers to the Principal Agent as being the respective dates as of which distribution of the Notes of that Tranche purchased by each such Dealer was completed.

(c) For a Tranche of Bearer Notes issued on a syndicated basis, the Principal Agent will determine the end of the Restricted Period in respect of such Tranche as being the fortieth calendar day following the date certified by the Lead Manager to the Principal Agent as being the date as of which distribution of the Notes of that Tranche was completed.

(d) Forthwith upon determining the end of the Restricted Period in respect of any Tranche of Bearer Notes, the Principal Agent shall notify such determination to the Issuer and the relevant Dealers or the Lead Manager in the case of a syndicated issue.

(3) Upon any exchange of all or a part of an interest in a Bearer Temporary Global Note for an interest in a Bearer Permanent Global Note or upon any exchange of all or a part of an interest in either a Bearer Temporary Global Note or a Bearer Permanent Global Note for Bearer Definitive Notes, the Principal Agent shall (i) procure that the relevant Global Note shall, if it is a CGN, be endorsed by or on behalf of the Principal Agent to reflect the reduction of its nominal amount by the aggregate nominal amount so exchanged and, where applicable, the Bearer Permanent Global Note shall be endorsed by or on behalf of the Principal Agent to reflect the increases in its nominal amount as a result of any exchange for an interest in the Bearer Temporary Global Note or (ii) in the case of any Bearer Global Note which is a NGN, instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such exchange. Until exchanged in full, the holder of an interest in any Bearer Global Note shall in all respects be entitled to the same benefits under this Agreement as the holder of Bearer Definitive Notes, Receipts and Coupons authenticated and delivered under this Agreement, subject as set out in the Terms and Conditions. The Principal Agent is authorized on behalf of the Issuer and instructed (a) in the case of any Global Note which is a CGN, to endorse or to arrange for the endorsement of the relevant Global Note to reflect the reduction in the nominal amount represented by it by the amount so exchanged and, if appropriate, to endorse the Bearer Permanent Global Note to reflect any increase in the nominal amount represented by it and, in either case, to sign in the relevant space on the relevant Global Note recording the exchange and reduction or increase, (b) in the case of any Global Note which is a NGN, to instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such exchange and (c) in the case of a total exchange, to cancel or arrange for the cancellation of the relevant Global Note.

(4) Where the Principal Agent delivers any authenticated Bearer Permanent Global Note to a common safekeeper for effectuation using electronic means, it is authorized and instructed to destroy the Bearer Permanent Global Note retained by it following its receipt of confirmation from the common safekeeper that the relevant Bearer Permanent Global Note has been effectuated.

(5) Any exchange of all or a part of an interest in a Bearer Temporary Global Note for an interest in a Bearer Permanent Global Note, any exchange of all or a part of an interest in either a Bearer Temporary Global Note or a Bearer Permanent Global Note for Bearer Definitive Notes, and any delivery of a Bearer Note shall be made only outside the United States and its possessions.

7. Issue of Definitive Notes and Registered Definitive Certificates

(1) Unless otherwise provided in the applicable Final Terms, on or after the Exchange Date interests in a Bearer Global Note will be exchangeable for Bearer Definitive Notes with Coupons attached: (i) as to Bearer Permanent Global Notes, on not less than 60 calendar days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in the applicable Bearer Permanent Global Note), (ii) if an Event of Default (as defined in the Terms and Conditions) occurs and is continuing, (iii) if the Issuer is notified that either Euroclear or Clearstream, Luxembourg has been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory requirement or otherwise) after the original issuance of the Bearer Notes or has announced an intention permanently to cease business or has in fact done so and no alternative clearance system approved by the Noteholders is available, or (iv) if the Issuer, after notice to the Principal Agent, determines to issue the applicable Bearer Notes in definitive form. Upon the occurrence of these events, the Principal Agent shall deliver the relevant Bearer Definitive Note(s) in accordance with the terms of the relevant Bearer Global Note. For this purpose, the Principal Agent is hereby authorized on behalf of the Issuer:

- (a) to authenticate such Bearer Definitive Note(s) in accordance with the provisions of this Agreement; and
- (b) to deliver such Bearer Definitive Note(s) to or to the order of Euroclear or Clearstream, Luxembourg in exchange for such Bearer Global Note.

The Principal Agent shall notify the Issuer forthwith upon receipt of a request for issue of Bearer Definitive Note(s) in accordance with the provisions of a Bearer Global Note and this Agreement (and the aggregate principal amount of such Bearer Temporary Global Note or Bearer Permanent Global Note, as the case may be, to be exchanged in connection therewith).

(2) Unless otherwise provided in the applicable Final Terms, interests in a Registered Global Note will be exchangeable for Registered Definitive Notes: (i) if the Issuer is notified that Euroclear or Clearstream, Luxembourg has been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory requirement or otherwise) after the issuance of the Registered Global Note or has announced an intention permanently to cease business or has in fact done so and no alternative clearance system approved by the Noteholders is available, (ii) if an Event of Default (as defined in the Terms and Conditions) occurs and is continuing, or (iii) if the Issuer, after notice to the Principal Agent, determines to issue the applicable Registered Notes in definitive form. Upon the occurrence of these events, the Principal Agent shall deliver the relevant Registered Definitive Certificates in accordance with the terms of the relevant Registered Global Note. For this purpose, the Registrar is hereby authorized on behalf of the Issuer:

- (a) to authenticate such Registered Definitive Certificates in accordance with the provisions of this Agreement; and
- (b) to deliver such Registered Definitive Certificates to or to the order of Euroclear, Clearstream, Luxembourg or any alternative clearing system in exchange for such Registered Global Certificate.

(3) The Issuer undertakes to deliver to the Principal Agent and the Registrar sufficient numbers of executed Bearer Definitive Notes with, if applicable, Receipts, Coupons and Talons attached, and sufficient numbers of Registered Definitive Certificates to enable the Principal Agent and the Registrar to comply with their respective obligations under this Clause 7.

Notwithstanding the foregoing, the Principal Agent shall not deliver a Bearer Definitive Note unless a certification of non-U.S. beneficial ownership is furnished or has previously been received. Any such certification shall contain all certifications and information set forth in the form set out in Schedule 7 hereto, and shall be retained by the Principal Agent, and a copy shall be furnished to the Issuer, in accordance with Clause 6(1)(c) above.

8. Terms of Issue

(1) The Principal Agent and Registrar shall cause all Bearer Temporary Global Notes, Bearer Permanent Global Notes, Bearer Definitive Notes, Registered Global Certificates and Registered Definitive Certificates that are delivered to and held by it under this Agreement to be maintained in safe custody and shall ensure that such Notes are issued only in accordance with the provisions of this Agreement, the relevant Global Note and the Terms and Conditions.

(2) Subject to the procedures set out in the Procedures Memorandum, for the purposes of Clause 5(1), the Principal Agent and Registrar are entitled to treat a telephone, email or facsimile communication from a person purporting to be (and who the Principal Agent or Registrar believes in good faith to be) the authorized representative of the Issuer named in the lists referred to in, or notified pursuant to, Clause 21(7) as sufficient instructions and authority of the Issuer for the Principal Agent or Registrar, as applicable, to act in accordance with Clause 5(1).

(3) If a person who has signed on behalf of the Issuer any Bearer Note or Registered Certificate not yet issued but held by the Principal Agent or Registrar in accordance with Clause 5(1) ceases to be authorized as described in Clause 21(7), the Principal Agent or Registrar, as applicable (unless the Issuer gives notice to the Principal Agent or Registrar, as applicable, that Notes signed by that person do not constitute valid and binding obligations of the Issuer or otherwise until replacements have been provided to the Principal Agent or Registrar, as applicable), shall continue to have authority to issue any such Notes, and the Issuer hereby warrants to the Principal Agent and Registrar that such Notes shall be, unless notified as aforesaid, valid and binding obligations of the Issuer. Promptly upon such person ceasing to be authorized, the Issuer shall provide the Principal Agent with replacement Bearer Notes or Registered Certificates (as applicable). Upon receipt of such replacement Bearer Notes or Registered Certificates, the Principal Agent or Registrar, as applicable, shall cancel and destroy the Bearer Notes or Registered Certificates held by it which are signed by such person and upon written request shall provide to the Issuer a confirmation of destruction in respect thereof specifying the Bearer Notes or Registered Certificates so cancelled and destroyed.

(4) If the Principal Agent pays an amount (the "Advance") to the Issuer on the basis that a payment (the "Payment") has been, or will be, received from a Dealer and if the Payment is not received by the Principal Agent on the date the Principal Agent pays the Issuer, the Principal Agent shall notify the Issuer by facsimile or email that the Payment has not been received and the Issuer shall repay to the Principal Agent the Advance and shall pay interest on the Advance (or the unreimbursed portion thereof) from (and including) the date such Advance is made to (but excluding) the earlier of repayment of the Advance and receipt by the Principal Agent of the Payment (at a rate quoted at that time by the Principal Agent as its cost of funding the Advance).

(5) Except in the case of issues where the Principal Agent does not act as receiving bank for the Issuer in respect of the purchase price of the Notes being issued, if on the relevant Issue Date, a Dealer does not pay the full purchase price due from it in respect of any Note (the "Defaulted Note") and, as a result, the Defaulted Note remains in the Principal Agent's distribution account with Euroclear and/or Clearstream, Luxembourg after such Issue Date, the Principal Agent will continue to hold the Defaulted Note pursuant to the order of the Issuer. The Principal Agent shall notify the Issuer forthwith of the failure of the Dealer to pay the full purchase price due from it in respect of any Defaulted Note and, subsequently, shall notify the Issuer forthwith upon receipt from the Dealer of the full purchase price in respect of such Defaulted Note and to pay to the Issuer the amount so received.

9. Payments

(1) Subject to sub-clause 12 below, the Principal Agent shall advise the Issuer, as soon as shall be practicable preceding the date on which any payment is to be made to the Principal Agent pursuant to this sub-clause (1) of the payment amount, value date and payment instructions and the Issuer will before 10:00 a.m. (London time) on each date on which any payment in respect of any Notes issued by it becomes due, transfer to an account specified by the Principal Agent such amount in the relevant currency as shall be sufficient for the purposes of such payment in funds settled through such payment system as the Principal Agent and the Issuer may agree.

(2) The Issuer will ensure that no later than 4:00 p.m. (London time) on the second Business Day (as defined below) immediately preceding the date on which any payment is to be made to the Principal Agent pursuant to sub-clause (1), the Principal Agent shall receive from the paying bank of the Issuer an irrevocable confirmation in the form of an authenticated SWIFT message that such payment shall be made. For the purposes of this Clause 9, "Business Day" means a day which is both:

(a) a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and New York and any additional business center(s) specified in the applicable Final Terms ("Additional Business Center(s)"); and

(b) either (1) for any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centers (as defined below) of the country of the relevant Specified Currency (if other than London) or (2) for any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer System ("TARGET2 System") or any successor thereto is operating.

Unless otherwise specified in the applicable Final Terms, the principal financial center of any country for the purpose of this Clause 9 shall be the relevant financial centers (if any) specified for the relevant Specified Currency in Section 1.5 or Section 1.6 of the ISDA Definitions, except that the principal financial center for Australian Dollars shall be Melbourne and Sydney, the principal financial center for Canadian Dollars shall be Toronto, and the principal financial center for New Zealand Dollars shall be Wellington.

(3) The Principal Agent shall ensure that payments of principal, interest and any other amount in respect of any Bearer Temporary Global Note will be made only to the extent that certification of non-U.S. beneficial ownership as required by U.S. Treasury regulations has been received from Euroclear and/or Clearstream, Luxembourg in accordance with the terms thereof. Any such certification shall contain all certifications and information set forth in the form set out in Schedule 7, and be retained by the Principal Agent, and a copy shall be furnished to the Issuer, in accordance with Clause 6(1)(c) above.

(4) Subject to the receipt by the Principal Agent of payment as provided in sub-clause (1) above, the Principal Agent or the relevant Paying Agent shall pay or cause to be paid all amounts due in respect of the Notes on behalf of the Issuer in the manner provided in the Terms and Conditions. If any payment provided for in sub-clause (1) is made late but otherwise in accordance with the provisions of this Agreement, the Principal Agent and each Paying Agent shall nevertheless make payments in respect of the Notes as aforesaid following receipt by it of such payment.

(5) If for any reason the Principal Agent considers in its sole discretion that the amounts to be received by the Principal Agent pursuant to sub-clause (1) will be, or the amounts actually received by it pursuant thereto are, insufficient to satisfy all claims in respect of all payments then falling due in respect of the Notes, neither the Principal Agent nor any Paying Agent shall be obliged to pay any such claims until the Principal Agent has received the full amount of all such payments. Should the Principal Agent or any Paying Agent elect not to make payment of amounts falling due in respect of the Notes as aforesaid, it shall advise the Issuer of any such decision as soon as practicable by telephone with confirmation by facsimile or e-mail.

(6) Without prejudice to sub-clauses (4) and (5), if the Principal Agent pays any amounts to the holders of Notes, Receipts or Coupons or to any Paying Agent at a time when it has not received payment in full in respect of the relevant Notes in accordance with sub-clause (1) (the excess of the amounts so paid over the amounts so received being the "Shortfall"), the Issuer will, in addition to paying amounts due under sub-clause (1), pay to the Principal Agent on demand interest (at a rate which represents the Principal Agent's cost of funding the Shortfall) on the Shortfall (or the unreimbursed portion thereof) until the receipt in full by the Principal Agent of the Shortfall.

(7) The Principal Agent shall on demand promptly reimburse each Paying Agent for payments in respect of Notes properly made by such Paying Agent in accordance with this Agreement and the Terms and Conditions unless the Principal Agent has notified the Paying Agent, prior to the opening of business in the location of the office of the Paying Agent through which payment in respect of the Notes can be made prior to the day on which such Principal Agent has to give payment instructions in respect of the due date of a payment in respect of the Notes, that the Principal Agent does not expect to receive sufficient funds to make payment of all amounts falling due in respect of such Notes.

(8) If the Principal Agent pays out funds on or after the due date therefor, or becomes liable to pay out funds, on the assumption that a corresponding payment by the Issuer has been or will be made and such payment has in fact not been made by the Issuer, then the Issuer shall on demand reimburse the Principal Agent for the relevant amount, and pay interest to the Principal Agent on such amount from the date on which it is paid out to the date of reimbursement at a rate per annum equal to the cost to the Principal Agent of funding the amount paid out, as certified by the Principal Agent and expressed as a rate per annum. For the avoidance of doubt, the provisions of the Terms and Conditions as to subordination shall not apply to the Issuer's obligations under this sub-clause (8).

(9) While any Notes are represented by a Bearer Global Note or a Registered Global Certificate, all payments or deliveries due in respect of such Notes shall be made to, or to the order of, the holder of the Bearer Global Note or with respect to the Registered Global Certificate, the person or persons for the time being shown in the Register maintained by the Registrar as the Noteholder or Noteholders, subject to, and in accordance with, the provisions of the Bearer Global Note or Registered Global Certificate. In the case of a CGN, the Paying Agent to which any Bearer Global Note was presented for the purpose of making such payment shall cause the appropriate Schedule to the relevant Global Note to be annotated so as to evidence the amounts and dates of such payments of principal, interest or other amounts, as applicable. In the case of any Bearer Global Note which is a NGN, the Principal Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such payment.

(10) All payments in respect of any Bearer Note shall be made outside the United States and its possessions and shall not be made by transfer to an account at a bank, or delivered to an address, located inside the United States or its possessions by any office or agency of the Issuer, the Principal Agent, or any Paying Agent. Terms used in this sub-clause shall have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended, and regulations thereunder.

(11) If the amount of principal, interest or other amounts then due for payment is not paid in full (otherwise than by reason of a deduction required by law to be made therefrom), (i) the Paying Agent to which a Bearer Note is presented for the purpose of making such payment shall, unless the Bearer Note is a NGN, make a record of such shortfall on the Bearer Note and such record shall, in the absence of manifest error, be prima facie evidence that the payment in question has not to that extent been made or (ii) in the case of any Bearer Global Note which is a NGN, the Principal Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such shortfall in payment.

(12) If any payments or deliveries due on any Physical Delivery Notes, as defined in the Terms and Conditions, including pursuant to sub-clause 10 above, are required to be paid by delivery of any asset other than cash, then neither the Principal Agent nor any Paying Agent shall be responsible hereunder for the delivery of such non-cash consideration. Instead, the delivery of such non-cash consideration shall be effected or procured by the Delivery Agent in the manner provided by the Delivery Agency Agreement upon receipt of an Asset Transfer Notice from the relevant Noteholder in the manner contemplated by the Terms and Conditions. No Entitlement shall be delivered in the United States or its possessions, transferred to an account at a bank or delivered to an address located inside the United States or its possessions, or to, or for the account or benefit of, a U.S. person (as defined in Regulation S of the Securities Act of 1933, as amended). For purposes of taking any action required to be taken by the Principal Agent hereunder, including, but not limited to, any notations required to be made on the Notes, the Principal Agent may rely upon any notification delivered to it by the Delivery Agent pursuant to the Delivery Agency Agreement as to the amounts delivered by the Delivery Agent thereunder (or any shortfall, as the case may be) on any Interest Payment Date, Maturity Date, or any other relevant payment date.

10. Determinations and Notifications in Respect of Notes and Interest Determination

(1) The Principal Agent shall make all such determinations and calculations (howsoever described) as it is required to do under the Terms and Conditions, all subject to and in accordance with the Terms and Conditions, provided that certain calculations with respect to the Notes, and associated publication or notification, shall be made by the relevant Calculation Agent in accordance with the relevant Calculation Agency Agreement.

(2) For the purposes of monitoring the aggregate principal amount of Notes issued under the Program, the Principal Agent shall determine the U.S. Dollar equivalent of the principal amount of each issue of Notes denominated in another currency, each issue of Zero Coupon Notes, Dual Currency Notes, Index Linked Notes, Share Linked Notes, GDR/ADR Linked Notes, FX Linked Notes, Commodity Linked Notes, Fund Linked Notes, Inflation Linked Notes, Hybrid Notes, Installment Notes, Partly Paid Notes, Notes Linked to other Underlying Assets, and Amortizing Notes as follows:

(a) the U.S. Dollar equivalent of Notes denominated in a currency other than U.S. Dollars shall be determined as of the Agreement Date for such Notes on the basis of the spot rate for the sale of the U.S. Dollar against the purchase of the relevant currency quoted by a foreign exchange dealer selected by the Issuer on the relevant day of calculation;

(b) the U.S. Dollar equivalent of Dual Currency Notes, Index Linked Notes, Share Linked Notes, GDR/ADR Linked Notes, FX Linked Notes, Commodity Linked Notes, Fund Linked Notes, Inflation Linked Notes, Hybrid Notes, and Notes Linked to other Underlying Assets shall be determined by reference to the original nominal amount of such Notes;

(c) the U.S. Dollar equivalent of Partly Paid Notes shall be determined by reference to the original principal amount of such Notes regardless of the amount paid on the Notes;

(d) the U.S. Dollar equivalent of Zero Coupon Notes and other Notes that are issued at a discount or premium (other than a de minimis discount in the ordinary course), shall be determined by reference to the net proceeds received by the Issuer for the relevant issue; and

(e) the U.S. Dollar equivalent of Installment Notes and Amortizing Notes, shall be determined by reference to the Specified Denomination of such Notes, less the aggregate of all amounts of principal paid on such Notes up to the relevant day of determination.

11. Withholding Taxes

(1) Prior to the first payment on any Note, the Principal Agent shall have submitted to the Issuer, or shall have on file with the Issuer, a properly executed Internal Revenue Service ("IRS") Form W-9, and any Paying Agent with respect to such Note shall have submitted to the Issuer, or shall have on file with the Issuer, such IRS form as the Issuer shall determine to be necessary or advisable.

(2) In respect of all Notes the payments on which are specified in the applicable Final Terms as being subject to United States withholding taxes, the Principal Agent and any Paying Agent with respect to such Note shall, unless otherwise notified by the Issuer, withhold United States federal income tax in accordance with U.S. law on all payments as specified in the applicable Final Terms, forward the amount withheld to the IRS, and comply with any U.S. tax reporting requirements.

(3) If the Issuer, in respect of any payment not described in Clause 11(2) above, is required to withhold or deduct any amount for or on account of taxes, duties, assessments or governmental charges, the Issuer shall give written notice thereof to the Principal Agent and any Paying Agent with respect to such Note as soon as it becomes aware of the requirement to make such withholding or deduction and shall give to the Principal Agent and such Paying Agent such information as the Principal Agent or such Paying Agent shall require to enable it to comply with such requirement, and the Principal Agent and Paying Agent shall comply with such requirement.

(4) Notwithstanding anything to the contrary, in respect of all Registered Notes, the Principal Agent and any Paying Agent with respect to the Notes shall collect IRS Forms W-8BEN, W-8IMY, W-9 (or any successor forms thereto) or other appropriate tax forms from the Noteholders and withhold taxes to the extent required by law.

(5) The Principal Agent and any Paying Agent with respect to a Note shall report payments to the Noteholders and the IRS as appropriate under U.S. law.

(6) The Principal Agent and any Paying Agent with respect to a Note shall provide the Issuer with any information required by the Issuer in connection with the Principal Agent's compliance with the tax requirements of this Clause 11.

12. Duties of the Principal Agent in Connection with Early Redemption, Put Notices and Asset Transfer Notices

(1) If so permitted by the applicable Final Terms, and subject to the provisions of the Terms and Conditions, if the Issuer decides to redeem any outstanding Notes (in whole or in part) for the time being outstanding prior to their Maturity Date or the Interest Payment Date falling in the redemption month (as the case may be) in accordance with the Terms and Conditions, the Issuer shall give 7 calendar days written notice of such decision to the Principal Agent on or prior to the date on which the Issuer will give notice of such redemption to the Noteholders in accordance with the Terms and Conditions in order to enable the Principal Agent to undertake its obligations herein and in the Terms and Conditions.

(2) Where partial redemptions are to be effected when there are Definitive Notes outstanding, the Principal Agent will select by lot the Notes to be redeemed from the outstanding Notes in compliance with all applicable laws and stock exchange requirements and deemed by the Principal Agent to be appropriate and fair. Where partial redemptions are to be effected when there are no Definitive Notes outstanding, the rights of Noteholders will be governed by the standard provisions of Euroclear and Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion). Notice of any partial redemption and, when there are Definitive Notes outstanding, of the serial numbers of the Bearer Definitive Notes or Registered Definitive Certificates so drawn, will be given by the Principal Agent to the Noteholders in accordance with the terms of the Notes and this Agreement. Any selection required to be made by the Principal Agent pursuant to this Clause 12(2) shall be made in accordance with the Terms and Conditions, but the Principal Agent shall give the Issuer reasonable notice of the time and place proposed for such selection.

(3) On behalf of and at the expense of the Issuer, the Principal Agent shall publish the notice required in connection with any such redemption and shall at the same time also publish a separate list of the serial numbers of any Bearer Definitive Notes or Registered Definitive Certificates previously selected and not presented for redemption. Such notice shall specify the date fixed for redemption, the redemption amount, the record date, the manner in which redemption will be effected and, in the case of a partial redemption, the serial numbers of the Notes to be redeemed (in the case of Definitive Notes) and the nominal amounts of the Notes to be redeemed. Such notice will be published in accordance with the Terms and Conditions. The Principal Agent also will notify the other Paying Agents of any date fixed for redemption of any Notes. In addition, the Principal Agent shall send to each holder of Registered Notes that are called in whole or in part for redemption or exercise of any option, at its address shown in the Register, a copy of such notice together with details of such Noteholder's Registered Notes called for redemption or subject to any option and the extent of such redemption or the terms of the exercise of such option.

(4) Immediately prior to the date on which any notice of redemption is to be given to the Noteholders, the Issuer shall deliver to the Principal Agent a certificate stating that the Issuer is entitled to effect such redemption and setting forth in reasonable detail a statement of facts showing that all conditions precedent to such redemption have occurred or been satisfied and shall comply with all notice requirements provided for in the Terms and Conditions.

(5) Each Paying Agent, with respect to Bearer Notes, and each Transfer Agent, with respect to Registered Notes, will keep a stock of Put Notices for Bearer Definitive Notes or Registered Definitive Notes in the form set out in Schedule 10 hereto, and will make such notices available on demand to Noteholders of such Notes for which the Terms and Conditions provide for redemption at the option of Noteholders. Each Paying Agent, with respect to Bearer Notes, or Transfer Agent, with respect to Registered Notes, shall promptly transfer a copy of any valid Put Notice that it receives to the Issuer and the Principal Agent. Upon receipt of any Bearer Definitive Note or Registered Definitive Certificate deposited in the exercise of such option in accordance with the Terms and Conditions, the Paying Agent, with respect to Bearer Notes, or Transfer Agent, with respect to Registered Notes, with which such Bearer Note or Registered Certificate is deposited shall hold such Bearer Note (together with any Coupons, if any, relating to it and deposited with it) or Registered Certificate on behalf of the depositing Noteholder (but shall not, save as provided below, release it) until the due date for redemption of the relevant Note consequent upon the exercise of such option, when, subject as provided below and Clause 9(12) above, it shall present such Bearer Note (and any such Coupons, if any) to itself and the Issuer for payment of the amount due thereon together with any interest and any other amounts due on such date in accordance with the Terms and Conditions and shall pay such amounts in accordance with Condition 6, and if applicable, the directions of such Noteholder contained in the Put Notice. In the event of exercise of any other option, each Paying Agent, with respect to Bearer Notes, or Transfer Agent, with respect to Registered Notes, shall take steps required of it in the Terms and Conditions and, in the case of Registered Notes, Clause 17. If, prior to such due date for its redemption, such Note becomes immediately due and payable or if upon due presentation payment of such redemption monies is improperly withheld or refused, the applicable Paying Agent or Transfer Agent shall post such Bearer Note (together with any such Coupons, if any) or such Registered Certificate by uninsured post to, and at the risk of, the relevant Noteholder unless the Noteholder has otherwise requested and paid the costs of such insurance to the relevant Paying Agent at the time of depositing the Bearer Notes or Registered Certificates at such address outside the United States and its possessions as may have been given by the Noteholder in the Put Notice or, in the case of Registered Notes where no address has been given, to the address appearing in the Register. At the end of each period for the exercise of such option, each Paying Agent and each Transfer Agent shall promptly notify the Principal Agent of the principal amount of the Notes in respect of which such option has been exercised with it, together with their serial numbers (or those of the Registered Certificates representing them), and the Principal Agent shall promptly notify such details to the Issuer.

(6) Each Paying Agent and Transfer Agent will keep a stock of Asset Transfer Notices for (in the case of the Paying Agents) Bearer Definitive Notes and (in the case of the Transfer Agent) Registered Definitive Notes which are Physical Delivery Notes in the form set out in Schedule 13, and will make such notices available on demand to holders of such Notes. Each Paying Agent, with respect to Bearer Notes, and the Transfer Agent, with respect to Registered Notes, shall promptly transfer a copy of any valid Asset Transfer Notice that it receives to the Issuer and the Principal Agent. Upon receipt of any Note deposited in connection with the delivery of any Entitlement as to a Physical Delivery Note, the Paying Agent or Transfer Agent with which such Bearer Note or Registered Certificate is deposited shall hold such Bearer Note (together with any Coupons, if any, relating to it and deposited with it) or Registered Certificate on behalf of the depositing Noteholder of such Bearer Note or Registered Certificate (but shall not, except as provided below, release it) until the due date for delivery of the applicable Entitlement of the relevant Note, when, subject as provided below and Clause 9(12) above, it shall present such Bearer Note (and any such Coupons, if any) or Registered Certificate, together with the serial numbers of the applicable Bearer Notes or Registered Certificates, to itself, the Issuer and the Delivery Agent for delivery of the Entitlement due thereon in accordance with the Terms and Conditions. If, prior to such due date for delivery, such Note becomes immediately due and payable or if upon due presentation, delivery or payment of the Entitlement or any monies is improperly withheld or refused, the Paying Agent shall post such Bearer Note (together with any such Coupons, if any) or Registered Certificate by uninsured post to, and at the risk of, the relevant Noteholder of such Note unless such Noteholder has otherwise requested and paid the costs of such insurance to the relevant Paying Agent at the time of depositing the Bearer Notes or Registered Certificate at such address outside the United States and its possessions as may have been given by such Noteholder in the Asset Transfer Notice.

(7) The Principal Agent shall as promptly as practicable (and in any event not later than 3:00 p.m. (local time) on the following Business Day on which a duly completed Asset Transfer Notice is delivered to it), notify the Issuer, the Calculation Agent (if applicable), and the Delivery Agent (if applicable) of details of the Notes in respect of which an Asset Transfer Notice has been delivered by any holder of Notes (such notification to

be in such form and in such manner as the Issuer, the relevant Dealer, the Calculation Agent (if applicable), and the Delivery Agent (if applicable) may reasonably request from time to time).

(8) The Principal Agent shall keep a full and complete record of all Notes and of their exercise, redemption and cancellation in accordance with this Clause 12 and make such records available at all reasonable times to the Issuer and any persons authorized by it for inspection and for the taking of copies thereof or extracts therefrom.

(9) The Principal Agent shall, as soon as practicable after the date on which all the Notes represented by any Bearer Global Note or by any Registered Global Certificate have been redeemed or have become null and void and upon delivery by or on behalf of the common depository (in the case of a Global Note issued in CGN form or a Registered Global Certificate issued under the CSS) or the common safekeeper (in the case of a Bearer Global Note issued in NGN form or a Registered Global Certificate issued under the NSS) of the relevant Bearer Global Note or Registered Global Certificate to the Principal Agent, cancel the relevant Bearer Global Note or Registered Global Certificate or cause it to be cancelled and thereafter, unless otherwise instructed by the Issuer, destroy the relevant Bearer Global Note or Registered Global Certificate and upon written request by the Issuer certify such destruction to the Issuer.

13. Receipt and Publication of Notices

(1) Upon the receipt by the Principal Agent of a demand or notice from any Noteholder in accordance with the Terms and Conditions, the Principal Agent shall forward a copy thereof to the Issuer.

(2) On behalf of and at the request and expense of the Issuer, the Principal Agent shall cause to be published all notices required to be given by the Issuer to the Noteholders in accordance with the Terms and Conditions.

(3) The Principal Agent shall have no responsibility to obtain the certificate of the Issuer delivered by the Issuer to the Principal Agent pursuant to Condition 6 if such a certificate is required to be issued, nor shall the Principal Agent have any responsibility to notify the Issuer if such a certificate is required to be issued.

14. Cancellation of Notes, Receipts, Coupons and Talons

(1) All Bearer Notes which are purchased or redeemed, all Receipts or Coupons which are paid, all Talons which are exchanged, and all Registered Certificates representing Registered Notes that are purchased or redeemed, shall be delivered outside the United States and its possessions to the Principal Agent or Transfer Agent, as applicable, and shall be cancelled by the Principal Agent or Transfer Agent through which they are redeemed, paid or exchanged. In addition, the Issuer shall notify the Principal Agent or Transfer Agent, as applicable, in writing of all Notes which are purchased by or on behalf of the Issuer or any of its subsidiaries and all such Notes (or Registered Certificates in respect of Registered Notes) surrendered to the Principal Agent for cancellation, together (in the case of Bearer Definitive Notes) with all unmatured Receipts, Coupons or Talons (if any) attached thereto or surrendered therewith, shall be cancelled by the Principal Agent.

(2) The Issuer shall have the right to request that the Principal Agent, in the case of Bearer Notes, or the Registrar, in the case of Registered Notes, provide, without limitation, the following information:

- (a) the aggregate principal amount of Notes which have been purchased or redeemed and the aggregate amount paid in respect thereof;
- (b) the number of Notes cancelled together (in the case of Definitive Notes, if any) with details of all unmatured Receipts, Coupons or Talons (if any) attached thereto or delivered therewith;

(d) the total number by maturity date of Receipts, Coupons and Talons so cancelled; and

(e) in the case of Bearer Definitive Notes, if any, the serial numbers of such Notes, or in the case of Registered Notes, the serial numbers of the Registered Certificates representing them, which shall be given to the Issuer by the Principal Agent or Registrar, as applicable, as soon as reasonably practicable and in any event within three months after the date of such repayment or, as the case may be, payment or exchange.

(3) The Principal Agent shall destroy all cancelled Notes, Receipts, Coupons, Talons and Certificates.

(4) The Principal Agent shall keep a full and complete record of all cancelled Bearer Notes, Receipts, Coupons, Talons and Registered Certificates (other than serial numbers of Coupons, except those which have been replaced pursuant to Condition 11) and of all replacement Notes, Receipts, Coupons, Talons or Registered Certificates issued in substitution for mutilated, defaced, destroyed, lost or stolen Notes, Receipts, Coupons, Talons or Registered Certificates. The Principal Agent shall at all reasonable times make such record available to the Issuer and any persons authorized by it for inspection and for the taking of copies thereof or extracts therefrom.

(5) All records and certificates made or given pursuant to this Clause 14 and Clause 15 shall make a distinction between Bearer Notes, Receipts, Coupons, Talons and Registered Certificates of each Series.

(6) The Principal Agent is authorized by the Issuer and instructed to (a) in the case of any Bearer Global Note which is a CGN, to endorse or to arrange for the endorsement of the relevant Bearer Global Note to reflect the reduction in the nominal amount represented by it by the amount so redeemed or purchased and cancelled and (b) in the case of any Bearer Global Note which is a NGN, to instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such redemption or purchase and cancellation, as the case may be.

15. Issue of Replacement Notes, Certificates, Receipts, Coupons and Talons

(1) The Issuer will cause a sufficient quantity of additional forms of Notes, Receipts, Coupons, Talons and Registered Certificates to be available, upon request to the Principal Agent or Registrar, respectively (in such capacity, the "Replacement Agent"), at its specified office for the purpose of issuing replacement Notes, Receipts, Coupons, Talons and Registered Certificates as provided below.

(2) The Replacement Agent will, subject to, and in accordance with, the Terms and Conditions and the following provisions of this Clause 15, authenticate (or in the case of a Bearer Global Note that is a Eurosystem-eligible NGN or Registered Global Certificate issued under the NSS, instruct the common safekeeper to effectuate the same) and cause to be delivered any replacement Bearer Notes, Receipts, Registered Certificates, Coupons and Talons which the Issuer may determine to issue in place of Bearer Notes, Receipts, Registered Certificates, Coupons and Talons which have been lost, stolen, mutilated, defaced or destroyed.

(3) In the case of a mutilated or defaced Bearer Note, the Replacement Agent shall ensure that (unless otherwise covered by such indemnity as the Issuer may reasonably require) any replacement Bearer Note will only have attached to it Receipts, Coupons and Talons corresponding to those (if any) attached to the mutilated or defaced Bearer Note which is presented for replacement.

(4) The Replacement Agent shall not issue any replacement Note, Receipt, Registered Certificate, Coupon or Talon unless and until the applicant therefor shall have:

(a) paid such reasonable costs and expenses as may be incurred in connection therewith, including any tax or other governmental charge that may be imposed in relation thereto;

(b) furnished it with such evidence and indemnity as the Issuer may reasonably require; and

(c) in the case of any mutilated or defaced Note, Receipt, Registered Certificate, Coupon or Talon, surrendered it to the Replacement Agent.

(5) The Replacement Agent shall cancel any mutilated or defaced Bearer Notes, Receipts, Registered Certificates, Coupons and Talons in respect of which replacement Bearer Notes, Receipts, Registered Certificates, Coupons and Talons have been issued pursuant to this Clause 15 and shall furnish the Issuer with a certificate stating the serial numbers of the Bearer Notes, Receipts, Registered Certificates, Coupons and Talons so cancelled and, unless otherwise instructed by the Issuer in writing, shall destroy such cancelled Bearer Notes, Receipts, Registered Certificates, Coupons and Talons and furnish the Issuer with a destruction certificate (to be provided only upon written request) stating the serial number of the Bearer Notes (in the case of Bearer Definitive Notes) or the Registered Certificates (in the case of Registered Notes) and the number by maturity date of Receipts, Coupons and Talons so destroyed, in each case distinguishing between Bearer Notes of each Series and denomination (and any Receipts, Coupons and Talons relating to them) and Registered Notes of each series.

(6) The Replacement Agent, on issuing any replacement Bearer Note, Receipt, Registered Certificate, Coupon or Talon, forthwith shall inform the Issuer, the Principal Agent, the other Paying Agents and the Registrar of the serial number of such replacement Bearer Note, Receipt, Registered Certificates, Coupon or Talon issued and (if known) of the serial number of the Bearer Note, Receipt, Registered Certificates, Coupon or Talon in place of which such replacement Bearer Note, Receipt, Registered Certificate, Coupon or Talon has been issued. Whenever replacement Receipts, Registered Certificate, Coupons or Talons are issued pursuant to the provisions of this Clause 15, the Replacement Agent also shall notify the Principal Agent, the other Paying Agents and the Registrar of the maturity dates of the lost, stolen, mutilated, defaced or destroyed Receipts, Registered Certificate, Coupons or Talons and of the replacement Receipts, Registered Certificate, Coupons or Talons issued.

(7) The Principal Agent and the Registrar, as applicable, shall keep a full and complete record of all replacement Bearer Notes, Receipts, Registered Certificates, Coupons and Talons issued and shall make such record available at all reasonable times to the Issuer and any persons authorized by it for inspection and for the taking of copies thereof or extracts therefrom.

(8) Whenever any Bearer Note, Receipt, Registered Certificate, Coupon or Talon for which a replacement Bearer Note, Receipt, Registered Certificate, Coupon or Talon has been issued and in respect of which the serial number is known is presented to the Principal Agent or any of the Paying Agents for payment, the Principal Agent or, as the case may be, the relevant Paying Agent shall immediately send notice thereof to the Issuer and the other Paying Agents and the relevant Paying Agent shall not make payment in respect thereto, until instructed by the Issuer.

16. Additional Duties of the Transfer Agent and Registrar

(1) The Transfer Agent with which a Registered Certificate is presented for the transfer of, or exercise of any Noteholder's option relating to, Registered Notes represented by it shall forthwith notify the Registrar of (a) the name and address of the holder of the Registered Notes(s) appearing on such Registered Certificate, (b) the number of such Registered Certificate and nominal amount of the Registered Notes(s) represented by it, (c) (in the case of a transfer of, or exercise of an option relating to, part only) the nominal amount of the Registered Note(s) to be transferred or in respect of which such option is exercised, and (d) (in the case of a transfer) the name and address of the Transferee to be entered on the Register and shall cancel such Registered Certificate and forward it to the Registrar.

