MEDIUM-TERM NOTE, SERIES C
Bear Commodity Notes
Linked to the Dow Jones-AIG Commodity IndexSM
due September 2, 2008
(the "Notes")

MERRILL LYNCH & CO., INC., a Delaware corporation (hereinafter referred to as the "Company," which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to CEDE & CO., or registered assigns, the Redemption Amount (as defined below) on September 2, 2008 (the "Stated Maturity Date") in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts.

Payment on the Stated Maturity Date

On the Stated Maturity Date, a Holder shall receive a cash payment equal to, with respect to each \$10 principal amount of this Note (a "Unit"), the Redemption Amount.

Determination of the Redemption Amount

The "Redemption Amount" per unit shall be denominated and payable in U.S. dollars and shall be determined by the Calculation Agent (as defined below) and shall equal:

(i) If the Ending Value (as defined below) is less than or equal to the Starting Value (as defined below):

$$\$10 + \left[\$10 \times \left(\frac{\text{Starting Value} - \text{Ending Value}}{\text{Starting Value}} \right) \times \text{Participation Rate} \right];$$

or

(ii) If the Ending Value is greater than the Starting Value:

$$\$10 - \left[\$10 \times \left(\frac{\text{Ending Value} - \text{Starting Value}}{\text{Starting Value}} \right) \right],$$

but will not be less than zero.

The "Starting Value" equals 172.186.

The "Ending Value" with respect to the Redemption Amount payable on the Stated Maturity Date will equal the closing level of the Dow Jones-AIG Commodity Index (the "Index") on August 21, 2008 (the "Valuation Date"), provided that if a Market Disruption Event occurs on that date, the Ending Value shall be determined according to the Market Disruption Calculation (as defined below).

The "Participation Rate" equals 127%.

An "Index Business Day" means any day on which the Index or any Successor Index (as defined below) is calculated and published.

As used herein, the "Calculation Agent" is Merrill Lynch Pierce Fenner & Smith Incorporated.

All determinations made by the Calculation Agent, absent a determination of a manifest error, shall be conclusive for all purposes and binding on the Company and the Holders and beneficial owners of this Note.

Payment of the Redemption Amount due on the Stated Maturity Date will be made in immediately available funds upon presentation and surrender of this Note at the office or agency maintained by the Company for that purpose in the Borough of Manhattan, The City of New York.

If the Stated Maturity Date of this Note falls on a day that is not an Index Business Day, the required payment of the Redemption Amount shall be made on the next succeeding Index Business Day and no interest shall accrue as a result of such delayed payment with respect to the payment for the period from and after the Stated Maturity Date to the date of such payment on the next succeeding Index Business Day.

Adjustments to the Index; Market Disruption Events

If at any time Dow Jones & Company Inc. or AIG International Inc. (the "Index Publishers") makes a material change in methodology or criteria used to determine the composition of the Index, the weightings of the various Index Components, the method of calculating the Index or in any other way materially modifies the Index so that the Index does not, in the opinion of the Calculation Agent, fairly represent the level of the Index had those changes or modifications not been made, then, from and after that time, the Calculation Agent shall, at the close of business in New York, New York, on each date that the closing level of the Index is to be calculated, make any adjustments as, in the good faith judgment of the Calculation Agent, may be necessary in order to arrive at a calculation of a level of a commodity futures index comparable to the Index as if those changes or modifications had not been made, and calculate the closing level with reference to the Index, as so adjusted.

"Market Disruption Event" means one or more of the following events as determined by the Calculation Agent:

- (1) A material limitation, suspension, or disruption of trading in one or more futures contracts included in the Index which results in a failure by the exchange on which each applicable futures contract included in the Index is traded to report an exchange published settlement price for such contract on the day on which such event occurs or any succeeding day on which it continues.
- (2) The exchange published settlement price for any futures contract included in the Index is a "limit price", which means that the exchange published settlement price for such contract for a day has increased or decreased from the previous day's exchange published settlement price by the maximum amount permitted under applicable exchange rules.
- (3) Failure by the applicable exchange or other price source to announce or publish the exchange published settlement price for any futures contract included in the Index.
- (4) A suspension of trading in one or more futures contracts included in the Index, for which trading does not resume at least ten (10) minutes prior to the scheduled or rescheduled closing time.
- (5) Any other event, if the Calculation Agent determines in its sole discretion that the event materially interferes with the Company's ability or the ability of any of the Company's affiliates to unwind all or a material portion of a hedge with respect to the Notes that the Company or the Company's affiliates have effected or may effect.

