Risk Factors

Please see the Preliminary Offering Documents for a description of certain risks related to this investment, including, but not limited to, the following:

- Your investment may result in a loss; there is no guaranteed return of principal.
- Payments on the notes are subject to the credit risk of BofA Finance and the credit risk of BAC, and actual or perceived changes in the creditworthiness of BofA Finance or BAC are expected to affect the value of the notes. If BofA Finance and BAC become insolvent or are unable to pay their respective obligations, you may lose your entire investment.
- The initial estimated value of the notes on the pricing date will be less than their public offering price.
- If you attempt to sell the notes prior to maturity, their market value may be lower than both the public offering price and the initial estimated value of the notes on the pricing date.
- Your investment return is limited to the return represented by the Step Up Payment and may be less than a comparable investment directly in the Underlying Stock.
- Depending on the performance of the Underlying Stock as measured shortly before the maturity date, your investment may result in a loss; there is no guaranteed return of principal.
- Payments on the notes are subject to the credit risk of BofA Finance and the credit risk of BAC, and actual or perceived changes in the creditworthiness of BofA Finance or BAC are expected to affect the value of the notes. If BofA Finance and BAC become insolvent or are unable to pay their respective obligations, you may lose your entire investment.
- Your investment return, if any, is limited to the return represented by the Capped Value and may be less than a comparable investment directly in the Underlying Company.
- The initial estimated value of the notes on the pricing date will be less than their public offering price.
- If you attempt to sell the notes prior to maturity, their market value may be lower than both the public offering price and the initial estimated value of the notes on the pricing date.
- You will have no rights of a holder of the Underlying Stock, and you will not be entitled to receive shares or dividends or other distributions by the Underlying Company.
- The Underlying Company will have no obligations relating to the notes, and none of us, BAC, MLPF&S or BofAS will perform any due diligence procedures with respect to the Underlying Company in connection with this offering.
- While BAC and our other affiliates may from time to time own securities of the Underlying Company, we, BAC and our other affiliates do not control the Underlying Company, and have not verified any disclosure made by any other company.
- Payment on the notes will not be adjusted for all corporate events that could affect the Underlying Stock.

Final terms will be set on the pricing date within the given range for the specified Market-Linked Investment. Please see the Preliminary Offering Documents for complete product disclosure, including related risks and tax disclosure.