(2) In the case of an exercise of an Issuer's or Noteholder's option in respect of, or a partial redemption of, a holding of Registered Notes, the Registrar shall issue a new Registered Certificate to the Noteholder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, the Registrar shall issue separate Registered Certificates in respect of those Notes of that holding that have the same terms. The Registrar shall only issue new Registered Certificates against surrender of the existing Registered

Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, the Registrar shall only issue a new certificate representing the enlarged holding against surrender of the existing Registered Certificate.

(3) The Registrar shall deliver each new Registered Certificate to be issued pursuant to Condition 2(b) or (c) within three business days after receipt of the request for exchange, form of transfer or surrender of the Registered Certificate for exchange. Delivery of the new Registered Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer or Registered Certificate shall have been made or, at the option of the Noteholder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, or otherwise in writing, be mailed by uninsured mail at the risk of the Noteholder entitled to the new Registered Certificate to such address as may be so specified, unless such Noteholder requests otherwise and pays in advance to the Transfer Agent or Registrar the costs of such other method of delivery and/or such insurance as it may specify. In this Clause 16(3), "business day" means a day, other than a Saturday or Sunday, on which banks are open for business in the location of the specified office of the Registrar or the Transfer Agent (as the case may be).

17. Regulations Concerning Registered Notes

The Issuer may, subject to the Terms and Conditions, from time to time with approval of the Principal Agent, the Transfer Agent and the Registrar (such approval not to be unreasonably withheld) promulgate regulations concerning the carrying out of transactions relating to Registered Notes and the forms and evidence to be provided. All such transactions shall be made subject to the regulations. The initial Regulations are set out in Schedule 14 hereto.

18. Copies of Documents Available for Inspection

The Principal Agent, the Paying Agents and the Transfer Agent shall hold available for inspection copies of the Amended and Restated Certificate of Incorporation of the Issuer, as amended, the Bylaws of the Issuer, as amended, the Annual Report on Form 10-K of the Issuer for the year ended December 31, 2009, the Quarterly Report on Form 10-Q of the Issuer for the three months ended March 31, 2010 and any Current Report on Form 8-K of the Issuer. This Agreement and the Program Agreement will be available without charge at the office of the Principal Agent. Copies of the Offering Circular, any supplements to the Offering Circular and the applicable Final Terms with respect to a Tranche of Notes also will be available without charge at the office of the Principal Agent. However, the applicable Final Terms relating to an unlisted Note will only be available for inspection by a Noteholder upon proof satisfactory to the Principal Agent as to ownership of the Note.

For this purpose, the Issuer shall furnish the Principal Agent, the Paying Agents and the Transfer Agent with sufficient copies of each of such documents.

19. Meetings of Noteholders

(1) The provisions of Schedule 9 hereto shall apply to meetings of the Noteholders and shall have effect in the same manner as if set out in this Agreement.

(2) Without prejudice to sub-clause (1), each of the Principal Agent, the Paying Agents and Transfer Agent on the request of any Noteholder shall issue voting certificates and block voting instructions in accordance with Schedule 9 hereto and shall forthwith give notice to the Issuer in writing of any revocation or amendment of a block voting instruction. Each of the Principal Agent, Paying Agents and the Transfer Agent will keep a full and complete record of all voting certificates and block voting instructions issued by it and, not less than 24 hours before the time appointed for holding a meeting or adjourned meeting, will deposit at such place as the Principal Agent shall designate or approve full particulars of all voting certificates and block voting instructions issued by it in respect of such meeting or adjourned meeting.

20. Repayment by the Principal Agent

Upon the Issuer being discharged from its obligation to make payments or other deliveries in respect of any Notes pursuant to the relevant Terms and Conditions, and provided that there is no outstanding, bona fide and proper claim in respect of any such payments, the Principal Agent shall forthwith on written demand pay to the Issuer sums equivalent to any amounts paid to it by the Issuer for the purposes of such payments.

21. Conditions of Appointment

(1) The Principal Agent shall be entitled to deal with money paid to it by the Issuer for the purpose of this Agreement in the same manner as other money paid to a banker by its customers except:

- (a) that it shall not exercise any right of set-off, lien or similar claim in respect thereof; and
- (b) as provided in sub-clause (2) below; and
- (c) that it shall not be liable to account to the Issuer for any interest thereon.

(2) In acting hereunder and in connection with the Notes, the Principal Agent, the Paying Agents, the Registrar and the Transfer Agent shall act solely as agents of the Issuer and will not thereby assume any obligations towards or relationship of agency or trust for or with any of the owners or holders of the Notes, Receipts, Coupons or Talons.

(3) The Principal Agent, the Paying Agents, the Registrar and the Transfer Agent hereby undertake to the Issuer to perform such obligations and duties, and shall be obliged to perform such duties and only such duties as are herein, in the Terms and Conditions and in the Procedures Memorandum specifically set forth and no implied duties or obligations shall be read into this Agreement or the Notes against the Principal Agent, the Paying Agents, the Registrar and the Transfer Agent, other than the duty to act honestly and in good faith and to exercise the diligence of a reasonably prudent agent in comparable circumstances.

(4) The Agents may consult with legal and other professional advisers and the opinion of such advisers shall be full and complete protection in respect of any action taken, omitted or suffered hereunder in good faith and in accordance with the opinion of such advisers.

(5) Each of the Principal Agent, the Paying Agents, the Registrar and the Transfer Agent, shall be protected and shall incur no liability for or in respect of any action taken, omitted or suffered in reliance upon any instruction, request or order from the Issuer or any notice, resolution, direction, consent, certificate, affidavit, statement, cable or other paper or document which it reasonably believes to be genuine and to have been delivered, signed or sent by the proper party or parties or upon written instructions from the Issuer.

(6) Any of the Principal Agent, Paying Agents, Registrar and Transfer Agent and their officers, directors and employees may become the owner of, or acquire any interest in any Notes, Receipts, Coupons or Talons with the same rights that it or he would have if the Principal Agent or the relevant Paying Agent, Registrar or Transfer Agent, as the case may be, were not appointed hereunder, and may engage or be interested in any financial or other transactions with the Issuer and may act on, or as depository, safekeeper, trustee or agent for, any committee or body of Noteholders or Couponholders or in connection with any other obligations of the Issuer as freely as if the Principal Agent or the relevant Paying Agent, Registrar and Transfer Agent, as the case may be, were not appointed hereunder.

(7) The Issuer shall provide the Agents with a certified copy of the list of persons authorized to execute documents and take action on its behalf in connection with this Agreement and shall notify the Agents immediately in writing if any of such persons ceases to be so authorized or if any additional person becomes so authorized together, in the case of an additional authorized person, with evidence satisfactory to the Principal Agent

that such person has been so authorized, provided, however, that the Agents shall not incur any liability for any losses, claims or damages resulting from the Issuer's failure to provide such notification to the Agents.

22. Communication Between the Parties

A copy of all communications relating to the subject matter of this Agreement between the Issuer and the Noteholders, Receipholders or Couponholders and any of the Paying Agents or the Transfer Agent shall be sent to the Principal Agent by the relevant Paying Agent or the Transfer Agent.

23. Changes in Principal Agent, Paying Agents, Registrar and Transfer Agent

(1) The Issuer agrees that, for so long as any Note is outstanding, or until monies for the payment of all amounts in respect of all outstanding Notes have been made available to the Principal Agent or to the Delivery Agent, as applicable, or have been returned to the Issuer as provided herein:

(a) so long as the Notes are listed on any stock exchange, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange;

(b) there will at all times be a Paying Agent with a specified office in a city in continental Europe;

(c) there will at all times be a Principal Agent;

(d) the Issuer will maintain a Paying Agent in a member state of the European Union that will not be obliged to withhold or deduct tax pursuant to Directive (as defined in Condition 8) or any law implementing or complying with, or introduced in order to conform to, such Directive; and

(e) there will at all times be a Transfer Agent and Registrar with a specified office outside the United Kingdom.

In addition, the Issuer shall immediately appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5(c). Any variation, termination, appointment or change only shall take effect (other than in the case of insolvency (as provided in sub-clause (5)), when it shall be of immediate effect) after not less than 30 nor more than 45 calendar days' prior notice thereof shall have been given to the Noteholders in accordance with the Terms and Conditions.

(2) The Principal Agent may (subject as provided in sub-clause (4)) at any time resign as Principal Agent by giving at least 90 calendar days' written notice to the Issuer of such intention on its part, specifying the date on which its desired resignation shall become effective, provided that such date shall never be less than three months after the receipt of such notice by the Issuer unless the Issuer agrees to accept less notice.

(3) The Principal Agent may (subject as provided in sub-clause (4)) be removed at any time on at least 45 calendar days' notice by the filing with it of an instrument in writing signed on behalf of the Issuer, specifying such removal and the date when it shall become effective.

(4) Any resignation under sub-clause (2) or removal under sub-clause (3) shall only take effect upon the appointment by the Issuer as hereinafter provided, of a successor Principal Agent, and (other than in cases of insolvency of the Principal Agent) on the expiration of the notice to be given under Clause 25. The Issuer agrees with the Principal Agent that if, by the day falling ten calendar days before the expiration of any notice under sub-clause (2), the Issuer has not appointed a successor Principal Agent, then the Principal Agent, shall be entitled, on behalf of the Issuer, to appoint as a successor Principal Agent in its place a reputable financial institution of good standing as it may reasonably determine to be capable of performing the duties of the Principal Agent hereunder.

(5) In case at any time the Principal Agent resigns, or is removed, or becomes incapable of acting or is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of an administrator, liquidator or administrative or other receiver of all or a substantial part of its property, or admits in writing its inability to pay or meet its debts as they mature or suspends payment thereof, or if any order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency law or if a receiver of it or of all or a substantial part of its property is appointed or any officer takes charge or control of it or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, a successor Principal Agent, which shall be a reputable financial institution of good standing, may be appointed by the Issuer by an instrument in writing filed with the successor Principal Agent. Upon the appointment as aforesaid of a successor Principal Agent and acceptance by it of such appointment and (other than in the case of insolvency of the Principal Agent) upon expiration of the notice to be given under Clause 25, the Principal Agent, so superseded shall cease to be the Principal Agent, hereunder.

(6) Subject to sub-clause (l):

(a) the Issuer may, after prior consultation (other than in the case of insolvency of any Paying Agent, Registrar or Transfer Agent) with the Principal Agent, terminate the appointment of any of the Paying Agents, Registrar or Transfer Agent at any time; or

(b) the Issuer may in respect of the Program, or in respect of any Series of Notes, if so required by the relevant stock exchange or regulatory body, appoint one or more additional Paying Agents, Registrars or Transfer Agents by giving to the Principal Agent, and to the relevant Paying Agent(s), Registrar(s) or Transfer Agent(s) at least 10 calendar days' notice in writing to that effect.

(7) Subject to sub-clause (l), all or any of the Agents may resign their respective appointments hereunder at any time by giving the Issuer and the Principal Agent at least 90 calendar days' written notice to that effect.

(8) Upon its resignation or removal becoming effective, the Principal Agent or the relevant Agent:

(a) shall, in the case of the Principal Agent, forthwith transfer all monies held by it hereunder and the records referred to in Clause 14(4) to the successor Principal Agent hereunder;

(b) shall be entitled to the payment by the Issuer of its commissions, fees and expenses for the services theretofore rendered hereunder in accordance with the terms of Clause 29; and

(c) shall repay to the Issuer the unearned portion, calculated on a pro rata basis, of its compensation, if any.

(9) Upon its appointment becoming effective, a successor Principal Agent and any new Paying Agent, Registrar or Transfer Agent, without further act, deed or conveyance, shall become vested with all the authority, rights, powers, trusts, immunities, duties and obligations of its predecessor or, as the case may be, a Paying Agent, Registrar or Transfer Agent with like effect as if originally named as Principal Agent or (as the case may be) a Paying Agent, Registrar or Transfer Agent hereunder.

Written notice of any such merger, conversion, consolidation or transfer forthwith shall be given to the Issuer by the Principal Agent, Paying Agent(s), Registrar or Transfer Agent.

25. Notification of Changes to Principal Agent, Paying Agents, Registrar or Transfer Agent

Following receipt of notice of resignation from the Principal Agent, any Paying Agents, Registrar or Transfer Agent and forthwith upon appointing a successor Principal Agent or, as the case may be, other Paying Agents, Registrar or Transfer Agent or on giving notice to terminate the appointment of any Principal Agent or, as the case may be, Paying Agent, Registrar or Transfer Agent, the Principal Agent (on behalf of and at the expense of the Issuer) shall give or cause to be given not more than 45 calendar days' nor less than 30 calendar days' prior notice thereof to the Noteholders in accordance with the Terms and Conditions.

(1) The Issuer undertakes to indemnify and hold harmless each of the Principal Agent, the Paying Agents, Registrar and Transfer Agent against all losses, liabilities, costs (including, without limitation, legal

fees and expenses), expenses, claims, actions or demands which the Principal Agent, Paying Agent, Registrar and Transfer Agent as the case may be, may reasonably incur or which may be made against the Principal Agent, Paying Agent, Registrar and Transfer Agent as a result of or in connection with the appointment or the exercise of or performance of the powers, discretions, authorities and duties of the Principal Agent, Paying Agent, Registrar and Transfer Agent under this Agreement, except such as may result from its own gross negligence, bad faith or failure to comply with its obligations hereunder or that of its officers, employees or agents. In no event shall the Issuer be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special or consequential damages, whether or not the Issuer has been advised of the possibility of such loss or damages.

(2) The Principal Agent shall indemnify and hold harmless the Issuer against all losses, liabilities, costs (including, without limitation, legal fees and expenses), expenses, claims, actions or demands which it may reasonably incur or which may be made against it as a result of such Principal Agent's, or any Paying Agent's, Registrar's or Transfer Agent's negligence, bad faith or material failure to comply with its obligations under this Agreement or that of its officers, employees or agents. In no event shall the Principal Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special or consequential damages, whether or not the Principal Agent has been advised of the possibility of such loss or damages.

(3) If, under any applicable law and whether pursuant to a judgment being made or registered or in the liquidation, insolvency or analogous process of any party hereto or for any other reason, any payment under or in connection with this Agreement is made or fails to be satisfied in a currency (the "Other Currency") other than that in which the relevant payment is expressed to be due (the "Required Currency") under this Agreement, then, to the extent that the payment (when converted into the Required Currency at the rate of exchange on the date of payment or, if it is not practicable for the payee to purchase the Required Currency with the Other Currency on the date of payment, at the rate of exchange as soon thereafter as it is practicable for it to do so or, in the case of a liquidation, insolvency or analogous process, at the rate of exchange on the latest date permitted by applicable law for the determination of liabilities in such liquidation, insolvency or analogous process) actually received by the payee falls short of the amount due under the terms of this Agreement, the payor shall, as a separate and independent obligation, indemnify and hold harmless the payee against the amount of such shortfall. For the purpose of this Clause 30, "rate of exchange" means the rate at which the payee is able on the relevant date to purchase the Required Currency with the Other Currency and shall take into account any premium and other costs of exchange.

(4) The provisions of this Clause 30 shall continue in full force and effect notwithstanding the termination or expiry of this Agreement or the resignation or removal of any Agent.

31. Reporting

(1) Each Principal Agent shall upon receipt of a written request therefor from the Issuer and after the payment of any further remuneration agreed between the Issuer and such Principal Agent (on behalf of the Issuer and on the basis of the information and documentation the Principal Agent had in its possession) use all reasonable efforts to submit such reports or information as may be required from time to time by any applicable law, regulation or guideline promulgated by (i) any relevant United States governmental regulatory authority in respect of the issue and purchase of Notes or (ii) any other relevant governmental regulatory authority in respect of the issue and purchase of Notes denominated in the applicable currency of such governmental regulatory authority.

(2) The Principal Agent will notify the MoF or other regulatory body of such details relating to Yen Notes or other currency in which Notes are denominated and provide such other information about the Program to the MoF or other regulatory body as may be required.

32. Governing Law

(1) This Agreement, the Notes, and any Receipts, Coupons or Talons appertaining thereto shall be governed by and construed in accordance with the laws of the State of New York, United States of America, without regard to principles of conflicts of laws.

(2) The Issuer and the Agents each hereby irrevocably submit to the non-exclusive jurisdiction of any United States federal court sitting in New York City, the Borough of Manhattan over any suit, action or proceeding arising out of or related to this Agreement, any Note, Receipt, Coupon or Talon, as the case may be (together, the "Proceedings"). The Issuer and the Agents each irrevocably waive, to the fullest extent permitted by law, any objection which it may have to the laying of the venue of the Proceedings brought in such a court and any claim that the Proceedings have been brought in an inconvenient forum. The Issuer and the Agents each agree that final judgment in the Proceedings brought in such a court shall be conclusive and binding upon the Issuer or the Agents, as the case may be, and may be enforced in any court of the jurisdiction to which the Issuer or the Agents is subject by a suit upon such judgment, provided that the service of process is effected upon the Issuer and the Agents in the manner specified in subsection (3) below or as otherwise permitted by law.

(3) As long as any of the Notes, Receipts, Coupons or Talons remains outstanding, the Issuer and the Registrar shall at all times either maintain an office or have an authorized agent in New York City upon whom process may be served in the Proceedings. Service of process upon the Issuer or the Registrar at its offices or upon such agent with written notice of such service mailed or delivered to the Issuer or the Registrar, respectively shall, to the fullest extent permitted by law, be deemed in every respect effective service of process upon the Issuer or the Registrar, respectively, in the Proceedings. Each of the Issuer and the Registrar hereby appoints the New York office of CT Corporation System, presently situated at 111 Eighth Avenue, New York, New York 10011, U.S.A., as its respective agent for such purposes, and covenants and agrees that service of process in the Proceedings may be made upon it at its office or at the specified offices of such agent (or such other addresses or at the offices of any other authorized agents which the Issuer or the Registrar, respectively, may designate by written notice to the Agents and the Issuer, respectively) and prior to any termination of such agencies for any reason, it will so appoint a successor thereto as agent hereunder.

33. Amendments

Without the consent of the Noteholders, Receiptholders or Couponholders, the Principal Agent, the Transfer Agent, the Registrar and the Issuer may agree to modifications of or amendments to this Agreement, the Notes, the Receipts or the Coupons solely set forth in Condition 15.

Any such modification or amendment shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification or amendment shall be notified to the Noteholders, the Receiptholders or the Couponholders in accordance with Condition 14 as soon as practicable thereafter.

34. Descriptive Headings

The descriptive headings in this Agreement are for convenience of reference only and shall not define or limit the provisions hereof.

35. Counterparts

This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument. Any party may enter into this Agreement by signing such a counterpart.

EURO MEDIUM-TERM NOTES
BEARER TEMPORARY GLOBAL NOTE

COMMON CODE:

ISIN:

This Global Note is a Temporary Global Note in bearer form without interest coupons in respect of a duly authorized Series of Euro Medium-Term Notes (the “Notes”) of Bank of America Corporation (the “Issuer”) described, and having the provisions specified, in the applicable Final Terms (the “Final Terms”), which provisions are incorporated herein. References herein to the Terms and Conditions shall be to the Terms and Conditions of the Notes as set out in Schedules 6-1 and 6-2 to the Agency Agreement (as defined below) as modified and supplemented by the information set out in the Final Terms and which are incorporated herein by reference, but in the event of any conflict between the provisions of those Schedules and the information set out in the Final Terms, the Final Terms will prevail.

Words and expressions defined or set out in the Terms and Conditions and/or the Final Terms shall bear the same meaning when used herein.

This Global Note is issued subject to, and with the benefit of, the Terms and Conditions and an Amended and Restated Agency Agreement (the “Agency Agreement,” which expression shall be construed as a reference to that agreement as the same may be amended, revised and/or supplemented from time to time) dated as of July 22, 2010, and made among Bank of America Corporation, Bank of America, N.A., London Branch (the “Principal Agent”), and Merrill Lynch International Bank Limited (the “Transfer Agent” and “Registrar” in respect of Registered Notes).

For value received, the Issuer, subject to and in accordance with the Terms and Conditions, promises to pay to the bearer hereof on each Installment Date the amount payable on such Installment Date in respect of the Notes represented by this Global Note (if the Notes represented by this Global Note are Installment Notes) and on the Maturity Date, on the Interest Payment Date, or on the Delivery Date, as the case may be, or on such earlier date as any of the Notes represented by this Global Note may become due and payable in accordance with the Terms and Conditions, the amount payable or deliverable, as the case may be, on redemption of such Notes then represented by this Global Note becoming so due and payable, and to pay interest (if any) or to deliver any Entitlement (if any) on the Notes from time to time represented by this Global Note calculated and payable as provided in the Terms and Conditions together with any other sums payable under the Terms and Conditions, upon presentation and following the delivery of an Asset Transfer Notice (in the case of Physical Delivery Notes) as provided in the Agency Agreement, and, at maturity, surrender of this Global Note to or to the order of the Principal Agent or any of the other paying agents located outside the United States and its possessions (except as provided in the Terms and Conditions) from time to time appointed by the Issuer in respect of the Notes, but in each case subject to the requirements as to certification provided herein.

If the applicable Final Terms indicate that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. (“Euroclear”) and Clearstream Banking, société anonyme (“Clearstream, Luxembourg”) and, together with Euroclear, the “Relevant Clearing Systems”). The records of the Relevant Clearing Systems (which expression in this Global Note means the records that each Relevant Clearing System holds for its customers which reflect the amount of such customer’s interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a Relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of the Relevant Clearing System at that time.

If the applicable Final Terms indicate that this Global Note is intended to be a Classic Global Note, the nominal amount of the Notes represented by this Global Note shall be the amount stated in the applicable Final Terms or, if lower, the nominal amount most recently recorded by or on behalf of the Issuer, in the relevant column in Part II, III or IV of Schedule 1 or in Schedule 2.

On any redemption, payment of an Installment Amount, delivery or purchase and cancellation of any of the Notes represented by this Global Note, the Issuer shall procure that:

- (a) if the applicable Final Terms indicate that this Global Note is intended to be a New Global Note, details of such redemption, payment, delivery or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the Relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the Relevant Clearing Systems and represented by this Global Note shall be reduced by the principal amount of the Notes so redeemed or purchased and cancelled or by the amount of such installment so paid; or
- (b) if the applicable Final Terms indicate that this Global Note is intended to be a Classic Global Note, details of such redemption, payment, delivery or purchase and cancellation (as the case may be) shall be entered in the relevant column in Part II, III or IV of Schedule 1 or Schedule 2 hereto recording any such redemption, payment, delivery or purchase and cancellation (as the case may be) and shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an Installment Amount, delivery or purchase and cancellation, the principal amount of such Notes represented by this Global Note shall be reduced by the principal amount of the Notes so redeemed or purchased and cancelled.

Prior to the Exchange Date (as defined below), all payments (if any) on this Global Note will only be made to the bearer hereof to the extent that there is presented to the Principal Agent by Clearstream, Luxembourg or Euroclear a certificate, substantially in the form set out in Schedule 7 to the Agency Agreement, to the effect that it has received from or in respect of a person entitled to a particular principal amount of the Notes (as shown by its records) a certificate in or substantially in the form of the certificate as set out in Schedule 8 to the Agency Agreement. Payments or deliveries due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to in sub-paragraphs (a) and (b) above shall not affect such discharge. After the Exchange Date, the bearer of this Global Note will not be entitled to receive any payment of interest hereon.

On or after the Exchange Date (as defined below) this Global Note may be exchanged in whole or in part (free of charge) for, as specified in the Final Terms, either (a) if the applicable Final Terms indicate that this Global Note is intended to be a New Global Note, interests recorded in the records of the Relevant Clearing Systems in a Bearer Permanent Global Note or, if the applicable Final Terms indicate that this Global Note is intended to be a Classic Global Note, a Bearer Permanent Global Note, which, in either case, is in or substantially in the form set out in Schedule 2 to the Agency Agreement (together with the Final Terms attached to it), in each case upon notice being given by a Relevant Clearing System acting on the instructions of any holder of an interest in this Global Note or, (b) under certain limited circumstances, security printed Definitive Notes and, (if applicable) Coupons, Receipts and/or Talons in the form set out in Parts I, II, III, and IV respectively of Schedule 3 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons, Receipts and/or Talons and the Final Terms have been incorporated on such Definitive Notes) and subject to such notice period as is specified in the Final Terms. The "Exchange Date" for this Global Note will normally be the 40th calendar day after the later of the date on which the Issuer receives the proceeds of the sale of the Global Note and the closing date for the Global Note. However, if the Issuer, a Dealer or any distributor, as defined in Treasury Regulation Sec. 1.163-5(c)(2)(i)(D)(4), holds a Note represented by this Global Note as part of an unsold allotment or subscription for more than 40 calendar days after the later of the date on which the Issuer receives the proceeds of the sale of the Global Note and the closing date for the Global Note, the Exchange Date with respect to such Note will be the day after the date on which the Issuer, Dealer or distributor sells such Note.

This Global Note may be exchanged by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for business in London. The Issuer shall procure that Definitive Notes and interests in the Bearer Permanent Global Note shall be so issued and delivered and (in the case of the Bearer Permanent Global Note where the applicable Final Terms indicate that this Global Note is intended to be a New Global Note) recorded in the records of the Relevant Clearing System in exchange for only that portion of this Global Note in respect of which there shall have been presented to the Principal Agent by Euroclear or Clearstream, Luxembourg a certificate, substantially in the form set out in Schedule 7 to the Agency Agreement, to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular principal amount of the Notes (as shown by its records) a certificate from such person in or substantially in the form of the certificate set out in Schedule 8 to the Agency Agreement, unless such certificate has already been given in accordance with the above provisions. The aggregate principal amount of interests in a Bearer Permanent Global Note issued upon an exchange of this Global Note subject to the terms hereof, will be equal to the aggregate principal amount of this Global Note submitted by the bearer hereof for exchange (to the extent that such principal amount does not exceed the aggregate principal amount of this Global Note).

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to the Principal Agent. On an exchange of only part of this Global Note, the Issuer shall procure that:

(a) if the applicable Final Terms indicate that this Global Note is intended to be a New Global Note, details of such exchange shall be entered pro rata in the records of the Relevant Clearing Systems; or

(b) if the applicable Final Terms indicate that this Global Note is intended to be a Classic Global Note, details of such exchange shall be entered in the relevant space in Schedule 2 hereto recording such exchange and shall be signed by or on behalf of the Issuer and the principal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the principal amount so exchanged.

If, following the issue of a Bearer Permanent Global Note in exchange for some of the Notes represented by this Global Note, further Notes represented by this Global Note are to be exchanged for interests in a Bearer Permanent Global Note, such exchange may be effected, subject as provided herein, without the issue of a new Bearer Permanent Global Note, (i) if the applicable Final Terms indicate that this Global Note is intended to be a New Global Note, recording the details of such increase in the records of the Relevant Clearing Systems, or (ii) if the applicable Final Terms indicate that this Global Note is not intended to be a New Global Note, by the Issuer or its agent endorsing Schedule 2 of the Bearer Permanent Global Note previously issued to reflect an increase in the aggregate principal amount of such Bearer Permanent Global Note by an amount equal to the aggregate principal amount of the Bearer Permanent Global Note which would otherwise have been issued on such exchange.

Until the exchange of the whole of this Global Note as aforesaid, the bearer hereof shall in all respects (except as otherwise provided herein) be entitled to the same benefits as if such bearer were the bearer of Definitive Notes and (if applicable) Coupons, Receipts and/or Talons in the form set out in Parts I, II, III and Part IV, respectively, of Schedule 3 to the Agency Agreement.

Notwithstanding any provision to the contrary contained in this Bearer Temporary Global Note, the Issuer irrevocably agrees, for the benefit of such Noteholders and their successors and assigns, that each Noteholder or its successors or assigns may file without the consent and to the exclusion of the bearer hereof, any claim, take any action or institute any proceeding to enforce, directly against the Issuer, the obligation of the Issuer hereunder to pay any amount due or to become due in respect of each Note represented by this Bearer Temporary Global Note which is credited to such Noteholder's securities account with Euroclear or Clearstream, Luxembourg without the production of this Bearer Temporary Global Note; provided that the bearer hereof shall not theretofore have filed a claim, taken action or instituted proceedings to enforce the same in respect of such Note.

Until exchanged in full for the Bearer Permanent Global Note, this Bearer Temporary Global Note in all respects shall be entitled to the same benefits under, and subject to the same terms and conditions of, the Agency Agreement as the Bearer Permanent Global Note authenticated and delivered thereunder, except that neither the Holder hereof nor the beneficial owners of this Bearer Temporary Global Note shall be entitled to receive payment hereon on or after the Exchange Date.

This Bearer Temporary Global Note shall be governed by, and construed in accordance with the laws of the State of New York, United States of America, without regard to principles of conflicts of laws.

This Bearer Temporary Global Note shall not become valid or obligatory for any purpose until the certificate of authentication hereon shall have been duly signed by or on behalf of the Principal Agent acting in accordance with the Agency Agreement. If the applicable Final Terms indicate that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, this Global Note shall not become valid or obligatory for any purpose until it is duly effectuated by the entity appointed as common safekeeper by the Relevant Clearing Systems.

IN WITNESS WHEREOF the Issuer has caused this Bearer Temporary Global Note to be duly signed on its behalf.

- (b) if the applicable Final Terms indicate that this Global Note is intended to be a Classic Global Note, details of such redemption, payment, delivery or purchase and cancellation (as the case may be) shall be entered in the relevant column in Part II, III or IV of Schedule 1 or Schedule 2 hereto recording any such redemption, payment, delivery or purchase and cancellation (as the case may be) and shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an Installment Amount, delivery or purchase and cancellation, the principal amount of such Notes represented by this Global Note shall be reduced by the principal amount of the Notes so redeemed or purchased and cancelled.

The Notes represented by this Global Note were represented originally by one or more Bearer Temporary Global Notes (each Tranche of Notes comprised in the Series of Notes to which this Global Note relates having been represented originally by one Bearer Temporary Global Note). Unless any such Bearer Temporary Global Note was exchanged in whole on the issue hereof, an interest in such Bearer Temporary Global Note may be further exchanged, on the terms and conditions set out therein, for an interest in this Global Note. The Issuer shall procure that:

- (a) if the applicable Final Terms indicate that this Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the Relevant Clearing Systems; or
- (b) if the applicable Final Terms indicate that this Global Note is intended to be a Classic Global Note, details of such exchange shall be entered in Schedule 2 hereto to reflect the increase in the aggregate principal amount of this Global Note due to each such exchange, whereupon the principal amount hereof shall be increased for all purposes by the amount so exchanged and endorsed.

In certain circumstances, further notes may be issued which are intended on issue to be consolidated and form a single Series with the Notes. In such circumstances, the Issuer shall procure that:

- (a) if the applicable Final Terms indicate that this Global Note is intended to be a New Global Note, details of such further notes may be entered in the records of the Relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note may be increased by the amount of such further notes so issued; or
- (b) if the applicable Final Terms indicate that this Global Note is intended to be a Classic Global Note, details of such further notes shall be entered in the relevant column in Part II, III or IV of Schedule 1 or Schedule 2 hereto recording such exchange and shall be signed by or on behalf of the Issuer, whereupon the nominal amount of the Notes represented by this Global Note

shall be increased by the nominal amount of any such Bearer Temporary Global Note so exchanged.

This Global Note may be exchanged in whole, but not in part (free of charge), for security-printed Definitive Notes, in the circumstances provided for in the Terms and Conditions, and (if applicable) Coupons, Receipts and/or Talons in the form set out in Parts I, II, III and IV, respectively, of Schedule 3 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons, Receipts and/or Talons and the Final Terms have been incorporated on such Definitive Notes). Subject as aforesaid, this exchange will be made upon presentation of this Global Note by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for business in London at the office of the Principal Agent specified above. The aggregate principal amount of Definitive Notes issued upon an exchange of this Global Note will be equal to the aggregate principal amount of this Global Note submitted by the bearer hereof for exchange (to the extent that such principal amount does not exceed the aggregate principal amount of this Global Note entered in the records of the Relevant Clearing Systems (if the applicable Final Terms indicate that this Global Note is intended to be a New Global Note) or most recently entered in the relevant column in Part II, III or IV of Schedule 1 or Schedule 2 hereto (if the applicable Final Terms indicate that this Global Note is not intended to be a New Global Note)).

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to the Principal Agent.

Until the exchange of the whole of this Global Note as aforesaid, the bearer hereof in all respects shall be entitled to the same benefits as if such bearer were the bearer of Definitive Notes and (if applicable) Coupons, Receipts and/or Talons in the form set out in Parts I, II, III and IV, respectively, or Schedule 3 to the Agency Agreement (on the basis that all appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons, Receipts and/or Talons and the Final Terms have been incorporated on such Definitive Notes).

Notwithstanding any provision to the contrary contained in this Bearer Permanent Global Note, the holder of this Bearer Permanent Global Note shall be the only person entitled to receive payments in respect to the Notes represented by this Bearer Permanent Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of this Bearer Permanent Global Note in respect of each amount so paid. Any failure to make the entries referred to in above shall not affect such discharge. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular principal amount of Notes represented by this Bearer Permanent Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for such holder's share of each payment so made by the Issuer to, or to the order of, the holder of this Bearer Permanent Global Note. No person other than the holder of this Bearer Permanent Global Note shall have any claim against the Issuer in respect of any payments or deliveries due on this Bearer Permanent Global Note.

This Bearer Permanent Global Note shall be governed by, and construed in accordance with, the laws of the State of New York, United States of America, without regard to principles of conflicts of laws.

This Bearer Permanent Global Note shall not become valid or obligatory for any purpose until the certificate of authentication hereon shall have been duly signed by or on behalf of the Principal Agent acting in accordance with the Agency Agreement. If the applicable Final Terms indicate that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, this Global Note shall not become valid or obligatory for any purpose until it is duly effectuated by the entity appointed as common safekeeper by the Relevant Clearing Systems.

IN WITNESS WHEREOF the Issuer has caused this Bearer Permanent Global Note to be duly signed on its behalf.

The Terms and Conditions are incorporated by reference into each Global Note (as defined below) and will be attached to or endorsed upon each Definitive Note (as defined below), if any are issued. The applicable Final Terms in relation to any Tranche of Notes (as defined below) may specify other terms and conditions, which shall to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Tranche of Notes. The applicable Final Terms will be endorsed on, incorporated by reference into, or attached to, each Global Note and Definitive Note. Reference should be made to “**Form of the Notes**” above for a description of the content of Final Terms, which includes the definition of certain terms used in the following Terms and Conditions. The applicable Final Terms in relation to any Tranche of Notes contains additional terms and conditions which will complete the Notes and is deemed to be incorporated by reference into such Notes.

This Note is one of a series of Notes issued by Bank of America Corporation (the “**Issuer**”), pursuant to the amended and restated agency agreement dated as of July 22, 2010, by and among the Issuer, Bank of America, N.A., London Branch (as amended, restated, and/or supplemented from time to time, the “**Agency Agreement**”), as principal agent (the “**Principal Agent**”) and Merrill Lynch International Bank Limited as registrar (the “**Registrar**”) and transfer agent (the “**Transfer Agent**”), which terms shall include any successor agents. Any other paying agents named pursuant to the Agency Agreement shall be referred to herein, together with the Principal Agent, as the “**Paying Agents**” (which term shall include any additional or successor paying agents) and any other transfer agents named pursuant to the Agency Agreement shall be referred to herein, together with the Transfer Agent, as the “**Transfer Agents**” (which term shall include any additional or successor transfer agents). References herein to the “**Notes**” shall be references to Notes of this Series (as defined below) and shall mean (1) in relation to any Notes represented by a Bearer Global Note or a Registered Global Certificate, units of the lowest denomination of such Notes (the “**Specified Denomination**”) payable in one or more currencies (each, a “**Specified Currency**”), (2) Definitive Notes, if any, issued in exchange for a Global Note, and (3) any Global Note. The Notes, the Receipts (as defined below), and the Coupons (as defined below) have the benefit of the Agency Agreement. Each Note will be the obligation of the Issuer only and will not be an obligation of, or guaranteed by, any subsidiaries or affiliates of the Issuer.

Unless otherwise agreed by the Issuer and the relevant dealers (each, a “**Dealer**” and together, the “**Dealers**”), and specified in the applicable Final Terms, each tranche of Notes (“**Tranche of Notes**”) in bearer form will initially be represented by a temporary global note in bearer form (each, a “**Bearer Temporary Global Note**”) exchangeable as provided in such Note and the Agency Agreement for beneficial interests in a permanent global note in bearer form (each, a “**Bearer Permanent Global Note**”) without interest coupons, substantially in the forms of Schedule 1 and Schedule 2 to the Agency Agreement, respectively. The Bearer Temporary Global Note and the Bearer Permanent Global Note are together referred to as the “**Bearer Global Notes**” and each, a “**Bearer Global Note**”.

Unless otherwise agreed by the Issuer and the relevant Dealers, and specified in the applicable Final Terms, each Tranche of Notes in registered form will initially be represented by a registered certificate in global form (a “**Registered Global Certificate**”) or by a registered certificate in definitive form (a “**Registered Definitive Certificate**”) substantially in the forms of Schedule 4 and Schedule 5 to the Agency Agreement, respectively, one Registered Certificate being issued in respect of each Noteholder’s entire holding of Registered Notes of one Series (as defined herein). Each Note represented by a Registered Global Certificate is referred to as a “**Registered Global Note**” and each Note represented by a Registered Definitive Certificate is referred to as a “**Registered Definitive Note**”. Bearer Global Notes and Registered Global Notes are together referred to as the “**Global Notes**” and each, a “**Global Note**”. Bearer Definitive Notes (as defined below) and Registered Definitive Notes are together referred to as the “**Definitive Notes**” and each, a “**Definitive Note**”. Registered Global Certificates and Registered Definitive Certificates are together referred to as the “**Registered Certificates**” and each, a “**Registered Certificate**”.

Interests in a Bearer Permanent Global Note may be exchanged, free of charge to Noteholders, for definitive notes in bearer form (“**Bearer Definitive Notes**”) in the Specified Denominations indicated in the applicable Final Terms with interest coupons attached (the “**Coupons**”) substantially in the form of Schedule 3 to the Agency Agreement, and, if indicated in the applicable Final Terms, talons for further Coupons (“**Talons**”) attached substantially in the form of Schedule 3 to the Agency Agreement on issue only as described below. Any reference herein to Coupons or coupons, unless the context otherwise requires, shall be deemed to include a reference to Talons or talons. Bearer Definitive Notes repayable in installments have receipts (“**Receipts**”) for the payment of the installments of principal (other than the final installment) attached on issue. Any reference herein to “**Noteholders**” shall mean the holders of the Notes, and, in relation to any Notes represented by a Global Note, shall be construed as provided below. Any reference herein to “**Receiptholders**” shall mean the holders of the Receipts and any reference herein to “**Couponholders**” shall mean the holders of the Coupons, and, unless the context otherwise requires, shall include the holders of the Talons.

