SCHEDULE II

LITIGATION SCHEDULE

SEC IMG Order 8/20/2018

On August 20, 2018, Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S") entered into a settlement with the Securities and Exchange Commission ("SEC") under which MLPF&S consented to the entry of an order (the "Order") that finds that MLPF&S willfully violated Sections 206(2) and 206(4) under the Investment Advisers Act of 1940 ("Advisers Act") and Rule 206(4)-7 thereunder. The Order finds that MLPF&S failed to disclose that the portfolio manager evaluation process employed in connection with a January 2013 termination recommendation for over fifteen hundred of its retail advisory accounts was exposed to a conflict of interest involving other business interests. The Order finds that this undisclosed conflict of interest in MLPF&S's decision-making process violated Section 206(2) of the Advisers Act. MLPF&S also violated 206(4) of the Advisers Act and Rule 206(4)-7 promulgated thereunder. Solely for the purpose of settling these proceedings, MLPF&S admitted the SEC's jurisdiction and the subject matter of these proceedings and consented to the Order. The Order requires MLPF&S to cease and desist from committing or causing any violations and any future violations of Advisers Act Sections 206(2) and 206(4) and Rule 206(4)-7, be censured, and pay disgorgement of \$4,032,871.89, prejudgment interest of \$806,981.03, and a civil money penalty in the amount of \$4,032,871.89.

SEC ATS Order 6/19/2018

On June 19, 2018, the SEC issued an administrative proceeding against MLPF&S concerning MLPF&S's sustained efforts to hide its practice of routing certain institutional customer orders to other broker-dealers (ELPs), including proprietary trading firms and wholesale market makers, for execution. MLPF&S configured a number of internal/external trade reporting systems so that institutional customer orders that were executed at ELPs instead appeared to institutional customers to have been executed at MLPF&S. MLPF&S similarly misreported ELP executions in reports provided to institutional customers and in billing invoices. When responding to institutional customer questionnaires and in other communications, MLPF&S specifically omitted ELPs from lists of venues to which institutional customer orders were routed. MLPF&S referred to this practice internally as masking. MLPF&S masked the ELP executions of MLPF&S's direct strategy access institutional customers, typically financial institutions such as asset managers, mutual fund investment advisers, and public pension funds. As a result, these institutional customers' orders received unwanted executions against entities with which they believed their orders would not interact. Because of masking, these institutional customers did not know that MLPF&S violated their instructions. MLPF&S's efforts to mask the correct trading venues, including by altering trade reporting programs, operated as a fraud or deceit upon its institutional customers. As a result, MLPF&S willfully violated Sections 17(a)(2) and 17(a)(3) of the Securities Act of 1933 ("Securities Act"). MLPF&S was censured and ordered to (i) cease and desist from committing or causing any violations and any future violations of Sections 17(a)(2) and 17(a)(3) of the Securities Act; and (ii) pay a civil money penalty in the amount of \$42,000,000.

SEC Non-Agency RMBS Order 6/12/2018

On June 12, 2018, the SEC issued an administrative proceeding against MLPF&S finding that MLPF&S failed reasonably to supervise MLPF&S personnel so as to prevent and detect violations of antifraud provisions of the federal securities laws in connection with MLPF&S's secondary market purchases and sales of certain bonds known as non-agency residential mortgage-backed securities ("RMBS"). The trading took place from June 2009 through December 2012 ("Period") and involved intra-day purchases and sales of RMBS from and to MLPF&S's institutional customers. During the Period, MLPF&S personnel who purchased and sold RMBS made false or misleading statements, directly and indirectly, to MLPF&S's institutional customers and/or charged MLPF&S's institutional customers undisclosed excessive mark-ups. By engaging in this conduct, MLPF&S's personnel acted knowingly or recklessly. MLPF&S had both policies that prohibited false or misleading statements and the means to monitor communications for such statements. MLPF&S, however, failed reasonably to implement procedures to monitor for the types of false or misleading statements that were the subject of the Order. MLPF&S also had policies that prohibited excessive mark-ups and procedures to monitor for excessive mark-ups on transactions in RMBS, but the policies and procedures were not reasonably designed and implemented. Due to these deficiencies, MLPF&S failed reasonably to perform a meaningful review of potentially excessive mark-ups on certain RMBS transactions, including those that were the subject of the Order. Under the circumstances described above, MLPF&S failed reasonably to supervise for violations of antifraud provisions of the federal securities laws within the meaning of Section 15(b)(4)(e) of the Exchange Act. MLPF&S agreed to a censure, pay disgorgement and pre-judgment interest totaling \$10,535,441, and pay a civil money penalty in the amount of \$5,267,720.

State of Maine Office of Securities Consent Order 5/25/2018

On May 25, 2018, the State of Maine Office of Securities ("Maine Securities") issued a Consent Order ("Order") in connection with MLPF&S's activities as distribution agent of Maine's NextGen 529 College Investment Plan-Client Select Series ("NextGen") and the fees associated with the different classes of units available to NextGen investors (Class A units and Class C units). The Order cited MLPF&S for (i) having violated 32 M.R.S. 16412(4)(M) and Maine Office of Securities Rule Chapter 504 Section 8(3) when its representatives recommended Class C units of NextGen to investors for whom Class A units likely would have been less expensive over the investors' investment horizon given the age of the investors' beneficiaries, and (ii) having violated 32 M.R.S. 16412(4)(I) and Maine Office of Securities Rule Chapter 504 Section 7(1) by failing to (a) reasonably supervise its agents, and (b) establish and maintain policies and procedures, and effective monitoring or other controls reasonably designed to ensure that its agents properly considered the beneficiaries' age, investment time horizon, and relative expense of Class A and Class C units when representatives recommended NextGen. The Order stated that MLPF&S has undertaken to make financial remediation payments to all Maine and non-Maine residents who purchased NextGen Class C units during a specified period ("Eligible Investors") through MLPF&S as distribution agent pursuant to a voluntary written plan submitted to the Maine Securities Administrator. MLPF&S agreed to the entry of the Order without admitting or denying the findings of fact and conclusions of law of Maine Securities.

FINRA Reg NMS AWC 4/06/2018

On April 6, 2017, without admitting or denying the findings, MLPF&S consented to the sanctions and to the entry of findings that it failed to establish, maintain, and enforce written policies and procedures that were reasonably designed to prevent trade-throughs of protected quotations in NMS stocks that do not fall within any applicable exception, and if relying on an exception, are reasonably designed to assure compliance with the terms of the exception. The findings stated that MLPF&S failed to take reasonable steps to establish that the intermarket sweep orders it routed met the definitional requirements set forth in Rule 600(b)(30) of Regulation NMS. MLPF&S experienced four systems issues that gave rise to certain of the above violations. In connection with one of the systems issues, MLPF&S became aware in June 2007 that its smart order router would limit the total share quantity of its Regulation NMS sweep obligation to the share quantity of the relevant underlying customer facilitation trade. Thus, in cases where the quantity of superior protected quotations in the market were greater than the quantity of shares in the underlying customer facilitation trade, MLPF&S's smart order router may not have routed intermarket sweep orders to all superior protected quotations in the market or to the full size of all superior protected quotations in the market resulting in trade-throughs of those protected quotations. MLPF&S failed to recognize the scope of the issue and assigned it a low priority for later remediation. MLPF&S did not remediate the issue until March 2014. MLPF&S also reported certain trades with trade through exempt modifiers to the FINRA trade reporting facility when, in fact, the transactions were not exempt. MLPF&S was censured and fined \$115,000 and required to comply with an undertaking to revise its written supervisory procedures.

New York Attorney General Investor Protection Bureau Masking Settlement 3/22/2018

On March 22, 2018, the Attorney General of the State of New York Investor Protection Bureau ("NYAG") alleged that Bank of America Corporation ("BAC") and MLPF&S (1) concealed from its institutional clients that orders were routed to and executed by "electronic liquidity providers," (2) misstated the composition of orders and trades in its dark pool, and (3) did not accurately describe its use of a proprietary "venue ranking" analysis, in violation of the Martin Act and Executive Law § 63(12). In connection with the agreement, BAC and MLPF&S agreed (1) not to engage, or attempt to engage, in conduct in violation of any applicable laws, including but not limited to the Martin Act and Executive Law § 63(12); (2) to pay a penalty in the amount of \$42,000,000; and (3) provide the NYAG a summary of the review of its electronic trading policies and procedures.

MLPF&S BYX Exchange, Inc. ("BYX") AWC 3/09/2018

Without admitting or denying the findings, MLPF&S consented to the sanctions and to the entry of findings that MLPF&S failed to take reasonable steps to establish that the inter-market sweep orders it routed met the definitional requirements set forth in SEC Rule 600(b)(30) of Regulation NMS. The findings stated that MPF&S failed to establish, maintain and enforce a supervisory system that was reasonably designed to achieve compliance with the applicable securities laws and regulations, and BYX rules, concerning compliance with Rule 611(c). Specifically, MLPF&S's supervisory system did not include written supervisory procedures ("WSPs") that included an identification of the person(s) responsible for supervision with respect to applicable rules. MLPF&S was censured and fined \$57,500. In addition, MLPF&S agreed to revise its WSPs with respect to the areas outlined in the AWC.

MLPF&S BZX Exchange, Inc. ("BZX") AWC 3/09/2018

Without admitting or denying the findings, MLPF&S consented to the sanctions and to the entry of findings that MLPF&S failed to take reasonable steps to establish that the inter-market sweep orders it routed met the definitional requirements set forth in SEC Rule 600(b)(30) of Regulation NMS. The findings stated that MLPF&S failed to establish, maintain and enforce a supervisory system that was reasonably designed to achieve compliance with the applicable securities laws and regulations, and BZX rules, concerning compliance with Rule 611(c). Specifically, MLPF&S's supervisory system did not include written supervisory procedures ("WSPs") that included an identification of the person(s) responsible for supervision with respect to applicable rules. The findings also stated that MLPF&S failed to reasonably avoid displaying or engaging in a pattern or practice of displaying quotations that locked or crossed a protected quotation, or any manual quotations that locked or crossed a quotation previously disseminated pursuant to an effective national market system plan. MLPF&S was censured and fined \$77,500. In addition, MLPF&S agreed to revise its WSPs with respect to the areas outlined in the AWC.

MLPF&S SEC Longtop Order 3/08/2018

On March 8, 2018, the SEC issued an administrative order against MLPF&S finding that MLPF&S, from January 24, 2011 to August 18, 2011, violated the registration provisions of the federal securities laws by effecting unregistered sales of almost 3 million shares of Longtop Financial Technologies Limited's securities for a customer that maintained an account at an MLPF&S branch office in Singapore. In 2013, MLPF&S sold its Singapore branch office and the branch employees handling the account ceased their association with MLPF&S. MLPF&S consented to the issuance of the administrative order without admitting or denying the SEC's findings. The SEC found that, although in advance of the sales MLPF&S reviewed Longtop's public filings, gathered information from the Singapore branch concerning Longtop and the account, had discussions with Longtop's U.S.-based outside counsel who was not on a list of known securities law offenders, and consulted with in-house counsel, MLPF&S did not perform a reasonable inquiry into the facts surrounding the proposed sales to determine if there was an available exemption from registration under the Securities Act, and as a result MLPF&S was not entitled to rely on the brokers' transaction exemption in Section 4(a)(4) of the Securities Act. The SEC found that the sales through the account, generated approximately \$38 million in proceeds for the benefit of Longtop and its affiliates. MLPF&S wired the proceeds from the nominee account to a Hong Kong bank account in the name of a different entity that was controlled by Longtop management. Unknown to MLPF&S, the majority of the proceeds were then transferred from the

Hong Kong bank account to one or more affiliates of Longtop. MLPF&S received over \$127,000 in commissions and fees during the relevant period. As a result, the SEC found that MLPF&S willfully violated Sections 5(a) and 5(c) of the Securities Act. MLPF&S was censured and ordered to cease and desist from committing or causing any violations and any future violations of Sections 5(a) and 5(c) of the Securities Act. MLPF&S was also ordered to pay disgorgement of \$127,545 along with prejudgment interest of \$27,340, and pay a civil money penalty in the amount of \$1.25 million.

