[·], 2011

Dear Preferred HITS Holder:

Bank of America Corporation (“Bank of America,” “we,” “us” or “our”), the sponsor of each of BAC Capital Trust XIII and BAC Capital Trust XIV (each, a “Trust” and collectively, the “Trusts”), is soliciting consents to amend the Amended and Restated Declaration of Trust of each Trust (the “Declaration of Trust”). The consent of the holders of at least a majority in aggregate liquidation amount outstanding of the Preferred HITS of each Trust is required for the amendments to the Declaration of Trust for such Trust.

We are soliciting your consent to the amendments to the Declaration of Trust under which your Preferred HITS were issued in order to permit us (or our affiliates) to exchange any Preferred HITS that we (or our affiliates) may acquire for a like amount of the underlying junior subordinated notes and stock purchase contracts of Bank of America held by each Trust.

If we obtain valid consents from the holders of record (as of the record date) of at least a majority in aggregate liquidation amount outstanding of the Preferred HITS of a Trust, and you are a record holder (as of the record date) of the Preferred HITS of such Trust who has delivered a valid consent in respect of such securities before the consent solicitation expires, and the other conditions to the consent solicitation in respect of the Preferred HITS of such Trust are satisfied or waived by us, we will pay you a fee equal to \$2.50 in cash for each \$1,000 in liquidation amount of such Preferred HITS.

This solicitation is being made on the terms and subject to the conditions set forth in the accompanying Consent Solicitation Statement, which describes the terms of the proposed amendments to the Declarations of Trust. This Consent Solicitation Statement is being sent to all holders of the Preferred HITS of each Trust on or about [·], 2011. Also enclosed you will find our Letter of Consent and return envelope. Please complete the Letter of Consent and return it by mail, first-class postage prepaid, hand delivery, overnight courier or by facsimile transmission at the address or facsimile number of D.F. King & Co., Inc., our Information and Tabulation Agent, set forth on the back cover of the accompanying Consent Solicitation Statement. Consents must be submitted to the Information and Tabulation Agent by 5:00 p.m., New York City time, on [·], 2011. We may extend the time and date by which consents must be submitted, and may do so for the consent solicitation in respect of the Preferred HITS of one Trust without doing so for the consent solicitation in respect of the Preferred HITS of the other Trust.

Your response to this solicitation is important. Failure to return the enclosed Letter of Consent will have the same effect as a vote against approval of the proposed amendments to the Declaration of Trust under which your Preferred HITS were issued.

Sincerely,

Bank of America Corporation

**CONSENT SOLICITATION STATEMENT
BANK OF AMERICA CORPORATION**

**Solicitation of Consents from the Holders of
BAC Capital Trust XIII's Floating Rate Preferred Hybrid Income Term Securities
and
BAC Capital Trust XIV's 5.63% Fixed to Floating Rate Preferred Hybrid Income Term Securities**

THE CONSENT SOLICITATION IN RESPECT OF THE PREFERRED HITS OF EACH TRUST WILL EXPIRE AT 5:00 P.M., NEW YORK CITY TIME, ON [·], 2011 UNLESS EXTENDED (SUCH TIME AND DATE, AS THE SAME MAY BE EXTENDED, THE "EXPIRATION DATE"). CONSENTS MAY BE REVOKED IN ACCORDANCE WITH THE TERMS AND CONDITIONS SET FORTH HEREIN AT ANY TIME ON OR PRIOR TO THE EXPIRATION DATE, BUT NOT THEREAFTER.

Subject to the terms and conditions set forth in this Consent Solicitation Statement (the "Consent Solicitation Statement") and the accompanying Letter of Consent (the "Letter of Consent," and together with the Consent Solicitation Statement, the "Consent Documents"), Bank of America Corporation ("Bank of America," "we," "us" or "our"), sponsor of the trusts listed in the table below (each, a "Trust" and collectively, the "Trusts"), is soliciting consents ("Consents," and the solicitation thereof, the "Consent Solicitation") from the Holders (as defined herein) of record as of 5:00 p.m., New York City time, on [·], 2011 (the "Record Date"), of the outstanding preferred hybrid income term securities issued by each Trust and described in the table below (collectively, the "Preferred HITS"), to certain proposed amendments to the amended and restated declaration of trust (the "Declaration of Trust") of such Trust.

The purpose of the proposed amendments to each Declaration of Trust with respect to which Consents are being sought is to allow us to exchange any Preferred HITS that we or our affiliates may acquire for a like amount of the underlying junior subordinated notes and stock purchase contracts of Bank of America held by the applicable Trust, following which the applicable Trust would cancel such exchanged Preferred HITS (the "Proposed Amendments"). The Proposed Amendments also would authorize the appropriate trustees of each Trust to amend the related collateral agreement and stock purchase contract agreement as necessary to facilitate such exchanges, and provide for the subsequent cancellation of such stock purchase contracts. If Consents from Holders or their duly designated proxies in respect of at least a majority in aggregate liquidation amount outstanding of Preferred HITS of a particular Trust (the "Requisite Consents") (which corresponds to at least a majority of the Preferred HITS of such Trust) are received in accordance with the instructions contained in the Consent Documents on or prior to the Expiration Date, and not validly revoked, and the other conditions to the Consent Solicitation in respect of such Preferred HITS are satisfied or waived by us, we will, promptly following the Expiration Date, pay to each Holder or its duly designated proxy from whom Consents in respect of such Preferred HITS are so received, a consent fee (the "Consent Fee") equal to \$2.50 in cash for each \$1,000 in liquidation amount of such Preferred HITS. Payment of the Consent Fee for the Preferred HITS is subject to satisfaction or waiver of certain conditions described herein. Such payment in respect of Preferred HITS of one Trust is not conditioned on the receipt of the Requisite Consents for the Preferred HITS of the other Trust. We reserve the right, subject to applicable law, to terminate the Consent Solicitation in respect of the Preferred HITS of either Trust for any reason, in which case we will not be required to pay the Consent Fee to any Holder of such Preferred HITS.

The table below sets forth certain information regarding the Preferred HITS of each Trust that are the subject of this Consent Solicitation.

This Consent Solicitation Statement does not constitute a solicitation of Consents in any jurisdiction in which, or to or from any person to or from whom, it is unlawful to make such solicitation under applicable securities or “blue sky” laws. Holders residing outside the United States who wish to deliver Consents must satisfy themselves as to their full observance of the laws of the relevant jurisdiction in connection therewith. If we become aware of any state or foreign jurisdiction where the making of the Consent Solicitation is prohibited, we will make a good faith effort to comply with the requirements of any such state or foreign jurisdiction. If, after such effort, we cannot comply with the requirements of any such state or foreign jurisdiction, the Consent Solicitation will not be made to (and Consents will not be accepted from or on behalf of) Holders in such state or foreign jurisdiction.

IMPORTANT INFORMATION

Only Holders of the Preferred HITS of a particular Trust as of the Record Date, or their duly designated proxies, are eligible to Consent to the Proposed Amendments to the Declaration of Trust governing such Trust. Any Holder desiring to Consent in respect of such Holder's Preferred HITS should complete and sign the Letter of Consent (or a facsimile thereof) in accordance with the instructions set forth in the Consent Documents and deliver such manually signed Letter of Consent (or a manually signed facsimile thereof) by registered or certified mail, hand delivery, overnight courier or facsimile (confirmed by telephone), to the Information and Tabulation Agent at its address or facsimile number set forth on the back cover of this Consent Solicitation Statement on or prior to the Expiration Date and not validly revoke such Letter of Consent. **Delivery of a Letter of Consent will be deemed made only when actually received by the Information and Tabulation Agent. No Letter of Consent should be delivered to any person other than the Information and Tabulation Agent.**

Beneficial owners whose Preferred HITS are registered in the name of a broker, dealer, commercial bank, trust company or other nominee must contact such broker, dealer, commercial bank, trust company or other nominee, as the Holder of such Preferred HITS, if they desire to deliver Letters of Consent with respect to the Preferred HITS so registered and instruct the nominee to deliver a Letter of Consent on the beneficial owner's behalf on or prior to the Expiration Date. See "The Consent Solicitation—Procedures for Participating in the Consent Solicitation." For purposes of the Consent Solicitation in respect of the Preferred HITS of a particular Trust, The Depository Trust Company ("DTC") is expected to grant an omnibus proxy authorizing the DTC participants ("DTC Participants") set forth in the DTC position listing as of the Record Date to Consent to the Proposed Amendments with respect to the liquidation amount of the applicable Preferred HITS shown as owned by such DTC Participant on the books of DTC on the Record Date as if they were Holders of such Preferred HITS held of record in the name of DTC or its nominee. A beneficial owner of an interest in Preferred HITS held through a DTC Participant must properly instruct such DTC Participant sufficiently in advance of the Expiration Date to cause a Letter of Consent to be delivered by such DTC Participant with respect to the Proposed Amendments to the applicable Declaration of Trust.

