MERRILL LYNCH & CO., INC.  
MEDIUM-TERM NOTE, SERIES C  
95% Protected Declining Rate Notes Linked to the 10-Year Constant Maturity Treasury Rate  
due October 26, 2009  
(the "Notes")

MERRILL LYNCH & CO., INC., a Delaware corporation (hereinafter referred to as the "Company," which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to CEDE & CO., or registered assigns, the Redemption Amount (as defined below) per Unit on October 26, 2009 (the "Stated Maturity Date") in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts.

**Payment on the Stated Maturity Date**

On the Stated Maturity Date, a Holder shall receive a cash amount equal to, with respect to each Unit of Notes, the Redemption Amount per Unit.

The "Redemption Amount" per Unit shall be determined by the Calculation Agent and shall equal the following:

- (i) If the Ending Rate (as defined below) is less than the Starting Rate (as defined below):

$$\$1,000 + [40 \times (\text{Starting Rate} - \text{Ending Rate}) \times \$1,000]$$

provided, however, that the Redemption Amount per Unit will not exceed \$1,220 per Unit (the "Capped Value"); or

(ii) If the Ending Rate is greater than or equal to the Starting Rate:

$$\$1,000 + [8 \times (\text{Starting Rate} - \text{Ending Rate}) \times \$1,000]$$

provided, however, the Redemption Amount per Unit will not be less than \$950 per Unit.

The “Starting Rate” equals 3.82%.

The “Ending Rate” shall equal the 10-Year Constant Maturity Treasury Rate (the “CMT10 Rate”) published on the Federal Reserve H15 publication at approximately 5:00 p.m., New York City time, available on Bloomberg data services (“Bloomberg”) page H15T10Y, or any successor service or page displaying such rate, on the Valuation Date (as defined below). If the CMT10 Rate cannot be determined by reference to Bloomberg page H15T10Y at approximately 5:00 p.m., New York City time, such rate shall be determined by reference to Reuters page FRBCMT. If the CMT10 Rate cannot be determined by reference to Reuters page FRBCMT, such rate shall be determined in accordance with the procedures set forth in the Company’s MTN prospectus supplement, dated March 31, 2006 and filed on April 3, 2006, relating to the determination of the CMT Rate in the event of the unavailability of CMT Moneyline Telerate Page 7051.

The “Valuation Date” will be the fifth scheduled Business Day (as defined below) before the Stated Maturity Date, provided that, if the fifth scheduled Business Day is not a Business Day, then the Ending Rate will equal the CMT10 Rate on the next scheduled Business Day. If the second scheduled Business Day preceding the Stated Maturity Date is not a Business Day, then the CMT10 Rate shall be determined by the Calculation Agent (or, if not determinable, estimated by the Calculation Agent (as defined below)) in a manner which is considered commercially reasonable under the circumstances.

“Business Day” means any day other than a Saturday or Sunday that is neither a legal holiday nor a day on which banking institutions in The City of New York are authorized or required by law, regulation or executive order to close.

As used herein, the “Calculation Agent” is Merrill Lynch Capital Services, Inc. All determinations made by the Calculation Agent, absent a determination of manifest error, shall be conclusive for all purposes and binding on the Company and the Holders and beneficial owners of this Note.

Payment of the Redemption Amount due on the Stated Maturity Date will be made in immediately available funds upon presentation and surrender of this Note at the office or agency maintained by the Company for that purpose in the Borough of Manhattan, The City of New York.

If the Stated Maturity Date of this Note falls on a day that is not a Business Day, the required payment of the Redemption Amount shall be made on the next succeeding Business Day and no interest shall accrue as a result of such delayed payment with respect to the payment for the period from and after the Stated Maturity Date to the date of such payment on the next succeeding Business Day.

#### **General**

All percentages resulting from any calculation on the Notes shall be rounded to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage

point rounded upwards. For example, 9.876545% (or .09876545) would be rounded to 9.87655% (or .0987655). All dollar amounts used in or resulting from any calculation shall be rounded to the nearest cent with one-half cent being rounded upward.

Unless the Certificate of Authentication hereon has been executed by the Trustee by manual signature, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Note is one of a duly authorized issue of Securities (hereinafter called the "Securities") of the Company designated as its Medium-Term Notes, Series C. The Securities are issued and to be issued under an indenture (the "Indenture") dated as of April 1, 1983, as amended and restated, between the Company and The Bank of New York Mellon (herein called the "Trustee", which term includes any successor Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes and the terms upon which the Notes are to be authenticated and delivered.

The Notes are issuable only in registered form without coupons in denominations of \$1,000 and integral multiples thereof. As provided in the Indenture and subject to certain limitations therein set forth, the Notes are exchangeable for a like aggregate principal amount of Notes as requested by the Holder surrendering the same. If (x) the Depository is at any time unwilling or unable to continue as depository and a successor depository is not appointed by the Company within 60 days, (y) the Company executes and delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable or (z) an Event of Default has occurred and is continuing with respect to the Notes, this Note shall be exchangeable for Notes in definitive form of like tenor and of an equal aggregate principal amount, in authorized denominations. Such definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee. If definitive Notes are so delivered, the Company may make such changes to the form of this Note as are necessary or appropriate to allow for the issuance of such definitive Notes.

