Industry Developments

FIA Card Services, National Association ("FIA") issues credit cards on MasterCard's and Visa's networks. MasterCard and Visa are facing significant litigation and increased competition. In 2003, MasterCard and Visa settled a suit by Wal-Mart and other merchants who claimed that MasterCard and Visa unlawfully tied acceptance of debit cards to acceptance of credit cards. Under the settlement MasterCard and Visa are required to, among other things, allow merchants to accept MasterCard or Visa branded credit cards without accepting their debit cards (and vice versa), reduce the prices charged to merchants for off-line signature debit transactions for a period of time, and pay amounts totaling \$3.05 billion into a settlement fund. MasterCard and Visa are also parties to suits in various state courts mirroring the allegations brought by Wal-Mart and the other merchants.

In October 2004, the United States Supreme Court let stand a federal court decision in a suit brought by the U.S. Department of Justice, in which MasterCard and Visa rules prohibiting banks that issue cards on MasterCard and Visa networks from issuing cards on other networks (the "association rules") were found to have violated federal antitrust laws. This decision effectively permits banks that issue cards on Visa's or MasterCard's networks, such as FIA and Bank of America Corporation's other banking subsidiaries, to issue cards on competitor networks. Discover and American Express have initiated separate civil lawsuits against MasterCard and Visa claiming substantial damages stemming from the association rules. MasterCard and Visa are also parties to suits alleging that MasterCard's and Visa's currency conversion practices are unlawful.

The costs associated with these and other matters could cause MasterCard and Visa to invest less in their networks and marketing efforts and could adversely affect the interchange paid to their member banks, including FIA.

Litigation

Bank of America Corporation and certain of its subsidiaries are defendants in actions filed on behalf of a putative class of retail merchants that accept Visa and MasterCard payment cards. The first of these actions was filed in June 2005. On April 24, 2006, putative class plaintiffs filed a First Consolidated and Amended Class Action Complaint. Plaintiffs therein allege that the defendants conspired to fix the level of interchange and merchant discount fees and that certain other practices, including various Visa and MasterCard rules, violate federal and California antitrust laws. On May 22, 2006, the putative class plaintiffs filed a supplemental complaint against many of the same defendants, including Bank of America Corporation and certain of its subsidiaries, alleging additional federal antitrust claims and a fraudulent conveyance claim under New York Debtor and Creditor Law, all arising out of MasterCard's 2006 initial public offering. The putative class plaintiffs seek unspecified treble damages and injunctive relief. Additional defendants in the putative class actions include Visa, MasterCard, and other financial institutions.

The putative class actions are coordinated for pre-trial proceedings in the U.S. District Court for the Eastern District of New York, together with additional, individual actions brought only against Visa and MasterCard, under the caption *In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation*. Motions to dismiss portions of the First Consolidated and Amended Class Action Complaint and the supplemental complaint are pending.

Item 1119 of Regulation AB: Affiliations and Certain Relationships and Related Transactions.

Information required by Item 1119 of Regulation AB has been omitted from this report on Form 10-K in reliance on the Instruction to Item 1119.

Item 1122 of Regulation AB: Compliance with Applicable Servicing Criteria.

(a) *Item 1122 Reports*: Each of FIA, for itself and on behalf of its affiliated servicing participants, and The Bank of New York (each, a "Servicing Participant") has been identified by the registrant as a party participating in the servicing function with respect to the pool assets held by each of BA Master Credit Card Trust II and BA Credit Card Trust. Each Servicing Participant has completed one or more reports on assessment of compliance with the servicing criteria applicable to such Servicing Participant (each, a "Report on Assessment"), which Reports on Assessment are attached as exhibits to this Form 10-K. In addition, each of the Servicing Participants has provided an attestation report (each, an "Attestation Report")

by a registered independent public accounting firm regarding its related Report on Assessment. Each Attestation Report is attached as an exhibit to this Form 10-K.

FIA has engaged certain vendors, none of whom are considered a “servicer” as defined in Item 1101(j) of Regulation AB, to perform specific and limited activities that address a portion of one servicing criterion applicable to FIA. FIA has instituted policies and procedures to monitor whether such vendors’ activities comply in all material respects with such servicing criterion, and has elected to take responsibility for assessing compliance with the servicing criterion applicable to such vendors’ activities in FIA’s Report on Assessment.

Except as disclosed below, no Report on Assessment or related Attestation Report has identified (i) any material instance of noncompliance with the servicing criteria identified in such Report on Assessment as applicable to the related Servicing Participant or (ii) in the case of FIA, any material deficiency in FIA’s policies and procedures to monitor vendor compliance.

