***Industry Developments***

Bank of America, National Association (“BANA”) issues credit cards on MasterCard’s and Visa’s networks. MasterCard and Visa are subject to settlement obligations relating to certain litigations and continue to be subject to significant ongoing litigations, including class actions, and increased competition. These settlements and litigations are based on, among other things, claimed violations of United States federal antitrust laws, claims that currency conversion fees were wrongly applied on purchases of goods and services in foreign countries, and claims alleging that the interchange charged by MasterCard and Visa is impermissible. The costs associated with these settlements, litigations and other matters could cause MasterCard and Visa to invest less in their networks and marketing efforts and could adversely affect the interchange paid to their member banks, including BANA.

***Litigation***

In 2005, a group of merchants filed a series of putative class actions and individual actions directed at interchange fees associated with Visa and MasterCard payment card transactions. These actions, which were consolidated in the U.S. District Court for the Eastern District of New York under the caption *In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation* (“Interchange”), named Visa, MasterCard and several banks and bank holding companies, including Bank of America Corporation (“BAC”), as defendants. Plaintiffs alleged that defendants conspired to fix the level of default interchange rates and that certain rules of Visa and MasterCard related to merchant acceptance of payment cards at the point of sale were unreasonable restraints of trade under the Sherman Act. Plaintiffs sought unspecified damages and injunctive relief.

On October 19, 2012, defendants, including BAC, settled the matter. The settlement provides for, among other things, (i) payments by defendants to the class and individual plaintiffs totaling approximately \$6.6 billion, allocated proportionately to each defendant based upon loss-sharing agreements; (ii) distribution to class merchants of an amount equal to 10 basis points of default interchange across all Visa and MasterCard credit card transactions for a period of eight consecutive months, which period began on July 29, 2013, which otherwise would have been paid to Visa and MasterCard issuers, including BAC, and which effectively reduces credit interchange for that period of time; and (iii) modifications to certain Visa and MasterCard rules regarding merchant point of sale practices.

The court granted final approval of the class settlement agreement on December 13, 2013. Several class members appealed the court's order approving the settlement to the U.S. Court of Appeals for the Second Circuit, which held oral argument on September 28, 2015.

On July 28, 2015, certain objectors to the class settlement filed motions asking the district court to vacate or set aside its final judgment approving the settlement, or in the alternative, to grant further discovery, in light of communications between one of MasterCard's former lawyers and one of the lawyers for the class plaintiffs. The defendants and the class plaintiffs filed responses to the motions on August 18, 2015 and the objectors filed replies on September 2, 2015. The court has not set oral argument.

Following approval of the class settlement agreement, a number of the class members opted out of the settlement. The cash portion of the settlement was adjusted downwards as a result of these opt outs. As a result of various loss-sharing agreements from the main Interchange litigation, BAC remains liable for any settlement or judgment in opt-out suits where it is not named as a defendant. BAC is currently named as a defendant in one of the opt-out suits brought by merchant class members, as well as in a putative class action filed by cardholders in the U.S. District Court for the Northern District of California, alleging claims under the Sherman Act and under California state law. All of the opt-out suits filed to date, as well as the cardholder action, have been consolidated in the U.S. District Court for the Eastern District of New York. On July 18, 2014, the court denied defendants' motion to dismiss the complaints filed by the merchant class members who opted out of the settlement, and on November 26, 2014, the court granted defendants' motion to dismiss the Sherman Act claim in the cardholder action, but declined to accept supplemental jurisdiction over the state law claims. In the cardholder action, the parties moved for reconsideration of the court's November 26, 2014 decision, and on February 26, 2016, the court granted defendants' motion, finding the court had supplemental jurisdiction, dismissing plaintiffs' state law claims, and denying plaintiffs' motion for reconsideration. The plaintiffs have appealed the decision to the U.S. Court of Appeals for the Second Circuit.