MLPF&S SEC AML Order 12/21/2017

The SEC deems it appropriate and in the public interest that public administrative and cease-and-desist proceedings be, and hereby are, instituted pursuant to Sections 15(b), and 21c of the Securities Exchange Act of 1934 ("Exchange Act") and Section 203(e) of the Advisers Act against MLPF&S. MLPF&S, in addition to offering its customers the ability to buy and sell securities, offered its customers other services in brokerage accounts, such as ATM cash deposits, wires, journal-entry transfers, check writing, ATM withdrawals, cash advances, and ACH transfers. By offering these additional services, MLPF&S was susceptible to risks of money laundering and other illicit financial activity associated with these services. During the relevant period, MLPF&S primarily used a system called "MANTAS" for the automated monitoring of retail brokerage accounts to detect potential money laundering activity related to money movements. MANTAS alerted on transactions that fit within the parameters of specific scenarios selected by MLPF&S. MLPF&S had other methods of detecting suspicious movements of funds in accounts, but those methods were primarily manual, or only alerted on certain types of activity. MLPF&S also used a separate automated surveillance system to conduct trade surveillance and referred to the alerts produced by its anti-money laundering ("AML") detection channels as "events." MLPF&S also used a system called "event processor," or "EP," which grouped MANTAS events and events produced by other firm detection channels and assigned points to the event groups. From 2006 through May 2015, MLPF&S did not apply its MANTAS automated monitoring to certain accounts. From about September 2011 through January 2012, MLPF&S did not investigate MANTAS events that were not grouped with an event from one of the other detection channels, such as an employee referral, a government subpoena, or an event related to a wire transfer or ATM transaction that had been routed through a consumer bank before being debited or credited to a firm customer's retail brokerage account. EP used a number of systems and techniques to group events arising from related retail brokerage accounts. However, EP inadvertently did not link related accounts that involved customers who had both U.S. dollar-denominated and foreign currency-denominated accounts. Accordingly, certain event groups did not meet the risk-based threshold and become an investigation for further review as rapidly as they otherwise would have, if at all. MLPF&S did not have adequate policies and procedures for filing what were commonly known as "continuing activity" or "ongoing activity" suspicious activity reports (SARS). MLPF&S had AML policies and procedures that were not reasonably designed to account for the additional risk associated with the additional services offered by certain of its retail brokerage accounts. Once an AML case was opened, the platform used by the firm's AML investigators during part of the relevant period did not provide sufficient visibility into transactions occurring in an account, causing the investigators sometimes unduly to limit their review to the specific events that triggered the event and not to review the account more broadly to determine whether the risk associated with that event warranted additional investigation or reporting. Because of the deficiencies in its AML policies and procedures, MLPF&S failed to adequately monitor for, detect, and report certain suspicious activity related to transactions or patterns of transactions in its customers' accounts. By failing to file SARS with financial crimes enforcement network (FINCEN) as required by the BSA with respect to certain of its customers' activity as described above, MLPF&S willfully violated Section 17(a) of the Exchange Act and Rule 17a-8 thereunder. MLPF&S was ordered to cease and desist from committing or causing any violations and any future violations of Exchange Act Section 17(a) or Rule 17a-8 promulgated thereunder, censured, and fined \$13,000,000.

MLPF&S FINRA AWC 12/19/2017

Without admitting or denying the findings, MLPF&S consented to the entry of the following findings by FINRA: MLPF&S failed to identify and evaluate certain trades with extended settlement dates ("ES Trades") across its product lines and business units for margin and net capital purposes. As a result, MPF&S for these trades failed to collect the requisite margin in violation of FINRA Rules 4210 and 2010; take the appropriate net capital deduction in violation of Section 15(c) of the Securities Exchange Act of 1934 ("SEA") and Rule 15c3-1(c) thereunder and FINRA Rule 2010; prevent extension of credit in cash accounts in violation of FINRA Rule 2010 by violating Regulation T of the Board of Governors of the Federal Reserve System ("Reg T"); maintain accurate schedules to the general ledger in violation of Section 17(a) of the SEA and Rule 17a-3 thereunder and FINRA Rules 4511 and 2010; and file accurate Focus reports in violation of SEA Rule 17a-5 and FINRA Rule 2010. MLPF&S also failed to establish, maintain and enforce a reasonable supervisory system, including written supervisory procedures ("WSPS"), designed to achieve compliance with applicable federal securities laws and regulations with respect to margin, net capital, books and records, and financial and operational combined uniform single ("FOCUS") reports in violation of FINRA Rule 3110, and its predecessor rule, NASD Rule 3010. MLPF&S's supervisory system and written procedures failed to identify and consider ES Trades across its product lines and business units. Although MLPF&S was made aware of these supervisory deficiencies in April 2013 through findings made during a FINRA's Department of Member Regulation member regulation examination, MLPF&S failed to implement any remedial measures until mid-2014, and failed to implement a reasonable firm-wide supervisory system to identify and consider ES Trades until mid-2015. MLPF&S was censured and fined \$1,400,000.

MLPF&S SEC Market Access Rule Order 9/26/2016

On September 26, 2016, MLPF&S entered into a settlement with the SEC resulting in the SEC issuing an order. MLPF&S consented to the entry of the order (the "Order") that finds that it violated Section 15(c)(3) of the Securities Exchange Act of 1934 ("Exchange Act") and Rule 15c3-5 thereunder (the "Market Access Rule"). The Order finds that MLPF&S violated the Market Access Rule by failing to establish, document, and maintain a system of risk management controls and supervisory procedures reasonably designed to manage the financial, regulatory, and other risks of its market access activity. In particular, MLPF&S failed to establish pre-trade risk management controls reasonably designed to prevent the entry of erroneous orders, to establish pre-trade risk management controls reasonably designed to prevent the entry of orders that would exceed pre-set credit or capital limits for several of its trading desks, to establish required controls and procedures for fixed income securities, to review adequately the effectiveness of its risk management controls and supervisory procedures required by the Market Access Rule, particularly for preventing the entry of erroneous orders, and to comply with the Rule's CEO certification requirements. Solely for the purpose of settling these proceedings, MPF&S consented to the Order without admitting or denying the findings in the Order, except as to the SEC's jurisdiction over it and the subject matter. The Order censures MLPF&S and directs it to cease-and-desist from committing or causing any violations and any future violations of Exchange Act Section 15(c)(3) and Rule 15c3-5 thereunder. Additionally, the Order requires MLPF&S to pay a \$12,500,000 civil money penalty.

MLPF&S SEC Structured Return Note Order 6/23/2016

On June 23, 2016, the SEC issued an administrative order in which it found that MLPF&S, without admitting or denying any allegations, violated Section 17(a)(2) of the Securities Act. Specifically, the order found that MLPF&S failed to adequately disclose certain fixed costs in a proprietary volatility index linked to structured notes known as Strategic Return Notes ("SRNs") of Bank of America Corporation, which resulted in materially misleading disclosures in the offering materials of the fixed costs associated with the SRNs. In the order, MLPF&S was ordered to (i) cease and desist from committing or causing any violations and any future violations of Section 17(a)(2) of the Securities Act, and (ii) to pay a civil monetary penalty of \$10,000,000.

MLPF&S SEC 15c3-3 Order 6/23/2016

On June 23, 2016, the SEC issued an administrative order in which it found that MLPF&S and Merrill Lynch Professional Clearing Corp. ("MLPro") had willfully violated Section 15(c)(3) of the Securities Exchange Act of 1934 ("Exchange Act") and Rule 15c3-3 thereunder and Section 17(a)(1) of the Exchange Act and Rules 17a-3(a)(10) and 17a-5(a) thereunder, and that MLPF&S willfully violated Section 17(a)(1) of the Exchange Act and Rules 17a-5(d)(3) (as it existed prior to amendments to Rule 17a-5 in 2014), 17a-5(d)(2)(ii), 17a-5(d)(3) and 17a-11(e) thereunder, and Exchange Act Rule 21F-17. Specifically, the order found that (i) MLPF&S and MLPro engaged in a series of complex trades that allowed it to use customer cash to finance firm inventory, (ii) MLPF&S allowed certain of its clearing banks to hold liens on customer securities, and (iii) MLPF&S used language in certain of its policies, procedures, and agreements with employees that unduly limited the disclosure of confidential information. In determining to accept MLPF&S's and MLPro's offer, the SEC considered remedial acts promptly undertaken by MLPF&S and MLPro and substantial cooperation afforded the SEC staff during the course of its investigation. In the order, (i) MLPF&S and MLPro were censured, (ii) MLPF&S was ordered to cease and desist from committing or causing any violations and any future violations of Sections 15(c)(3) and 17(a)(1) of the Exchange Act and Rules 15c3-3, 17a-3(a)(10), 17a-5(a), 17a-5(d)(2)(ii), 17a-5(d)(3), 17a-11(e) and 21F-17 thereunder, (iii) MLPro was ordered to cease and desist from committing or causing any violations and any future violations of Sections 15(c)(3) and 17(a)(1) of the Exchange Act and Rules 15c3-3, 17a-3(a)(10) and 17a-5(a) thereunder, (iv) MLPF&S and MLPro were ordered to pay disgorgement of \$50,000,000 and prejudgment interest in the amount of \$7,000,000, and (v) MLPF&S was ordered to pay a civil monetary penalty of \$358,000,000.

MLPF&S FINRA AWC 12/16/2015

The Financial Industry Regulatory Authority ("FINRA") alleged that from January 2009 through October 28, 2013, MLPF&S did not conduct adequate background checks on approximately 4,500 non-registered associated persons, after its acquisition by Bank of America Corporation and the resulting organizational changes. Of that total, approximately 3,145 were fingerprinted, but were screened under the standards applicable to banks and not to broker-dealers; approximately 1,115 were not fingerprinted; and approximately 240 were not fingerprinted until after they joined MLPF&S. As a result, FINRA alleged individuals were not properly screened for statutory disqualifications under the Exchange Act (and one person subject to an Exchange Act statutory disqualification actually associated with MLPF&S); MLPF&S did not have adequate records and MLPF&S did not adequately supervise the fingerprinting process. FINRA alleged violations of Section 17(f) of the Exchange Act and Rule 17f-2 thereunder; Section 17(a) of the Exchange Act and Rules 17a-3(a)(12)(i)(G) and 17a-3(a)(13) thereunder; Article III, Section 3(b) of the FINRA By-Laws; NASD Rule 3010 and FINRA Rules 4511 and 2010. MLPF&S accepted and consented to the entry of an AWC, without admitting or denying the findings. MLPF&S consented to the imposition of the following sanctions: (1) a censure, (2) a fine in the amount of \$1,250,000, and (3) a certain undertaking. In connection with the AWC, MLPF&S agreed to an undertaking to review its systems and procedures regarding the identification, fingerprinting, and screening of non-registered associated persons to ensure that current systems and procedures are reasonably designed to achieve compliance with all securities laws and regulations, including Section 17(a) of the Exchange Act and Rule 17a-3 thereunder, Section 17(f) of the Exchange Act and Rule 17f-2 thereunder, FINRA By-Laws Article III, Section 3(b), and FINRA Rule 4511.

MLPF&S SEC MCDC Order 6/18/2015

The SEC deems it appropriate and in the public interest that public administrative and cease-and-desist proceedings be, and hereby are, instituted against MLPF&S. MLPF&S willfully violated section 17(a)(2) of the Securities Act. MLPF&S, a registered broker-dealer, conducted inadequate due diligence in certain offerings and as a result, failed to form a reasonable basis for believing the truthfulness of the assertions by these issuers and/or obligors regarding their compliance with previous continuing disclosure undertakings pursuant to Rule 15c2-12. This resulted in MLPF&S offering and selling municipal securities on the basis of materially misleading disclosure documents. The violations were self-reported by MLPF&S to the SEC pursuant to the Division of Enforcement's (the "Division") Municipalities Continuing Disclosure Cooperation (MCDC) initiative. The MLPF&S shall cease and desist from committing or causing any violations and any future violations of Section 17(a)(2) of the Securities Act, pay a civil money penalty in the amount of \$500,000 and comply with the undertakings enumerated in the offer of settlement.

MLPF&S Regulation SHO Settlement 6/01/2015

On June 1, 2015, MLPF&S and an affiliate (the "Firms") pursuant to an SEC administrative order (the "SHO Order"), were ordered to cease and desist from violations of Rule 203(b) of Regulation SHO under the Exchange Act arising from practices related to execution of short sales. The Firms acknowledged that they violated Rule 203(b) of Regulation SHO in connection with their practices related to execution of short sales. The Firms agreed in the SHO Order to (1) cease and desist from committing or causing any violations and any future violations of Rule 203(b) of Regulation SHO; (2) be censured; (3) pay disgorgement of \$1,566,245.67 plus prejudgment interest; (4) pay a civil monetary penalty of \$9 million; and (5) comply with certain undertakings, including retaining an independent consultant within thirty (30) days of entry of the SHO Order to conduct a review of the Firms' policies, procedures and practices with respect to their acceptance of short sale orders for execution in reliance on the ETB List and procedures to monitor compliance therewith to satisfy certain of their obligations under Rule 203(b) of Regulation SHO.

BANA Servicemembers Civil Relief Act Settlement 5/29/2015

On May 29, 2015, the Comptroller of the Currency ("OCC") issued an Order to Cease and Desist and Order of Assessment of a Civil Money Penalty (together, the "Orders") against Bank of America, N.A. ("BANA") relating to the Servicemembers Civil Relief Act ("SCRA") and BANA's sworn document and collections litigation practices. In the Orders, the OCC identified (i) unsafe or unsound practices in connection with BANA's efforts to comply with the SCRA, (ii) SCRA violations, and (iii) unsafe or unsound practices in connection with BANA's sworn document and collections litigation practices. Regarding the SCRA, the Orders stated BANA failed to have effective policies and procedures to ensure compliance with SCRA; failed to devote sufficient financial, staffing, and managerial resources to ensure proper administration of its SCRA compliance processes; failed to devote to its SCRA compliance processes adequate internal controls, compliance risk management, internal audit, third party management, and training; and engaged in violations of the SCRA. Regarding the sworn document and collections litigation process, the Orders stated that BANA filed or caused to be filed in courts affidavits executed by its employees or employees of third party service providers making assertions that, in many cases, were not based on personal knowledge or review of relevant books and records; filed or caused to be filed in court affidavits when BANA did not follow proper notary procedures; failed to devote sufficient financial, staffing, and managerial resources to ensure proper administration of its sworn document and collections litigation processes; and failed to sufficiently oversee outside counsel and other third-party providers handling sworn document and collections litigation services. In the Orders, BANA agreed to pay a civil money penalty in the total amount of \$30 million, has begun corrective action, and is committed to taking all necessary and appropriate steps to remedy the deficiencies, unsafe or unsound practices, and violations of law identified by the OCC, and to enhance its SCRA compliance practices and sworn document and collections litigation practices. Specifically, BANA agreed to: (a) appoint and maintain a compliance committee to monitor and oversee BANA's compliance with the Orders and to approve measures to ensure compliance; (b) submit an acceptable plan containing a complete description of the actions to achieve compliance with the Orders; (c) submit a written plan to effectively implement an enterprise-wide compliance risk management program regarding compliance with all applicable laws, regulations, and regulatory guidance; (d) conduct a written, comprehensive assessment of its risk in SCRA compliance operations, including but not limited to, operational, compliance, legal, and reputational risks; (e) submit acceptable written plans to ensure its compliance with the SCRA and with regard to collections litigation; (f) submit plans to conduct a SCRA review and a collections litigation review of accounts, SCRA and collections litigation remediation, and SCRA internal audit; (g) submit policies and procedures for SCRA third party management and improvements to its management information systems for SCRA compliance activities, and to provide certain reports to the compliance committee; (h) submit written plans, programs, policies, and procedures required by the Orders; and (i) submit a written progress report dealing the form and manner of all actions taken to secure compliance with the provision of the Orders and the results thereof. In settlement of this matter, BANA consented and agreed to the issuance of the Orders, which the OCC has determined to accept and has issued. BANA neither admits nor denies the findings in the Orders.