We have no contract, arrangement or understanding relating to the payment of, and will not, directly or indirectly, pay any commission or other remuneration to any broker, dealer, salesperson, agent or any other person for soliciting Consents in the Consent Solicitation. In addition, none of the Solicitation Agent, which is an affiliate of Bank of America, the Information and Tabulation Agent or any broker, dealer, salesperson, agent or any other person is engaged or authorized to express any statement, opinion, recommendation or judgment with respect to the relative merits and risks of the Consent Solicitation. The Solicitation Agent and our officers, directors and employees may solicit Consents from Holders of the Preferred HITS and answer inquiries concerning the Preferred HITS, but they will not receive additional compensation for soliciting Consents or answering any such inquiries.

You should rely only on the information contained in this Consent Solicitation Statement or to which this Consent Solicitation Statement refers you. We have not authorized anyone to provide you with different information. You should not assume that the information provided in this Consent Solicitation Statement is accurate as of any date other than the date of this Consent Solicitation Statement. The delivery of this Consent Solicitation Statement at any time does not, under any circumstances, create any implication that there has been no change in the information set forth in this Consent Solicitation Statement or in the affairs of Bank of America or any of its subsidiaries or affiliates since the date of this Consent Solicitation Statement.

The sale or transfer of Preferred HITS after the Record Date will not have the effect of revoking any Consent in respect thereof theretofore validly given by a Holder, and each properly completed and executed and validly delivered Letter of Consent will be counted notwithstanding any transfer of the Preferred HITS to which such Letter of Consent relates, unless the procedure for revoking Consents described herein and in the Letter of Consent has been followed.

None of Bank of America Corporation, the Solicitation Agent, the Information and Tabulation Agent, any trustees of the Trusts or any of their affiliates is making any recommendation as to whether you should Consent. You must make your own decision after reading this Consent Solicitation Statement.

SUMMARY

This summary highlights selected information contained in this Consent Solicitation Statement. It may not contain all of the information that is important to you and is qualified in its entirety by the more detailed information included in this Consent Solicitation Statement. Holders are urged to read this document in its entirety before determining whether to Consent to Proposed Amendments.

Preferred HITS; Trusts	We are soliciting Consents from Holders of (i) Floating Rate Preferred Hybrid Income Term Securities, liquidation amount \$1,000 per security, issued by BAC Capital Trust XIII, and (ii) 5.63% Fixed to Floating Rate Preferred Hybrid Income Term Securities, liquidation amount \$1,000 per security, issued by BAC Capital Trust XIV.
Consent Solicitation	Pursuant to terms and conditions set forth in the Consent Documents, we are soliciting Consents from the Holders of the Preferred HITS of BAC Capital Trust XIII for the Proposed Amendments to the Declaration of Trust of BAC Capital Trust XIII, and we are soliciting Consents from the Holders of the Preferred HITS of BAC Capital Trust XIV for the Proposed Amendments to the Declaration of Trust of BAC Capital Trust XIV. Only Holders of the Preferred HITS of a particular Trust as of the Record Date, or their duly designated proxies, are eligible to Consent to the Proposed Amendments to the Declaration of Trust governing such Trust. A Holder, by validly delivering a Letter of Consent in respect of such Holder's Preferred HITS, and not validly revoking such Letter of Consent, will Consent to the Proposed Amendments to the Declaration of Trust under which such Holder's Preferred HITS were issued and to the execution and delivery of the Amendment (as defined below) to such Declaration of Trust effecting the Proposed Amendments by Bank of America and the regular trustees of the Trust.
Holders	We are soliciting Consents from each person in whose name Preferred HITS are registered as of the Record Date, including DTC Participants who held Preferred HITS through DTC as of the Record Date (such registered holders and DTC Participants, collectively, the "Holders").
Record Date	5:00 p.m., New York City time on [], 2011.
Background and Purpose of the Consent Solicitation	In its quarterly report on Form 10-Q for the quarterly period ending September 30, 2011, Bank of America disclosed that it intends to explore the issuance, in privately negotiated transactions, of common stock and senior notes in exchange for shares of preferred stock and, subject to any required amendments to the applicable governing documents, certain trust preferred capital debt securities issued by unconsolidated trust companies. Bank of America also disclosed that any acquired trust preferred capital debt securities would be immediately exchanged for a like amount of our junior subordinated debt that we previously issued to the unconsolidated trust companies. These transactions would increase Tier 1 common capital and, on an after-tax basis, reduce the combined level of interest expense and dividends paid on the combined junior subordinated debt and preferred stock. The senior notes and common stock would be recorded at fair value at issuance, which is expected to be less than the par and carrying value of the preferred stock and/or junior subordinated debt. Bank of America disclosed that this plan would not involve the issuance of more than 400 million shares of common stock or \$3 billion in new issuances of senior

[Table of Contents](#)

notes (reopenings of series of previously issued senior notes). As of September 30, 2011, Bank of America had approximately \$21.9 billion aggregate liquidation preference of preferred stock and approximately \$23.3 billion aggregate liquidation amount of trust preferred capital debt securities currently outstanding, excluding the Preferred HITS. In a current report on Form 8-K filed with the SEC on November 17, 2011, Bank of America disclosed that it had entered into separate agreements with certain institutional security holders pursuant to which Bank of America had agreed to issue an aggregate of 185,482,705 shares of Bank of America's common stock and an aggregate principal amount of \$998.1 million of senior notes in exchange for certain outstanding preferred and trust preferred securities.

The Declaration of Trust for each Trust currently does not allow us to exchange Preferred HITS that we or our affiliates may acquire for a like amount of the underlying junior subordinated debt and stock purchase contracts held by such Trust without the consent of the Holders of at least a majority in aggregate liquidation amount outstanding of the Preferred HITS of such Trust. Accordingly, unless the Requisite Consents of Preferred HITS of a Trust are obtained, such Preferred HITS will not be eligible for consideration by us for any privately negotiated exchange described above. If, however, the Requisite Consents of such Preferred HITS are obtained, such securities will be eligible for such consideration by us. If Preferred HITS of a particular Trust are acquired by us, the effect of the Proposed Amendments to the applicable Declaration of Trust for such Trust will be to allow such Trust to retire any Preferred HITS that we or our affiliates acquire by exchanging such securities for a like amount of the underlying junior subordinated debt and stock purchase contracts held by the Trust. Such junior subordinated notes would then be presented by us to the applicable indenture trustee for cancellation. The Proposed Amendments to each Declaration of Trust also would authorize the trustees of such Trust to amend or modify related documents, including the related collateral agreement and the stock purchase contract agreement, to facilitate such exchanges and provide for the cancellation of such stock purchase contracts.

Consent Fee

If the Requisite Consents to the Proposed Amendments to the Declaration of Trust of a particular Trust are received in accordance with the instructions contained in the Consent Documents on or prior to the Expiration Date, and not validly revoked, and the other conditions to the Consent Solicitation in respect of the Preferred HITS of such Trust are satisfied or waived by us, we will, as promptly as practicable after the Expiration Date, pay to each Holder from whom Consents in respect of such Preferred HITS are received and are not validly revoked, the Consent Fee equal to \$2.50 in cash for each \$1,000 in liquidation amount.

Expiration Date

The Consent Solicitation in respect of the Preferred HITS of a particular Trust will expire at 5:00 p.m., New York City time, on [·], 2011 or any subsequent time and date to which we may extend such Consent Solicitation in our sole discretion (such date and time, as the same may be extended for the Consent Solicitation in respect of the Preferred HITS of a Trust, the "Expiration Date"). We may extend the Expiration Date for the Consent Solicitation in respect of the Preferred HITS of one Trust without extending the Expiration Date for the Consent Solicitation in respect of the

[Table of Contents](#)

Requisite Consents

Preferred HITS of the other Trust. Bank of America expressly reserves the right for any reason to terminate or amend the Consent Solicitation in respect of the Preferred HITS of either or both Trusts at any time on or prior to the applicable Expiration Date.

