INTRODUCTORY NOTE

FIA Card Services, National Association ("FIA") is the originator, seller, and servicer under the Second Amended and Restated Pooling and Servicing Agreement, dated as of October 20, 2006 (as amended, supplemented or otherwise modified from time to time, the "Agreement"), and the Series 1997-B, Series 2000-H, and Series 2001-B Supplements dated as of February 27, 1997, August 23, 2000, and March 8, 2001 (in each case, as amended, supplemented or otherwise modified from time to time), respectively, by and between FIA and the trustee, providing for the issuance of the BA Master Credit Card Trust II Series 1997-B, Series 2000-H, and Series 2001-B Floating Rate Asset Backed Certificates (the "Certificates") and is the originator of the BA Master Credit Card Trust II (the "Trust" and the "Registrant"). The Certificates do not represent obligations of or interests in FIA. In November 1988, FIA (formerly known as MBNA America Bank, National Association) made application under the Securities Exchange Act of 1934 for an exemption from certain reporting requirements. On December 30, 1988, the staff of the Securities and Exchange Commission's Division of Corporation Finance granted FIA's exemption request, pursuant to which FIA is not required to respond to various items of Form 10-K. Such items are designated herein as "Not Applicable".

Industry Developments

FIA issues credit cards on MasterCard's and Visa's networks. MasterCard and Visa are facing significant litigation and increased competition. In 2003, MasterCard and Visa settled a suit by Wal-Mart and other merchants who claimed that MasterCard and Visa unlawfully tied acceptance of debit cards to acceptance of credit cards. Under the settlement MasterCard and Visa are required to, among other things, allow merchants to accept MasterCard or Visa branded credit cards without accepting their debit cards (and vice versa), reduce the prices charged to merchants for off-line signature debit transactions for a period of time, and pay amounts totaling \$3.05 billion into a settlement fund. MasterCard and Visa are also parties to suits in various state courts mirroring the allegations brought by Wal-Mart and the other merchants.

The costs associated with these and other matters could cause MasterCard and Visa to invest less in their networks and marketing efforts and could adversely affect the interchange paid to their member banks, including FIA.

Litigation

Bank of America Corporation and certain of its subsidiaries are defendants in putative class actions filed on behalf of retail merchants that accept Visa and MasterCard payment cards. Additional defendants include Visa, MasterCard, and other financial institutions. Plaintiffs, which seek unspecified treble damages and injunctive relief, allege that the defendants conspired to fix the level of interchange and merchant discount fees and that certain other practices, including various Visa and MasterCard rules, violate federal and California antitrust laws. The class actions, the first of which was filed on June 22, 2005, are coordinated for pre-trial proceedings in the U.S. District Court for the Eastern District of New York, together with individual actions brought only against Visa and MasterCard, under the caption *In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation*. On January 8, 2008, the District Court dismissed all claims for pre-2004 damages. On May 8, 2008, plaintiffs filed a motion for class certification, which the defendants opposed. On January 29, 2009, the class plaintiffs filed a second amended consolidated complaint.

The class plaintiffs have also filed two supplemental complaints against certain defendants, including Bank of America Corporation and certain of its subsidiaries, relating to MasterCard's 2006 initial public offering (the MasterCard IPO) and Visa's 2008 initial public offering (the Visa IPO). The supplemental complaints, which seek unspecified treble damages and injunctive relief, assert, among other things, claims under federal antitrust laws. On November 25, 2008, the District Court granted defendants' motion to dismiss the supplemental complaint relating to the MasterCard IPO, with leave to amend. On January 29, 2009, plaintiffs amended the MasterCard IPO supplemental complaint and also filed a supplemental complaint relating to the Visa IPO.

Defendants have filed motions to dismiss the second amended consolidated complaint and the MasterCard IPO and Visa IPO supplemental complaints.

Bank of America Corporation and certain of its subsidiaries have entered into agreements with Visa and other financial institutions that provide for sharing liabilities in connection with certain antitrust litigation against Visa, including

In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation (the Visa-Related Litigation). Under these agreements, Bank of America Corporation's obligations to Visa in the Visa-Related Litigation are capped at Bank of America Corporation's membership interest in Visa USA, which currently is 12.9%. Under these agreements, Visa Inc. placed a portion of the proceeds from the Visa IPO into an escrow to fund liabilities arising from the Visa-Related Litigation, including the 2008 settlement of *Discover Financial Services v. Visa USA, et al.* and the 2007 settlement of *American Express Travel Related Services Company v. Visa USA, et al.* Since the Visa IPO, Visa Inc. has added funds to the escrow, which has the effect of repurchasing Visa Inc. Class A common stock equivalents from the Visa USA members, including Bank of America Corporation.