BAC Foreign Exchange Settlement 5/20/2015

On May 20, 2015, the Board of Governors of the Federal Reserve System ("FRB") issued an Order to Cease and Desist and Order of Assessment of a Civil Money Penalty against Bank of America Corporation ("BAC") relating to its foreign exchange ("FX") activities ("Order") from 2008 through 2013. The Order states that (a) BAC lacked adequate firm-wide governance, risk management, compliance and audit policies and procedures to ensure that certain of the firm's FX activities complied with safe and sound banking practices, applicable U.S. laws and regulations, including policies and procedures to prevent potential violations of the U.S. commodities, antitrust and criminal fraud laws, and applicable internal policies; (b) BAC's deficient policies and procedures prevented BAC from detecting and addressing periodic conduct by Bank of America, N.A.'s traders relating to certain communications by these traders; and (c) as a result of deficient policies and procedures described above, BAC engaged in unsafe and unsound banking practices. In the Order, BAC agreed to pay a civil money penalty in the total amount of \$205 million and continue to implement additional improvements in its internal controls, compliance, risk management, and audit programs for the FX activities in order to comply with BAC policies, safe and sound banking practices, and applicable U.S. laws/regulation. Specifically, BAC agreed: (a) BAC shall submit a written plan to improve senior management's oversight of BAC's compliance with applicable U.S. laws/regulations and internal policies in connection with certain wholesale trading and sales activities; (b) BAC shall submit an enhanced written internal controls and compliance program to comply with applicable U.S. laws/regulations with respect to certain wholesale trading and sales activities; (c) BAC shall submit a written plan to improve its compliance risk management program with regard to compliance with applicable U.S. laws/regulations with respect to certain wholesale trading and sales activities; (d) BAC management shall annually conduct a review of compliance policies and procedures applicable to certain wholesale trading and sales activities and their implementation and an appropriate risk-focused sampling of other key controls for certain wholesale trading and sales activities; (e) BAC shall submit an enhanced written internal audit program with respect to compliance with U.S. laws/regulations in certain wholesale trading and sales activities; and (f) BAC shall not in the future directly or indirectly retain any individual as an officer, employee, agent, consultant, or contractor of BAC or of any subsidiary who, based on the investigative record compiled by U.S. authorities, participated in the misconduct underlying the Order, has been subject to formal disciplinary action as a result of BAC's internal disciplinary review or performance review in connection with the conduct, and has either separated from BAC or any subsidiary thereof or had his/her employment terminated in connection with the conduct. In settlement of this matter, BAC consented and agreed to the issuance of the Order, which the FRB has determined to accept and has issued.

Massachusetts Securities Division Consent Order 3/23/2015

This Massachusetts Securities Division (the "Division") consent order addressed allegations that MLPF&S violated the Massachusetts Uniform Securities Act (the "Act") and Code of Massachusetts Regulations (the "Regulations") resulting from its use of an unapproved internal presentation given to its financial advisors. Without admitting or denying the allegations, MLPF&S agreed to cease and desist from conduct in violation of the Act and the Regulations, agreed to be censured by the Division, agreed to pay an administrative fine of \$2,500,000, and agreed to conduct a review of MLPF&S's policies and procedures for the review and approval of internal-use materials, identify changes or enhancements that will be made to these MLPF&S policies and procedures, and provide a report to the Division.

MLPF&S New Hampshire Consent Order 12/29/2014

The New Hampshire Bureau of Securities Regulation (the "Bureau") determined that, in violation of New Hampshire law, MLPF&S's agents licensed in New Hampshire placed telemarketing calls to New Hampshire residents who were not clients of MLPF&S at the time of the calls and whose numbers appeared on MLPF&S's internal do not call list or on the FTC's National Do Not Call Registry. Further during the course of its investigation, the Bureau determined that MLPF&S did not reasonably supervise the telemarketing activities of its agents licensed in New Hampshire. Without admitting or denying the facts or allegations, MLPF&S consented to the entry of the Consent Order and consented to (i) cease and desist from further violations of N.H. RSA 421-B, (ii) pay the Bureau's cost of investigation in the amount of \$50,000, (iii) pay an administrative fine of \$350,000, and (iv) comply with all other undertakings and sanctions. Since the initiation of the Bureau's investigation, MLPF&S agreed to and completed enhancements and provided evidence to the Bureau of the completed enhancements to its telemarketing policies and procedures.

BOAMS Injunctive Action 11/25/2014

On November 25, 2014, the U.S. District Court for the Western District of North Carolina issued a Final Judgment as to MLPF&S and other entities, including Bank of America, National Association ("BANA") (collectively the "Entities") (the "SEC Final Judgment") in the civil injunctive action for which a complaint was filed by the SEC on August 6, 2013 against the Entities (the "SEC Complaint"). The SEC Complaint alleged that the Entities made material misrepresentations and omissions in connection with the sale of Residential Mortgage-Backed Securities ("RMBS"). Specifically, the SEC Complaint alleged that the Entities failed to disclose the disproportionate concentration of wholesale loans underlying the RMBS as compared to prior RMBS offerings. The SEC Complaint also alleged that the concentration of wholesale loans in the RMBS included higher likelihood that the loans would be subject to material underwriting errors, become severely delinquent, fail early in the life of the loan, or prepay. The SEC Complaint further alleged that the entities violated Regulation S-K and Subpart Regulation AB of the Securities Act by failing to disclose material characteristics of the pool of loans underlying the RMBS, that the Entities made material misrepresentations and omissions in their public files and in the loan tapes provided to investors and rating agencies, and that Entities not including BANA violated section 5(b)(1) of the Securities Act by failing to file with the SEC certain loan tapes that were provided only to select investors. The Entities consented to the entry of the SEC Final Judgment without admitting or denying the allegations in the SEC Complaint. The SEC Final Judgment states that the Entities are permanently restrained and enjoined from violating Sections 17(a)(2) and 17(a)(3) of the Securities Act, and jointly and severally liable for disgorgement of \$109,220,000, prejudgment interest of \$6,620,000 and a civil penalty of \$109,220,000 (together the "Funds"); the District Court retained jurisdiction over the administration of any distribution of the Funds.

BANA OCC Foreign Exchange Settlement 11/11/2014

On November 11, 2014, the Office of the Comptroller of the Currency of the United States of America ("OCC") issued a Consent Order and a Consent Order for the Assessment of a Civil Money Penalty against BANA related to its foreign exchange (FX) business ("Orders") from 2008 through 2013. The OCC found, and BANA neither admitted nor denied, that BANA had deficiencies in its internal controls and had engaged in unsafe or unsound banking practices with respect to the oversight and governance of BANA's FX trading business such that the bank failed to detect and prevent certain conduct. Specifically, the OCC found that: a) BANA's compliance risk assessment lacked sufficient granularity and failed to identify the risks related to sales, trading and supervisory employees in that business ("Employee"); b) BANA's transaction monitoring and communications surveillance lacked an adequate analysis of risk-behavior related to Employee market conduct in its wholesale foreign exchange business where it is acting as principal ("FX Trading"); c) BANA's compliance testing procedures were inadequate to measure adherence to its standards of Employee conduct and firm policies applicable to Employee market conduct in FX Trading; and d) BANA's risk assessment and coverage of the FX trading business needed improvement to identify and mitigate compliance risks related to Employee market conduct; e) BANA's customer information controls were inadequate regarding the WM/Reuters order book to prevent the misuse of customer information; f) BANA's risk and profitability reporting was inadequate to identify potential Employee market misconduct in FX Trading; and g) BANA's FX business supervision routines were inadequate because they created "gaps" in the Employee market conduct supervisory framework. In the Orders, BANA agreed to make a payment of a civil money penalty in the total amount of \$250 million. Also, BANA committed (and had already begun) taking all necessary and appropriate steps to remedy the deficiencies and unsafe or unsound practices identified by the OCC and has begun implementing procedures to remediate the practices addressed in the Orders. Specifically, BANA agreed to: a) maintain a board compliance committee responsible for monitoring and coordinating BANA's compliance with the provisions in the Orders; b) submit to the OCC an action plan describing the actions that are necessary and appropriate to achieve compliance with certain aspects of the Orders; c) submit an acceptable oversight and governance written plan to provide for certain management oversight and governance relating to Employee market conduct in FX Trading; d) submit an acceptable compliance risk assessment written plan to provide for a compliance risk assessment sufficiently granular to identify risks related to Employee market conduct in FX Trading; e) submit an acceptable monitoring and surveillance written plan to provide for appropriate monitoring and communications surveillance related to Employee market conduct in FX Trading; f) submit an acceptable compliance testing written plan to provide for appropriate compliance testing related to Employee market conduct in FX Trading; g) submit an acceptable internal audit written plan for the internal audit program to adequately address Employee market conduct in FX Trading; and h) submit an acceptable other trading activities written plan to ensure that BANA proactively uses a risk-based approach to apply Employee market conduct remedial measures in the Orders to other wholesale trading as principal for the BANA and benchmark activities as appropriate and defined in the BANA's written plan.

BAC Regulatory Capital Overstatements 9/29/2014

The SEC alleged that BAC, as part of its regulatory capital calculations, failed to deduct certain realized losses on certain structured notes and other financial instruments (the "Notes") issued by Merrill Lynch & Co., Inc. ("ML&Co.") that BAC assumed or acquired as part of its acquisition of ML&Co. and, therefore, BAC overstated its regulatory capital in its Form 10-Q filings from 2009-2014 and in its Form 10-K filings for financial years 2009-2013. The SEC alleged that BAC violated Section 13(b)(2)(A) and (B) of the Exchange Act. On September 19, 2014, BAC, without admitting or denying the SEC's findings, except as to the SEC's jurisdiction over it and the subject matter of the proceedings, agreed to (1) cease and desist from committing or causing any violations and any future violations for Sections 13(b)(2)(A) and 13(b)(2)(B) of the Exchange Act, and (2) pay a civil money penalty of \$7,650,000. The SEC noted that BAC self-identified and self-reported the overstatements and the SEC noted that BAC had provided substantial cooperation to the SEC staff. The SEC also noted that BAC had voluntarily undertaken steps to remediate and address, among other things, the inadequate books and records and internal accounting control deficiencies that were the subject of the proceeding.

BAC Mortgage Obligations SEC Administrative Proceeding 8/21/2014

The SEC alleged that BAC failed to make required disclosures in the Management's Discussion and Analysis and Results of Operations ("MD&A") sections of periodic filings, related to known uncertainties as to whether certain costs related to loans BAC would ultimately be required to repurchase from certain insurers would have a material effect on BAC's future income from continuing operations. The SEC alleged that BAC violated Section 13(a) of the Exchange Act and Rules 12b-20 and 13a-13 thereunder. BAC agreed to (1) cease and desist from committing or causing any violations and any future violations of Section 13(a) of the Exchange Act and Rules 12b-20 and 13a-13 promulgated thereunder; and (2) pay a civil money penalty of \$20 million. In addition, BAC admitted to certain facts set out in an annex to the Administrative Order, acknowledged that its conduct set forth in the annex to the Administrative Order violated the federal securities law and admitted to the SEC's jurisdiction over it and the subject matter of the proceedings.

MLPF&S Blue Sheet AWC 6/04/2014

Without admitting or denying the findings, MLPF&S consented to a fine of \$1,000,000, a censure, certain undertakings, and to the entry of findings that it submitted at least 5,323 inaccurate blue sheets to various securities regulators, including the SEC and FINRA. The findings stated that the inaccurate blue sheets failed to include customer

names and addresses for trades made on the day the customer opened a firm account. Between 2008 and January 2014, a trade could occur in a new customer's account before the customer's name and address data was fully populated. In such instances, MLPF&S listed "no name" on the blue sheets associated with such trades. As a result of this problem, MLPF&S submitted at least 2,980 inaccurate blue sheets to the SEC; 1,538 inaccurate blue sheets to FINRA; 733 inaccurate blue sheets to NYSE; and 72 inaccurate blue sheets to other regulators. The findings also stated that MLPF&S failed to have in place an audit system reasonably providing for accountability of its blue sheet submissions and designed to ensure compliance with federal securities laws. MLPF&S agreed to conduct a review of its policies, systems, and procedures (written or otherwise) relating to its compilation and submission of blue sheet data and the audit deficiencies addressed in the Acceptance, Waiver & Consent ("AWC").