Holders of Preferred HITS of BAC Capital Trust XIII as of the Record Date must validly deliver properly completed and executed Letters of Consent on or prior to the Expiration Date in respect of at least a majority in aggregate liquidation amount outstanding of all Preferred HITS of BAC Capital Trust XIII in order to consent to the Proposed Amendments to the Declaration of Trust governing such Trust, and Holders of Preferred HITS of BAC Capital Trust XIV as of the Record Date must similarly deliver Letters of Consent in respect of at least a majority in aggregate liquidation amount outstanding of all Preferred HITS of BAC Capital Trust XIV in order to consent to the Proposed Amendments to the Declaration of Trust governing BAC Capital Trust XIV (such Letters of Consent in respect of Preferred HITS of each Trust, the "Requisite Consents"). If the Requisite Consents to the Proposed Amendments to the Declaration of Trust for a particular Trust have been received in accordance with the instructions set forth in the Consent Documents on or prior to the Expiration Date, the Proposed Amendments will be approved and we will execute an Amendment (as defined below) to the applicable Declaration of Trust with the regular trustees of such Trust which will implement the Proposed Amendments. Failure to validly Consent to the Proposed Amendments to a particular Declaration of Trust will have the effect of a vote against such Proposed Amendments. If we do not receive the Requisite Consents with respect to the Proposed Amendments to the Declaration of Trust of a particular Trust, we will not execute the Amendment and will not pay any Consent Fees in respect of the Preferred HITS with respect to such Trust issued under such Declaration of Trust.

Pursuant to the Declaration of Trust for each Trust, the Preferred HITS of such Trust owned by Bank of America or its affiliates would not be deemed outstanding for purposes of determining whether the Requisite Consents to the Proposed Amendments to such Declaration of Trust have been obtained. As of November 16, 2011, Merrill Lynch, Pierce, Fenner & Smith Incorporated, an affiliate of Bank of America, owned \$8.65 million aggregate liquidation amount of Preferred HITS of BAC Capital Trust XIV.

Obligation to Pay Consent Fee

Holders of Preferred HITS of a particular Trust as of the Record Date whose Consents to the Proposed Amendments to the applicable Declaration of Trust are received by the Information and Tabulation Agent in accordance with the instructions set forth in the Consent Documents on or prior to the Expiration Date, and are not validly revoked, will receive the Consent Fee, provided that the Requisite Consents in respect of such Preferred HITS are received on or prior to the Expiration Date and are not validly revoked, and the other conditions to the Consent Solicitation in respect of such Preferred HITS are satisfied or waived by us. Any subsequent transferees of such Holders, and any Holders who do not timely and validly deliver a valid Letter of Consent or who validly revoke such Letter of Consent, will not receive the Consent Fee, even if the Proposed Amendments to the applicable Declaration of Trust become effective. If the Consent Solicitation in respect of the Preferred HITS of a particular Trust is

Proposed Amendments	<p>terminated for any reason, then each Consent in respect of such Preferred HITS will be voided and no Consent Fee with respect thereto will be paid.</p> <p>The Proposed Amendments to the Declaration of Trust for each Trust are more particularly described in “The Proposed Amendments.” The Proposed Amendments to the Declaration of Trust for a particular Trust will become effective upon receipt by the Information and Tabulation Agent of the Requisite Consents of the Preferred HITS of such Trust that have not been validly revoked on or prior to the Expiration Date, and the execution and delivery of an amendment to such Declaration of Trust implementing the Proposed Amendments (the “Amendment”) by Bank of America and the regular trustees of the Trust as soon as practicable after the Expiration Date.</p>
Extensions; Waivers and Amendments; Termination	<p>Subject to applicable law, we reserve the right at any time on or prior to the Expiration Date for the Consent Solicitation in respect of the Preferred HITS of either or both of the Trusts to (i) extend the Consent Solicitation, (ii) waive any and all conditions to or amend the Consent Solicitation in any respect or (iii) terminate the Consent Solicitation for any reason. Any extension, waiver, amendment or termination will be followed as promptly as practicable by a public announcement thereof. If the Consent Solicitation in respect of the Preferred HITS of a Trust is terminated for any reason, then each Consent in respect of such Preferred HITS will be voided and no Consent Fee with respect thereto will be paid. See “The Consent Solicitation—Expiration Date; Extension, Termination and Amendment.”</p>
Procedures for Delivery of Consents	<p>To Consent to the Proposed Amendments to the Declaration of Trust for a particular Trust, a properly completed and executed Letter of Consent (or facsimile thereof) must be validly delivered, by registered or certified mail, hand delivery, overnight courier or facsimile (confirmed by telephone), to the Information and Tabulation Agent at the address or facsimile number set forth on the back cover of this Consent Solicitation Statement on or prior to the Expiration Date in accordance with the instructions set forth in the Consent Documents and not validly revoked. Only Holders of Preferred HITS as of the Record Date are eligible to deliver their Consents and receive the Consent Fee. Therefore, a beneficial owner of an interest in the Preferred HITS held in the account of a DTC Participant who wishes to deliver a Consent must properly instruct such DTC Participant to cause a Consent to be delivered timely in respect of the Proposed Amendments. See “The Consent Solicitation—Procedures for Participating in the Consent Solicitation.” Only duly executed Letters of Consent, and any required proxies, received by the Information and Tabulation Agent on or prior to the Expiration Date will count towards determining whether the Requisite Consents have been received for the Proposed Amendments to the applicable Declaration of Trust.</p>
Consequences to Not Delivering Consent	<p>If the Proposed Amendments to the Declaration of Trust for a particular Trust receive the Requisite Consents, and the other conditions to the Consent Solicitation in respect of such Proposed Amendments are satisfied or waived, Holders of the Preferred HITS of such Trust who did not validly Consent will be bound by the Proposed Amendments, but will not receive the applicable Consent Fee.</p>

Revocation of Consents	Any Holder who has validly consented in respect of Preferred HITS of a particular Trust may revoke such Consent on or prior to the Expiration Date by delivery to the Information and Tabulation Agent of a written notice of revocation in accordance with the procedures set forth in “The Consent Solicitation—Revocation of Consents.” No Holder may revoke a Consent after the Expiration Date.

BACKGROUND AND PURPOSE OF THE CONSENT SOLICITATION

In its quarterly report on Form 10-Q for the quarterly period ending September 30, 2011, Bank of America disclosed that it intends to explore the issuance, in privately negotiated transactions, of common stock and senior notes in exchange for shares of preferred stock and, subject to any required amendments to the applicable governing documents, certain trust preferred capital debt securities issued by unconsolidated trust companies. Bank of America also disclosed that any acquired trust preferred capital debt securities would be immediately exchanged for a like amount of our junior subordinated debt that we previously issued to the unconsolidated trust companies. These transactions would increase Tier 1 common capital and, on an after-tax basis, reduce the combined level of interest expense and dividends paid on the combined junior subordinated debt and preferred stock. The senior notes and common stock would be recorded at fair value at issuance, which is expected to be less than the par and carrying value of the preferred stock and/or junior subordinated debt. Bank of America disclosed that this plan would not involve the issuance of more than 400 million shares of common stock or \$3 billion in new issuances of senior notes (reopenings of series of previously issued senior notes). As of September 30, 2011, Bank of America had approximately \$21.9 billion aggregate liquidation preference of preferred stock and approximately \$23.3 billion aggregate liquidation amount of trust preferred capital debt securities currently outstanding, excluding the Preferred HITS. In a current report on Form 8-K filed with the SEC on November 17, 2011, Bank of America disclosed that it had entered into separate agreements with certain institutional security holders pursuant to which Bank of America had agreed to issue an aggregate of 185,482,705 shares of Bank of America's common stock and an aggregate principal amount of \$998.1 million of senior notes in exchange for certain outstanding preferred and trust preferred securities.

The Declaration of Trust for each Trust currently does not allow us to exchange Preferred HITS that we or our affiliates may acquire for a like amount of the underlying junior subordinated debt and stock purchase contracts held by such Trust without the consent of the Holders of the aggregate liquidation amount outstanding of the Preferred HITS of such Trust. Accordingly, unless the Requisite Consents of Preferred HITS of a Trust are obtained, such Preferred HITS will not be eligible for consideration by us for any privately negotiated exchange described above. If, however, the Requisite Consents for the Preferred HITS are obtained, such securities will be eligible for such consideration by us. If Preferred HITS of a particular Trust are acquired by us, the effect of the Proposed Amendments to the applicable Declaration of Trust for such Trust would allow such Trust to retire any Preferred HITS that we or our affiliates acquire by exchanging such securities for a like amount of the underlying junior subordinated debt and stock purchase contracts held by the Trust. Such junior subordinated notes would then be presented by us to the indenture trustee for cancellation. The Proposed Amendments to each Declaration of Trust also would authorize the trustees of such Trust to amend or modify related documents, including the related collateral agreement and the stock purchase contract agreement, to facilitate such exchanges and provide for the cancellation of any such stock purchase contracts.

THE TRUSTS

Each Trust is a Delaware statutory trust. Bank of America is the sole holder of the common securities of each Trust. Currently, the assets of each Trust consist of remarketable junior subordinated notes of Bank of America and stock purchase contracts to purchase preferred stock of Bank of America. Bank of America has guaranteed each Trust's obligation to make distributions on its Preferred HITS, on a subordinated basis, but only to the extent the Trust otherwise has funds available for distribution. Each Trust issued its Preferred HITS pursuant to the Declaration of Trust governing such Trust in February 2007. The principal executive office of each Trust is c/o Bank of America Corporation, Corporate Treasury —Transaction Management, 100 North Tryon Street, Charlotte, North Carolina 28255.

