Item 5. Other Events

Filed herewith is the Preliminary Unaudited Earnings Summary, as contained in a press release dated April 18, 1994, for Merrill Lynch & Co., Inc. ("ML & Co.") for the three month period ended April 1, 1994, which will be superseded by ML & Co.'s Report on Form 10-Q for the quarter ended April 1, 1994. The results of operations set forth herein for the three month period ended April 1, 1994 are unaudited. All adjustments that are in the opinion of management necessary for a fair presentation of the results of operations for the period presented have been included. These adjustments consist of normal recurring accruals. The nature of ML & Co.'s business is such that the results for any interim period are not necessarily indicative of the results for a full year. As previously reported, ML & Co. adopted effective as of the first quarter of 1993, Statement of Financial Accounting Standards No. 112 (Employers' Accounting for Postemployment Benefits) and restated first quarter 1993 financial statements to reflect the \$35.4 million cumulative effect adjustment, net of applicable income taxes. In addition, the results for the first quarter of 1993 include a non-recurring charge of \$103 million related to ML & Co.'s decision not to occupy certain space at its World Financial Center headquarters facility.