### ***Regulatory Developments***

On April 7, 2014, FIA Card Services, National Association ("FIA") and BANA entered into separate Consent Orders with the Office of the Comptroller of the Currency (the "OCC") and the Consumer Financial Protection Bureau (the "CFPB"). The Consent Order with the OCC resolved its investigation into billing and fulfillment practices concerning identity theft protection products, including those marketed and billed by vendors. The Consent Order with the CFPB resolved its investigation into billing and fulfillment practices concerning identity theft protection products, including those marketed and billed by vendors, and also resolved its investigation into marketing, sales and fulfillment practices concerning certain credit card debt cancellation products. Pursuant to these Consent Orders, FIA and BANA paid, in April 2014, \$45 million in civil monetary penalties and subsequently provided approximately \$738 million in refunds to affected consumers. In addition, BANA agreed to certain enhancements in its vendor, third party provider and risk management programs for certain products.

On May 29, 2015, BANA entered into a Consent Order with the OCC to resolve its investigation relating to BANA's enterprise-wide compliance risk management program, compliance with the Servicemembers Civil Relief Act, and activities in connection with sworn document and collections litigation practices. Pursuant to this Consent Order, BANA paid \$30 million in civil monetary penalties and provided remediation to approximately 73,000 affected customer accounts.

### ***Legal Proceedings Involving The Bank of New York Mellon***

In the ordinary course of business, The Bank of New York Mellon is named as a defendant in or made a party to pending and potential legal actions. In connection with its role as trustee of certain residential mortgage-backed securitization ("RMBS") transactions, The Bank of New York Mellon was named as a defendant in a lawsuit brought by a group of institutional investors. This lawsuit alleges that the trustee had expansive duties under the governing agreements, including the duty to investigate and pursue breach of representation and warranty claims against other parties to the RMBS transactions. While it is inherently difficult to predict the eventual outcomes of pending actions, The Bank of New York Mellon denies liability and intends to defend the litigation vigorously.

The Bank of New York Mellon has provided us with the information in the paragraph above in response to the requirements of Regulation AB. Other than the above paragraph and the information concerning The Bank of New York Mellon specified in this Form 10-K under the caption *Item 1122 of Regulation AB: Compliance with Applicable Servicing Criteria* and in Exhibit 33.2 to this Form 10-K, The Bank of New York Mellon has not participated in the preparation of, and is not responsible for, any other information contained in this Form 10-K.

### Substitute information provided in accordance with General Instruction J to Form 10-K:

#### Item 1119 of Regulation AB: Affiliations and Certain Relationships and Related Transactions

Information required by Item 1119 of Regulation AB has been omitted from this report on Form 10-K in reliance on the Instruction to Item 1119.

#### Item 1122 of Regulation AB: Compliance with Applicable Servicing Criteria.

(a) *Item 1122 Reports:* Each of BANA, with respect to itself and its affiliated servicing participants, and The Bank of New York Mellon (each, a "Servicing Participant") has been identified by the registrant as a party participating in the servicing function with respect to the pool assets held by each of BA Master Credit Card Trust II and BA Credit Card Trust. Each Servicing Participant has completed a report on assessment of compliance with the servicing criteria applicable to such Servicing Participant (each, a "Report on Assessment"), which Reports on Assessment are attached as exhibits to this Form 10-K. In addition, each of the Servicing Participants has provided an attestation report (each, an "Attestation Report") by a registered independent public accounting firm regarding its related Report on Assessment. Each Attestation Report is attached as an exhibit to this Form 10-K. We have not independently verified the accuracy of The Bank of New York Mellon's assertions or the related attestations of its registered independent public accounting firm.

A Servicing Participant may engage one or more vendors to perform specific and limited activities that address all or a portion of one or more servicing criteria applicable to such Servicing Participant. Each Servicing Participant indicates that it has instituted policies and procedures to monitor whether its vendors' activities comply in all material respects with such servicing criteria, and has elected to take responsibility for assessing compliance with the servicing criteria applicable to its vendors' activities in such Servicing Participant's Report on Assessment.

No Report on Assessment or related Attestation Report has identified (i) any material instance of noncompliance with the servicing criteria identified in such Report on Assessment as applicable to the related Servicing Participant or (ii) any material deficiency in such Servicing Participant's policies and procedures to monitor vendor compliance.