Exceptions:

The Bank of New York: The Bank of New York has completed two Reports on Assessment and related Attestation Reports that, together, address the period covered by this Form 10-K: (i) a Report on Assessment as of, and for the twelve months ended, March 31, 2007, together with an Attestation Report by Ernst & Young LLP, and (ii) a Report on Assessment as of, and for the six months ended, June 30, 2007, together with an Attestation Report by KPMG LLP.

The Bank of New York’s Report on Assessment as of, and for the six months ended, June 30, 2007 and the related Attestation Report prepared by KPMG LLP have identified material noncompliance with one servicing criterion applicable to The Bank of New York. Specifically, with regard to servicing criterion 1122(d)(2)(i) (which contemplates that payments on pool assets are deposited into the appropriate custodial bank accounts and related bank clearing accounts within the time frames specified in the transaction agreements), collections received on assets relating to certain series of securities were deposited into a general account held by the indenture trustee for such series and remitted directly to the investors in such series rather than through a segregated account relating specifically to such series as required by the related transaction documents. The Bank of New York indicates that the segregated account relating to each series of securities was established by the indenture trustee during the period covered by the Report on Assessment, but such accounts were not utilized in all instances by the indenture trustee as stated above.

The Bank of New York further indicates in its Report on Assessment (i) that all collections were properly allocated by the indenture trustee to the related series of securities and timely remitted to the investors in such series, and (ii) that procedures have been established and are currently being enforced so that collections are deposited into the general account and then transferred to the segregated account for the related series of securities within the applicable time frames, and then remitted to the investors in such series in accordance with the related transaction documents. We have not independently verified the accuracy of The Bank of New York’s assertions or the adequacy of its remediation efforts.

Platform-Level Reports:

Regulations of the Securities and Exchange Commission (the “SEC”) require that each servicing participant complete a report on assessment at a “platform” level, meaning that the transactions covered by the report on assessment should include all asset-backed securities transactions involving such servicing participant that are backed by the same asset type. More recent guidance from the SEC staff identifies additional parameters that a servicing participant may apply to define and further limit its platform. For example, a servicing participant may define its platform to include only transactions that were completed on or after January 1, 2006 (the effective date for Regulation AB) and that were registered with the SEC pursuant to the Securities Act of 1933. Each servicing participant is responsible for defining its own platform, and each platform will naturally differ based on various factors, including the servicing participant’s business model, the transactions in which it is involved and the range of activities performed in those transactions.

(b) *Other Reports:* FIA has completed an assertion letter which states that, as of June 30, 2007, its controls over the functions performed as servicer of BA Master Credit Card Trust II and BA Credit Card Trust are effective in providing reasonable assurance that BA Master Credit Card Trust II and BA Credit Card Trust assets are safeguarded against loss from unauthorized use or disposition and that the servicing of such assets was conducted in conformity with the agreements identified in such letter and recorded properly to permit the preparation of the required financial reports. PricewaterhouseCoopers LLP has produced a report attesting to the fairness of such assertion as of June 30, 2007. Such assertion letter and related accountants report is attached as Exhibit 99.1 to this Form 10-K.

Item 1123 of Regulation AB: Servicer Compliance Statement.

Each of FIA, MBNA Technology, Inc. ("MBNA Technology"), Banc of America Card Servicing Corporation ("BACSC") and, for the period commencing July 1, 2006 through October 20, 2006, Bank of America, National Association (USA) ("BANA (USA)") has been identified by the registrant as a servicer with respect to the pool assets held by each of BA Master Credit Card Trust II and BA Credit Card Trust. Each of FIA, MBNA Technology and BACSC has provided a statement of compliance with the related servicing agreement (each, a "Compliance Statement"), in each case signed by an authorized officer of the related servicer. The Compliance Statement of FIA also addresses compliance by BANA (USA) with the related servicing agreement for the period commencing July 1, 2006 through October 20, 2006, the date on which BANA (USA) merged with and into FIA. Each Compliance Statement is attached as an exhibit to this Form 10-K.

SCHEDULE A

MATERIAL INSTANCES OF NON-COMPLIANCE

1122(d)(2)(i): Payments on pool assets are deposited into the appropriate custodial bank accounts and related bank clearing accounts no more than two business days of receipt, or such other number of days specified in the transaction agreements.

With respect to collections received on assets relating to certain series of securities, such collections were deposited into a general account held by the Indenture Trustee and remitted directly to the investors in such series rather than through a segregated account relating specifically to such series as required by the related transaction documents. All collections were properly allocated by the Indenture Trustee to the related series of securities and timely remitted to the investors in such series. The segregated account relating to each series of securities was established by the Indenture Trustee during the Period but such accounts were not utilized in all instances by the Indenture Trustee as stated above. Procedures have been established and are currently being enforced so that collections are deposited into the general account and then transferred to the segregated account for the related series of securities within the applicable time frames and then remitted to the investors in such series in accordance with the related transaction documents.