BANA/FIA CFPB Consent Order 4/7/2014

On April 7, 2014, the Consumer Financial Protection Bureau ("CFPB") issued a Consent Order against Bank of America, National Association ("BANA") and FIA Card Services, National Association. The Order identified deficiencies in connection with fulfillment of customer processing concerning the provision of identity theft protection products as well as vendor and risk management protocols concerning so-called "add-on" products. In addition, the CFPB identified what it alleged were deceptive statements in connection with the marketing and sale of credit card debt cancellation products. Without admitting or denying any findings of fact or violations of law or wrongdoing, BANA and FIA Card Services, National Association consented to a civil monetary penalty of \$20,000,000 and to cease and desist from engaging in further violations of law in connection with the marketing and administration of credit protection products and the billing and administration of identity protection products. Further, the Consent Order requires a restitution plan to be submitted to the CFPB and, following approval, the provision of restitution to borrowers. In addition, the Consent Order requires the submission of enhanced vendor management policies; enhanced risk management policies and procedures; and enhanced internal audit reviews of add-on products to assess Unfair, Deceptive, or Abusive Acts or Practices ("UDAAP") risk.

BANA/FIA OCC Consent Order 4/7/2014

On April 7, 2014, the OCC issued a Consent Order against BANA and FIA Card Services, National Association. The Order identified deficiencies in connection with fulfillment of customer processing concerning the provision of identity theft protection products as well as vendor and risk management protocols concerning so-called "add-on" products. Without admitting or denying the findings, BANA and FIA Card Services, National Association consented to a civil monetary penalty of \$25,000,000. Further, the Consent Order requires a restitution plan to be submitted to the OCC and, following approval, the provision of restitution to borrowers. In addition, the Consent Order requires the submission of enhanced vendor management policies; enhanced risk management policies and procedures; and enhanced internal audit reviews of add-on products to assess Unfair, Deceptive, or Abusive Acts or Practices ("UDAAP") risk.

NOTE: In addition, Bank of America Corporation and certain of its affiliates, including MLPF&S and BANA, have been involved in a number of civil proceedings and regulatory actions which concern matters arising in connection with the conduct of its business. Certain of such proceedings have resulted in findings of violations of federal or state securities laws. Such proceedings are reported and summarized in the MLPF&S Form BD as filed with the SEC, which descriptions are hereby incorporated by reference.

3.1. *Request for Registration.* If the Fund receives from the Majority Holders (referred to as the "Initiating Holder(s)") a request in writing that the Fund effect any Registration with respect to the Registrable Securities held by such Initiating Holder(s), subject to the terms of this Agreement, the Fund shall (i) within ten (10) days of receipt of such written request, give written notice of the proposed Registration to all other Holders, and (ii) as soon as practicable, use its commercially reasonable efforts to effect Registration of those Registrable Securities ("Demand Registration") which the Fund has been so requested to register within thirty (30) calendar days (or, if the 30th calendar day shall not be a Business Day, the next succeeding Business Day), together with all other Registrable Securities which the Fund has been requested to register by Holders thereof by written request given to the Fund within twenty (20) days after receiving written notice from the Fund, subject to the limitations of this Section 3. The Fund shall not be obligated to take any action to effect any Registration pursuant to this Section 3.1 after the Fund has effected one Registration pursuant to this Section 3.1 and such Registration has been declared or ordered effective (and has not been subject to a "stop order" of the Commission). The substantive provisions of Section 3.3 shall be applicable to any Registration initiated under this Section 3.1.

3.2. *Right of Deferral.* Notwithstanding the foregoing, the Fund shall not be obligated to file a Registration Statement pursuant to this Section 3 if the Fund furnishes to those Holders requesting Registration of Registrable Securities a certificate signed by the chief executive officer or chairman of the Board of the Fund stating that in the good faith judgment of the Board it would be seriously detrimental to the Fund or its stockholders for a Registration Statement to be filed in the near future. The right of any Holder to request Registration pursuant to this Section 3 shall be conditioned upon such Holder's agreement to participate in the underwriting and the inclusion of that Holder's Registrable Securities in the underwriting to the extent provided herein.

(b) *Selection of Underwriter in Demand Registration.* The Fund shall (together with all Holders proposing to distribute their securities through the underwriting) enter into an underwriting agreement in customary form for an underwritten offering made solely by selling shareholders with the underwriter or, if more than one, the lead underwriter acting as the representative of the underwriters (such underwriter or lead underwriter, in either case, the "Underwriters' Representative") selected for the underwriting by the Initiating Holder(s) with the consent of the Fund, not to be unreasonably withheld.

Unless the prior written consent of the Majority Holders has been obtained, the number of the Registrable Securities included in any such underwriting shall not be reduced to less than 90% of the number of the Registrable Securities requested to be included. Any Registrable Securities or other securities excluded from the underwriting by reason of this Section 3.3(c) shall be withdrawn from the Registration. To facilitate the allocation of shares in accordance with the foregoing, the Fund or the underwriters may round the number of shares allocated to any Holder to the nearest one share.

(d) *Right of Withdrawal in Demand Registration.* If any Holder of Registrable Securities (other than the Initiating Holder(s)) disapproves of the terms of the underwriting, such Holder may elect to withdraw therefrom by written notice to the Fund and the Underwriters' Representative proposing to distribute their securities through the underwriting, delivered at least 20 days prior to the effective date of the Registration Statement. The securities so withdrawn shall also be withdrawn from the Registration Statement.

(c) furnish to each Holder for which the Registrable Securities are being registered and to each underwriter of an underwritten offering of the Registrable Securities, if any, without charge, as many copies of each Prospectus, including, without limitation, each preliminary Prospectus, and any amendments or supplements thereto and such other documents as such Holder or underwriter may reasonably request in order to facilitate the public sale or other disposition of the Registrable Securities; the Fund hereby consents to the use of the Prospectus, including, without limitation, each preliminary Prospectus, by each Holder for which the Registrable Securities are being registered and each underwriter of an underwritten Public Offering of the Registrable Securities, if any, in connection with the offering and sale of the Registrable Securities covered by the Prospectus or the preliminary Prospectus, as applicable;

- (e) notify each Holder for which the Registrable Securities are being registered promptly, and, if requested by such Holder, confirm such advice in writing, (i) when such Registration Statement has become effective and when any post-effective amendments and supplements thereto become effective, (ii) of the issuance by the Commission or any state securities authority of any stop order, injunction or other order or requirement suspending the effectiveness of such Registration Statement or the initiation of any proceedings for that purpose, (iii) if, between the effective date of such Registration Statement and the closing of any sale of Registrable Securities covered thereby pursuant to any agreement to which the Fund is a party relating to such sale, the representations and warranties of the Fund contained in such agreement cease to be true and correct in all material respects or if the Fund receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, and (iv) of the happening of any event during the period such Registration Statement is effective as a result of which such Registration Statement or the related Prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;
- (f) furnish to a designated single counsel for each of the underwriters, if any, and for the Holders for which the Registrable Securities are being registered, copies of any request by the Commission or any state securities authority for amendments or supplements to a Registration Statement and Prospectus or for additional information;

- (i) upon the occurrence of any event contemplated by paragraph (e)(iv) of this Section, use commercially reasonable efforts to prepare a supplement or post-effective amendment to such Registration Statement or the related Prospectus, or any document incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities, such Prospectus will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;
- (j) enter into customary agreements (including, in the case of an underwritten Public Offering, underwriting agreements in customary form for sales only by selling shareholders, and including provisions with respect to indemnification and contribution in customary form and consistent with the provisions relating to indemnification and contribution contained herein) and take all other customary and appropriate actions that are commercially reasonable in order to expedite or facilitate the disposition of such Registrable Securities in accordance with the plan of distribution set forth in the Registration Statement and the Prospectus, and in connection therewith:

7. Indemnification.

7.1. *Fund's Indemnification of Holders.* The Fund agrees to indemnify and hold harmless each Holder and each other Holder Indemnified Person from and against any losses, claims, damages, liabilities or expenses incurred by them (including reasonable fees and disbursements of outside counsel) which are related to or arise out of any untrue or alleged untrue statement of a material fact contained in a Registration Statement, any Prospectus or in any amendment or supplement thereto, or arise out of or relate to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, except to the extent, but only to the extent, that (i) such untrue statements or omissions are based solely upon information regarding such Holder or its Affiliates furnished in writing to the Fund by such Holder or such Holder's counsel expressly for use therein, or to the extent that such information relates to such Holder or its Affiliates, or such Holder's proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by such Holder or such Holder's counsel expressly for use in a Registration Statement, such Prospectus or in any amendment or supplement thereto or (ii) in the case of an occurrence of an event of the type specified in Section 6(e)(iv), the use by such Holder of an outdated, defective or otherwise unavailable Prospectus after the Fund has notified such Holder in writing that the Prospectus is unavailable for use by such Holder and prior to the receipt by such Holder of a notice that the Fund has complied with Section 6(i) above.

7.2. *Holders' Indemnification of Fund.* Each Holder, severally and not jointly, agrees to indemnify and hold harmless the Fund and each other Fund Indemnified Person from and against any losses, claims, damages, liabilities or expenses incurred by them (including reasonable fees and disbursements of outside counsel) which are related to or arise out of any untrue or alleged untrue statement of a material fact contained in a Registration Statement, any Prospectus or in any amendment or supplement thereto, or arise out of or relate to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, to the extent, but only to the extent, that (A) such untrue statements or omissions are based solely upon information regarding such Holder or its Affiliates furnished in writing to the Fund by such Holder or such Holder's counsel expressly for use therein, or to the extent that such information relates to such Holder or its Affiliates or such Holder's proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by such Holder or such Holder's counsel expressly for use in a Registration Statement, such Prospectus or in any amendment or supplement thereto or (B) in the case of an occurrence of an event of the type specified in Section 6(e)(iv), the use by such Holder of an outdated, defective or otherwise unavailable Prospectus after the Fund has notified such Holder in writing that the Prospectus is unavailable for use by such Holder and prior to the receipt by such Holder of a notice that the Fund has complied with Section 6(i) above. In no event shall the liability of any selling Holder under this Section 7.2 be greater in amount than the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation, except in the case of fraud or willful misconduct.

7.3. *Indemnification Procedure.* If any action, suit, proceeding or investigation shall be brought or asserted against any Person entitled to indemnity hereunder (the "**Indemnified Party**"), such Indemnified Party shall notify the Person from whom indemnity is sought (the "**Indemnifying Party**") in writing with reasonable promptness; *provided, however*, that any failure by an Indemnified Party to notify the Indemnifying Party shall not relieve the Indemnifying Party from its obligations hereunder (except to the extent that the Indemnifying Party is materially prejudiced by such failure to promptly notify). The Indemnifying Party shall be obligated to assume the defense of any such action, suit, proceeding or investigation, including the employment of counsel reasonably satisfactory to the Indemnified Party. The Indemnified Party shall have the right to separate counsel of its own choice to represent it, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (i) the Indemnifying Party has failed promptly to assume the defense and employ counsel reasonably satisfactory to the Indemnified Party in accordance with the preceding sentence or (ii) the Indemnified Party shall have been advised by counsel that there exist actual or potential conflicting interests between the Indemnifying Party and such Indemnified Party, including situations in which one or more legal defenses may be available to such Indemnified Party that are different from or additional to those available to the Indemnifying Party; *provided, however*, that the Indemnifying Party shall not, in connection with any one such action or proceeding or separate but substantially similar actions or proceedings arising out of the same general allegations, be liable for fees and expenses of more than one separate firm of attorneys at any time for all Indemnified Parties of the other party; and such counsel shall, to the extent consistent with its professional responsibilities, cooperate with the Indemnifying Party and any counsel designated by the Indemnifying Party.

The Indemnifying Party shall not be liable for any settlement of any such action, suit, investigation or proceeding effected without its written consent, which consent shall not be unreasonably withheld, conditioned or delayed. No Indemnifying Party will, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought by the Indemnified Party hereunder (whether or not any Indemnified Party is an actual or potential party to such claim, action, suit or proceeding) unless such settlement, compromise or consent includes an unconditional release of each Indemnified Party from all liability and obligations arising therefrom.

7.4. *Contribution.* Each Indemnifying Party also agrees that if any indemnification sought by an Indemnified Party pursuant to this Agreement is unavailable or insufficient, for any reason, to hold harmless the Indemnified Party in respect of any losses, claims, damages or liabilities (or actions in respect thereof), then the Indemnifying Party, in order to provide for just and equitable contribution, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, liabilities, damages and expenses (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the Fund on the one hand and the Holders on the other, in connection with the statements or omissions or alleged statements or omissions that resulted in such losses, claims, damages, liabilities or expenses (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of the parties shall be determined by reference to, among other things, whether the actions taken or omitted to be taken in connection with the proposed transactions contemplated by this Agreement (including any misstatement of a material fact or the omission to state a material fact) relates to information supplied by the Fund on the one hand, or the Holder on the other, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, misstatement or alleged omission, and any other equitable considerations appropriate in the circumstances. No Person found liable for a fraudulent misrepresentation shall be entitled to contribution from any Person who is not also found liable for such fraudulent misrepresentation. In no event shall the liability of any selling Holder under this Section 7.4 be greater in amount than the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such contribution obligation, except in the case of fraud or willful misconduct. The indemnity, reimbursement and contribution obligations under this Agreement shall be in addition to any rights that any Indemnified Party may have at common law or otherwise.

7.5. *No Limitations.* Nothing in this Section 7 is intended to limit any party's obligations contained in other parts of this Agreement or any other agreements or instruments with respect to the VMTP Shares, provided that no amount shall be reimbursed twice in any event.

7.6. *Conflicts.* Notwithstanding the foregoing, to the extent that provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with the underwritten public offering are in conflict with the foregoing provisions, the provisions in the underwriting agreement shall control.

8. Miscellaneous.

8.1. *Governing Law.* This Agreement shall be construed in accordance with and governed by the domestic law of the State of New York.

THE PARTIES HERETO HEREBY SUBMIT TO THE NON-EXCLUSIVE JURISDICTION OF THE FEDERAL AND NEW YORK STATE COURTS LOCATED IN THE CITY OF NEW YORK IN CONNECTION WITH ANY DISPUTE RELATED TO THIS AGREEMENT OR ANY MATTERS CONTEMPLATED HEREBY.

