MERRILL LYNCH & CO., INC.
Medium-Term Notes, Series C
100% Principal Protected BRIC Currency Basket Notes
due April 27, 2009
(the "Notes")

ORIGINAL ISSUE DATE:
January 25, 2007

MERRILL LYNCH & CO., INC., a Delaware corporation (hereinafter referred to as the "Company," which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to CEDE & CO., or registered assigns, the Redemption Amount (as defined below) on April 27, 2009 (the "Stated Maturity") in accordance with the terms below, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts.

Payment of the Redemption Amount and any interest on any overdue amount thereof with respect to this Global Note shall be made at the office or agency of the Company maintained for that purpose in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

Payment on the Maturity Date

At the Stated Maturity, a Holder shall receive a cash payment per Unit equal to the Redemption Amount, as provided below.

The “Redemption Amount” per Unit with respect to this Global Note shall be denominated and payable in United States dollars, shall be determined by the Calculation Agent and shall equal:

- (i) If the Ending Value is greater than 108% of the Starting Value (the “Appreciation Barrier”), \$10 per Unit, multiplied by a percentage equal to:

$$100 + \left(200\% \times \left(\frac{\text{Ending Value} - \text{Starting Value}}{\text{Starting Value}} \right) \right); \text{ or}$$

- (ii) If the Ending Value is equal to or less than the Appreciation Barrier, a payment of \$10.80 per Unit (the “Minimum Redemption Amount”).

The “Starting Value” is 100.

The “Ending Value” shall equal the value of the Basket as determined by the Calculation Agent on the Valuation Date, using the Exchange Rates on that date, as described below.

The “Valuation Date” shall be the seventh scheduled Business Day before the Stated Maturity of the Notes.

A “Business Day” means any day other than a Saturday or Sunday that is neither a legal holiday nor a day on which banking institutions in The City of New York are authorized or required by law, regulation or executive order to close and those banks are open for dealing in a foreign exchange and foreign currency deposits.

All determinations made by the Calculation Agent, absent a determination of a manifest error, shall be conclusive for all purposes and binding on the Company and the Holders and beneficial owners of this Global Note.

The value of the “Basket” equal the result of (i) the Multiplier for each Basket Component multiplied by the Exchange Rate for such Basket Component, (ii) the resulting products summed and (iii) the total added to 100. The Multipliers are as set forth below:

Basket Component	Iso Code	Multiplier
United States dollar	USD	-100.00000000
Brazilian real	BRL	53.30751828
Russian ruble	RUB	663.05962232
Indian rupee	INR	1105.26548477
Chinese renminbi (yuan)	CNY	194.49955265

For purposes of determining the Ending Value, the Exchange Rates shall be:

- (i) for the Brazilian real, the currency exchange rate in the interbank market quoted as

the number of United States dollars for which one Brazilian real can be exchanged as reported by Reuters Group PLC (“Reuters”) on page BRFR , or any substitute page thereto, at approximately 8 p.m. in Sao Paulo Brazil;

(ii) for the Russian ruble, the currency exchange rate in the interbank market quoted as the number of United States dollars for which one Russian ruble can be exchanged as reported by Reuters on page RUBMCMEEMTA=, or any substitute page thereto, between 12:00 noon and 12:30 p.m., in Moscow, Russia;

(iii) for the Indian rupee, the currency exchange rate in the interbank market quoted as the number of United States dollars for which one Indian rupee can be exchanged as reported by Reuters on page RBIB, or any substitute page thereto, at approximately 2:30 p.m. in Mumbai, India; and

(iv) for the Chinese renminbi (yuan), the currency exchange rate in the interbank market quoted as the number of United States dollars for which one Chinese renminbi (yuan) can be exchanged as reported by Reuters on page SAEC, or any substitute page thereto, at approximately 9:30 a.m., in Beijing, China.