This Note is not subject to any sinking fund.

In case an Event of Default with respect to any Notes has occurred and is continuing, the amount payable to a Holder of a Note upon any acceleration permitted by the Notes, with respect to each Unit of Notes, will be equal to the Redemption Amount per Unit, calculated as though the date of acceleration were the Stated Maturity Date.

In case of default in payment of this Global Note, whether on the Stated Maturity Date or upon acceleration, from and after such date this Global Note shall bear interest, payable upon demand of the Holders thereof, at the then current Federal Funds Rate (as defined below), reset daily, to the extent that such payment of interest shall be legally enforceable, on the unpaid amount due and payable on such date in accordance with the terms of this Global Note to the date payment of such amount has been made or duly provided for.

"Federal Funds Rate" means:

- (1) the rate with respect to a particular interest determination date displayed on Reuters or any successor service on page FEDFUNDS1 under the heading "EFFECT" or any other

---

page as may replace page FEDFUNDS1 on that service (“Reuters Page FEDFUNDS1”), or

- (2) if the rate referred to in clause (1) does not appear on Reuters Page FEDFUNDS1 or is not published by 3:00 P.M., New York City time, on the related calculation date, the rate with respect to a particular interest determination date for United States dollar federal funds as published in H.15 Daily Update, or other recognized electronic source used for the purpose of displaying the applicable rate, under the caption “Federal Funds (Effective)”, or
- (3) if the rate referred to in clause (2) is not published by 3:00 P.M., New York City time, on the related calculation date, the rate with respect to a particular interest determination date calculated by the Calculation Agent as the arithmetic mean of the rates for the last transaction in overnight United States dollar federal funds arranged by three leading brokers of United States dollar federal funds transactions in The City of New York, which may include the agent or its affiliates, selected by the Calculation Agent prior to 9:00 A.M., New York City time, on the Business Day following that interest determination date, or
- (4) if the brokers selected by the Calculation Agent are not quoting as mentioned in clause (3), the Federal Funds Rate for the Business Day preceding the particular interest determination date.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of 66 <sup>2</sup>/<sub>3</sub>% in aggregate original public offering price or principal amount, as the case may be, of the Securities at any time Outstanding of each series affected thereby. Holders of specified percentages in aggregate original public offering price or principal amount, as the case may be, of the Securities of each series at the time Outstanding, on behalf of the Holders of all the Securities of each series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the Redemption Amount per Unit and interest on this Note at the time, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations set forth therein and herein, the transfer of this Note may be registered on the Security Register of the Company, upon surrender of this Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon one or more new Notes of

---

authorized denominations and for the same aggregate principal amount, shall be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company and each Holder or beneficial owner by acceptance hereof hereby agree to treat this Note for all tax purposes as a debt instrument that is subject to U.S. Treasury Regulation section 1.1275-4(b) governing contingent payment debt instruments, and, where required, the Company shall file information returns with the Internal Revenue Service in accordance with this treatment, in the absence of any change or clarification in the law, by regulation or otherwise, requiring a different characterization of the Notes.

The Indenture and the Notes shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Note which are defined in the Indenture but not in this Note shall have the meanings assigned to them in the Indenture.

---

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed, manually or in facsimile, and an imprint or facsimile of its corporate seal to be imprinted hereon.

Merrill Lynch & Co., Inc.  
 4 World Financial Center  
 New York, New York 10080

Ladies and Gentlemen:

As your counsel, we have examined a copy of the Restated Certificate of Incorporation, as amended, of Merrill Lynch & Co., Inc. (the "Company"), certified by the Secretary of State of the State of Delaware. We are familiar with the corporate proceedings had in connection with the proposed issuance and sale by the Company to Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S"), pursuant to a Distribution Agreement dated March 31, 2006 (the "Distribution Agreement") between the Company and MLPF&S, of the Company's 95% Principal Protected Declining Rate Notes Linked to the 10-Year Constant Maturity Treasury Rate due October 26, 2009 (the "Notes") in an amount equal to \$8,854,000 aggregate principal amount of the Notes. We have also examined a copy of the Indenture between the Company and The Bank of New York Mellon as successor Trustee, dated as of April 1, 1983, as amended (the "Indenture"), and the Company's Registration Statement on Form S-3 (File No. 333-132911) relating to the Notes (the "Registration Statement").

---

Based upon the foregoing and upon such further investigation as we deemed relevant in the premises, we are of the opinion that:

1. The Company has been duly incorporated under the laws of the State of Delaware.

2. The Notes have been duly and validly authorized by the Company and, when the Notes have been duly executed and authenticated in accordance with the terms of the Indenture and delivered against payment therefor as set forth in the Distribution Agreement, the Notes will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent that enforcement thereof may be limited by bankruptcy, moratorium, insolvency, reorganization or similar laws relating to or affecting creditors' rights generally and except as enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

We consent to the filing of this opinion as an exhibit to the Registration Statement and as an exhibit to the Current Report of the Company on Form 8-K dated August 26, 2008.

Very truly yours,

/s/ SIDLEY AUSTIN LLP
