The foregoing payment shall be made against delivery of the Securities being purchased by the Agents to CDS no later than the Closing Time, or at such other time or such other date as shall be agreed to in writing between the Company and the Agents.

7. **Conditions and Closing Deliveries**

- 7.1 The Agents' obligations to solicit offers to purchase the Securities as agents of the Company hereunder, including, without limitation, those set out in Section 6.2, shall be subject to the conditions (each of which is expressly declared to be solely for the benefit of the Agents) (i) that the terms and conditions of the Securities described in the Prospectus and the Prospectus Supplement shall conform to the description thereof in such documents; (ii) that the Prospectus and Prospectus Supplement shall not contain a misrepresentation; and (iii) that:
- (a) at the Closing Date, no order having the effect of ceasing or suspending the distribution of the Securities or the trading in any of the securities of the Company, including a stop order suspending the effectiveness of the Registration Statement, shall have been issued by the SEC or any Canadian Securities Commission or stock exchange in Canada or the United States and no proceedings for that purpose shall have been instituted or pending or, to the knowledge of the Company, shall be contemplated by the SEC,

any Canadian Securities Commission or stock exchange in Canada or the United States; and any request on the part of the SEC or any Canadian Securities Commission for additional information from the Company shall have been complied with. The Final MJDS Supplement shall have been filed with the SEC in accordance with Rule 424(b)(6) under the 1933 Act and with the Canadian Securities Commissions in accordance with NI 71-101;

- (b) the Agents shall have received on the Closing Date a certificate, dated the Closing Date and signed by an authorized officer of the Company, in his or her capacity as such, to the effect that:
 - (i) the representations and warranties of the Company contained in this Agreement are true and correct in all material respects as of the Closing Date with the same force and effect as if made at and as of the Closing Time;
 - (ii) the Company has complied in all material respects with all the terms and conditions of this Agreement on its part to be complied with up to the Closing Time; and
 - (iii) subsequent to the respective dates as of which information is given in the Registration Statement, there has not been any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, which requires disclosure under the timely disclosure provisions of U.S. securities laws applicable to the Company, except as has been publicly disclosed;
- (c) the Agents shall have received on the Closing Date the following the opinions:
 - (i) an opinion of Davies Ward Phillips & Vineberg LLP, Canadian counsel to the Company, to the effect that the French language version of each of the Prospectus and Prospectus Supplement (excluding all documents incorporated by reference therein) are in all material respects complete and proper translations of the English language versions thereof;
 - (ii) an opinion of the Auditors, to the effect that the French language version of the financial portions of the Prospectus and Prospectus Supplement and the documents incorporated by reference therein

are, in all material respects, a complete and proper translation of the English language versions thereof;

- (iii) an opinion of Heenan Blaikie LLP, to the effect that the French language version of the non-financial portions of the documents incorporated by reference in the Prospectus and Prospectus Supplement are, in all material respects, a complete and proper translation of the English language versions thereof;
 - (iv) an opinion of Davies Ward Phillips & Vineberg LLP addressed to the Agents, substantially in the form of Schedule A hereto; provided that in providing such opinion, Davies Ward Phillips & Vineberg LLP may rely on the opinions of local counsel as to matters governed by the laws of jurisdictions other than the laws of the Provinces of Ontario and Quebec and the federal laws of Canada applicable therein;
 - (v) an opinion of Sidley Austin Brown & Wood LLP, United States counsel for the Company, addressed to the Agents, substantially in the form of Schedule B hereto; and
 - (vi) an opinion of McMillan Binch LLP, counsel for the Agents, substantially in the form of Schedule C hereto; and
- (d) in connection with their review of the Prospectus, the Auditors shall have furnished a comfort letter to the Company and the Agents, in form and substance satisfactory to the Company and the Agents acting reasonably, relating to the verification of financial information and accounting data contained in the Prospectus (including information incorporated therein by reference) relating to the Company and matters involving changes or developments since the respective dates as of which specified financial information is given in the Prospectus and Prospectus Supplement to a date not more than five days prior to the date of such letter. Such letter shall further state that (i) the Auditors are independent with respect to the Company within the meaning of the 1933 Act and the regulations thereunder, and (ii) in their opinion, the audited financial statements of the Company included or incorporated by reference in the Registration Statement and the Prospectus comply as to form in all material respects with the applicable accounting requirements of the 1933 Act and the regulations thereunder.

8. **Termination**

8.1 If prior to the Closing Time:

- (a) there has been any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, which, in the reasonable opinion of the Agents, would reasonably be expected to have a significant adverse effect on the market price or value of the Securities;
- (b) any enquiry, action, suit, investigation or other proceeding, whether formal or informal, in relation to the Company or the distribution of the Securities should be instituted or any order under or pursuant to any laws or regulations of the United States or of any of the Qualifying Jurisdictions or by any relevant stock exchanges in the United States or Canada or any other regulatory or governmental authority in the United States or should be made or issued (except for any such order based upon the activities or the alleged activities of the Agents and not of the Company) which, in the reasonable opinion of the Agents, operates to prevent or restrict the trading or the distribution of the Securities or which has a material adverse impact on the marketability thereof; or
- (c) there should develop, occur or come into effect or existence any event, action, state, condition or occurrence of national or international consequence, including any act of terrorism, war or like event, or any law or regulation, which in the opinion of the Agents, acting reasonably, seriously adversely affects, or would seriously adversely affect the Canadian, United States or international financial markets such that it would be impractical in the reasonable opinion of the Agents to sell the Securities,

then, in any one or more of the foregoing cases, each of the Agents shall be entitled, at its or their sole option, to terminate all of its obligations under this Agreement, and the obligations of any purchaser from whom the Agent has solicited an order to purchase Securities, by notice to that effect delivered to the Company prior to the Closing Time; provided, however, that if NBF terminates its obligations hereunder and the Company otherwise fails to comply with the requirements of National Instrument 33-105 – *Underwriting Conflicts*, all of the obligations of the Agents under this Agreement, and the obligations of any purchaser from whom the Agents have solicited an order to purchase Securities, shall terminate without any further act or formality.

8.2 The rights of the Agents to terminate their obligations hereunder are in addition to any other remedies they may have in respect of any default, act or failure to act of the Company, in respect of any of the matters

contemplated hereby. In the event of any termination, there shall be no further liability on the part of the Company to the terminating Agent or persons from whom it has solicited orders except in respect of any liability which may have arisen or may thereafter arise under Sections 9.1 or Section 10. Each of the Agents may waive, in whole or in part, or extend the time for compliance with, any terms and conditions without prejudice to its rights in respect of any other terms and conditions or any other or subsequent breach or non-compliance provided, however, that any waiver or extension must be in writing and signed by the Agent in order to be binding upon it.

9. **Expenses of Offering and Agents' Expenses**

9.1 Whether or not any sale of the Securities shall be completed, the Company (or any of its affiliates) shall pay all reasonable expenses relating to this transaction and all other costs and expenses of or incidental to the creation, offering, issue, sale and delivery of the Securities including, without limitation, the Agents' reasonable out-of-pocket expenses relating directly and solely to this transaction up to \$65,000 (including, without limitation, the reasonable fees and disbursements of counsel up to \$60,000 and travel expenses relating to information meetings), the advertising and marketing expenses relating to the Offering (including all roadshow expenses), the cost of preparing and printing and translating the Prospectus, Prospectus Supplement, any Supplementary Material, any sales memorandum and the certificates for the Securities, the cost of qualifying the Securities for sale to the public in the Qualifying Jurisdictions, the fees and expenses of the Company, the cost of registration and delivery of certificates for the Securities and the fees and expenses of the Auditors, counsel and all local counsel of the Company, including all legal and accounting fees and expenses relating to the Prospectus and preparing the Company for the Offering.

10. **Indemnification and Contribution**

10.1 The Company shall indemnify each of the Agents for and on behalf of itself and for and on behalf of and in trust for its directors, officers, employees and agents (each such Agent, director, officer, employee and agent being referred to individually as an "**Indemnified Party**") from and against any and all liabilities, claims, demands, losses, costs, damages and expenses (including reasonable legal fees but excluding loss of profits) (collectively, "**losses**") to which it or they or any of them may be subject or may suffer, incur or be required to pay, in connection with the transactions contemplated by this Agreement, whether directly or indirectly in consequence of:

- (a) any breach of or default under any representation, warranty, covenant or agreement of the Company in this Agreement or in any covenant or other document of the Company delivered pursuant hereto or made by the Company in connection with the issuance, distribution or sale by the Company of the Securities;
- (b) any misrepresentation or alleged misrepresentation contained in the Prospectus, or in any amendment in respect thereof, or any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), or the omission or alleged omission therefrom of a material fact necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included in the Prospectus (or any amendment or supplement thereto) or the omission or alleged omission therefrom of a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, unless such misrepresentation or untrue statement or omission or such alleged untrue statement or omission was made in reliance upon and in conformity with written information furnished to the Company by the Agent expressly for use in the Registration Statement or the Prospectus;
- (c) any order made, or any inquiry, investigation or proceeding threatened or commenced, by any securities commission or other competent regulatory authority based upon an untrue statement or omission, or alleged untrue statement or omission, a misrepresentation or an allegation that any such misrepresentation exists in the Prospectus, the Prospectus Supplement or any Supplementary Material (other than one which relates solely to the Agents or any one of them) which restricts or prevents trading in, or distribution of, the Securities in any Qualifying Jurisdiction;
- (d) any negligence or wilful misconduct by the Company relating to or connected with the sale by the Company of the Securities; or
- (e) the non-compliance or alleged non-compliance by the Company with any Canadian Securities Laws in relation to the Offering,

provided, however, that this indemnity may not be relied upon by any Indemnified Party in respect of any losses which result from any wilful misconduct or gross negligence in the performance of any of the provisions contained herein by such Indemnified Party.