In the event a Market Disruption Event has occurred on the Valuation Date, the Index level shall be determined by the Calculation Agent pursuant to the following "Market Disruption Calculation":

- (1) With respect to each futures contract included in the Index, which is not affected by the Market Disruption Event, the Index level will be based on the exchange published settlement price on the Valuation Date.
- (2) With respect to each futures contract included in the Index, which is affected by the

Market Disruption Event, the Index level will be based on the exchange published settlement price of each such contract on the first day following the Valuation Date on which no Market Disruption Event occurs with respect to such contract. In the event that a Market Disruption Event occurs with respect to any contract included in the Index on the Valuation Date and on each day to and including the second scheduled Index Business Day prior to the Stated Maturity Date, the price of such contract used to determine the Ending Value will be estimated by the Calculation Agent in a manner which the Calculation Agent considered commercially reasonable under the circumstances.

- (3) The Calculation Agent shall determine the Index by reference to the exchange published settlement prices or other prices determined in clauses (1) and (2), above, using the then current method for calculating the Index. The exchange on which a futures contract included in the Index is traded for purposes of the foregoing definition means the exchange used to value such future contract for the calculation of the Index.

Discontinuance of the Index

If the Index Publishers discontinue publication of the Index and the Index Publishers or another entity publishes a successor or substitute index that the Calculation Agent determines, in its sole discretion, to be comparable to the Index (a "Successor Index"), then, upon the Calculation Agent's notification of that determination to the Trustee (as defined below) and the Company, the Calculation Agent shall substitute such Successor Index as calculated by the Index Publisher or any other entity for the Index and calculate the Ending Value as described above under "Payment on the Stated Maturity Date". Upon any selection by the Calculation Agent of a Successor Index, the Company shall cause notice to be given to Holders of this Note.

In the event that the Index Publisher discontinues publication of the Index and:

- the Calculation Agent does not select a Successor Index; or
- the Successor Index is not published on the Valuation Date,

the Calculation Agent shall compute a substitute level for the Index in accordance with the procedures last used to calculate the Index before any discontinuance. If a Successor Index is selected or the Calculation Agent calculates a level as a substitute for the Index as described below, the Successor Index or level shall be used as a substitute for the Index for all purposes, including the purpose of determining whether a Market Disruption Event exists.

If the Index Publishers discontinue publication of the Index before the Valuation Date and the Calculation Agent determines that no Successor Index is available at that time, then on each Business Day (as defined below) until the earlier to occur of:

- the determination of the Ending Value; and
- a determination by the Calculation Agent that a Successor Index is available,

the Calculation Agent shall determine the value that would be used in computing the Redemption Amount as described in the preceding paragraph as if that day were the Valuation Date. The Calculation Agent shall cause notice of each value to be published not less often than once each month in *The Wall Street Journal* or another newspaper of general circulation and arrange for information with respect to these values to be made available by telephone.

A "Business Day" is any day that is either (i) an Index Business Day or (ii) a day on which the applicable exchanges quoting the commodities futures contracts used to calculate a substitute level for the Index following a discontinuance are open for trading.

General

All percentages resulting from any calculation on the Notes shall be rounded to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upwards. For example, 9.876545% (or .09876545) would be rounded to 9.87655% (or .0987655). All dollar amounts used in or resulting from any calculation shall be rounded to the nearest cent with one-half cent being rounded upward.

This Note is one of a duly authorized issue of the Company's Medium-Term Notes, Series C, Due Nine Months or More from Date of Issue which are due at the Stated Maturity. The Notes are issued and to be issued under an indenture dated as of April 1, 1983, as amended and restated (the "Indenture"), between the Company and The Bank of New York (as successor to JPMorgan Chase Bank, N.A.) (herein called the "Trustee", which term includes any successor Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee and the Holders of the Notes and the terms upon which the Notes are to be authenticated and delivered.

Unless the certificate of authentication hereon has been executed by or on behalf of the Trustee with respect to the Notes under the Indenture, or its successor thereunder, by the manual signature of one of its authorized officers, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

The Notes are issuable only in registered form without coupons in denominations of \$10 principal amount (each a Unit) and integral multiples thereof. As provided in the Indenture and subject to certain limitations therein set forth, this Note is exchangeable for certificates representing Notes of like tenor and of an equal Principal Amount as requested by the Holder surrendering the same. If (x) the Depository is at any time unwilling or unable to continue as depository and a successor depository is not appointed by the Company within 60 days, (y) the Company executes and delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable or (z) an Event of Default has occurred and is continuing with respect to this Note, this Note shall be exchangeable for certificates representing the Notes in definitive form of like tenor and of an equal Principal Amount, in authorized denominations. Such definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee. If definitive Notes are so delivered, the Company may make such changes to the form of this Note as are necessary or appropriate to allow for the issuance of such definitive Notes.