Except as otherwise provided in the applicable Final Terms, interests in a Bearer Temporary Global Note or a Bearer Permanent Global Note will be exchangeable as provided in such Note and the Agency Agreement for Bearer Definitive Notes (1) as to Bearer Permanent Global Notes, on not less than 60 calendar days’ written notice from Euroclear Bank S.A./N.V. (“**Euroclear**”) and/or Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) or any other clearing system located outside the United States and its possessions, specified by the Issuer and the Dealers (each, an “**Alternative Clearing System**” and each of Euroclear, Clearstream, Luxembourg and any Alternative Clearing System being a “**Relevant Clearing System**”) (acting on the instructions of any holder of an interest in the Bearer Permanent Global Note), (2) if an Event of Default (as defined herein) occurs and is continuing, (3) if the Issuer is notified that a Relevant Clearing System has been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory, or otherwise) after the original issuance of the Notes or has announced an intention permanently to cease business or has in fact done so and no Alternative Clearing System approved by the Noteholders is available, or (4) if the Issuer, after notice to the Principal Agent, determines to issue the Bearer Notes in definitive form. Any exchange of all or a part of an interest in a Bearer Temporary Global Note or a Bearer Permanent Global Note for Bearer Definitive Notes shall be made only outside the United States and its possessions. Except as otherwise provided in the applicable Final Terms, interests in a Registered Global Note will be exchangeable for Registered Definitive Notes (1) if an Event of Default (as defined herein) occurs and is continuing, (2) if the Issuer is notified that a Relevant Clearing System has been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory, or otherwise) after the original issuance of the Notes or has announced an intention permanently to cease business or has in fact done so and no Alternative Clearing System approved by the Noteholders is available, or (3) if the Issuer after notice to the Principal Agent, determines to issue the Registered Notes in definitive form. Each such exchange shall occur in whole, but not in part, for Bearer Definitive Notes or Registered Definitive Notes, as applicable, in the applicable Specified Denomination, representing the full principal amount of the applicable Global Note.

The Final Terms for the Notes are attached hereto or endorsed hereon and supplement these Terms and Conditions and may specify other terms and conditions which, to the extent so specified or to the extent inconsistent with these Terms and Conditions, shall replace or modify these Terms and Conditions for purposes of the Notes. References herein to the “**applicable Final Terms**” are to the relevant Final Terms attached hereto or endorsed hereon.

As used herein, “**Series**” means a Tranche of Notes, together with any further Tranche or Tranches of Notes, which are (1) expressly to be consolidated and form a single series and (2) identical in all respects (including as to listing) except for the date on which such Notes will be issued (the “**Issue Date**”), for interest-bearing Notes, the date from which such Notes bear interest (the “**Interest Commencement Date**”), which will be the Issue Date unless otherwise specified in the applicable Final Terms, and the price (expressed as a percentage of the principal amount of the Notes) at which such Notes will be issued (the “**Issue Price**”). The expressions “**Notes of the relevant Series**” and “**holders of Notes of the relevant Series**” and related expressions shall be construed accordingly. As used herein, “**Tranche**” means Notes (whether in bearer global form, registered global form, bearer definitive form, or registered definitive form) which are identical in all respects (including as to listing).

Copies of the amended and restated program agreement, dated as of July 25, 2008 among the Issuer and the Dealers named or to be appointed thereunder (as amended, restated and/or supplemented from time to time, the “**Program Agreement**”), and the Final Terms applicable to the Notes are available for inspection without charge at, and copies may be obtained from, the specified offices of each of the Principal Agent and each Paying Agent, the Registrar and each Transfer Agent, except that the applicable Final Terms relating to an unlisted Note only will be available for inspection by a Noteholder upon proof satisfactory to the relevant Paying Agent as to ownership of the Note. The Noteholders, the Receiptholders, and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement and the applicable Final Terms, which are binding on them.

The applicable Final Terms will specify whether settlement shall be by way of cash payment (“**Cash Settlement**”) or by physical delivery (“**Physical Settlement**”). Notes to which Cash Settlement applies are “**Cash Settled Notes**” and Notes to which Physical Settlement applies are “**Physical Delivery Notes**”. Any reference in these Conditions to Physical Delivery Notes shall mean Notes in respect of which a number of underlying shares, bonds, securities, commodities, depository receipts, or such other assets as may be specified in the applicable Final Terms (the “**Relevant Asset(s)**”) plus or minus any amount due to or from the Noteholder in respect of each Note (the “**Entitlement**”) is deliverable and/or payable by reference to one or more Relevant Assets as the Issuer and the relevant Dealer(s) may agree and as set out in the applicable Final Terms. In respect of Physical Delivery Notes, the Issuer will enter into one or more delivery agency agreements (each, a “**Delivery Agency Agreement**”) with one or more delivery agents (each, a “**Delivery Agent**”). The calculation agent in respect of the Notes (the “**Calculation Agent**”) and the Delivery Agent in respect of the Notes (if applicable) will be specified in the applicable Final Terms.

If Averaging is specified as applicable in the applicable Final Terms, the applicable Final Terms will state the relevant Averaging Dates and, if an Averaging Date is a Disrupted Day, whether Omission, Postponement, or Modified Postponement (each as defined in the relevant Annex) applies.

References in these Conditions, unless the context otherwise requires, to Cash Settled Notes shall be deemed to include references to Physical Delivery Notes which include the Issuer’s option (as set out in the applicable Final Terms) to elect cash settlement upon redemption of such Notes pursuant to Physical Delivery Condition 4 and where settlement upon redemption is to be by way of cash payment. References in these Conditions, unless the context otherwise requires, to Physical Delivery Notes shall be deemed to include references to Cash Settled Notes which include the Issuer’s option (as set out in the applicable Final Terms) to elect physical delivery of the Entitlement in settlement upon redemption of such Notes pursuant to Physical Delivery Condition 4 and where settlement upon redemption is to be by way of physical delivery.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

(**ISDA**), and as amended, updated, or replaced as at the Issue Date of the first Tranche of the Notes of the relevant Series, are incorporated into these Terms and Conditions. A **Credit-linked Indexed Note** is a Note for which principal, premium, if any, interest, or any other amounts payable may be based on the change in value of one or more debt obligations, a spread on indices of similar debt obligations, a swap or embedded swap with payments on one side mirroring a basket of debt obligations, or any other similar reference asset or basket of debt obligations, if one or more of certain events relating to the creditworthiness of the issuer or issuers (which do not include the Issuer) of such debt obligations occurs before the scheduled Maturity Date.

This Note is either a Senior Note (as defined herein) or a Subordinated Note (as defined herein), as specified in the applicable Final Terms.

Bearer Notes are serially numbered and may be issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Couponholders in these Conditions are not applicable. Installment Notes in bearer form are issued with one or more Receipts attached.

Subject as set forth below, title to the Bearer Notes, Receipts, and Coupons will pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the "**Register**"). The Issuer and any Paying Agent may (except as otherwise required by law) deem and treat the bearer of any Bearer Note, Receipt, or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Bearer Global Note, without prejudice to the provisions set out in the next paragraph.

So long as any of the Notes are represented by a Bearer Global Note or a Registered Global Certificate held on behalf of the Relevant Clearing System, each person who is shown in the records of the Relevant Clearing System as the holder of a particular nominal amount of such Notes (any certificate or other document issued by the Relevant Clearing System as to the nominal amount of Notes standing on the account of any person shall be conclusive and binding for all purposes, except in the case of manifest error) shall be treated by the Issuer, the Principal Agent, the Registrar, any Transfer Agent, and any other Paying Agent as the holder of such nominal amount of such Notes for all purposes, except with respect to the payment of principal, premium, if any, interest, or any other amounts payable on, or deliveries in respect of, the Notes, the bearer of the relevant Bearer Global Note or, in the case of a Registered Global Note, the person or persons for the time being shown in the Register as at the Record Date maintained by the Registrar as the Noteholder or Noteholders, shall be treated by the Issuer, the Principal Agent, and any Paying Agent as the holder of such Notes in accordance with and subject to the terms of the relevant Global Note (and the expressions "**Noteholder**" and "**holder of Notes**" and related expressions shall be construed accordingly). Interests in Notes which are represented by a Bearer Global Note or a Registered Global Certificate will be transferable only in accordance with the rules and procedures for the time being of the Relevant Clearing System.

The Issuer will issue Notes in the Specified Denomination(s) set forth in the applicable Final Terms. However, the minimum denomination permitted for each Note will be such denomination as may be allowed or required by the relevant central bank (or equivalent body) or any laws or regulations applicable to the Specified Currency. The minimum denomination of each Note admitted to trading on a European Economic Area exchange and/or offered to the public within the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive (Directive 2003/71/EC) will be €1,000 (or the equivalent amount in another currency).

Unless permitted by then current laws and regulations, any Notes (including Notes denominated in Sterling) for which the proceeds are to be accepted by the Issuer in the United Kingdom and which have a maturity of less than one year from their date of issue, shall (1) be issued to a limited class of professional investors, (2) have a redemption value of not less than £100,000 (or an amount of equivalent value denominated wholly or partly in a currency other than Sterling), and (3) provide that no part of any such Notes may be transferred unless the redemption value of that part is not less than £100,000 (or an equivalent amount in other currencies).

2. **Exchange and Transfers of Notes**

(a) ***Exchange of Notes***

Registered Notes may not be exchanged for Bearer Notes, and Bearer Notes may not be exchanged for Registered Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

(b) **Transfer of Registered Notes**

Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Registered Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Registered Certificate duly completed and executed by the person shown on the Register and such other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Registered Certificate, a new Registered Certificate shall be issued to the transferee (following the transferee's surrender of any existing Registered Certificate in respect of Notes of that Series) in respect of the part transferred and a further new Registered Certificate in respect of the balance of the holding not transferred shall be issued to the transferor.

(c) **Exercise of Options or Partial Redemption in Respect of Registered Notes**

In the case of an exercise of an Issuer's or Noteholder's option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Registered Certificate, a new Registered Certificate shall be issued to the Noteholder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Registered Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Registered Certificates shall only be issued against surrender of the existing certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Registered Certificate representing the enlarged holding shall only be issued against surrender of the Registered Certificate representing the existing holding.

(d) **Delivery of New Certificates**

Each Registered Certificate to be issued pursuant to Condition 2(b) or (c) shall be available for delivery within three business days after receipt of the request for exchange, form of transfer or Put Notice (as defined herein) or surrender of the Registered Certificate for exchange, as applicable. Delivery of the new Registered Certificate shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Put Notice or Registered Certificate shall have been made or, at the option of the Noteholder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Put Notice or otherwise in writing, be mailed by uninsured mail at the risk of the Noteholder entitled to the new Registered Certificate to such address as may be so specified, unless such Noteholder requests otherwise and pays in advance to the Transfer Agent or Registrar the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "business day" means a day, other than a Saturday or Sunday, on which banks are open for business in the location of the specified office of the Registrar or the relevant Transfer Agent (as the case may be).

(e) **Exchange Free of Charge**

Exchange and transfer of Registered Notes on registration, transfer, partial redemption, or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar, or the Transfer Agent, but upon payment by the Noteholder of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) **Closed Periods**

No Noteholder may require the transfer of a Registered Note to be registered (i) during the period commencing on the Record Date and ending on the due date for redemption of, or payment of any installment amount, or amount of interest, in respect of, that Note, (ii) during the period commencing on the Record Date and ending on the date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption, (iv) during the period commencing on the Record Date and ending on the date fixed for any meeting of Noteholders, or any adjourned meeting of Noteholders, or (v) during the period of seven calendar days ending on (and including) any Record Date.

"**Record Date**" means (i) in respect of any Registered Note in definitive form, the close of business (London time) on the 15th calendar day and (ii) in respect of any Registered Notes

represented by a Registered Global Certificate, the close of business on the Relevant Clearing System Business Day, in each case, prior to the applicable due date for redemption of a Registered Note, or the payment of any installment amount or amount of interest in respect of a Registered Note, or the date fixed for any meeting, or adjourned meeting of holders of Registered Notes, where "Relevant Clearing System Business Day" means a day on which the Relevant Clearing System is open for business.

3. **Status of the Senior Notes and the Subordinated Notes**

The Notes may be issued in one or more Series as unsecured debt securities, which may be either senior notes ("**Senior Notes**") or subordinated notes ("**Subordinated Notes**"). The Notes are not deposits and are not insured by the U.S. Federal Deposit Insurance Corporation (the "**FDIC**").

Under the Program, there is no limitation on the Issuer's ability to issue additional Senior Indebtedness (as defined below) or Subordinated Notes.

(a) **Status of Senior Notes**

The Senior Notes will be unsecured and unsubordinated obligations of the Issuer and will rank equally with all other unsubordinated and unsecured indebtedness of the Issuer. The Subordinated Notes are unsecured and subordinate and subject in right of payment to the prior payment in full of all Senior Indebtedness of the Issuer.

"**Senior Indebtedness**" is defined as any indebtedness for money borrowed (including all indebtedness of the Issuer for borrowed and purchased money of the Issuer, all obligations arising from off-balance sheet guarantees by the Issuer and direct credit substitutes and obligations of the Issuer associated with derivative products such as interest and foreign exchange rate contracts and commodity contracts) that is outstanding on the date of execution of the Agency Agreement, or is thereafter created, incurred, or assumed, for which the Issuer is at the time of determination responsible or liable as obligor, guarantor, or otherwise for payment, and all deferrals, renewals, extensions, and refundings of any such indebtedness or obligations, other than the Subordinated Notes or any other indebtedness as to which the instrument creating or evidencing the same or pursuant to which the same is outstanding, provides that such indebtedness is subordinate in right of payment to any other indebtedness of the Issuer.

(b) **Status of Subordinated Notes**

The indebtedness evidenced by the Subordinated Notes and any Coupons and Receipts appertaining thereto, subject to the extent set forth herein, shall be subordinated in right of payment to the prior payment in full of all the Issuer's Senior Indebtedness. Senior Indebtedness shall continue to be Senior Indebtedness and shall be entitled to the benefits of such subordination irrespective of any amendment, modification, or waiver of any term of the Senior Indebtedness. There is no right of acceleration in the case of a default in the payment of interest on the Subordinated Notes or in the performance of any other obligation of the Issuer under the Subordinated Notes.

The Issuer shall not make any payment on account of principal of, premium, if any, interest, or any other amounts payable on, or deliveries in respect of, its Subordinated Notes or purchase any of its Subordinated Notes, either directly or indirectly, if (1) any default or Event of Default with respect to any of its Senior Indebtedness shall have occurred and be continuing and (2) it shall have received written notice thereof from the holders of at least 10.00 per cent. in principal amount of any kind or category of any of its Senior Indebtedness (or the representative or representatives of such holders).

Until all of the Issuer's Senior Indebtedness is paid in full, the holders of the Subordinated Notes will be subrogated (equally and ratably with the holders of all of the Issuer's indebtedness which, by its express terms, ranks equally with its Subordinated Notes, and is entitled to like rights of subrogation) to the rights of the holders of the Issuer's Senior Indebtedness to receive payments or distributions of its assets.

If the Issuer repays any of its Subordinated Notes before the required date or in connection with a distribution of its assets to creditors pursuant to a dissolution, winding up, liquidation, or reorganization, any principal, premium, if any, interest, or any other amounts payable or deliveries due will be paid or delivered to the holders of the Issuer's Senior Indebtedness before any holders of its Subordinated Notes are paid. In addition, if such amounts were previously paid to the holders of the

Subordinated Notes, the holders of its Senior Indebtedness shall have first rights to such amounts previously paid.

No modification or amendment of the subordination provisions of Subordinated Notes and any related coupons in a manner adverse to the holders of Senior Indebtedness may be made without the consent of the holders of all of the Issuer's outstanding Senior Indebtedness.

4. Interest

(a) Interest on Fixed-Rate Notes

Unless otherwise specified in the applicable Final Terms, each Fixed-Rate Note bears interest on its outstanding nominal amount (or if it is a Partly Paid Note, on the amount paid-up) at the rate or rates per annum specified in the applicable Final Terms from (and including) the Interest Commencement Date to (but excluding) the Maturity Date. Interest will be payable in arrear on the date or dates in each year specified in the applicable Final Terms (each, a "**Fixed Interest Payment Date**") and on the Maturity Date if it does not fall on a Fixed Interest Payment Date. The first interest payment will, subject to Condition 6 and Condition 10, be made on the first Fixed Interest Payment Date following the Interest Commencement Date.

If any Fixed Interest Payment Date is not a Payment Business Day (as defined in Condition 5(e)), then payment on a Fixed-Rate Note shall be paid as provided in Condition 5(e).

If a "**Fixed Coupon Amount**" is specified in the applicable Final Terms, the amount of interest payable on each Fixed Interest Payment Date in respect of the Fixed Interest Period (as defined below) ending on (but excluding) such date will be the Fixed Coupon Amount as specified irrespective of any calculation based on the Rates of Interest (as defined in Condition 4(f)) and any applicable Fixed Day Count Fraction (as defined below) (if any) and if the amount of interest payable on any Fixed Interest Payment Date is specified as an amount other than the Fixed Coupon Amount, such amount will be a "**Broken Amount**" specified in the applicable Final Terms.

As used in these Conditions, "**Fixed Interest Period**" means the period from, and including, the most recent Fixed Interest Payment Date (or, if none, the Issue Date or, if different from the Issue Date, the Interest Commencement Date) to, but excluding, the next (or first) Fixed Interest Payment Date, unless otherwise specified in the applicable Final Terms.

Unless otherwise specified in the applicable Final Terms, if interest is required to be calculated for a period other than a Fixed Interest Period, that interest shall be calculated by applying the Rate of Interest specified in the applicable Final Terms to each Specified Denomination, multiplying that sum by the applicable Fixed Day Count Fraction and rounding the resulting figure to the nearest Sub-unit (as defined below) of the relevant Specified Currency, half of any such Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

"**Fixed Day Count Fraction**" means, in respect of the calculation of an amount of interest in accordance with this Condition 4(a):

- (i) if "**Actual/Actual (ICMA)**" is specified in the applicable Final Terms:
 - (A) for Notes where the Accrual Period (as defined below) is equal to or shorter than the Determination Period (as defined below) during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of determination dates ("**Determination Dates**"), as specified in the applicable Final Terms, that would occur in one calendar year assuming interest were payable in respect of the whole of that year; or
 - (B) for Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of

Determination Dates, as specified in the applicable Final Terms, that would occur in one calendar year assuming interest were payable in respect of the whole of that year; and

(2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of

(x) the number of days in such Determination Period; and

(y) the number of Determination Dates that would occur in one calendar year assuming interest were payable in respect of the whole of that year; and

(ii) if “30/360” is specified in the applicable Final Terms, the number of days in the Accrual Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

Where:

“Y₁” is the year, expressed as a number, in which the first day of the Accrual Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Accrual Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Accrual Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Accrual Period falls;

“D₁” is the first calendar day, expressed as a number, of the Accrual Period, unless such number would be 31, in which case D will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Accrual Period, unless such number would be 31 and D is greater than 29, in which case D₂ will be 30;

“**Accrual Period**” means the period from (and including) the most recent Fixed Interest Payment Date (or, if none, the Issue Date or, if different from the Issue Date, the Interest Commencement Date) to (but excluding) the relevant Interest Payment Date.

“**Determination Period**” means the period from (and including) a Determination Date (as specified in the applicable Final Terms) to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Fixed Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date).

“**Sub-unit**” means, for euro, one cent, and, for any currency other than euro, the lowest amount of that currency that is available as legal tender in the country of that currency.

(b) *Interest on Floating-Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, Inflation Linked Interest Notes, Hybrid Interest Notes, and other Underlying Asset(s) Interest Notes*

(i) *Interest Periods and Interest Payment Dates*

Each Floating-Rate Note, Index Linked Interest Note, Share Linked Interest Note, GDR/ADR Linked Interest Note, FX Linked Interest Note, Commodity Linked Interest Note, Fund Linked Interest

Note, Inflation Linked Interest Note, Hybrid Interest Note, and any other Underlying Asset(s) Interest Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, on the amount paid-up) from (and including) the Interest Commencement Date specified in the applicable Final Terms. Interest will be payable in arrear on either:

- (A) the Interest Payment Dates (each, an “**Interest Payment Date**”) in each year specified in the applicable Final Terms; or
- (B) if no Interest Payment Dates are specified in the applicable Final Terms, each date (each, an “**Interest Payment Date**”) which falls the number of months or other period specified in the applicable Final Terms after the preceding Interest Payment Date, or in the case of the first Interest Payment Date, after the Interest Commencement Date (the “**First Interest Payment Date**”).

Interest will be payable in respect of each “**Interest Period**” (which expression shall mean, in these Terms and Conditions, the period from (and including), an Interest Period End Date (or the Interest Commencement Date), to (but excluding) the next, or the first Interest Period End Date, as the case may be.

If (i) there is no numerically corresponding day in the calendar month during which an Interest Payment Date should occur or (ii) any Interest Payment Date (or other date specified in the applicable Final Terms to be subject to adjustment in accordance with a business day convention) falls on a day which is not a Business Day, it will be adjusted in accordance with the business day convention (each a “Business Day Convention”) specified in the applicable Final Terms. If the Business Day Convention specified is:

- (1) the “**Floating Rate Convention**”, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day. If postponement would cause such date to fall in the next calendar month, then (A) such date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months or other period specified as the Interest Period in the applicable Final Terms after the preceding applicable Interest Payment Date (or other date) occurred; or
- (2) the “**Following Business Day Convention**”, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (3) the “**Modified Following Business Day Convention**”, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day, unless that date would fall in the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the immediately preceding Business Day; or
- (4) the “**Preceding Business Day Convention**”, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day.

If an Interest Payment Date adjusted in accordance with the applicable Business Day Convention falls after the last day of the Interest Period to which it relates, no additional interest or other amount shall be payable.

“**Business Day**” means a day which is both:

- (A) a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and New York, New York and any additional business centers specified in the applicable Final Terms (each, an “**Additional Business Center**”); and

- (B) either (1) for any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial center(s) (the “**Principal Financial Center(s)**”) of the country of the relevant Specified Currency (if other than London) or (2) for any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System or any successor thereto is operating.

Unless otherwise provided in the applicable Final Terms, the Principal Financial Center of any Specified Currency for the purpose of these Terms and Conditions shall be the relevant financial center (if any) specified for the relevant Specified Currency in Section 1.5 or Section 1.6 of the ISDA Definitions, except that the Principal Financial Centers for Australian Dollars shall be Melbourne and Sydney, the Principal Financial Center for Canadian Dollars shall be Toronto, and the Principal Financial Center for New Zealand Dollars shall be Wellington.

The term “**ISDA Definitions**” means the 2006 ISDA Definitions (as published by ISDA) and as amended, updated, or replaced as at the Issue Date of the first Tranche of the Notes of the relevant Series.

(ii) *Rate of Interest on Floating-Rate Notes*

The Rate of Interest payable on Floating-Rate Notes will be set forth in the applicable Final Terms.

(A) *ISDA Determination for Floating-Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the margin (the “**Margin**”), if any. For purposes of this sub-paragraph (A), the “**ISDA Rate**” for an Interest Period means a rate determined by the Principal Agent or such other person specified in the applicable Final Terms that is equal to the Floating Rate under an interest rate swap transaction if the Principal Agent or such other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the relevant Interest Commencement Date is the Effective Date;
- (3) the Designated Maturity is a period specified in the applicable Final Terms;
- (4) the relevant Reset Date is either (i) the first day of that Interest Period, if the applicable Floating Rate Option is based on the London interbank offered rate (“**LIBOR**”) or the Euro-Zone interbank offered rate (“**EURIBOR**”) for a currency, or (ii) in any other case, as specified in the applicable Final Terms; and
- (5) all other terms are as specified in the applicable Final Terms.

For purposes of this sub-paragraph (A), “**Euro-Zone**” has the meaning set forth below and “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Effective Date**”, “**Designated Maturity**”, and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions.

(B) *Screen Rate Determination*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be, subject as provided below, either:

- (1) the offered quotation (if there is only one quotation on the relevant screen page (the “**Relevant Screen Page**”)), whatever its designation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations, (expressed as a percentage rate per annum) for the rate (the “**Reference Rate**”) by reference to the Rate of Interest which appears or appear, as the case may be, on the Relevant Screen Page on which the Reference Rate is for the time being displayed on the Reuter Monitor Money Rates Service (or such other service as is specified in the applicable Final Terms) at 11:00 a.m. (London time in the case of LIBOR, or Brussels time in the case of EURIBOR) on the dates on which the Rate of Interest is to be determined (each, an “**Interest Determination Date**”) plus or minus (as indicated in the applicable Final Terms) the Margin, if any, all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, only one of such quotations) and the lowest (or, if there is more than one such lowest quotation, only one of such quotations) shall be disregarded by the Calculation Agent for purposes of determining the arithmetic mean of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than two such offered quotations appear, in each case at the time specified in the preceding paragraph, the Calculation Agent, at its sole discretion, shall request the principal London office of each of the Reference Banks (as defined herein) to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for deposits in the Specified Currency for the relevant Interest Period to leading banks in the London interbank market in the case of LIBOR or leading banks in the Euro-Zone interbank market in the case of EURIBOR, at approximately 11:00 a.m. (London time in the case of LIBOR, or Brussels time in the case of EURIBOR) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin, if any, all as determined by the Calculation Agent.

If on any Interest Determination Date only one or none of the Reference Banks provides the Calculation Agent with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines to be the arithmetic mean (rounded as provided above) of the rates, as communicated to (and at the request of) the Calculation Agent by any two or more of the Reference Banks, at which such banks were offered, at approximately 11:00 a.m. (London time in the case of LIBOR, or Brussels time in the case of EURIBOR) on the relevant Interest Determination Date, deposits in the Specified Currency for the relevant Interest Period by leading banks in the London interbank market in the case of LIBOR, or leading banks in the Euro-Zone interbank market in the case of EURIBOR, plus or minus (as appropriate) the Margin, if any. If fewer than two of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest shall be the offered quotation for deposits in the Specified Currency for the relevant Interest Period, or the arithmetic mean (rounded as provided above) of the offered quotations for deposits in the Specified Currency for the relevant Interest Period, at which, at approximately 11:00 a.m. (London time in the case of LIBOR, or Brussels time in the case of EURIBOR) on the relevant Interest Determination Date, any one or more banks informs the Calculation Agent it is quoting to leading banks in the London interbank market in the case of LIBOR or leading banks in the Euro-Zone interbank market in the case of EURIBOR, plus or minus (as appropriate) the Margin, if any, provided that if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be

applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

“**Reference Banks**” means, in the case of (1) above, those banks whose offered rates were used to determine such quotation when such quotation last appeared on the Relevant Screen Page and in the case of (2) above, those banks whose offered quotations last appeared on the Relevant Screen Page when no fewer than three such offered quotations appeared.

“**EC Treaty**” means the Treaty establishing the European Community, as amended by the Treaty on European Union, as amended by the Treaty of Amsterdam.

“**Euro-Zone**” means the region comprised of member states of the European Union that have adopted the euro as the single currency in accordance with the EC Treaty.

If the Reference Rate from time to time for Floating-Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(iii) *Rate of Interest and/or Interest Amount for Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, Inflation Linked Interest Notes, Hybrid Interest Notes, and Notes with Interest Linked to other Underlying Asset(s) Interest Notes*

The Rate of Interest in respect of Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, Inflation Linked Interest Notes, Hybrid Interest Notes, or other Underlying Asset(s) Interest Notes for each Interest Period and/or the Interest Amount payable on each Interest Payment Date shall be determined by the Calculation Agent in the manner set out in the applicable Final Terms.

(iv) *Determination of Rate of Interest and Calculation of Interest Amounts for Floating-Rate Notes*

The Calculation Agent, at or as soon as practicable after each time at which the Rate of Interest payable on Floating-Rate Notes is to be determined, will determine the Rate of Interest (subject to any specified Minimum Interest Rate (as defined herein) or Maximum Interest Rate (as defined herein)) and calculate the amount of interest (the “**Interest Amount**”) payable on the Floating-Rate Notes for the relevant Interest Period. Each Interest Amount shall be calculated (unless a formula for calculation of the Interest Amount is specified in the applicable Final Terms, in which case the Interest Amount shall be calculated in accordance with such formula) by applying the Rate of Interest for such Interest Period to the minimum Specified Denomination), multiplying such sum by the applicable Floating Day Count Fraction (as defined herein) and rounding the resulting figure to the nearest U.S. Cent (or its approximate equivalent in the relevant Specified Currency), with \$.005 (or its approximate equivalent in the relevant Specified Currency) being rounded upwards. The Calculation Agent’s determination of the Rate of Interest and calculation of each Interest Amount shall be conclusive and binding on all parties in the absence of manifest error.

“**Floating Day Count Fraction**” shall have the meaning ascribed to “**Day Count Fraction**” in the ISDA Definitions or as agreed upon between the Issuer and Dealers in the applicable Final Terms; provided, however, if “**Actual/365 (Sterling)**” is specified in the applicable Final Terms, the Floating Day Count Fraction shall be the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366.

(v) *Notification of Rate of Interest and Interest Amount*

The Calculation Agent will notify the Issuer and any stock exchange on which the Notes (other than Fixed-Rate Notes, Zero Coupon Notes, and non-interest bearing Notes) are listed (if the rules of such stock exchange so require) of the Rate of Interest and each Interest Amount for each Interest Period, the relevant Interest Payment Date

and any other item or amount determined or calculated by it in accordance with the applicable Final Terms as soon as reasonably practicable after the relevant determination or calculation. The Calculation Agent also shall publish such notice in accordance with Condition 14 as soon as possible after any determination, but in no event later than the fourth London Business Day thereafter. In connection with any such Notes listed on the Luxembourg Stock Exchange, the Calculation Agent will notify the exchange of the Rate of Interest, the Interest Period, and each Interest Amount no later than the first day of the commencement of each new Interest Period. Both the Interest Amount and Interest Payment Dates subsequently may be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period in accordance with the provisions hereof. Each stock exchange on which such Notes are listed will be notified promptly of any amendment in accordance with Condition 14. For purposes of this sub-paragraph (v), the expression “**London Business Day**” means a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments in London.

(vi) *Certificates to Be Final*

All certificates, communications, opinions, determinations, calculations, quotations, and decisions given, expressed, made, or obtained for the purposes of the provisions of this Condition 4(b), by the Calculation Agent shall (in the absence of willful default, bad faith, or manifest error) be binding on the Issuer, the Calculation Agent, the other Paying Agents, and all Noteholders, Receiptholders, and Couponholders and (in the absence of the aforesaid) the Calculation Agent shall not be liable to the Issuer, the Noteholders, the Receiptholders, or the Couponholders in connection with the exercise by it of its powers, duties, and discretions pursuant to such provisions.

(c) *Zero Coupon Notes*

If a Zero Coupon Note becomes due and repayable prior to the Maturity Date and is not paid when due, the amount due and repayable shall be the Amortized Face Amount (as defined in Condition 6(f)) of such Note as determined in accordance with Condition 6(f)(iii). From the Maturity Date, any overdue principal of such Note shall bear interest at a rate per annum equal to the accrual yield, if any, in respect of such Notes (the “**Accrual Yield**”) (expressed as a percentage per annum) set forth in the applicable Final Terms.

(d) *Partly Paid Notes*

For Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes and Partly Paid Notes that do not bear interest), interest will accrue on the paid-up principal amount of such Notes, and otherwise as specified in the applicable Final Terms.

(e) *Accrual of Interest*

Each Note (or in the case of the redemption of only part of a Note, only that part of such Note) will cease to bear interest, if any, from the date for its redemption unless, upon due presentation, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue, before or after judgment, until the earlier of:

- (i) the date on which all amounts due in respect of such Note have been paid; or
- (ii) five calendar days after the date on which the Principal Agent has received the full amount of the monies payable and notice to that effect has been given in accordance with Condition 14 or individually.

(f) *Rate of Interest*

As used in these Conditions, “**Rate of Interest**” means the rate, or each rate, of interest in respect of each interest bearing Note determined in accordance with the applicable provisions of this Condition 4 or as specified in the applicable Final Terms.

(g) **Limitations on Interest**

The applicable Final Terms may specify a minimum rate at which the Notes bear interest (a "**Minimum Interest Rate**"). If the Rate of Interest determined in accordance with the provisions of this Condition 4 is less than the specified Minimum Interest Rate, the Rate of Interest shall be such Minimum Interest Rate. Subject to the provisions of the next paragraph, the applicable Final Terms may specify a Maximum Interest Rate. If the Rate of Interest determined in accordance with the provisions of this Condition 4 is greater than the maximum rate at which the Notes bear interest (the "**Maximum Interest Rate**"), the Rate of Interest shall be such Maximum Interest Rate.

In addition to any Maximum Interest Rate which may be applicable to any Note pursuant to the above provision, the interest rate on such Note will in no event be higher than the maximum rate permitted by New York law, as the same may be modified by United States law of general application. Under present New York law, the maximum rate of interest is 25.00 per cent. per annum on a simple interest basis, with certain exceptions. The limit may not apply to Notes in which \$2,500,000 or more has been invested.

5. **Payments**

For the purposes of this Condition 5, references to payment or repayment (as the case may be) of principal and/or interest and other similar expressions shall, where the context so requires, be deemed also to refer to delivery of any Entitlement.

(a) **Bearer Notes**

Payments of principal and interest in respect of Bearer Notes shall be made against presentation and surrender of the relevant Receipts (in the case of payments of Installment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its related Note), Notes or Coupons, as the case may be, at the specified office of any Paying Agent outside the United States and its possessions by a check payable in the currency in which such payment is due drawn on a bank in the Principal Financial Center for that currency, and at the option of the bearer of such Receipt, Note, or Coupon, shall be mailed or delivered to an address outside the United States and its possessions furnished by such bearer or, at the option of such bearer, subject to any applicable laws and regulations, shall be transferred to an account denominated in that currency with a bank in the Principal Financial Center for that currency; provided, however, that any payments made by transfer will be made in immediately available funds to an account maintained by the payee with a bank located outside the United States and its possessions, provided, however that:

- (i) payments in a Specified Currency (other than euro) will be made by transfer to an account in the relevant Specified Currency maintained by the payee with, or by a check in such Specified Currency drawn on, a bank in the Principal Financial Center of the country of such Specified Currency; provided, however, that a check may not be delivered to an address in, and an amount may not be transferred to an account at a bank located in, the United States or any of its possessions by any office or agency of the Issuer, the Principal Agent, or any Paying Agent; and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee; provided, however, that a credit or transfer may not be delivered to an address in, and an amount may not be transferred to an account at a bank located in the United States or any of its possessions by any office or agency of the Issuer, the Principal Agent, or any Paying Agent.

(b) **Registered Notes**

- (i) Payments of principal (which for the purposes of this Condition 5(b) shall include final Installment Amounts but not other Installment Amounts) in respect of Registered Notes shall be made to the person shown on the Register on the Record Date against presentation and surrender of the relevant Registered Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in Condition 5(b)(ii) below.

- (ii) Payments of interest and Installment Amounts (other than the final Installment Amount) on Registered Notes shall be paid to the person shown on the Register on the Record Date. Payments in respect of each Registered Note shall be made in the relevant Specified Currency by check drawn on a bank in the Principal Financial Center of the country of such Specified Currency and mailed to the Noteholder (or the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the Noteholder to the specified office of the Registrar or Transfer Agent before the Record Date and subject as provided in Condition 5(a) above, such payment may be made by transfer to an account in the Specified Currency maintained by the payee with a bank in the Principal Financial Center of the country of such Specified Currency.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8.

(c) ***Payments in the United States***

Notwithstanding Condition 5(a), U.S. Dollar payments of principal and interest in respect of Bearer Notes will be made at the specified office of a Paying Agent in the United States or its possessions if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States and its possessions with the reasonable expectation that such Paying Agents will be able to make payment of the full amount of principal, interest, or any other amounts payable on the Bearer Notes in the manner provided above when due in U.S. Dollars at such specified offices; and
- (ii) payment of the full amount of such principal, premium, if any, interest, or any other amounts payable, at all such specified offices outside the United States and its possessions is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. Dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences for the Issuer.

(d) ***Unmatured Coupons and Receipts and unexchanged Talons***

In the case of Fixed-Rate Notes, Bearer Notes should be presented for payment together with all related unmaturing Coupons (which expression shall for this purpose include Coupons to be issued upon exchange of matured Talons). Failure to present the above will result in the amount of any missing unmaturing Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmaturing Coupon as the sum so paid bears to the sum due) being deducted from the sum due for payment. Each amount of principal so deducted will be paid as described above against surrender of the relative missing Coupon at any time before the expiration of five years after the Relevant Date (as defined in Condition 9) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due. Upon any Bearer Note becoming due and payable prior to its Maturity Date, all relevant unmaturing Talons, if any, will become void and no further Coupons will be issued in respect of that Bearer Note.

In the case of Floating-Rate Notes, upon any Bearer Note becoming due and payable prior to its Maturity Date, any related unmaturing Coupons (whether or not attached), shall become void and no payment or, as the case may be, exchange for further Coupons, shall be made in respect of those Bearer Notes.

Upon the date on which any Bearer Note becomes due and repayable, unmaturing Receipts, if any, relating thereto (whether or not attached), shall become void and no payment shall be made in respect thereof. Payment of the final installment will be made as provided in Condition 5(a) above against surrender of the relevant Bearer Notes.

If the due date for redemption of any Bearer Note is not a Fixed Interest Payment Date or an Interest Payment Date, interest, if any, accrued in respect of such Bearer Note, from (and including) the

preceding Fixed Interest Payment Date or Interest Payment Date or, as the case may be, the Interest Commencement Date, shall be payable only against surrender of the relevant Bearer Note.

Except as provided in Condition 5(c), payments of principal, premium, if any, interest, or any other amounts payable on, or deliveries in respect of, a Bearer Global Note, will be made as specified above for Bearer Notes and otherwise as specified in the relevant Bearer Global Note outside the United States and its possessions against presentation or surrender, as the case may be, of such Bearer Global Note, and payments on any Bearer Note will be made at the specified office of any Paying Agent outside the United States and its possessions. The Paying Agent will record on each Bearer Global Note in CGN form each payment made against presentation or surrender of such Bearer Global Note, distinguishing between any payment of principal, premium, if any, interest, or any other amounts payable, and such record shall be prima facie evidence that the payment has been made.

