MERRILL LYNCH & CO., INC.
MEDIUM-TERM NOTE, SERIES C
Inflation-Linked Notes Linked to the Performance of the
Consumer Price Index due April 5, 2006
(the "Notes")

MERRILL LYNCH & CO., INC., a Delaware corporation (hereinafter referred to as the "Company," which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to CEDE & CO., or registered assigns, the principal sum of ONE HUNDRED MILLION DOLLARS (\$100,000,000) on April 5, 2006 (the "Stated Maturity Date"), and to pay interest on the principal amount hereof, at a rate per annum determined in accordance with the provisions hereof, until the principal hereof is paid or duly made available for payment in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts.

The Company will pay interest in arrears on each Interest Payment Date (as defined below) commencing with the first Interest Payment Date next succeeding March 15, 2005, the ("Original Issue Date"), and on the Maturity Date. The "Interest Payment Dates" for this Note shall be the fifth day of each month commencing April 5, 2005. Interest on this Note will be computed by dividing the interest rate applicable to each day by the actual number of days in the year.

Interest on this Note will accrue from, and including, the immediately preceding Interest Payment Date to which interest has been paid or duly provided for (or from, and including, the Original Issue Date if no interest has been paid or duly provided for) to, but excluding, the

applicable Interest Payment Date or the Maturity Date, as the case may be. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, subject to certain exceptions described herein, be paid to the person in whose name this Note (or one or more predecessor Notes) is registered (the "Holder") at the close of business on the fifteenth calendar day (whether or not a Business Day, as defined below) immediately preceding the related Interest Payment Date (the "Record Date"); provided, however, that interest payable on the Maturity Date will be payable to the person to whom the principal hereof and premium, if any, hereon shall be payable. Any such interest not so punctually paid or duly provided for on any Interest Payment Date other than the Maturity Date ("Defaulted Interest") shall forthwith cease to be payable to the Holder on the close of business on any Record Date and, instead, shall be paid to the person in whose name this Note is registered at the close of business on a special record date (the "Special Record Date") for the payment of such Defaulted Interest to be fixed by the Trustee hereinafter referred to, notice whereof shall be given to the Holder of this Note by the Trustee not less than 10 calendar days prior to such Special Record Date or may be paid at any time in any other lawful manner, all as more fully provided for in the Indenture.

Payment of principal, premium, if any, and interest in respect of this Note due on the Maturity Date will be made in immediately available funds upon presentation and surrender of this Note at the office or agency maintained by the Company for that purpose in the Borough of Manhattan, The City of New York. Payment of interest due on any Interest Payment Date other than the Maturity Date will be made at the aforementioned office or agency maintained by the Company or, at the option of the Company, by check mailed to the address of the person entitled thereto as such address shall appear in the Security Register maintained by the Trustee on the Record Date; provided, however, that a Holder of U.S.\$10,000,000 or more in aggregate principal amount of Notes (whether having identical or different terms and provisions) will be entitled to receive interest payments on such Interest Payment Date by wire transfer of immediately available funds if such Holder has delivered appropriate wire transfer instructions in writing to the Trustee not less than 15 calendar days prior to such Interest Payment Date. Any such wire transfer instructions received by the Trustee shall remain in effect until revoked by such Holder.

If any Interest Payment Date or the Maturity Date of this Note falls on a day that is not a Business Day, the required payment of principal, premium, if any, and/or interest shall be made on the next succeeding Business Day and no interest shall accrue with respect to the payment for the period from and after such Interest Payment Date or the Maturity Date, as the case may be, to the date of such payment on the next succeeding Business Day.

As used herein, "Business Day" means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which commercial banks are authorized or required by law, regulation or executive order to close in The City of New York.

The interest rate borne by this Note shall initially be equal to the Initial Interest Rate (as defined below) commencing on, and including, the Original Issue Date to, but excluding, the first Interest Reset Date (as defined below). As of the first Interest Reset Date, the interest rate borne by this Note, as reset on each Interest Reset Date, shall be determined by reference to the Floating Interest Rate Basis (as defined below), subject to the Minimum Interest Rate (as defined below). The interest rate in effect on each day after and including the first Interest Reset Date will be based on (1) if the day is an Interest Reset Date, the interest rate determined on such Interest Reset Date, or (2) if the day is not an Interest Reset Date, the interest rate determined as of the immediately preceding Interest Reset Date.

As used herein, the “Interest Reset Dates” for this Note are on the fifth day of each month commencing April 5, 2005. If any Interest Reset Date is not a Business Day, the applicable Interest Reset Date will be postponed to the next succeeding Business Day. As used herein, an “Interest Reset Period” shall be the period from and including the most recent Interest Reset Date to but excluding the immediately succeeding Interest Reset Date or Maturity Date, as the case may be.

The “Initial Interest Rate” for this Note equals 3.756% per annum.

As used herein, the “Calculation Agent” is Merrill Lynch Capital Services, Inc. Upon the request of the holder of this Note, the Calculation Agent will provide the interest rate then in effect.

The “Minimum Interest Rate” at which interest may accrue on this Note during any Interest Reset Period equals 0.00% per annum.

The “Floating Interest Rate Basis” applicable to this Note shall be:

$$[(CPI_{(t)} - CPI_{(t-12)})/CPI_{(t-12)}] + 0.50\%,$$

subject to the Minimum Interest Rate.