THE PROPOSED AMENDMENTS

Set forth below is a brief description of the Proposed Amendments to each Trust for which Consents are being solicited pursuant to the Consent Solicitation. If the Requisite Consents in respect of the Preferred HITS of a particular Trust are received in accordance with the instructions set forth in the Consent Documents on or prior to the Expiration Date, and not validly revoked, and the other conditions to the Consent Solicitation in respect of such Preferred HITS are satisfied or waived by us, the applicable Proposed Amendments will be embodied in an amendment to the Declaration of Trust (the "Amendment") for such Trust. We intend that any such Amendment will be executed by Bank of America and the regular trustees of the applicable Trust as soon as practicable after the Expiration Date. The form of the Amendment to each of the Declarations of Trust to implement the Proposed Amendments thereto is attached to this Consent Solicitation Statement as Appendix B. The description below is qualified in its entirety by reference to the full text of such Amendment.

Table of Contents

The Proposed Amendments to the Declaration of Trust of each Trust will allow us to elect to retire any Preferred HITS of the Trust that we or our affiliates may acquire by exchanging such Preferred HITS, together with a proportional amount of the common securities of the Trust that we own, for a like amount of the underlying junior subordinated notes and stock purchase contracts held by the Trust, following which the Trust would cancel any such exchanged Preferred HITS and common securities. The Proposed Amendments also will authorize the appropriate trustees of such Trust to enter into amendments to the related collateral agreement, stock purchase contract agreement and other documents, as necessary, to facilitate such exchanges, and provide for the subsequent cancellation of such stock purchase contracts. The junior subordinated debentures can then be presented by us to the applicable indenture trustee for cancellation under the terms of the applicable indenture.

Effectiveness of the Proposed Amendments

The Proposed Amendments to the Declaration of Trust for a Trust will become effective upon receipt by the Information and Tabulation Agent of the Requisite Consents of the Preferred HITS of such Trust that have not been validly revoked, and the execution and delivery of the Amendment to the Declaration of Trust of such Trust implementing the Proposed Amendments by Bank of America and the regular trustees of the Trust. After effectiveness of the Amendment, all current Holders of the Preferred HITS of the Trust, including Holders who did not Consent to the Proposed Amendments, and all subsequent Holders of such Preferred HITS will be bound by such Amendment.

THE CONSENT SOLICITATION

General

Upon the terms and conditions set forth in the Consent Documents, we are soliciting Consents to the Proposed Amendments to BAC Capital Trust XIII from Holders of the Preferred HITS of BAC Capital Trust XIII, and are soliciting Consents to the Proposed Amendments to BAC Capital Trust XIV from the Holders of Preferred HITS of BAC Capital Trust XIV. The Consent Solicitation in respect of the Preferred HITS of a particular Trust will expire on the Expiration Date therefor.

Only Holders of the Preferred HITS of a particular Trust as of the Record Date, or their duly designated proxies, are eligible to Consent to the Proposed Amendments related to such Trust. A Holder, by validly delivering a properly completed and duly executed Letter of Consent (and proxy, if required) in respect of such Holder's Capital Securities is delivered to the Information and Tabulation Agent at the address or facsimile number on the back cover of this Consent Solicitation Statement on or prior to the Expiration Date in accordance with the instructions in the Consent Documents, and not validly revoking such Letter of Consent, will consent to the Proposed Amendments to the Declaration of Trust under which such Holder's Preferred HITS were issued and to the execution of an Amendment to such Declaration of Trust effecting the Proposed Amendments by Bank of America and the regular trustees of each Trust.

The delivery of a Consent will not affect a Holder's right to sell or transfer any Preferred HITS, and a sale or transfer of any Preferred HITS after the Record Date will not have the effect of revoking any Consent validly given by the Holder of such Preferred HITS. Therefore, each properly executed and delivered Consent will be counted notwithstanding any sale or transfer of the Preferred HITS to which such Consent relates, unless the applicable Holder has complied with the procedure for revoking Consents, as described herein and in the Consent. Failure to deliver a Consent will have the same effect as if a Holder had voted against the Proposed Amendments.

Voting materials, which include this Consent Solicitation Statement and a Letter of Consent, are being mailed to all Holders on or about [], 2011. As of the Record Date, there were outstanding 700,000 Preferred HITS of BAC Capital Trust XIII and 850,000 Preferred Hits of Capital Trust XIV. For each Trust, all outstanding Preferred HITS were held of record by one registered holder, the nominee for The Depository Trust Company. Each Preferred HITS entitles the holder of record to one vote on the Proposed Amendments to the Declaration of Trust under which such Preferred HITS were issued. The Proposed Amendments to the Declaration of Trust for each Trust require the consent of the Holders of least a majority in aggregate liquidation amount outstanding of the Preferred HITS of such Trust (which corresponds to at least a majority of the Preferred HITS of such Trust). Only Holders of the Preferred HITS of a particular Trust and duly designated proxies are eligible to Consent to the Proposed Amendments to the Declaration of Trust for such Trust.

Consent Fee

If the Requisite Consents to the Proposed Amendments to a particular Trust are received in accordance with the instructions contained in the Consent Documents on or prior to the Expiration Date and not validly revoked, and the other

conditions to the Consent Solicitation in respect of the Preferred HITS of such Trust are satisfied or waived, we will pay to each Holder from whom Consents in respect of such Preferred HITS are so received the applicable Consent Fee promptly following the Expiration Date. The Consent Fee to be paid to such Holders is \$2.50 in cash per \$1,000 of the liquidation amount of the Preferred HITS with respect to which Consents are so received. **Consents must be received by the Information and Tabulation Agent prior to the Expiration Date in order to qualify for payments of the Consent Fees.**

Record Date; Holders

The Record Date for the determination of Holders entitled to give Consents pursuant to the Consent Solicitation in respect of the Preferred HITS of each Trust is 5:00 p.m., New York City time, on [], 2011. This Consent Solicitation Statement and the related Letter of Consent are being sent to all Holders of the Preferred HITS of each Trust.

The registered ownership of the Preferred HITS as of the Record Date shall be established by the appropriate trustees or other parties as provided in the applicable Declaration of Trust. The ownership of Preferred HITS held through DTC by DTC Participants will be established by a DTC security position listing provided by DTC as of the Record Date.

Conditions to the Consent Solicitations

The Consent Solicitation in respect of the Preferred HITS of a particular Trust, including Bank of America's obligation to pay a Consent Fee in respect of any Consents submitted in respect of such Preferred HITS, is subject to the satisfaction or waiver by us of the following conditions:

- the Requisite Consents in respect of such Preferred HITS have been received by the Information and Tabulation Agent in accordance with the instructions set forth in the Consent Documents on or prior to the Expiration Date and such Requisite Consents have not been validly revoked;
- the absence of any law or regulation, and of any injunction or proceeding, whether pending or threatened, that if adversely determined would make unlawful or invalid or enjoin the implementation of the Proposed Amendments to the Declaration of Trust of such Trust or the payment of the applicable Consent Fee or the legality or validity thereof or the payment of any Consent Fee; and
- the execution and delivery of the Amendment to the Declaration of Trust for such Trust implementing the Proposed Amendments.

The foregoing conditions are for our sole benefit, and we may assert them regardless of the circumstances that may give rise to them, or waive them in whole or in part, at any or at various times in our sole discretion. If we fail at any time to exercise any of the foregoing rights, that failure will not constitute a waiver of such right. Each such right will be deemed an ongoing right that we may assert at any time or at various times.

The Requisite Consents for the Proposed Amendments to the Declaration of Trust of a particular Trust are the Consents of the Holders of at least a majority of the aggregate liquidation amount outstanding of the Preferred HITS of such Trust. As of the Record Date, the aggregate liquidation amount outstanding of BAC Capital Trust XIII was \$700,000,000 and of BAC Capital Trust XIV was \$850,000,000. Pursuant to the Declaration of Trust for each Trust, the Preferred HITS of such Trust owned by Bank of America or its affiliates would not be deemed outstanding for purposes of determining whether the Requisite Consents to the Proposed Amendments to such Declaration of Trust have been obtained. As of November 16, 2011, Merrill Lynch, Pierce, Fenner & Smith Incorporated, an affiliate of Bank of America, owned \$8.65 million aggregate liquidation amount of Preferred HITS of BAC Capital Trust XIV.