So long as any of the Notes are represented by a Bearer Global Note or a Registered Global Certificate held on behalf of the Relevant Clearing System, each person who is shown in the records of the Relevant Clearing System as the holder of a particular nominal amount of such Notes (any certificate or other document issued by the Relevant Clearing System as to the nominal amount of Notes standing on the account of any person shall be conclusive and binding for all purposes, except in the case of manifest error) shall be treated by the Issuer, the Principal Agent, and any other Paying Agent as the holder of such nominal amount of such Notes for all purposes, except with respect to the payment of principal, premium, if any, interest, or any other amounts payable on, or deliveries in respect of, the Notes, the bearer of the relevant Bearer Global Note or, in the case of a Registered Global Note, the person or persons for the time being shown in the Register maintained by the Registrar as the Noteholder or Noteholders, shall be treated by the Issuer, the Principal Agent, and any Paying Agent as the holder of such Notes in accordance with and subject to the terms of the relevant Global Note.

(e) **Payment Business Day**

If the due date for payment of any amount in respect of any Note, Receipt, or Coupon is not a Payment Business Day, the holder of the Notes shall not be entitled to payment of the amount due until (i) if “Following” is specified in the applicable Final Terms, the next following Payment Business Day or (ii), if “Modified Following” is specified in the applicable Final Terms, the next following Payment Business Day unless that Payment Business Day falls in the next calendar month, in which case the first preceding Payment Business Day. The holder of the Notes shall not be entitled to further interest or other payment in respect of such delay or amendment. For these purposes, unless otherwise specified in the applicable Final Terms, “**Payment Business Day**” means any day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchanges and foreign currency deposits) in:

- (i) the relevant place of presentation;
- (ii) the Principal Financial Center of the country of the relevant Specified Currency (or in the case of an amount payable in euro, a day on which the TARGET2 System or any successor thereto is operating); and
- (iii) any additional financial center (“**Additional Financial Center**”) specified in the applicable Final Terms.

(f) **Interpretation of Principal**

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any Additional Amounts (as defined in Condition 8) which may be payable with respect to principal under Condition 8;
- (ii) the Final Redemption Amount (as defined in Condition 6(a)) of the Notes;
- (iii) any Entitlement, Disruption Cash Settlement Price, or Failure to Deliver Settlement Price (as defined in Physical Delivery Condition 5) in respect of the Notes;

- (iv) the redemption amount (the “**Early Redemption Amount**”) of the Notes payable on redemption for taxation reasons or following an Event of Default and the method, if any, of calculating the same if required to be specified by, or if different from that set out in, Condition 6(f);
- (v) the redemption amount payable on the occurrence of a Settlement Disruption Event or Failure to Deliver due to Illiquidity (each as defined in the Physical Delivery Conditions);
- (vi) each redemption amount (the “**Optional Redemption Amount**”), if any, of the Notes;
- (vii) for Installment Notes, the amount (expressed as a percentage of the principal amount of each Note) of such installment (each, an “**Installment Amount**”);
- (viii) for Amortizing Notes, the amount of unpaid principal;
- (ix) for Zero Coupon Notes, the Amortized Face Amount; and
- (x) any premium and any other amounts which may be payable by the Issuer under or for the Notes.

Any reference in these Terms and Conditions to interest on the Notes shall be deemed to include, as applicable, any Additional Amounts which may be payable in connection with interest under Condition 8.

(g) **Imposition of Exchange Controls**

If the Issuer, after consulting with the Principal Agent, reasonably determines that a payment on the Notes, Receipts, or Coupons cannot be made in the Specified Currency due to restrictions imposed by the government of such currency or any agency or instrumentality thereof or any monetary authority in such country (other than as contemplated in the preceding Condition 5(a)), such payment will be made outside the United States and its possessions in U.S. dollars by a check drawn on or by credit or transfer to an account maintained by the holder with a bank located outside the United States and its possessions, provided that any check shall be mailed or delivered to an address outside the United States and its possessions. The Principal Agent, on receipt of the Issuer’s written instruction and at the expense of the Issuer, shall give prompt notice to the holders of the Notes if such determination is made. The amount of U.S. Dollars to be paid in connection with any payment shall be the amount of U.S. Dollars that could be purchased by the Agent with the amount of the relevant currency payable on the date the payment is due, at the rate for sale in financial transactions of U.S. Dollars (for delivery in the Principal Financial Center of the Specified Currency two Business Days later) quoted by that bank at 10:00 a.m. local time in the Principal Financial Center of the relevant currency, on the second Business Day prior to the date the payment is due.

(h) **Rounding**

For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified elsewhere in these Conditions or in the relevant Final Terms), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest sub-unit of such currency (with halves being rounded up), except in the case of Japanese yen, which shall be rounded down to the nearest Japanese yen.

(i) **Payment Disruption**

(i) *Occurrence of a Payment Disruption Event*

If the applicable Final Terms specifies “Payment Disruption Event” to be applicable, then, in the event that the Calculation Agent, at any time and from time to time, determines in its sole discretion that a Payment Disruption Event has occurred or is likely to occur, then the Calculation Agent shall as soon as practicable notify the

Noteholders of the relevant Notes of the occurrence of a Payment Disruption Event in accordance with Condition 14.

(ii) *Consequences of a Payment Disruption Event*

Upon the occurrence of a Payment Disruption Event:

(A) *Obligation to pay postponed*

The Issuer's obligation to pay the Interest Amount, Fixed Coupon Amount, Final Redemption Amount or any such other amounts in respect of the relevant Notes shall, subject to Condition 5(i)(ii)(D), be postponed until five Business Days (or such other date as may be determined by the Calculation Agent and notified to the Noteholders in accordance with Condition 14) after the date on which the Payment Disruption Event is no longer operating. Noteholders shall not be entitled to further interest or other payment in respect of such postponement.

(B) *Issuer's option to very settlement*

Notwithstanding the Issuer's right to postpone payment in accordance with Condition 5(i)(ii)(A), the Issuer may, if practicable (and to the extent lawful), and at the Issuer's sole and absolute discretion:

- (1) make payments due to be made in the Subject Currency in the Base Currency, converted from the Subject Currency into the Base Currency at a rate reasonably selected by the Calculation Agent;
- (2) make payments due to be made in the Base Currency in the Subject Currency, disregarding any obligation to convert amounts into the Base Currency;
- (3) in the case of Share Linked Notes, deliver the Shares in lieu of cash settlement; or
- (4) in the case of Share Linked Notes which reference a basket of Shares, elect to satisfy in part its obligation to pay the amounts as may be due and payable under the relevant Notes by making a partial payment(s) or partial deliveries, as the case may be (the "**Partial Distributions**"). Any Partial Distribution made by the Issuer to the Noteholders will be calculated and/or determined by the Calculation Agent in its sole and absolute discretion and shall be paid and/or delivered to the Noteholders pro rata (as far as possible, subject to any necessary adjustments for rounding) to the proportion of the Notes of the same series held by the relevant Noteholder. In the event that any Partial Distribution is made by the Issuer, the Calculation Agent may, in its sole and absolute discretion, make any such corresponding adjustment to any variable relevant to the redemption or payment terms of the relevant Notes as it deems necessary and shall notify the relevant Noteholders thereof in accordance with Condition 14.

Any payments or deliveries made in accordance with this Condition 5(i)(ii)(B) shall satisfy and discharge in full (in the case of payments or deliveries made in accordance with paragraphs (1) to (3)) and in part (in the case of Partial Distributions made in accordance with paragraph (4)) the Issuer's obligation to pay the Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount in respect of which the Payment Disruption Event has arisen, and no further amounts shall be due and payable by the Issuer in respect thereof.

(C) *Payments net of expenses*

Notwithstanding any provisions to the contrary, (a) any payments made in accordance with this Condition 5(i) shall be made after deduction of any costs,

expenses or liabilities incurred or to be incurred by the Calculation Agent or Issuer in connection with or arising from the resolution of the relevant Payment Disruption Event(s) and (b) no interest shall be paid by the Issuer in respect of any delay which may occur in the payment of any amounts due and payable under the Notes as a result of the operation of this Condition 5(i)(ii).

(D) *Payment Event Cut-Off Date*

In the event that a Payment Disruption Event is still occurring on the Payment Event Cut-Off Date, the Interest Payment Date, the Maturity Date, or any other date on which redemption amounts in relation to any of the Notes shall be due and payable (as the case may be) for the relevant Notes shall fall on the Payment Event Cut-Off Date. In such circumstances, the Noteholder will not receive any amounts. Thereafter, the Issuer shall have no obligations whatsoever under the Notes.

For the purposes of this Condition 5(i):

“**Base Currency**” has the meaning given to it in Annex 4 – Additional Terms and Conditions for FX Linked Notes;

“**Payment Disruption Event**” means:

- (a) the occurrence of either (a) an Inconvertibility Event and/or (b) a Non-Transferability Event (each as defined in Annex 4 – Additional Terms and Conditions for FX Linked Notes);
- (b) the imposition by the Subject Currency Jurisdiction (or any political or regulatory authority thereof) of any capital controls, or the publication of any notice of an intention to do so, which the Calculation Agent determines in good faith is likely materially to affect the Notes, and notice thereof is given by the Issuer to the Noteholders in accordance with Condition 14; or
- (c) the implementation by the Subject Currency Jurisdiction (or any political or regulatory authority thereof) or the publication of any notice of an intention to implement any changes to the laws or regulations relating to foreign investment in the Subject Currency Jurisdiction (including, but not limited to, changes in tax laws and/or laws relating to capital markets and corporate ownership), which the Calculation Agent determines are likely to affect materially the Issuer’s ability to hedge its obligations under the Notes;

“**Payment Event Cut-Off Date**” means the date which is one year after the Maturity Date, or as determined by the Calculation Agent acting in good faith and notified to Noteholders in accordance with Condition 14;

“**Subject Currency**” has the meaning given to it in Annex 4 – Additional Terms and Conditions for FX Linked Notes; and

“**Subject Currency Jurisdiction**” has the meaning given to it in Annex 4 – Additional Terms and Conditions for FX Linked Notes.

6. **Redemption and Purchase**

(a) *At Maturity*

Unless previously redeemed or purchased and cancelled as specified below, the Issuer will redeem each Note at an amount (the “**Final Redemption Amount**” (or, in the case only of Physical Delivery Notes, by delivery of the Entitlement (as provided in the Physical Delivery Conditions))) specified in, or determined in the manner specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

For the purposes of these Terms and Conditions, “**Redemption Amount**” shall mean the Final Redemption Amount, Disruption Cash Settlement Price, Failure to Deliver Settlement Price, Early Redemption Amount, Optional Redemption Amount, Minimum Redemption Amount, Higher Redemption Amount (each as defined below), or any other amount specified in the applicable Final Terms as being the amount for which the Notes are to be redeemed, as the context may require.

(b) **Redemption for Tax Reasons**

The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (in the case of Fixed-Rate Notes) or on any Interest Payment Date (in the case of Notes other than Fixed-Rate Notes), on giving not less than 30 nor more than 60 calendar days’ notice (which notice shall be irrevocable) to the Principal Agent and to the Noteholders, in accordance with Condition 14, if:

- (i) on the occasion of the next payment due under the Notes, the Issuer has or will become obligated to pay Additional Amounts as discussed in Condition 8 as a result of any change in, or amendment to, the laws or regulations of the United States or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and
- (ii) the Issuer cannot avoid such obligation by taking reasonable measures available to it, provided that no such redemption notice shall be given earlier than 90 calendar days prior to the earliest date on which the Issuer would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due.

Prior to the publication of any redemption notice pursuant to this Condition 6(b), the Issuer shall deliver a certificate to the Principal Agent signed by an Authorized Officer of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent, if any, to the redemption have occurred. For the purposes of this paragraph, “**Authorized Officer**” means, with respect to the Issuer, the Chief Executive Officer, the Chief Financial Officer, the Treasurer, any Senior Vice President or any Managing Director or Director–Corporate Treasury of the Issuer or any other person who is duly authorized to act for the Issuer in matters relating to, and binding upon, the Issuer.

Notes redeemed pursuant to this Condition 6(b) will be redeemed at their Early Redemption Amount referred to in Condition 6(f) below together (if appropriate) with interest accrued to (but excluding) the date fixed for redemption.

(c) **Special Tax Redemption**

If the Issuer determines that any payment made outside the United States by the Issuer or any of its Paying Agents in respect of any Note (other than in respect of a Registered Note) or Coupon, under any present or future laws or regulations of the United States, would be subject to any certification, documentation, information, or other reporting requirement of any kind the effect of which is the disclosure to the Issuer, any Paying Agent, or any governmental authority of the nationality, residence, or identity of a beneficial owner of such Note or Coupon who is a United States Alien (as defined herein) (other than a requirement (1) that would not be applicable to a payment by the Issuer or any one of the Paying Agents (x) directly to the beneficial owner, or (y) to a custodian, nominee, or other agent of the beneficial owner, (2) that can be satisfied by such custodian, nominee, or other agent certifying to the effect that the beneficial owner is a United States Alien, provided that, in any case referred to in Clauses (1)(y) or (2), payment by the custodian, nominee, or agent to the beneficial owner is not otherwise subject to any such requirement, or (3) that would not be applicable to a payment by at least one Paying Agent of the Issuer), the Issuer shall at its option either:

- (i) redeem the Notes in whole, but not in part, at any time (in the case of Fixed-Rate Notes) or on any Interest Payment Date (in the case of Notes other than Fixed-Rate Notes), at a price equal to the Early Redemption Amount referred to in Condition 6(f) below, together with, if appropriate, interest accrued to but excluding the date fixed for redemption; or

(ii) if the conditions of the second succeeding paragraph are satisfied, pay the Additional Amounts specified in such paragraph.

The Issuer shall make its determination as soon as practicable and publish prompt notice thereof (the **“Determination Notice”**) stating the effective date of its certification, documentation, information, or other reporting requirement, whether the Issuer will redeem the Notes or pay the Additional Amounts specified in the next succeeding paragraph, and (if applicable) the last date by which the redemption of the Notes must take place, as provided in the next succeeding sentence. If the Notes are to be redeemed pursuant to this Condition 6(c), that redemption shall take place on such date, not later than one year after the publication of the Determination Notice, as the Issuer shall elect by notice to the Principal Agent at least 45 calendar days before the redemption date. Notice of such redemption of the Notes will be given to the Noteholders not more than 60 nor less than 30 calendar days prior to the redemption date by publication in accordance with Condition 14. Notwithstanding the foregoing, the Issuer shall not redeem the Notes if the Issuer shall subsequently determine not less than 30 calendar days prior to the redemption date, that subsequent payments on the Notes and Coupons would not be subject to any such certification, documentation, information, or other reporting requirement, in which case the Issuer shall give prompt notice of its subsequent determination by publication in accordance with Condition 14 and any earlier redemption notice shall be revoked and of no further effect.

Notwithstanding the foregoing, if and so long as the certification, documentation, information, or other reporting requirement referred to in the second preceding paragraph would be fully satisfied by payment of a backup withholding tax or similar charge, the Issuer may elect to pay as additional interest such Additional Amounts as may be necessary so that every net payment made outside the United States following the effective date of that requirement by the Issuer or any of its Paying Agents in respect of any Note or any Coupon of which the beneficial owner is a United States Alien (but without any requirement that the nationality, residence, or identity, other than status as a United States Alien, of such beneficial owner be disclosed to the Issuer, any Paying Agent, or any governmental authority), after deduction or withholding for or on account of that backup withholding tax or similar charge (other than a backup withholding tax or similar charge that (1) would not be applicable in the circumstances referred to in the parenthetical clause of the first sentence of the second preceding paragraph or (2) is imposed as a result of the presentation of the Note or Coupon for payment more than 15 calendar days after the date on which that payment became due and payable or on which payment thereof was duly provided for, whichever occurred later), will not be less than the amount provided for in the Note or Coupon to be then due and payable. If the Issuer elects to pay Additional Amounts pursuant to this paragraph, the Issuer shall have the right to redeem the Notes in whole, but not in part, at any time (in the case of Notes other than Fixed-Rate Notes) or on any Interest Payment Date (in the case of Notes other than Fixed-Rate Notes), subject to the provisions of the last two sentences of the immediately preceding paragraph. If the Issuer elects to pay Additional Amounts pursuant to this paragraph and the condition specified in the first sentence of this paragraph should no longer be satisfied, then the Issuer shall redeem the Notes pursuant to the provisions of the immediately preceding paragraph.

For purposes of this Condition 6(c), the terms **“Additional Amounts”** and **“United States Alien”** have the meanings given in Condition 8.

The requirement under these Terms and Conditions that a Noteholder submit an Asset Transfer Notice or Put Notice disclosing certain information with respect to the Noteholder and the requirement that the Noteholder and each legal or beneficial owner, as a condition to purchasing a Note, make certain representations and agreements as to its status as a U.S. person and other matters, are not requirements as to which the provisions of this Condition 6(c) apply. In addition, in the case of Definitive Notes which are not held through a Relevant Clearing System and in the case of Non-Principal Protected Notes, if this Condition 6(c) would otherwise apply to the Notes, the Issuer shall have the option to redeem the Definitive Notes in the manner set forth in the third preceding paragraph, but shall not be required to redeem the Definitive Notes or pay any Additional Amounts.

Whenever any Additional Amounts are to be paid on Notes or Coupons, the Issuer will give notice to the Agent, the Registrar and the other Paying Agents, as provided in the Agency Agreement.

(d) **Call Option-Redemption at the Option of the Issuer (Issuer Call Option)**

If the applicable Final Terms specify that the Issuer has an option to redeem the Notes, and the Issuer gives:

- (i) not less than 30 nor more than 60 calendar days' notice in accordance with Condition 14 to the Noteholders (or such other period as is specified in the applicable Final Terms); and
- (ii) not less than seven London Business Days (as defined in Condition 4(b)(v)) (or such other period as is specified in the applicable Final Terms) before giving notice as referred to in (i), notice to the Principal Agent;

(both of which notices shall be irrevocable), then the Issuer may redeem all or a portion of the Notes then outstanding on the dates upon which redemption may occur (each, an "**Optional Redemption Date**") and at the Optional Redemption Amounts specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Dates. Any redemption must be of a principal amount equal to the minimum principal amount of the Notes permitted to be redeemed at any time (the "**Minimum Redemption Amount**") or any greater principal amount of the Notes permitted to be redeemed at any time (each, a "**Higher Redemption Amount**"), both as indicated in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by Bearer Definitive Notes or Registered Definitive Certificates, and in accordance with the rules of the Relevant Clearing System (to be reflected in the records of the Relevant Clearing System as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Bearer Global Note or a Registered Global Certificate, not more than 60 calendar days prior (or such other period as is specified in the applicable Final Terms) to the date fixed for redemption (the "**Selection Date**"). In the case of Redeemed Notes represented by Bearer Definitive Notes or Registered Definitive Certificates, a list of the serial numbers of the Redeemed Notes will be published in accordance with Condition 14 not less than 30 calendar days prior (or any other period as is specified in the applicable Final Terms) to the date fixed for redemption. The aggregate principal amount of Redeemed Notes represented by Bearer Definitive Notes or Registered Definitive Certificates shall bear the same proportion to the aggregate principal amount of all Redeemed Notes as the aggregate principal amount of Bearer Definitive Notes or Registered Definitive Certificates outstanding bears to the aggregate principal amount of the Notes outstanding, in each case on the Selection Date, provided that the first mentioned principal amount, if necessary, shall be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate principal amount of Redeemed Notes represented by a Bearer Global Note or a Registered Definitive Certificate shall be equal to the balance of the Redeemed Notes. No exchange of the relevant Bearer Global Note or a Registered Definitive Certificate will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this Condition 6(d) and the Issuer shall give notice to that effect to the Noteholders in accordance with Condition 14 at least 10 calendar days prior (or any other period as is specified in the applicable Final Terms) to the Selection Date.

(e) **Put Option-Redemption at the Option of the Noteholders (Investor Put Option)**

If the applicable Final Terms specify that the Noteholders have an option to redeem the Notes, upon the Noteholder giving the Issuer, in accordance with Condition 14, not less than 30 nor more than 60 calendar days' notice or such other period of notice as is specified in the applicable Final Terms (which notice shall be irrevocable), the Issuer, upon the expiration of such notice, will redeem (in accordance with the terms specified in the applicable Final Terms) in whole (but not in part), such Notes on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise such option or any other Noteholders' option that may be set out in the applicable Final Terms, the Noteholder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent outside the United States, or (in the case of Registered Notes) the Registered Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, during normal business hours of such Paying

Agent, Registrar or Transfer Agent falling within the notice period, together with a duly signed and completed option exercise notice in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (the “**Put Notice**”) in which the Noteholder must specify a bank account (or, if payment is by check, an address) to which payment is to be made under this Condition 6(c).

(f) **Early Redemption Amounts**

For purposes of Condition 6(b) and 6(c) above and Condition 10, the Notes will be redeemed at the Early Redemption Amount calculated as follows, together, if appropriate, with interest accrued to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable prior to the Maturity Date:

- (i) in the case of a Note (other than a Zero Coupon Note, a Dual Currency Note, an Index Linked Redemption Note, a Share Linked Redemption Note, a GDR/ADR Linked Redemption Note, an FX Linked Redemption Note, a Commodity Linked Redemption Note, a Fund Linked Redemption Note, an Inflation Linked Redemption Note, a Hybrid Redemption Note, or an other Underlying Asset(s) Redemption Note) with a Final Redemption Amount equal to 100 per cent. of its outstanding principal amount at the Final Redemption Amount thereof; or
- (ii) in the case of a Note (other than those described in Condition 6(f)(i) above or Condition 6(f)(iii) below), the Early Redemption Amount payable (subject to Condition 6(l) if applicable) shall be the amount determined in good faith and in a commercially reasonable manner by the Calculation Agent to be the fair market value of the Notes immediately prior to (and ignoring the circumstances leading to) such early redemption, adjusted to account fully for any reasonable expenses and costs of the Issuer and/or its Affiliates of unwinding any underlying and/or related hedging and funding arrangements (including, without limitation, any equity options, equity swaps, or other securities of any type whatsoever hedging the Issuer’s obligations under the Notes), unless otherwise specified in the applicable Final Terms; or
- (iii) in the case of a Zero Coupon Note, which is not a Dual Currency Note, an Index Linked Redemption Note, a Share Linked Redemption Note, a GDR/ADR Linked Redemption Note, an FX Linked Redemption Note, a Commodity Linked Redemption Note, a Fund Linked Redemption Note, an Inflation Linked Redemption Note, a Hybrid Redemption Note, or an other Underlying Asset(s) Redemption Note, at an amount (the “**Amortized Face Amount**”) equal to:
 - (A) the sum of (1) the Reference Price specified in the applicable Final Terms multiplied by the face amount of the Note (the “**Reference Price Amount**”) and (2) the product of the Accrual Yield specified in the applicable Final Terms (compounded annually) being applied to the Reference Price Amount from (and including) the Issue Date to (but excluding) the date fixed for redemption or the date upon which such Note becomes due and repayable (as the case may be); or
 - (B) if the amount payable with respect to any Zero Coupon Note upon redemption pursuant to Condition 6(b), (c), (d), or (e) above or upon its becoming due and repayable as provided in Condition 10 is not paid or available for payment when due, the amount due and repayable with respect to such Zero Coupon Note shall be the Amortized Face Amount of such Zero Coupon Note calculated as provided above as though the references in sub-paragraph (A) to the date fixed for redemption or the date upon which the Zero Coupon Note becomes due and repayable were replaced by references to the date (the “**Reference Date**”) which is the earlier of:
 - (1) the date on which all amounts due with respect to the Note have been paid; or
 - (2) the date on which the full amount of the monies repayable has been received by the Agent and notice to that effect has been given in accordance with Condition 14.

The calculation of the Amortized Face Amount in accordance with this sub-paragraph (B) will continue to be made, before, as well as, after judgment, until the Reference Date, unless the Reference Date falls on or after the Maturity Date, in which case the amount due and repayable shall be the principal amount of such Note together with interest at a rate per annum equal to the Accrual Yield.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made on the basis of a 360-day year consisting of 12 months of 30 calendar days each and, in the case of an incomplete month, the actual number of days elapsed or such other calculation basis as may be specified in the applicable Final Terms.

“**Affiliate**” means, in relation to any entity (the “**First Entity**”), any entity controlled, directly or indirectly, by the First Entity, any entity that controls, directly or indirectly, the First Entity or any entity directly or indirectly under common control with the First Entity. For these purposes “control” means ownership of a majority of the voting power of an entity.

(g) ***Installment Notes; Amortizing Notes***

If the Notes are Installment Notes, they will be redeemed in the Installment Amounts and on the date on which each installment is repayable (each, an **Installment Date**) as specified in the applicable Final Terms. In the case of early redemption, the Early Redemption Amount will be determined pursuant to Condition 6(f) above. If the Notes are Amortizing Notes, they will be redeemed in the amounts and on the dates set forth on the Amortization Table specified in the applicable Final Terms.

(h) ***Partly Paid Notes***

If the Notes are Partly Paid Notes, they will be redeemed, whether at maturity, early redemption, or otherwise, in accordance with the provisions of this Condition 6 and the applicable Final Terms. In the case of early redemption, the Early Redemption Amount will be determined pursuant to Condition 6(f) above by reference to the amount paid with respect to such Notes.

(i) ***Dual Currency Notes, Index Linked Redemption Notes, Share Linked Redemption Notes, GDR/ADR Linked Redemption Notes, FX Linked Redemption Notes, Commodity Linked Redemption Notes, Fund Linked Redemption Notes, Inflation Linked Redemption Notes, Hybrid Redemption Notes, and other Underlying Asset(s) Redemption Notes***

If the Notes are Dual Currency Notes, Index Linked Redemption Notes, Share Linked Redemption Notes, GDR/ADR Linked Redemption Notes, FX Linked Redemption Notes, Commodity Linked Redemption Notes, Fund Linked Redemption Notes, Inflation Linked Redemption Notes, Hybrid Redemption Notes, or other Underlying Asset(s) Redemption Notes, they will be redeemed, whether at maturity, early redemption, or otherwise, in accordance with the provisions of this Condition 6 and the applicable Final Terms.

(j) ***Repurchases***

The Issuer and/or any of its Affiliates may at any time repurchase Notes (provided that, in the case of Bearer Definitive Notes, all unmatured Receipts and Coupons attached thereto are repurchased therewith) at any price in the open market or otherwise. Such Notes may be held, reissued, resold, or surrendered to any Paying Agent for cancellation, provided that any such Notes reissued or resold comply with the selling restrictions set forth in United States Treasury Regulation Section 1.163-5 as if they were newly issued.

(k) ***Cancellation***

All Notes which are redeemed will be cancelled (together with, in the case of Bearer Notes, all unmatured Receipts and Coupons attached thereto or surrendered therewith at the time of redemption) in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all unexchanged Talons to any Paying Agent and, in the case of Registered Notes, by surrendering the Registered Certificate representing such Registered Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Bearer Notes, all unmatured Receipts and Coupons and unexchanged

Talons attached thereto or surrendered therewith). All Notes so cancelled and the Notes purchased and cancelled pursuant to Condition 6(j) above (together with, in the case of Bearer Notes, all unmatured Receipts and Coupons cancelled therewith) shall be forwarded to the Principal Agent and cannot be reissued or resold.

(l) **Principal Protected Notes**

In the case of all Notes which the applicable Final Terms specify to be “Principal Protected”, notwithstanding anything to the contrary, the amount of cash and fair market value of property delivered at maturity or upon early redemption will not be less than the Specified Denomination of such Note.

7. **Redenomination**

If the applicable Final Terms permits redenomination, Notes denominated in a currency that may be redenominated into euro, at the election of the Issuer, may be subject to redenomination in the manner set out below. In relation to such Notes, the Issuer, without the consent of the Noteholders, Receiptholders, or Couponholders, on giving at least 30 calendar days’ prior notice to Noteholders, Receiptholders, Couponholders, the Principal Agent and the Relevant Clearing System in accordance with Condition 14, may designate a “**Redenomination Date**” for the Notes, being (in the case of interest-bearing Notes) a date for payment of interest under the Notes (or in the case of Zero Coupon Notes, any date), in each case specified by the Issuer in the notice given pursuant to this paragraph and falling on or after the date on which the relevant member state commences participation in the third stage of European Economic and Monetary Union pursuant to the EC Treaty and which falls before the date on which the currency ceases to be a sub-division of the euro. Notwithstanding the foregoing, Bearer Notes will not be redenominated at the election of the Issuer pursuant to this Condition 7 unless the Issuer receives an opinion of United States tax counsel recognized as an expert in such matters that the Notes would be in compliance with United States Treasury Regulation Section 1.163-5(c)(2)(i)(D) after such redenomination.

Beginning on the Redenomination Date, notwithstanding the other provisions of the Terms and Conditions:

- (i) the Notes and the Receipts shall (unless already so provided by mandatory provisions of applicable law) be deemed to be redenominated in euro in the denomination of euro 0.01 with a nominal amount for each Note and Receipt equal to the nominal amount of that Note and Receipt in the Specified Currency, converted into euro at the rate for conversion established by the Council of the European Union pursuant to the EC Treaty (including compliance with rules relating to rounding in accordance with European Community regulations) provided that, if the Issuer determines, with the agreement of the Agent (which agreement shall not be unreasonably withheld), that the then market practice in respect of the redenomination into euro 0.01 of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, any stock exchange on which the Notes may be listed, and any Paying Agent of such deemed amendment;
- (ii) if Definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of €50,000, and such other denominations as the Principal Agent determines and gives notice of to the Noteholders;
- (iii) if Bearer Definitive Notes have been issued prior to the Redenomination Date, all unmatured Receipts and Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void from the date on which the Issuer gives the notice (the “**Exchange Notice**”) that replacement euro-denominated Notes, Receipts, and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued also will become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New certificates in respect of euro-denominated Notes, Receipts and Coupons will be

issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Principal Agent may specify and shall be stated to Noteholders in the Exchange Notice;

- (iv) after the Redenomination Date, all payments in respect of the Notes (other than payments of interest in respect of periods commencing before the Redenomination Date) will be made solely in euro, unless the Redenomination Date is on or after such date as the Specified Currency ceases to be a sub-division of the euro. Such payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee;
- (v) the amount of interest in respect of Notes will be calculated by reference to the aggregate nominal amount of Bearer Definitive Notes presented (or, as the case may be, in respect of which Receipts or Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01; and
- (vi) if the Notes are Notes other than Fixed-Rate Notes, Zero Coupon Notes or other non-interest bearing Notes, the applicable Final Terms will specify any relevant changes to the provisions relating to interest.

In connection with such redenomination, the Issuer, after consultation with the Principal Agent, may make such other changes to the Terms and Conditions applicable to the relevant Notes, including, without limitation, with respect to any Business Day, Fixed Day Count Fraction, Floating Day Count Fraction, or other conventions as it may decide, so as to conform them to the then market practice in respect of euro-denominated debt securities issued in the Euromarkets, which are held in international clearing systems. Any such changes will not take effect until the next following Interest Payment Date after the Noteholders have been given notice in accordance with Condition 14.

The circumstances and consequences described in this Condition 7 and any resulting amendment to the Terms and Conditions of the Notes will not entitle any Noteholder (a) to any legal remedy, including, without limitation, redemption, rescission, notice, repudiation, adjustment, or renegotiation of the Notes, or (b) to raise any defense or make any claim (including, without limitation, claims of breach, force majeure, frustration of purpose, or impracticability) or any other claim for compensation, damages, or any other relief.

8. **Taxation**

The Issuer will pay a United States Alien such additional amounts of interest (“**Additional Amounts**”) as may be necessary so that every net payment of the principal of and interest on any Note or any Coupon appertaining thereto, after deduction or withholding for or on account of any present or future tax, assessment, or other governmental charge imposed upon such holder by the United States or any political subdivision or taxing authority thereof or therein (other than any territory or possession) upon or as a result of such payment, will not be less than the amount provided for in such Note and the coupons appertaining thereto; provided, however, that the foregoing obligation to pay Additional Amounts shall not apply to:

- (a) any tax, assessment, or other governmental charge which would not have been so imposed but for:
 - (i) the existence of any present or former connection between such holder (or between a fiduciary, settlor, beneficiary, member, or stockholder of, or a person holding a power over, such holder, if such holder is an estate, trust, partnership, or corporation) and the United States or any of its possessions, including, without limitation, such holder (or such fiduciary, settlor, beneficiary, member, stockholder, or person holding a power) being or having been a citizen or resident or treated as a resident thereof or being or having been engaged in a trade or business therein or being or having been present therein or having or having had a permanent establishment therein or having or having had a qualified business unit which has the U.S. Dollar as its functional currency;
 - (ii) such holder’s present or former status as a personal holding company, foreign personal holding company, passive foreign investment company, private foundation, or other

tax-exempt entity, or controlled foreign corporation for United States tax purposes or a corporation which accumulates earnings to avoid United States federal income tax; or

- (iii) such holder's status as a bank extending credit pursuant to a loan agreement entered into in the ordinary course of business;
- (b) any tax, assessment, or governmental charge that would not have been so imposed but for the failure of the holder to comply with certification, identification, or information reporting requirements under United States income tax laws, without regard to any tax treaty, with respect to the payment, concerning the nationality, residence, identity, or connection with the United States or any of its possessions of the holder or a beneficial owner of such Note or Coupon, if such compliance is required by United States income tax laws, without regard to any tax treaty, as a precondition to relief or exemption from such tax, assessment, or governmental charge;
- (c) any tax, assessment, or governmental charge that would not have been so imposed but for the presentation by the holder of such Note or Coupon for payment on a date more than 30 calendar days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;
- (d) any estate, inheritance, gift, sales, transfer, excise, wealth, or personal property tax or any similar tax, assessment, or governmental charge;
- (e) any tax, assessment, or governmental charge which is payable otherwise than by withholding by the Issuer or a Paying Agent from the payment of the principal of or interest on any Note or Coupon;
- (f) any tax, assessment, or governmental charge imposed solely because the payment is to be made by a particular Paying Agent or a particular office of a Paying Agent and would not be imposed if made by another Agent or by another office of this Agent;
- (g) any tax, assessment, or other governmental charge imposed on interest received by a person holding, actually or constructively, 10.00 per cent. or more of the total combined voting power of all classes of stock of the Issuer entitled to vote;
- (h) any withholding or deduction imposed on a payment to an individual and required to be made pursuant to European Council Directive 2003/48/EC (the "Directive") or any law implementing or complying with, or introduced in order to conform to, such Directive;
- (i) any tax, assessment, or other government charge imposed on a payment of principal or interest (or any other payment) on any Note which is (i) a Dual Currency Note or (ii) a Non-Principal Protected Note which is an Index Linked Note, Share Linked Note, GDR/ADR Linked Note, FX Linked Note, Commodity Linked Note, Fund Linked Note, Inflation Linked Note, Hybrid Note, Physical Delivery Note, or Note linked to other Underlying Asset(s), unless in each case the applicable Final Terms expressly provide that the Issuer will pay Additional Amounts with respect to such Note;
- (j) any tax, assessment, or other government charge imposed on a payment of principal or interest (or any other payment) on any Principal Protected Note which is an Index Linked Note, Share Linked Note, GDR/ADR Linked Note, FX Linked Note, Commodity Linked Note, Fund Linked Note, Inflation Linked Note, Hybrid Note, Physical Delivery Note, or Note linked to other Underlying Asset(s), if in each case the applicable Final Terms expressly provide that the Issuer will not pay Additional Amounts with respect to such Note;
- (k) any Note presented for payment by or on behalf of a Noteholder who would have been able to avoid such withholding or deduction by presenting the relevant Note to another Paying Agent in a member state of the European Union;
- (l) any tax, assessment, or other governmental charge that is imposed or withheld by reason of the application of Section 1471 (or any successor provision) or Section 1472 (or any successor provision) of the Code or any related administrative regulation or pronouncement; or

(m) any combination of items (a) through (l),

nor shall Additional Amounts be paid with respect to any payment of the principal of or interest on any Note or Coupon to a person other than the sole beneficial owner of such payment or that is a partnership or fiduciary to the extent either (i) such beneficial owner, member of such partnership or beneficiary or settlor with respect to such fiduciary would not have been entitled to the payment of Additional Amounts had such beneficial owner, member, beneficiary, or settlor been the Noteholder or Couponholder, or (ii) the Noteholder does not provide a statement, in the form, manner, and time required by applicable United States income tax laws, from such beneficial owner, member of such partnership or beneficiary or settlor with respect to such fiduciary concerning its nationality, residence, identity, or connection with the United States.

“**United States Alien**” means any corporation, partnership, entity, individual, or fiduciary that is for United States federal income tax purposes (1) a foreign corporation, (2) a foreign partnership to the extent one or more of the members of which is, for United States federal income tax purposes, a foreign corporation, a non-resident alien individual, or a foreign estate or trust, (3) a non-resident alien individual, or (4) a foreign estate or trust.

Except as specifically provided herein and in the Agency Agreement, the Issuer shall not be required to make any payment with respect to any tax, assessment, or other governmental charge imposed by any government or any political subdivision or taxing authority thereof or therein.

Whenever any Additional Amounts are to be paid on Notes or Coupons, the Issuer will give notice to the Principal Agent and the other Paying Agents, as provided in the Agency Agreement.

9. **Prescription**

The Notes, Receipts, and Coupons will become void unless presented for payment within a period of five years after the date on which such payment first becomes due (the “**Relevant Date**”). However, if the full amount of the money payable has not been duly received by the Principal Agent or other relevant Paying Agent on or prior to the Relevant Date, then the Relevant Date shall mean the date on which, after the full amount of such money has been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

No Coupon sheet issued upon exchange of a Talon shall include a Coupon on which the claim for payment would be void pursuant to this Condition 9 or Condition 5(d) or any Talon which would be void pursuant to Condition 5(d).