8.2. *No Waivers.*

- (a) The obligations of the Fund and the Shareholder and its Permitted Transferees hereunder shall not in any way be modified or limited by reference to any other document, instrument or agreement (including, without limitation, the VMTP Shares). The rights of the Shareholder hereunder are separate from and in addition to any rights that any Holder of any VMTP Share may have under the terms of such VMTP Share or otherwise.
- (b) No failure or delay by the Fund or the Shareholder in exercising any right, power or privilege hereunder or under the VMTP Shares shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. No failure or delay by the Fund or the Shareholder in exercising any right, power or privilege under or in respect of the VMTP Shares shall affect the rights, powers or privileges of the Fund or the Shareholder hereunder or shall operate as a limitation or waiver thereof. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

8.3. *Specific Performance.* Each Party hereby acknowledges that the remedies at law of the other Parties for a breach or threatened breach of this Agreement would be inadequate and, in recognition of this fact, any Party, without posting any bond, and in addition to all other remedies that may be available, shall be entitled to seek equitable relief in the form of specific performance, injunctions or any other equitable remedy.

8.4. *Waiver of Jury Trial.* The Fund and the Shareholder hereby waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other on any matters whatsoever arising out of or in any way connected with this Agreement.

8.5. *Counterparts and Facsimile Execution.* This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. ARTICLE II PURCHASE AND TRANSFERS, COSTS AND EXPENSES; ADDITIONAL FEE

2.1 Purchase and Transfer of the VMTP Shares

- (a) (i) On the Effective Date, BAPFC acquired 876 of the VMTP Shares and Blue Ridge acquired 918 of the VMTP Shares, sold on initial issuance in a transaction (which, based upon the representations of the Issuer, BAPFC and Blue Ridge, is exempt from registration under the Securities Act), in each case, by payment of the Purchase Price in immediately available funds to the Issuer through the account of its Custodian or its agent at the Securities Depository.

(ii) On December 3, 2018, Blue Ridge settled the transfer of its holdings of 918 VMTP Shares to BAPFC and BAPFC became the sole holder of the VMTP Shares.

(iii) On April 1, 2019, prior to the effectiveness of this Agreement, the Issuer optionally redeemed 90 of the VMTP shares originally issued on July 2, 2014.

- (b) The Purchaser agrees that it may offer, sell, transfer or otherwise dispose of the VMTP Shares in compliance with the Securities Act and applicable state securities laws only in whole shares and only (i)(1) to Persons that it reasonably believes are QIBs that are: (a) registered closed-end management investment companies, the shares of which are traded on a national securities exchange and registered open-end management investment companies, in each case, that (X) are either sponsored or managed by an entity listed on Schedule 2 of this Purchase Agreement or any other entity that is controlled by, controlling or under common control with an entity listed on Schedule 2 of this Purchase Agreement and (Y) invest primarily in municipal obligations (each, a "**Registered Investment Company**"); (b) banks or entities that are 100% direct or indirect subsidiaries of banks' publicly traded parent holding companies (collectively, "**Banks**"); or (c) insurance companies, in each case, pursuant to Rule 144A or another available exemption from registration under the Securities Act, in a manner not involving any public offering within the meaning of Section 4(a)(2) of the Securities Act, (2) to tender option bond trusts in which all investors are Persons that the Purchaser reasonably believes are QIBs that are Registered Investment Companies, Banks or insurance companies (or, in the case of a tender option bond trust in which the Holder or an affiliate of the Holder retains a residual interest), or (3) to other investors with the prior written consent of the Issuer and (ii) unless the prior written consent of each of the Issuer and the Majority Participants has been obtained, not to Neuberger Persons if such Neuberger Persons would, after such sale and transfer, own more than 20% of the Outstanding VMTP Shares. Any transfer in violation of the foregoing restrictions shall be void *ab initio*. In the event that the Purchaser intends to transfer the VMTP Shares, the Purchaser shall provide written notice to the Fund, which notice shall be signed by the Purchaser, indicating the Purchaser's intent to transfer the VMTP Shares and the name of the intended transferee at least three (3) Business Days in advance of the transfer. In connection with any transfer of the VMTP Shares, each transferee (including, in the case of a tender option bond trust, the depositor or trustee or other Person thereunder acting on behalf of such transferee) will be required to deliver to the Issuer a transferee certificate set forth as Exhibit C to this Agreement no later than the date of the transfer. The foregoing restrictions on transfer shall not apply to any VMTP Shares registered under the Securities Act pursuant to the Registration Rights Agreement or any subsequent transfer of such registered VMTP Shares thereafter.
- (c) In the event that the Purchaser transfers, in accordance with Section 2.1(b), VMTP Shares to a tender option bond trust in which the Purchaser retains a residual interest, for so long as no event has occurred that results in the termination of such tender option bond trust, for purposes of each of the Applicable Sections (as defined below) that requires, permits or provides for (i) notice or the delivery of information to or (ii) voting of the VMTP Shares or the giving of any consent by or (iii) payment of fees, in each case, to the Purchaser or the Majority Participants, the Purchaser, and not such tender option bond trust, shall be deemed to be the actual owner of such VMTP Shares. For the avoidance of doubt, the deemed ownership provided for in this Section 2.1(c) shall be limited to the following sections of this Agreement: 2.1(b), 2.4, 6.1, 6.2, 6.8, 6.9, 6.12, 6.14, 6.17, 7.1, 7.2, 7.3, 7.4, 7.5, 7.6, 7.8, 7.10, 7.12 and 7.15 (collectively, the "**Applicable Sections**"). The deemed ownership provided for in this Section 2.1(c) shall last until the earliest of (A) the termination of such tender option bond trust; (B) the agreement by the Issuer and the Purchaser to terminate such deemed ownership; and (C) with respect to some or all of the Applicable Sections, the good-faith determination by the Purchaser that such deemed ownership has adverse tax, legal or other regulatory consequences or is otherwise no longer consistent with applicable law.
- (d) Anything herein to the contrary notwithstanding, except with respect to the deemed ownership provided for above in respect of the Applicable Sections, the tender option bond trust to which VMTP Shares are transferred and each of the beneficial owners thereof shall retain all of its other rights in respect of the Issuer and the VMTP Shares pursuant to this Agreement and the Articles Supplementary or under law, including, for the avoidance of doubt, its rights under any of the Applicable Sections to the extent necessary for the protection or exercise of such other rights retained pursuant to this Section 2.1(d) or that are otherwise applicable as a result of the exercise of such other rights.

2.2 Fees

On the Amendment and Restatement Date, the Issuer shall pay the fees and expenses of the Purchaser's outside counsel in connection with the negotiation and documentation of the transactions contemplated by the amendment and restatement of the VMTP Purchase Agreement, but not including any other amendments, waivers or consents under or in respect of this Agreement.

2.3 Operating Expenses

The Issuer shall pay amounts due to be paid by it hereunder (including any incidental expenses but not including redemption or dividend payments on the VMTP Shares) as operating expenses.

2.4 Additional Fee for Failure to Comply with Reporting Requirement or Registration Rights Failure

- (a) For so long as the Purchaser is a Holder or Designated Owner of any Outstanding VMTP Shares, if the Issuer fails to comply with the reporting requirements set forth in Sections 6.1(o) and 6.1(p) (except as a result of a *Force Majeure* Exception) and such failure is not cured within seven (7) Business Days after written notification to the Issuer by the Purchaser of such failure (a "**Reporting Failure**") or a Registration Rights Failure occurs, and such failure is not cured within seven (7) Business Days after written notification to the Issuer by the Purchaser of such failure, the Issuer shall pay to the Purchaser on the Dividend Payment Date occurring in the month immediately following a month in which either such Reporting Failure or Registration Failure (either, a "**Failure**") continues a fee, calculated in respect of each Week (or portion thereof) during such month in respect of a Failure and beginning on the date of such Failure, equal to the product of (i) the Fee Rate, times (ii) the aggregate average daily Liquidation Preference of the VMTP Shares held by the Purchaser during such Week or portion thereof, times (iii) the quotient of the number of days in such Week or portion thereof divided by the number of calendar days in the year in which such Week or portion thereof occurs. Notwithstanding the foregoing, in no event shall (i) the fee payable pursuant to this Section 2.4 hereunder for any Week plus the Applicable Spread on the VMTP Shares for such Week exceed an amount (exclusive of any Gross-Up Payment) equal to the product of (x) 15%, times (y) the aggregate average daily Liquidation Preference of the VMTP Shares held by the Purchaser during such Week or portion thereof, times (z) the quotient of the number of days in such Week or portion thereof divided by the number of calendar days in the year in which such Week or portion thereof occurs; (ii) the fee payable pursuant to this Section 2.4 for any Week plus the amount of dividends payable at the Dividend Rate for the VMTP Shares for such Week exceed an amount equal to the product of (aa) 15%, times (bb) the aggregate average daily Liquidation Preference of the VMTP Shares held by the Purchaser during such Week or portion thereof, times (cc) the quotient of the number of days in such Week or portion thereof divided by the number of calendar days in the year in which such Week or portion thereof occurs; or (iii) the Issuer be required to calculate or pay a fee in respect of more than one Failure in any Week.

**ARTICLE III
CONDITIONS TO AMENDMENT AND RESTATEMENT DATE**

It shall be a condition to the Amendment and Restatement Date that each of the following conditions shall have been satisfied or waived as of or on such date, and upon such satisfaction or waiver, this Agreement shall be effective:

The Issuer and the Purchaser agree that consummation of the purchase and sale of the VMTP Shares pursuant to this Agreement shall constitute acknowledgment that the foregoing conditions have been satisfied or waived.

**ARTICLE IV
REPRESENTATIONS AND WARRANTIES OF THE ISSUER**

The representations and warranties set out in this Article IV are given hereunder by the Issuer to the Purchaser as of the Amendment and Restatement Date, unless otherwise specified to be as of another date.

4.1 Existence

The Issuer is validly existing and in good standing as a corporation under the laws of the State of Maryland, with full right and power to issue the VMTP Shares and to execute, deliver and perform its obligations under this Agreement and each other Related Document, except where the failure to have such right and power could not reasonably be expected to give rise to a Material Adverse Effect.

4.2 Authorization; Contravention

The execution, delivery and performance by the Issuer of this Agreement and each other Related Document are within the Issuer's powers, have been duly authorized by all necessary action, require no action by or in respect of, or filing with, any governmental body, agency or official except such as have been taken or made and do not violate or contravene, or constitute a default under, any provision of applicable law, charter, ordinance or regulation or of any material agreement, judgment, injunction, order, decree or other instrument binding upon the Issuer or result in the creation or imposition of any lien or encumbrance on any asset of the Issuer.

4.3 Binding Effect

Each of this Agreement and the Registration Rights Agreement constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms except as (i) the enforceability thereof may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights generally and (ii) the availability of equitable remedies may be limited by equitable or public policy principles of general applicability, it being understood that the enforceability of indemnification provisions may be subject to limitations imposed under applicable securities laws. The VMTP Shares have been duly authorized and validly issued by the Issuer, are fully paid and nonassessable and are free of any preemptive or similar rights.

4.4 Financial Information

The most recent financial statements of the Issuer, and the auditors' report with respect thereto, copies of which have heretofore been furnished to the Purchaser, fairly present in all material respects the financial condition of the Issuer, at such date and for such period, and were prepared in accordance with accounting principles generally accepted in the United States, consistently applied (except as required or permitted and disclosed). Since the date of such

financial statements, there has been no material adverse change in the condition (financial or otherwise) or operations of the Issuer other than changes in the general economy or changes affecting the market for municipal securities or investment companies generally. Any financial, budget and other projections furnished to the Purchaser were prepared in good faith on the basis of the assumptions stated therein, which assumptions were fair and reasonable in light of conditions existing at the time of delivery of such financial, budget or other projections, and represented, and as of the date of this representation, represent, the Issuer's reasonable best estimate of the Issuer's future financial performance.

4.5 Litigation

Except as disclosed in a schedule delivered to the Purchaser prior to the Amendment and Restatement Date, no action, suit, proceeding or investigation is pending or (to the knowledge of the Issuer) overtly threatened in writing against the Issuer in any court or before any governmental authority (i) in any way contesting or, if decided adversely, that would affect the validity of any Related Document or this Agreement or (ii) in which a final adverse decision would reasonably be expected to have a Material Adverse Effect.

4.6 Consents

All consents, licenses, approvals, validations and authorizations of, and registrations, validations or declarations by or with, any court or any shareholder, governmental agency, bureau or agency required to be obtained or made in connection with the execution, delivery, performance, validity or enforceability of this Agreement and the other Related Documents by or against the Issuer have been obtained or made and are in full force and effect, except to the extent that the failure to make or obtain the same could not reasonably be expected to give rise to a Material Adverse Effect.