Expiration Date; Extension, Termination and Amendment

The Consent Solicitation in respect of the Preferred HITS of a particular Trust will expire at 5:00 p.m., New York City time, on [], 2011, or at any subsequent time and date to which such Consent Solicitation is extended by us in our sole discretion. We may extend the Expiration Date for the Consent Solicitation in respect of the Preferred HITS of one Trust without extending the Expiration Date for the Consent Solicitation in respect of the Preferred HITS of the other Trust. If we extend the Expiration Date, we will give oral or written notice to the Information and Tabulation Agent and make a public announcement. During any such extension, all Letters of Consent that have been received will remain subject to the applicable Consent Solicitation, and subject to the Holder's right to revoke such Letter of Consent in accordance with the Consent Documents.

Table of Contents

Notwithstanding anything to the contrary set forth in this Consent Solicitation Statement, we reserve the right in our sole discretion, subject to applicable law, to terminate the Consent Solicitation in respect of the Preferred HITS of either or both Trusts on or prior to the applicable Expiration Date for any reason, or to amend any such Consent Solicitation in any respect, regardless of whether or not the conditions to the Consent Solicitation have been satisfied or waived. If we terminate or amend the Consent Solicitation in respect of the Preferred HITS of a particular Trust, we will issue a timely public announcement regarding the termination or amendment. If the Consent Solicitation in respect of the Preferred HITS of a particular Trust is terminated for any reason, then each Consent in respect of such Preferred HITS of such Trust will be voided and no Consent Fee with respect thereto will be paid.

Procedures for Participating in the Consent Solicitation

Each Holder of Preferred HITS who delivers a Letter of Consent to the Proposed Amendments to the applicable Declaration of Trust in accordance with the procedures set forth in the Consent Documents and does not validly revoke such Letter of Consent will be deemed to have validly consented to such Proposed Amendments and to the execution of the related Amendment. The Consent Solicitation in respect of the Preferred HITS of each Trust is being made to all Holders of such Preferred HITS. Only Holders of the Preferred HITS as of the Record Date and their duly designated proxies, are eligible to Consent to the Proposed Amendments to the Declaration of Trust.

To validly Consent to the Proposed Amendments, a properly completed Letter of Consent, or a facsimile thereof, duly executed by the Holder of the Preferred HITS to which such Letter of Consent relates, must be delivered to the Information and Tabulation Agent on or prior to the Expiration Date by mail, first-class postage prepaid, hand delivery, overnight courier or by facsimile transmission at the address or facsimile number set forth on the back cover of this Consent Solicitation Statement, in accordance with the instructions contained herein and therein, and not validly revoked. **Delivery of a Letter of Consent will be deemed made only when actually received by the Information and Tabulation Agent.** Consents will be accepted from Holders and any other person who has obtained a proxy in a form reasonably acceptable to us that authorizes such other person to Consent to the Proposed Amendments.

If the Preferred HITS are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and the beneficial owner of the Preferred HITS wishes to Consent to the Proposed Amendments, the beneficial owner may contact and instruct such Holder to deliver a Letter of Consent on the beneficial owner's behalf. For purposes of this Consent Solicitation, we understand that DTC will execute an omnibus proxy in favor of DTC Participants set forth in the DTC position listing as of the Record Date, which will authorize each such DTC Participant to consent to the Proposed Amendments with respect to the liquidation amount of the Preferred HITS shown as owned by such DTC Participant on the books of DTC on the Record Date as if they were Holders of the Preferred HITS held of record in the name of DTC or its nominee. A beneficial owner of an interest in Preferred HITS held through a DTC Participant must properly instruct such DTC Participant sufficiently in advance of the Expiration Date to cause a Consent to be delivered by such DTC Participant with respect to the Proposed Amendments to the applicable Declaration of Trust.

A Letter of Consent in respect of any Preferred HITS must be executed in the name of the Holder. Letters of Consent by the Holder(s) of the Preferred HITS should be executed in exactly the same manner as the name(s) of such Holder(s) appear(s) in the appropriate books and records of the Trust. An authorized DTC Participant must execute a Letter of Consent exactly as its name appears on DTC's position listing as of the Record Date. If the Preferred HITS to which a Consent relates are held by two or more joint Holders, all such Holders must sign the Consent. If a Consent is signed by a trustee, partner, executor, administrator, guardian, attorney-in-fact, officer of a corporation or other person acting in a fiduciary or representative capacity, such person must so indicate when signing and must submit proper evidence satisfactory to Bank of America of such person's authority to so act. If a Consent is executed by a person other than the registered Holder, then it must be accompanied by a proxy duly executed by such Holder and acceptable to Bank of America.

If a Letter of Consent relates to fewer than all the Preferred HITS of a particular Trust held of record as of the Record Date by the person providing such Letter of Consent, such person must indicate on the Letter of Consent the aggregate liquidation amount of such Preferred HITS to which the Letter of Consent relates. If no aggregate liquidation amount of the Preferred HITS as to which a Letter of Consent is delivered is specified, but the Letter of Consent is otherwise properly completed and signed, the Holder will be deemed to have delivered a Letter of Consent with respect to the entire aggregate liquidation amount of the Preferred HITS of a particular Trust held by such Holder.

Consents in respect of the Preferred HITS of a particular Trust will expire if the Requisite Consents to the Proposed Amendments to the Declaration of Trust for such Trust have not been obtained on or before the Expiration Date.

Table of Contents

Notwithstanding the foregoing, we reserve the right (but are not obligated) to accept any Letter of Consent received by us or any other party by any other reasonable means or in any form that reasonably evidences the giving of Consent. The method of delivery of a Letter of Consent and all other required documents to the Information and Tabulation Agent is at the risk of the Holder, and the delivery will be deemed made only when actually received by the Information and Tabulation Agent. In all cases, sufficient time should be allowed to assure timely delivery. No Letter of Consent should be sent to any person other than the Information and Tabulation Agent.

Determination of Validity

All questions as to the validity, form and eligibility (including time of receipt) regarding the Consent procedures and the acceptance of Consents will be determined by us in our sole discretion, which determination will be conclusive and binding. We reserve the right to reject any or all Letters of Consent that are not in proper form or the acceptance of which, in our opinion or the opinion of our counsel, could be unlawful. We also reserve the right to waive any defects or irregularities in connection with deliveries of particular Letters of Consent. Unless waived, any defects or irregularities in connection with deliveries of Letters of Consent must be cured within such time as we determine. Neither we nor any of our affiliates, the Information and Tabulation Agent or any other persons shall be under any duty to give any notification of any such defects or irregularities or waivers, nor shall any of them incur any liability for failure to identify any such defect or irregularity or to give such notification. Deliveries of Letters of Consent will not be deemed to have been made until any irregularities or defects therein have been cured or waived. The interpretation of the terms and conditions of the Consent Solicitation by us shall be conclusive and binding.

Revocation of Consents

A Holder who has delivered a Letter of Consent on or prior to the Expiration Date may revoke such Letter of Consent by delivering to the Information and Tabulation Agent a written notice of revocation in accordance with the following procedures on or prior to the Expiration Date. In order to be effective, a notice of revocation of a Letter of Consent must (i) contain the name of the person who delivered the Letter of Consent and the Preferred HITS to which it relates and the aggregate liquidation amount of the Preferred HITS represented by such revocation, (ii) state that the Holder revokes the Letter of Consent with respect to such Preferred HITS, (iii) be signed by the Holder in the same manner as the original signature on the Letter of Consent and (iv) be received on or prior to the Expiration Date by the Information and Tabulation Agent at its address set forth on the back cover page hereof and on the Letter of Consent. A purported notice of revocation that lacks any of the required information, that is dispatched to an improper address, or that is delivered after the Expiration Date, will not be effective to withdraw a Consent previously given. A revocation of a Letter of Consent can only be accomplished in accordance with the foregoing procedures. **No Holder may revoke a Letter of Consent after the Expiration Date.**

All questions as to the form and validity (including time of receipt) of any delivery or revocation of a Letter of Consent will be determined by us, in our sole discretion, which determination shall be conclusive and binding. None of Bank of America, the Solicitation Agent, the Information and Tabulation Agent or any other person will be under any duty to give notification of any defects or irregularities in any delivery or revocation of a Consent or incur any liability for failure to identify any such defect or irregularity or to give any such notification.

No Dissenters' Rights

Holders of Preferred HITS of a particular Trust do not have dissenters' rights with respect to the Proposed Amendments to the Declaration of Trust for such Trust.

Bank of America has retained D.F. King & Co., Inc. to act as Information and Tabulation Agent for the Consent Solicitation. For the services of the Information and Tabulation Agent, we have agreed to pay reasonable and customary fees and to reimburse the Information and Tabulation Agent for its reasonable out-of-pocket expenses in connection with such services.