If any matter or thing contemplated by this Section 10.1 shall be asserted against an Indemnified Party, such Indemnified Party shall notify the Company as soon as possible of the nature of such claim and the Company shall be entitled (but not required) to assume the defence of any suit brought to enforce such claim; provided, however, that no

settlement may be made by the Company or the Indemnified Party without the prior written consent of the others of them, which consent shall not be unreasonably withheld.

In any such claim, the Indemnified Party shall have the right to retain other counsel to act on his or its behalf, provided that the fees and disbursements of such other counsel shall be paid by the Indemnified Party unless (i) the Company and the Indemnified Party shall have mutually agreed to the retention of the other counsel or (ii) counsel representing or proposed to represent each of the Company and the Indemnified Party, upon the inquiry of the Company or the Indemnified Party or of its own initiative, is of the opinion that the representation of such parties by the same counsel would be inappropriate due to the actual or potential differing interests between them, in which event such fees and disbursements shall be paid by the Company to the extent that they have been reasonably incurred.

10.2 In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in Section 10.1 is, for any reason of policy or otherwise, held to be unavailable from the Company, the Agents and the Company shall contribute to the aggregate losses of the nature contemplated by the said indemnity incurred by the Company and the Indemnified Parties in such proportion as is appropriate to reflect not only the relative benefits received by the Indemnifying Parties on the one hand and the Agents on the other hand, but also the relative fault of the Indemnifying Parties on the one hand and the Agents on the other hand in connection with the misrepresentation, order, investigation, proceeding or other matter referred to in Section 10.1; provided, however, that no person guilty of negligence or wilful misconduct in the performance of any of the provisions hereof or fraudulent misrepresentation shall be entitled to contribution from any person who is not guilty of the same and provided that in no case shall an Agent be responsible for any amount in excess of the Agents' Fee actually received and retained by such Agent. For the purposes of this paragraph, each party shall give prompt notice to the other parties of any action, suit or proceeding threatened or commenced in respect of which a claim for contribution may be made under this paragraph. The rights to contribution set out in this Section 10.2 are in addition to, and without prejudice to, any other right to contribution which any Indemnified Party may have.

10.3 Each of the Agents, severally on its own behalf and not jointly, shall indemnify and save the Company, its directors, each of the officers who signed the Registration Statement and Prospectus and each person or company, if any, who controls the Company within the meaning of Section 15 of the 1933 Act harmless against and from any loss (other than loss of profits) which the Company may incur by reason of such Agent's failure to

comply with any of its obligations under this Agreement including any breach of, or default under, any representation, warranty or covenant of such Agent in this Agreement or any other document to be delivered in connection with the carrying out of the transactions contemplated herein subject to the same procedures applicable to indemnification and contribution as provided in Sections 10.1 and 10.2, *mutatis mutandis*.

10.4 The rights of indemnity and contribution contained in Sections 10.1 and 10.2 in respect of a particular claim based on misrepresentation or omission or alleged misrepresentation or omission in the Prospectus or any Supplementary Material shall not apply if the Company has complied with Sections 5.1(e) and 5.1(f) and the person asserting such claim was not provided with a copy of the Prospectus, Prospectus Supplement or any Supplementary Material which corrected such misrepresentation or omission by an Agent or other selling group member within two Business Days after commercial copies of the Prospectus or any Supplementary Material were provided to the Agents or other selling group members in accordance with Sections 5.1(e) and 5.1(f).

10.5 The Company and each of the Agents agree that the obligations of the Agents hereunder are several and not joint or joint and several.

11. **Notices**

11.1 Unless herein otherwise expressly provided, any notice, request, direction, consent, waiver, extension, agreement or other communication required or permitted to be given hereunder shall be in writing and shall be delivered by personal delivery to an officer of the party to whom notice is given or shall be sent by commercial courier to the attention of the individuals noted below, in each case at the following address:

Global Equity Performance Weighted Notes, Series 1
due August 25, 2011
(the "Notes")

Merrill Lynch & Co., Inc., a Delaware corporation (hereinafter referred to as the "Company", which term includes any successor corporation under the Indenture herein referred to), for value received, hereby promises to pay to CDS & CO., as nominee of The Canadian Depository for Securities Limited, or its registered assigns, a sum for each unit of the Notes equal to the Redemption Amount (as defined below) on August 25, 2011 (the "Stated Maturity"), upon presentation and surrender of this Global Note.

Payment or delivery of the Redemption Amount and any interest on any overdue amount thereof with respect to this Global Note shall be made at the office or agency of the Company maintained for that purpose in Toronto, Canada, in such coin or currency of Canada as at the time of payment is legal tender for payment of public and private debts.

This Global Note is one of the series of Global Equity Performance Weighted Notes, Series 1 due August 25, 2011.

Payment at Maturity

The "Redemption Amount" per unit shall be determined by the Calculation Agent (as defined below) in accordance with the following formula; provided that in no event shall the Redemption Amount of a Note be less than Cdn. \$20 per unit of Notes:

$$\$100 \times [W_1P_1 + W_2P_2 + W_3P_3] - AF$$

Where:

W_1 equals the weighting of the best performing Regional Basket (as defined below) over the term of the Notes (after giving effect to the conversion of the Regional Basket into Canadian dollars) which shall be equal to 44.45%.

W_2 equals the weighting of the second best performing Regional Basket over the term of the Notes (after giving effect to the conversion of the Regional Basket into Canadian dollars) which shall be equal to 33.33%.

W_3 equals the weighting of the third best performing Regional Basket over the term of the Notes (after giving effect to the conversion of the Regional Basket into Canadian dollars) which shall be equal to 22.22%.

P_1 equals the performance of the best performing Regional Basket.

P_2 equals the performance of the second best performing Regional Basket.

P_3 equals the performance of the third best performing Regional Basket.

AF equals the Adjustment Fee (as defined below).

The performance of the North American Regional Basket (as defined below) equals:

$$\frac{IE_1}{IS_1}$$

The performance of the European Regional Basket (as defined below) equals:

$$\left[60\% \times \frac{IE_2}{IS_2} \right] + \left[40\% \times \frac{IE_3}{IS_3} \right]$$

The performance of the Asian Regional Basket (as defined below) equals:

$$\left[55\% \times \frac{IE_4}{IS_4} \right] + \left[35\% \times \frac{IE_5}{IS_5} \right] + \left[10\% \times \frac{IE_6}{IS_6} \right]$$

The index values are:

IS_i equals the Starting Value (as defined below) of Index_{*i*}

IE_i equals the Ending Value (as defined below) of Index_{*i*}

The underlying equity indices (each, a “Basket Index”) are:

Index₁ = S&P 500 Index

Index₂ = Dow Jones EURO STOXX 50 Index

Index₃ = FTSE 100 Index

Index₄ = Nikkei 225 Index

Index₅ = MSCI Hong Kong Index

Index₆ = S&P/ASX 200 Index

The “Regional Baskets” shall be the North American Regional Basket, the European Regional Basket and the Asian Regional Basket.

The “North American Regional Basket” shall be an index basket expressed in Canadian dollars that is 100% weighted to the S&P 500 Index.

The “European Regional Basket” shall be an index basket expressed in Canadian dollars that is 60% weighted to the Dow Jones EURO STOXX 50 Index and 40% weighted to the FTSE 100 Index.

The “Asian Regional Basket” shall be an index basket expressed in Canadian dollars that is 55% weighted to the Nikkei 225 Index, 35% weighted to the MSCI Hong Kong Index, and 10% weighted to the S&P/ASX 200 Index.

The “Adjustment Fee” shall be calculated by the Calculation Agent for each calendar day and accrue over the term of the Notes at an annual rate of 1.0% of the amount that would be the Redemption Amount for the Notes on such calendar day (determined without regard to the Adjustment Fee) if such calendar day was the Stated Maturity.

The “Starting Value” for each Basket Index shall be the following:

S&P 500 Index = 1,425.3288

Dow Jones EURO STOXX 50 Index = 4,197.8360

FTSE 100 Index = 10,327.9150

Nikkei 225 Index = 129.2323

MSCI Hong Kong Index = 1,092.8941

The “Ending Value” for each Basket Index shall be determined by Merrill Lynch International (the “Calculation Agent”) and shall equal the average, arithmetic mean, of the closing values of such Basket Index determined by the designated Index Calculation Agent (as defined below) on each of the ten Calculation Days (as defined below) during the Calculation Period (as defined below) multiplied by the then current exchange rate between the Canadian dollar and the relevant Index Currency (as defined below). If there are fewer than ten Calculation Days during the Calculation Period, then the Ending Value shall equal the average, arithmetic mean, of the closing values of the Basket Index on those Calculation Days. If there is only one Calculation Day during the Calculation Period, then the Ending Value shall equal the closing value of the Basket Index on that Calculation Day. If no Calculation Days occur during the Calculation Period, then the Ending Value shall equal the closing value of the Basket Index determined on the last scheduled Index Business Day (as defined below) in the Calculation Period, regardless of the occurrence of a Market Disruption Event (as defined below) on that scheduled Index Business Day.

“Calculation Period” means the period from and including the thirteenth scheduled Index Business Day prior to the Stated Maturity to and including the third scheduled Index Business Day prior to the Stated Maturity.

“Calculation Day” means any Index Business Day during the Calculation Period on which a Market Disruption Event has not occurred.

“Index Business Day” means, for each Basket Index, a day on which the Basket Index or any Successor Index (as defined below) is calculated and published.

“Index Calculation Agent” means, with respect to the S&P 500 Index and the S&P/ASX 200 Index, Standard & Poor’s, a division of The McGraw-Hill Companies, Inc. (“S&P”), with respect to the Dow Jones EURO STOXX 50 Index, STOXX Limited (“STOXX”), with respect to the FTSE 100 Index, FTSE International Limited (“FTSE”), with respect to the Nikkei 225 Index, Nihon Keizai Shimbun (“NKS”), and with respect to the MSCI Hong Kong Index, Morgan Stanley Capital International Inc. (“MSCI”).

“Index Currency” means, for each Basket Index, the currency in which that Basket Index is denominated.

For purposes of determining the Redemption Amount, the exchange rate between the Canadian dollar and each Index Currency shall be the amount of Canadian dollars (or part thereof) for which one unit of the relevant Index Currency could be purchased as quoted at 12:00 noon (Toronto time) by the Bank of Canada on the applicable Bloomberg page (or its successor page for the purpose of displaying such rate) on each Calculation Day in respect of all Index Currencies. In the event that the applicable Bloomberg page (or successor page) should not be available or no rate is quoted on such page on a Calculation Day at the applicable time, the exchange rate shall be the rate of exchange as determined by the Calculation Agent.

All determinations made by the Calculation Agent and each Index Calculation Agent shall be at its sole discretion and, absent manifest error, shall be conclusive for all purposes and

binding on the Company and the Holders and beneficial owners of the Notes. Whenever the Calculation Agent is required to act, it shall do so in good faith using its reasonable judgement.

The Company shall make available to the Trustee or a paying agent appointed by the Company (the "Paying Agent"), no later than 10:00 A.M., Toronto time, on the Stated Maturity, funds in an amount sufficient to pay such aggregate Redemption Amount. Provided that the Company has made adequate funds available to the Trustee or the Paying Agent in such manner, the Trustee or the Paying Agent shall make payment to the Depository, after 10:00 A.M., Toronto time, but prior to 2:00 P.M., Toronto time, on such Stated Maturity. Any such payment shall be in the amount of the aggregate Redemption Amount, and in respect of Notes issued in definitive form, the aggregate Redemption Amount in respect of Notes for which delivery has been accepted by the Trustee or the Paying Agent.

Adjustments to the Basket Indices; Market Disruption Events

If at any time S&P, STOXX, FTSE, NKS or MSCI (each, an "Index Publisher") makes a material change in the formula for or the method of calculating its respective Basket Index or any Successor Index or in any other way materially modifies such Index so that such Index does not, in the opinion of the Calculation Agent, fairly represent the value of such Index had those changes or modifications not been made, then, from and after that time, the Calculation Agent shall, at the close of business in New York, New York, on each date that the closing value of such Index is to be calculated, make those adjustments as, in the good faith judgment of the Calculation Agent, may be necessary in order to arrive at a calculation of a value of a stock index comparable to such Index as if those changes or modifications had not been made, and calculate the closing value with reference to such Index, as so adjusted.

"Market Disruption Event" means either of the following events as determined by the Calculation Agent:

- (A) the suspension of or material limitation on trading for more than two hours of trading, or during the one-half hour period preceding the close of trading, on the applicable exchange, in 20% or more of the stocks which then comprise a Basket Index or any Successor Index; or
- (B) the suspension of or material limitation on trading, in each case, for more than two hours of trading, or during the one-half hour period preceding the close of trading, on the applicable exchange, whether by reason of movements in price otherwise exceeding levels permitted by the relevant exchange or otherwise, in option contracts or futures contracts related to the applicable Basket Index, or any Successor Index.

For the purpose of the above definition:

- (1) a limitation on the hours in a trading day and/or number of days of trading shall not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the relevant exchange;

-
- (2) a limitation on trading imposed during the course of a day by reason of movements in price otherwise exceeding levels permitted by the relevant exchange shall constitute a Market Disruption Event;
 - (3) a decision to permanently discontinue trading in the relevant futures or options contracts related to the applicable Basket Index, or any Successor Index, shall not constitute a Market Disruption Event;
 - (4) a suspension in trading in a futures or options contract on the applicable Basket Index, or any Successor Index, by a major securities market by reason of (a) a price change violating limits set by that securities market, (b) an imbalance of orders relating to those contracts or (c) a disparity in bid and ask quotes relating to those contracts shall constitute a suspension or material limitation of trading in futures or options contracts related to that Basket Index; and
 - (5) an absence of trading on the relevant exchange shall not include any time when that exchange is closed for trading under ordinary circumstances.

Discontinuance of the Basket Indices

If an Index Publisher discontinues publication of its respective Basket Index and the Index Publisher or another entity publishes a successor or substitute index that the Calculation Agent determines, in its sole discretion, to be comparable to that Basket Index (a "Successor Index"), then, upon the Calculation Agent's notification of such determination to the Trustee (as defined below) and the Company, the Calculation Agent shall substitute the Successor Index as calculated by the relevant Index Publisher or any other entity for that Basket Index and calculate the Ending Value as described above under "Payment at Maturity". Upon any selection by the Calculation Agent of a Successor Index, the Company shall cause notice to be given to Holders of the Notes.

In the event that an Index Publisher discontinues publication of its respective Basket Index and:

- the Calculation Agent does not select a Successor Index; or
- the Successor Index is no longer published on any of the Calculation Days,

the Calculation Agent shall compute a substitute value for that Basket Index in accordance with the procedures last used to calculate that Basket Index before any discontinuance. If a Successor Index is selected or the Calculation Agent calculates a value as a substitute for that Basket Index as described below, the Successor Index or value shall be used as a substitute for that Basket Index for all purposes, including for purposes of determining whether a Market Disruption Event exists.

If an Index Publisher discontinues publication of its respective Basket Index before the Calculation Period and the Calculation Agent determines that no Successor Index is available at that time, then on each Business Day (as defined below) until the earlier to occur of:

- the determination of the Ending Value; and

- a determination by the Calculation Agent that a Successor Index is available,

the Calculation Agent shall determine the value that would be used in computing the Redemption Amount as described in the preceding paragraph as if that day were a Calculation Day. The Calculation Agent shall cause notice of each value to be published not less often than once each month in the national edition of a major English language Canadian newspaper and a French language newspaper of general circulation in the Province of Quebec, and arrange for information with respect to these values to be made available by telephone.

A "Business Day" is any day other than a Saturday or Sunday that is neither a legal holiday nor a day on which banking institutions in London are authorized or required by law, regulation or executive order to close and those banks are open for dealing in foreign exchange and foreign currency deposits.

License Agreements

The license agreements entered into by the Company or Merrill Lynch, Pierce, Fenner & Smith Incorporated, an affiliate of the Company ("MLPF&S"), with the respective publishers of the Basket Indices indicated below, require that the following language be included in this Global Note in connection with the licensing of each such Basket Index:

S&P has no obligation or liability in connection with the administration, marketing or trading of the Notes."

"S&P DOES NOT GUARANTEE THE ACCURACY AND/OR THE COMPLETENESS OF THE S&P 500 INDEX OR ANY DATA INCLUDED IN THE S&P 500 INDEX AND S&P SHALL HAVE NO LIABILITY FOR ANY ERRORS, OMISSIONS OR INTERRUPTIONS THEREIN. S&P MAKES NO WARRANTY, EXPRESS OR IMPLIED, AS TO RESULTS TO BE OBTAINED BY THE COMPANY, MLPF&S, HOLDERS OF THE NOTES, OR ANY OTHER PERSON OR ENTITY FROM THE USE OF THE S&P 500 INDEX OR ANY DATA INCLUDED IN THE S&P 500 INDEX IN CONNECTION WITH THE RIGHTS LICENSED UNDER THE LICENSE AGREEMENT DESCRIBED IN THIS GLOBAL NOTE OR FOR ANY OTHER USE.  - The accuracy or completeness of the Dow Jones EURO STOXX 50 Index; or
 - The merchantability and the fitness for a particular purpose or use of the Dow Jones EURO STOXX 50 Index and its data;
- STOXX and Dow Jones will have no liability for any errors, omissions or interruptions in the Dow Jones EURO STOXX 50 Index or its data; and

- Under no circumstances will STOXX or Dow Jones be liable for any lost profits or indirect, punitive, special or consequential damages or losses, even if STOXX or Dow Jones knows that they might occur.

General

This Global Note is one of a duly authorized issue of Securities of the Company, issued and to be issued under an Indenture, dated as of April 1, 1983, as amended and restated (herein referred to as the “Indenture”), between the Company and JPMorgan Chase Bank, as Trustee (herein referred to as the “Trustee”, which term includes any successor Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee and the Holders of the Notes, and the terms upon which this Global Note is, and is to be, authenticated and delivered.

The Company hereby covenants for the benefit of the Holders of this Global Note, to the extent permitted by applicable law, not to claim voluntarily the benefits of any laws concerning usurious rates of interest against a Holder of this Global Note.

This Global Note is not subject to redemption by the Company or at the option of the Holder prior to the Stated Maturity.