4.7 Placement of VMTP Shares

- (a) The terms of the VMTP Shares conform in all material respects to those set forth in the Articles Supplementary.
- (b) As of the date of this Agreement, the VMTP Shares will satisfy the eligibility requirements of Rule 144A(d)(3) under the Securities Act, and no securities of the same class (within the meaning of Rule 144A(d)(3) under the Securities Act) as the VMTP Shares are listed on any national securities exchange registered under Section 6 of the Exchange Act or quoted in a U.S. automated inter-dealer quotation system.
- (c) Neither the Issuer, nor any Person acting on its behalf, has, directly or indirectly, made offers or sales of any security (as defined in the Securities Act), or solicited offers to buy any security, under circumstances that would require the registration of the VMTP Shares under the Securities Act (except for the circumstances set forth in the Registration Rights Agreement).
- (d) The Issuer's directors and officers, errors and omissions insurance policy and its fidelity bond required by Rule 17g-1 under the 1940 Act are in full force and effect; the Issuer is in compliance with the terms of such policy and fidelity bond in all material respects; and there are no claims by the Issuer under any such policy or fidelity bond as to which any insurance company is denying liability or defending under a reservation of rights clause; the Issuer has not been refused any insurance coverage sought or applied for; and the Issuer has no reason to believe that it will not be able to renew its existing insurance coverage and fidelity bond as and when such coverage and fidelity bond expires or to obtain similar coverage and fidelity bond from similar insurers as may be necessary to continue its business at a cost that would not have a material adverse effect on the condition (financial or otherwise), business prospects, earnings, business, properties, net assets or results of operations of the Issuer (other than as a result of a change in the financial markets generally), whether or not arising from transactions in the ordinary course of business.
- (e) The Issuer maintains and will maintain a system of internal accounting controls sufficient to provide reasonable assurances that (i) transactions are executed in accordance with management's general or specific authorization and with the investment objectives, policies and restrictions of the Issuer and the applicable requirements of the 1940 Act, the rules and regulations thereunder and the Code; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles in the United States, to calculate net asset value, to maintain accountability for assets, and to maintain material compliance with the books and records requirements under the 1940 Act and rules and regulations thereunder; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with existing assets at reasonable intervals, and appropriate action is taken with respect to any differences. The Issuer employs "internal controls over financial reporting" (as such term is defined in Rule 30a-3 under the 1940 Act) and such internal controls over financial reporting are effective as required the 1940 Act and the rules and regulations thereunder. The Issuer is not aware of any material weakness in its internal control over financial reporting.
- (f) The Issuer maintains "disclosure controls and procedures" (as such term is defined in Rule 30a-3 under the 1940 Act); such disclosure controls and procedures are effective as required under the 1940 Act and the rules and regulations thereunder.
- (g) The Issuer has not taken, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in violation of federal securities laws, in stabilization or manipulation of the price of any security of the Issuer to facilitate the sale or resale of the VMTP Shares, and the Issuer is not aware of any such action taken or to be taken by any affiliates of the Issuer.
- (h) Each of the Custodian Agreement, the investment management agreement between with Adviser and the Issuer (the "**Investment Management Agreement**"), the Redemption and Paying Agent Agreement and the other Related Documents complies in all material respects with all applicable provisions of the 1940 Act and the rules and regulations thereunder and the Advisers Act of 1940 and the rules and regulations thereunder, and the Issuer's directors and stockholders have approved the Investment Management Agreement in accordance with Sections 15(a) and 15(c), respectively, of the 1940 Act.
- (i) The Issuer has adopted and implemented written policies and procedures reasonably designed to prevent violation of the Federal Securities Laws (as that term is defined in Rule 38a-1 under the 1940 Act) by the Issuer, including policies and procedures that provide oversight of compliance by each investment adviser and transfer agent of the Issuer.

- (j) The Issuer has taken all reasonable measures to ensure that any Bloomberg screen containing information about the VMTP Shares includes the following (or similar) language:
- (i) the "Note Box" on the bottom of the "Security Display" page describing the VMTP Shares will state: "Iss'd Under 144A."
 - (ii) the "Security Display" page will have flashing a red indicator "See Other Available Information."
 - (iii) the indicator will link to the "Additional Security Information" page, which will state that the securities "are being offered in reliance on the exemption from registration under Rule 144A of the Securities Act to persons who are qualified institutional buyers (as defined in Rule 144A under the Securities Act)."
- (k) The Issuer has instructed The Depository Trust Company ("DTC") to take these or similar steps with respect to the VMTP Shares: the DTC 20-character security descriptor and 48-character additional descriptor will indicate that sales are limited to QIBs.
- (l) The Issuer has confirmed that CUSIP has established a "fixed field" attached to the CUSIP number for the VMTP Shares containing the "144A" indicator.
- (m) The Issuer is not in violation or default of any provision of its Charter or the Articles Supplementary, or in material violation of (i) the terms of any material indenture, contract, lease, mortgage, deed of trust, note agreement, loan agreement or other agreement, obligation, condition, covenant or instrument to which it is a party or bound or to which its property is subject or (ii) any material statute, law, rule, regulation, judgment, order or decree of any court, regulatory body, administrative agency, governmental body, arbitrator or other authority having jurisdiction over the Issuer or any of its properties, except to the extent that the same could not be reasonably expected to give rise to a Material Adverse Effect.

4.8 Complete and Correct Information

All information, reports and other papers and data with respect to the Issuer furnished to the Purchaser by the Issuer (other than financial information, financial statements, budgets and projections, which are covered solely by Section 4.4 of this Agreement) were, at the time the same were so furnished, complete and correct in all material respects. No fact is known to the Issuer that materially and adversely affects or in the future may (so far as it can reasonably foresee) materially and adversely affect the VMTP Shares, or the Issuer's ability to repay when due its obligations under this Agreement, any of the VMTP Shares and the other Related Documents that has not been set forth or in the financial information and other documents referred to in Section 4.4 or this Section 4.8 or in such information, reports, papers and data otherwise made available or disclosed in writing to the Purchaser. Taken as a whole, the documents furnished and statements made by the Issuer in connection with the negotiation, preparation or execution of this Agreement and the other Related Documents do not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

4.9 1940 Act Registration

The Issuer is duly registered as a closed-end management investment company under the 1940 Act and such registration is in full force and effect.

4.10 Effective Leverage Ratio; Asset Coverage

As of the Effective Date, the Issuer is in compliance with the Asset Coverage and the Effective Leverage Ratio as required by Sections 6(a) and 6(c), respectively, of the Articles Supplementary.

In connection with calculating the Effective Leverage Ratio, the Issuer's total assets and accrued liabilities reflect the positive or negative net obligations of the Issuer under each Derivative Contract determined in accordance with the Issuer's valuation policies.

4.11 Credit Quality

As of the Amendment and Restatement Date, the Issuer (i) has invested at least 70% of its Managed Assets in municipal securities that, at the time of investment, were rated within the four highest grades (rated Baa3 or better by Moody's or BBB- or better by S&P or Fitch) by at least one of the NRSROs rating such securities or were unrated but judged to be of comparable quality by the Adviser; and (ii) has invested no more than 30% of its Managed Assets in municipal securities that at the time of investment were rated below investment grade (rated Ba1 or lower by Moody's or BB+ or lower by S&P or Fitch) or were unrated but judged to be of comparable quality by the Adviser.

4.12 Due Diligence

The Issuer understands that nothing in this Agreement or any other materials presented to the Issuer in connection with the purchase and sale of the VMTP Shares constitutes legal, tax or investment advice from the Purchaser. The Issuer has consulted such legal, tax and investment advisors as it, in its sole discretion, has deemed necessary or appropriate in connection with its sale of the VMTP Shares.

4.13 Certain Fees

The Issuer acknowledges that, other than the fees and expenses payable pursuant to this Agreement, and any fees or amounts payable to any placement agent by the Issuer, no brokerage or finder's fees or commissions are or will be payable by the Issuer or, to the Issuer's knowledge, by the Purchaser to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by this Agreement.

4.14 Eligible Assets

As of the Amendment and Restatement Date, the Issuer owns only Eligible Assets, as described in Exhibit B to this Agreement.

5.7 Purchaser Status

At the time the Purchaser was offered the VMTP Shares, it was, and as of the Amendment and Restatement Date it is: (i) an "accredited investor" as defined in Rule 501(a)(1), (a)(2), (a)(3), (a)(7) or (a)(8) under the Securities Act or (ii) a QIB.

The Purchaser is able to bear the economic risk of an investment in the VMTP Shares and, at the present time, is able to afford a complete loss of such investment.

5.9 Certain Transactions

Other than consummating the transactions contemplated by this Agreement, the Purchaser has not directly or indirectly executed, nor has any Person acting

on behalf of the Purchaser, or pursuant to any understanding with the Purchaser executed, any other purchases of securities of the Issuer which may be integrated with the transactions contemplated by this Agreement.

5.10 Access to Information

The Purchaser acknowledges that it has had access to and has reviewed all information, documents and records that the Purchaser has deemed necessary in order to make an informed investment decision with respect to its ongoing investment in the VMTP Shares. The Purchaser has had the opportunity to ask representatives of the Issuer certain questions and request certain additional information regarding the terms and conditions of such investment and the finances, operations, business and prospects of the Issuer and has had any and all such questions and requests answered to the Purchaser's satisfaction; and the Purchaser understands the risk and other considerations relating to such investment.

5.11 Due Diligence

The Purchaser acknowledges that it has sole responsibility for its own due diligence investigation and its own investment decision relating to the VMTP Shares. The Issuer shall at all times maintain in effect, renew and comply with all the terms and conditions of all consents, filings, licenses, approvals and authorizations as may be necessary under any applicable law or regulation for its execution, delivery and performance of this Agreement and the other Related Documents to which it is a party.

6.8 Inspection Rights

The Issuer shall, at any reasonable time and from time to time, upon reasonable notice, permit the Purchaser or any agents or representatives thereof, at the Issuer's expense, to examine and make copies of the records and books of account related to the transactions contemplated by this Agreement, to visit its properties and to discuss its affairs, finances and accounts with any of its officers and independent accountants, to the extent permitted by law, provided, however, that the Issuer shall not be required to pay for more than one inspection per fiscal year. The Issuer will not unreasonably withhold its authorization for its independent accountants to discuss its affairs, finances and accounts with the Purchaser.

All information, reports and other papers, documentation and data with respect to the Issuer furnished to the Purchaser pursuant to this Section 6.8 shall be, at the time the same are so furnished, complete and correct in all material respects and, when considered with all other material delivered to the Purchaser under this Agreement or made available pursuant to the Due Diligence Request, will not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

6.9 Litigation, Etc.

The Issuer shall give prompt notice in writing to the Purchaser of any litigation, administrative proceeding or business development which is reasonably expected to materially adversely affect its business, properties or affairs or to impair the ability of the Issuer to perform its obligations as set forth hereunder or under any of the other Related Documents.

All information, reports and other papers, documentation and data with respect to the Issuer furnished to the Purchaser pursuant to this Section 6.9 shall be, at the time the same are so furnished, complete and correct in all material respects and, when considered with all other material delivered to the Purchaser under this Agreement or made available pursuant to the Due Diligence Request, will not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

6.10 1940 Act Registration

The Issuer shall maintain its valid registration as a registered closed-end company under the 1940 Act in full force and effect.

6.11 Credit Quality

The Issuer (i) will invest at least 70% of its Managed Assets in municipal securities that, at the time of investment, were rated within the four highest grades (rated Baa3 or better by Moody's or BBB- or better by S&P or Fitch) by at least one of the NRSROs rating such securities or were unrated but judged to be of comparable quality by the Adviser; and (ii) may invest up to 30% of its Managed Assets in municipal securities that at the time of investment were rated below investment grade (rated Ba1 or lower by Moody's or BB+ or lower by S&P or Fitch) or were unrated but judged to be of comparable quality by the Adviser.

6.12 Maintenance of Effective Leverage Ratio

For so long as the Issuer fails to provide the information required under Sections 6.1(o) and 6.1(p), the Purchaser may calculate, for purposes of Section 11(b) (ii)(A)(y) of the Articles Supplementary, the Effective Leverage Ratio using the most recently received information required to be delivered pursuant to Sections 6.1(o) and 6.1(p) and the market values of securities determined by the third-party pricing service which provided the market values to the Issuer on the most recent date that information was properly provided by the Issuer pursuant to the requirements of Section 6.1(o) and 6.1(p). The Effective Leverage Ratio as calculated by the Purchaser so long as the Purchaser or its affiliates hold VMTP Shares in such instances shall be binding on the Issuer. If required, the Issuer shall restore the Effective Leverage Ratio as provided in the Articles Supplementary.

In connection with calculating the Effective Leverage Ratio, the Issuer's total assets and accrued liabilities shall reflect the positive or negative net obligations of the Issuer under each Derivative Contract determined in accordance with the Issuer's valuation policies.

6.13 Redemption and Paying Agent

The Issuer shall use its commercially reasonable best efforts to engage at all times a Redemption and Paying Agent to perform the duties to be performed by the Redemption and Paying Agent specified herein and in the Articles Supplementary.

6.14 Cooperation in the Sale of the VMTP Shares

The Issuer will comply with reasonable due diligence requests from the Purchaser in connection with any proposed sale by the Purchaser of the VMTP Shares in a transaction exempt from registration and otherwise permitted by this Agreement, provided that the Issuer need not comply with more than two of any such requests in any period of twelve consecutive months and any prospective purchaser of the VMTP Shares from the Purchaser shall execute a confidentiality agreement substantially to the effect of Section 7.13 hereof prior to receiving any due diligence materials provided pursuant to such due diligence request.

All information, reports and other papers, documentation and data with respect to the Issuer furnished to the Purchaser pursuant to this Section 6.14 shall be, at

the time the same are so furnished, complete and correct in all material respects and, when considered with all other material delivered to the Purchaser under this Agreement or made available pursuant to the Due Diligence Request, will not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

6.15 Securities Depository

The Issuer agrees to maintain settlement of the VMTP Shares in global book entry form through the Securities Depository or such other clearance system reasonably acceptable to the Purchaser.

6.16 Future Agreements

The Issuer shall promptly, at the request of the Purchaser, enter into an agreement, on terms mutually satisfactory to the Issuer and the Purchaser, of the type specified in Section 12(d)(1)(E)(iii) of the 1940 Act, so as to permit the Purchaser or any transferee satisfying the requirements set forth in Section 2.1 to rely on the provisions of Section 12(d)(1)(E)(iii) of the 1940 Act.