Requests for assistance in completing and delivering the Letter of Consent or requests for additional copies of this Consent Solicitation Statement, the Letter of Consent and other related documents should be directed to the Information and

Holders may also contact their broker, dealer, commercial bank, trust company or other nominee for assistance concerning the Consent Solicitation. Solicitation Agent

Bank of America has retained Merrill Lynch, Pierce, Fenner & Smith Incorporated as Solicitation Agent in connection with the Consent Solicitation. Merrill Lynch, Pierce, Fenner & Smith Incorporated will not receive any fees or other compensation for services performed in this capacity and no employee of Merrill Lynch, Pierce, Fenner & Smith Incorporated will be specially compensated for such services. The Solicitation Agent and its affiliates have rendered and may in the future render various investments or commercial banking, banking services and other advisory services to us and our subsidiaries in the ordinary course of business. The Solicitation Agent has received, and may in the future receive, customary compensation from us and our subsidiaries for such other services. Merrill Lynch, Pierce, Fenner & Smith Incorporated is a broker dealer, one of our subsidiaries and our affiliate.

Directors, officers and employees of Bank of America may also solicit Consents and will not be specially compensated for such services.

Fees and Expenses

We will bear the expenses of soliciting Consents. The principal solicitation is being made by e-mail. Additional solicitation may, however, be made by mail, facsimile transmission and telephone or in person by our officers and other employees and the Solicitation Agent, Merrill Lynch, Pierce, Fenner & Smith Incorporated, our affiliate. Holders delivering Letters of Consent will not be obligated to pay fees, commissions or other expenses of the Information and Tabulation Agent or the Solicitation Agent.

Bank of America will reimburse the property trustee and the Delaware trustee of the respective Trusts for the reasonable and customary expenses that they incur in connection with the Consent Solicitation. Bank of America will also reimburse banks, trust companies, securities dealers, nominees, custodians and fiduciaries for their reasonable and customary expenses in forwarding this Consent Solicitation Statement, the accompanying Letter of Consent and other materials to beneficial owners of the Preferred HITS.

No Recommendation

None of Bank of America, the Solicitation Agent, the Information and Tabulation Agent, the trustees of the Trusts or any of their respective affiliates are making recommendations as to whether any Holder should Consent to the Proposed Amendments. You must make your own independent decision regarding your participation in the Consent Solicitation.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES

All discussions of United States federal tax considerations in this document have been written to support the marketing of the Consent Solicitation. Such discussions were not intended or written to be used, and cannot be used by any taxpayer, for the purpose of avoiding United States federal tax penalties. Investors should consult their own tax advisers in determining the tax consequences to them of holding the Preferred HITS, including the application to their particular situation of the United States federal tax considerations discussed below, as well as the application of state, local, foreign, or other tax laws.

The following is a summary of certain United States federal income tax consequences of the Consent Solicitation that may be relevant to a beneficial owner of Preferred HITS that is a citizen or resident of the United States or a domestic corporation or otherwise subject to United States federal income tax on a net income basis in respect of the Preferred HITS (a "U.S. Holder"). The summary is based on laws, regulations, rulings and decisions now in effect, all of which are subject to change. The discussion does not deal with special classes of Holders, such as dealers in securities or currencies, banks, financial institutions, insurance companies, tax-exempt organizations, partnerships and partners therein, persons holding Preferred HITS as a position in a "straddle" or conversion transaction, or as part of a "synthetic security" or other integrated financial transaction or persons that have a functional currency other than the U.S. dollar. This discussion assumes that the Preferred HITS are held as "capital assets" within the meaning of the Internal Revenue Code of 1986, as amended (the "Code").

Table of Contents

We have not sought any ruling from the Internal Revenue Service (the “IRS”) with respect to the statements made and the conclusions reached in this discussion, and there can be no assurance that the IRS will agree with such statements and conclusions. In addition, the discussion does not describe any tax consequences arising out of the laws of any state or local or foreign jurisdiction. Accordingly, each Holder should consult its own tax advisor with regard to the Consent Solicitation and the application of United States federal income tax laws, as well as the laws of any state, local or foreign taxing jurisdictions, to its particular situation.

Taxation of Preferred HITS

Each Preferred HITS is treated for United States federal income tax purposes as an undivided beneficial ownership interest in (a) the corresponding junior subordinated notes and (b) the corresponding fractional interest in a stock purchase contract.

Effect of Proposed Amendments and Consent Fee

The United States federal income tax consequences to United States Holders of the Proposed Amendments and the receipt of the Consent Fee are subject to uncertainty. The tax consequences of the Proposed Amendments to U.S. Holders will depend upon whether the adoption of the Proposed Amendments and the payment of the Consent Fee are treated (either individually or in the aggregate) as a “significant modification” that results in a deemed exchange of the junior subordinated notes or stock purchase contracts (or both) underlying the Preferred HITS. Although not entirely free from doubt, we do not intend to treat the Proposed Amendment and the Consent Fee as a deemed exchange. Rather, we intend to treat the Consent Fee as a fee taxed as ordinary income, which fee will be taxable at the time it accrues or is received in accordance with the U.S. Holder’s method of accounting for tax purposes.

Information Reporting and Backup Withholding

A U.S. Holder may be subject to backup withholding on the Consent Fee unless such U.S. Holder (i) is a corporation or comes within certain other exempt categories and demonstrates this fact, or (ii) provides a correct taxpayer identification number, certifies as to no loss of exemption from backup withholding and otherwise complies with applicable requirements of the backup withholding rules. The amount of any backup withholding from a Consent Fee will be allowed as a credit against such U.S. Holder’s federal income tax liability and may entitle such U.S. Holder to a refund, provided that the required information is furnished to the IRS.

Foreign Holders

We intend to withhold tax from a Consent Fee paid to any beneficial owners of Preferred HITS who are not U.S. Holders (each, a “Non-U.S. Holder”) at a rate of 30%, unless the Non-U.S. Holder provides a properly completed and duly executed IRS Form W-8BEN or other applicable IRS Form W-8 claiming an exemption from withholding under the benefit of an applicable income tax treaty. Such forms may be obtained from the Information and Tabulation Agent or at the IRS website at www.irs.gov. If the tax withheld results in an overpayment of tax, a refund or credit may generally be obtainable, provided the appropriate IRS Form W-8BEN or other applicable IRS Form W-8 is provided to the IRS in a timely manner.

Non-U.S. Holders are urged to consult their own tax advisors regarding the application of United States federal income tax withholding, including eligibility for a withholding tax exemption and refund procedures.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

There are no statements regarding ownership of Preferred HITS of either of BAC Capital Trust XIII or BAC Capital Trust XIV filed with the SEC pursuant to Sections 13(d) or 13(g) of the Securities Exchange Act of 1934, nor have any persons delivered to either Trust proof of ownership sufficient to allow the Trust to determine that any beneficial owner owns more than 5% of the outstanding Preferred HITS of either of the Trusts.

SECURITY OWNERSHIP OF DIRECTORS AND MANAGEMENT

With respect to the Preferred HITS of BAC Capital Trust XIII or BAC Capital Trust XIV, no such securities are held by the regular trustees of such Trust or by the directors or executive officers of Bank of America. As of November 16, 2011, Merrill Lynch, Pierce, Fenner & Smith Incorporated, an affiliate of Bank of America, owned approximately \$8.65 million in aggregate liquidation amount of the Preferred HITS of BAC Capital Trust XIV.

SECURITYHOLDER PROPOSALS

Pursuant to the Declaration of Trust for each of BAC Capital Trust XIII and BAC Capital Trust XIV, no annual meeting of holders is required to be held. Accordingly, SEC rules with respect to shareholder proposals that may be submitted at annual meetings generally are not applicable to the Trust. In addition, as Delaware statutory trusts, neither of the Trusts has directors or persons serving in similar positions who are subject to election by the holders of the Preferred HITS. Accordingly, SEC rules with respect to submission of nominees for director generally are not applicable to the Trusts.

HOUSEHOLDING

The SEC's proxy rules permit companies and intermediaries, such as brokers and banks, to satisfy delivery requirements for consent or proxy solicitations with respect to two or more holders sharing the same address by delivering a single consent solicitation to those holders. This method of delivery, often referred to as householding, should reduce the amount of duplicate information that holders receive and lower printing and mailing costs for companies. You can request delivery of a single copy of a solicitation statement if you share the same address as another holder of the Preferred HITS that you hold by contacting the Information and Tabulation Agent.

