

Supplement dated December 29, 2010
to Pricing Supplement No. 519 dated December 21, 2010,
Series L MTN prospectus supplement dated April 21, 2009
and prospectus dated April 20, 2009 (together, the “Note Prospectus”)

Bank of America Corporation
Medium-Term Notes, Series L
Strategic Return Notes®
Linked to the Investable Volatility Index™, due December 24, 2015
(the “SRNs”)

This document supplements the Note Prospectus in connection with any secondary market transactions in the SRNs by Merrill Lynch, Pierce, Fenner & Smith Incorporated and its affiliates. Capitalized terms used but not defined in this supplement have the meanings set forth in the Note Prospectus.

The Starting Value for the SRNs was defined in the final pricing supplement relating to the SRNs (the “Final Pricing Supplement”), dated December 21, 2010 and filed with the Securities and Exchange Commission (the “SEC”) on December 23, 2010, as the arithmetic average of the closing levels of the Investable Volatility Index™ (the “Index”) on December 21, 2010, December 22, 2010, December 23, 2010, December 27, 2010, and December 28, 2010, which were the first five Calculation Days during the Initial Determination Period on which a market disruption event or a force majeure event did not occur.

The closing level of the Index on December 21, 2010 was 192.51, December 22, 2010 was 191.14, December 23, 2010 was 196.38, December 27, 2010 was 195.28, and December 28, 2010 was 198.60. Therefore, the Starting Value for the SRNs is 194.78.

Documentation

You should read this supplement, together with the documents listed below, which together contain the terms of the SRNs and supersede all prior or contemporaneous oral statements as well as any other written materials. You should carefully consider, among other things, the matters set forth in “Summary Risk Factors” on page PS-7 of the Final Pricing Supplement, and “Risk Factors” beginning on page PS-11 of the Final Pricing Supplement, page S-4 of the prospectus supplement, and page 8 of the prospectus, as the SRNs involve risks not associated with conventional debt securities. We urge you to consult your investment, legal, tax, accounting, and other advisors before you invest in the SRNs.