Report of Independent Registered Public Accounting Firm

To FIA Card Services, National Association:

We have examined management's assertion, included in the accompanying report by management, titled "Report of Management on BA Master Credit Card Trust II and BA Credit Card Trust Internal Control" (the "Report"), that FIA Card Services, National Association (the "Company"), a wholly owned subsidiary of Bank of America Corporation, maintained effective internal control over the functions performed as servicer of the BA Master Credit Card Trust II (the "Master Trust") and the BA Credit Card Trust (the "Note Trust", together with the Master Trust, the "Trusts"), including each series of the Master Trust and each tranche of the Note Trust as specified in the Report, as of June 30, 2010 to provide reasonable assurance that the Trusts' assets are safeguarded against loss from unauthorized use or disposition and that the servicing of the Trusts' assets is conducted and recorded in conformity with the Second Amended and Restated Pooling and Servicing Agreement for the Master Trust dated October 20, 2006 (the "PSA") between the Company, BA Credit Card Funding, LLC and The Bank of New York Mellon (the "Trustee"), the Series Supplement to Second Amended and Restated Pooling and Servicing Agreement for the Master Trust for each series as specified in the Report (the "Series Supplements") between the Company, BA Credit Card Funding, LLC and the Trustee, the Second Amended and Restated Indenture for the Note Trust dated October 20, 2006 (the "Indenture") and the Amended and Restated BA Series Indenture Supplement dated June 10, 2006 (the "Indenture Supplement"), both between the Note Trust and the Trustee (the PSA, Series Supplements, Indenture and Indenture Supplement, together the "Agreements") to permit the preparation of the required financial reports. The Company's management is responsible for maintaining effective internal control over the functions performed as servicer of the Trusts. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included obtaining an understanding of internal control over the functions performed by the Company as servicer of the Trusts, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

Because of inherent limitations in any internal control, misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal control over the functions performed by the Company as servicer of the Trusts to future periods are subject to the risk that the internal control may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assertion that the Company maintained effective internal control over the functions performed as servicer of the Trusts as of June 30, 2010 to provide reasonable assurance that the Trusts' assets are safeguarded against loss from unauthorized use or disposition and that the servicing of the Trusts' assets is conducted and recorded in conformity with the Agreements to permit

the preparation of the required financial reports is fairly stated, in all material respects, based on the following criteria specified in the Report:

- Funds collected are remitted to the Trustee in accordance with the Agreements.
- The Trusts' assets are segregated from those retained by the Company in accordance with the Agreements.
- Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
- The additions of accounts to the Trusts are authorized in accordance with the Agreements.
- The removals of accounts from the Trusts are authorized in accordance with the Agreements.
- The Trusts' assets amortizing out of the Trusts are calculated in accordance with the Agreements.
- Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- Monthly Trust reports generated in the form of "Exhibits" contain all information required by the Agreements.

Report of Management on BA Master Credit Card Trust II and BA Credit Card Trust Internal Control

FIA Card Services, National Association (“FIA” or the “Company”), a wholly owned subsidiary of Bank of America Corporation, is responsible for establishing and maintaining effective internal control over the functions performed as the servicer of the BA Master Credit Card Trust II and the BA Credit Card Trust (the “Trusts” or individually, the “Trust”). These internal controls are designed to provide reasonable assurance to the Company’s management and board of directors that the Trusts’ assets are safeguarded against loss from unauthorized use or disposition, and that the servicing of the Trusts’ assets was conducted and recorded in conformity with the applicable Pooling and Servicing Agreement, Series Supplements, Indenture and BAseries Indenture Supplement (together the “Agreements”) as specified in Appendix I, between FIA as Seller and Servicer, in the case of the Pooling and Servicing Agreement and the Series Supplements, or BA Credit Card Trust, in the case of the Indenture and the BAseries Indenture Supplement, and the applicable Trustee (specific Agreements and Trustees are listed in Appendix I) to permit the preparation of the required financial reports.

Because of inherent limitations in any internal control, no matter how well-designed, misstatements due to error or fraud may occur and not be detected, including the possibility of the circumvention or overriding of internal control. Accordingly, even effective internal control can provide only reasonable assurance with respect to the achievement of any objectives of internal control. Further, because of changes in conditions, the effectiveness of internal control may vary over time.

The Company has determined that the objectives of controls with respect to servicing and reporting of the Trusts’ assets are to provide reasonable, but not absolute assurance that:

- Funds collected are remitted to the Trustee in accordance with the Agreements.
 - The Trusts’ assets are segregated from those retained by FIA in accordance with the Agreements.
 - Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
 - The additions of accounts to the Trusts are authorized in accordance with the Agreements.
 - The removals of accounts from the Trusts are authorized in accordance with the Agreements.
-

Trust Internal Control (continued)

- The Trusts' assets amortizing out of the Trusts are calculated in accordance with the Agreements.
- Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- Monthly Trust reports generated in the form of "Exhibits" contain all information required by the Agreements.

The Company assessed its internal control over the functions performed as servicer of the Trusts in relation to these criteria. Based upon this assessment, the Company believes that, as of June 30, 2010, its internal control over the functions performed as servicer of the Trusts are effective in providing reasonable assurance that the Trusts' assets are safeguarded against loss from unauthorized use or disposition, and that the servicing of the Trusts' assets was conducted and recorded in conformity with the Agreements to permit the preparation of the required financial reports.