10. **Events of Default**

(a) ***Events of Default in Relation to Senior Notes***

The occurrence of any of the following events with respect to any Series of Senior Notes shall constitute an “**Event of Default**” with respect to such Series:

- (i) the Issuer shall fail to pay the principal amount or deliver the Entitlement (if any) of any of such Senior Notes when due whether at maturity or upon early redemption or otherwise; or
- (ii) the Issuer shall fail to pay any installment of interest, other amounts payable, or Additional Amounts on any of such Senior Notes for a period of 30 calendar days after the due date; or
- (iii) the Issuer shall fail duly to perform or observe any other term, covenant, or agreement applicable to such Senior Notes contained in any of such Senior Notes or in the Agency Agreement for a period of 90 calendar days after the date on which written notice of such failure, requiring the Issuer to remedy the same, shall first have been given to the Issuer and the Principal Agent by the Noteholders of at least 33.00 per cent. in aggregate principal amount of such Senior Notes at the time outstanding; provided, however, that in the event the Issuer within the aforesaid period of 90 calendar days shall commence legal action in a court of competent jurisdiction seeking a determination that the Issuer had not failed duly to perform or observe the term or

terms, covenant or covenants, or agreement or agreements specified in the aforesaid notice, such failure shall not be an Event of Default unless the same continues for a period of ten calendar days after the date of any final determination to the effect that the Issuer had failed to duly perform or observe one or more of such terms, covenants, or agreements; or

- (iv) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Issuer in an involuntary case or proceeding under any applicable bankruptcy, insolvency, reorganization, or other similar law now or hereafter in effect, or appointing a receiver, liquidator, conservator, assignee, custodian, trustee, sequestrator (or similar official) of the Issuer or for any substantial part of its property or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive calendar days; or
- (v) the Issuer shall commence a voluntary case or proceeding under any applicable bankruptcy, insolvency, liquidation, receivership, reorganization, or other similar law now or hereafter in effect, or shall consent to the entry or an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, conservator, assignee, trustee, custodian, sequestrator (or similar official) of the Issuer or for any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts as they become due or shall take any corporate action in furtherance of any of the foregoing.

(b) ***Events of Default in Relation to Subordinated Notes***

The occurrence of any of the following events with respect to any Series of Subordinated Notes shall constitute an ‘**Event of Default**’ with respect to such Series:

- (i) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Issuer in an involuntary case or proceeding under any applicable bankruptcy, insolvency, reorganization, or other similar law now or hereafter in effect, or appointing a receiver, liquidator, conservator, assignee, custodian, trustee, sequestrator (or similar official) of the Issuer or for any substantial part of its property or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive calendar days; or
- (ii) the Issuer shall commence a voluntary case or proceeding under any applicable bankruptcy, insolvency, liquidation, receivership, reorganization, or other similar law now or hereafter in effect, or shall consent to the entry or an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, conservator, assignee, trustee, custodian, sequestrator (or similar official) of the Issuer or for any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts as they become due or shall take any corporate action in furtherance of any of the foregoing.

(c) ***Acceleration of Notes, Notices, Certain Calculations, and Amounts to be Paid***

If an Event of Default shall occur and be continuing with respect to any Series of Notes, then the holder of any Notes of the applicable Series, at such holder’s option, by written notice to the Issuer and the Principal Agent, may declare the principal of such Note, the interest accrued, or any other amounts then payable thereon (and Additional Amounts, if any, thereon) to be due and payable immediately and if any such Event of Default shall continue at the time of receipt of such written notice, such amounts shall become immediately due and payable, subject to the qualification in bold-type immediately below. Upon payment of such amount of principal, interest, or any other amounts payable (and Additional Amounts, if any), all of the Issuer’s obligations in respect of payment of principal of, interest, or any other amounts payable (and Additional Amounts, if any) on such Note shall terminate. Interest on overdue principal, interest, or any other amounts payable (and Additional Amounts, if any) shall accrue from the date on which such principal, interest, or any other amounts payable (and Additional Amounts, if any) were due and payable to the date such principal, interest, or

any other amounts payable (and Additional Amounts, if any) are paid or duly provided for, at the rate borne by the Notes (to the extent payment of such interest shall be legally enforceable).

Payment of principal, the interest accrued, or any other amounts then payable thereon (and Additional Amounts, if any) of the Subordinated Notes may not be accelerated in the case of a default in the payment of principal, interest, or any other amounts then payable or the performance of any other covenant of the Issuer. Payment of the principal, the interest accrued, or any other amounts then payable thereon (and Additional Amounts, if any) of the Subordinated Notes may be accelerated only in the case of the bankruptcy or insolvency of the Issuer.

If an Event of Default with respect to the Notes, or an event which, with the passing of time or the giving of notice, or both, would be an Event of Default, shall occur and be continuing, the Issuer shall notify the Principal Agent in writing of such Event of Default no later than the following Business Day after it becomes aware of such Event of Default, and the Principal Agent thereupon promptly shall notify all of the relevant Noteholders of such Event of Default.

For purposes of Condition 10(a)(iii) above, any indebtedness which is in a currency other than U.S. Dollars shall be translated into U.S. Dollars at the "spot" rate for the sale of U.S. Dollars against the purchase of the Specified Currency as quoted by the Principal Agent on the calendar day in London corresponding to the calendar day on which such premature repayment becomes due or, as the case may be, such default occurs (or, if for any reason such a rate is not available on that day, on the earliest possible date thereafter).

If any Note shall become so repayable, it shall be repaid at its Early Redemption Amount (as defined in Condition 6(f)) together, if appropriate, with accrued interest thereon, such interest to accrue and be paid in accordance with Condition 4.

11. Replacement of Notes, Receipts, Coupons, and Talons

Should any Note (including any Registered Certificate representing such Registered Note), Receipt, Coupon, or Talon be lost, stolen, mutilated, defaced, or destroyed, it may be replaced at the specified office of the Principal Agent in London (or such other place outside the United States and its possessions as may be notified to Noteholders) (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Registered Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons, or Talons must be surrendered before replacements will be issued.

Bank of America, N.A., London Branch of 5 Canada Square, London E14 5AQ, United Kingdom shall be the initial Principal Agent. Merrill Lynch International Bank Limited of Dublin Road, Carrick on Shannon, Ireland shall be the Registrar and Transfer Agent.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent, the Registrar, or Transfer Agent and to appoint an alternative Principal Agent or other Paying Agents, Registrars, or Transfer Agents and approve any change in the specified office through which any Paying Agent, Registrar or Transfer Agent acts, provided that:

- (a) so long as the Notes are listed on any stock exchange, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange;
- (b) there will at all times be a Paying Agent with a specified office in a city in continental Europe;
- (c) there will at all times be a Principal Agent;

- (e) there will at all times be a Transfer Agent and a Registrar with a specified office in continental Europe (outside the United Kingdom).

In addition, the Issuer shall immediately appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5(c). Any variation, termination, appointment, or change shall take effect only (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 calendar days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

13. Exchange of Talons

On and after the Fixed Interest Payment Date or the Interest Payment Date, as appropriate, on which the final Coupon comprised in any Coupon sheet matures, the Talon, if any, forming part of such Coupon sheet, may be surrendered at the specified office of the Principal Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9. Each Talon, for purposes of these Terms and Conditions, shall be deemed to mature on the Fixed Interest Payment Date or the Interest Payment Date (as the case may be) on which the final Coupon comprised in the relative Coupon sheet matures.

14. Notices

Notices to the holders of Registered Notes shall be (i) mailed to them (or, in the case of joint holders, to the first named) at their respective addresses in the Register and (ii) save where another means of effective communication has been specified herein or in the Final Terms, published (a) in the case of any Registered Notes which are admitted to trading on the London Stock Exchange's Regulated Market (so long as the rules of that exchange so require), in a leading newspaper having general circulation in London (which is expected to be the *Financial Times*), or if such publication is not practicable, if published in a leading English language daily newspaper having general circulation in Europe, or (b) in the case of Registered Notes which are admitted to listing, trading, and/or quotation by any other listing authority, stock exchange, and/or quotation system (so long as the rules of such listing authority, stock exchange, and/or quotation system so require), in a leading daily newspaper having general circulation in London (which is expected to be the *Financial Times*) and in such other place or manner as may be required by the rules and regulations of such listing authority, stock exchange, and/or quotation system.

Notices to the holders of Registered Notes shall be deemed to have been given on the fourth weekday (being a day other than a Saturday or Sunday) after the later of the date of mailing and (if applicable) the date of publication (or if required to be published in more than one newspaper, the first date on which publication shall have been made in all required newspapers).

Notices to the holders of Bearer Notes shall be, save where another means of effective communication has been specified herein or in the Final Terms, published in a leading newspaper having general circulation in London (which is expected to be the *Financial Times*) or if such publication is not practicable, if published in a leading English language daily newspaper having general circulations in Europe provided that (a) in the case of any Bearer Notes which are admitted to trading on the London Stock Exchange's Regulated Market (so long as the rules of that exchange so require), in a leading newspaper having general circulation in London (which is expected to be the *Financial Times*), or if such publication is not practicable, in a leading English language daily newspaper having general circulation in Europe, or (b) in the case of Bearer Notes which are admitted to listing, trading, and/or quotation by any other listing authority, stock exchange, and/or quotation system (so long as the rules of such listing authority, stock exchange, and/or quotation system so require), in a leading daily newspaper having general circulation in London (which is expected to be the *Financial Times*) and in such other place as may be required by the rules and regulations of such listing authority, stock exchange, and/or quotation system.

Notices to the holders of Bearer Notes shall be deemed to have been given on the date of publication (or if required to be published in more than one newspaper, the first date on which publication shall have been made in all required newspapers). Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition 14.

For so long as the Global Notes are held in their entirety on behalf of the Relevant Clearing System and until such time as any Definitive Notes are issued, if any are issued, there may be substituted for such publication in such newspaper the delivery of the relevant notice to the Relevant Clearing System for communication by them to the Noteholders and, in addition, so long as the Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, notices will be published in a daily newspaper of general circulation in a place or places required by those rules. Any such notice to the Relevant Clearing System shall be deemed to have been given to Noteholders on the seventh day after the day on which that notice was given to the Relevant Clearing System.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together with the related Note or Notes, with the Principal Agent. While any of the Notes are represented by a Global Note, that notice may be given by any Noteholder to the Principal Agent through the Relevant Clearing System, in such manner as the Principal Agent and the Relevant Clearing System, may approve for this purpose.

15. Meetings of Noteholders, Modification, and Waiver

Such a meeting may be convened by the Issuer or Noteholders holding not less than 33.00 per cent. in principal amount of the Notes of the relevant Series that at such time remain outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all related Receiptholders and Couponholders.

Without the consent of the Noteholders, Receiptholders, or Couponholders, the Principal Agent and the Issuer may agree to modifications of or amendments to the Agency Agreement, the Notes, the Receipts, or the Coupons for any of the following purposes:

- (a) to evidence the succession of another entity to the Issuer and the assumption by any such successor of the covenants of the Issuer in the Agency Agreement, the Notes, Receipts, or Coupons;
- (b) to add to the covenants of the Issuer for the benefit of the Noteholders, the Receiptholders, or the Couponholders, or to surrender any right or power herein conferred upon the Issuer;
- (c) to relax or eliminate the restrictions on payment of principal and interest in respect of the Notes, Receipts, or Coupons in the United States or its possessions, provided that such payment is permitted by United States tax laws and regulations then in effect and provided that no adverse tax consequences would result to the Noteholders, the Receiptholders, or the Couponholders;

-
- (d) to cure any ambiguity, to correct or supplement any defective provision herein or any provision which may be inconsistent with any other provision herein;
 - (e) to make any other provisions with respect to matters or questions arising under the Notes, the Receipts, the Coupons, or the Agency Agreement, provided such action pursuant to this subclause (e) shall not adversely affect the interests of the Noteholders, the Receiptholders, or the Couponholders;
 - (f) to facilitate the issuance of Notes in accordance with the laws of a particular jurisdiction; and
 - (g) to permit further issuances of Notes in accordance with the terms of the Program Agreement.

Any such modification or amendment shall be binding on the Noteholders, the Receiptholders, and the Couponholders and any such modification or amendment shall be notified to the Noteholders, the Receiptholders, or the Couponholders in accordance with Condition 14 as soon as practicable thereafter.

Written notice of any such merger, conversion, consolidation, or transfer shall be given immediately to the Issuer by the relevant Principal Agent or Agent.

17. Additional Issuances

The Issuer from time to time without the consent of the relevant Noteholders, Receiptholders, or Couponholders may create and issue additional Series of Notes having terms and conditions the same as (or the same in all respects except for the Issue Date, Interest Commencement Date, and the Issue Price) Notes of an existing Series. These additional Notes shall be consolidated and form a single Series with the outstanding Notes of the existing Series.

18. Governing Law and Submission to Jurisdiction

The Agency Agreement, the Notes, and any Coupons, Receipts, and Talons appertaining to the Notes shall be governed by and construed in accordance with the laws of the State of New York, United States, applicable to agreements made and to be performed wholly within such jurisdiction without regard to principles of conflicts of laws.

The Issuer submits to the non-exclusive jurisdiction of any United States federal court sitting in New York City, the Borough of Manhattan, solely for purposes of any legal action or proceeding brought to enforce its obligations hereunder or under any Coupon, Receipt, or Talon. As long as any Note or Coupon remains outstanding, the Issuer shall either maintain an office or have an authorized agent in New York City upon whom process may be served in any such legal action or proceeding. 1. Definitions

For the purposes of these Index Linked Conditions:

“**Averaging Cut-Off Date**” means the eighth Scheduled Trading Day (or, where the Index Linked Notes relate to a Basket of Indices and the applicable Final Terms provides that “Common Scheduled Trading Days” shall be applicable, the eighth Common Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, or on account of such date not being a Scheduled Trading Day (or, where the Index Linked Notes relate to a Basket of Indices and the applicable Final Terms provides that “Common Scheduled Trading Days” shall be applicable, a Common Scheduled Trading Day), would have been the final Averaging Date, or, if earlier, the Scheduled Trading Day (or, where the Index Linked Notes relate to a Basket of Indices and the applicable Final Terms provides that “Common Scheduled Trading Days” shall be applicable, the Common Scheduled Trading Day) falling on or immediately preceding the second Business Day immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on the relevant Averaging Dates, provided that the Averaging Cut-Off Date shall not fall prior to the original date on which the final Averaging Date was scheduled to fall.

“**Averaging Date**” means each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day, or, if earlier, the Averaging Cut-Off Date (or, where the Index Linked Notes relate to a Basket of Indices and the applicable Final Terms provides that “Common Scheduled Trading Days” shall be applicable, each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Common Scheduled Trading Day, the immediately following Common Scheduled Trading Day). If any such day is a Disrupted Day:

- (a) if “Omission” is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant level or price provided that, if through the operation of this provision there would not be an Averaging Date, then the provisions of the definition of “Valuation Date” will apply for purposes of determining the relevant level or price on the final Averaging Date, as if such final Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if “Postponement” is specified as applying in the applicable Final Terms, then the provisions of the definition of “Valuation Date” will apply for the purposes of determining the relevant level, price or amount on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or
- (c) if “Modified Postponement” is specified as applying in the applicable Final Terms then:
 - (i) where the Index Linked Notes relate to a single Index, the Averaging Date shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Index, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of “Valuation Date” below;

- (ii) where the Index Linked Notes relate to a Basket of Indices and the applicable Final Terms provides that “Common Scheduled Trading Days” shall not be applicable, the Averaging Date for each Index not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Scheduled Trading Day, if applicable) (the “**Scheduled Averaging Date**”) and the Averaging Date for an Index affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Index. If the first succeeding Valid Date in relation to such Index has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Index, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Index, and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of “Valuation Date” below;
- (iii) where the Index Linked Notes relate to a Basket of Indices and the applicable Final Terms provides that “Common Scheduled Trading Days” and “Individual Disrupted Days” shall be applicable, the Averaging Date for each Index not affected by the occurrence of a *Disrupted* Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Common Scheduled Trading Day, if applicable) (the “**Scheduled Averaging Date**”) and the Averaging Date for an Index affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Index. If the first succeeding Valid Date in relation to such Index has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day for the Index, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Index, and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (c)(ii) of the definition of “Valuation Date” below; or
- (iv) where the Index Linked Notes relate to a Basket of Indices and the applicable Final Terms provides that “Common Scheduled Trading Days” and “Common Disrupted Days” shall be applicable, the Averaging Date for each Index shall be the first succeeding Common Valid Date in relation to such Index. If the first succeeding Common Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (d)(ii) of the definition of “Valuation Date” below,

In that case, or if such Valuation Date falls on the Valuation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Index, (i) the Valuation Cut-Off Date shall be deemed to be the Valuation Date for such Index (notwithstanding the fact that such day may be a Disrupted Day) and (ii) the Calculation Agent shall determine the relevant level or price using, in relation to such Index, the level of that Index determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using the level of that Index as of the Valuation Time on the Valuation Cut-Off Date in accordance with (subject to Index Linked Condition 4) the formula for and method of calculating that Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted price as of the Valuation Time on the Valuation Cut-Off Date of each security comprised in that Index (or, if an event giving rise to a Disrupted Day (as defined in the Share Linked Conditions in relation to a share) has occurred in respect of the relevant security on the Valuation Cut-Off Date, its good faith estimate of the value for the relevant security as of the Valuation Time on the Valuation Cut-Off Date);
- (c) where the Index Linked Notes relate to a Basket of Indices and the applicable Final Terms provides that “Common Scheduled Trading Days” and “Individual Disrupted Days” shall be applicable, the Valuation Date for each Index not affected by the occurrence of a Disrupted Day shall be the Scheduled Valuation Date (or if the Scheduled Valuation Date is not a Common Scheduled Trading Day, the immediately following Common Scheduled Trading Day, or in either case, if earlier, the Valuation Cut-Off Date) and the Valuation Date for each Index affected (each an “**Affected Index**”) by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Index, unless each of the Scheduled Trading Days immediately following the Scheduled Valuation Date (or if the Scheduled Valuation Date is not a Common Scheduled Trading Day, the immediately following Common Scheduled Trading Day) up to and including the Valuation Cut-Off Date is a Disrupted Day relating to the Affected Index. In that case, or if such Valuation Date falls on the Valuation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, (i) the Valuation Cut-Off Date shall be deemed to be the Valuation Date for such Index (notwithstanding the fact that such day may be a Disrupted Day for an Index or not a Common Scheduled Trading Day) and (ii) the Calculation Agent shall determine the relevant level or price using, in relation to such Index, the level of that Index determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using the level of that Index as of the Valuation Time on the Valuation Cut-Off Date in accordance with (subject to Index Linked Condition 4) the formula for and method of calculating that Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted price as of the Valuation Time on the Valuation Cut-Off Date of each security comprised in that Index (or, if an event giving rise to a Disrupted Day (as defined in the Share Linked Conditions in relation to a share) has occurred in respect of the relevant security on the Valuation Cut-Off Date, its good faith estimate of the value for the relevant security as of the Valuation Time on the Valuation Cut-Off Date); or

- (d) where the Index Linked Notes relate to a Basket of Indices and the applicable Final Terms provides that “Common Scheduled Trading Days” and “Common Disrupted Days” shall be applicable, the Valuation Date shall be the first succeeding Common Scheduled Trading Day that is not a Disrupted Day for any Index, unless each of the Common Scheduled Trading Days immediately following the Scheduled Valuation Date up to and including the Valuation Cut-Off Date is a Disrupted Day for one or more Indices. In that case, or if the Valuation Date falls on the Valuation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, (i) the Valuation Cut-Off Date shall be deemed to be the Valuation Date (notwithstanding the fact that such day may be a Disrupted Day for an Index or not a Common Scheduled Trading Day) and (ii) the Calculation Agent shall determine the relevant level or price using, in relation to each Index for which the Valuation Cut-Off Date is a Disrupted Day or is not a Common Scheduled Trading Day, the level of that Index determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using the level of that Index as of the Valuation Time on the Valuation Cut-Off Date in accordance with (subject to Index Linked Condition 4) the formula for and method of calculating that Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted price as of the Valuation Time on the Valuation Cut-Off Date of each security comprised in each Index for which the Valuation Cut-Off Date is a Disrupted Day or is not a Common Scheduled Trading Day (or, if an event giving rise to a Disrupted Day (as defined in the Share Linked Conditions in relation to a share) has occurred in respect of the relevant security on the Valuation Cut-Off Date, its good faith estimate of the value for the relevant security as of the Valuation Time on the Valuation Cut-Off Date).

“**Valuation Time**” means:

- (a) in respect of any Unitary Index, (i) for the purposes of determining whether an Early Closure, an Exchange Disruption or a Trading Disruption has occurred in respect of (I) any Exchange, the Scheduled Closing Time of the Exchange (provided that, if the relevant Exchange closes prior to its Scheduled Closing Time, then the Valuation Time shall be such actual closing time), and (II) any options contracts or futures contracts on such Index, the close of trading on the Related Exchange, and (ii) in all other circumstances, the time at which the official closing level of the Index is calculated and published by the Index Sponsor;
- (b) in respect of any Multi-Exchange Index, (i) for the purposes of determining whether an Early Closure, an Exchange Disruption or a Trading Disruption has occurred in respect of (I) any Component Security, the Scheduled Closing Time on the Exchange in respect of such Component Security (provided that, if the relevant Exchange closes prior to its Scheduled Closing Time, then the Valuation Time shall be such actual closing time), and (II) any options contracts or futures contracts on the Index, the close of trading on the Related Exchange, and (ii) in all other circumstances, the time at which the official closing level of the Index is calculated and published by the Index Sponsor; and
- (c) in respect of any Proprietary Index, the time at which the Index Sponsor calculates and publishes the official closing level of the Index.

2. **Market Disruption**

“**Market Disruption Event**” means:

- (a) in respect of any Unitary Index, the occurrence or existence of (i) a Trading Disruption, (ii) an Exchange Disruption, which in either case the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time or (iii) an Early Closure.

For the purposes of determining whether a Market Disruption Event in respect of a Unitary Index exists at any time, if a Market Disruption Event occurs in respect of a Component Security included in the Index at any time, then the relevant percentage contribution of such Component Security to the level of the Index shall be based on a comparison of (x) the portion of the level of the Index attributable to such Component Security and (y) the overall level of the Index, in each case immediately before the occurrence of such Market Disruption Event;

- (b) in respect of any Multi-Exchange Index either:

-
- (i) (A) the occurrence or existence, in respect of any Component Security, of:
 - (1) a Trading Disruption, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange on which such Component Security is principally traded;
 - (2) an Exchange Disruption, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange on which such Component Security is principally traded; or
 - (3) an Early Closure; and
 - (B) the aggregate of all Component Securities in respect of which a Trading Disruption, an Exchange Disruption or an Early Closure occurs or exists, comprises 20 per cent. or more of the level of the Index; or
 - (ii) the occurrence or existence, in respect of futures or options contracts relating to the Index, of (1) a Trading Disruption, (2) an Exchange Disruption which in either case the Calculation Agent determines is material, at any time during the one hour period that ends at the Valuation Time in respect of the Related Exchange or (3) an Early Closure.

For the purposes of determining whether a Market Disruption Event in respect of a Multi-Exchange Index exists at any time, if a Market Disruption Event (as defined in the Share Linked Conditions in relation to a share) occurs in respect of a Component Security at that time, then the relevant percentage contribution of such Component Security, to the level of the Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that Component Security and (y) the overall level of the Index, in each case using the official opening weightings as published by the Index Sponsor as part of the market "opening data" (as defined in the Share Linked Conditions in relation to a share).

- (c) in respect of any Proprietary Index, the failure by the Index Sponsor to calculate and publish the level of the Index on any Scheduled Trading Day or in respect of such Scheduled Trading Day within the scheduled timeframe for publication.

3. **Barrier Event**

- (a) A "**Barrier Event (intraday)**" means (and a Barrier Event (intraday) shall be deemed to occur if), in respect of an Index, the Calculation Agent determines that the Index Level of such Index as of the Barrier Event Valuation Time (intraday) on any Barrier Event Determination Day is less than or equal to the corresponding Barrier Level for such Index and such Barrier Event Determination Day.

For the purpose of determining whether a Barrier Event (intraday) has occurred on any day, the definition of Market Disruption Event specified in Index Linked Condition 3 shall be amended such that (i) all references to "during the one hour period that ends at the relevant Valuation Time" shall be deleted, and (ii) in the definition of "Early Closure" appearing in Index Linked Condition 2, each reference to "Valuation Time" and "Scheduled Closing Time" shall be construed as a reference to "Barrier Event Valuation Time (intraday)".

- (b) A "**Barrier Event (closing)**" means (and a Barrier Event (closing) shall be deemed to occur if), in respect of an Index, the Calculation Agent determines that the Index Closing Level of such Index as of the Barrier Event Valuation Time (closing) on any Barrier Event Determination Day is less than or equal to the corresponding Barrier Level for such Index and such Barrier Event Determination Day.

4. Adjustments and Corrections to an Index

(a) Successor Index Sponsor Calculates and Reports an Index

If a relevant Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor (the “**Successor Index Sponsor**”) acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the “**Successor Index**”) will be deemed to be the Index.

(b) Modification and Cessation of Calculation of an Index

If (i) on or prior to a Valuation Date, an Observation Date or an Averaging Date (or other relevant date, as determined by the Calculation Agent), the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalization or contracts and other routine events) (an “**Index Modification**”), or permanently cancels a relevant Index and no Successor Index exists (an “**Index Cancellation**”), or (ii) on a Valuation Date, an Observation Date or an Averaging Date (or other relevant date, as determined by the Calculation Agent), the Index Sponsor or, if applicable, the Successor Index Sponsor fails to calculate and announce a relevant Index, provided that, in respect of an Index which is specified in the applicable Final Terms as being a Multi-Exchange Index or a Proprietary Index, the Calculation Agent may, in its discretion, determine that such event instead results in the occurrence of a Disrupted Day (an “**Index Disruption**” and, together with an Index Modification and an Index Calculation, each an “**Index Adjustment Event**”), then the Issuer may take the action described in (A) or (B) below:

- (A) require the Calculation Agent to determine if such Index Adjustment Event has a material effect on the Index Linked Notes and, if so, calculate the relevant level or price using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date, Observation Date or Averaging Date, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities that comprised that Index immediately prior to that Index Adjustment Event; or
- (B) on giving notice to the Noteholders in accordance with Condition 14, redeem all (but not less than all) of the Notes, each Note being redeemed at the Early Redemption Amount; or

Upon the occurrence of an Index Adjustment Event, the Issuer shall give notice as soon as reasonably practicable to the Noteholders in accordance with Condition 14, giving details of the action proposed to be taken in relation thereto, provided that any failure to give, or non-receipt of, such notice will not affect the validity of such action. The Issuer shall make copies of any such determinations available for inspection by Noteholders.

(c) Corrections to an Index

If the level of a relevant Index published on any Valuation Date, Observation Date or Averaging Date (or other relevant date, as determined by the Calculation Agent), as the case may be, by the relevant Index Sponsor or (if applicable) the relevant Successor Index Sponsor and which is utilized for any calculation or determination made for the purposes of the Index Linked Notes (a “**Relevant Calculation**”) is subsequently corrected and the correction (the “**Corrected Index Level**”) is published by the relevant Index Sponsor or (if applicable) the relevant Successor Index Sponsor no later than two Business Days prior to the date on which payment of any amount or delivery of any assets may have to be made pursuant to such Relevant Calculation, then such Corrected Index Level shall be deemed to be the relevant level for such Index on such Averaging Date, Observation Date, Valuation Date (or other relevant date, as determined by the Calculation Agent), as the case may be, and the Calculation Agent shall use such Corrected Index Level in determining the relevant level or price and/or whether the Barrier Event (closing) or Barrier Event (intraday), as the case may be, has been triggered.

5. **Additional Disruption Events**

- (a) **“Additional Disruption Event”** means any of Change in Law, Hedging Disruption and/or Increased Cost of Hedging, in each case if specified in the applicable Final Terms.
- “Change in Law”** means that, on or after the Trade Date (as specified in the applicable Final Terms) (i) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines in its sole and absolute discretion that (A) it has become illegal to hold, acquire or dispose of any relevant security comprised in an Index or (B) the Issuer will incur a materially increased cost in performing its obligations in relation to the Index Linked Notes (including, without limitation, due to any increase in tax liability, decrease in tax benefit, or other adverse effect on the tax position of the Issuer and/or any of its Affiliates).
- “Hedging Disruption”** means that the Issuer and/or any of its Affiliates or agents is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Index Linked Notes, or (ii) realize, recover or remit the proceeds of any such transaction(s) or asset(s).
- “Increased Cost of Hedging”** means that the Issuer and/or any of its Affiliates or agents acting on its behalf would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense, or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind, or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Index Linked Notes, or (ii) realize, recover, or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.
- (b) If Additional Disruption Events are specified as applicable in the applicable Final Terms, then if an Additional Disruption Event occurs, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of the terms of these Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
 - (ii) give notice to Noteholders in accordance with Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Specified Denomination being redeemed at the Early Redemption Amount;
- (c) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Noteholders stating the occurrence of the Additional Disruption Event, giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.

ANNEX 2

ADDITIONAL TERMS AND CONDITIONS FOR SHARE LINKED NOTES

The terms and conditions applicable to Share Linked Notes shall comprise the Terms and Conditions of the Notes and the additional Terms and Conditions set out below (the “Share Linked Conditions”), in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Terms and Conditions of the Notes and the Share Linked Conditions, the Share Linked Conditions shall prevail. In the event of any inconsistency between (i) the Terms and Conditions of the Notes and the Share Linked Conditions and (ii) the Final Terms, the Final Terms shall prevail.

1. **Definitions**

For the purposes of these Share Linked Conditions:

“**Averaging Cut-Off Date**” means the eighth Scheduled Trading Day (or, where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” shall be applicable, the eighth Common Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, or on account of such date not being a Scheduled Trading Day (or, where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” shall be applicable, a Common Scheduled Trading Day), would have been the final Averaging Date, or, if earlier, the Scheduled Trading Day (or, where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” shall be applicable, the Common Scheduled Trading Day) falling on or immediately preceding the second Business Day immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on the relevant Averaging Dates, provided that the Averaging Cut-Off Date shall not fall prior to the original date on which the final Averaging Date was scheduled to fall.

“**Averaging Date**” means each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day, or, if earlier, the Averaging Cut-Off Date (or, where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” shall be applicable, each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Common Scheduled Trading Day, the immediately following Common Scheduled Trading Day). If any such day is a Disrupted Day:

- (a) if “Omission” is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant price; provided that, if through the operation of this provision there would not be an Averaging Date, then the provisions of the definition of “Valuation Date” will apply for purposes of determining the relevant level or price on the final Averaging Date, as if such final Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if “Postponement” is specified as applying in the applicable Final Terms, then the provisions of the definition of “Valuation Date” will apply for the purposes of determining the relevant price on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or
- (c) if “Modified Postponement” is specified as applying in the applicable Final Terms then:
 - (i) where the Share Linked Notes relate to a single Share, the Averaging Date shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Share, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of “Valuation Date” below;

- (ii) where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” shall not be applicable, the Averaging Date for each Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Scheduled Trading Day, if applicable) (the “**Scheduled Averaging Date**”) and the Averaging Date for a Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Share. If the first succeeding Valid Date in relation to such Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Share, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of “Valuation Date” below;
- (iii) where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” and “Individual Disrupted Days” shall be applicable, the Averaging Date for each Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Common Scheduled Trading Day, if applicable) (the “**Scheduled Averaging Date**”) and the Averaging Date for a Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Share. If the first succeeding Valid Date in relation to such Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (c)(ii) of the definition of “Valuation Date” below; or
- (iv) where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” and “Common Disrupted Days” shall be applicable, the Averaging Date for each Share shall be the first succeeding Common Valid Date in relation to such Share. If the first succeeding Common Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (d)(ii) of the definition of “Valuation Date” below,

and, for the purposes of these Share Linked Conditions “Valid Date” means a Scheduled Trading Day that is not a Disrupted Day and on which another Averaging Date does not or is deemed not to occur, and “Common Valid Date” means a Common Scheduled Trading Day that is not a Disrupted Day for any Share and on which another Averaging Date does not or is deemed not to occur.

“**Barrier Event Determination Day**” means, in respect of each Share and each Observation Period:

- (a) if the applicable Final Terms provides that “Barrier Event (intraday)” is applicable, each day on which the price of such Share is quoted on the relevant Exchange during such Observation Period, regardless of whether or not such day is a Scheduled Trading Day for such Share (and, for the avoidance of doubt, if the Calculation Agent in its sole and absolute discretion determines that a Market Disruption Event is occurring at any time on any Barrier Event Determination Day, it shall disregard the period during which it determines in its sole and absolute discretion that such Market Disruption Event has occurred and is continuing for the purposes of determining whether or not a Barrier Event (intraday) has occurred); or

(b) if the applicable Final Terms provides that “Barrier Event (closing)” is applicable, each Scheduled Trading Day for such Share during such Observation Period that is not a Disrupted Day for such Share.

“**Barrier Event Valuation Time (closing)**” means, in respect of each Share to be valued, the Scheduled Closing Time on the relevant Exchange on the relevant Barrier Event Determination Day. If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Barrier Event Valuation Time (closing) is after the actual closing time for its regular trading session, then the Barrier Event Valuation Time (closing) shall be such actual closing time

“**Barrier Event Valuation Time (intraday)**” means any time during the regular trading session (without regard to any after hours or any other trading outside of the regular session) on the Exchange.

“**Barrier Level**” means, in respect of a Share, such price for such Share as is specified in the applicable Final Terms.

“**Basket of Shares**” means a basket composed of Shares in their relative proportions or number of Shares, as specified in the applicable Final Terms.

“**Common Scheduled Trading Day**” means, in respect of a Basket of Shares, each day which is a Scheduled Trading Day for all the Shares in the Basket of Share.

“**Disrupted Day**” means any Scheduled Trading Day on which a relevant Exchange or any Related Exchange fails to open for trading during its regular trading session or on which a Market Disruption Event has occurred.

“**Early Closure**” means the closure on any Exchange Business Day of the relevant Exchange or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or Related Exchange(s) at least one hour prior to the earlier of (i) the actual closing time for the regular trading session on such Exchange(s) or Related Exchange(s) on such Exchange Business Day, and (ii) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

“**Exchange**” means, in relation to a Share, each exchange or quotation system specified as such for such Share in the applicable Final Terms, any successor to such exchange or quotation system or any substitute exchange or quotation system to which trading in the Share has temporarily relocated (provided that the Calculation Agent has determined that there is comparable liquidity relative to such Share on such temporary substitute exchange or quotation system as on the original Exchange).

“**Exchange Business Day**” means any Scheduled Trading Day on which each Exchange and each Related Exchange are open for trading during their respective regular trading sessions, notwithstanding any such Exchange or Related Exchange closing prior to its Scheduled Closing Time.

“**Exchange Disruption**” means any event (other than an Early Closure) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (i) to effect transactions in, or obtain market values for, the Shares on the Exchange or (ii) to effect transactions in, or obtain market values for, futures or options contracts relating to the Share on any relevant Related Exchange.

“**Observation Cut-Off Date**” means the eighth Scheduled Trading Day (or, where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” shall be applicable, the eighth Common Scheduled Trading Day) immediately following the Scheduled Observation Date or, if earlier, the Scheduled Trading Day (or, where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” shall be applicable, the Common Scheduled Trading Day) falling on or immediately preceding the second Business Day immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on such Observation Date, provided that the Observation Cut-Off Date shall not fall prior to the original date on which such Observation Date was scheduled to fall.

“Observation Date” means each date specified as such in the applicable Final Terms, or if such date is not a Scheduled Trading Day the first Scheduled Trading Day thereafter (or, where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” shall be applicable, each date specified as an Observation Date in the applicable Final Terms or, if any such date is not a Common Scheduled Trading Day, the immediately following Common Scheduled Trading Day). If any such day is a Disrupted Day, then:

- (a) where the Share Linked Notes relate to a single Share, that Observation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the Scheduled Trading Days immediately following the Scheduled Observation Date up to and including the Observation Cut-Off Date is a Disrupted Day. In that case, or if such Observation Date falls on the Observation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Share, (i) the Observation Cut-Off Date shall be deemed to be that Observation Date (notwithstanding the fact that such day may be a Disrupted Day) and (ii) the Calculation Agent shall determine the relevant price in the manner set out in the applicable Final Terms or, if not set out or if not practicable, determine the relevant price in accordance with its good faith estimate of the relevant price as of the Valuation Time on the Observation Cut-Off Date;
- (b) where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” shall not be applicable, that Observation Date for each Share not affected by the occurrence of a Disrupted Day shall be the Scheduled Observation Date (or, if earlier, the Observation Cut-Off Date) and that Observation Date for each Share affected (each an **“Affected Share”**) by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Share, unless each of the Scheduled Trading Days immediately following the Scheduled Observation Date up to and including the Observation Cut-Off Date is a Disrupted Day relating to the Affected Share. In that case, or if such Observation Date falls on the Observation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Share, (i) the Observation Cut-Off Date shall be deemed to be that Observation Date for such Share (notwithstanding the fact that such day may be a Disrupted Day) and (ii) the Calculation Agent shall determine the relevant price using, in relation to such Share, a price determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using its good faith estimate of the price for such Share as of the Valuation Time on the Observation Cut-Off Date, and otherwise in accordance with the above provisions;
- (c) where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” and “Individual Disrupted Days” shall be applicable, that Observation Date for each Share not affected by the occurrence of a Disrupted Day shall be the Scheduled Observation Date (or if the Scheduled Observation Date is not a Common Scheduled Trading Day, the immediately following Common Scheduled Trading Day, or in either case, if earlier, the Observation Cut-Off Date) and that Observation Date for each Share affected (each an **“Affected Share”**) by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Share, unless each of the Scheduled Trading Days immediately following the Scheduled Observation Date (or if the Scheduled Observation Date is not a Common Scheduled Trading Day, the immediately following Common Scheduled Trading Day) up to and including the Observation Cut-Off Date is a Disrupted Day relating to the Affected Share. In that case, or if such Observation Date falls on the Observation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day for such Share, (i) the Observation Cut-Off Date shall be deemed to be that Observation Date for such Share (notwithstanding the fact that such day may be a Disrupted Day for a Share or not a Common Scheduled Trading Day) and (ii) the Calculation Agent shall determine the relevant price using, in relation to such Share, a price determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using its good faith estimate of the price for such Share as of the Valuation Time on the Observation Cut-Off Date, and otherwise in accordance with the above provisions; or
- (d) where the Share Linked Notes relate to a Basket of Shares and the applicable Final Terms provides that “Common Scheduled Trading Days” and “Common Disrupted Days” shall be applicable, that Observation

Date shall be the first succeeding Common Scheduled Trading Day that is not a Disrupted Day for any Share, unless each of the Common Scheduled Trading Days immediately following the Scheduled Observation Date up to and including the Observation Cut-Off Date is a Disrupted Day for one or more Shares. - (vii) any other event having, in the opinion of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the relevant Shares.