This Note is not subject to any sinking fund.

In case an Event of Default (as defined in the Indenture) with respect to any Notes shall have occurred and be continuing, the amount payable to a holder of a Note upon any acceleration permitted by the Notes, with respect to each Unit, will be equal to the Redemption Amount calculated as though the date of acceleration were the Stated Maturity Date.

In case of default in payment of this Note, whether at the Stated Maturity or upon acceleration, from and after such date this Note shall bear interest, payable upon demand of the Holders thereof, at the then current Federal Funds Rate (the "Default Rate") reset daily, to the extent that such payment of interest shall be legally enforceable on the unpaid amount due and payable on such date in accordance with the terms of this Note to the date payment of such amount has been made or duly provided for.

"Federal Funds Rate" means:

- (1) the rate with respect to a particular interest determination date displayed on Reuters or any successor service on page H15FED1 or any other page as may replace page H15FED1 on that service ("Reuters Page H15FED1"), or
- (2) if the rate referred to in clause (1) does not appear on Reuters Page H15FED1 or is not published by 3:00 P.M., New York City time, on the related calculation date, the rate with respect to a particular interest determination date for United States dollar federal funds as published in H.15 Daily Update, or other recognized electronic source used for the purpose of displaying the applicable rate, under the caption "Federal Funds (Effective)", or
- (3) if the rate referred to in clause (2) is not published by 3:00 P.M., New York City time, on the related calculation date, the rate with respect to a particular interest determination date calculated by the Calculation Agent as the arithmetic mean of the rates for the last transaction in overnight United States dollar federal funds arranged by three leading brokers of United States dollar federal funds transactions in The City of New York, which may include the agent or its affiliates, selected by the Calculation Agent prior to 9:00 A.M., New York City time, on the Business Day following that interest determination date, or
- (4) if the brokers selected by the Calculation Agent are not quoting as mentioned in clause (3), the Federal Funds Rate for the Business Day preceding the particular interest determination date.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than 66 ²/₃% in aggregate principal amount of the Securities at the time Outstanding of each series affected thereby. Holders of specified percentages in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of each series, are permitted to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this

Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the Redemption Amount hereof and interest on this Note, if any, at the time, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations set forth therein and on the face hereof, the transfer of this Note may be registered on the Security Register of the Company, upon surrender of this Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon one or more new certificates representing the Notes of authorized denominations of like tenor and for the same Principal Amount shall be issued to the designated transferee or transferees.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company and each Holder or beneficial owner (by acceptance hereof) hereby agree (in the absence of an administrative determination, judicial ruling or other authoritative guidance to the contrary) to characterize and treat this Note for all tax purposes as a pre-paid cash settled forward contract linked to the level of the Index.

The Indenture and this Note shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Note which are defined in the Indenture but not in this Note shall have the meanings assigned to them in the Indenture.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed, manually or in facsimile, and an imprint or facsimile of its corporate seal to be imprinted hereon.

Ladies and Gentlemen:

As your counsel, we have examined a copy of the Restated Certificate of Incorporation, as amended, of Merrill Lynch & Co., Inc. (the "Company"), certified by the Secretary of State of the State of Delaware. We are familiar with the corporate proceedings had in connection with the proposed issuance and sale by the Company to Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S"), pursuant to a Distribution Agreement dated March 31, 2006 (the "Distribution Agreement") between the Company and MLPF&S, of the Company's Bear Commodity Notes Linked to the Dow Jones-AIG Commodity IndexSM due September 2, 2008 (the "Notes") in an amount equal to \$15,257,500 aggregate principal amount of the Notes. We have also examined a copy of the Indenture between the Company and The Bank of New York as successor Trustee, dated as of April 1, 1983, as amended (the "Indenture"), and the Company's Registration Statement on Form S-3 (File No. 333-132911) relating to the Notes (the "Registration Statement").

Based upon the foregoing and upon such further investigation as we deemed relevant in the premises, we are of the opinion that:

1. The Company has been duly incorporated under the laws of the State of Delaware.

2. The Notes have been duly and validly authorized by the Company and, when the Notes have been duly executed and authenticated in accordance with the terms of the Indenture and delivered against payment therefor as set forth in the Distribution Agreement, the Notes will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent that enforcement thereof may be limited by bankruptcy, moratorium, insolvency, reorganization or similar laws relating to or affecting creditors' rights generally and except as enforcement thereof is subject to general principles at equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

We consent to the filing of this opinion as an exhibit to the Registration Statement and as an exhibit to the Current Report of the Company on Form 8-K dated March 1, 2007.

Very truly yours,

/s/ Sidley Austin LLP