6.17 Eligible Assets

The Issuer shall only make investments in the Eligible Assets described in Exhibit B to this Agreement, as amended from time to time with the prior written consent of the Purchaser, in accordance with the Issuer's investment objectives and the investment policies, as such investment objectives and investment policies may be modified in accordance with the 1940 Act and applicable law.

6.18 Placement of VMTP Shares

The Issuer shall not offer or sell any VMTP Shares or distribute any other offering material relating to the VMTP Shares, in any jurisdiction except in compliance with applicable law, and the Issuer agrees, at its own expense, to comply with all such laws. The Issuer shall at its own expense obtain any consent, approval or authorization required for it to offer or sell or procure the subscription of the VMTP Shares or to distribute any other offering material relating to the VMTP Shares, under the laws or regulations of any jurisdiction where it proposes to make offers or sales of the VMTP Shares.

Neither the Issuer, nor any Person acting on its behalf, will directly or indirectly, make offers or sales of any security (as defined in the Securities Act) or solicit offers to buy any security, in each case, under circumstances that would require the registration of the VMTP Shares under the Securities Act (except for the circumstances set forth in the Registration Rights Agreement).

7.2 No Waivers

- (a) The obligations of the Issuer hereunder shall not in any way be modified or limited by reference to any other document, instrument or agreement (including, without limitation, the VMTP Shares or any other Related Document). The rights of the Purchaser hereunder are separate from and in addition to any rights that any Holder or Designated Owner of any VMTP Share may have under the terms of such VMTP Share or any Related Document or otherwise.
- (b) No failure or delay by the Issuer or the Purchaser in exercising any right, power or privilege hereunder or under the VMTP Shares shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. No failure or delay by the Issuer or the Purchaser in exercising any right, power or privilege under or in respect of the VMTP Shares or any other Related Document shall affect the rights, powers or privileges of the Issuer or the Purchaser hereunder or shall operate as a limitation or waiver thereof. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

7.3 Expenses and Indemnification

- (a) The Issuer shall upon demand either, as the Purchaser may require, pay in the first instance or reimburse the Purchaser (to the extent that payments for the following items are not made under the other provisions hereof) for all reasonable out-of-pocket expenses (including reasonable fees and costs of outside counsel, and reasonable consulting, accounting, appraisal, investment banking, and similar professional fees and charges) incurred by the Purchaser in connection with the enforcement of or preservation of rights under this Agreement. The Issuer shall not be responsible under this Section 7.3(a) for the fees and costs of more than one law firm in any one jurisdiction with respect to any one proceeding or set of related proceedings for the Purchaser, unless the Purchaser shall have reasonably concluded that there are legal defenses available to it that are different from or additional to those available to the Issuer.
- (b) The Issuer agrees to indemnify and hold harmless the Purchaser and each other Indemnified Person of the Purchaser from and against any losses, claims, damages, liabilities and reasonable out-of-pocket expenses incurred by them (including reasonable fees and disbursements of outside counsel) that are related to or arise out of) any claim by any third party relating to the offering or sale of the VMTP Shares by the Issuer or the holding of the VMTP Shares by the Purchaser (A) that the Purchaser aided and abetted a breach of a fiduciary duty by the Issuer or any director or officer of the Issuer or (B) arising from any act by the Issuer or any director or officer of the Issuer (excluding in any such case clauses (i) or (ii), claims, losses, liabilities or expenses arising out of or resulting from the gross negligence or willful misconduct of any Indemnified Person as determined by a court of competent jurisdiction).
- (c) The indemnifying party also agrees that if any indemnification sought by an Indemnified Person pursuant to this Agreement is unavailable or insufficient, for any reason, to hold harmless the Indemnified Persons of such other party in respect of any losses, claims, damages or liabilities (or actions in respect thereof), then the indemnifying party, in order to provide for just and equitable contribution, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, liabilities, damages and expenses (or actions in respect thereof) in such proportion as is appropriate to reflect (i) the relative benefits received by the Issuer on the one hand and the Purchaser on the other hand from the actual transactions giving rise to or contemplated by this Agreement or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, not only such relative benefits but also the relative fault of the Issuer on the one hand and the Purchaser on the other, in connection with the statements or omissions or alleged statements or omissions that resulted in such losses, claims, damages, liabilities or expenses (or actions in respect thereof), as well as any other relevant equitable considerations; provided that in any event the aggregate contribution of the Purchaser and its Indemnified Persons to all losses, claims, damages, liabilities and expenses with respect to which contributions are available hereunder will not exceed the amount of dividends to be received by the Purchaser from the Issuer pursuant to the transactions giving rise to this Agreement. For purposes of determining the relative benefits to the Issuer on the one hand, and the Purchaser on the other, under the transactions giving rise to or contemplated by this Agreement, such benefits shall be deemed to be in the same proportion as (i) the total value received by the Issuer pursuant to the transactions, whether or not consummated bears to (ii) the dividends and Optional Redemption Premium paid by the Issuer to the Purchaser in connection with the transactions giving rise to or contemplated by this Agreement. The relative fault of the parties shall be determined by reference to, among other things, whether the actions taken or omitted to be taken in connection with the transactions contemplated by this Agreement (including any misstatement of a material fact or the omission to state a material fact) relates to information supplied by the Issuer on the one hand, or the Purchaser on the other, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, misstatement or alleged omission, and any other equitable considerations appropriate in the circumstances. No person found liable for a fraudulent misrepresentation shall be entitled to contribution from any person who is not also found liable for such fraudulent misrepresentation. The indemnity, reimbursement and contribution obligations under this Agreement shall be in addition to any rights that any Indemnified Person may have at common law or otherwise.

- (d) If any action, suit, proceeding or investigation is commenced, as to which an Indemnified Person proposes to demand indemnification, it shall notify the indemnifying party with reasonable promptness; provided, however, that any failure by such Indemnified Person to notify the indemnifying party shall not relieve the indemnifying party from its obligations hereunder (except to the extent that the indemnifying party is materially prejudiced by such failure to promptly notify). The indemnifying party shall be entitled to assume the defense of any such action, suit, proceeding or investigation, including the employment of counsel reasonably satisfactory to the Indemnified Person. The Indemnified Person shall have the right to counsel of its own choice to represent it, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the indemnifying party has failed promptly to assume the defense and employ counsel reasonably satisfactory to the Indemnified Person in accordance with the preceding sentence or (ii) the Indemnified Person shall have been advised by counsel that there exist actual or potential conflicting interests between the indemnifying party and such Indemnified Person, including situations in which one or more legal defenses may be available to such Indemnified Person that are different from or additional to those available to the indemnifying party; provided, however, that the indemnifying party shall not, in connection with any one such action or proceeding or separate but substantially similar actions or proceedings arising out of the same general allegations be liable for fees and expenses of more than one separate firm of attorneys at any time for all Indemnified Persons of such other party; and such counsel shall, to the extent consistent with its professional responsibilities, cooperate with the indemnifying party and any counsel designated by the indemnifying party.

Each party further agrees that it will not, without the prior written consent of the other parties (the consent of a party shall not be required to the extent such party is neither requesting indemnification nor being requested to provide indemnification), settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless such settlement, compromise or consent (i) includes an unconditional release of the Issuer (if such settlement, compromise or consent is agreed to by the Purchaser or another Indemnified Person) or the Purchaser and each other Indemnified Person (if such settlement, compromise or consent is agreed to by the Issuer) from all liability and obligations arising therefrom and (ii) does not include a statement as to an admission of fault, culpability or failure to act by or on behalf of the Issuer or the Purchaser and other Indemnified Persons, as the case may be. The Issuer further agrees that neither the Purchaser, nor any of its affiliates, nor any directors, officers, partners, employees, agents, representatives or control persons of the Purchaser or any of its affiliates shall have any liability to the Issuer arising out of or in connection with the proposed transactions giving rise to or contemplated by this Agreement except for such liability for losses, claims, damages, liabilities or expenses to the extent they have resulted from the Purchaser's or its affiliates' gross negligence or willful misconduct, as determined by a court of competent jurisdiction. No Indemnified Person shall be responsible or liable to the indemnifying party or any other person for consequential, special or punitive damages which may be alleged as a result of this Agreement.

- (e) Nothing in this Section 7.3 is intended to limit any party's obligations contained in other parts of this Agreement or the VMTP Shares.

7.4 Amendments and Waivers

Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Issuer and the Purchaser; provided, that the Issuer shall not make or agree to any amendment or waiver to the Charter or the Articles Supplementary that affects any preference, right or power of the VMTP Shares or the Holders or Designated Owners thereof except as permitted under the Charter or the Articles Supplementary.

7.5 Successors and Assigns

The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Neither the Issuer nor the Purchaser may assign or otherwise transfer any of its rights or obligations under this Agreement without the prior written consent of the other party (other than by operation of law), except, subject to Section 2.1(c), that (i) any transferee satisfying the requirements set forth in Section 2.1 and which has executed and delivered to the Issuer the transferee certificate attached as Exhibit C (each such transferee, an "**Eligible Transferee**") shall, prior to registration of any VMTP Shares under the Securities Act, have the rights set forth in Section 6.17 and Section 7.15 and shall, so long as such Eligible Transferee has provided a means for the Issuer to transmit such information electronically to it, be entitled to receive the information delivered pursuant to Sections 6.1(o) and 6.1(p) and such Eligible Transferees shall be deemed a party to this Agreement for purposes of Sections 6.1(o), 6.1(p), the rights of an Eligible Transferee under this Section 7.5 and the confidentiality provisions herein as specified in the transferee certificate and (ii) the Purchaser may assign its rights or obligations to any affiliate of the Purchaser or any tender option bond trust in which the Purchaser or an affiliate of the Purchaser retains the entire residual interest. Any assignment without such prior written consent shall be void. Upon request by any party hereto or an Eligible Transferee, the Issuer and the Purchaser and any Eligible Transferees agree to use commercially reasonable efforts to amend Schedule 2 in good faith to identify successor entities to the extent that an entity currently listed on Schedule 2 is dissolved, liquidated or merged into another entity not currently included on Schedule 2.

7.6 Term of this Agreement

This Agreement shall terminate on the earlier of (i) the registration of any Outstanding VMTP Shares under the Securities Act and (ii) payment in full of all amounts then due and owing to the Purchaser hereunder and under the VMTP Shares. For the avoidance of doubt, if either Purchaser sells all of its VMTP Shares (other than to an affiliate) and, in the case of a sale to a tender option bond trust, neither the Purchaser, nor any affiliate of the Purchaser, retains any residual interest or similar interest in any VMTP Shares sold to a tender option bond trust other than in connection with the Purchaser's repurchase of the VMTP Shares from the tender option bond trust, no further amounts will be due and owing to the Purchaser with respect to such VMTP Shares for purposes of this Section 7.6. Notwithstanding any termination of this Agreement or the prior sentence, Section 7.3, Section 7.5, Section 7.7, Section 7.8, Section 7.10, Section 7.11, the second sentence of Section 7.12, and Section 7.13 (for a period of two years after the termination of this Agreement) shall remain in full force and effect.

7.7 Governing Law

This Agreement shall be construed in accordance with and governed by the domestic law of the State of New York.

THE PARTIES HERETO HEREBY SUBMIT TO THE NON-EXCLUSIVE JURISDICTION OF THE FEDERAL AND NEW YORK STATE COURTS LOCATED IN THE CITY OF NEW YORK IN CONNECTION WITH ANY DISPUTE RELATED TO THIS AGREEMENT OR ANY MATTERS CONTEMPLATED HEREBY.

7.8 Waiver of Jury Trial

The Issuer and the Purchaser hereby waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against any other on any matters whatsoever arising out of or in any way connected with this Agreement.

7.9 Counterparts

This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Any counterpart or other signature delivered by facsimile or by electronic mail shall be deemed for all purposes as being a good and valid execution and delivery of this Agreement by that party.

7.10 Beneficiaries

This Agreement is not intended and shall not be construed to confer upon any Person other than the parties hereto and their successors and permitted assigns any rights or remedies hereunder.

7.11 Entire Agreement

Except as set forth in Section 7.5, this Agreement shall constitute the entire agreement and understanding between the parties hereto with respect to the matters set forth herein and shall supersede any and all prior agreements and understandings relating to the subject matter hereof.

7.12 Relationship to the Articles Supplementary

The Issuer and the Purchaser agree that the representations, warranties, covenants and agreements contained in this Agreement are in addition to the terms and provisions set forth in the Articles Supplementary. Section 15(d)(iv) of the Articles Supplementary shall have no effect for so long as none of the VMTP Shares have been registered under the Securities Act.

7.13 Confidentiality

Any information delivered by a party to this Agreement to any other party pursuant to this Agreement, including, without limitation, pursuant to Section 6.1 in the case of the Issuer (collectively, the "**Information**"), shall not be disclosed by such other party (or its employees, representatives or agents) to any person or entity (except as required by law or to such of its agents and advisors as need to know and agree to be bound by the provisions of this paragraph) or used by such other party for any purpose other than as contemplated by this Agreement without the prior written consent of the party delivering the Information. The parties agree that the Information (including, but not limited to, the Information provided pursuant to Section 6.1(o) and 6.1(p), to the extent constituting material, nonpublic information, shall be used solely for the purposes set forth in this Agreement and the other Related Documents, including the purposes set forth in the next paragraph of this Section 7.13 and for purposes of the making, monitoring and evaluation of the investment in VMTP Shares, and for no other purpose.