 - (iv) unless the applicable Final Terms provides that “Share Substitution” shall not be applicable, then on or after the relevant Merger Date, Tender Offer Date, or the date of the Nationalization, Insolvency or De-listing (as the case may be):

$$A \times (B/C)$$

“A” is the official closing price of the relevant Substitute Share on the relevant exchange, as determined by the Calculation Agent on the date that the substitution is effected;

“B” is the price of the Affected Share on the Trade Date (or any such other historical date specified in the applicable Final Terms) where such price is defined in the applicable Final Terms for the purposes of calculating any value or determining any amount payable in respect of the Notes; and

ADDITIONAL TERMS AND CONDITIONS FOR FX LINKED NOTES

The terms and conditions applicable to FX Linked Notes shall comprise the Terms and Conditions of the Notes and the additional Terms and Conditions set out below (the "FX Linked Conditions"), in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Terms and Conditions of the Notes and the FX Linked Conditions, the FX Linked Conditions shall prevail. In the event of any inconsistency between (i) the Terms and Conditions of the Notes and/or FX Linked Conditions and (ii) the Final Terms, the Final Terms shall prevail.

1. **Definitions**

"Averaging Cut-Off Date" means, in respect of an Averaging Date, the fifth FX Business Day immediately following the original date on which the final Averaging Date was scheduled to fall, or, if earlier, the FX Business Day falling on or immediately preceding the second Business Day immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on such Averaging Date, provided that the Averaging Cut-Off Date shall not fall prior to the original date on which such final Averaging Date was scheduled to fall.

"Averaging Date" means each Averaging Date specified in the applicable Final Terms, or, if that is not an FX Business Day the first following day which is an FX Business Day, or, if earlier the Averaging Cut-Off Date (such day, the **"Scheduled Averaging Date"** corresponding to such Averaging Date). If an Averaging Date falls on the Averaging Cut-Off Date, then, subject to the applicable Final Terms, the next applicable Disruption Fallback specified as a consequence of an FX Market Disruption Event shall apply (as if an FX Market Disruption Event had occurred), or, if none is specified, Calculation Agent Determination shall be deemed to apply.

"Base Currency" means the currency specified as such in the applicable Final Terms.

"Calculation Agent Determination" means, in respect of a Currency Price and any relevant day, that such Currency Price for such relevant day (or a method for determining such Currency Price) will be determined by the Calculation Agent taking into consideration all available information that in good faith it deems relevant.

"Currency Price" means, in relation to each Note, the Currency Price specified in the applicable Final Terms, or if not so specified in the applicable Final Terms, in respect of each Subject Currency, an amount equal to the spot rate of exchange appearing on the FX Price Source at the Valuation Time on (a) if Averaging is not specified in the applicable Final Terms, the Valuation Date or (b) if Averaging is specified in the applicable Final Terms, an Averaging Date, for the exchange of such Subject Currency into the Base Currency (expressed as the number of units (or part units) of the Subject Currency for which one unit of the Base Currency can be exchanged).

"Currency-Reference Dealers" means, in respect of any relevant day, that the Calculation Agent will request each of the Reference Dealers to provide a quotation of its rate at which it will buy one unit of the Base Currency in units of the Subject Currency at the applicable Valuation Time on such relevant day. If, for any such rate, at least two quotations are provided, the relevant rate will be the arithmetic mean of the quotations. If fewer than two quotations are provided for any such rate, the relevant rate will be the arithmetic mean of the relevant rates quoted by major banks in the relevant market, selected by the Calculation Agent at or around the applicable Valuation Time on such relevant day.

"Disruption Fallback" means, in respect of a Currency Price, Calculation Agent Determination, Currency-Reference Dealers, EM Fallback Valuation Postponement, EM Valuation Postponement, Fallback Reference Price, Other Published Sources, Postponement and/or such other sources or methods specified as such or otherwise determined as an alternative basis for determining such Currency Price as may be provided in the applicable Final Terms. The applicable Disruption Fallback in respect of a Currency Price shall be as specified in the applicable Final Terms, and if two or more Disruption Fallbacks are specified, unless otherwise provided in the Final Terms, such Disruption Fallbacks shall apply in the order specified in the applicable Final Terms, such that if the Calculation Agent determines that the Currency Price cannot be determined by applying one Disruption Fallback, then the next Disruption Fallback specified shall apply.

“Fallback Reference Price(s)” means, in respect of a Currency Price, that the Currency Price for the relevant date will be the alternate price source(s) specified in the applicable Final Terms for such Currency Price, applied in the order specified in the applicable Final Terms.

“FX Market Disruption Event” means:

- (b) if the applicable Final Terms provides that the EM Currency Provisions shall apply to a Currency Price, in respect of such Currency Price, the occurrence or existence, as determined by the Calculation Agent in its sole and absolute discretion, of any FX Price Source Disruption, Price Materiality Event and/or, if specified as applicable in the Final Terms, any Inconvertibility Event and/or Non-Transferability Event and/or any other event specified as applicable in the applicable Final Terms.

“FX Price Source(s)” means, in respect of a Currency Price, the price source(s) specified in the applicable Final Terms for such Currency Price, or if the relevant rate is not published or announced by such FX Price Source at the relevant time, the successor or alternative price source or page/publication for the relevant rate as determined by the Calculation Agent in its sole and absolute discretion.

“FX Price Source Disruption” means it becomes impossible or otherwise impracticable to obtain and/or execute the relevant rate(s) required to calculate the Currency Price on the Averaging Date or Valuation Date or other relevant date, or, if different, the day on which rates for that Averaging Date or Valuation Date or other relevant date, as the case may be, would in the ordinary course be published or announced by the relevant FX Price Source.

“FX Trading Suspension or Limitation” means the suspension of and/or limitation of trading in the rate(s) required to calculate the relevant Currency Price in the Interbank Market provided that such suspension or limitation of trading is material in the opinion of the Calculation Agent.

“Inconvertibility Event” means the occurrence, as determined by the Calculation Agent in its sole and absolute discretion, of any action, event or circumstance whatsoever which, from a legal or practical perspective:

- (a) has the direct or indirect effect of hindering, limiting or restricting (i) the convertibility of the relevant Subject Currency into the Base Currency, or (ii) the transfer of the Subject Currency or the Base Currency to countries other than the countries for which the Subject Currency or the Base Currency, as the case may be, is the lawful currency (including without limitation, by way of any delays, increased costs or discriminatory rates of exchange or any current or future restrictions); and
- (b) results in the unavailability of any relevant Base Currency or Subject Currency in the interbank foreign exchange market in any Specified Financial Center(s) in accordance with normal commercial practice.

“Interbank Market” means the over-the-counter foreign exchange spot market open continuously from and including 5.00 a.m., Sydney time, on a Monday in any week to and including 5.00 p.m., New York time, on the Friday of such week.

“**Other Published Sources**” means, in respect of any relevant day, that the Calculation Agent will determine the Currency Price on such relevant day on the basis of the exchange rate for one unit of the Base Currency in terms of the Subject Currency published by available recognized financial information vendors (as selected by the Calculation Agent) other than the applicable FX Price Source, at or around the applicable Valuation Time on such relevant day.

“**Postponement**” means, in respect of a Valuation Date or an Averaging Date, if such day (or, if applicable, if the original day on which such Valuation Date or an Averaging Date, as the case may be, is scheduled to fall (as specified in the applicable Final Terms) is postponed on account of such original day not being an FX Business Day, such postponed day) is an FX Disrupted Day, then:

- (a) where the FX Linked Notes relate to a single Currency Price, such Valuation Date or Averaging Date, as the case may be, shall be the first succeeding FX Business Day that is not an FX Disrupted Day, unless the Calculation Agent determines that each of the consecutive FX Business Days equal in number to the Maximum Days of Postponement immediately following such Scheduled Valuation Date or Scheduled Averaging Date, as the case may be, is an FX Disrupted Day. In that case, (i) that last consecutive FX Business Day shall be deemed to be the Valuation Date or the Averaging Date, as the case may be (notwithstanding the fact that such day may be an FX Disrupted Day) and (ii) the next applicable Disruption Fallback shall apply; or
- (b) where the FX Linked Notes relate to a Basket of Currency Prices, such Valuation Date or Averaging Date, as the case may be, for each Currency Price not affected by the occurrence of an FX Disrupted Day shall be the Scheduled Valuation Date or Scheduled Averaging Date, as the case may be, and the Valuation Date for each Currency Price affected (each an “**Affected Currency Price**”) by the occurrence of an FX Disrupted Day shall be the first succeeding FX Business Day that is not an FX Disrupted Day relating to the Affected Currency Price, unless the Calculation Agent determines that each of the consecutive FX Business Days equal in number to the Maximum Days of Postponement immediately following such Scheduled Valuation Date or Scheduled Averaging Date, as the case may be, is an FX Disrupted Day. In that case for each Affected Currency Price, (i) that last consecutive FX Business Day shall be deemed to be the Valuation Date or the Averaging Date, as the case may be (notwithstanding the fact that such day may be an FX Disrupted Day) and (ii) the next applicable Disruption Fallback shall apply.

“**Price Materiality Event**” means, in respect of a Currency Price and a Valuation Date, Averaging Date or other relevant date, that the FX Price Source differs from the Fallback Reference Price by at least the Price Materiality Percentage (and if both an FX Price Source Disruption and a Price Materiality Event occur or exist on any day, it shall be deemed that an FX Price Source Disruption and not a Price Materiality Event occurred or existed on such day).

“**Price Materiality Percentage**” means the percentage specified as such in the applicable Final Terms.

“**Reference Dealers**” means, in respect of each Subject Currency, four leading dealers in the relevant foreign exchange market, as determined by the Calculation Agent (or any other number of dealers as specified in the applicable Final Terms).

“**Specified Financial Center(s)**” means the financial center(s) specified in the applicable Final Terms.

“**Subject Currency**” means the currency specified as such in the applicable Final Terms.

“**Subject Currency Jurisdiction**” means the country for which the Subject Currency is the lawful currency.

“**Valuation Cut-Off Date**” means, in respect of a Valuation Date, the fifth FX Business Day immediately following the original date on which such Valuation Date was scheduled to fall, or, if earlier, the FX Business Day falling on or immediately preceding the second Business Day immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on such Valuation Date, provided that the Valuation Cut-Off Date shall not fall prior to the original date on which such Valuation Date was scheduled to fall.

“**Valuation Date**” means:

- (a) if the applicable Final Terms specifies that the EM Currency Provisions shall not apply to a Currency Price, each Valuation Date specified in the applicable Final Terms or if that is not an FX Business Day the first following day which is an FX Business Day, or, if earlier the Valuation Cut-Off Date (such day, the “**Scheduled Valuation Date**” corresponding to such Valuation Date). If a Valuation Date falls on the Valuation Cut-Off Date, then, subject to the applicable Final Terms, the first applicable Disruption Fallback specified as a consequence of an FX Market Disruption Event shall apply (as if an FX Market Disruption Event had occurred), or, if none is specified, Calculation Agent Determination shall be deemed to apply; or
- (b) if the applicable Final Terms specifies that the EM Currency Provisions shall apply to a Currency Price, each Valuation Date specified in the applicable Final Terms or, if such day is not an FX Business Day in respect of a Currency Price, the immediately preceding FX Business Day for such Currency Price, as determined by the Calculation Agent, provided that such Valuation Date shall be subject to adjustment in accordance with paragraph 3 (Consequences of an FX Disrupted Day) and paragraph 4 (EM Currency Provisions: Unscheduled Holiday) below.

“**Valuation Time**” means the Valuation Time specified in the applicable Final Terms.

2. **Consequences of an FX Disrupted Day**

If the Calculation Agent determines that any Valuation Date or Averaging Date is an FX Disrupted Day, then the Currency Price for such Valuation Date or Averaging Date will be determined in accordance with the terms of the first applicable Disruption Fallback. The applicable Final Terms may provide that one or more Disruption Fallbacks may apply to any Valuation Date or Averaging Date and that such applicable Disruption Fallbacks may apply concurrently or sequentially, in such manner as specified in the applicable Final Terms.

3. **EM Currency Provisions: Unscheduled Holiday**

- (a) If the applicable Final Terms provides that the EM Currency Provisions shall apply to a Currency Price or Fallback Reference Price, as applicable, and any Valuation Date or Averaging Date, and that Unscheduled Holidays shall be applicable, then, if the Calculation Agent determines that the relevant Scheduled Valuation Date or Scheduled Averaging Date, as applicable (each, a “**Scheduled Reference Date**”) is an Unscheduled Holiday for such Currency Price or Fallback Reference Price, then the Valuation Date or Averaging Date shall be postponed to the first FX Business Day falling after the Scheduled Reference Date (the “**Adjusted Scheduled Reference Date**”), provided that if such first FX Business Day has not occurred on or before the last day of the Maximum Days of Deferral, then the next day after the Last Deferred Date that would have been an FX Business Day but for a Unscheduled Holiday shall be deemed to be the Adjusted Scheduled Reference Date.
- (b) The following terms and expressions shall have the following meanings:

“**Last Deferred Day**” means, in respect of any postponement by a number of days equal to the Maximum Days of Deferral, the last day to which such day is postponed.

“**Maximum Days of Deferral**” means such number of calendar days (or other type of days) as specified in the applicable Final Terms.

“Unscheduled Holiday” means, in respect of a Currency Price or Fallback Reference Price, as applicable, a day that is not an FX Business Day and the market was not aware of such fact (by means of a public announcement or by reference to other publicly available information) until a time later than 9.00 a.m., local time in the Specified Financial Center in respect of such Currency Price or Fallback Reference Price, two FX Business Days prior to such day.

4. EM Currency Provisions: EM Valuation Postponement

If the applicable Final Terms provides that the EM Currency Provisions shall apply to a Currency Price (which term shall include, where the Final Terms provides that the prior applicable Disruption Fallback is “Fallback Reference Price”, the Currency Price determined using the applicable Fallback Reference Price) and any Valuation Date or Averaging Date, and that EM Valuation Postponement shall be applicable, then, if the Calculation Agent determines that the relevant Scheduled Reference Date (if the Scheduled Reference Date is not an Unscheduled Holiday for the Currency Price) or the Adjusted Scheduled Reference Date (if the Scheduled Reference Date is an Unscheduled Holiday for the Currency Price) is an FX Disrupted Day, then such Valuation Date or Averaging Date shall be the first FX Business Day which is not an FX Disrupted Day unless an FX Market Disruption Event continues to exist (measured from such Scheduled Reference Date or Adjusted Scheduled Reference Date, as applicable) for a consecutive number of calendar days equal to the Maximum Days of EM Valuation Postponement. In that case, the Currency Price will be determined on the next FX Business Day after the Maximum Days of EM Valuation Postponement in accordance with the next applicable Disruption Fallback as specified in the applicable Final Terms.

Where:

“Maximum Days of EM Valuation Postponement” means such number of calendar days (or other type of days) as specified in the applicable Final Terms.

5. EM Currency Provisions: EM Fallback Valuation Postponement

If the applicable Final Terms provides that the EM Currency Provisions shall apply and that EM Fallback Valuation Postponement shall be applicable and where the Final Terms provides that the prior applicable Disruption Fallback is “Fallback Reference Price”, if the Calculation Agent determines that the Currency Price (as determined by reference to the applicable Fallback Reference Price) is not available on (i) the first FX Business Day following the end of the Maximum Days of EM Valuation Postponement (where an FX Market Disruption Event has occurred or exists in respect of the Currency Price throughout the Maximum Days of EM Valuation Postponement) or (ii) on the Adjusted Scheduled Reference Date (where the Adjusted Scheduled Reference Date falls after the Last Deferred Day) then the Valuation Date or Averaging Date shall be the first succeeding FX Business Day which is not an FX Disrupted Day in respect of the Currency Price unless an FX Market Disruption Event continues to exist throughout the Fallback Maximum Period of Postponement. In that case, the Currency Price will be determined on the Last Fallback Postponement Date in accordance with the next applicable Disruption Fallback.

Where:

“Fallback Maximum Period of Postponement” means the period commencing on, and including:

- (a) if an FX Market Disruption Event has occurred or exists in respect of the Currency Price throughout the Maximum Days of EM Valuation Postponement, the first FX Business Day following the end of the Maximum Days of EM Valuation Postponement; or
- (b) if the Adjusted Scheduled Reference Date falls after the Last Deferred Day, the Adjusted Scheduled Reference Date,

and ending on, and including, the third (3rd) FX Business Day (or such other day as specified in the applicable Final Terms) following such date as specified in paragraphs (a) and (b) above, as applicable (such date, the **“Last Fallback Postponement Date”**).

6. **EM Currency Provisions: Cumulative Events**

If the applicable Final Terms provides that the EM Currency Provisions shall apply to a Currency Price and any Valuation Date or Averaging Date, and that Cumulative Events shall be applicable, then the total number of consecutive calendar days during which (a) such Valuation Date or Averaging Date is deferred due to an Unscheduled Holiday, (b) an EM Valuation Postponement shall occur in respect of such Valuation Date or Averaging Date, or (c) an EM Fallback Valuation Postponement shall occur in respect of such Valuation Date or Averaging Date (or any combination of (a), (b) and (c)), shall not exceed the Maximum Days of Cumulative Postponement in the aggregate. Accordingly, (i) if such Valuation Date or Averaging Date is postponed by the number of calendar days equal to the Maximum Days of Cumulative Postponement owing to an EM Valuation Postponement or EM Fallback Valuation Postponement (or both), and an Unscheduled Holiday shall have occurred or be continuing on the day following the relevant Last Postponed Day that otherwise would have been an FX Business Day, then such day shall be deemed to be such Valuation Date or Averaging Date and (ii) if such Valuation Date or Averaging Date is postponed by the number of calendar days equal to the Maximum Days of Cumulative Postponement owing to Unscheduled Holidays, and on the first day after the Last Postponed Day, an applicable FX Market Disruption Event shall have occurred or be continuing, then the Currency Price in respect of such Valuation Date or Averaging Date or other relevant date shall be determined in accordance with the next applicable Disruption Fallback.

Where:

“**Last Postponed Day**” means, in respect of any postponement by a number of days equal to the Maximum Days of Cumulative Postponement, the last day to which such day is postponed; and

“**Maximum Days of Cumulative Postponement**” means such number of calendar days (or other type of days) as specified in the applicable Final Terms.

7. **Corrections to Published and Displayed Rates**

- (a) In any case where a Currency Price is based on information obtained from the Reuters Monitor Money Rates Service, or any other financial information service, the Currency Price will be subject to the corrections, if any, to that information subsequently displayed by that source within one hour of the time when such rate is first displayed by such source, unless the Calculation Agent determines in its sole and absolute discretion that it is not practicable to take into account such correction.
- (b) Notwithstanding FX Linked Condition 7(a), in any case where the Currency Price is based on information published or announced by any governmental authority in a relevant country, the Currency Price will be subject to the corrections, if any, to that information subsequently published or announced by that source within five calendar days of the relevant date, unless the Calculation Agent determines in its sole and absolute discretion that it is not practicable to take into account such correction.

8. **Successor Currency**

Where the applicable Final Terms specifies that “Successor Currency” is applicable in respect of a Currency Price, then:

- (a) each Subject Currency and Base Currency will be deemed to include any lawful successor currency to the Subject Currency or Base Currency (the **Successor Currency**);
- (b) if the Calculation Agent determines that on or after the Issue Date (or such other date as specified in the applicable Final Terms) but on or before any relevant date under the Notes on which an amount may be payable, a country has lawfully eliminated, converted, redenominated or exchanged its currency in effect on the Issue Date or any Successor Currency, as the case may be (the “**Original Currency**”) for a Successor Currency, then for the purposes of calculating any amounts of the Original Currency or effecting settlement thereof, any Original Currency amounts will be converted to the Successor Currency by multiplying the amount of Original Currency by a ratio of Successor Currency to Original Currency, which ratio will be calculated on the basis of the exchange rate set forth by the relevant country of the Original Currency for converting the Original Currency into the Successor Currency on the date on which the elimination, conversion, redenomination or exchange took place, as determined by the Calculation Agent. If there is

more than one such date, the date closest to such relevant date will be selected (or such other date as may be selected by the Calculation Agent in its sole and absolute discretion);

- (c) notwithstanding paragraph (b) above but subject to paragraph (d) below, the Calculation Agent may (to the extent permitted by the applicable law), in good faith and in its sole and absolute discretion, select such other exchange rate or other basis for the conversion of an amount of the Original Currency to the Successor Currency and, will make such adjustment(s) that it determines to be appropriate, if any, to any variable, calculation methodology, valuation, settlement, payment terms, or any other terms in respect of the Notes to account for such elimination, conversion, redenomination, or exchange of the Subject Currency or Base Currency, as the case may be; and
- (d) notwithstanding the foregoing provisions, with respect to any Subject Currency or Base Currency that is substituted or replaced by the Euro, the consequences of such substitution or replacement will be determined in accordance with applicable law.

9. **Rebasing of Notes**

If the applicable Final Terms specifies that “Rebasing” is applicable, then if, on or prior to any Valuation Date or Averaging Date or any other relevant date, the Calculation Agent is unable to obtain a value for a Subject Currency (because the Subject Currency and/or Base Currency ceases to exist, or for any other reason other than a temporary disruption, as determined by the Calculation Agent), the Calculation Agent may rebase the Notes against another foreign exchange rate determined by the Calculation Agent, in its sole and absolute discretion, to be a comparable foreign exchange rate. If the Calculation Agent determines in its sole and absolute discretion that there is not such a comparable foreign exchange rate, the Issuer may elect to redeem or settle the Notes by notice to Noteholders on the date specified in the notice at the Early Redemption Amount of each Note.

10. **Consequences of an Additional Disruption Event**

If the applicable Final Terms specifies that Additional Disruption Events shall be applicable, then:

- (a) following the determination by the Calculation Agent that an Additional Disruption Event has occurred, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
 - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
 - (ii) give notice to Noteholders in accordance with Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Specified Denomination being redeemed at the Early Redemption Amount;
- (b) upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 14 stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event; and
- (c) the following terms and expressions shall have the following meanings:

“**Additional Disruption Event**” means any of a Change in Law, a Hedging Disruption and/or an Increased Cost of Hedging.

“**Change in Law**” means that, on or after the Issue Date (or such other date as specified in the applicable Final Terms) of the Notes (a) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (b) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines in good faith that (x) it has become illegal to hold,

acquire, or dispose of any relevant currency or asset, or (y) the Issuer or any affiliate(s) of the Issuer or any entity (or entities) acting on behalf of the Issuer engaged in any underlying or hedging transactions in respect of the Issuer's obligations under the Notes will incur a materially increased cost in performing its obligations in relation to the Notes (including, without limitation, due to any increase in tax liability, decrease in tax benefit, or other adverse effect on its tax position).

"Hedging Disruption" means that the Issuer or any entity (or entities) acting on behalf of the Issuer engaged in any underlying or hedging transactions in respect of the Issuer's obligations in relation to the Notes is unable, after using commercially reasonable efforts, to (a) acquire, establish, re-establish, substitute, maintain, unwind, or dispose of any transaction(s) or asset(s) it deems necessary to hedge the currency or other price risk of the Issuer issuing and performing its obligations with respect to or in connection with the relevant Notes, or (b) realize, recover, or remit the proceeds of any such transaction(s) or asset(s).

"Increased Cost of Hedging" means that the Issuer and/or any of its Affiliates or agents would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind, or dispose of any transaction(s) or asset(s) it deems necessary to hedge the currency or other price risk of the Issuer issuing and performing its obligations with respect to the relevant Notes, or (ii) realize, recover, or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

ADDITIONAL TERMS AND CONDITIONS FOR COMMODITY LINKED NOTES

The terms and conditions applicable to Commodity Linked Notes shall comprise the Terms and Conditions of the Notes and the additional Terms and Conditions set out below (the “Commodity Linked Conditions”), in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Terms and Conditions of the Notes, and the Commodity Linked Conditions, the Commodity Linked Conditions shall prevail. (measured from and including the original day that would otherwise have been the Pricing Date (or, if applicable, if the Pricing Date as specified in the Final Terms is adjusted on account of such original date not being a Commodity Business Day, measured from and including the day that is the original date that would otherwise have been the Pricing Date, following such adjustment specified in the applicable Final Terms on account of such original date not being a Commodity Business Day)) or the Relevant Price continues to be unavailable for two (2) consecutive Commodity Business Days. In that case, the next Disruption Fallback (as defined below) specified in the applicable Final Terms will apply.

“**Delivery Date**” means the date specified in the applicable Final Terms.

“**Disappearance of Commodity Reference Price**” means:

“**Postponement**” means that the Pricing Date will be deemed, for purposes of the application of this Disruption Fallback, to be the first succeeding Commodity Business Day on which the Market Disruption Event ceases to exist, unless that Market Disruption Event continues to exist for two consecutive Commodity Business Days (measured from and including the original day that would otherwise have been the Pricing Date (or, if applicable, if the Pricing Date as specified in the Final Terms is adjusted on account of such original date not being a Commodity Business Day, measured from and including the day that is the original date that would otherwise have been the Pricing Date, following such adjustment specified in the applicable Final Terms on account of such original date not being a Commodity Business Day)). In that case, the next Disruption Fallback specified in the definition of “Disruption Fallback” below will apply.

“**Price Source**” means the publication (or such other origin of reference, including an Exchange) containing (or reporting) the Specified Price (or prices from which the Specified Price is calculated) specified in the specified Commodity Reference Price or otherwise in the applicable Final Terms (provided that in respect of a Commodity

Index, if the relevant Commodity Reference Price is not published on such Price Source, the Calculation Agent may, in its sole and absolute discretion, (i) use a successor page or publication or alternative source as it considers appropriate, (ii) determine that such non-publication amounts to a Market Disruption Event in respect of such Commodity Index in accordance with Commodity Linked Condition 3 (Market Disruption and Disruption Fallback), or (iii) determine that such non-publication amounts to an Index Adjustment Event in respect of the Commodity Index, and proceed in accordance with Commodity Linked Condition 4 (Adjustments to a Commodity Index)).

“Price Source Disruption” means:

- (i) the failure of the Price Source to announce or publish the Specified Price (or the information necessary for determining the Specified Price) for the relevant Commodity Reference Price (or, if there is no Specified Price for a Commodity Reference Price, such Commodity Reference Price); or
- (ii) the temporary or permanent discontinuance or unavailability of the Price Source.

For these purposes:

- (a) a suspension of the trading in the Futures Contract or the Commodity on any Commodity Business Day shall be deemed to be material only if:
 - (i) all trading in the Futures Contract or the Commodity is suspended for the entire Pricing Date; or
 - (ii) all trading in the Futures Contract or the Commodity is suspended subsequent to the opening of trading on the Pricing Date, trading does not recommence prior to the regularly scheduled close of trading in such Futures Contract or such Commodity on such Pricing Date and such suspension is announced less than one hour preceding its commencement; and
- (b) a limitation of trading in the Futures Contract or the Commodity on any Commodity Business Day shall be deemed to be material only if the relevant Exchange establishes limits on the range within which the price of the Futures Contract or the Commodity may fluctuate and the closing or settlement price of the Futures Contract or the Commodity on such day is at the upper or lower limit of that range.

2. Terms relating to Calculation of Prices

(a) Common Pricing

If the relevant Final Terms provides that Commodity Linked Condition 2(a) is applicable, and, with respect to Commodity Linked Notes relating to a Basket of Commodities, if “Common Pricing” is specified in the applicable Final Terms as:

- (i) “Applicable” then, no date will be a Pricing Date unless such date is a day on which all referenced Commodity Reference Prices (for which such date would otherwise be a Pricing Date) are scheduled to be published or announced, as determined on the Trade Date of the Notes as of the Issue Date;
- (ii) “Not Applicable” then, if the Calculation Agent determines that a Market Disruption Event has occurred or exists on the Pricing Date in respect of any Relevant Commodity and/or Commodity Index (each an “Affected Commodity”), the Relevant Price of each Commodity and/or Commodity Index within the basket which is not affected by the occurrence of a Market Disruption Event shall be determined on its scheduled Pricing Date and the Relevant Price for each Affected Commodity shall be determined in accordance with the first applicable Disruption Fallback that provides a Relevant Price.

All determinations made by the Calculation Agent pursuant to this condition will be conclusive and binding on the Noteholders and the Issuer, except in the case of manifest error.

If the relevant Final Terms provides that Commodity Linked Condition 2(a) is not applicable, then Commodity Linked Condition 2(a) shall not apply to the relevant Commodity Linked Notes.

(b) Correction to Published Prices

For purposes of determining or calculating the Relevant Price (or any price or value published or announced on any date which is utilized for any calculation or determination in connection with the Commodity Linked Notes), if the price published or announced on a given day and used or to be used by the Calculation Agent to determine a Relevant Price (or any price or value published or announced on any date which is utilized for any calculation or determination in connection with the Commodity Linked Notes) is subsequently corrected and the correction is published or announced by the person responsible for that publication or announcement within 30 calendar days after the original publication or announcement (or, if earlier the day falling two Business Days preceding the date on which payment of any amount or delivery of any assets may have to be made, in each case calculated by reference to such Relevant Price (or any price or value published or announced on any date which is utilized for any calculation or determination in connection with the Commodity Linked Notes)), the Calculation Agent may, in its sole discretion, use such corrected price in such calculation.

3. **Market Disruption and Disruption Fallback**

If, in the opinion of the Calculation Agent, a Market Disruption Event (as defined below) has occurred and is continuing on any Pricing Date (or, if different, the day on which the price for that Pricing Date would, in the ordinary course, be published by the Price Source), the Relevant Price for that Pricing Date will be determined by the Calculation Agent, in accordance with the first applicable Disruption Fallback (as set out below) that provides a Relevant Price:

(a) Market Disruption Event

“Market Disruption Event” means the occurrence of any of the following events:

- (i) with respect to all Commodities:
 - (A) Price Source Disruption;
 - (B) Commodity Trading Disruption;
 - (C) Disappearance of Commodity Reference Price; and
- (ii) with respect to all Commodities other than gold, silver, platinum or palladium:
 - (A) Material Change in Formula;
 - (B) Material Change in Content; and

-
- (C) any additional Market Disruption Events as specified in the applicable Final Terms; and
 - (iii) with respect to a Commodity Index:
 - (A) a temporary or permanent failure by the applicable exchange or other price source to announce or publish (x) the Commodity Reference Price (provided that the Calculation Agent may, in its sole and absolute discretion, determine that such failure (i) shall not be a Market Disruption Event and shall instead be dealt with under paragraph (i) of the proviso to the definition of Price Source specified in Commodity Linked Condition 1 (Definitions), or (ii) shall instead amount to an Index Adjustment Event in respect of such Commodity Index, and proceed in accordance with Commodity Linked Condition 4 (Adjustments to a Commodity Index)) or (y) the closing price for any futures contract included in the Commodity Index;
 - (B) a material limitation, suspension or disruption of trading in one or more of the futures contracts included in the Commodity Index which results in a failure by the exchange on which each applicable futures contract is traded to report a closing price for such contract on the day on which such event occurs or any succeeding day on which it continues; or
 - (C) the closing price for any futures contract included in the Commodity Index is a “limit price”, which means that the closing price for such contract for a day has increased or decreased from the previous day’s closing price by the maximum amount permitted under applicable exchange rules.
 - (iv) Disruption Fallback

“**Disruption Fallback**” means a source or method that may give rise to an alternative basis for determining the Relevant Price in respect of a specified Commodity Reference Price when a Market Disruption Event occurs or exists on a day that is a Pricing Date in respect of the relevant Note. A Disruption Fallback is applicable if it is specified in the applicable Final Terms or, if no Disruption Fallback is specified in the applicable Final Terms, shall mean:

- (A) with respect to a relevant Commodity (in the following order):
 - (I) Fallback Reference Price (if applicable);
 - (II) Delayed Publication or Announcement and Postponement (each to operate concurrently with the other and each subject to a period of two consecutive Commodity Business Days (measured from and including the original day that would otherwise have been the Pricing Date (or, if applicable, measured from and including the day that is the original date that would otherwise have been the Pricing Date, following the adjustment specified in the applicable Final Terms on account of such original date not being a Commodity Business Day)), or, if shorter, the period commencing on, and including, the original day that would otherwise have been the Pricing Date and ending on, and including, the Commodity Cut-Off Date) provided, however, that the price determined by Postponement shall be the Relevant Price only if Delayed Publication or Announcement does not yield a Relevant Price within those two consecutive Commodity Business Days (or, if applicable, the number of Commodity Business Days (if any) falling within the period ending on the Commodity Cut-Off Date); and
 - (III) Calculation Agent Determination;
- (B) with respect to a Commodity Index the Relevant Price as determined by the Calculation Agent:
 - (1) using:

- (a) with respect to each futures contract included in the Commodity Index which is not affected by the Market Disruption Event, the closing prices of each such contract on the applicable determination date;
 - (b) with respect to each futures contract included in the Commodity Index which is affected by the Market Disruption Event, but for which a Market Disruption Event ceased to exist on or prior to the Commodity Index Cut-Off Date, the closing prices of each such contract on the first day following the applicable determination date on which no Market Disruption Event is occurring with respect to such contract; and
 - (c) with respect to each futures contract included in the Commodity Index which is affected by the Market Disruption Event, where a Market Disruption Event continues to exist as of the Commodity Index Cut-Off Date, the Calculation Agent's good faith estimate of the closing price of each such contract on the Commodity Index Cut-Off Date;
- (2) and as specified in the applicable Final Terms.

Subject as provided below, the Calculation Agent shall determine the Relevant Price by reference to the closing prices determined in (1)(a), (1)(b) and (1)(c) above or as provided in (2) above using the then current method for calculating the Commodity Reference Price.

Where (i) the original date that would otherwise have been the Pricing Date is adjusted on account of such original date not being a Commodity Business Day, and the Pricing Date would fall on or after the Commodity Index Cut-Off Date following such adjustment, or (ii) a Market Disruption Event with respect to one or more futures contracts included in the Commodity Index has occurred on an applicable determination date and continues to exist as of the relevant Commodity Index Cut-Off Date for such applicable determination date, the Calculation Agent shall determine the Relevant Price on such Commodity Index Cut-Off Date. In calculating the Relevant Price as set out herein, the Calculation Agent shall use the formula for calculating the Commodity Reference Price last in effect prior to the Market Disruption Event (if applicable).

4. Adjustments to a Commodity Index

(a) Successor Index Sponsor Calculates and Reports a Commodity Index

If a relevant Commodity Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor (the "Successor Index Sponsor") acceptable to the Issuer, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Commodity Index, then in each case that index (the "Successor Index") will be deemed to be the Commodity Index.

(b) Modification and Cessation of Calculation of a Commodity Index

If on or prior to a Pricing Date (i) the relevant Index Sponsor makes a material change in the formula for or the method of calculating a relevant Commodity Index or in any other way materially modifies that Commodity Index (other than a modification prescribed in that formula or method to maintain that Commodity Index in the event of changes in constituent commodities and weightings and other routine events), or (ii) the Index Sponsor permanently cancels a relevant Commodity Index or (iii) the Index Sponsor fails to calculate and announce a relevant Commodity Index and there is no Successor Index Sponsor or Successor Index then the Calculation Agent may at its option (in the case of (i)) and shall (in the case of (ii) and (iii)) (such events (i) (ii) and (iii) to be collectively referred to as "Index Adjustment Events") (provided that the Calculation Agent may, in its sole and absolute discretion, determine that event (iii) (y) shall not be an Index Adjustment Event and shall instead be dealt

with under paragraph (i) of the proviso to the definition of Price Source specified in Commodity Linked Condition 1 (Definitions), or (z) shall instead amount to a Market Disruption Event in respect of such Commodity Index, and proceed in accordance with Commodity Linked Condition 3 (Market Disruption and Disruption Fallback)) calculate the Commodity Reference Price using in lieu of the published level for that Commodity Index, the level for that Commodity Index as at the relevant determination date as determined by the Calculation Agent in accordance with the formula for and method of calculating that Commodity Index last in effect prior to the relevant Index Adjustment Event, but using only those futures contracts that comprised that Commodity Index immediately prior to the relevant Index Adjustment Event (other than those futures contracts that have ceased to be listed on any relevant exchange).

5. **Consequences of an Additional Disruption Event in respect of a Commodity Index**

- (a) Following the determination by the Calculation Agent that an Additional Disruption Event has occurred in respect of a Commodity Index, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
 - (ii) give notice to Noteholders in accordance with Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Specified Denomination being redeemed at the Early Redemption Amount.
- (b) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 14 stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.
- (c) The following terms and expressions shall have the following meanings:

“Additional Disruption Event” means any of a Change in Law, a Hedging Disruption, and/or an Increased Cost of Hedging (together the **“Additional Disruption Events”**).

“Change in Law” means that, on or after the Trade Date (i) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines in good faith that (A) it has become illegal to hold, acquire or dispose of any relevant currency or asset, or (B) the Issuer or any affiliate(s) of the Issuer or any entity (or entities) acting on behalf of the Issuer engaged in any underlying or hedging transactions in respect of the Issuer’s obligations under the Notes will incur a materially increased cost in performing its obligations in relation to the Notes (including, without limitation, due to any increase in tax liability, decrease in tax benefit, or other adverse effect on its tax position).

“Hedging Disruption” means that the Issuer or any entity (or entities) acting on behalf of the Issuer engaged in any underlying or hedging transactions in respect of the Issuer’s obligations in relation to the Notes is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind, or dispose of any transaction(s) or asset(s) it deems necessary to hedge the commodity or other price risk of the Issuer issuing and performing its obligations with respect to or in connection with the relevant Notes, or (ii) realize, recover, or remit the proceeds of any such transaction(s) or asset(s).