***Platform-Level Reports:***

Regulations of the SEC require that each servicing participant complete a report on assessment at a "platform" level, meaning that the transactions covered by the report on assessment should include all asset-backed securities transactions involving such servicing participant that are backed by the same asset type. Subsequent guidance from the SEC staff identifies additional parameters that a servicing participant may apply to define and further limit its platform. For example, a servicing participant may define its platform to include only transactions that were completed on or after January 1, 2006 (the effective date for Regulation AB) and that were registered with the SEC pursuant to the Securities Act of 1933. Each servicing participant is responsible for defining its own platform, and each platform will naturally differ based on various factors, including the servicing participant's business model, the transactions in which it is involved and the range of activities performed in those transactions.

**(b) Other Reports:** BANA has completed an assertion letter which states that, as of December 31, 2015, its controls over the functions performed as servicer of BA Master Credit Card Trust II and BA Credit Card Trust are effective in providing reasonable assurance that BA Master Credit Card Trust II and BA Credit Card Trust assets in the possession of or under the control of BANA, as servicer, are safeguarded against loss from unauthorized use or disposition, as specified in the applicable agreements. PricewaterhouseCoopers LLP has produced an accountants report attesting to the fairness of such assertion as of December 31, 2015. Such assertion letter and related accountants report is attached as Exhibit 99.1 to this Form 10-K.

**Item 1123 of Regulation AB: Servicer Compliance Statement.**

BANA has been identified by the registrant as a servicer with respect to the pool assets held by each of BA Master Credit Card Trust II and BA Credit Card Trust. BANA has provided a statement of compliance with the related servicing agreement (the "Compliance Statement"), signed by an authorized officer of BANA. The Compliance Statement is attached as an exhibit to this Form 10-K.

ASSERTION OF COMPLIANCE WITH  
APPLICABLE SERVICING CRITERIA

The Bank of New York Mellon (formerly The Bank of New York), BNY Mellon Trust of Delaware (formerly BNYM (Delaware)) and The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust Company, N.A.), (collectively, the "Company") provide this platform-level assessment of compliance with the servicing criteria specified in Item 1122(d) of Regulation AB promulgated by the Securities and Exchange Commission. Management has determined that the servicing criteria are applicable in regard to the servicing platform as of and for the period as follows:

Platform: Publicly-issued (i.e., transaction-level reporting initially required under the Securities Exchange Act of 1934, as amended) asset-backed securities issued on or after January 1, 2006 and like-kind transactions issued prior to January 1, 2006 that are subject to Regulation AB for which the Company provides trustee, securities administration, paying agent or custodial services, as defined and to the extent applicable in the transaction agreements, other than residential mortgage-backed securities and other mortgage-related asset-backed securities (the "Platform").

Period: As of and for the twelve months ended December 31, 2015 (the "Period").

Applicable Servicing Criteria: All servicing criteria set forth in Item 1122(d), to the extent required by the related transaction agreements as to any transaction, except as set forth in the column titled "Not Applicable To Platform" in Appendix 1 attached hereto.

With respect to servicing criterion 1122(d)(2)(vi) management has engaged a vendor to perform the activities required by the servicing criterion. Management has determined that this vendor is not considered a "servicer" as defined in Item 1101(j) of Regulation AB, and management has elected to take responsibility for assessing compliance with the servicing criterion applicable to this vendor as permitted by the SEC's *Compliance and Disclosure Interpretation ("C&DI") 200.06, Vendors Engaged by Servicers* (C&DI 200.06) (formerly SEC Manual Telephone Interpretation 17.06). Management has policies and procedures in place designed to provide reasonable assurance that the vendor's activities comply in all material respects with the servicing criterion applicable to the vendor. Management is solely responsible for determining that it meets the SEC requirements to apply C&DI 200.06 for the vendor and related criterion.

With respect to the Platform as of and for the Period, the Company provides the following assessment of compliance in respect of the Applicable Servicing Criteria:

1. The Company is responsible for assessing its compliance with the Applicable Servicing Criteria.
2. The Company has assessed compliance with the Applicable Servicing Criteria including the servicing criterion for which compliance is determined based on C&DI 200.06 as described above. In performing this assessment, management used the criteria set forth by the Securities and Exchange Commission in paragraph (d) of Item 1122 of Regulation AB.
3. With respect to Applicable Servicing Criteria 1122(d)(2)(iii) and 1122(d)(4)(vii), there were no activities performed during the Period with respect to the Platform, because there were no occurrences of events that would require the Company to perform such activities.
4. Based on such assessment, as of and for the Period, the Company has complied, in all material respects, with the Applicable Servicing Criteria.