The instructions contained in the Consent Documents should be read carefully before this Letter of Consent is completed. **None of Bank of America Corporation, the Solicitation Agent, the Information and Tabulation Agent, the trustees of any Trust or any of their affiliates is making any recommendation as to whether you should Consent. You must make your own decision after reading the Consent Documents and the documents incorporated by reference therein and consulting with your advisors.**

As used herein, the term "Record Date" means 5:00 p.m., New York City time, on [], 2011 and the term "Holder" means each person in whose name Preferred HITS of a particular Trust are registered in the appropriate books and records of such Trust as of the Record Date. For purposes of the Consent Solicitation in respect of the Preferred HITS of a particular Trust, The Depository Trust Company ("DTC") is expected to grant an omnibus proxy authorizing the DTC participants ("DTC Participants") set forth in the DTC position listing as of the Record Date to Consent to the Proposed Amendments with respect to the liquidation amount of the applicable Preferred HITS shown as owned by such DTC Participant on the books of DTC on the Record Date as if they were Holders of such Preferred HITS held of record in the name of DTC or its nominee. Accordingly, for purposes of the Consent Solicitation, the term "Holder" shall be deemed to include such DTC Participants.

Only Holders of the Preferred HITS of a particular Trust as of the Record Date, or their duly designated proxies, are eligible to Consent to the Proposed Amendments to the Declaration of Trust governing such Trust. To validly Consent to the Proposed Amendments to the Declaration of Trust for a particular Trust, a properly completed Letter of Consent (or a facsimile thereof) duly executed by the Holder of the Preferred HITS or its duly designated proxy must be delivered to the Information and Tabulation Agent at its address or facsimile number set forth above and on the back cover, by registered or certified mail, hand delivery, overnight courier or facsimile (confirmed by telephone), on or prior to the Expiration Date in accordance with the instructions contained in the Consent Documents, and not validly revoked. Bank of America reserves the right (but is not obligated) to accept any Letters of Consent received by other reasonable means or in any form that reasonably evidences the giving of Consent to the Proposed Amendments.

The method of delivery of a Letter of Consent and all other required documents to the Information and Tabulation Agent is at the risk of the Holder, and delivery will be deemed made only when actually received by the Information and Tabulation Agent. In all cases, sufficient time should be allowed to assure timely delivery. No Consent should be sent to any person other than the Information and Tabulation Agent.

Beneficial owners whose Preferred HITS are registered in the name of a broker, dealer, commercial bank, trust company or other nominee must contact such broker, dealer, commercial bank, trust company or other nominee, as the Holder of such Preferred HITS, if they desire to deliver Letters of Consent with respect to the Preferred HITS so registered and instruct the nominee to deliver a Letter of Consent on the beneficial owner's behalf on or prior to the Expiration Date. A beneficial owner of an interest in Preferred HITS held through a DTC Participant must properly instruct such DTC Participant sufficiently in advance of the Expiration Date to cause a Letter of Consent to be delivered by such DTC Participant with respect to the Proposed Amendments to the applicable Declaration of Trust.

Holders of Preferred HITS of a particular Trust as of the Record Date whose Letters of Consent to the Proposed Amendments to the Declaration of Trust for such Trust are received by the Information and Tabulation Agent in accordance with the instructions set forth in the Consent Documents on or prior to the Expiration Date, and are not validly revoked, will receive a consent fee (the "Consent Fee"), equal to \$2.50 in cash for each \$1,000 in liquidation amount of Preferred HITS, provided that the Holders of at least a majority in aggregate liquidation amount outstanding of such Preferred HITS have validly consented to the Proposed Amendments to the Declaration of Trust for such Trust (the "Requisite Consents") and have not validly revoked such consents, and the other conditions of the Consent Solicitation in respect of such Preferred HITS are satisfied or waived by us. Any subsequent transferees of such Holders, and any Holders who do not timely deliver (or who properly revoke) a valid Consent, will not receive the Consent Fee, even if the Proposed Amendments to the related Declaration of Trust receive the Requisite Consents and the other conditions to such Consent Solicitation Statement are satisfied or waived by us. If the Consent Solicitation in respect of the Preferred HITS of either Trust is terminated for any reason, then each Consent in respect of the Preferred HITS of such Trust will be voided and no Consent Fee with respect thereto will be paid. Subject to the terms and conditions of the Consent Solicitation Statement and this Letter of Consent, Bank of America will pay the Consent Fee promptly following the Expiration Date, on or about the second business day thereafter.

The undersigned will, upon request, execute and deliver any additional documents deemed by Bank of America to be necessary or desirable to perfect the undersigned's Consent to the Proposed Amendments as indicated in this Letter of Consent. The undersigned acknowledges that the undersigned must comply with the provisions of this Letter of Consent to validly Consent to the Proposed Amendments to the applicable Declaration of Trust in respect of the Preferred HITS indicated in the table below.

The undersigned acknowledges that the Proposed Amendments to the Declaration of Trust for a particular Trust will become effective upon receipt by the Information and Tabulation Agent of the Requisite Consents of the Preferred HITS of such Trust on or prior to the Expiration Date that have not been validly revoked, and the execution and delivery of an amendment to such Declaration of Trust implementing the Proposed Amendments (the "Amendment") by Bank of America and the regular trustees of the Trust. Notwithstanding the foregoing, the undersigned acknowledges that Bank of America expressly reserves the right to terminate the Consent Solicitation in respect of the Preferred HITS of any Trust for any reason on or prior to the Expiration Date. If the Consent Solicitation in respect of the Preferred HITS of either Trust is terminated, then each Consent in respect of the Preferred HITS of such Trust will be voided and no Consent Fee will be paid.

The undersigned acknowledges that Letters of Consent delivered in accordance with the procedures described under the heading "The Consent Solicitation—Procedures for Participating in the Consent Solicitation" in the Consent Solicitation Statement and in the instructions included in this Letter of Consent will constitute a binding agreement between the undersigned and Bank of America upon the terms and conditions of the Consent Solicitation in respect of the undersigned's Preferred HITS indicated in the table below.

Unless otherwise specified in the table below, this Letter of Consent relates to the total aggregate dollar amount of Preferred HITS held of record by the undersigned as of the Record Date. All questions as to the form of documents and validity, eligibility (including time of receipt), delivery and revocation of the Letter of Consent will be determined by Bank of America in its sole discretion, and Bank of America's determination will be final and binding absent a finding to the contrary by a court of competent jurisdiction.

(FORMING PART OF THE TERMS AND CONDITIONS OF THE CONSENT SOLICITATION)

1. Delivery of this Letter of Consent. A Holder desiring to Consent in respect of such Holder's Preferred HITS to the Proposed Amendments to the applicable Declaration of Trust should complete and sign this Letter of Consent (or a facsimile thereof) in accordance with the instructions set forth in the Consent Documents and deliver such manually signed Letter of Consent (or a manually signed facsimile thereof), by registered or certified mail, hand delivery, overnight courier or facsimile (confirmed by telephone), to the Information and Tabulation Agent at its address or facsimile number set forth on the front and back cover of this Letter of Consent on or prior to the Expiration Date. **The method of delivery of a Letter of Consent and all other required documents to the Information and Tabulation Agent is at the risk of the Holder, and delivery will be deemed made only when actually received by the Information and Tabulation Agent. In all cases, sufficient time should be allowed to assure timely delivery. No Consent should be sent to any person other than the Information and Tabulation Agent. Notwithstanding the foregoing, Bank of America reserves the right (but is not obligated) to accept any Consent received by us or any other party by any other reasonable means or in any form that reasonably evidences the giving of Consent to the Proposed Amendments.**

All Holders, by execution of this Letter of Consent or a facsimile hereof, waive any right to receive any notice of the acceptance of their Preferred HITS for Consent.

2. Expiration Date. The Consent Solicitation in respect of the Preferred HITS of a particular Trust expires at 5:00 p.m. New York City time, on [], 2011, unless Bank of America, in its sole discretion, extends the period during which such Consent Solicitation is open. In order to extend the Expiration Date, Bank of America will make a public announcement thereof. Bank of America may extend the Expiration Date for the Consent Solicitation in respect of the Preferred HITS of one Trust without extending the Expiration Date for the Consent Solicitation in respect of the Preferred HITS of the other Trust.

3. Questions Regarding Validity, Form, Legality, etc. All questions as to the validity, form and eligibility (including time of receipt) regarding the Consent procedures and Letters of Consent will be determined by us in our sole discretion, which determination will be conclusive and binding. We reserve the right to reject any or all Letters of Consent that are not in proper form or the acceptance of which, in our opinion or the opinion of our counsel, could be unlawful. We also reserve the right to waive any defects or irregularities in connection with deliveries of particular Letters of Consent. Unless waived, any defects or irregularities in connection with deliveries of Letters of Consent must be cured within such time as we determine. Neither we nor any of our affiliates, the Solicitation Agent, the Information and Tabulation Agent or any other persons shall be under any duty to give any notification of any such defects or irregularities or waivers, nor shall any of them incur any liability for failure to identify any such defect or irregularity or to give such notification. Deliveries of Letters of Consent will not be deemed to have been made until any irregularities or defects therein have been cured or waived. The interpretation of the terms and conditions of the Consent Solicitation by us shall be conclusive and binding.