In case an Event of Default with respect to this Global Note shall have occurred and be continuing, the amount payable to a Holder of a Note upon any acceleration permitted by this Global Note, with respect to each unit hereof, shall be equal to the amount payable on the Stated Maturity with respect to such unit, calculated as though the date of acceleration were the Stated Maturity of this Global Note.

In case of default in payment of this Global Note (whether at the Stated Maturity or upon acceleration), from and after such date this Global Note shall bear interest, payable upon demand of the Holders of this Global Note, at the rate of 1.83% per annum on the unpaid amount due and payable on such date in accordance with the terms of this Global Note to the date payment of such amount has been made or duly provided for.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than 66 2/3% in aggregate original public offering price or principal amount, as the case may be, of the Securities at the time Outstanding of each series affected thereby. Holders of specified percentages in aggregate original public offering price or principal amount, as the case may be, of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of each series, are permitted to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Global Note shall be conclusive and binding upon such Holder and upon all future Holders of this Global Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Global Note.

No reference herein to the Indenture and no provision of this Global Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the amount payable with respect to this Global Note and any interest on any overdue amount thereof at the time, place and rate, and in the coin or currency herein prescribed.

As provided in the Indenture and subject to certain limitations set forth therein and on the first page hereof, the transfer of this Global Note may be registered on the Security Register of the Company, upon surrender of this Global Note for registration of transfer at the office or agency of the Company in Toronto, Canada, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, shall be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of a single unit and integral multiples thereof, with a minimum initial investment of Cdn. \$2,000. This Global Note shall remain in the form of a global security held by a Depository. Notwithstanding the foregoing, if (x) any Depository is at any time unwilling or unable to continue as Depository and a successor depository is not appointed by the Company within 60 days, (y) the Company executes and delivers to the Trustee a Company Order to the effect that this Global Note shall be exchangeable or (z) an Event of Default has occurred and is continuing with respect to the Notes, this Global Note shall be exchangeable for Notes in definitive form of like tenor and of an equal aggregate principal amount, in denominations of a single unit and integral multiples thereof. Such definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee. If definitive Notes are so delivered, the Company may make such changes to the form of this Global Note as are necessary or appropriate to allow for the issuance of such definitive Notes.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment by the beneficial owners of the Notes of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

Prior to due presentment of this Global Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Global Note is registered as the owner hereof for all purposes, whether or not this Global Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company and a Holder of a Note shall agree (in the absence of an administrative determination or judicial ruling to the contrary) to treat each Note for all U.S. tax purposes as a pre-paid cash-settled forward contract linked to the Regional Baskets.

All terms used in this Global Note which are defined in the Indenture but not in this Global Note shall have the meanings assigned to them in the Indenture.

Unless the certificate of authentication hereon has been executed by JPMorgan Chase Bank, the Trustee under the Indenture, or its successor thereunder, by the manual signature of one of its authorized officers, this Global Note shall not be entitled to any benefits under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed under its corporate seal.

EXHIBIT A—Form of Global Warrant Certificate

WARRANT AGREEMENT

THIS AGREEMENT, dated as of August 25, 2004, between MERRILL LYNCH & CO., INC., a corporation duly organized and existing under the laws of the State of Delaware (the "Company"), and JPMORGAN CHASE BANK, a New York banking corporation, as Warrant Agent (the "Warrant Agent").

WITNESSETH THAT:

WHEREAS, the Company proposes to sell warrants (the "Warrants" or, individually, a "Warrant") constituting a call option in respect of three Regional Baskets (as defined herein), exercisable on the Exercise Date (as defined herein) and representing the right to receive from the Company (i) a cash settlement amount equal to the Redemption Amount (as defined herein), in Canadian dollars, computed by reference to changes in the value of the three Regional Baskets or, (ii) in certain circumstances, physical settlement by delivery of certain securities; and

WHEREAS, the Company desires to appoint the Warrant Agent to act on behalf of the Company in connection with the issuance, transfer and exercise of the Warrants, and desires to set forth herein, among other things, the provisions of the Warrants and the terms and conditions on which they may be issued, transferred, exercised and cancelled.

NOW, THEREFORE, in consideration of the promises and of the mutual agreements herein contained, the parties hereto agree as follows:

ARTICLE I

ISSUANCE, FORM, EXECUTION,
DELIVERY AND REGISTRATION OF WARRANTS

SECTION 1.01. Issuance of Warrants; Book-Entry Procedures; Successor Depository. (a) The Warrants shall be issued in book-entry form and shall initially be represented by a single fully-registered global certificate (the "Global Warrant Certificate"). Each Warrant shall represent the right, subject to the provisions contained herein and in the Global Warrant Certificate, to receive from the Company (i) the Redemption Amount (as defined in Section 2.03(d)) or, (ii) in certain circumstances, physical settlement of such Warrant by delivery of certain securities. Beneficial owners of interests in the Global Warrant Certificate shall not be entitled to receive definitive Warrants evidencing the Warrants; *provided, however*, that if (i) the Depository (as defined in Section 1.01(b)) is at any time unwilling or unable to continue as Depository for the Warrants and a successor Depository is not appointed by the Company within 60 days, (ii) the Company determines not to have the Warrants represented by a Global Warrant Certificate, and executes and delivers to the Warrant Agent a Company order to the effect that the Warrants shall no longer be represented by the Global Warrant Certificate or (iii) in the event the Company shall be adjudged bankrupt or insolvent or make an assignment for the benefit of its creditors or institute proceedings to be adjudicated bankrupt or shall consent to the filing of a bankruptcy proceeding against it, or shall file a petition or answer or consent seeking reorganization under applicable law, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver or custodian of all or any substantial part of its property, or shall admit in writing its inability to pay or meet its debts as they mature, or if a receiver or custodian of it or all or any substantial part of its property shall be appointed, or if

any public officer shall have taken charge or control of the Company or of its property or affairs, for the purpose of rehabilitation, conservation or liquidation, provided any such event does not result in the automatic exercise of the Warrants as described in Section 2.03, the Company shall issue Warrants in definitive form in exchange for the Global Warrant Certificate. In any such instance, and in accordance with the provisions of this Agreement, each beneficial owner of an interest in the Global Warrant Certificate shall be entitled to have a number of Warrants equivalent to such owner's beneficial interest in the Global Warrant Certificate registered in its name and shall be entitled to physical delivery of such Warrants in definitive form by the Depository Participant (as defined in Section 1.01(c)) through which such owner's beneficial interest is reflected. The provisions of Section 1.05 shall apply only if, and when, Warrants in definitive form ("Warrant Certificates") are issued hereunder. Unless the context shall otherwise require, all references in this Agreement to the Global Warrant Certificate shall include the Warrant Certificates in the event that Warrant Certificates are issued.

(b) Upon the issuance of the Warrants by the Company, the Global Warrant Certificate shall be deposited with the Depository or its nominee (the "Depository"), for credit to the accounts of the Depository Participants as shown on the records of the Depository from time to time. As used herein, the term "Depository" initially refers to The Canadian Depository for Securities Limited and includes any successor Depository selected by the Company as provided in Section 1.01(d).

(c) The Global Warrant Certificate shall initially be registered in the name of the Depository, or a nominee of the Depository, selected by the Company for the Warrants. The Warrant holdings of Depository Participants shall be recorded on the books of the Depository. The holdings of customers of Depository Participants shall be reflected on the books and records of such Depository Participants. "Depository Participants" include banks, investment dealers and trust companies and may include Merrill Lynch Canada Inc. and National Bank Financial Inc. The Global Warrant Certificate shall be held by the Depository or its nominee.

(d) The Company may from time to time select a new entity to act as Depository and, if such selection is made, the Company shall promptly give the Warrant Agent and the acting Depository written notice to such effect identifying the new Depository, and the Global Warrant Certificate shall be delivered to the Warrant Agent and shall be transferred to the new Depository as provided in Section 1.04 as promptly as possible. Appropriate changes may be made in the Global Warrant Certificate, the notice of exercise and the related notices delivered in connection with an exercise of Warrants to reflect the selection of the new Depository.

SECTION 1.02. Form, Execution, Authentication and Delivery of Global Warrant Certificate The Global Warrant Certificate shall be in fully-registered form and substantially in the form set forth in Exhibit A hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Agreement. The Global Warrant Certificate may have imprinted or otherwise reproduced thereon such letters, numbers or other marks of identification or designation and such legends or endorsements as the officers of the Company executing the same may approve (execution thereof to be conclusive evidence of such approval) and are not inconsistent with the provisions of this Agreement (but which do not affect the rights, duties or immunities of the Warrant Agent), or as may be required to comply with any law or with any rule or regulation made pursuant thereto or with any rule or regulation of any stock exchange on which the Warrants may be listed or of the Depository, or to

conform to usage. The Global Warrant Certificate shall be signed manually on behalf of the Company by its Chairman of the Board, President, Vice President serving as Chief Financial Officer or Treasurer, and its corporate seal shall be impressed, imprinted or engraved manually thereon, which shall be attested manually by its Secretary or any Assistant Secretary. Typographical and other minor errors or defects in any such reproduction of the seal or any such signature shall not affect the validity or enforceability of the Global Warrant Certificate that has been duly authenticated and delivered by the Warrant Agent.

In case any officer of the Company who shall have signed the Global Warrant Certificate shall cease to be such officer before the Global Warrant Certificate so signed shall have been authenticated and delivered by the Warrant Agent or delivered by the Company, such Global Warrant Certificate nevertheless may be authenticated and delivered as though the person who signed such Global Warrant Certificate had not ceased to be such officer of the Company; and the Global Warrant Certificate may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Global Warrant Certificate, shall be the proper officers of the Company, although at the date of the execution of this Agreement any such person was not such officer.