“CPI_(t)” equals the value of the Consumer Price Index (as defined below) for the third calendar month prior to but not including the month in which the applicable Interest Reset Date occurs.

“CPI_(t-12)” equals the value of the Consumer Price Index for the fifteenth calendar month prior to but not including the month in which the applicable Interest Reset Date occurs.

“Consumer Price Index” means the nonseasonally adjusted U.S. City Average All Items Consumer Price Index for All Urban Consumers, published monthly by the Bureau of Labor Statistics of the U.S. Department of Labor. The value of the Consumer Price Index for any given month will be the value reported on Bloomberg page CPURNSA or any successor service or successor page thereto. If such value for the Consumer Price Index is not available on Bloomberg page CPURNSA or on a successor page or successor service such value will be determined in the sole discretion of the Calculation Agent.

Unless the Certificate of Authentication hereon has been executed by the Trustee by manual signature, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Note is one of a duly authorized issue of Securities (hereinafter called the “Securities”) of the Company designated as its Medium-Term Notes, Series C. The Securities are issued and to be issued under an indenture (the “Indenture”) dated as of April 1, 1983, as amended and restated, between the Company and JPMorgan Chase Bank, N.A. (herein called the “Trustee”, which term includes any successor Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes and the terms upon which the Notes are to be authenticated and delivered.

The Notes are issuable only in registered form without coupons in denominations of \$1,000 and integral multiples thereof. As provided in the Indenture and subject to certain limitations therein set forth, the Notes are exchangeable for a like aggregate principal amount of Notes as requested by the Holder surrendering the same. If (x) the Depository is at any time unwilling or unable to continue as depository and a successor depository is not appointed by the Company within 60 days, (y) the Company executes and delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable or (z) an Event of Default has occurred and is continuing with respect to the Notes, this Note shall be exchangeable for Notes in definitive form of like tenor and of an equal aggregate principal amount, in authorized denominations. Such definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee. If definitive Notes are so delivered, the Company may make such changes to the form of this Note as are necessary or appropriate to allow for the issuance of such definitive Notes.

This Note is not subject to any sinking fund.

In case an Event of Default (as defined in the Indenture) with respect to any Notes shall have occurred and be continuing, the amount payable to a Holder of a Note upon any acceleration permitted by the Notes, with respect to each \$1,000 principal amount of Notes, will be equal to the amount payable on the Stated Maturity Date, calculated as though the date of early repayment were the Stated Maturity Date.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of 66²/₃% in aggregate original public offering price or principal amount, as the case may be, of the Securities at any time Outstanding of each series affected thereby. Holders of specified percentages in aggregate original public offering price or principal amount, as the case may be, of the Securities of each series at the time Outstanding, on behalf of the Holders of all the Securities of each series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the time, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations set forth therein and herein, the transfer of this Note may be registered on the Security Register of the Company, upon surrender of this Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company duly executed by, the Holder hereof

or by his attorney duly authorized in writing, and thereupon one or more new Notes of authorized denominations and for the same aggregate principal amount, shall be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Indenture and the Notes shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Note which are defined in the Indenture but not in this Note shall have the meanings assigned to them in the Indenture.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed, manually or in facsimile, and an imprint or facsimile of its corporate seal to be imprinted hereon.

Merrill Lynch & Co., Inc.
4 World Financial Center
New York, New York 10080

Ladies and Gentlemen:

As your counsel, we have examined a copy of the Restated Certificate of Incorporation, as amended, of Merrill Lynch & Co., Inc. (hereinafter called the "Company"), certified by the Secretary of State of the State of Delaware. We are familiar with the corporate proceedings had in connection with the proposed issuance and sale by the Company through the Agent referred in and pursuant to a Distribution Agreement dated December 15, 2004 (the "Distribution Agreement"), between the Company and Merrill Lynch & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S"), of up to \$39,390,000,000 of its Medium-Term Notes, Series C and which are designated as "Medium-Term Notes, Series C, Inflation-Linked Notes Linked to the Performance of the Consumer Price Index" (the "Notes"). We have also examined a copy of the Indenture between the Company and JPMorgan Chase Bank, N.A., as Trustee, dated as of April 1, 1983, as amended (the "Indenture"), and the Company's Registration Statement on Form S-3 (File No. 333-122639) relating to the Notes (the "Registration Statement").

Based upon the foregoing and upon such further investigation as we deemed relevant in the premises, we are of the opinion that the Notes have been duly and validly authorized by the Company and when the Notes have been duly executed and authenticated in accordance with the terms of the Indenture and delivered against payment therefor as set forth in the Distribution Agreement, the Notes will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent that enforcement thereof may be limited by bankruptcy, moratorium, insolvency, reorganization or similar laws relating to or affecting creditors' rights generally and except as enforcement thereof is subject to general principles at equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

We consent to the filing of this opinion as an exhibit to the Registration Statement and as an exhibit to the Current Report of the Company on Form 8-K dated March 15, 2005. We also consent to the use of our name under the caption "United States Federal Income Taxation" in the pricing supplement and prospectus supplement related to the offering of the Notes.

Very truly yours,

/s/ SIDLEY AUSTIN BROWN & WOOD LLP