4. Holders Entitled to Consent. Only Holders of the Preferred HITS of a particular Trust as of the Record Date, or their duly designated proxies, are eligible to Consent to the Proposed Amendments to the Declaration of Trust governing such Trust. Beneficial owners whose Preferred HITS are registered in the name of a broker, dealer, commercial bank, trust company or other nominee must contact such broker, dealer, commercial bank, trust company or other nominee, as the Holder of such Preferred HITS, if they desire to deliver Letters of Consent with respect to the Preferred HITS so registered and instruct the nominee to complete, execute and deliver this Letter of Consent on the beneficial owner's behalf on or prior to the Expiration Date. A beneficial owner of an interest in the Preferred HITS held in the account of a DTC Participant who wishes to deliver a Consent must properly instruct such DTC Participant to cause this Letter of Consent to be validly completed, executed and delivered on behalf of such beneficial owner.

Each properly completed and executed and validly delivered Letter of Consent will be counted notwithstanding any sale or transfer of the Preferred HITS to which such Consent relates after the Record Date, unless the applicable Holder has complied with the procedure for revoking Consents as described herein and in the Consent Solicitation Statement.

5. Signatures on this Letter of Consent. This Letter of Consent must be executed in the name of the Holder in exactly the same manner as the name of such Holder appears in the appropriate records of the applicable Trust as of the Record Date. If this Letter of Consent is signed by a DTC Participant whose name is shown on a security position listing as the Holder of the Preferred HITS to which this Letter of Consent relates, the signature must correspond with the name shown on the security position listing as the owner of such Preferred HITS.

If any of the Preferred HITS with respect to which this Letter of Consent is given were held of record on the Record Date by two or more joint Holders, all such Holders must sign this Letter of Consent. If any Preferred HITS with respect to

Table of Contents

which this Letter of Consent is given have different Holders, it will be necessary to complete, sign and submit as many separate copies of this Letter of Consent and any necessary accompanying documents as there are different Holders. If this Letter of Consent is signed by trustees, executors, administrators, guardians, duly designated proxies, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons must indicate such fact when signing and must, unless waived by Bank of America, submit evidence satisfactory to Bank of America of their authority to so act along with this Letter of Consent.

6. Revocation of Consent. A Holder who has delivered a Letter of Consent on or prior to the Expiration Date may revoke such Letter of Consent by delivering to the Information and Tabulation Agent a written notice of revocation in accordance with the following procedures on or prior to the Expiration Date. In order to be effective, a notice of revocation of a Letter of Consent must (i) contain the name of the person who delivered the Letter of Consent and the Preferred HITS to which it relates and the aggregate liquidation amount of the Preferred HITS represented by such revocation, (ii) state that the Holder revokes the Letter of Consent with respect to such Preferred HITS, (iii) be signed by the Holder in the same manner as the original signature on the Letter of Consent and (iv) be received on or prior to the Expiration Date by the Information and Tabulation Agent at its address set forth on the front and back cover hereof and on the Letter of Consent. A purported notice of revocation that lacks any of the required information, that is dispatched to an improper address, or that is delivered after the Expiration Date, will not be effective to revoke a Letter of Consent previously given. A revocation of a Letter of Consent can only be accomplished in accordance with the foregoing procedures. **No Holder may revoke a Letter of Consent after the Expiration Date.**

The transfer of the Preferred HITS after the Record Date will not have the effect of revoking any Consent theretofore validly given by a Holder of such Preferred HITS or duly designated proxy, and each properly completed and executed Letter of Consent will be counted notwithstanding any transfer of the Preferred HITS to which such consent relates, unless the procedure for revoking consents described above has been followed.

All questions as to the form and validity (including time of receipt) of any delivery or revocation of a Letter of Consent will be determined by us, in our sole discretion, which determination shall be final and binding. None of Bank of America, the Information and Tabulation Agent or any other person will be under any duty to give notification of any defects or irregularities in any delivery or revocation of a Letter of Consent or incur any liability for failure to identify any such defect or irregularity or to give any such notification.

7. Waiver of Conditions; Amendment of Terms; Termination. Bank of America, subject to applicable law, expressly reserves the absolute right, in its sole discretion, to amend or waive any of the terms or conditions to the Consent Solicitation in respect of the Preferred HITS of a particular Trust, including the Preferred HITS to which this Letter of Consent relates, in whole or in part, at any time and from time to time, or to terminate such Consent Solicitation as described in the Consent Solicitation Statement.

8. Requests for Assistance or Additional Copies. Requests for assistance in completing and delivering the Letter of Consent or requests for additional copies of this Letter of Consent or the Consent Solicitation Statement and other related documents should be directed to the Information and Tabulation Agent at its address and telephone numbers set forth on the back cover hereof. Holders may also contact their broker, dealer, commercial bank, trust company or other nominee for assistance concerning the Consent Solicitation.

9. Transfer Taxes. The Company will not pay or cause to be paid any transfer taxes with respect to the Consent Solicitation.

12. Withholding Tax; Internal Revenue Service Forms To avoid the application of 28% backup withholding on any payments made to Consenting Holders (or other payees), each Consenting Holder (or other payee) should complete and provide to the Information and Tabulation Agent Internal Revenue Service ("IRS") Form W-9, in the case of a Holder that is a U.S. Person (as defined below) (a "U.S. Holder"), or an IRS Form W-8BEN or other appropriate IRS Form W-8, in the case of a Holder that is not a U.S. Person (a "Non-U.S. Holder"). For purposes of IRS Form W-9, a U.S. Person is an individual who is a U.S. citizen or U.S. resident alien, a partnership, corporation or association created or organized in the United States or under the laws of the United States, or any political subdivision thereof, an estate the income of which is subject to U.S. federal income tax regardless of its source, or a trust if a U.S. court is able to exercise primary supervision over the trust and U.S. Persons have authority to control all substantial decisions of the trust. U.S. Holders may obtain an IRS Form W-9 and instructions from the Information and Tabulation Agent or from the IRS's website (<http://www.irs.gov>).

Each U.S. Holder, when completing an IRS Form W-9, is required to provide the U.S. Holder's correct taxpayer identification number ("TIN") (generally the U.S. Holder's Social Security or Employer Identification Number), along with

Table of Contents

certain other information, and to certify under penalties of perjury that the U.S. Holder is a U.S. Person, that such TIN is correct (or that such U.S. Holder is awaiting a TIN) and that the U.S. Holder is not subject to backup withholding. Alternatively, a U.S. Holder can prevent backup withholding by providing a basis for exemption from backup withholding. Failure to provide the correct information on IRS Form W-9 or an adequate basis for an exemption from the obligation to provide such information may subject the tendering U.S. Holder to a \$50 penalty imposed by the IRS and backup withholding at a rate of 28% of the gross proceeds paid pursuant to the Consent Solicitation Statement. If withholding results in an overpayment of taxes, a refund or credit may be obtained, provided that the required information is timely furnished to the IRS.

Non-U.S. Holders should not complete IRS Form W-9. Instead, each Non-U.S. Holder should complete an IRS Form W-8BEN (or other appropriate type of IRS Form W-8). In the case of Non-U.S. Holders for which IRS Form W-8BEN is the appropriate form, IRS Form W-8BEN requires a Non-U.S. Holder to provide such Non-U.S. Holder's name and address, along with certain other information, and to certify, under penalties of perjury, that such Non-U.S. Holder is not a U.S. Person. Non-U.S. Holders may obtain an IRS Form W-8BEN and instructions (or other appropriate IRS Form W-8) from the Information or Tabulation Agent or from the IRS's website (<http://www.irs.gov>).

Failure to include a properly completed Form W-9 or IRS Form W-8 may result in the application of U.S. backup withholding.

A Consent Fee paid to a Non-U.S. Holder will be subject to 30% U.S. federal withholding tax unless the Non-U.S. Holder provides a properly executed IRS Form W-8BEN claiming a reduction of or exemption from such withholding tax under the "business profits," "other income" or similar article of a U.S. income tax treaty or provides a properly executed IRS Form W-8ECI claiming that the Consent Fee is effectively connected with the conduct of a trade or business in the United States. In addition, payments attributable to accrued but unpaid stated interest made to a Non-U.S. Holder will be subject to 30% U.S. federal withholding tax unless the Non-U.S. Holder provides proper certification on an applicable IRS Form W-8. Please see "Certain U.S. Federal Income Tax Consequences" in the accompanying Consent Solicitation Statement.

Treasury Department Circular 230 Disclosure: Any discussion of tax issues set forth in this Letter of Consent was written in connection with the promotion and marketing of the transactions described in this Letter of Consent. Such discussion was not intended or written to be used, and it cannot be used, by any person for the purpose of avoiding any tax penalties that may be imposed on such person. Each Holder should seek advice based on its particular circumstances from an independent tax adviser.