“Increased Cost of Hedging” means that the Issuer and/or any of its Affiliates or agents acting on its behalf would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense, or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind, or dispose of any transaction(s) or asset(s) it deems necessary to hedge the commodity or other price risk of the Issuer issuing and performing its obligations with respect to the Notes, or (ii) realize, recover, or

remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

Schedule 6-2-47

- (i) require the Calculation Agent to make such determinations and/or adjustments to the Terms and Conditions and/or the applicable Final Terms as it determines appropriate to account for the Fund Event, which may include, without limitation,
 - (A) delaying any determination date (including any Valuation Date or Averaging Date) and/ or any date on which payment might otherwise have to be made under the terms of the applicable Final Terms until it determines that no Fund Event exists;
 - (B) determining that, in the sole and absolute discretion of the Calculation Agent, one or more Fund Events may continue until or after any scheduled determination dates and/or payment dates as set out in the applicable Final Terms, and thereafter determining to fix any determination date (including any Valuation or Averaging Date) and/or date on which payment should be made, and making payment on such date of such amount as is appropriate, as determined in the sole and absolute discretion of the Calculation Agent, taking into account the Fund Event, and which may be based solely on any amounts of cash that a Hypothetical Investor in the Fund actually received from the Fund during the relevant period or periods (and which may be less than any relevant net asset value published for the Fund, and may be as low as zero);

Following the declaration by a Fund of the terms of any Fund Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Fund Potential Adjustment Event has a diluting, concentrative, or other effect on the theoretical value of the relevant Fund Interest and, if so, will make the corresponding adjustment, if any, to any one or more of any of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion, determines appropriate to account for that diluting, concentrative, or other effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends or liquidity relative to the relevant Fund Interest) and determine the effective date of that adjustment.

Upon the making of any such adjustment by the Calculation Agent, the Issuer shall give notice as soon as reasonably practicable to the Noteholders in accordance with Condition 14, stating the adjustment to any of the terms of the Terms and Conditions, and/or the applicable Final Terms and giving brief details of the Fund Potential Adjustment Event, provided that any failure to give, or non receipt of, such notice will not affect the validity of any such adjustment.

If any such day is a Disrupted Day:

- (a) if “Omission” is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant price; provided that, if through the operation of this provision there would not be an Averaging Date, then the provisions of the definition of “Valuation Date” will apply for purposes of determining the relevant level or price on the final Averaging Date, as if such final Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if “Postponement” is specified as applying in the applicable Final Terms, then the provisions of the definition of “Valuation Date” will apply for the purposes of determining the relevant price on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or
- (c) if “Modified Postponement” is specified as applying in the applicable Final Terms then:
 - (i) where the Fund Linked Notes relate to a single Fund, the Averaging Date shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Fund, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of “Valuation Date” below;
 - (ii) where the Fund Linked Notes relate to a Basket of Funds and the applicable Final Terms provides that “Common Scheduled Trading Days” shall not be applicable, the Averaging Date for each Fund Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Scheduled Trading Day, if applicable) (the “**Scheduled Averaging Date**”) and the Averaging Date for a Fund Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Fund Share. If the first succeeding Valid Date in relation to such Fund Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Fund Share, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Fund Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of “Valuation Date” below;

- (iii) where the Fund Linked Notes relate to a Basket of Funds and the applicable Final Terms provides that “Common Scheduled Trading Days” and “Individual Disrupted Days” shall be applicable, the Averaging Date for each Fund Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Common Scheduled Trading Day, if applicable) (the “**Scheduled Averaging Date**”) and the Averaging Date for a Fund Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Fund Share. If the first succeeding Valid Date in relation to such Fund Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Fund Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (c)(ii) of the definition of “Valuation Date” below; or
- (iv) where the Fund Linked Notes relate to a Basket of Funds and the applicable Final Terms provides that “Common Scheduled Trading Days” and “Common Disrupted Days” shall be applicable, the Averaging Date for each Fund Share shall be the first succeeding Common Valid Date in relation to such Fund Share. If the first succeeding Common Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (d)(ii) of the definition of “Valuation Date” below,

- (b) if the applicable Final Terms provides that “Barrier Event (closing)” is applicable, each Scheduled Trading Day for such Fund Share during such Observation Period that is not a Disrupted Day for such Fund Share.

“**Barrier Event Valuation Time (closing)**” means, in respect of each Fund Share to be valued, the Scheduled Closing Time on the relevant Exchange on the relevant Barrier Event Determination Day. In that case, or if such Observation Date falls on the Observation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day for such Fund Share, (i) the Observation Cut-Off Date shall be deemed to be that Observation Date for such Fund Share (notwithstanding the fact that such day may be a Disrupted Day for a Fund Share or not a Common Scheduled Trading Day) and (ii) the Calculation Agent shall determine the relevant price using, in relation to such Fund Share, a price determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using its good faith estimate of the price for such Fund Share as of the Valuation Time on the Observation Cut-Off Date, and otherwise in accordance with the above provisions; or

- (a) where the Fund Linked Notes relate to a single Fund, the Valuation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the Scheduled Trading Days up to and including the Valuation Cut-Off Date is a Disrupted Day. In that case, or if such Valuation Date falls on the Valuation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Fund Share, (i) the Valuation Cut-Off Date shall be deemed to be the Valuation Date (notwithstanding the fact that such day may be a Disrupted Day) and (ii) the Calculation Agent shall determine the relevant price in the manner set out in the applicable Final Terms or, if not set out or if not practicable, determine the relevant price in accordance with its good faith estimate of the relevant price as of the Valuation Time on the Valuation Cut-Off Date; or

8. **Barrier Event**

(a) A “**Barrier Event (intraday)**” means (and a Barrier Event (intraday) shall be deemed to occur if), in respect of a Fund Share, the Calculation Agent determines that the Fund Share Price of such Fund Share as of the Barrier Event Valuation Time (intraday) on any Barrier Event Determination Day is less than or equal to the corresponding Barrier Level for such Fund Share and such Barrier Event Determination Day.

For the purpose of determining whether a Barrier Event (intraday) has occurred on any day, the definition of Market Disruption Event specified in Fund Linked Condition 9 shall be amended such that (i) all references to “during the one hour period that ends at the relevant Valuation Time” shall be deleted, and (ii) in sub-paragraph (b) each reference to “Valuation Time” and “Scheduled Closing Time” shall be construed as a reference to “Barrier Event Valuation Time (intraday)”.

(b) A “**Barrier Event (closing)**” means (and a Barrier Event (closing) shall be deemed to occur if), in respect of a Fund Share, the Calculation Agent determines that the Fund Share Closing Price of any Fund Share as of the Barrier Event Valuation Time (closing) on any Barrier Event Determination Day is less than or equal to the corresponding Barrier Level for such Fund Share and such Barrier Event Determination Day.

“**Market Disruption Event**” means, in respect of a Fund Share:

which in any such case the Calculation Agent determines is material.

For the purpose of determining whether a Market Disruption Event exists in respect of a Fund Share at any time, if an event giving rise to a Market Disruption Event occurs in respect of a security included in the relevant Underlying Index at that time, then the relevant percentage contribution of that security, to the level of the relevant Underlying Index shall be based on a comparison of (i) the portion of the level of the relevant Underlying Index attributable to that security, and (ii) the overall level of the relevant Underlying Index immediately before the occurrence of such Market Disruption Event.

The Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 14 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been a Valuation Date provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such Disrupted Day.

(vii) any other event that may have a diluting or concentrative effect on the theoretical value of the relevant Fund Shares.

Following a Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the relevant Fund Shares and, if so, will (a) make the corresponding adjustment(s), if any, to any one or more of the terms of the Terms and Conditions of the Notes and/or the applicable Final Terms as the Calculation Agent determines appropriate to account for that diluting or concentrative effect and (b) determine the effective date(s) of that adjustment(s). The Calculation Agent may, but need not, determine the appropriate adjustment(s) by reference to the adjustment(s) in respect of such Potential Adjustment Event made by an options exchange to options on the relevant Fund Shares traded on such options exchange.

Upon the making of any such adjustment, the Calculation Agent shall as soon as is reasonably practicable under the circumstances give notice to the Noteholders in accordance with Condition 14 stating the adjustment made and giving brief details of the Potential Adjustment Event, provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such adjustment.

“**De-Listing**” means, in respect of a Fund Share, that the relevant Exchange announces that pursuant to the rules of such Exchange, such Fund Share ceases (or will cease) to be listed, traded, or publicly quoted on such Exchange for any reason (other than a Merger Event or Tender Offer) and are not immediately re-listed, re-traded, or re-quoted on an exchange or quotation system located in the same country as the Exchange (or, where the Exchange is within the European Union, in a member state of the European Union).

If a De-Listing, Merger Event, Tender Offer, Nationalization, Insolvency, or Material Underlying Event occurs in relation to any Fund Share, the Issuer in its sole and absolute discretion may take the action described in (i), (ii) or (iii) below:

- (i) require the Calculation Agent, in its sole and absolute discretion, to determine the appropriate adjustment(s), if any, to be made to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms to account for the De-Listing, Merger Event, Tender Offer, Nationalization, Insolvency, or Material Underlying Event, as the case may be, and determine the effective date(s) of that adjustment(s). The Calculation Agent may (but need not) determine the appropriate adjustment(s) by reference to the adjustment(s) in respect of the De-Listing, Merger Event, Tender Offer, Nationalization, Insolvency, or Material Underlying Event made by any options exchange to options on the relevant Fund Share traded on that options exchange;
- (ii) give notice to the Noteholders in accordance with Condition 14, and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Specified Denomination being redeemed at the Early Redemption Amount; or
- (iii) following such adjustment to the settlement terms of options on the Fund Shares traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the “**Options Exchange**”), require the Calculation Agent to make a corresponding adjustment to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the Fund Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-listing, Nationalization, Insolvency, or Material Underlying Event, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded.

Upon the occurrence of a Merger Event, Tender Offer, De-listing, Nationalization, Insolvency, or Material Underlying Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 14 stating the occurrence of the Merger Event, Tender Offer, Nationalization, De-listing, Insolvency, or

Material Underlying Event, as the case may be, giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such Merger Event, Tender Offer, De-listing, Nationalization, or Insolvency, as the case may be.

“Hedging Disruption” means that the Issuer and/or any of its Affiliates or agents is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind, or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Fund Linked Notes, or (ii) realize, recover or remit the proceeds of any such transaction(s) or asset(s).

“Increased Cost of Hedging” means that the Issuer and/or any of its Affiliates or agents would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense, or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind, or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Fund Linked Notes, or (ii) realize, recover, or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

(b) If an Additional Disruption Event occurs, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
- (ii) give notice to Noteholders in accordance with Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Specified Denomination being redeemed at the Early Redemption Amount.

(c) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 14 stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.

ADDITIONAL TERMS AND CONDITIONS FOR INFLATION LINKED NOTES

*The terms and conditions applicable to Inflation Linked Notes shall comprise the Terms and Conditions of the Notes and the additional Terms and Conditions set out below (the “**Inflation Linked Conditions**”), in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Terms and Conditions of the Notes, and the Inflation Linked Conditions, the Inflation Linked Conditions shall prevail. In the event of any inconsistency between (i) the Terms and Conditions of the Notes and/or the Inflation Linked Conditions and (ii) the Final Terms, the Final Terms shall prevail.*

1. **Definitions**

For the purpose of the Inflation Linked Notes:

“**Cut-Off Date**” means, in respect of a Determination Date, five Business Days prior to such Determination Date, unless otherwise stated in the applicable Final Terms.

“**Delayed Index Level Event**” means, in respect of any Determination Date and an Inflation Index, that the relevant Index Sponsor fails to publish or announce the level of such Index (the “**Relevant Level**”) in respect of any Reference Month which is to be utilized in any calculation or determination to be made by the Issuer in respect of such Determination Date, at any time on or prior to the Cut-Off Date.

“**Determination Date**” means each date specified as such in the applicable Final Terms.

“**End Date**” means each date specified as such in the applicable Final Terms.

“**Fallback Bond**” means, in respect of an Inflation Index, a bond selected by the Calculation Agent and issued by the government of the country to whose level of inflation the relevant Inflation Index relates and which pays a coupon or redemption amount which is calculated by reference to such Inflation Index, with a maturity date which falls on (a) the same day as the End Date as specified in the applicable Final Terms, (b) the next longest maturity after the End Date if there is no such bond maturing on the End Date, or (c) the next shortest maturity before the End Date if no bond defined in (a) or (b) is selected by the Calculation Agent. If the relevant Inflation Index relates to the level of inflation across the European Monetary Union, the Calculation Agent will select an inflation-linked bond that is a debt obligation of one of the governments (but not any government agency) of France, Italy, Germany, or Spain and which pays a coupon or redemption amount which is calculated by reference to the level of inflation in the European Monetary Union. In each case, the Calculation Agent will select the Fallback Bond from those inflation-linked bonds issued on or before the Issue Date and, if there is more than one inflation-linked bond maturing on the same date, the Fallback Bond shall be selected by the Calculation Agent from those bonds. If the Fallback Bond redeems, the Calculation Agent will select a new Fallback Bond on the same basis, but selected from all eligible bonds in issue at the time the original Fallback Bond redeems (including any bond for which the redeemed bond is exchanged).

“**Inflation Index**” means each inflation index specified in the applicable Final Terms and related expressions shall be construed accordingly.

“**Inflation Index Sponsor**” means, in relation to an Inflation Index, the entity that publishes or announces (directly or through an agent) the level of such Inflation Index which, as of the Issue Date, is the Inflation Index Sponsor specified in the applicable Final Terms.

“**Reference Month**” means the calendar month for which the level of the Inflation Index was reported, regardless of when this information is published or announced. If the period for which the level of the Inflation Index was reported is a period other than a month, the Reference Month shall be the period for which the level of the Inflation Index was reported.

“**Related Bond**” means, in respect of an Inflation Index, the bond specified as such in the applicable Final Terms. If the Related Bond specified in the applicable Final Terms is “Fallback Bond”, then, for any Related Bond

determination, the Calculation Agent shall use the Fallback Bond. If no bond is specified in the applicable Final Terms as the Related Bond and “Fallback Bond: Not Applicable” is specified in the applicable Final Terms there will be no Related Bond. If a bond is selected as the Related Bond in the applicable Final Terms and that bond redeems or matures before the End Date, unless “Fallback Bond: Not Applicable” is specified in the applicable Final Terms, the Calculation Agent shall use the Fallback Bond for any Related Bond determination.

2. Inflation Index Adjustments

(a) Delay in Publication

Subject to Inflation Linked Condition 2(b), if the Calculation Agent determines that a Delayed Index Level Event in respect of an Index has occurred with respect to any Determination Date, then the Relevant Level for such Index the subject of such Delayed Index Level Event (the “**Substitute Index Level**”) shall be determined by the Calculation Agent as follows:

- (i) if Related Bond is specified as applicable for such Index in the applicable Final Terms, the Calculation Agent shall determine the Substitute Index Level by reference to the corresponding index level determined under the terms and conditions of the relevant Related Bond; or
- (ii) if (I) Related Bond is specified as not applicable for such Index in the applicable Final Terms, or (II) the Calculation Agent is not able to determine a Substitute Index Level under (i) above, the Calculation Agent shall determine the Substitute Index Level by reference to the following formula:

Substitute Index Level = Base Level 6 (Latest Level/Reference Level)

where:

“**Base Level**” means, in respect of an Inflation Index, the level of such Inflation Index (excluding any “flash” estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month which is 12 calendar months prior to the month for which the Substitute Index Level is being determined.

“**Latest Level**” means, in respect of an Inflation Index, the latest level of such Inflation Index (excluding any “flash” estimates) published or announced by the relevant Inflation Index Sponsor prior to the month in respect of which the Substitute Index Level is being determined.

“**Reference Level**” means, in respect of an Inflation Index, the level of such Inflation Index (excluding any “flash” estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month that is 12 calendar months prior to the month in respect of the Latest Level.

The Issuer shall give notice to Noteholders in accordance with Condition 14 of any Substitute Index Level calculated pursuant to this Inflation Linked Condition 2.

(b) Cessation of Publication

If a level for the Inflation Index has not been published or announced for two consecutive months or the Inflation Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index then the Calculation Agent shall determine a successor index (in lieu of any previously applicable Inflation Index) for the purposes of the Inflation Linked Notes by using the following methodology:

- (i) if at any time, a successor index has been designated by the Calculation Agent pursuant to the terms and conditions of the Related Bond, such successor index shall be designated a “Successor Index” notwithstanding that any other Successor Index may previously have been determined under paragraphs (ii), (iii) or (iv) below; or
- (ii) if a Successor Index has not been determined pursuant to Inflation Linked Condition 2(b)(i) and Inflation Linked Condition 2(b)(ii) a notice has been given or an announcement has been made by the Inflation Index Sponsor, specifying that the Inflation Index will be superseded by a replacement

Inflation Index specified by the Inflation Index Sponsor, and the Calculation Agent determines that such replacement index is calculated using the same or substantially similar formula or method of calculation as used in the calculation of the previously applicable Inflation Index, such replacement index shall be the Inflation Index for purposes of the Inflation Linked Notes from the date that such replacement Inflation Index comes into effect; or

- (iii) if a Successor Index has not been determined pursuant to Inflation Linked Condition 2(b)(i), the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be. If between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If three responses are received, and two or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If fewer than three responses are received, the Calculation Agent will proceed to Inflation Linked Condition 2(b)(iv); or
- (iv) if no replacement index or Successor Inflation Index has been deemed under Inflation Linked Conditions 2(b)(i), 2(b)(ii) or 2(b)(iii), by the next occurring Cut-Off Date the Calculation Agent will determine an appropriate alternative index from such Cut-Off Date, and such index will be deemed a "Successor Inflation Index"; or
- (v) if the Calculation Agent determines that there is no appropriate alternative index, the Issuer shall give notice to the Noteholders in accordance with Condition 14 and redeem all (but not less than all) of the Notes, each nominal amount of Notes equal to the Specified Denomination being redeemed at the Early Redemption Amount.

(c) **Rebasing of the Inflation Index**

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the "Rebased Index") will be used for purposes of determining the level of the Inflation Index from the date of such rebasing; provided, however, that the Calculation Agent shall make adjustments as are made by the Calculation Agent pursuant to the terms and conditions of the Related Bond, if Related Bond is specified as applicable in the applicable Final Terms, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Index before it was rebased, or, if Related Bond is specified as not applicable in the applicable Final Terms the Calculation Agent shall make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased.

(d) **Material Modification Prior to Last Occurring Cut-Off**

If, on or prior to the last occurring Cut-Off Date, the Inflation Index Sponsor announces that it will make a material change to the Inflation Index then the Calculation Agent shall make any such adjustments, if Related Bond is specified as applicable in the applicable Final Terms, consistent with adjustments made to the Related Bond, or, if Related Bond is specified as not applicable in the applicable Final Terms, only those adjustments to the Inflation Index necessary for the modified Inflation Index to continue as the Inflation Index.

ANNEX 8

ADDITIONAL TERMS AND CONDITIONS FOR PHYSICAL DELIVERY NOTES

The terms and conditions applicable to Physical Delivery Notes shall comprise the Terms and Conditions of the Notes and the additional Terms and Conditions set out below (the “Physical Delivery Conditions”), in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Terms and Conditions of the Notes, and the Physical Delivery Conditions, the Physical Delivery Conditions shall prevail. In the event of any inconsistency between (i) the Terms and Conditions of the Notes and/or the Physical Delivery Conditions and (ii) the Final Terms, the Final Terms shall prevail.

1. **Delivery of Entitlement and Asset Transfer Notices**

In order to obtain delivery of the Entitlement(s) in respect of any Note:

- (a) if such Note is represented by a Global Note, the relevant Noteholder must deliver to the Relevant Clearing System, with a copy to the Principal Agent and the Issuer not later than the close of business in each place of receipt on the Cut-Off Date, a duly completed Asset Transfer Notice substantially in the form set out in the Agency Agreement (the “Asset Transfer Notice”); and
- (b) if such Note is in definitive form, the relevant Noteholder must deliver to any Paying Agent, with a copy to the Principal Agent and the Issuer not later than the close of business in each place of receipt on the Cut-Off Date, a duly completed Asset Transfer Notice.

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of any Paying Agent.

An Asset Transfer Notice may only be delivered (i) if such Note is represented by a Global Note, in such manner as is acceptable to the Relevant Clearing System or (ii) if such Note is in definitive form, in writing.

If such Note is in definitive form, such Note must be delivered together with the duly completed Asset Transfer Notice.

The Issuer shall at the risk of the relevant Noteholder deliver the Entitlement in respect of each Note.

All expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities, transfer, and/or other taxes or duties (together “Expenses”), arising from the redemption of the Notes and the delivery of any Entitlement shall be for the account of the relevant Noteholder or Couponholder, as the case may be, and no delivery and/or transfer of any Entitlement shall be made until all Expenses have been paid to the satisfaction of the Issuer by the relevant Noteholder or Couponholder, as the case may be.

An Asset Transfer Notice must:

- (a) specify the name, address outside the United States and its possessions, and contact telephone number of the relevant Noteholder or Couponholder, as the case may be, and the person from whom the Issuer may obtain details for the delivery of the Entitlement if such delivery is to be made otherwise than in the manner specified in the applicable Final Terms;
- (b) in the case of Notes represented by a Global Note, specify the nominal amount of Notes which are the subject of such notice and the number of the Noteholder’s account at the Relevant Clearing System to be debited with such Notes and irrevocably instruct and authorize the Relevant Clearing System to debit the relevant Noteholder’s account with such Notes on or before the Maturity Delivery Date (as defined below);

- (c) include an undertaking to pay all Expenses and, in the case of Notes represented by a Global Note, an authority to debit a specified account of the Noteholder at the Relevant Clearing System in respect thereof and to pay such Expenses;
- (d) include such details as are required by the applicable Final Terms for delivery of the Entitlement which may include account details of an account outside the United States and its possession and/or the name and address outside the United States and its possessions of any person(s) into whose name evidence of the Entitlement is to be registered and/or any bank, broker, or agent outside the United States and its possessions to whom documents evidencing the Entitlement are to be delivered and specify the name and number of the Noteholder's account with the Relevant Clearing System to be credited with any cash payable by the Issuer, in respect of any cash amount constituting the Entitlement or any dividends relating to the Entitlement, as a result of the occurrence of a Settlement Disruption Event or a Failure to Deliver due to Illiquidity and the Issuer electing to pay the Disruption Cash Settlement Price or Failure to Deliver Settlement Price, as applicable, or in respect of any Partial Cash Settlement Amounts;
- (e) certify that the beneficial owner of each Note is not a U.S. person (as defined in Regulation S under the Securities Act), the Note is not being redeemed within the United States or its possessions or on behalf of a U.S. person and no cash, securities or other property have been or will be delivered within the United States or its possessions or to, or for the account or benefit of, a U.S. person in connection with any redemption thereof; and
- (f) authorize the production of such notice in any applicable administrative or legal proceedings.

No Asset Transfer Notice may be withdrawn after receipt thereof by the Relevant Clearing System or a Paying Agent as provided above. After delivery of an Asset Transfer Notice, the relevant Noteholder may not transfer the Notes which are the subject of such notice.

In the case of Notes represented by a Global Note, upon receipt of such notice, the Relevant Clearing System shall verify that the person specified therein as the Noteholder is the holder of the specified nominal amount of Notes according to its books.

Subject thereto, the Relevant Clearing System will confirm to the Principal Agent the ISIN, series number, and number of Notes the subject of such notice, the relevant account details (if applicable) and the details for the delivery of the Entitlement in respect of each such Note. Upon receipt of such confirmation, the Principal Agent will inform the Issuer thereof. The Relevant Clearing System, will on or before the Maturity Delivery Date, debit the securities account of the relevant Noteholder with the Notes the subject of the relevant Asset Transfer Notice.

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Physical Delivery Conditions shall be made, in the case of Notes represented by a Global Note, by the Relevant Clearing System, after consultation with the Principal Agent and the Issuer and shall be conclusive and binding on the Issuer and the relevant Noteholder, or, in the case of Notes in definitive form, by the relevant Paying Agent after consultation with the Principal Agent and the Issuer and shall be conclusive and binding on the Issuer and the relevant Noteholder.

If such Asset Transfer Notice is subsequently corrected to the satisfaction of the Relevant Clearing System or the relevant Paying Agent, in each case in consultation with the Principal Agent and the Issuer, it shall be deemed to be a new Asset Transfer Notice submitted at the time such correction was delivered as provided above.

The Relevant Clearing System or the relevant Paying Agent, as applicable, shall use its best efforts promptly to notify the Noteholder submitting an Asset Transfer Notice if, in consultation with the Principal Agent and the Issuer, it has determined that such Asset Transfer Notice is incomplete or not in proper form. In the absence of negligence or willful misconduct on its part, none of the Issuer,

the Paying Agents, the Relevant Clearing System or the Principal Agent shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Noteholder.

The Entitlement will be delivered at the risk of the relevant Noteholder, in the manner provided above on the Maturity Date (such date, subject to adjustment in accordance with these Physical Delivery Conditions, the “**Maturity Delivery Date**”), provided that the Asset Transfer Notice is duly delivered to the Relevant Clearing System or a Paying Agent, as the case may be, with a copy to the Principal Agent and the Issuer, as provided above, not later than the close of business in each place of receipt on the Cut-Off Date.

If an Asset Transfer Notice is delivered to the Relevant Clearing System or a Paying Agent, as the case may be, with a copy to the Principal Agent and the Issuer, later than the close of business in each place of receipt on the Cut-Off Date, then the Entitlement will be delivered as soon as practicable after the Maturity Date (in which case, such date of delivery shall be the Maturity Delivery Date). Provided that if in respect of a Note an Asset Transfer Notice is not delivered to the Relevant Clearing System or a Paying Agent, as the case may be, with a copy to the Principal Agent and the Issuer, later than the close of business in each place of receipt on the 90th calendar day following the Cut-Off Date, the Issuer’s obligations in respect of such Note shall be discharged and no further liability in respect thereof shall attach to the Issuer. For the avoidance of doubt, in such circumstances such Noteholder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Maturity Delivery Date falling after the originally designated Maturity Delivery Date and no liability in respect thereof shall attach to the Issuer.

Delivery of the Entitlement in respect of the Notes is subject to all applicable laws, regulations and practices in force on the Maturity Delivery Date and none of the Issuer or any of its Affiliates or agents and the Paying Agents shall incur any liability whatsoever if it is unable to effect the transactions contemplated, after using all reasonable efforts, as a result of any such laws, regulations or practices. None of the Issuer or any of its Affiliates or agents and the Paying Agents shall under any circumstances be liable for any acts or defaults of the Relevant Clearing System in relation to the performance of its duties in relation to the Notes.

For such period of time after the Maturity Delivery Date, as any person other than the relevant Noteholder shall continue to be the legal owner of the securities or obligations comprising the Entitlement (the “**Intervening Period**”), neither of the Issuer nor any other such person shall (i) be under any obligation to deliver or procure delivery to the relevant Noteholder or any subsequent beneficial owner of such Note any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities or obligations, (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such securities or obligations during the Intervening Period or (iii) be under any liability to the relevant Noteholder or any subsequent beneficial owner of such Note in respect of any loss or damage which the relevant Noteholder or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of that person being the legal owner of such securities or obligations during such Intervening Period.

Where the Entitlement comprises shares, any dividend or other distribution in respect of such Entitlement will be payable to the party that would receive such dividend or other distribution according to market practice for a sale of the share executed on the Maturity Delivery Date and to be delivered in the same manner as the Entitlement. Any such dividend or other distribution to be paid to a Noteholder shall be paid to the account specified in the relevant Asset Transfer Notice.

The Noteholders will receive an Entitlement comprising of the nearest number (rounded down) of Relevant Assets capable of being delivered by the Issuer (taking into account that a Noteholder’s entire holding may be aggregated at the Issuer’s discretion for the purpose of delivering the Entitlements), and in respect of the amount of Relevant Assets not capable of being delivered, an amount in the Specified Currency which shall be the value of the amount of the Relevant Assets so

rounded down, as calculated by the Calculation Agent in its sole discretion from such source(s) as it may select (converted if necessary into the Specified Currency by reference to such exchange rate as the Calculation Agent deems appropriate).

2. **Settlement Disruption Event**

If, prior to the delivery of the Entitlement in accordance with these Physical Delivery Conditions, a Settlement Disruption Event is subsisting, then the Maturity Delivery Date in respect of such Note shall be postponed until the next Settlement Business Day (as specified in the applicable Final Terms) on which no Settlement Disruption Event is subsisting and notice thereof shall be given to the relevant Noteholder, in accordance with Condition 14. Such Noteholder shall not be entitled to any payment, whether of interest or otherwise, on such Note as a result of any delay in the delivery of the Entitlement pursuant to these Physical Delivery Conditions. Where delivery of the Entitlement has been postponed as provided in these Physical Delivery Conditions the Issuer shall not be in breach of these Conditions and no liability in respect thereof shall attach to the Issuer.

For so long as delivery of the Entitlement in respect of any Note is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Note by payment to the relevant Noteholder of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election (the “**Election Notice**”) is given to the Noteholders in accordance with Condition 14.

3. **Failure to Deliver due to Illiquidity**

If Failure to Deliver due to Illiquidity is specified as applying in the applicable Final Terms and, in the opinion of the Calculation Agent, it is impossible or impracticable to deliver, when due, some or all of the Relevant Assets comprising the Entitlement (the “**Affected Relevant Assets**”), where such failure to deliver is due to illiquidity in the market for the Relevant Assets (a “**Failure to Deliver due to Illiquidity**”), then:

- (a) subject as provided elsewhere in these Physical Delivery Conditions and/or the applicable Final Terms, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated Maturity Delivery Date in accordance with these Physical Delivery Conditions; and
- (b) in respect of any Affected Relevant Assets, notwithstanding any other provision hereof, the Issuer may elect in its sole discretion, in lieu of delivery of the Affected Relevant Assets, to pay to the relevant Noteholder the Failure to Deliver Settlement Price (as defined below) on the fifth Business Day following the date the Failure to Deliver Notice (as defined below) is given to the Noteholders in accordance with Condition 14. The Issuer shall give notice (such notice a “**Failure to Deliver Notice**”) as soon as reasonably practicable to the Noteholders in accordance with Condition 14 that the provisions of this Physical Delivery Condition 3 apply.

4. **Option to Vary Settlement**

If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Notes, the Issuer may at its sole and unfettered discretion in respect of each such Note, elect not to pay the relevant Noteholders the Final Redemption Amount or to deliver or procure delivery of the Entitlement to the relevant Noteholders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Final Redemption Amount on the Maturity Date to the relevant Noteholders, as the case may be. Notification of such election will be given to Noteholders in accordance with Condition 14.

5. **Definitions**

For the purposes of these Physical Delivery Conditions:

“**Cut-Off Date**” means the date specified as such in the applicable Final Terms.

“**Disruption Cash Settlement Price**” means, in respect of each nominal amount of Notes equal to the Specified Denomination, an amount equal to the fair market value of such Notes (but not taking into account any interest accrued on such Note and paid pursuant to Condition 4 and Condition 5) on such day as shall be selected by the Issuer in its sole and absolute discretion provided that such day is not more than 15 calendar days before the date that the Election Notice is given as provided above less the cost to the Issuer and/or its Affiliates or agents of unwinding or adjusting any underlying or related hedging arrangements (including the cost of funding in respect of such hedging arrangements), all as calculated by the Calculation Agent in its sole and absolute discretion.

“**Entitlement**” means, in relation to a Physical Delivery Note, the quantity of the Relevant Asset or the Relevant Assets, as the case may be, which a Noteholder is entitled to receive on the Maturity Delivery Date in respect of each such Note following payment of the Expenses, which quantity will be rounded down as provided in Physical Delivery Condition 1, as determined by the Calculation Agent and includes any documents evidencing such Entitlement.

“**Failure to Deliver Settlement Price**” means, in respect of each nominal amount of the Notes equal to the Specified Denomination, the fair market value of the Affected Relevant Assets in respect of such Notes on the fifth Business Day prior to the date on which the Failure to Deliver Notice is given as provided above, less the cost to the Issuer and/or its Affiliates or agents of unwinding or adjusting any underlying or related hedging arrangements (including the cost of funding in respect of such hedging arrangements), all as calculated by the Calculation Agent in its sole and absolute discretion.

“**Settlement Disruption Event**” means an event beyond the control of the Issuer as a result of which, in the opinion of the Calculation Agent delivery of the Entitlement by or on behalf of the Issuer in accordance with these Physical Delivery Conditions and/or the applicable Final Terms is not practicable.

(i) "voting certificate" shall mean an English language certificate issued by a Paying Agent and dated in which it is stated:

(a) that on the date thereof Bearer Notes (not being Notes in respect of which a block voting instruction has been issued and is outstanding in respect of the meeting specified in such voting certificate and any adjourned such meeting) bearing specified serial numbers were deposited with such Paying Agent or (to the satisfaction of such Paying Agent) were held to its order or under its control and that no such Bearer Notes will cease to be so deposited or held until the first to occur of:

- (1) the conclusion of the meeting specified in such certificate or, if applicable, any adjourned such meeting; and

(c) the total number and (in the case only of Bearer Definitive Notes) the serial numbers of the Bearer Notes so deposited or held are listed distinguishing with regard to each such resolution between those in respect of which instructions have been so given that the votes attributable thereto should be cast against the resolution; and

(d) one or more persons (who need not be Noteholders) named in such document (each hereinafter called a "Proxy" and together the "Proxies") is or are authorized and instructed by such Paying Agent to cast the votes attributable to the Notes so listed in accordance with the instructions referred to in paragraph (c) above as set out in such document.

The holder of any voting certificate or the Proxies named in any block voting instruction shall for all purposes in connection with the relevant meeting or adjourned meeting of Noteholders be deemed to be the holder of the Bearer Notes to which such voting certificate or block voting instruction related and the Paying Agent with which such Bearer Notes have been deposited or the person holding the same to the order or under the control of such Paying Agent shall be deemed for such purposes not to be the holder of those Notes.

(iii) References herein to the "Notes" are to the Notes in respect of which the relevant meeting is convened.

2. A holder of a Registered Note may, by an instrument in writing in the form available from the specified office of a Transfer Agent in the English language executed by or on behalf of the holder and delivered to the Transfer Agent at least 24 hours before the time fixed for a meeting, appoint a Proxy to act on such holders' behalf in connection with that meeting. A Proxy need not be a Noteholder. A corporation which holds a Registered Note may by delivering to a Transfer Agent at least 24 hours before the time fixed for a meeting a certified copy of a resolution of its directors or other governing body (with, if it is not in English, a certified translation into English) authorize any person to act as its representative in connection with that meeting.

3. The Principal Agent may at any time and, upon a requisition in writing of Noteholders holding not less than 33% in principal amount of the Notes for the time being outstanding, shall convene a meeting of the Noteholders and if the Principal Agent makes default for a period of seven days in convening such a meeting the same may be convened by the Issuer or the requisitionists. Whenever the Principal Agent is about to convene any such meeting it shall forthwith give notice in writing to the Issuer and the Dealers of the day, time and place thereof and of the nature of the business to be transacted thereat. Every such meeting shall be held at such time and place in the City of New York or London as the Principal Agent may approve.

4. Notice of every meeting of Noteholders shall be published on behalf and at the expense of the Issuer in accordance with Condition 14. Such notice shall set forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, and shall be published at least twice, the first publication to be not less than 21 nor more than 180 calendar days prior to the date fixed for the meeting. Such notice shall include a statement to the effect that Notes may be deposited with Paying Agents for the purpose of obtaining voting certificates or appointing Proxies not less than 24 hours before the time fixed for the meeting or that, in the case of corporations, they may appoint representatives by resolution of their directors or other governing body. A copy of the notice shall be sent by post to the Issuer (unless the meeting is convened by the Issuer).

5. In case at any time the Issuer or the holders of at least 33% in aggregate principal amount of the Notes outstanding shall have requested the Principal Agent to call a meeting of Noteholders, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Principal Agent shall not have given the first notice of such meeting within 21 calendar days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Issuer or Noteholders of Notes in the amount above specified may determine the time and the place in either of the locations designated in paragraph 3 hereof for such meeting and may call such meeting by giving notice thereof as provided in paragraph 4 hereof.

6. Any person (who may but need not be a Noteholder) nominated in writing by the Issuer shall be entitled to the chair at every such meeting but if no such nomination is made or if at any meeting the person nominated shall not be present within 15 minutes after the time appointed for holding the meeting the Noteholders present shall choose one of their number to be Chairman. To be entitled to vote at any meeting of Noteholders, a

person shall be (i) a Noteholder of one or more Notes, or (ii) a Proxy. The only persons who shall be entitled to be present or to speak at any meeting of Noteholders shall be the persons entitled to vote at such meeting and their counsel and any representatives of the Principal Agent and its counsel and any representatives of the Issuer and its counsel.

7. At any such meeting, one or more persons present holding Notes or voting certificates or being Proxies and holding or representing in the aggregate not less than 5% in principal amount of the Notes shall (except for the purpose of passing an Extraordinary Resolution) form a quorum for the transaction of business and no business (other than the choosing of a Chairman) shall be transacted at any meeting unless the requisite quorum be present at the commencement of business. The quorum at any such meeting for passing an Extraordinary Resolution shall (subject as provided below) be one or more persons present holding Notes or voting certificates or being Proxies and holding or representing in the aggregate more than 50% in principal amount of the Notes for the time being outstanding, provided that, at any meeting the business of which includes any of the following matters (each of which shall only be capable of being effected after having been approved by an Extraordinary Resolution) namely:

- (i) modification of the Maturity Date or, as the case may be, redemption month of the Notes or reduction or cancellation of the principal amount payable upon maturity; or
- (ii) reduction or cancellation of the amount payable or modification of the payment date in respect of any interest in respect of the Notes or variation of the method of calculating the Rate of Interest (if applicable) in respect of the Notes; or
- (iii) reduction of any Minimum Interest Rate and/or Maximum Interest Rate specified in the applicable Final Terms of any Floating Rate Note; or
- (iv) modification of the currency in which payment under the Notes and/or any Coupons appertaining thereto are to be made; or
- (v) modification of the majority required to pass an Extraordinary Resolution; or
- (vi) the sanctioning of any such scheme or proposal as is described in paragraph 20(F) below; or
- (vii) alteration of this proviso or the proviso to paragraph 8 below;

the quorum shall be one or more persons present holding Notes or voting certificates or being Proxies and holding or representing in the aggregate not less than two-thirds in principal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the holders of Notes will be binding on all holders of Notes whether or not they are present at the meeting, and on all holders of Coupons appertaining to such Notes.

8. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of the Noteholders (as provided in paragraph 5 hereof), be dissolved. In any other case, the meeting shall be adjourned for a period of not less than 10 calendar days as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in paragraph 4 hereof except that such notice need be published only once but must be given not less than five calendar days prior to the date on which the meeting is scheduled to be reconvened. Subject to the foregoing, at the reconvening of any meeting adjourned for a lack of a quorum the persons entitled to vote 33% in principal amount of the Notes shall constitute a quorum for the taking of any action set forth in the notice of the original meeting. Notice of the reconvening of an adjourned meeting shall state expressly the percentage of the aggregate principal amount of the Notes that shall constitute a quorum. At a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid, any resolution and all matters (except as limited by Condition 15) shall be effectively passed and decided if passed or decided by the persons entitled to vote a majority in principal amount of the Notes represented and voting at such meeting, provided that such amount shall be not less than 33% in principal amount of the Notes outstanding. Any Noteholder who has

executed and delivered an instrument in writing appointing a person as his Proxy shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; provided, however, that such Noteholder shall be considered as present or voting only with respect to the matters covered by such instrument in writing. Any resolution effectively passed or decision taken at any meeting of the Noteholders duly held in accordance with this paragraph 8 shall be binding on all Noteholders whether or not present or represented at the meeting and whether or not notation of such decision is made upon the Notes.

9. Notice of any adjourned meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in paragraph 4 above and such notice shall (except in cases where the proviso to paragraph 6 above shall apply when it shall state the relevant quorum) state that one or more persons present holding Notes or voting certificates or being Proxies at the adjournment meeting whatever the principal amount of the Notes held or represented by them will form a quorum. Subject as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

10. Every question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the Chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Noteholder or as a holder of a voting certificate or as a Proxy.

11. At any meeting, unless a poll is (before or on the declaration of the results of the show of hands) demanded by the Chairman or the Issuer or by one or more persons present holding Notes or voting certificates or being Proxies and holding or representing in the aggregate not less than two percent in principal amount of the Notes for the time being outstanding, a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favor of or against such resolution.

12. Subject to paragraph 14 below, if at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the asking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.

13. The Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.

14. Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.

15. Any director or officer of the Issuer and its lawyers and other professional advisers may attend and speak at any meeting. Save as aforesaid, but without prejudice to the proviso to the definition of "outstanding" in sub-clause 1(b) of the Agency Agreement, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of the Noteholders or join with others in requisitioning the convening of such a meeting unless he either produces the Note or Notes of which he is the holder or a voting certificate or is a Proxy. Neither the Issuer nor any of its subsidiaries shall be entitled to vote at any meeting in respect of Notes held by it for the benefit of any such company and no other person shall be entitled to vote at any meeting in respect of Notes held by it for the benefit of any such company. Nothing herein contained shall prevent any of the Proxies named in any block voting instruction from being a director, officer or representative of or otherwise connected with the Issuer.

16. Subject as provided in paragraph 15 hereof at any meeting:

(A) on a show of hands every person who is present in person and produces a Note or voting certificate or is a Proxy shall have one vote; and

(B) on a poll every person who is so present shall have one vote in respect of:

(i) in the case of a meeting of the holders of Notes all of which are denominated in a single currency, each minimum integral amount of such currency; and

(ii) in the case of a meeting of the holders of Notes denominated in more than one currency, each U.S. \$1.00 or, in the case of a Note denominated in a currency other than U.S. Dollars, the equivalent of U.S. \$1.00 in such currency at the Principal Agent's spot buying rate for the relevant currency against U.S. Dollars at or about 11:00 a.m. (London time) on the date of publication of the notice of the relevant meeting (or of the original meeting of which such meeting is an adjournment), or such other amount as the Principal Agent shall in its absolute discretion stipulate in principal amount of Notes so produced or represented by the voting certificate so produced or in respect of which he is a Proxy.

Without prejudice to the obligation of the Proxies named in any block voting instructions, any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

17. Each block voting instruction together (if so requested by the Issuer) with proof satisfactory to the Issuer of its due execution on behalf of the relevant Paying Agent shall be deposited at such place as the Principal Agent shall approve not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the Proxies named in the block voting instruction propose to vote and in default the block voting instruction shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A certified copy of each block voting instruction shall be deposited with the Principal Agent before the commencement of the meeting or adjourned meeting, but the Principal Agent shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the Proxies named in any such block voting instruction.

18. Any vote given in accordance with the terms of a block voting instruction shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or of any of the Noteholders' instructions pursuant to which it was executed, provided that no intimation in writing of such revocation or amendment shall have been received from the relevant Paying Agent by the Issuer at its registered office (or such other place as may have been approved by the Principal Agent of the purpose) by the time being 24 hours before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction is to be used.

19. A meeting of the Noteholders shall, in addition to the powers hereinbefore given, have the following powers exercisable by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 7 and 8 above) only namely:

(A) Power to sanction any compromise or arrangement proposed to be made between the Issuer and the Noteholders, the Receiptholders (if applicable) and the Couponholders (if applicable) or any of them.

(B) Power to sanction any abrogation, modification, compromise or arrangement in respect of the rights of the Noteholders, the Receiptholders (if applicable) and the Couponholders (if applicable) against the Issuer or against any of its property whether such rights shall arise under this Agreement, the Notes, the Receipts (if applicable), the Coupons (if applicable) or otherwise.

(C) Power to assent to any modification of the provisions contained in this Agreement or the Terms and Conditions, the Notes, the Receipts (if applicable) or the Coupons (if applicable) which shall be proposed by the Issuer.

(D) Power to give any authority or sanction which under the provisions of this Agreement or the Notes is required to be given by Extraordinary Resolution.

(E) Power to appoint any persons (whether Noteholders or not) as a committee or committees to represent the interest of the Noteholders and to confer upon such committee or committees any powers or descriptions which the Noteholders could themselves exercise by Extraordinary Resolution.

(F) Power to sanction any scheme or proposal for the exchange or sale of the Notes for, or the conversion of the Notes into or the cancellation of the Notes in consideration of, shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities of the Issuer or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of such shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities as aforesaid and partly for or into or in consideration of cash.

(G) Power to approve the substitution of any entity in place of the Issuer (or any previous substitute) as the principal debtor in respect of the Notes, the Receipts (if applicable) and the Coupons (if applicable).

20. Any resolution passed at a meeting of the Noteholders duly convened and held in accordance with the Agency Agreement shall be binding upon all the Noteholders whether present or not present at such meeting and whether or not voting and upon all Receiptholders (if applicable) and Couponholders (if applicable) and each of them shall be bound to give effect thereto accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any resolution duly considered by the Noteholders shall be published in accordance with Condition 14 by the Issuer within 14 calendar days of such result being known, provided that the non-publication of such notice shall not invalidate such resolution.

21. The expression "Extraordinary Resolution" when used in this Agreement or the Terms and Conditions means a resolution passed at a meeting of the Noteholders duly convened and held in accordance with the provisions herein contained by a majority consisting of not less than 66-2/3% of the votes given on such poll.

22. Minutes of all resolutions and proceedings at every such meeting aforesaid if purporting to be signed by the Chairman of the meeting at which such resolutions were passed or proceedings had shall be conclusive evidence of the matters therein contained and until the contrary is proved every such meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had thereat to have been duly passed or had.

23. The vote upon any resolution submitted to any meeting of Noteholders shall be by written ballots on which shall be subscribed the signatures of Noteholders or of their representatives by Proxy (and the serial number or numbers of the Notes held or represented by them). The permanent chairperson of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in triplicate of all votes cast at the meeting. A record, at least in triplicate, of the proceedings of each meeting of Noteholders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was published as provided in paragraph 3 hereof and, if applicable, paragraph 8 hereof. Each copy shall be signed and verified by the affidavits of the chairperson and secretary of the meeting, and one such copy shall be delivered to the Issuer and another to the Principal Agent to be preserved by the Principal Agent, the copy delivered to the Principal Agent to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

24. Subject to all the provisions contained herein the Principal Agent may without the consent of the Issuer, the Noteholders or the Couponholders (if applicable) prescribe such further regulations regarding the requisition and/or the holding of meetings of Noteholders and attendance and voting thereat as the Principal Agent may in its sole discretion think fit.

Schedule 11 to
Agency Agreement

FORM OF
CALCULATION AGENCY AGREEMENT

THIS CALCULATION AGENCY AGREEMENT (this "Agreement"), as amended, restated and/or supplemented from time to time, is made as of [—], AMONG:

- (A) BANK OF AMERICA CORPORATION, a Delaware corporation (the "Issuer"); and
- (B) [—] (the "Calculation Agent", which expression shall include its successor or successors as calculation agent hereunder).

WHEREAS:

(C) The Issuer has entered into an Amended and Restated Program Agreement (the "Program Agreement") dated as of July 25, 2008, as amended, restated and/or supplemented from time to time, under which the Issuer may issue Euro Medium-Term Notes (the "Notes"). The Issuer and the Dealers may amend, restate, and/or supplement the Program Agreement from time to time in order to, *inter alia*, increase the aggregate principal amount of Notes that the Issuer may have outstanding at any one time under the Program.

(D) The Notes will be issued subject to and with the benefit of an Amended and Restated Agency Agreement (the "Agency Agreement") dated as of July 22, 2010, as amended, restated and/or supplemented from time to time and entered into among the Issuer, Bank of America, N.A., London Branch, as Principal Agent (the "Principal Agent" which expression shall include its successor or successors under the Agency Agreement), and Merrill Lynch International Bank Limited as Transfer Agent and Registrar.

NOW IT IS HEREBY AGREED that:

1. Appointment of the Calculation Agent

(1) The Issuer hereby appoints [—] as Calculation Agent, and the Calculation Agent hereby accepts such appointment, in respect of each relevant Series of Notes (the "Relevant Notes") for the purposes set out in Clause 2 below, all upon the terms set forth herein. The agreement of the parties hereto that this Agreement is to apply to a specific Series of Relevant Notes shall be evidenced by the naming of the Calculation Agent as such in the applicable Final Terms. As used herein, "Series" means a Tranche of Notes, together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) are identical in all respects (including as to listing) except for the date on which such Notes will be issued (the "Issue Date"), for interest bearing Notes, the date from which such Notes bear interest (if different from the Issue Date) and/or the price (expressed as a percentage of the principal amount of the Notes) at which such Notes will be issued. As used herein, "Tranche" means Notes (whether global or definitive form or both) which are identical in all respects (including as to listing).

(2) The appointment of the Calculation Agent shall continue as the Program may be amended from time to time until terminated in accordance with Clause 6.

(3) Terms and expressions defined or specifically interpreted in the Agency Agreement shall have the same meanings or interpretations in this Agreement, except where the context requires otherwise.

2. Duties of Calculation Agent

(1) The Calculation Agent shall, in relation to each Series of Relevant Notes, perform promptly all the functions and duties imposed on the Calculation Agent by the terms and conditions of the Relevant Notes (the "Terms and Conditions").

(2) Without prejudice to Clause 2(1), the Calculation Agent promptly shall notify (and confirm in writing to) the Issuer, the Principal Agent, the other Paying Agents and (in respect of a Series of Notes listed on a stock exchange), the relevant stock exchange of, *inter alia*, each Rate of Interest, Interest Amount, Interest Payment Date, and Entitlement, or other amounts, rates and dates which it is obliged to determine or calculate under the Terms and Conditions, as soon as practicable after the determination thereof, and in any event no later than the tenth Business Day, as defined in Clause 9(2) of the Agency Agreement, immediately preceding the date on which payment is to be made to the Principal Agent pursuant to Clause 9(1) of the Agency Agreement, and of any subsequent amendment thereto pursuant to the Terms and Conditions.

(3) The Calculation Agent shall use its best efforts to cause each Rate of Interest, Interest Amount, Interest Payment Date, and Entitlement, or other amounts, rates and dates which it is obliged to determine or calculate under the Terms and Conditions, to be published as required in accordance with the Terms and Conditions as soon as practicable after their determination or calculation.

(4) If the Calculation Agent does not at any material time for any reason determine and/or calculate and/or publish the Rate of Interest, Interest Amount and/or Interest Payment Date in respect of any Interest Period, and Entitlement, or any other amount, rate or date which it is obliged to determine or calculate under the Terms and Conditions, it forthwith shall notify the Issuer and the Paying Agents of such fact.

3. Fees

The Issuer will pay the compensation of the Calculation Agent at such rates as shall be agreed upon between the Issuer and the Calculation Agent from time to time. Upon receiving an accounting from the Calculation Agent, the Issuer also will pay the Calculation Agent for its reasonable out-of-pocket expenses (including reasonable counsel fees and expenses), disbursements and advances incurred or made in accordance with any provision of this Agreement. If the Calculation Agent shall cease to be the Calculation Agent hereunder, it shall repay to the Issuer the unearned portion, calculated on a pro rata basis, of its compensation.

4. Indemnity

(1) The Issuer shall indemnify and keep indemnified the Calculation Agent and any of its directors, officers, employees and agents against any losses, liabilities, costs, claims, actions, demands or expenses (including, but not limited to, all reasonable costs, legal fees, charges and expenses paid or incurred in disputing or defending any of the foregoing) which it may reasonably incur or which may be made against it as a result of or in connection with its appointment or the exercise of its powers and duties under this Agreement except such as may result from its own willful default, negligence or bad faith or that of its officers, directors, agents or employees, or the material breach by it of the terms of this Agreement.

(2) The Calculation Agent shall indemnify the Issuer and any of its directors, officers, employees and agents against any losses, liabilities, costs, claims, actions, demands or expenses (including, but not limited to, all reasonable costs, legal fees, charges and expenses paid or incurred in disputing or defending any of the foregoing) which the Issuer may reasonably incur or which may be made against the Issuer as a result of the Calculation Agent's willful default, negligence or bad faith or that of its officers, directors, agents or employees or the material breach by it of the terms of this Agreement.

5. Conditions of Appointment

(1) In acting hereunder and in connection with the Relevant Notes, the Calculation Agent shall act solely as agent of the Issuer and shall not assume thereby any obligations towards or relationship of agency or trust for or with any of the owners or holders of the Relevant Notes or the receipts or coupons (if any) appertaining thereto (the "Receipts" and the "Coupons," respectively).

(2) In relation to each issue of Relevant Notes, the Calculation Agent hereby undertakes to the Issuer to perform such obligations and duties, and shall be obliged to perform such duties and only such duties as are herein and in the Terms and Conditions specifically set forth, and no implied duties or obligations shall be read into this Agreement or the Terms and Conditions against the Calculation Agent. If the Terms and Conditions are

amended on or after a date on which the Calculation Agent accepts any appointment in a way which affects the duties expressed to be performed by the Calculation Agent, the Calculation Agent shall not be obliged to perform such duties as so amended unless it has delivered to the Issuer its prior written consent to the relevant amendments.

(3) The Calculation Agent may consult with legal and other professional advisers, and the written opinion of such advisers shall be full and complete protection in respect of any action taken, omitted or suffered hereunder in good faith and in accordance with the opinion of such advisers.

(4) The Calculation Agent shall be protected and shall incur no liability for or in respect of any action taken, omitted or suffered in reliance upon any instruction, request or order from the Issuer or any notice, resolution, direction, consent, certificate, affidavit, statement, or other paper or document which it reasonably believes to be genuine and to have been delivered, signed or sent by the proper party or parties or upon written instructions from the Issuer or notification by any reference bank or other entity from which information is obtained for purposes of making the calculations required hereunder.

(5) The Calculation Agent, and any of its officers, directors and employees, may become the owner of, or acquire any interest in, any Notes, Receipts or Coupons (if any) with the same rights that it or he would have if the Calculation Agent were not appointed hereunder, and may engage or be interested in any financial or other transaction with the Issuer or any of its Affiliates and may act on, or as depository, trustee or agent for, any committee or body of holders of Notes or Coupons (if any) or in connection with any other obligations of the Issuer as freely as if the Calculation Agent were not appointed hereunder.

6. Termination of Appointment

(1) The Issuer may terminate the appointment of the Calculation Agent at any time by giving to the Calculation Agent at least 45 calendar days' prior written notice to that effect, provided that, for so long as any of the Relevant Notes are outstanding:

(a) such notice shall not expire less than 45 calendar days before any date upon which any payment is due in respect of any Relevant Notes; and

(b) notice shall be given in accordance with Condition 14 to the holders of the Relevant Notes at least 30 calendar days prior to any removal of the Calculation Agent; and

(c) upon giving notice of the intended termination of the appointment of the Calculation Agent, the Issuer shall use all reasonable efforts to appoint a further financial institution of good standing as successor Calculation Agent.

(2) Notwithstanding the provisions of sub-clause (1) above, if at any time:

(a) the Calculation Agent becomes incapable of acting, or is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of an administrator, liquidator or administrative or other receiver of all or any substantial part of its property, or admits in writing its inability to pay or meet its debts as they may mature or suspends payment thereof, or if any order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency law or if a receiver of it or of all or a substantial part of its property is appointed or if any officer takes charge or control of it or of its property or affairs for the purpose of rehabilitation, conservation or liquidation; or

(b) the Calculation Agent fails duly to perform any function or duty imposed upon it by the Terms and Conditions and this Agreement,

the Issuer may forthwith without notice terminate the appointment of the Calculation Agent, in which event notice thereof shall be given to the holders of the Relevant Notes in accordance with Condition 14 as soon as practicable thereafter.

(3) The termination of the appointment pursuant to sub-clause (1) or (2) above of the Calculation Agent hereunder shall not entitle the Calculation Agent to any amount by way of compensation but shall be without prejudice to any amount then accrued due.

(4) The Calculation Agent may resign its appointment hereunder at any time by giving to the Issuer at least 90 calendar days' prior written notice to that effect. Following receipt of a notice of resignation from the Calculation Agent, the Issuer promptly shall give notice thereof to the holders of the Relevant Notes in accordance with Condition 14.

(5) Notwithstanding the provisions of sub-clauses (1), (2) and (4) above, so long as any of the Relevant Notes are outstanding, the termination of the appointment of the Calculation Agent (whether by the Issuer or by the resignation of the Calculation Agent) shall not be effective unless upon the expiration of the relevant notice a successor Calculation Agent has been appointed. The Issuer agrees with the Calculation Agent that if, by the day falling 10 calendar days before the expiration of any notice under sub-clause (1) or (4) above, the Issuer has not appointed a replacement Calculation Agent, the Calculation Agent, on behalf of the Issuer, shall be entitled to appoint as a successor Calculation Agent in its place a reputable financial institution of good standing (acting through its principal London Office) which the Issuer shall approve (such approval not to be unreasonably withheld or delayed).

(6) Upon its appointment becoming effective, a successor Calculation Agent shall without further act, deed or conveyance, become vested with all the authority, rights, powers, trusts, immunities, duties and obligations of its predecessor with like effect as if originally named as the Calculation Agent hereunder.

(7) If the appointment of the Calculation Agent hereunder is terminated (whether by the Issuer or by the resignation of the Calculation Agent), the Calculation Agent shall on the day on which such termination takes effect deliver to the successor Calculation Agent all records concerning the Relevant Notes maintained by it (except such documents and records as it is obliged by law or regulation to retain or not to release), but shall have no other duties or responsibilities hereunder.

(8) Any entity into which the Calculation Agent may be merged or converted, or any entity with which the Calculation Agent may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Calculation Agent shall be a party, or any entity to which the Calculation Agent shall sell or otherwise transfer all or substantially all of its assets, on the date when such merger, consolidation or transfer becomes effective and to the extent permitted by any applicable laws, shall become the successor Calculation Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto, unless otherwise required by the Issuer, and after the said effective date, all references in this Agreement to the Calculation Agent shall be deemed to be references to such entity. Written notice of any such merger, conversion, consolidation or transfer forthwith shall be given to the Issuer and the Principal Agent.

7. Communications

Any notice or communication given hereunder shall be sufficiently given or served:

(a) if delivered in person to the relevant address specified on the signature pages hereof and, if so delivered, shall be deemed to have been delivered at the time of receipt;

(b) if sent by facsimile to the relevant number specified on the signature pages hereof and, if so sent, shall be deemed to have been delivered immediately after transmission provided the sending facsimile machine prints a successful confirmation of transmission (in the case of facsimile); or

(c) if sent by email to the relevant email address specified on the signature pages hereof, and if so sent, shall be deemed to have been delivered at the time of receipt.

Where a communication is received after business hours it shall be deemed to be received and become effective on the next business day in such place of receipt. Every communication shall be irrevocable except in respect of any manifest error therein.

8. Descriptive Headings and Counterparts

- (2) This Agreement may be executed in any number of counterparts, all of which, taken together, shall constitute one and the same agreement.

9. Governing Law and Jurisdiction

- (1) This Agreement is governed by, and shall be construed in accordance with the laws of the State of New York, notwithstanding any otherwise applicable conflicts of law principles.
- (2) The Issuer and the Calculation Agent each hereby irrevocably submit to the non-exclusive jurisdiction of any United States federal court sitting in New York City, the Borough of Manhattan over any suit, action or proceeding arising out of or related to this Agreement (together, the "Proceedings"). The Issuer and the Calculation Agent each irrevocably waive, to the fullest extent permitted by law, any objection which it may have to the laying of the venue of the Proceedings brought in such a court and any claim that the Proceedings have been brought in an inconvenient forum. The Issuer and the Calculation Agent each agree that final judgment in the Proceedings brought in such a case may be enforced in any court in the jurisdiction to which the Issuer or the Calculation Agent is subject by a suit upon such judgment, provided that the service of process is effected upon the Issuer and the Calculation Agent in the manner specified in sub-clause (3) below or as otherwise permitted by law.

Schedule 12 to
Agency Agreement

FORM OF
DELIVERY AGENCY AGREEMENT
EURO MEDIUM-TERM NOTES PROGRAM

THIS DELIVERY AGENCY AGREEMENT (this "Agreement") is made as of [—], among:

1. BANK OF AMERICA CORPORATION, a Delaware corporation (the "Issuer"); and
2. [—] (the "Delivery Agent," which expression shall include its successor or successors for the time being as delivery agent hereunder).

WHEREAS:

The Issuer proposes to issue from time to time notes (the "Notes") in accordance with the terms of an Amended and Restated Program Agreement dated June 25, 2008 (as amended, restated and/or supplemented from time to time, the "Program Agreement") among the Issuer and the Dealers named therein or appointed thereunder, relating to the Issuer's Euro Medium-Term Note Program.

The Notes will be issued pursuant to, and will have the benefit of, an Amended and Restated Agency Agreement dated July 22, 2010 (as amended, restated and/or supplemented from time to time, the "Agency Agreement") among the Issuer, Bank of America, N.A., London Branch, as Principal Agent, and Merrill Lynch International Bank Limited, as Transfer Agent and Registrar in respect of Registered Notes.

The Issuer wishes to appoint the Delivery Agent as delivery agent for the purpose of delivering to (or at the direction of) the holders of the Notes the relevant Entitlement in respect of each Series of Notes where specified in the relevant Final Terms (the "Physical Delivery Notes"), in accordance with the Terms and Conditions of the Notes set out in Schedule 6-1 of the Agency Agreement (including the applicable Product Annexes set out in Schedule 6-2 of the Agency Agreement) as amended and modified by the information set out in the relevant Final Terms (together, the "Terms and Conditions") as the Issuer and the Dealer(s) shall agree.

NOW IT IS HEREBY AGREED that:

1. **Interpretation**

Expressions used and not defined in this Agreement shall, unless the context otherwise requires, have the meanings set forth in the Terms and Conditions and the Program Agreement.

2. **Appointment of the Delivery Agent**

The Issuer hereby appoints the Delivery Agent as agent for the purposes of delivering to (or at the direction of) the holders of any Physical Delivery Notes the relevant Entitlement to which such Physical Delivery Notes relate as are agreed between the Issuer and the Dealer(s) (and set forth in the Terms and Conditions). The Delivery Agent hereby accepts its appointment upon the following terms and conditions. The agreement of the Issuer and the Delivery Agent that this Agreement is to apply to a specific Series of Physical Delivery Notes (the "Relevant Physical Delivery Notes") shall be evidenced by the naming of the Delivery Agent as such in the relevant Final Terms. As used herein, "Series" means a Tranche of Notes, together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) are identical in all respects (including as to listing) except for the date on which such Notes will be issued (the "Issue Date"), for interest bearing Notes, the date from which such Notes bear interest (if different from the Issue Date) and/or the price (expressed as a percentage or amount of the principal amount of the Notes) at which such Notes will be issued. As

used herein “Tranche” means Notes (whether in global or definitive form or both) which are identical in all respects (including as to listing, if any).

3. **Duties of Delivery Agent**

- (i) The Delivery Agent shall, in relation to each Series of Relevant Physical Delivery Notes, perform promptly all the functions and duties imposed on the Delivery Agent by the Terms and Conditions of the Relevant Physical Delivery Notes.
- (ii) Without prejudice to Clause 3(i) above, and subject as provided below, the Delivery Agent shall, in respect of each Series of Relevant Physical Delivery Notes in relation to which it is appointed as Delivery Agent, deliver to (or at the direction of) the holders of such Relevant Physical Delivery Notes the relevant Entitlement in accordance with the relevant Asset Transfer Notice (or any other notice delivered in connection with the delivery of the Entitlement pursuant to the Terms and Conditions) or otherwise at the reasonable instruction of the Issuer or its agents. All deliveries in respect of any Relevant Physical Delivery Notes shall be made outside the United States and its possessions and shall not be made by transfer to an account at a bank, or delivered to an address, located inside the United States or its possessions. Terms used in the preceding sentence shall have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended and regulations thereunder.
- (iii) In no event will the Delivery Agent be required to perform any obligation under this Agreement unless the Issuer redeems such Relevant Physical Delivery Note in whole or in part by delivery of the relevant Entitlement and the Issuer has delivered or caused to be delivered the relevant Underlying Assets to the Delivery Agent.
- (iv) The Delivery Agent shall notify the Agent of any Entitlement delivered to the holders of the Relevant Physical Delivery Note.
- (v) If the Delivery Agent does not deliver to (or at the direction of) the holders of such Relevant Physical Delivery Note the relevant Entitlement which it has agreed to deliver, it shall forthwith notify the Issuer and the Principal Agent.
- (vi) The Delivery Agent shall comply with appropriate procedures acceptable to the Issuer to ensure that any tax withholding and reporting obligations will be complied with and that all required tax certifications have been received. Such procedures shall include those matters set forth in Clause 11 of the Agency Agreement.

4. **Expenses**

The Issuer will pay the compensation of the Delivery Agent at such rates as shall be agreed upon between the Issuer and the Delivery Agent from time to time. Upon receiving an accounting from the Delivery Agent, the Issuer also will pay the Delivery Agent for its reasonable out-of-pocket expenses (including reasonable counsel fees and expenses), disbursements and advances incurred or made in accordance with any provision of this Agreement. If the Delivery Agent shall cease to be the Delivery Agent hereunder, it shall repay to the Issuer the unearned portion, calculated on a pro rata basis, of its compensation.

5. **Indemnity**

The Issuer shall indemnify and keep indemnified the Delivery Agent and any of its directors, officers, employees and agents against any losses, liabilities, costs, claims, actions, demands or expenses (including, but not limited to, all reasonable costs, legal fees, charges and expenses paid or incurred in disputing or defending any of the foregoing) which it may reasonably incur or which may be made against it as a result of or in connection with its appointment or the exercise of its powers and duties under this Agreement except such as may result from

its own willful default, gross negligence or bad faith or that of its officers, directors, agents or employees, or the material breach by it of the terms of this Agreement.

The Delivery Agent shall indemnify the Issuer and any of its directors, officers, employees and agents against any losses, liabilities, costs, claims, actions, demands or expenses (including, but not limited to, all reasonable costs, legal fees, charges and expenses paid or incurred in disputing or defending any of the foregoing) which the Issuer may reasonably incur or which may be made against the Issuer as a result of the Delivery Agent's willful default, gross negligence or bad faith or that of its officers, directors, agents or employees or the material breach by it of the terms of this Agreement.

6. **Conditions of Appointment**

- (i) In acting hereunder and in connection with the Relevant Physical Delivery Note, the Delivery Agent shall act solely as agent of the Issuer, and shall not assume thereby any obligations towards or relationship of agency or trust for or with any of the owners or holders of the Relevant Physical Delivery Note or the receipts or coupons (if any) appertaining thereto (the "Receipts" and the "Coupons," respectively).
- (ii) In relation to each issue of Relevant Physical Delivery Notes, the Delivery Agent hereby undertakes to the Issuer to perform such obligations and duties, and shall be obliged to perform such duties and only such duties as are herein and in the Terms and Conditions specifically set forth, and no implied duties or obligations shall be read into this Agreement or the Terms and Conditions against the Delivery Agent. If the Terms and Conditions are amended on or after a date on which the Delivery Agent accepts any appointment in a way which affects the duties expressed to be performed by the Delivery Agent, the Delivery Agent shall not be obliged to perform such duties as so amended unless it has delivered to the Issuer its prior written consent to the relevant amendment.
- (iii) The Delivery Agent may consult with legal and other professional advisers, and the written opinion of such advisers shall be full and complete protection in respect of any action taken, omitted or suffered hereunder in good faith and in accordance with the opinion of such advisers.
- (iv) The Delivery Agent shall be protected and shall incur no liability for or in respect of any action taken, omitted or suffered in reliance upon any instruction, request or order from the Issuer or any notice, resolution, direction, consent, certificate, affidavit, statement, cable or other paper or document which it reasonably believes to be genuine and to have been delivered, signed or sent by the proper party or parties or upon written instructions from the Issuer.
- (v) The Delivery Agent, and any of its officers, directors and employees, may become the owner of, or acquire any interest in, any Notes, Receipts or Coupons (if any) with the same rights that it or he would have if the Delivery Agent were not appointed hereunder, and may engage or be interested in any financial or other transaction with the Issuer and any of its Affiliates, and may act on, or as depository, trustee or agent for, any committee or body of holders of Notes or Coupons (if any) or in connection with any other obligations of the Issuer and any of its Affiliates as freely as if the Delivery Agent were not appointed hereunder.

7. **Termination of Appointment**

- (i) The Issuer may terminate the appointment of the Delivery Agent at any time by giving to the Delivery Agent at least 45 calendar days' prior written notice to that effect, provided that, for so long as any of the Relevant Physical Delivery Notes are outstanding:

- a. such notice shall not expire less than 45 calendar days before any date upon which any payment is due in respect of any Relevant Physical Delivery Notes;
 - b. notice shall be given in accordance with Condition 14, as applicable, to the holders of the Relevant Physical Delivery Notes at least 30 calendar days prior to any removal of the Delivery Agent; and
 - c. upon giving notice of the intended termination of the appointment of the Delivery Agent, the Issuer shall use all reasonable efforts to appoint a further financial institution of good standing as successor Delivery Agent.
- (ii) Notwithstanding the provisions of sub-clause (i) above, if at any time:
- a. the Delivery Agent becomes incapable of acting, or is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of an administrator, liquidator or administrative or other receiver of all or any substantial part of its property, or admits in writing its inability to pay or meet its debts as they may mature or suspends payment thereof, or if any order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency law or if a receiver of it or of all or a substantial part of its property is appointed or if any officer takes charge or control of it or of its property or affairs for the purpose of rehabilitation, conservation or liquidation; or
 - b. the Delivery Agent fails duly to perform any function or duty imposed upon it by the Terms and Conditions and this Agreement,
- the Issuer may forthwith, without notice, terminate the appointment of the Delivery Agent, in which event notice thereof shall be given to the holders of the Relevant Physical Delivery Notes by the Issuer in accordance with Condition 14, as soon as practicable thereafter.
- (iii) The termination of the appointment pursuant to sub-clause (i) or (ii) above of the Delivery Agent hereunder shall not entitle the Delivery Agent to any amount by way of compensation, but shall be without prejudice to any amount then accrued due.
- (iv) The Delivery Agent may resign its appointment hereunder at any time by giving to the Issuer at least 90 calendar days' prior written notice to that effect. Following receipt of a notice of resignation from the Delivery Agent, the Issuer promptly shall give notice thereof to the holders of the Relevant Physical Delivery Notes in accordance with Condition 14.
- (v) Notwithstanding the provisions of sub-clauses (i), (ii) and (iv) above, so long as any of the Relevant Physical Delivery Notes are outstanding, the termination of the appointment of the Delivery Agent (whether by the Issuer or by the resignation of the Delivery Agent) shall not be effective unless upon the expiration of the relevant notice, a successor Delivery Agent has been appointed by the Issuer. The Issuer agrees with the Delivery Agent that if, by the day falling 10 calendar days before the expiration of any notice under sub-clause (i) or (iv) above, the Issuer has not appointed a replacement Delivery Agent, the Delivery Agent, on behalf of the Issuer, shall be entitled to appoint as a successor Delivery Agent in its place a reputable financial institution of good standing (acting through its principal London office) which the Issuer shall approve (such approval not to be unreasonably withheld or delayed).

- (vi) Upon its appointment becoming effective, a successor Delivery Agent shall, without further act, deed or conveyance, become vested with all the authority, rights, powers, trusts, immunities, duties and obligations of its predecessor with like effect as if originally named as the Delivery Agent hereunder.
- (vii) If the appointment of the Delivery Agent hereunder is terminated (whether by the Issuer or by the resignation of the Delivery Agent), the Delivery Agent shall, on the day on which such termination takes effect, deliver to the successor Delivery Agent all records concerning the Relevant Physical Delivery Notes maintained by it (except such documents and records as it is obliged by law or regulation to retain or not to release), but shall have no other duties or responsibilities hereunder.
- (viii) Any entity into which the Delivery Agent may be merged or converted, or any entity with which the Delivery Agent may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Delivery Agent shall be a party, or any entity to which the Delivery Agent shall sell or otherwise transfer all or substantially all of its assets, on the date when such merger, consolidation or transfer becomes effective and to the extent permitted by any applicable laws, shall become the successor Delivery Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto, unless otherwise required by the Issuer, and after the said effective date, all references in this Agreement to the Delivery Agent shall be deemed to be references to such entity. Written notice of any such merger, conversion, consolidation or transfer forthwith shall be given to the Issuer and the Principal Agent by the Delivery Agent.

8. **Communications**

Any notice or communication given hereunder shall be sufficiently given or served:

- (i) if delivered in person to the relevant address specified on the signature pages hereof and, if so delivered, shall be deemed to have been delivered at the time of receipt;
- (ii) if sent by facsimile to the relevant number specified on the signature pages hereof and, if so sent, shall be deemed to have been delivered immediately after transmission when an acknowledgment of receipt is received (in the case of facsimile); or

- (ii) This Agreement may be executed in any number of counterparts, all of which, taken together, shall constitute one and the same instrument.

10. **Governing Law and Jurisdiction**

- (i) This Agreement is governed by, and shall be construed in accordance with the laws of the State of New York, notwithstanding any otherwise applicable conflicts of law principles.

-
- (ii) The Issuer and the Delivery Agent each hereby irrevocably submit to the non-exclusive jurisdiction of any United States federal court sitting in New York City, the Borough of Manhattan over any suit, action or proceeding arising out of or related to this Agreement (together, the "Proceedings"). The Issuer and the Delivery Agent each irrevocably waive, to the fullest extent permitted by law, any objection which it may have to the laying of the venue of the Proceedings brought in such a court and any claim that the Proceedings have been brought in an inconvenient forum. The Issuer and the Delivery Agent each agree that final judgment in the Proceedings brought in such a case may be enforced in any court in the jurisdiction to which the Issuer or the Delivery Agent is subject by a suit upon such judgment, provided that the service of process is effected upon the Issuer as permitted by law.

- (2) This Asset Transfer Notice is not valid unless all of the paragraphs requiring completion are duly completed.

REGULATIONS CONCERNING THE TRANSFER AND REGISTRATION OF NOTES IN REGISTERED FORM

These provisions are applicable separately to each Series of Notes.

1. Each Registered Certificate shall represent an integral number of Registered Notes.
2. Unless otherwise requested by the holder and agreed by the relevant Issuer and save as provided in the Terms and Conditions, each holder of more than one Registered Note shall be entitled to receive only one Registered Certificate in respect of its holding.
3. Unless otherwise requested by the joint holders and agreed by the relevant Issuer and save as provided in the Terms and Conditions, the joint holders of one or more Registered Notes shall be entitled to receive only one Registered Certificate in respect of their joint holding which shall, except where they otherwise direct, be delivered to the joint holder whose name appears first in the register of the holders of Registered Notes in respect of the joint holding. All references to “Noteholder”, “Transferor” and “Transferee” shall include joint holders, transferors and transferees.
4. The executors or administrators of a deceased holder of Registered Notes (not being one of several joint holders) and, in the case of the death of one or more of joint holders, the survivor or survivors of such joint holders shall be the only persons recognised by the relevant Issuer as having any title to such Registered Notes.
5. Any person becoming entitled to Registered Notes in consequence of the death or bankruptcy of the holder of such Registered Notes may, upon producing such evidence that such person holds the position in respect of which that person proposes to act under this paragraph or of his title as the Transfer Agent or the Registrar shall require (including legal opinions), be registered as the holder of such Registered Notes or, subject to the preceding paragraphs as to transfer, may transfer such Registered Notes. The Issuer, the Transfer Agent and the Registrar may retain any amount payable upon the Registered Notes to which any person is so entitled until such person shall be so registered or shall duly transfer the Registered Notes.
6. The Registered Note(s) are transferable by execution of the form of transfer at Schedule 15 of the Amended and Restated Agency Agreement dated of July 22, 2010, as amended, restated, and/or supplemented from time to time, and entered into among the Issuer, Bank of America N.A., London Branch and Merrill Lynch International Bank Limited (the “Agency Agreement”) under the hand of the Transferor or, where the Transferor is a corporation or other entity, either under its common seal or under the hand of two of its officers duly authorized in writing. In each case, the form of transfer must be duly completed and executed and duly stamped (where applicable) and must be accompanied by the Registered Certificate in respect of such Registered Note and such documents, evidence and information as may be required pursuant to the Terms and Conditions and such other evidence as the Issuer, the Registrar or the Transfer Agent may reasonably require to prove the title of the Transferor or the Transferor’s right to transfer the Registered Note(s) and, if the form of transfer is executed by some other person on the Transferor’s behalf or in the case of the execution of a form of transfer on behalf of a corporation by its officers, the authority of that person or those persons to do so. In the case of a transfer of part only of a holding of Registered Notes represented by one Registered Certificate to a person who is already a holder of Registered Notes, the Registrar shall only issue a new Registered Certificate representing the enlarged holding against surrender of the existing Registered Certificate, and a further new Registered Certificate in respect of the balance of the holding not transferred shall be issued to the Transferor.
7. All transfers of, and exercises of options relating to and deliveries of Registered Certificates representing, Registered Notes shall be made in accordance with the Terms and Conditions.
8. Without prejudice to any applicable restrictions on transfer, upon acceptance for transfer of an interest in Notes evidenced by a Registered Global Certificate for individual Registered Definitive Certificates as provided herein, the Registrar shall record the entries in the Register in respect of the Registered Notes accordingly.

All capitalized terms used in this Schedule 14 shall have the meanings given to them in the Agency Agreement.
