“Subsidiary” of a subject person means any person of which at least a majority of the outstanding Voting Stock shall at the time directly or indirectly be owned or controlled by the Company or by one or more Subsidiaries or by the Company and one or more Subsidiaries.

Notwithstanding the foregoing the Company shall be deemed, for purposes of this Section 4.02, to have furnished or delivered reports to the Trustee if (i) such reports are filed with the SEC via the EDGAR filing system, (ii) such reports are currently available on the SEC’s website, and (iii) the Company electronically delivers to the Trustee a link to the EDGAR filing each time the Company files such a report. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer’s Certificates).”

(c) Article 5 is hereby amended as follows:

(i) Section 5.01 is hereby amended and restated in its entirety to read as follows:

(b) immediately after giving effect to such transaction no Default or Event of Default shall have occurred and be continuing; and

(c) the Company shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer, sale, lease or other disposal and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with this Article 5 and that all conditions precedent herein provided relating to such transaction have been satisfied.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise) of the properties and assets of one or more Subsidiaries (other than to the Company, the Guarantor or another Subsidiary), which, if such assets were owned by the Company or the Guarantor, as applicable, would constitute all or substantially all of the properties and assets of the Company, the Guarantor and their Subsidiaries, taken as a whole, shall be deemed to be the transfer of all or substantially all of the properties and assets of Company or the Guarantor, as applicable.

The successor person formed by such consolidation or into which the Company or the Guarantor, as applicable, is merged or the successor person to which such conveyance, transfer, sale, lease or other disposition is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company or the Guarantor, as applicable, under this Indenture with the same effect as if such successor had been named as the Company or the Guarantor, as applicable herein; and thereafter, except in the case of a lease and obligations the Company or the Guarantor, as applicable, may have under a supplemental indenture, the Company or the Guarantor, as applicable shall be discharged from all obligations and covenants under this Indenture and the Securities. Subject to Section 9.06, the Company, the Guarantor, the Trustee and the successor person shall enter into a supplemental indenture to evidence the succession and substitution of such successor person and such discharge and release of the Company and/or the Guarantor, as applicable.”

(d) Article 6 is hereby amended as follows:
