The Notes:

- The Notes are designed for investors who seek 100% principal protection on their investment at maturity and who want 1-to-1 upside exposure to increases in the level of the Dow Jones-AIG Commodity Index—Excess Return (index symbol “DJAIG”) (the “Index”) from the starting value of the Index, determined on the date the Notes are priced for initial sale to the public (the “Pricing Date”), to the ending value of the Index, determined on a valuation date (the “Valuation Date”) shortly before the maturity date, provided that the ending value of the Index does not exceed a specified level (the “Threshold Level”). If the ending value of the Index exceeds the Threshold Level, the Notes will pay a fixed return of \$0.30 per unit (or 3% of the principal amount per unit).
- The “Threshold Level” will be a level between 15% and 20% above the starting value of the Index. The actual Threshold Level will be determined on the Pricing Date and will be set forth in the offering documents made available in connection with sales of the Notes.
- The Notes will have 100% principal protection on the maturity date.
- Because Merrill Lynch & Co., Inc. will make no payments on the Notes prior to the maturity date, investors must be willing to forego periodic payments of interest.
- The Notes will not be redeemable prior to the maturity date.
- The Notes are made available to each investor outside of the United States in a minimum initial investment of US\$50,000 (US\$100,000 for residents of the European Economic Area) or other amounts as permitted by local jurisdictions, and subject to any other restrictions, as may be applicable to an investor under the private offering rules of any jurisdiction outside of the United States.

- The Notes will not be listed on any securities exchange.
- The Notes will be senior unsecured debt securities of Merrill Lynch & Co., Inc., denominated and payable in United States dollars, and part of a series entitled “Medium-Term Notes, Series C.” Any payments due on the Notes will be subject to the credit risk of Merrill Lynch & Co., Inc. The Notes will have the CUSIP No. .
- The Notes are not guaranteed or insured by the Federal Deposit Insurance Corporation.
- The settlement date for the Notes is expected to be December , 2008.

Payment on the maturity date:

- The amount you receive on the maturity date per unit will be based on the direction of and percentage change in the closing level of the Index on the Pricing Date to the Valuation Date.
 - If the ending value is greater than the starting value of the Index and less than or equal to the Threshold Level, an investor will receive the \$10 base value plus \$10 multiplied by the percentage change of the Index per unit.
 - If the ending value is greater than the Threshold Level, the \$10 base value plus \$0.30 per unit.