KPMG LLP, an independent registered public accounting firm, has issued an attestation report with respect to Management's Assertion of Compliance with the Applicable Servicing Criteria as of and for the Period.

To Bank of America, National Association

We have examined management's assertion, included in the accompanying *Certification Regarding Compliance with Applicable Servicing Criteria* (the "Compliance Statement"), that Bank of America, National Association (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for the asset-backed securities transactions backed by credit card receivables issued by the BA Credit Card Trust on or before December 31, 2015, for which transactions the Company acted as servicer, that were registered with the Securities and Exchange Commission pursuant to the Securities Act of 1933, where the related asset-backed securities were outstanding during the periods (the "Reporting Periods") noted in Appendix A to the Compliance Statement (the "Platform"), as of December 31, 2015 and for the Reporting Periods, excluding the criteria noted in Appendix A to the Compliance Statement, which the Company has determined are not applicable to the servicing activities performed by it with respect to the Platform. Appendix B to the Compliance Statement identifies the individual asset-backed transactions and securities defined by management as constituting the Platform. Management is responsible for the Company's compliance with the servicing criteria. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria and performing such other procedures as we considered necessary in the circumstances. Our examination included testing of selected asset-backed transactions and securities that comprise the Platform, testing of selected servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the applicable servicing criteria. Our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to detect noncompliance arising from errors that may have occurred prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

In our opinion, management's assertion that Bank of America, National Association complied with the aforementioned applicable servicing criteria as of December 31, 2015 and for the Reporting Periods for the Platform is fairly stated, in all material respects.

With respect to applicable servicing criteria 1122(d)(2)(iii) and 1122(d)(4)(vii), the Company has determined that there were no activities performed during the twelve months ended December 31, 2015 with respect to the Platform, because there were no occurrences of events that would require the Company to perform such activities. Management is responsible for the Company's compliance with the servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance based on our examination.

Our examination was conducted in accordance with the attestation standards of the Public Company Accounting Oversight Board (United States) and the attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the servicing criteria specified above and performing such other procedures as we considered necessary in the circumstances. Our examination included testing selected asset-backed transactions and securities that comprise the Platform, testing selected servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the servicing criteria. Furthermore, our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to determine whether errors may have occurred either prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

---

As described in the accompanying Company's Assertion of Compliance with Applicable Servicing Criteria, for servicing criterion 1122(d)(2)(vi), the Company has engaged a vendor to perform the activities required by this servicing criterion. The Company has determined that this vendor is not considered a "servicer" as defined in Item 1101(j) of Regulation AB, and the Company has elected to take responsibility for assessing compliance with the servicing criterion applicable to this vendor as permitted by the SEC's *Compliance and Disclosure Interpretation ("C&DI") 200.06, Vendors Engaged by Servicers* (C&DI 200.06) (formerly SEC Manual Telephone Interpretation 17.06). As permitted by C&DI 200.06, the Company has asserted that it has policies and procedures in place designed to provide reasonable assurance that the vendor's activities comply in all material respects with the servicing criterion applicable to the vendor. The Company is solely responsible for determining that it meets the SEC requirements to apply C&DI 200.06 for the vendor and related criterion as described in its Assertion of Compliance with Applicable Servicing Criteria, and we performed no procedures with respect to the Company's eligibility to apply C&DI 200.06.

In our opinion, management's assertion that the Company complied with the aforementioned servicing criteria, including servicing criterion 1122(d)(2)(vi) for which compliance is determined based on C&DI 200.06 as described above, as of and for the twelve months ended December 31, 2015 is fairly stated, in all material respects.