Report of Independent Registered Public Accounting Firm

To FIA Card Services, National Association:

We have examined management's assertion, included in the accompanying Certification Regarding Compliance with Applicable Servicing Criteria (the "Compliance Statement"), that FIA Card Services, National Association (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for all asset-backed securities transactions backed by credit card receivables issued by the BA Credit Card Trust on or before June 30, 2007, for which transactions the Company acted as servicer, that were registered with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended, where the related asset-backed securities were outstanding during the reporting period as specified in the Compliance Statement (the "Platform"), as of and for the year ended June 30, 2007, excluding the criteria which the Company has determined are not applicable to the servicing activities performed by them with respect to the Platform as indicated in Appendix A of the Compliance Statement. The Platform includes the asset-backed securities listed in Appendix B of the Compliance Statement. Management is responsible for the Company's compliance with the servicing criteria. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria and performing such other procedures as we considered necessary in the circumstances. Our examination included testing of selected asset-backed transactions and securities that comprise the Platform, testing of selected servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the applicable servicing criteria. Our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to detect noncompliance arising from errors that may have occurred prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

In our opinion, management's assertion that the Company complied with the aforementioned applicable servicing criteria as of and for the year ended June 30, 2007 for the Platform is fairly stated, in all material respects.

Report of Independent Registered Public Accounting Firm

Board of Directors
The Bank of New York

We have examined management's assertion, included in the accompanying Management's Report on Assertion of Compliance with Applicable Servicing Criteria that The Bank of New York, The Bank of New York Trust Company, N.A., and The Bank of New York (Delaware), (collectively, the Company), complied with the servicing criteria set forth in Item 1122 (d) of the Securities and Exchange Commission's Regulation AB for the publicly-issued (i.e., transaction-level reporting initially required under the Securities Exchange Act of 1934, as amended) asset-backed securities issued on or after April 1, 2006 (and like-kind transactions issued prior to April 1, 2006), for which the Company provides trustee, securities administration, or paying agent services, other than residential mortgage-backed securities and other mortgage-related asset-backed securities (the "Platform"), which Platform includes like-kind transactions for which the Company provided trustee, securities administration, or paying agent services as a result of the Company's acquisition as of October 1, 2006 of portions of JPMorgan Chase Bank, N.A.'s corporate trust business, including structured finance agency and trust transactions, as of and for the year ended March 31, 2007, except for criteria 1122 (d)(1)(ii)-(iv), 1122 (d)(4)(vi), 1122 (d)(4)(viii), and 1122 (d)(4)(x)-(xiv), which the Company has determined are not applicable to the activities performed by them with respect to the servicing platform covered by this report. Management is responsible for the Company's compliance with those servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the servicing criteria based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, as adopted by the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria and performing such other procedures as we considered necessary in the circumstances. Our examination included testing of less than all of the individual transactions and securities that comprise the platform, testing of less than all of the servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the servicing criteria. Furthermore, our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to determine whether errors may have occurred either prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. Although the Company is responsible for assessing compliance with Item 1122 (d)(2)(iii) and 1122

(d)(4)(vii) of Regulation AB, there were no servicing activities performed by the Company during the year ended March 31, 2007 that required these servicing criteria to be complied with. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

In our opinion, management's assertion that the Company complied with the aforementioned servicing criteria as of and for the year ended March 31, 2007 for the Platform, is fairly stated, in all material respects.

Management is responsible for the Company's compliance with those servicing criteria. Our responsibility is to express an opinion on the Company's compliance based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the servicing criteria specified above and performing such other procedures as we considered necessary in the circumstances. Our examination included testing of less than all of the individual asset-backed transactions and securities that comprise the Platform, testing of less than all of the servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the servicing criteria. Furthermore, our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to determine whether errors may have occurred either prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

Our examination disclosed the following material noncompliance with respect to criterion 1122(d)(2)(i) applicable to the Company as of June 30, 2007 and for the period January 1, 2007 through June 30, 2007. Certain payments on pool assets were not deposited to the appropriate custodial bank accounts as required by the related transaction agreements.

In our opinion, except for the material noncompliance described above, the Company complied, in all material respects, with the aforementioned servicing criteria as of June 30, 2007 and for the period January 1, 2007 through June 30, 2007.