SECTION 1.03. Global Warrant Certificate and Authentication. A Global Warrant Certificate relating to 11,360 units of the Warrants originally issued may be executed by the Company and delivered to the Warrant Agent on or after the date of execution of this Agreement. The Warrant Agent is authorized, upon receipt of the Global Warrant Certificate from the Company, duly executed on behalf of the Company, to authenticate such Global Warrant Certificate. The Global Warrant Certificate shall be manually authenticated and dated the date of its authentication by the Warrant Agent and shall not be valid for any purpose unless so authenticated. The Warrant Agent shall authenticate and deliver the Global Warrant Certificate to or upon the written order of the Company.

SECTION 1.04. Registration of Transfers and Exchanges. Except as otherwise provided herein or in the Global Warrant Certificate, the Warrant Agent shall from time to time register the transfer of the Global Warrant Certificate in the records of the Warrant Agent only to the Depository, to a nominee of the Depository, to a successor Depository, or to a nominee of a successor Depository, upon surrender of such Global Warrant Certificate, duly endorsed and accompanied by a written instrument or instruments of transfer in form satisfactory to the Warrant Agent and the Company, duly signed by the registered Holder (as defined in Section 4.02) thereof or by the duly appointed legal representative thereof or by a duly authorized attorney. Upon any such registration of transfer, the Company shall execute, and the Warrant Agent shall authenticate and deliver in the name of the designated transferee, a new Global Warrant Certificate of like tenor and evidencing a like number of Warrants as evidenced by the Global Warrant Certificate at the time of such registration of transfer.

The Global Warrant Certificate may be transferred as provided above at the option of the Holder thereof when surrendered to the Warrant Agent at its office or agency maintained for the purpose of transferring and exercising any of the Warrants, which shall be in Toronto, Canada, or at the office or agency of any successor Warrant Agent as provided in Section 5.03, in exchange for another Global Warrant Certificate of like tenor and representing a like number of Warrants.

SECTION 1.05. Warrant Certificates.

(a) Form, Execution, Authentication and Delivery of Warrant Certificates. Any Warrant Certificates issued in accordance with Section 1.01(a) shall be in definitive form substantially in the form set forth in Exhibit A hereto, with such appropriate insertions, omissions, substitutions and other variations as are necessary or desirable for individual Warrant Certificates, and may represent any integral multiple of Warrants. The Warrant Certificates may have imprinted or otherwise reproduced thereon such letters, numbers or other marks of identification or designation and such legends or endorsements as the officers of the Company executing the same may approve (execution thereof to be conclusive evidence of such approval) and are not inconsistent with the provisions of this Agreement (but which do not affect the rights, duties or immunities of the Warrant Agent), or as may be required to comply with any law or with any rule or regulation made pursuant thereto or with any rule or regulation of any stock exchange on which the Warrants may be listed or of the Depository, or to conform to usage. Warrant Certificates shall be signed on behalf of the Company upon the same conditions, in substantially the same manner and with the same effect as the Global Warrant Certificate, as described in Section 1.02.

Each Warrant Certificate, when so signed on behalf of the Company, shall be delivered to the Warrant Agent, which shall manually authenticate and deliver the same to the Holder upon the written order of the Company. Each Warrant Certificate shall be dated the date of its authentication.

No Warrant Certificate shall be valid for any purpose, and no Warrant evidenced thereby shall be exercisable, until such Warrant Certificate has been authenticated by the manual signature of the Warrant Agent. Such signature by the Warrant Agent upon any Warrant Certificate executed by the Company shall be conclusive evidence that the Warrant Certificate so authenticated has been duly issued hereunder.

(b) Registration of Transfers and Exchanges of Warrant Certificates. Warrant Certificates delivered in exchange for the Global Warrant Certificate shall be registered in such names and addresses (including tax identification numbers) and in such denominations as shall be requested in writing by the Depository or its nominee in whose name the Global Warrant Certificate is registered, upon written certification to the Company and the Warrant Agent in form satisfactory to each of them of a beneficial ownership interest in the Global Warrant Certificate.

The Company shall cause to be kept at an office or agency of the Warrant Agent in Toronto, Canada, a register (the register maintained in such office and in any other office or agency maintained by or on behalf of the Company for such purpose being herein sometimes collectively referred to as the "Warrant Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Warrant Certificates and the transfer of Warrant Certificates. The Warrant Agent is hereby appointed "Warrant Registrar" for the purpose of registering Warrant Certificates and the transfer of Warrant Certificates as herein provided.

Upon surrender for registration of a transfer of a Warrant Certificate at an office or agency of the Company maintained for such purpose, the Company shall execute, and the Warrant Agent shall authenticate and deliver, in the name of the designated transferee or

transferees, one or more new Warrant Certificates of any authorized denominations and representing Warrants of a like aggregate number.

At the option of the Holder, Warrant Certificates may be exchanged for other Warrant Certificates of any authorized denominations and representing units of the Warrants of a like aggregate number, upon surrender of the Warrant Certificates to be exchanged at such office or agency. Whenever any Warrant Certificates are so surrendered for exchange, the Company shall execute, and the Warrant Agent shall authenticate and deliver, the Warrant Certificates which the Holder making the exchange is entitled to receive.

All Warrant Certificates issued upon any registration of a transfer or an exchange of Warrant Certificates shall be the valid obligations of the Company, evidencing the same obligations of the Company, and entitled to the same benefits under this Warrant Agreement, as the Warrant Certificates surrendered upon such registration of a transfer or an exchange.

Every Warrant Certificate presented or surrendered for registration of a transfer or for an exchange shall (if so required by the Company or the Warrant Agent) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Warrant Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of a transfer or an exchange of Warrant Certificates, but the Company or the Warrant Agent may require payment of a sum sufficient from the beneficial owners of the Warrants to cover any tax or other governmental charge that may be imposed in connection with any registration of a transfer or an exchange of Warrant Certificates.

Prior to due presentment of a Warrant Certificate for registration of transfer, the Company, the Warrant Agent and any agent of the Company or the Warrant Agent may treat the person in whose name such Warrant Certificate is registered as the owner of such Warrant Certificate for all purposes hereunder whatsoever, whether or not such Warrant Certificate has been transferred, and neither the Company, the Warrant Agent nor any agent of the Company or the Warrant Agent shall be affected by notice to the contrary.

All Warrant Certificates surrendered for exercise, registration of transfer or exchange shall, if surrendered to any person other than the Warrant Agent, be delivered to the Warrant Agent and shall be promptly cancelled by it. The Company may at any time deliver to the Warrant Agent for cancellation any Warrant Certificate previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and any Warrant Certificate so delivered shall be promptly cancelled by the Warrant Agent. No Warrant Certificate shall be authenticated in lieu of or in exchange for any Warrant Certificate cancelled as provided in this Section 1.05, except as expressly permitted by this Warrant Agreement. All cancelled Warrant Certificates held by the Warrant Agent shall be disposed of as directed in writing by the Company.

(c) Mutilated, Destroyed, Lost or Stolen Warrant Certificates. If any mutilated Warrant Certificate is surrendered to the Warrant Agent, the Company shall execute and the Warrant Agent shall authenticate and deliver in exchange therefor a new Warrant Certificate of like tenor representing Warrants of a like number and bearing a number not contemporaneously outstanding.

If there shall be delivered by a Holder to the Company and the Warrant Agent (i) evidence to their satisfaction of the destruction, loss or theft of any Warrant Certificate, (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless and (iii) funds sufficient to cover any cost or expense to the Company (including any fees and expenses, including legal fees and expenses, charged by the Warrant Agent) relating to the issuance of a new Warrant Certificate, then, in the absence of written notice to the Company or the Warrant Agent that such Warrant Certificate has been acquired by a bona fide purchaser, the Company shall execute and upon its written request the Warrant Agent shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Warrant Certificate, a new Warrant Certificate of like tenor representing Warrants of a like number and bearing a number not contemporaneously outstanding.

Every new Warrant Certificate issued pursuant to this Section 1.05(c) in lieu of any destroyed, lost or stolen Warrant Certificate shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Warrant Certificate shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Warrant Agreement.

The provisions of this Section 1.05(c) are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Warrant Certificates.

ARTICLE II
DURATION AND EXERCISE OF WARRANTS

SECTION 2.01. General. The Warrants constitute a call option in respect of the three Regional Baskets (as defined in Section 2.02) exercisable on the Exercise Date (as defined in Section 2.03(a)). The Warrants are unsecured contractual obligations of the Company and rank equally with its other unsecured contractual obligations and unsecured and unsubordinated debt.

SECTION 2.02. The Regional Baskets. The “Regional Baskets” shall be the North American Regional Basket, the European Regional Basket and the Asian Regional Basket. The “North American Regional Basket” shall be an index basket expressed in Canadian dollars that is 100% weighted to the S&P 500 Index. The “European Regional Basket” shall be an index basket expressed in Canadian dollars that is 60% weighted to the Dow Jones EURO STOXX 50 Index and 40% weighted to the FTSE 100 Index. The “Asian Regional Basket” shall be an index basket expressed in Canadian dollars that is 55% weighted to the Nikkei 225 Index, 35% weighted to the MSCI Hong Kong Index, and 10% weighted to the S&P/ASX 200 Index.