If the currency exchange rates are not so quoted on Reuters page BRFR, Reuters page RUBMCMEEMTA=, Reuters page RBIB or Reuters page SAEC (as applicable), or any substitute page thereto, then the Exchange Rates used to determine the Ending Value shall equal the noon buying rate in New York for cable transfers in foreign currencies as announced by the Federal Reserve Bank of New York for customs purposes (the “Noon Buying Rate”). If the Noon Buying Rate is not announced on that date, then the Exchange Rates shall be calculated on the basis of the arithmetic mean of the applicable spot quotations received by the Calculation Agent at approximately 10:00 a.m., New York City time, on the relevant date for the purchase or sale for deposits in the relevant currencies by the London offices of three leading banks engaged in the interbank market (selected in the sole discretion of the Calculation Agent) (the “Reference Banks”). If fewer than three Reference Banks provide spot quotations, then the Exchange Rates shall be calculated on the basis of the arithmetic mean of the applicable spot quotations received by the Calculation Agent at approximately 10:00 a.m., New York City time, on the relevant date from two leading commercial banks in New York (selected in the sole discretion of the Calculation Agent), for the purchase or sale for deposits in the relevant currencies. If these spot quotations are available from only one bank, then the Calculation Agent, in its sole discretion, shall determine which quotation is available and reasonable to be used. If no spot quotation is available, then the Exchange Rates shall be the rate the Calculation Agent, in its sole discretion, determines to be fair and reasonable under the circumstances at approximately 10:00 a.m., New York City time, on the relevant date.

As used herein, the “Calculation Agent” is Merrill Lynch Capital Services, Inc. All determinations made by the Calculation Agent, absent a determination of a manifest error, shall be conclusive for all purposes and binding on the Company and the Holders and beneficial owners of this Global Note.

General

All percentages resulting from any calculation on the Notes shall be rounded to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upwards. For example, 9.876545% (or .09876545) would be rounded to 9.87655% (or .0987655). All dollar amounts used in or resulting from any calculation shall be rounded to the nearest cent with one-half cent being rounded upward.

This Global Note is one of a duly authorized issue of the Company's Medium-Term Notes, Series C, Due Nine Months or More from Date of Issue and designated as 100% Principal Protected BRIC Currency Basket Notes which are due at the Stated Maturity. The Notes are issued and to be issued under an indenture dated as of April 1, 1983, as amended and restated (the "Indenture"), between the Company and The Bank of New York (as successor to JPMorgan Chase Bank, N.A.) (herein called the "Trustee", which term includes any successor Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee and the Holders of the Notes and the terms upon which the Notes are to be authenticated and delivered.

Unless the certificate of authentication hereon has been executed by or on behalf of the Trustee with respect to the Notes under the Indenture, or its successor thereunder, by the manual signature of one of its authorized officers, this Global Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

The Notes are issuable only in registered form without coupons in denominations of \$10 principal amount (each a Unit) and integral multiples thereof. As provided in the Indenture and subject to certain limitations therein set forth, this Global Note is exchangeable for certificates representing Notes of like tenor and of an equal Principal Amount as requested by the Holder surrendering the same. If (x) the Depository is at any time unwilling or unable to continue as depository and a successor depository is not appointed by the Company within 60 days, (y) the Company executes and delivers to the Trustee a Company Order to the effect that this Global Note shall be exchangeable or (z) an Event of Default has occurred and is continuing with respect to this Global Note, this Global Note shall be exchangeable for certificates representing the Notes in definitive form of like tenor and of an equal Principal Amount, in authorized denominations. Such definitive Notes shall be registered in such name or names as the Depository shall instruct the Trustee. If definitive Notes are so delivered, the Company may make such changes to the form of this Global Note as are necessary or appropriate to allow for the issuance of such definitive Notes.

This Note is not subject to any sinking fund.

In case an Event of Default (as defined in the Indenture) with respect to any Notes shall have occurred and be continuing, the amount payable to a holder of a Note upon any acceleration permitted by the Notes, with respect to each Unit, shall be equal to the Redemption Amount calculated as though the date of acceleration were the Maturity Date.

In case of default in payment of this Global Note, whether at the Stated Maturity or upon acceleration, from and after such date this Global Note shall bear interest, payable upon demand of the Holders thereof, at the then current Federal Funds Rate (the "Default Rate"), reset daily, to

the extent that such payment of interest shall be legally enforceable on the unpaid amount due and payable on such date in accordance with the terms of this Global Note to the date payment of such amount has been made or duly provided for.