The obligations of confidentiality set out in the preceding paragraph do not extend to Information that is or becomes available to the public or is or becomes available to the party receiving the Information on a non-confidential basis or is disclosed to Holders or Designated Owners or potential Holders or Designated Owners, in each case in their capacity as such, in the offering documents of the Issuer, in notices to Holders or Designated Owners pursuant to one or more of the Related Documents or pursuant to the Issuer's or the Purchaser's informational obligations under Rule 144A(d)(4) or other reporting obligation of the Securities and Exchange Commission; or is required or requested to be disclosed (i) by a regulatory agency or in connection with an examination of either party or its representatives by regulatory authorities, (ii) pursuant to subpoena or other court process, (iii) at the express direction of any other authorized government agency, (iv) to its independent attorneys or auditors, (v) as required by any NRSRO, (vi) as otherwise required by law or regulation, (vii) otherwise in connection with the enforcement of this Agreement, (viii) in connection with the exercise of any remedies hereunder or in any suit, action or proceeding relating to this Agreement and the enforcement of rights hereunder, (ix) by a prospective purchaser of the VMTP Shares that is (a) a transferee that would be permitted pursuant to Section 2.1(b) of this Agreement and (b) aware of the confidentiality provisions of this Section 7.13 and is subject to an agreement with the transferor containing provisions substantially similar thereto and that states that the Issuer is an express third party beneficiary thereof, (x) subject to an agreement containing provisions substantially similar to those of this Section 7.13, or (xi) subject to an agreement containing provisions substantially similar to those of this Section 7.13 and with the prior written consent of the other party to this Agreement, which consent shall not be unreasonably withheld, to any actual or prospective counterparty in any swap or derivative transactions. For the avoidance of doubt, references in this Section 7.13 to "regulatory agency," "regulatory authorities," "government agency" and "law or regulation" shall be deemed to include the Internal Revenue Service and state taxation authorities.

7.14 Severability

In case any provision of this Agreement shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby so long as the intent of the parties to this Agreement shall be preserved.

7.15 Consent Rights of the Majority Participants to Certain Actions.

For so long as none of the VMTP Shares have been registered under the Securities Act, without the affirmative vote or consent of the Majority Participants, neither the Issuer nor the Board of Directors will take or authorize the taking of any of the actions set forth under clauses (a) through (e) of this Section 7.15:

- (a) The termination by the Issuer of any Rating Agency or the selection of any Other Rating Agency, either in replacement for a Rating Agency or as an additional Rating Agency with respect to the VMTP Shares unless (i) immediately following such termination, there would be at least one Rating Agency with respect to such VMTP Shares or (ii) it replaces the terminated Rating Agency with another Rating Agency and provides notice thereof to the Holders of such VMTP Shares; provided that such replacement shall not occur unless such replacement Other Rating Agency shall have at the time of such replacement (i) published a rating for the VMTP Shares and (ii) entered into an agreement with the Issuer to continue to publish such rating subject to the Rating Agency's customary conditions.

- (b) The Issuer issuing or suffering to exist any "senior security" (as defined in the 1940 Act as of the date hereof, but not including a Derivative Contract, or, in the event such definition shall be amended, with such changes to the definition thereof as consented to by the Majority Participants) other than the VMTP Shares issued on the Effective Date or indebtedness for borrowed money of the Issuer, except (i) borrowings for temporary purposes in an amount not to exceed 5% of the assets of the Issuer, which borrowings are repaid within sixty (60) days, (ii) the issuance of senior securities or the incurrence of indebtedness for borrowed money, the proceeds of which will be used for the redemption or repurchase of the VMTP Shares and costs incurred in connection therewith, (iii) the Issuer's issuance of tender option bonds or creation or a tender option bond trust, if any, and (iv) as may be otherwise approved or consented to by the Majority Participants, provided that if any such "senior security" is created or incurred by the Issuer it shall not require the approval of the Majority Participants if the Issuer redeems, retires or terminates such "senior security" or otherwise cures such non-compliance within five (5) Business Days of receiving notice of the existence thereof.
- (c) The Issuer (i) creating or incurring or suffering to be incurred or to exist any lien on any other funds, accounts or other property held under the Charter or the Articles Supplementary, except as permitted by the Charter or the Articles Supplementary or (ii) except for any lien for the benefit of the Custodian of the Issuer on the assets of the Issuer held by such Custodian or any lien arising by operation of law, pledging any portfolio security to secure any senior securities or other liabilities to be incurred by the Issuer unless the securities pledged pursuant to all such pledges or other security arrangements are valued, for purposes of determining the value of the collateral required to be posted or otherwise provided under all such security arrangements, (x) with respect to pledges to secure senior securities under any tender option bond trust of which the residual floating rate trust certificates will be owned by the Issuer, in an aggregate amount not less than 70% of their aggregate market value at the time of inception of the trust (by references to prices determined by an independent third-party pricing service) and (y) with respect to all other pledges to secure senior securities, in an aggregate amount not less than 70% of their aggregate market value from time to time (by reference to prices determined by an independent third-party pricing service); provided, that the required collateral value (determined in accordance with clause (x) and/or (y) above, as applicable) under such security arrangements shall not exceed the market value of the exposure of each secured party to the credit of the Issuer; and provided further, that it shall not require the approval of the Majority Participants if any such pledge or security interest in violation of the preceding sentence is created or incurred by the Issuer and the Issuer cures such violation within five (5) Business Days of receiving notice of the existence thereof.
- (d) Approval of any amendment, alteration or repeal of any provision of the Charter or the Articles Supplementary, whether by merger, consolidation or otherwise, that would materially and negatively affect any preference, right or power of the VMTP Shares differentially from the rights of the holders of the Common Shares; or
- (e) Approval of any action to be taken pursuant to Section 5(c) of the Articles Supplementary.

In addition, if the Board of Directors shall designate a replacement to the S&P Municipal Bond 7 Day High Grade Rate Index pursuant to the definition of SIFMA Municipal Swap Index contained in the Articles Supplementary, the Issuer shall notify the Holders of the VMTP Shares within five (5) Business Days of such designation, and if within thirty (30) days of such notice the Majority Participants shall have objected in writing to the designated replacement, the Board of Directors shall designate a replacement to such index as agreed to between the Issuer and the Majority Participants. In such event, the replacement index initially approved by the Board of Directors shall be the index in effect for purposes of the Articles Supplementary until a new index has been approved by the Issuer and the Majority Participants.

ELIGIBLE ASSETS

On the Effective Date and at all times thereafter:

1. All assets in the Issuer consist of "Eligible Assets", defined to consist only of the following as of the time of investment:
 - A. Debt obligations
 - i. "Municipal securities", defined as obligations of a State, the District of Columbia, a U.S. territory, or a political subdivision thereof and including general obligations, limited obligation bonds, revenue bonds, and obligations that satisfy the requirements of section 142(b)(1) of the Internal Revenue Code of 1986 issued by or on behalf of any State, the District of Columbia, any U.S. territory or any political subdivision thereof, including any municipal corporate instrumentality of 1 or more States, or any public agency or authority of any State, the District of Columbia, any U.S. territory or any political subdivision thereof. The purchase of any municipal security will be based upon the Adviser's assessment of an asset's relative value in terms of current yield, price, credit quality, and future prospects; and the Adviser will monitor the creditworthiness of the Issuer's portfolio investments and analyze economic, political and demographic trends affecting the markets for such assets. Eligible Assets shall include any municipal securities that at the time of purchase are paying scheduled principal and interest or if at the time of purchase are in payment default, then in the sole judgment of the Adviser are expected to produce payments of principal and interest whose present value exceeds the purchase price. For the avoidance of doubt, Municipal Securities shall include municipal variable rate demand obligations guaranteed by the Federal Home Loan Banks.
 - ii. Debt obligations of the United States.
 - iii. Debt obligations issued, insured, or guaranteed by a department or an agency of the U.S. Government, if the obligation, insurance, or guarantee commits the full faith and credit of the United States for the repayment of the obligation.
 - iv. Debt obligations of the Washington Metropolitan Area Transit Authority guaranteed by the Secretary of Transportation under Section 9 of the National Capital Transportation Act of 1969.
 - v. Debt obligations of the Federal Home Loan Banks.
 - vi. Debt obligations, participations or other instruments of or issued by the Federal National Mortgage Association or the Government National Mortgage Association.
 - vii. Debt obligations which are or ever have been sold by the Federal Home Loan Mortgage Corporation pursuant to sections 305 or 306 of the Federal Home Loan Mortgage Corporation Act.
 - viii. Debt obligations of any agency named in 12 U.S.C. § 24(Seventh) as eligible to issue obligations that a national bank may underwrite, deal in, purchase and sell for the bank's own account, including qualified Canadian government obligations.
 - ix. Debt obligations of issuers other than those specified in (i) through (viii) above that are "investment grade" and that are "marketable." For these purposes, an obligation is:
 - (aa) "marketable" if:
 - it is registered under the Securities Act;
 - it is offered and sold pursuant to Securities and Exchange Commission Rule 144A; 17 CFR 230.144A; or
 - it can be sold with reasonable promptness at a price that corresponds reasonably to its fair value; and
 - (bb) "investment grade" if:
 - the obligor had adequate capacity to meet financial commitments under the security for the projected life of the asset or exposure, which capacity is presumed if the risk of default by the obligor is low and the full and timely repayment of principal and interest is expected.
 - x. Certificates or other securities evidencing ownership interests in a municipal bond trust structure (generally referred to as a tender option bond structure) that invests in (a) debt obligations of the types described in (i) above or (b) depository receipts reflecting ownership interests in accounts holding debt obligations of the types described in (i) above.

xi. The bonds, notes and other debt securities referenced in (A) above shall be defined as Eligible Assets. An asset shall not lose its status as an Eligible Asset solely by virtue of the fact that:

- it provides for repayment of principal and interest in any form including fixed and floating rate, zero interest, capital appreciation, discount, leases, and payment in kind; or
- it is for long-term or short-term financing purposes.

B. Derivatives

- i. Interest rate derivatives;
- ii. Swaps, futures, forwards, structured notes, options and swaptions related to Eligible Assets or on an index related to Eligible Assets; or
- iii. Credit default swaps.

C. Other Assets

- i. Shares of other investment companies (open- or closed-end funds and ETFs) the assets of which consist entirely of Eligible Assets based on the Adviser's assessment of the assets of each such investment company taking into account the investment company's most recent publicly available schedule of investments and publicly disclosed investment policies.
- ii. Cash.
- iii. Repurchase agreements on assets described in A above.
- iv. Taxable fixed-income securities, for the purpose of acquiring control of an issuer whose municipal bonds (a) the Issuer already owns and (b) have deteriorated or are expected shortly to deteriorate that such investment should enable the Issuer to better maximize its existing investment in such issuer, provided that the Issuer may invest no more than 0.5% of its total assets in such securities.

D. Other assets, upon written agreement of all Holders of the VMTP Shares ("Holders") that such assets are eligible for purchase by the Holder.

2. The Issuer shall provide, (i) within fifteen (15) Business Days of the last day of each month, a fact sheet including the information set forth in Exhibit D to this Agreement, prepared on a basis substantially consistent with the periodic information the Adviser prepares for other closed-end funds and reasonably acceptable to the Purchaser; and (ii) within fifteen (15) Business Days of the last day of each month, a calculation of the Effective Leverage Ratio and the Minimum Asset Coverage Ratio of the Issuer as of the last day of each month since the date of the last report issued pursuant to this subclause (2); and upon the failure of the Issuer to maintain Minimum Asset Coverage Ratio as provided in Section 6(a) of the Articles Supplementary or the Effective Leverage Ratio as required by Section 6(c) of the Articles Supplementary, notice of such failure as soon as possible. Prior to any registration of the VMTP Shares, Series A under the Securities Act, a permitted transferee of such VMTP Shares will have the right to receive such information upon satisfying certain conditions.

3. The Adviser has instituted policies and procedures that it believes are sufficient to ensure that the Issuer and it comply with the representations, warranties and covenants contained in this Exhibit to the Agreement.

4. The Issuer will, upon request, provide each Holder and their internal and external auditors and inspectors as such Holder may from time to time designate, with all reasonable assistance and access to information and records of the Issuer relevant to the Issuer's compliance with and performance of the representations, warranties and covenants contained in this Exhibit to the Agreement, but only for the purposes of internal and external audit.

it is a tender option bond trust in which all investors are QIBs that are Registered Investment Companies, Banks or insurance companies (or, in the case of a tender option bond trust in which the Holder or an affiliate of the Holder retains a residual interest); or

is a person which the Fund has consented in writing to permit to be the holder of the Transferred Shares.

2. The Transferee certifies that it (check a box):

3. The Transferee understands and acknowledges that the Transferred Shares are "restricted securities" and have not been registered under the Securities Act or any other applicable securities law, are being offered for sale pursuant to Rule 144A of the Securities Act or another available exemption from registration under the Securities Act, in a manner not involving any public offering with the meaning of Section 4(a)(2) of the Securities Act, and may not be offered, sold or otherwise transferred except in compliance with the registration requirements of the Securities Act or any other applicable securities law, pursuant to an exemption therefrom or in a transaction not subject thereto and in each case in compliance with the conditions for transfer set forth in this Transferee Certificate.

6. The Transferee acknowledges that the VMTP Shares were issued in book-entry form and are represented by one global certificate and that the global certificate representing the VMTP Shares (unless sold to the public in an underwritten offering of the VMTP Shares pursuant to a registration statement filed under the Securities Act) contains a legend substantially to the following effect:

10. The Transferee acknowledges that it has received a copy of the Purchase Agreement and Appendices thereto and agrees to abide by any obligations therein binding on a transferee of the VMTP Shares and the confidentiality obligations therein with respect to information relating to the Fund as if it were the Transferor.

11. The Transferee acknowledges that it has received a copy of the Registration Rights Agreement and agrees to abide by any obligations therein binding on a transferee of the VMTP Shares.