SECTION 2.03. Duration, Exercise and Delivery of Warrants. (a) Subject to the limitations described herein, each Warrant evidenced by the Global Warrant Certificate shall be automatically exercised for no additional consideration on the earlier of (i) the Index Business Day (as defined in Section 2.03(d)) immediately prior to the occurrence of certain events in bankruptcy, insolvency or reorganization involving the Company as are set forth in subsection (f) below and (ii) August 25, 2011 (any such day being the “Exercise Date”). The Warrants are not exercisable at the option of the Holders prior to the Exercise Date. On the Exercise Date, Holders shall be entitled to receive, without payment of any further amount, a cash settlement amount equal to the Redemption Amount or, if a Holder and the Company both agree to physical settlement, to physical settlement in the manner agreed upon by any such Holder and the Company. In the event that physical settlement is agreed upon by the Company and a Holder, the Company shall provide notice to the Holder and the Warrant Agent or the Paying Agent (as defined in Section 2.03(c)), of the terms of the physical settlement at least 60 days prior to the Exercise Date. In such notice, the Company may also indicate that it will agree to a combination of physical and cash settlement. Such notice shall indicate how a Holder may accept the Company’s offer of physical settlement.

(b) On or before the business day immediately preceding the Exercise Date, the Warrant Agent shall (i) be informed by the Calculation Agent (as defined in Section 2.03(d)) of the Redemption Amount, (ii) be informed by the Company of any agreement, including the terms of such agreement, between it and any Holder for the Holder to receive physical settlement in full or partial satisfaction of the Company’s obligation to pay the Redemption Amount to such Holder, (iii) advise the Company of the aggregate Redemption Amount and (iv) advise the Company of such other matters relating to the Warrants as the Company shall reasonably request in writing. Any notice to be given to the Company by the Warrant Agent pursuant to this Section 2.03 shall be by telephone and shall promptly be confirmed in writing. Any notice to be given by the Company or the Calculation Agent to the Warrant Agent pursuant to this Section 2.03(b) shall be by facsimile transmission to the Warrant Agent as set forth in Section 6.03 or by such other means as is acceptable to the Warrant Agent.

(c) Except as provided in Section 2.03(h), the Company shall make available to the Warrant Agent or a paying agent appointed by the Company (the "Paying Agent"), no later than 10:00 A.M., Toronto time, on the Exercise Date funds in an amount sufficient to pay such aggregate Redemption Amount and/or securities sufficient to physically settle any such agreement for physical settlement of the Warrants. Provided that the Company has made adequate funds and securities available to the Warrant Agent or the Paying Agent, in such manner, the Warrant Agent or the Paying Agent shall make payment, and/or deliver any such securities, to the Depository against receipt by the Warrant Agent from the Depository of the Global Warrant Certificate, after 10:00 A.M., Toronto time, but prior to 2:00 P.M. Toronto time, on such Exercise Date. Any such payment shall be in the amount of the aggregate Redemption Amount and any such delivery of securities shall be as provided in any such agreement for physical settlement, and in the case of Warrants issued in definitive form, the aggregate Redemption Amount, and any such delivery of securities, in respect of exercised Warrants for which delivery has been accepted by the Warrant Agent or the Paying Agent.

(d) The "Redemption Amount" shall be determined by the Calculation Agent in accordance with the following formula:

$$\$100 \times [W_1P_1 + W_2P_2 + W_3P_3] - AF$$

Where:

W_1 equals the weighting of the best performing Regional Basket over the term of the Warrants (after giving effect to the conversion of the Regional Basket into Canadian dollars) which shall be equal to 44.45%.

W_2 equals the weighting of the second best performing Regional Basket over the term of the Warrants (after giving effect to the conversion of the Regional Basket into Canadian dollars) which shall be equal to 33.33%.

W_3 equals the weighting of the third best performing Regional Basket over the term of the Warrants (after giving effect to the conversion of the Regional Basket into Canadian dollars) which shall be equal to 22.22%.

P_1 equals the performance of the best performing Regional Basket.

P_2 equals the performance of the second best performing Regional Basket.

P_3 equals the performance of the third best performing Regional Basket.

AF equals the Adjustment Fee (as defined in this Section 2.03(d)).

The performance of the North American Regional Basket equals:

$$\frac{IE_1}{IS_1}$$

The performance of the European Regional Basket equals:

$$\left[60\% \times \frac{IE_2}{IS_2} \right] + \left[40\% \times \frac{IE_3}{IS_3} \right]$$

The performance of the Asian Regional Basket equals:

$$\left[55\% \times \frac{IE_4}{IS_4} \right] + \left[35\% \times \frac{IE_5}{IS_5} \right] + \left[10\% \times \frac{IE_6}{IS_6} \right]$$

The index values are:

IS_i equals the Starting Value (as defined below) of Index_{*i*}

IE_i equals the Ending Value (as defined below) of Index_{*i*}

The underlying equity indices (each, a "Basket Index") are:

Index₁ = S&P 500 Index

Index₂ = Dow Jones EURO STOXX 50 Index

Index₃ = FTSE 100 Index

Index₄ = Nikkei 225 Index

Index₅ = MSCI Hong Kong Index

Index₆ = S&P/ASX 200 Index

The "Adjustment Fee" shall be calculated by the Calculation Agent for each calendar day and accrue over the term of the Warrants at an annual rate of 1.0% of the amount that would be the Redemption Amount for the Warrants on such calendar day (determined without regard to the Adjustment Fee) if such calendar day was the Exercise Date.

The "Starting Value" for each Basket Index shall be the following:

S&P 500 Index = 1,425.3288

Dow Jones EURO STOXX 50 Index = 4,197.8360

FTSE 100 Index = 10,327.9150

Nikkei 225 Index = 129.2323

MSCI Hong Kong Index = 1,092.8941

S&P/ASX 200 Index = 3,287.1385

The “Ending Value” for each Basket Index shall be determined by Merrill Lynch International (the “Calculation Agent”) and shall equal the average, arithmetic mean, of the closing values of such Basket Index determined by the designated Index Calculation Agent (as defined in this Section 2.03(d)) on each of the ten Calculation Days (as defined in this Section 2.03(d)) during the Calculation Period (as defined in this Section 2.03(d)) multiplied by the then current exchange rate between the Canadian dollar and the relevant Index Currency (as defined in this Section 2.03(d)). If there are fewer than ten Calculation Days during the Calculation Period, then the Ending Value shall equal the average, arithmetic mean, of the closing values of the Basket Index on those Calculation Days. If there is only one Calculation Day during the Calculation Period, then the Ending Value shall equal the closing value of the Basket Index on that Calculation Day. If no Calculation Days occur during the Calculation Period, then the Ending Value shall equal the closing value of the Basket Index determined on the last scheduled Index Business Day in the Calculation Period, regardless of the occurrence of a Market Disruption Event (as defined in Section 2.10) on that scheduled Index Business Day.

“Calculation Period” means the period from and including the thirteenth scheduled Index Business Day prior to the Exercise Date to and including the third scheduled Index Business Day prior to the Exercise Date.

“Calculation Day” means any Index Business Day during the Calculation Period on which a Market Disruption Event has not occurred.

“Index Business Day” means, for each Basket Index, a day on which the Basket Index or any Successor Index (as defined in Section 2.05) is calculated and published.

“Index Calculation Agent” means, with respect to the S&P 500 Index and the S&P/ASX 200 Index, Standard & Poor’s, a division of The McGraw-Hill Companies, Inc. (“S&P”), with respect to the Dow Jones EURO STOXX 50 Index, STOXX Limited (“STOXX”), with respect to the FTSE 100 Index, FTSE International Limited (“FTSE”), with respect to the Nikkei 225 Index, Nihon Keizai Shimbun (“NKS”), and with respect to the MSCI Hong Kong Index, Morgan Stanley Capital International Inc. (“MSCI”).

“Index Currency” means, for each Basket Index, the currency in which that Basket Index is denominated.

For purposes of determining the Redemption Amount, the exchange rate between the Canadian dollar and each Index Currency shall be the amount of Canadian dollars (or part thereof) for which one unit of the relevant Index Currency could be purchased as quoted at 12:00 noon (Toronto time) by the Bank of Canada on the applicable Bloomberg page (or its successor page for the purpose of displaying such rate) on each Calculation Day in respect of all Index Currencies. In the event that the applicable Bloomberg page (or successor page) should not be available or no rate is quoted on such page on a Calculation Day at the applicable time, the exchange rate shall be the rate of exchange as determined by the Calculation Agent.

All determinations made by the Calculation Agent and each Index Calculation Agent shall be at its sole discretion and, absent manifest error, shall be conclusive for all purposes and binding on the Company and the Holders and beneficial owners of the Warrants. Whenever the Calculation Agent is required to act, it shall do so in good faith using its reasonable judgement. The Warrant Agent shall have no duty or obligation to review or confirm any of the calculations of the Calculation Agent hereunder.

(e) In case of default in payment of the Warrants on the Exercise Date, from and after such date the Warrants shall bear interest, payable upon demand of the Holders, at the rate of 1.83% per annum on the unpaid amount due and payable on such date in accordance with the terms of Section 2.03(d) to the date payment of such amount has been made or duly provided for.

(f) The Warrants shall expire on the date that either of the following events occur and the Warrants shall be automatically exercised as of the Index Business Day immediately preceding such date:

(i) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereinafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or for any substantial part of its property, or ordering the winding-up or liquidation of its affairs, and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or

(ii) the Company commences a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereinafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or for any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due or shall take any corporate action in furtherance of any of the foregoing.