**Report of Independent Registered Public Accounting Firm**

To Bank of America, National Association:

We have examined management's assertion, included in the accompanying "Report of Management on BA Master Credit Card Trust II and BA Credit Card Trust Internal Control" (the "Report"), that Bank of America, National Association (the "Company"), a wholly owned subsidiary of Bank of America Corporation, maintained effective internal control over the functions performed as servicer of the BA Master Credit Card Trust II (the "Master Trust") and the BA Credit Card Trust (the "Note Trust", together with the Master Trust, the "Trusts"), including each series of the Master Trust and each tranche of the Note Trust as specified in the Report, as of December 31, 2015 to provide reasonable assurance that Trusts' assets in the possession of or under the control of the servicer are safeguarded against loss from unauthorized use or disposition as specified in the Fourth Amended and Restated Pooling and Servicing Agreement for the Master Trust dated December 17, 2015 (the "PSA") between the Company, BA Credit Card Funding, LLC and The Bank of New York Mellon (the "Trustee"), the Fifth Amended and Restated Series 2001-D Supplement to Fourth Amended and Restated Pooling and Servicing Agreement for the Master Trust for each series as specified in the Report (the "Series Supplement") between the Company, BA Credit Card Funding, LLC and the Trustee, the Fourth Amended and Restated Indenture for the Note Trust dated December 17, 2015 (the "Indenture") and the Third Amended and Restated BAseries Indenture Supplement dated December 17, 2015 (the "Indenture Supplement"), both between the Note Trust and the Trustee (the PSA, Series Supplements, Indenture and Indenture Supplement, together the "Agreements"). Management is responsible for maintaining effective internal control over the functions performed as servicer of the Trusts. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included obtaining an understanding of internal control over the functions performed by the Company as servicer of the Trusts, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

Because of inherent limitations in any internal control, misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal control over the functions performed by the Company as servicer of the Trusts to future periods are subject to the risk that the internal control may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assertion that Bank of America, National Association maintained effective internal control over the functions performed as servicer of the Trusts to provide reasonable assurance that Trusts' assets in the possession of or under the control of the servicer are safeguarded against loss from unauthorized use or disposition as of December 31, 2015 as specified within the Agreements is fairly stated, in all material respects, based on the following criteria specified in the Report:

- Funds collected are remitted to the Trustee in accordance with the Agreements.
- The Trusts' assets are segregated from those retained by the Company in accordance with the Agreements.
- Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.

**Report of Management on BA Master Credit Card Trust II and BA Credit Card Trust Internal Control**

Bank of America, National Association (“BANA” or the “Company”), a wholly owned subsidiary of Bank of America Corporation, is responsible for establishing and maintaining effective internal control over the functions performed as the servicer of the BA Master Credit Card Trust II and the BA Credit Card Trust (the “Trusts” or individually, the “Trust”). These internal controls are designed to provide reasonable assurance to the Company’s management and board of directors that Trusts’ assets in the possession of or under the control of the servicer are safeguarded against loss from unauthorized use or disposition, as specified in the applicable Pooling and Servicing Agreement, Series Supplements, Indenture and BAseries Indenture Supplement (together the “Agreements”) as specified in Appendix I, between BANA as Seller and Servicer, in the case of the Pooling and Servicing Agreement and the Series Supplements, or BA Credit Card Trust, in the case of the Indenture and the BAseries Indenture Supplement, and the applicable Trustee (specific Agreements and Trustees are listed in Appendix I).

Because of inherent limitations in any internal control, no matter how well-designed, misstatements due to error or fraud may occur and not be detected, including the possibility of the circumvention or overriding of internal control. Accordingly, even effective internal control can provide only reasonable assurance with respect to the achievement of any objectives of internal control. Further, because of changes in conditions, the effectiveness of internal control may vary over time.

The Company has determined that the objectives of controls with respect to servicing and reporting of the Trusts’ assets are to provide reasonable, but not absolute assurance that:

- Funds collected are remitted to the Trustee in accordance with the Agreements.
  - The Trusts’ assets are segregated from those retained by BANA in accordance with the Agreements.
  - Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
  - The additions of accounts to the Trusts are authorized in accordance with the Agreements.
  - The removals of accounts from the Trusts are authorized in accordance with the Agreements.
-

**Trust Internal Control**(continued)

- The Trusts' assets amortizing out of the Trusts are calculated in accordance with the Agreements.
- Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- Monthly Trust reports generated in the form of "Exhibits" contain all information required by the Agreements.

The Company assessed its internal control over the functions performed as servicer of the Trusts in relation to these criteria. Based upon this assessment, the Company believes that, as of December 31, 2015, its internal controls over the functions performed as servicer of the Trusts are effective in providing reasonable assurance that Trusts' assets in the possession of or under the control of the servicer are safeguarded against loss from unauthorized use or disposition, as specified in the Agreements.