“Federal Funds Rate” means:

(1) the rate with respect to a particular interest determination date displayed on Reuters or any successor service on page H15FED1 or any other page as may replace page H15FED1 on that service (“Reuters Page H15FED1”), or

(2) if the rate referred to in clause (1) does not appear on Reuters Page H15FED1 or is not published by 3:00 P.M., New York City time, on the related calculation date, the rate with respect to a particular interest determination date for United States dollar federal funds as published in H.15 Daily Update, or other recognized electronic source used for the purpose of displaying the applicable rate, under the caption “Federal Funds (Effective)”, or

(3) if the rate referred to in clause (2) is not published by 3:00 P.M., New York City time, on the related calculation date, the rate with respect to a particular interest determination date calculated by the Calculation Agent as the arithmetic mean of the rates for the last transaction in overnight United States dollar federal funds arranged by three leading brokers of United States dollar federal funds transactions in The City of New York, which may include the agent or its affiliates, selected by the Calculation Agent prior to 9:00 A.M., New York City time, on the Business Day following that interest determination date, or

(4) if the brokers selected by the Calculation Agent are not quoting as mentioned in clause (3), the Federal Funds Rate for the Business Day preceding the particular interest determination date.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than 66 2/3% in aggregate principal amount of the Securities at the time Outstanding of each series affected thereby. Holders of specified percentages in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of each series, are permitted to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Global Note shall be conclusive and binding upon such Holder and upon all future Holders of this Global Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Global Note.

No reference herein to the Indenture and no provision of this Global Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the Redemption Amount hereof and interest on this Global Note, if any, at the time, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations set forth therein and on the face hereof, the transfer of this Global Note may be registered on the Security Register of the Company, upon surrender of this Global Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or

accompanied by a written instrument of transfer in form satisfactory to the Company duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon one or more new certificates representing the Notes of authorized denominations of like tenor and for the same Principal Amount shall be issued to the designated transferee or transferees.

Prior to due presentment of this Global Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Global Note is registered as the owner hereof for all purposes, whether or not this Global Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company and each Holder and beneficial owner (by acceptance hereof) hereby agree to treat this Global Note for all tax purposes as a debt instrument that is subject to U.S. Treasury Regulation Section 1.1275-4(b) governing contingent payment debt instruments, and, where required, the Company shall file information returns with the Internal Revenue Service in accordance with this treatment, in the absence of any change or clarification in the law, by regulation or otherwise, requiring a different characterization of the Notes.

The Indenture and this Global Note shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Global Note which are defined in the Indenture but not in this Global Note shall have the meanings assigned to them in the Indenture.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed under its corporate seal.

Dated: January 25, 2007.

Ladies and Gentlemen:

As your counsel, we have examined a copy of the Restated Certificate of Incorporation, as amended, of Merrill Lynch & Co., Inc. (the "Company"), certified by the Secretary of State of the State of Delaware. We are familiar with the corporate proceedings had in connection with the proposed issuance and sale by the Company to Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S"), pursuant to a Distribution Agreement dated March 31, 2006 (the "Distribution Agreement") between the Company and MLPF&S, of the Company's 100% Principal Protected BRIC Currency Basket Notes due April 27, 2009 (the "Notes") in amounts equal to \$2,000,000 aggregate principal amount of the Notes. We have also examined a copy of the Indenture between the Company and The Bank of New York as successor Trustee, dated as of April 1, 1983, as amended (the "Indenture"), and the Company's Registration Statement on Form S-3 (File No. 333-132911) relating to the Notes (the "Registration Statement").

Based upon the foregoing and upon such further investigation as we deemed relevant in the premises, we are of the opinion that:

1. The Company has been duly incorporated under the laws of the State of Delaware.

2. The Notes have been duly and validly authorized by the Company and, when the Notes have been duly executed and authenticated in accordance with the terms of the Indenture and delivered against payment therefor as set forth in the Distribution Agreement, the Notes will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent that enforcement thereof may be limited by bankruptcy, moratorium, insolvency, reorganization or similar laws relating to or affecting creditors' rights generally and except as enforcement thereof is subject to general principles at equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

We consent to the filing of this opinion as an exhibit to the Registration Statement and as an exhibit to the Current Report of the Company on Form 8-K dated January 25, 2007

Very truly yours,

/S/ SIDLEY AUSTIN LLP