(g) Upon the occurrence of any of the events described in subsection (f) above, the Redemption Amount, if any, shall be determined by the Calculation Agent pursuant to subsection (d) above.

(h) The Warrant Agent shall, as soon as practicable after the Exercise Date determined pursuant to subsection (f) above, (i) be informed by the Calculation Agent of the Redemption Amount, (ii) be informed by the Company of any agreement, including the terms of such agreement, between it and any Holder for the Holder to receive physical settlement by delivery of certain securities in full or partial satisfaction of the Company's obligation to pay the Redemption Amount to such Holder, (iii) advise the Company of the Redemption Amount and (iv) advise the Company of such other matters relating to the Warrants as the Company shall reasonably request in writing. Notices to be given pursuant to this Section 2.03(h) shall be given in the same manner set forth in Section 2.03(b). Provided that the Company has made the adequate funds and/or securities sufficient to physically settle any such agreement for physical settlement available to the Warrant Agent or the Paying Agent in a timely manner which shall, in no event, be later than 10:00 A.M., New York City time, on the fifth Business Day (as defined in Section 2.05) following the Exercise Date determined in accordance with subsection (f) of this Section 2.03, the Warrant Agent or the Paying Agent shall make payment, and deliver any such securities, to the Depository against receipt by the Warrant Agent from the Depository of the Global Warrant Certificate on the fifth Business Day following such Exercise Date. Any such

payment shall be in the amount of the aggregate Redemption Amount and any such delivery of securities shall be as provided in any such agreement for physical settlement, and in respect of Warrants issued in definitive form, the aggregate Redemption Amount, and any such delivery of securities, in respect of exercised Warrants for which delivery has been accepted by the Warrant Agent or the Paying Agent.

SECTION 2.04. Adjustments to the Basket Indices. If at any time S&P, STOXX, FTSE, NKS or MSCI (each, an "Index Publisher") makes a material change in the formula for or the method of calculating its respective Basket Index or any Successor Index or in any other way materially modifies such Index so that such Index does not, in the opinion of the Calculation Agent, fairly represent the value of such Index had such changes or modifications not been made, then, from and after such time, the Calculation Agent shall, at the close of business in New York, New York, on each date that the closing value of such Index is to be calculated, make those adjustments as, in the good faith judgment of the Calculation Agent, may be necessary in order to arrive at a calculation of a value of a stock index comparable to such Index as if such changes or modifications had not been made, and calculate such closing value with reference to such Index as adjusted.

SECTION 2.05. Discontinuance of the Basket Indices. If an Index Publisher discontinues publication of its respective Basket Index and the Index Publisher or another entity publishes a successor or substitute index that the Calculation Agent determines, in its sole discretion, to be comparable to that Basket Index (a "Successor Index"), then, upon the Calculation Agent's notification of such determination to the Warrant Agent and the Company, the Calculation Agent shall substitute the Successor Index, as calculated by the relevant Index Publisher or any other entity for that Basket Index and calculate the Ending Value as set forth in Section 2.03(d). Upon any selection by the Calculation Agent of a Successor Index, the Company shall cause notice to be given to the Holders of the Warrants.

In the event that an Index Publisher discontinues publication of its respective Basket Index and:

- (i) the Calculation Agent does not select a Successor Index; or
- (ii) the Successor Index is no longer published on any of the Calculation Days,

the Calculation Agent shall compute a substitute value for that Basket Index in accordance with the procedures last used to calculate that Basket Index before any discontinuance. If a Successor Index is selected or the Calculation Agent calculates a value as a substitute for that Basket Index as described below, the Successor Index or value shall be used as a substitute for that Basket Index for all purposes, including for purposes of determining whether a Market Disruption Event exists.

If an Index Publisher discontinues publication of its respective Basket Index before the Calculation Period and the Calculation Agent determines that no Successor Index is available at that time, then on each Business Day until the earlier to occur of:

- (i) the determination of the Ending Value; and

(ii) a determination by the Calculation Agent that a Successor Index is available,

the Calculation Agent shall determine the value that would be used in computing the Redemption Amount as described in the preceding paragraph as if that day were a Calculation Day. The Calculation Agent shall cause notice of each value to be published not less often than once each month in the national edition of a major English language Canadian newspaper and a French language newspaper of general circulation in the Province of Quebec, and arrange for information with respect to these values to be made available by telephone.

A "Business Day" is any day other than a Saturday or Sunday that is neither a legal holiday nor a day on which banking institutions in London are authorized or required by law, regulation or executive order to close and those banks are open for dealing in a foreign exchange and foreign currency deposits.

SECTION 2.06. Denominations. The Warrants shall be issued in denominations of whole units, each at an initial price of Cdn. \$100 per unit.

SECTION 2.07. Return of Global Warrant Certificate. At such time as all of the Warrants have been automatically exercised or otherwise cancelled, the Warrant Agent shall destroy the cancelled Global Warrant Certificate unless the Company directs the Warrant Agent in writing to return such cancelled Global Warrant Certificate to it.

SECTION 2.08. Return of Property Held Unclaimed for Two Years. Any money deposited with or paid, or securities delivered, to the Warrant Agent for the payment of the Redemption Amount or physical settlement of any Warrants and not applied but remaining unclaimed for two years after the date upon which such Redemption Amount shall have become due and payable or such physical settlement had been due to occur, shall be repaid or delivered by the Warrant Agent to the Company and the Holder of such Warrants shall thereafter look only to the Company for any payment or delivery which such Holder may be entitled and all liability of the Warrant Agent with respect to such property shall thereupon cease; *provided, however*, that the Warrant Agent, before making any such repayment or delivery, may at the expense of the Company notify the Holders concerned that said property has not been so applied and remains unclaimed and that after a date named therein any unclaimed property then remaining shall be returned to the Company.

SECTION 2.09. Designation of Agent for Receipt of Notice. The Company may from time to time designate in writing to the Warrant Agent a designee for receipt of all notices required to be given by the Warrant Agent to the Company pursuant to this Article II and all such notices thereafter shall be given in the manner herein provided by the Warrant Agent to such designee.

SECTION 2.10. Market Disruption Events.

"Market Disruption Event" means either of the following events as determined by the Calculation Agent:

- (i) the suspension of or material limitation on trading for more than two hours of trading, or during the one-half hour period preceding the close of

trading, on the applicable exchange, in 20% or more of the stocks which then comprise a Basket Index or any Successor Index; or

(ii) the suspension of or material limitation on trading, in each case, for more than two hours of trading, or during the one-half hour period preceding the close of trading, on the applicable exchange, whether by reason of movements in price otherwise exceeding levels permitted by the relevant exchange or otherwise, in option contracts or futures contracts related to the applicable Basket Index, or any Successor Index.

For the purpose of the above definition:

(i) a limitation on the hours in a trading day and/or number of days of trading shall not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the relevant exchange;

(ii) a limitation on trading imposed during the course of a day by reason of movements in price otherwise exceeding levels permitted by the relevant exchange shall constitute a Market Disruption Event;

(iii) a decision to permanently discontinue trading in the relevant futures or options contracts related to the applicable Basket Index, or any Successor Index, shall not constitute a Market Disruption Event;

(iv) a suspension in trading in a futures or options contract on the applicable Basket Index, or any Successor Index, by a major securities market by reason of (a) a price change violating limits set by that securities market, (b) an imbalance of orders relating to those contracts or (c) a disparity in bid and ask quotes relating to those contracts shall constitute a suspension or material limitation of trading in futures or options contracts related to that Basket Index; and

(v) an absence of trading on the related exchange shall not include any time when that exchange is closed for trading under ordinary circumstances.

ARTICLE III

OTHER PROVISIONS RELATING TO RIGHTS OF HOLDERS

SECTION 3.01. Holder of Warrant May Enforce Rights. Notwithstanding any of the provisions of this Agreement, any Holder, without the consent of the Warrant Agent, may, in and for his own behalf, enforce, and may institute and maintain any suit, action or proceeding against the Company suitable to enforce, or otherwise in respect of, his right to exercise, and to receive payment or delivery for, his Warrants as provided in the Global Warrant Certificate and in this Agreement.

SECTION 3.02. Merger, Consolidation, Sale, Transfer or Conveyance. The Company may consolidate with, or sell, lease or convey all or substantially all of its assets to, or merge with or into any other entity, *provided that*, in any such case, (i) either the Company shall be the continuing entity, or the successor entity shall be organized and existing under the laws of the United States of America or a State thereof and such successor entity shall expressly assume (a) the payment of the Redemption Amount with respect to the Warrants, according to their tenor, and (b) the due and punctual performance and observance of all of the covenants and conditions of this Agreement and the Global Warrant Certificate to be performed by the Company and (ii) the Company or such successor entity, as the case may be, shall not, immediately after such merger or consolidation, or such sale, lease or conveyance, be in default in the performance of any such covenant or condition. Such successor or assuming entity thereupon may cause to be signed, and may issue either in its own name or in the name of the Company, a new Global Warrant Certificate in exchange and substitution for the Global Warrant Certificate theretofore issued. Such Global Warrant Certificate shall in all respects have the same legal rank and benefit under this Agreement as the Global Warrant Certificate theretofore issued in accordance with the terms of this Agreement as though such new Global Warrant Certificate had been issued at the date of the execution hereof. In any case of any such consolidation, merger, sale, lease or conveyance of substantially all of the assets of the Company, such changes in phraseology and form (but not in substance) may be made in the new Global Warrant Certificate as may be appropriate.