Report of Independent Registered Public Accounting Firm

To FIA Card Services, National Association:

We have examined management's assertion included in the accompanying report by management, titled "Report of Management on BA Master Credit Card Trust II and BA Credit Card Trust Internal Control" (the "Report"), that FIA Card Services, National Association's (the "Company"), a wholly owned subsidiary of Bank of America Corporation, controls over functions performed as servicer of the BA Master Credit Card Trust II (the "Master Trust"), and the BA Credit Card Trust (the "Note Trust", together with the Master Trust, the "Trusts") as specified in the Report, are effective, as of June 30, 2007 in providing reasonable assurance that the Trusts' assets are safeguarded against loss from unauthorized use or disposition and the servicing of the Trusts' assets is conducted and recorded in conformity with the second amended and restated BA Master Credit Card Trust II Pooling and Servicing Agreement dated October 20, 2006 (the "PSA"), the applicable Pooling and Servicing Agreement Supplement for each series (the "PSA Supplements"), the second amended and restated BA Credit Card Trust Indenture dated October 20, 2006 (the "Indenture"), and the amended and restated BA series Indenture Supplement dated June 10, 2006 (the "Indenture Supplement", together with the PSA, PSA Supplements, and Indenture, the "Agreements"), between the Company and The Bank of New York (the "Trustee"), as specified in the Report, to permit the preparation of the required financial reports. The Company's management is responsible for controls over functions performed as servicer of the Trusts. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included obtaining an understanding of internal controls over the functions performed by the Company as servicer for the Trusts, testing and evaluating the design and operating effectiveness of internal controls, and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

Because of inherent limitations in any internal control, misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal control over the functions performed by the Company as servicer for the Trusts to future periods are subject to the risk that the internal control may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assertion that the Company's controls over the functions performed as servicer of the Trusts are effective as of June 30, 2007 in providing reasonable assurance that assets of the Trusts are safeguarded against loss from unauthorized use or disposition and that the servicing of the Trusts' assets is conducted and recorded in conformity with the Agreements, to permit the preparation of the required financial reports is fairly stated, in all material respects, based upon the following criteria specified in the Report:

- Funds collected are remitted to the Trustee in accordance with the Agreements.
-
- Trust assets are segregated from those retained by the Company in accordance with the Agreements.
 - Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
 - The additions of accounts to the Trusts are authorized in accordance with the Agreements.
 - The removals of accounts from the Trusts are authorized in accordance with the Agreements.
 - Trust assets amortizing out of the Trusts are calculated in accordance with the Agreements.
 - Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
 - Monthly Trust reports generated in the form of "Exhibits" contain all information required by the Agreements.

Report of Management on BA Master Credit Card Trust II and BA Credit Card Trust Internal Control

FIA Card Services, National Association ("FIA" or the "Company"), a wholly owned subsidiary of Bank of America Corporation, is responsible for establishing and maintaining effective controls over the functions performed as the servicer of the BA Master Credit Card Trust II and the BA Credit Card Trust (the "Trusts" or individually, the "Trust"). These controls are designed to provide reasonable assurance to the Company's management and board of directors that the Trusts' assets are safeguarded against loss from unauthorized use or disposition, and that the servicing of the Trusts' assets was conducted in conformity with the applicable Pooling

and Servicing Agreement, Pooling and Servicing Agreement Supplements, Indenture and BAseries Indenture Supplement (together the "Agreements") as specified in Appendix I, between FIA as Seller and Servicer, in the case of the Pooling and Servicing Agreement and the Pooling Agreement Supplements, or BA Credit Card Trust, in the case of the Indenture and the BAseries Indenture Supplement, and the applicable Trustee (specific Agreements and Trustees are listed in Appendix I) and are recorded properly to permit the preparation of the required financial reports.

Because of inherent limitations in any control, no matter how well-designed, misstatements due to error or fraud may occur and not be detected, including the possibility of the circumvention or overriding of controls. Accordingly, even effective controls can provide only reasonable assurance with respect to the achievement of any objectives of controls. Further, because of changes in conditions, the effectiveness of controls may vary over time.

The Company has determined that the objectives of controls with respect to servicing and reporting of Trust assets are to provide reasonable, but not absolute assurance that:

- Funds collected are remitted to the Trustee in accordance with the Agreements.
 - Trust assets are segregated from those retained by FIA in accordance with the Agreements.
 - Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
 - The additions of accounts to the Trusts are authorized in accordance with the Agreements.
 - The removals of accounts from the Trusts are authorized in accordance with the Agreements.
-

Trust Internal Control (continued)

- Trust assets amortizing out of the Trusts are calculated in accordance with the Agreements.
- Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- Monthly Trust reports generated in the form of "Exhibits" contain all information required by the Agreements.

The Company assessed its controls over the functions performed as servicer of the Trusts in relation to these criteria. Based upon this assessment, the Company believes that, as of June 30, 2007, its controls over the functions performed as servicer of the Trusts are effective in providing reasonable assurance that Trust assets are safeguarded against loss from unauthorized use or disposition, and that the servicing of the Trust assets was conducted in conformity with the Agreements and recorded properly to permit the preparation of the required financial reports.