The Warrant Agent shall receive a written opinion of legal counsel as conclusive evidence that any such consolidation, merger, sale, lease or conveyance of substantially all of the assets of the Company complies with the provisions of this Section 3.02 and that the assumption of this Agreement by the successor or assuming corporation is binding and effective.

ARTICLE IV

CANCELLATION OF WARRANTS

SECTION 4.01. Cancellation of Warrants. In the event the Company shall purchase or otherwise acquire Warrants, such Warrants may, at the option of the Company and upon written notification to the Warrant Agent, be surrendered free through a Depository Participant for credit to the account of the Warrant Agent and if so credited, the Warrant Agent shall promptly note the cancellation of such Warrants by notation on the records of the Warrant Agent. No Warrant shall be issued in lieu of or in exchange for any Warrant which is cancelled as provided by this Section 4.01, except as otherwise expressly permitted by this Agreement.

SECTION 4.02. Treatment of Holders. The Company, the Warrant Agent and any agent of the Company or the Warrant Agent may deem and treat the person in whose name a Warrant Certificate or the Global Warrant Certificate shall be registered in the records of the Warrant Agent as the absolute owner of such Warrant Certificate or Global Warrant Certificate, as the case may be (notwithstanding any notation of ownership or other writing thereon) (the "Holder") for any purpose and as the person entitled to exercise the rights represented by the Warrants evidenced hereby, and neither the Company nor the Warrant Agent, nor any agent of the Company or the Warrant Agent shall be affected by any notice to the contrary, except that the Warrant Agent and the Company and any agent of the Company or the Warrant Agent shall be entitled to conclusively rely on and act pursuant to instructions of the Depository or the Depository Participants, as applicable, as contemplated by Article II of this Agreement. This Section 4.02 shall be without prejudice to the rights of Holders as described elsewhere herein.

ARTICLE V

CONCERNING THE WARRANT AGENT

SECTION 5.01. Warrant Agent. (a) The Company hereby appoints JPMorgan Chase Bank as Warrant Agent of the Company in respect of the Warrants and Global Warrant Certificate upon the terms and subject to the conditions set forth herein and in the Global Warrant Certificate; and JPMorgan Chase Bank hereby accepts such appointment. The Warrant Agent shall have the powers and authority granted to and conferred upon it in the Global Warrant Certificate and hereby and such further powers and authority acceptable to it to act on behalf of the Company as the Company may hereafter grant to or confer upon it. All of the terms and provisions with respect to such powers and authority contained in the Global Warrant Certificate are subject to and governed by the terms and provisions hereof.

SECTION 5.02. Conditions of Warrant Agent's Obligations. The Warrant Agent accepts its obligations herein set forth upon the terms and conditions hereof and of the Global Warrant Certificates, including the following, to all of which the Company agrees and to all of which the rights hereunder of the Holders and beneficial owners from time to time of the Warrants shall be subject:

(a) The Company agrees promptly to pay the Warrant Agent the compensation to be agreed upon with the Company in writing for all services rendered by the Warrant Agent and to reimburse the Warrant Agent for its reasonable out-of-pocket expenses (including counsel fees and expenses) incurred by the Warrant Agent without negligence or bad faith on its part in connection with the services rendered by it hereunder. The Company also agrees to indemnify the Warrant Agent and its officers, directors, agents and employees for, and to hold it and them harmless against, any loss, damage, cost, penalty, liability or expense (including reasonable attorneys' fees and expenses) incurred without negligence or bad faith on the part of the Warrant Agent or them, arising out of or in connection with it acting as Warrant Agent hereunder or with respect to the Warrants or the Global Warrant Certificate and any transactions or documents contemplated herewith or therewith, as well as the reasonable costs and expenses of defending against any claim of liability in the premises.

(b) In acting under this Agreement and in connection with the Global Warrant Certificate, the Warrant Agent is acting solely as agent of the Company and does not assume any obligation or relationship of agency or trust for or with any of the beneficial owners or Holders of the Warrants.

(c) The Warrant Agent may consult with counsel satisfactory to it, and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in accordance with the advice or opinion of such counsel.

(d) The Warrant Agent shall be protected and shall incur no liability for or in respect of any action taken or omitted or any thing suffered by it in reliance upon any Global Warrant Certificate, notice, direction, consent, certificate, affidavit, statement or other paper or document reasonably believed by it to be genuine and to have been presented or signed by the proper parties. Notwithstanding anything in this Agreement to the contrary, the Warrant Agent shall not be liable in any event for special, punitive, indirect, incidental or consequential losses or damages of any kind whatsoever (including but not limited to lost profits), even if the Warrant

Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(e) The Warrant Agent, and its officers, directors and employees, may become the owner of, or acquire an interest in, any Warrants or other obligations of the Company, with the same rights that it or they would have if it were not the Warrant Agent hereunder, and, to the extent permitted by applicable law, it or they may engage or be interested in any financial or other transaction with the Company and may act on, or as Depository, trustee or agent for, any committee or body of Holders of Warrants or other obligations of the Company as freely as if it were not the Warrant Agent hereunder.

(f) The Warrant Agent shall not be under any liability for interest on any monies at any time received by it pursuant to any of the provisions of this Agreement or of the Global Warrant Certificate nor shall it be obligated to segregate such monies from other monies held by it, except as required by law. The Warrant Agent shall not be responsible for advancing funds on behalf of the Company and shall have no duty or obligation to make any payments if it has not timely received sufficient funds to make timely payments.

(g) The Warrant Agent shall not be under any responsibility with respect to the validity or sufficiency of this Agreement or the execution and delivery hereof (except the due execution and delivery hereof by the Warrant Agent) or with respect to the validity or execution of the Global Warrant Certificate (except its authentication thereof).

Whenever the Calculation Agent is required to act, it shall do so in good faith using its reasonable judgement.

In case of default in payment of this Global Warrant on the Exercise Date, from and after such date the Warrants shall bear interest, payable upon demand of the Holders, at the rate of 1.83% per annum on the unpaid amount due and payable on such date in accordance with the terms of Section 2.03(d) of the Warrant Agreement to the date payment of such amount has been made or duly provided for.

On or before the business day immediately preceding the Exercise Date, the Warrant Agent shall (i) be informed by the Calculation Agent of the Redemption Amount, (ii) be informed by the Company of any agreement, including the terms of such agreement, between it and any Holder for the Holder to receive physical settlement by delivery of certain securities in full or partial satisfaction of the Company's obligation to pay the Redemption Amount to such Holder, (iii) advise the Company of the aggregate Redemption Amount and (iv) advise the Company of such other matters relating to the Warrants as the Company shall reasonably request in writing. Ladies and Gentlemen:

As your counsel, we have examined a copy of the Restated Certificate of Incorporation, as amended, of Merrill Lynch & Co., Inc. (hereinafter called the "Company"), certified by the Secretary of State of the State of Delaware. We are familiar with the corporate proceedings had in connection with the proposed issuance and sale by the Company to the Agents named in the Agency Agreement, dated August 20, 2004 (the "Agency Agreement"), among the Company, Merrill Lynch Canada Inc. and National Bank Financial Inc. relating to (i) Cdn. \$2,021,800 the Company's Global Equity Performance Weighted Notes, Series 1 due August 25, 2011 (the "Notes"), and (ii) Cdn. \$1,136,000 the Company's Global Equity Performance Weighted Warrants, Series 1 exercisable August 25, 2011 (the "Warrants", and collectively with the Notes, the "Securities"). We have also examined (i) a copy of the Indenture between the Company and JPMorgan Chase Bank as Trustee, dated as of April 1, 1983, as amended

(the "Indenture"), (ii) a copy of the Warrant Agreement between the Company and JPMorgan Chase Bank, as Warrant Agent, dated as of August 25, 2004 (the "Warrant Agreement"), and (iii) the Company's Registration Statement on Form S-3 (File No. 333-109802) relating to the Securities (the "Registration Statement").

Based upon the foregoing and upon such further investigation as we deemed relevant in the premises, we are of the opinion that:

1. The Company has been duly incorporated under the laws of the State of Delaware.
2. The Notes have been duly and validly authorized by the Company and when the Notes have been duly executed and authenticated in accordance with the terms of the Indenture and delivered against payment therefor as set forth in the Agency Agreement, the Notes shall constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent that enforcement thereof may be limited by bankruptcy, moratorium, insolvency, reorganization or similar laws relating to or affecting creditors' rights generally and except as enforcement thereof is subject to general principles at equity (regardless of whether enforcement is considered in a proceeding in equity or at law).
3. The Warrants have been duly and validly authorized by the Company and when the Warrants have been duly executed and authenticated in accordance with the terms of the Warrant Agreement and delivered against payment therefor as set forth in the Agency Agreement, the Warrants will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent that enforcement thereof may be limited by bankruptcy, moratorium,

insolvency, reorganization or similar laws relating to or affecting creditors' rights generally and except as enforcement thereof is subject to general principles at equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

We consent to the filing of this opinion as an exhibit to the Registration Statement and as an exhibit to the Current Report of the Company on Form 8-K dated August 25, 2004. We also consent to the use of our name under the caption "United States Federal Income Tax Considerations" in the prospectus supplement related to the offering of the Securities.

Very truly yours,

/s/ SIDLEY AUSTIN BROWN & WOOD LLP
